Race 5 | G3 Jacques Cartier Stakes for 4&up going 6f (A)

- 3-Candy Overload ~ tough connex to beat with a horse who loves having his picture taken, especially lately
- 4-Flag of Honour ~ ran decent off the layoff then won, now ran decent off the winter break and has a real shot
- 1-Old Chestnut ~ steps up in possible repeat pattern to how he came into running 3rd in this last year
- 7-Step Forward ~ lightbulb's on off the layoff & that's tough to replicate, but he's got grit with the right trip
- 2-Ironstone ~ seems to be a beat behind in graded company, but biggest foe is being trouble prone

Race 7 | G3 Belle Mahone for 4&up F&M going 1-1/16 mi. (A)

- 6-Fashionably Fab ~ she loves to win so hard to take someone else on top even if Husbands is elsewhere
- 4-Big Brass Bed ~ Walsh doesn't ship for giggles & what would her record'd be if she got outta the gate clean
- 7-Millie Girl ~ toss the last last year & she hasn't run a bad race
- 5-Solo Album ~ threw a clunker off the layoff but she gets real streaky real quick
- 1-Tito's Calling ~ always runs her race so tough to toss entirely at a price

Race 8 | G3 Royal North for 4&up F&M going 6.5f (T)

- 7-Secret Money ~ knows where the wire is but always makes it a nailbiter
- 5-Play the Music ~ rolls on late & kicks clear real pretty when she gets daylight
- 1-Peacock Lass ~ always runs her race, granted it's been vs non-stakes company but she shows up every time
- 8-Star Candy ~ steps up in class off the win & gets a hot jock in the irons
- 3-Dolce Sopresa ~ horse4course is back home & - with a clean break - could be a happy upset

Race 9 | G2 Eclipse for 4&up going 1-1/16 mi. (A)

- 4-War Bomber ~ happiest when on the lead all the way 'round & speedy works suggest he's keen to go
- 7-Get Smokin ~ speedy SOB comes in off the long layoff
- 1-Tyson ~ if he replicates last summer, he's super live but that late season tail off was steep
- 5-J P Hellish ~ warhorse jumps in class, but hasn't done much wrong in two seasons no matter the surface
- 2-Skryo ~ stretches back out, but the tendency to get boxed leaves him a lot to do late
