2.1 Retention

- a) WEG, in its sole discretion, may require horses to be placed in a retention area for a disclosed period of time prior to Races in any added money and/or overnight Race(s).
- b) The period of time any such horse is detained in the retention area is at the sole and absolute discretion of WEG and may vary from time to time.
- c) If horses are required by WEG to be placed in the retention area, notification of such requirement will be set out on the overnight sheet as distributed by the Race Office.
- d) It shall be the responsibility of the trainer to have the horses under his or her care, which are programmed to Race, signed into the retention area at the time prescribed by the Racing Secretary.
- e) The retention area will have restricted access and will be monitored by security at all times when any horse or horses are stabled in the retention area.
- f) Responsibility for the Applicant's horse while stabled in the retention area shall remain solely with the Applicant. In no event shall WEG assume any responsibility or liability for the Applicant's horse.
- g) All horses must wear halters while in a stall in the retention area.
- h) Horses reported late to the retention area may be scratched by the AGCO Official in charge.
- i) If required, all horses will be transferred to the Paddock in a convoy with a Security Guard, and an AGCO Official may assist. The Groom or trainer is not permitted to ride in the trailer with the horse unless it is a pre-arranged carrier with the Security Guard who is acting as escort and who is present inside the trailer.
- j) Horses in the retention barn and horses arriving at the retention barn will not be permitted to leave the retention area once they have been checked in by a Security Guard.
- k) All horses entering the retention barn must have their time of arrival registered by a Security Guard and their identification confirmed. The racing department will supply security with a Standardbred Canada identification list.

STANDARD BRED

To: Woodbine Entertainment Group ("WEG")

I hereby apply, either (a) in my personal capacity or (b) as an employee, agent or representative (an "Agent") of an individual, corporation or other legal entity (the "Principal"), for a limited, non-transferable, revocable license (the "access rights") to enter upon the lands and premises operated by WEG and the improvements located thereon (the "WEG premises") together with the property (including horses and equipment) in my possession, care, custody or control from time to time during the proposed access.

I undertake and agree to use the access rights, if granted, for the limited purpose of such activities on WEG premises as may be permitted by WEG and, in the case of equine and related activities, to abide by the Track Rules of WEG as amended from time to time on approval by the Alcohol and Gaming Commission of Ontario (AGCO).

I acknowledge and agree that WEG reserves the right to revoke the access rights, if granted, at any time in its sole and absolute discretion and without notice, reason or compensation.

I further acknowledge and agree that the term "property", whenever used, includes horses and the term "damage to property" includes injury to or death of horses.

Authority to Sign this Application

Where this is an Application for Access Rights made in my personal capacity, I represent and warrant that I am 18 years of age or older. Where this is an Application for Access Rights made as Agent of a Principal, I represent and warrant that the Principal, if an individual, is 18 years or older and that I am authorized by the Principal to sign this Application for Access Rights and thereby bind the Principal to its terms in the same manner as if this Application were signed by the Principal.

Acknowledgement and Assumption of Risk

I acknowledge that working with and riding horses, handling equine equipment and otherwise engaging in equine activities is dangerous and involves inherent risk of injury and death and loss of or damage to property, and I hereby agree to assume that risk.

Without in any way limiting the generality of the foregoing, I acknowledge that:

- (a) horses have the propensity to behave in unpredictable ways that may result in injury or death or loss of or damage to property;
- (b) the use of equine equipment, including safety equipment, may not reduce the risk of injury or death or loss of or damage to property;
- (c) the condition of WEG premises, including without limitation the racetracks and practice tracks and stables, are imperfect and may contain hidden or unknown hazards that increases the risk of injury or death or loss of or damage to property;
- (d) engaging in competitive activities, including racing, involves unpredictable and unknown hazards and dangers; and
- (e) the use of WEG premises by others or the engaging by others in competitive activities including racing, may result in unexpected or unknown danger that increases the risk of injury or death, or loss of or damage to property.

I acknowledge and agree that WEG makes no representations or warranties, whether written or oral, express or implied, respecting:

- (f) WEG premises or their suitability or fitness for any particular purpose, including without limitation that portion of WEG premises on which any equine events or related activities take place;
- (g) the competence or qualifications of others having access rights to WEG premises, including without limitation their competence or qualifications to engage in training or racing;
- (h) the state of health or safety of horses on WEG premises from time to time;
- (i) the supervision, control or training of horses on WEG premises from time to time, including without limitation their suitability for training and racing.

I acknowledge having been provided with a copy of the Track Rules of WEG and acknowledge that compliance with those Track Rules, as amended from time to time, including without limitation the Code of Conduct contained therein, is a condition of my continued access to WEG premises.

WEG's Purse Distribution and Race Scheduling Covenants

Without in any way limiting any of the above acknowledgements, I acknowledge and accept WEG's covenants in respect of (A) purse distributions set out in Section 1.4 of the Track Rules, and (B) race scheduling set out in Section 1.5 of the Track Rules.

Conditions of Access – Waiver, Release of Claims and Indemnity

In consideration of the grant or proposed grant to me by WEG of the access rights to WEG premises, I hereby waive and forever release WEG and its current and former officers, directors, members, employees and agents (collectively referred to as the "Releases") from any and all claims of any sort (excepting any claim for want of ordinary care or negligence on the part of WEG or its officers, servants, agents or employees) which I may otherwise now have or may have or acquire in the future, whether or not such claims are within my current knowledge or contemplation, including without limitation all claims arising out of injury, death, loss of or damage to person or property, which directly or indirectly arise out of, relate to, are a consequence of or follow the granting or proposed granting, or the use or proposed use, of access rights by me as contemplated in this Application.

For the same consideration, I undertake and agree not to make any claim or commence any proceeding of any sort against a third party relating to the subject matter of the claims waived and released as set out above that may result in a claim against WEG or any of the other Releases for damages, contribution or indemnity.

For the same consideration, I further undertake and agree to indemnify and hold harmless WEG and the other Releases in respect of all claims as against them (excepting any claim for want of ordinary care or negligence on the part of WEG or its officers, servants, agents or employees), including without limitation all claims arising out of injury, death, loss of or damage to person or property as well as the actual legal costs incurred by WEG in responding to such claims, which directly or indirectly arise out of, relate to, are a consequence of or follow the granting or proposed granting, or the use or proposed use, of access rights by me as contemplated in this Application.
