

Stakes Conditions– Standardbred Racing

1) No horse may participate in an added money event conducted by Woodbine Entertainment if during the twelve months preceding the entry date of the added money event the horse is found by a racing regulatory agency to have tested positive for any substance listed under Class 1 or Class 2 in the Association of Racing Commissioners International Uniform Classification Guidelines for Foreign Substances, or to have tested positive for an anabolic steroid, including but not limited to, (boldenone, nandrolone, stanozolol, and testosterone), or to have a TC02 violation. The ineligibility period begins from the date the Racing Regulatory Agency has issued the positive test penalty.

2) No person, or related entity, may participate as a horse owner (ownership of at least direct or indirect 25%) in an added money event conducted by Woodbine Entertainment if during the twelve months preceding the entry date of the added money event the person, or related entity, owns (ownership of at least direct or indirect 25%) a horse that is found by a racing regulatory agency to have tested positive for any substance listed under Class 1 in the Association of Racing Commissioners International Uniform Classification Guidelines for Foreign *Substances, or to have tested positive for an anabolic steroid*, including but not limited to, (*boldenone, nandrolone, stanozolol, and testosterone*), or to have a TC02 violation.. The Association will assume that an owner's share of the horse is at least direct or indirect 25%. It is the owner's responsibility to provide evidence if he/she owns less than direct or indirect 25%. All evidence or documentation in respect of the percentage, identity or bona fides of ownership (including related entities) are to be in a form and manner satisfactory to the Association. Transfer of ownership (including reductions in percentage of ownership) following the date of any race in which there is a positive test, may not be effective to permit participation in any subsequent event in that year governed by these conditions, and any horse owned with an individual in violation of these rules, will be subject to these conditions. The ineligibility period begins from the date the regulatory agency has issued the positive test penalty.

3) No person, or related entity may participate as a horse owner (ownership of at least direct or indirect 25%) in an added money event conducted by Woodbine Entertainment if during the twelve months preceding the entry date of the added money event the person, or related entity, owns (ownership of at least direct or indirect 25%) a horse(s) that is(are) found by a racing regulatory agency to have two violations, or a second violation as recognized within the racing jurisdiction, of a racing regulation prohibiting the use of any substance listed under Class 2 in the Association of Racing Commissioners International Uniform Classification Guidelines for Foreign Substances. The Association will assume that an owner's share of the horse is at least direct or indirect 25%. It is the owner's responsibility to provide evidence if he/she owns less than direct or indirect 25%. All evidence or documentation in respect of the percentage, identity or bona fides of ownership (including related entities) are to be in a form and manner satisfactory to the Association. Transfer of ownership (including reductions in percentage of ownership) following the date of the second Class 2 positive test shall not be effective to permit participation in any subsequent event in that year governed by these conditions, and any horse owned with an individual in violation of these rules, will be subject to these conditions. The ineligibility period begins from the date the Racing Regulatory Agency has issued the penalty for the second Class 2 positive.

4)No person can participate as a trainer in an added money event conducted by Woodbine Entertainment if during the twelve months preceding the entry date of the added money event the person has been found by a racing regulatory agency to have violated a racing regulation prohibiting the use of any substance listed under Class 1 or Class 2 in the Association of Racing Commissioners International Uniform Classification Guidelines for Foreign Substances, or to have tested positive for an anabolic steroid, including but not limited to, (boldenone, nandrolone, stanozolol, and testosterone), or to have a TC02 violation.. The ineligibility period begins from the date the Racing Regulatory Agency has issued the positive test penalty.

Notes:

- All owners and trainers will begin with a clean slate as of January 1, 2018. Any positive in 2017 will not be recognized as an offence.
- There will be no refunds of Nomination or Sustaining fees paid.
- Related entity shall be defined as any relative by blood, spouse or domestic partner, person occupying the same residence, employee or any corporation, trust, partnership or other form of entity in which an owner or any party referred to herein has at least a direct or indirect direct or indirect 25% legal or beneficial interest or over which such party exercises control.
- A horse may not be transferred to a trainer associated with the offending trainer. A trainer will be considered to be associated with the offending trainer if he/ she was an assistant to, or employee of, the trainer or related to the trainer by blood, or by marriage or domestic partnership.
