Race 4 – Race 4 – Riders COF by Sunny Singh aboard #5 "Teiaiaagon" and Michelle Rainford aboard #4 "Silent Ceremony" against the winner #6 Switchblade" ridden by Steven Bahen. After listening to the riders and reviewing the video, both Claim of Fouls were disallowed. It is our position that #6 was not at fault but that #4 interfered with #5 and no placings were required.

Race 5 - Clear

Race 6 – The Wando Stakes – Stewards Inquiry and three Rider claims of foul. Rafael Hernandez aboard #1 "Pipers Warrior" against #6 "Tale of Vienna" ridden by Omar Moreno and #7 "Machtree" ridden by Patrick Husbands. Rafael said he was squeezed in stretch but thinks the inside came out more than outside in. Omar Moreno claimed against Patrick Husbands in late stretch, Omar said he came over on me and I had to check, he was having trouble with his horse. Alan Garcia aboard #5 "Titochip" claimed foul on Omar and Patrick stating the outside came over and I had to check. Said Patrick's horse started it and if he had stayed straight everyone would have been alright. After review of the video and listening to the riders there are two disqualifications. The first COF by Rafael Hernandez on #1 was allowed against #6 ridden by Omar who came out and into his path inside the 1/8th pole, at that point Patrick on the outside remained straight, #6 was moved from third and placed fifth behind #1. The second and third COFs by Omar Moreno and Alan Garcia against Patrick Husbands on #7 in deep stretch were allowed. Patrick's horse was lugging in and went down into Moreno's horse who lost momentum and in turn was forced into Garcia's mount who had to check as well. #7 was moved from first and placed fifth behind #6 who now moves to fourth as a result.

Race 8 – The Jacques Cartier Stakes – New Track Record 1.08.05 – Clear

Race 9 – Clear

Race 10 – Paddock Judge Harold Fortune called to say #12 "Apple of His Eye" trained by Sid Attard wore blinkers the last two starts in Turfway Park. Said there is no change of equipment denoted on the entry slip. Sid had the horse prior to Turfway and never used blinkers on the horse. He didn't realize the horse wore them in Turfway and does not want the horse to wear them today. We have ruled that without an equipment change on the entry slip the horse must wear them today.
