Report on day's Events: (Backstretch - accidents, fines, suspensions, objections, disqualifications, refunds, pertinent incidents, general details etc., Film Reviews, Races, Claims)

Backstretch:

09:35 - Trainer Laurie Silvera attended to review the disqualification of his horse for causing interference in yesterday's sixth race. We presented the video and our explanation for our decision. Laurie was not completely satisfied with our position.

09:45 - Jockey Agent Neil Wilson attended to report his rider Isabelle Wenc will be off her mounts today.

11:05 - Spoke with WEG Racing Director Steve Lym regarding the Senior Officials Reports and the location on the WEG website. Steve is looking into why it wasn't available and would have an answer for us later today.

Film Reviews:

Review of yesterday's sixth race, the Wando Stakes. Present were Jockey Guild manager Robert King and Jockeys Patrick Husbands, Omar Moreno, Alan Garcia, Rafael Hernandez and apprentices Hannah Twomey and Diasuke Fukimoto. We discussed the first foul involving Rafael Hernandez and Omar Moreno. Rafael said he and Patrick to his outside were moving forward together and as we came up on Omar to the inside, his horse drifted out into his path and he had to check to avoid that one's heels. Omar said his horse was tiring and didn't realize his horse was

drifting because it kept switching its leads. Was getting tired and didn't see the two approaching. The second foul involved Patrick Husbands, Omar Moreno and Alan Garcia. Alan said Patrick's horse came over onto Omar causing that one to come into my horse, cost me at least second money. Omar said he was fine until Patrick's horse came over on him and he had to check. Patrick said he did the best he could to keep him out but was lugging in with him hard.
