MESSAGE FROM THE C.E.O.

Welcome to Canada's premier celebration of world-class Thoroughbred racing, the 2020 Queen's Plate!

Around the world, businesses continue to adapt to a new way of operating in the midst of COVID-19. While the pandemic has caused significant challenges for horse racing and Woodbine Entertainment, we're proud of how our industry rallied together during this time to keep our horses and participants safe, allowing us to resume racing and host the longest continually run horse race in North America, The Queen's Plate, for the 161st consecutive year.

Over the past months, we worked with our industry partners and governing bodies to quickly and thoroughly develop comprehensive best-practices that helped keep our backstretch safe and operating throughout the pandemic as an essential service and allowed horse racing to be the first sport to return to action in Canada. We could not have done this without the unwavering commitment from horsepeople and our staff, to closely follow the protocols that were implemented. Our return not only generated much needed income for the industry but also demonstrated that racing can be enjoyed again, when there is a commitment to safety and a shared sense of responsibility among all involved.

As we gradually welcome limited patrons back to Woodbine Racetrack, we have successfully exposed the sport to a wider audience through a national television broadcast (Racing Night Live) and the launch of a revolutionary mobile application featuring advanced artificial intelligence (Dark Horse), designed to make wagering easier to understand and enjoy for our next generation of fans.

In addition to thanking the tireless horsepeople who are the heart and soul of the industry, our patient and hardworking staff, our governing bodies and local health authorities, we'd like to thank those enjoying The Queen's Plate from the safety and comfort of their own homes. By joining us today, you are helping to celebrate one of nation's most storied traditions and support horse racing in Canada.

Thank you.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation

Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUUU	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	UUUUUUUU	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	UUUUUUUUU	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	UUUUUUUUUU	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

Race 1

#5 Kingly

#1 Gray's Fable

#7 Malibu Uproar

#4 Wedgewood

#5 KINGLY has been facing the likes of River Boyne and Got Stormy and not embarrassing himself in the top level turf races in Southern California. He returns from a six-month break and should be the clear one to beat. #1 GRAY'S FABLE set a very fast pace and gave way in late stretch when competing on August 16. He may be at risk of getting hooked in a duel with Kingly, but if he doesn't get run into the ground in the early stages he could be there for a share. #7 MALIBU UPROAR was a winner over this course on June 20, then returned on August 2, failing to threaten with a very wide journey. He prefers turf and should be able to get a better trip. #4 WEDGEWOOD rallied into the hot pace to be second on August 16. They could be going fast early once again; worth a look.

Race 2

#2 Forester's Turn

#3 Duke of Carthania

#6 Aye Aye Sir

#5 Francatelli

#2 FORESTER'S TURN looked beaten but dug in gamely to win the Greenwood on August 1. This is a much tougher race but this gelding hasn't done anything wrong this season. #3 DUKE OF CARTHANIA was up late to win a first level allowance in a seven furlong dash over a next-out winner on July 26. This is the shortest race he has contested; with a pace meltdown he could be right there. #6 AYE AYE SIR was part of a three-horse duel in the Woodstock on June 13, giving way to be fourth. He has had turf success south of the border and now returns as a first time gelding. #5 FRANCATELLI exits a blow-out win in an off-turf first level allowance at Laurel on August 15. The 94 Beyer and nine and a half length win margin will catch eyes but this is a much tougher affair.

Race 3

#3 Musical Ride

#10 Admiring

#2 Koto

#1 Carpe Horseshoe

#3 MUSICAL RIDE showed a surprising amount of speed in her debut on August 8, fading in the stretch but certainly outrunning her 93-1 odds. The blinkers come off; she is well bred for a turf route. #10 ADMIRING worked

from the gate on August 30 with Dejas Too, who ran second on debut with a 67 Beyer. Daughter of War Front is the first foal to race out of Treasuring, who won the Star Shoot Stakes. #2 KOTO is by More Than Ready, an 11% two year old debut sire. Birdie Birdie has thrown multiple Graded Stakes winner Free Rose as well as a couple of other respectable runners. She worked from the gate with Ostracize on August 8; that foe also appears here. #1 CARPE HORSESHOE has had two second place finishes in as many starts. She gets some more distance and tries turf for the first time; likely a speed threat.

Race 4

#1 Lion Kingdom - Best Bet

#9 U S Army Corps

#2 Curlin's Thrill

#6 Knotty By Design

#1 LION KINGDOM had a wide journey in a solid field when competing on the main track on August 1. He was an off-turf scratch in the interim and now shows up for \$25,000; a solid contender. #9 U S ARMY CORPS made a wide move before evening out in the stretch when sprinting 13 days ago. He has more talent than he has shown since arriving at Woodbine but he will need to work out a trip. #2 CURLIN'S THRILL showed some run at Tampa this winter but has been a non-threat in two starts here. He takes the drop from maiden special weight in for \$25,000 and draws well. #6 KNOTTY BY DESIGN has not threatened but has not been terrible in his three starts to date. He exits the same sprint race as U S Army Corps; if you're interested in that foe as one of the favourites, this one is worth a look at a huge price.

Race 5

#4 English Classic

#9 Orazio

#6 Green Fleet

#3 Zephan

#4 ENGLISH CLASSIC was hustled into a speed duel and ran a very game second in a 10 furlong, first level allowance on August 20. He ran a good midpack effort with the rail in Lane 5 back on June 20; he could be live with a good trip. #9 ORAZIO was troubled when third behind Green Fleet two back then overcame a very wide trip when breaking his maiden on August 21. Improving type has run well on turf before. #6 GREEN FLEET beat Orazio when breaking his maiden on August 2 then ran a very good fourth in a blanket finish when bumping up to face \$40,000 non-twos three weeks later. He had some trouble in his only turf try; a serious factor. #3 ZEPHAN stumbled badly at the start in his season opener on June

20, never getting involved. He returns from some time on the shelf; he has some talent and figures to be a fat price.

Race 6

#6 Maximus Momentus

#1 Commander Tom

#4 Secret Reserve

#9 Jocularly

#6 MAXIMUS MOMENTUS has shown speed before faltering in both of his starts, both in races won by Dragon's Brew. He should appreciate the easier company. #1 COMMANDER TOM has run well in both starts to date, exiting a second behind the well-meant Souper Classy. He could show some speed. #4 SECRET RESERVE is by Giant Gizmo, out of an unraced mare who has not been a great producer. This one has been talked up as he outworked Muskoka Stakes-winner El Bayern from the gate on August 9. #9 JOCULARITY is by freshman sire Ami's Holiday, out of Tory's Humorgirl, who has thrown the solid allowance mare Foxy Belle. He worked evenly with another foe in a set of three from the gate on August 22.

Race 7

#9 Bexar

#4 Auburn Hills

#5 Dani's Victory

#1 Mr. Diffley

#9 BEXAR, a \$7,500 claim on opening win, exits back to back wins against OS/\$40,000 foes, both in front-running fashion. He now makes the logical step into first level allowance company; there is no dominant speed to his inside so if he can clear to the front he should be tough. #4 AUBURN HILLS will try a sprint for the first time in his career. His last race was a disappointing effort in a race won by Clayton; he returns from a near two-month freshening. #5 DANI'S VICTORY had a very fast pace to close into when winning a good quality \$15,000/\$7,500 starter on August 9. The former \$5,000 claimer is in good form and could upset with a good set up. #1 MR. DIFFLEY overcame a wide trip to break his maiden in a race that has proven to not be of great quality on June 7. His two races since have not been bad; he has some speed and draws well.

Race 8

#2 Afleet Katherine

#7 Infinite Patience

#1 Ballrooms of Mars

#4 Mizzen Beau

#2 AFLEET KATHERINE had two impressive wins in turf sprints to kick off her career, then ran a big second in the Woodbine Oaks. She should be sitting just off of the pacesetters while saving ground and looks the one to beat. #7 INFINITE PATIENCE was hustled to the front, set a rapid pace and emptied out in the Woodbine Oaks. Her local debut in the Fury was a very game run; she deserves another look. #1 BALLROOMS OF MARS last competed on August 2 when second behind Justleaveitalone. She was never less than three wide in that race and made a premature move approaching the half-mile pole; she has had wide trips in all three of her starts this season; with a ground-saving trip and a peak effort she could upset. #4 MIZZEN BEAU was bothered by Bayou Belle entering the first turn in the Woodbine Oaks but recovered and ran a credible fourth. She should be close to the pace.

Race 9

#9 Art of Almost

#10 Cambier Parc

#3 Elizabeth Way (IRE)

#1 Theodora B.

#9 ART OF ALMOST was near the back, tried to close into the tepid pace with a wide bid on the far turn and chased widest down the stretch in the Dance Smartly. This race looks like it will have a quicker pace; on the right day she's good enough to beat these. #10 CAMBIER PARC had a solid three year old campaign in 2019, capped off with a pair of Grade 1 wins. The Queen Elizabeth II Cup has only produced one filly who has beaten older foes since that race, and that was a Florida-bred race at Gulfstream. She has to tackle older for the first time while coming off of an 11 month layoff; obviously a threat but how low a price can you take? #3 ELIZABETH WAY (IRE) was able to prevail over Another Time to win the Nassau, then stalked the pace and ran a good third in the Dance Smartly. Her only bad race in North America was a Churchill race in which she had a wide trip. #1 THEODORA B. was able to get away with a very slow pace in the Dance Smartly and was able to kick on well when needed in the stretch. She is cross-entered at Kentucky Downs and may not even come for this race; she likely won't have an easy a time on the lead if she does compete here.

Race 10 - The Queen's Plate

#9 Dotted Line

#10 Curlin's Voyage

#2 Merveilleux

#12 Clayton

#9 DOTTED LINE was pressed on the lead and dug in gamely in the stretch when finishing third in the Plate Trial. A two-time Stakes winner at two, he seems to be improving as he races much like he did last year. If he can sit just off of the pace and fire a peak effort, he could be the upsetter. #10 CURLIN'S VOYAGE was able to rally up the inside and opened up in the stretch when winning the Woodbine Oaks last time out. She seems like she will be able to relax and fire; if she can get inside and avoid a parked out trip she could prove very dangerous. #2 MERVEILLEUX had some minor traffic turning for home but found clear room and finished strongly to be third in the Woodbine Oaks, galloping out very well. She was wide throughout in the Selene, an excusable effort; if she saves ground and has a clear path for her rally she should be in the hunt. #12 CLAYTON had to work hard to prevail in a stretch duel when beating Halo Again and Dotted Line in the Plate Trial. His biggest weakness has been his inability to settle in the early stages; however he is lightly raced, clearly talented and if he gets his mental act together he is probably the toughest horse in this race.

Race 11

#4 Jeanie B (GB)

#5 Grey Seal

#6 Fairywren

#8 Spanish Ballerina

#4 JEANIE B (GB) exits a close second behind Sav in a second level allowance. She is eligible for this condition as she earned less than \$9,000 in her second win in Great Britain and should be very tough on this drop. #5 GREY SEAL likely should have won her most recent start but got stopped trying to come up a tight rail path in the stretch. She seems like a much improved horse this season. #6 FAIRYWREN dueled on the lead and ran a game fifth last time out. She actually cause Grey Seal, her stablemate's trouble as she made the inside path tight in that race. #8 SPANISH BALLERINA set the pace but was outkicked on the main track 13 days ago. She had two very impressive wins against easier on the inner turf before that; if she can get loose on the lead she could be a threat.

Race 12

#1 Boardroom

#4 Our Secret Agent

#6 Artie's Princess

#7 Avie's Samurai

#1 BOARDROOM has won both of her starts to date in impressive fashion. She has a ton of potential to develop into a top level filly and doesn't seem to be hooking any world-beaters here. #4 OUR SECRET AGENT stalked the pace and got up late to pick up Samurai Queen on August 15. That one returned to win a first level allowance on August 30 with a 75 Beyer; a logical choice for the lesser shares. #6 ARTIE'S PRINCESS had an easy win against first level allowance mares on opening day, then went to Saratoga where was fourth in a turf sprint Stakes but disqualified for stretch interference. Her only loss on Tapeta was a very game second behind Dotted Line in the Frost King. #7 AVIE'S SAMURAI was a close second in the Ontario Colleen two weeks ago. She previously beat Sav and O'Keeffe, both next-out winners, in a second level allowance on July 26.

Race 13

#6 Guestimation

#13 Tallestofthetall

#11 Secret Path

#4 Giant Critic

#9 Green Growth

#6 GUESTIMATION was able to win on the front end in a route in his first start off of an eight month break on July 24. He drops in for \$25,000 in his first start against winners. #13 TALLESTOFTHETALL made his local debut in the first leg of the Turf Endurance series where he failed to make a dent. He was in good form over the polytrack at Turfway this winter; the post is his biggest hindrance. #11 SECRET PATH closed to be third on August 23, finishing behind Giant Critic. He has been racing well enough; the blinkers come off. #4 GIANT CRITIC was a game second behind King Causeway last time out, outkicked by that one late in the stretch. Although he broke his maiden in a sprint he seems to be at his best around two turns. #9 GREEN GROWTH drops in for \$25,000 after a midpack finish against OS/\$40,000 company. His best speed figures fit very well with this bunch.

The 161st Queen's Plate

Power Rankings presented by OLG Canadian Triple Crown

Following a victory in this year's Plate Trial on August 15 at Woodbine Racetrack, Clayton took the top spot in the Queen's Plate Power Rankings presented by the OLG Canadian Triple Crown.

The Ontario Lottery and Gaming Corp. (OLG) returns as the official partner and title sponsor of Canada's Triple Crown of Thoroughbred racing, which kicks off with the 161st running of the \$1 million Queen's Plate today at Woodbine.

The Power Rankings track top OLG Canadian Triple Crown prospects on the road to the Queen's Plate as voted on by expert horseplayers and racing commentators from Woodbine Racetrack and Fort Erie Race Track, including Jeff Bratt, Robert Geller, Ashley Mailloux, Doug McPherson, Jason Portuondo and Monique Vag. The rankings are based on votes following a 5-4-3-2-1 points system for top five selections and honourable mentions.

Many of the top contenders for the 2020 edition of the Queen's Plate were in the spotlight last month for the key prep races, the \$150,000 Plate Trial and \$500,000 Woodbine Oaks presented by Budweiser.

Clayton edged out the Woodbine Oaks-winning filly, Curlin's Voyage, for the top spot in the post-Plate Trial edition of the Power Rankings by just one point. Those two Canadian-bred three-year-olds each received three first-place votes.

"Clayton is still light on seasoning compared to many others and continues to improve with each start," said Portuondo of the Bodemeister colt, who is trained by Kevin Attard for owners Donato Lanni and Daniel Plouffe. "I think he'll take that next step in the Plate."

Big Red Mike was the most recent horse to notch the Plate Trial-Queen's Plate double in 2010.

"Obviously, this is just one step in the right direction, but I don't want to be remembered as the Plate Trial winner," said Attard after the victory. "Everybody dreams of running in the Plate and sometimes you're taking just a hope and a prayer to kind of go in there and hope the stars align for you. Obviously, this situation's a little different, we're going in with one of the favourites and we know we've kind of got a good shot to maybe take it all, but there's going to be more shooters coming and it's not going to be easy."

“ Obviously, this is just one step in the right direction, but I don't want to be remembered as the Plate Trial winner. ”

HONOURABLE MENTION:

- Olliemyboy

Memorable Queen's Plate Firsts

By Chris Lomon

Two Queen's Plate stories, each one a decidedly different recollection of the iconic horse race, but united by one common theme. Trainer Nicholas Gonzalez and jockey Justin Stein both have fond memories of the oldest continually run Thoroughbred race in North America, which celebrates its 161st edition on September 12.

...

It was 1971, and 19-year-old Nicholas Gonzalez was hard at work in his quest to become a Thoroughbred trainer.

His first training win wouldn't come until just over five years later, but on June 19, 1971, Gonzalez, eyes glued to a TV set in Fort Erie, Ont., imagined what it would be like to saddle a Queen's Plate champion.

"I was a very impressionable older teenager when the mighty Kennedy Road galloped in the Queen's Plate, with Hall of Famer Sandy Hawley riding him, and 'Gentleman' Jim Bentley training him. I remember that race vividly. You know what impressed me about Kennedy Road? He wasn't just a good Canadian-bred... he went to California after and was also very successful. That Plate, it really got my attention."

As did the Plate wins of Big Red Mike in 2010 and Midnight Aria in 2013, both of them Gonzalez trainees.

"Two of the greatest days in my life were when Martha [Nick's wife, and assistant trainer] and I won that race. In 2010, when Her Majesty The Queen was there – we had the chance to meet her – that's something we will always cherish. When you're racing in Canada, it's like the young guys who dream of running in the Kentucky Derby. To be in the Queen's Plate and win, that's something that's hard to put into words."

Both remain treasured accomplishments.

"To meet the Queen in 2010, and to win the race with [owner] Carlo Tucci in 2013, with a horse we claimed at Gulfstream... those are things you'll never forget."

Gonzalez, who has more than 1,500 career wins, is reminded daily of his victory 10 years ago.

"I have a huge framed photo on the wall in our condo. I look at it quite often, and it puts a smile on my face every time."

...

Although he was just starting his journey towards becoming a jockey, and there was no thought of chasing Queen's Plate glory, what Justin Stein saw in the 2004 edition of the "Gallop for the Guineas" has stuck with him to this day.

"It was on TV and I was in Vancouver. To be honest, I didn't know much about the Plate at that time. In 2004 – I was just learning how to gallop and work horses – I watched Niigon win it. I remember [jockey] Robert Landry – and I didn't know much about race-riding – setting his horse up in a great position early. I think that strategy ended up winning him the race. That left an impression on me."

It was something Stein recalled when he got a leg-up on Strait of Dover in the 2012 Plate.

The British Columbia-bred son of English Channel went off as the second choice in the race, but the man in the irons rode the dark bay as if he were 1-9.

Strait of Dover led from start to finish.

"The rain really came down after the race was over, but no one connected to the horse, including me, cared at all. We were drenched... it was amazing."

Did he take anything from the first Plate he saw and incorporate it into his winning playbook eight years later?

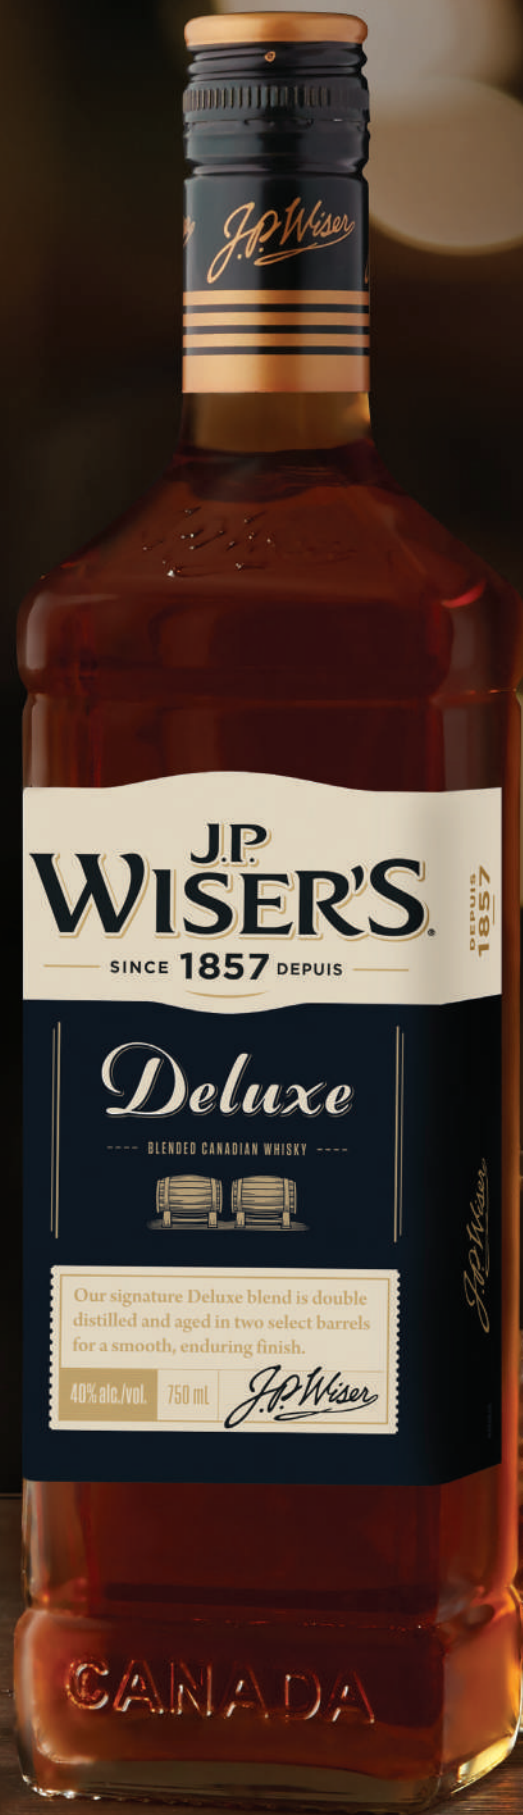

"I hadn't even ridden in a race in 2004, but when I watched that race, as I look back on it, to see the confidence Rob had in his horse, it really stayed with me. I had that confidence in my horse in 2012. I was calm. I knew I had a nice horse and I had the go-ahead to ride him the way I wanted to, not to worry about anything, and to have fun. And I did. That Plate that I saw in 2004, you saw someone who believed in their horse. That's how I rode my Plate winner."

FEDERAL REGULATIONS AMENDMENT

In the unlikely event prices are posted based on an incorrect official order of finish, associations must stop paying those prices as soon as the error is discovered.

The corrected prices will then be calculated and paid, including the correction of all account-based wagers.

This change in the Regulations reflects existing standards in the United States.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

Smoking Regulations

The Government of Ontario is committed to improving the health of residents through the implementation of the Smoke-Free Ontario Act. Recent changes to the Act, which came into effect on January 1, 2015, further restrict the use of tobacco products in restaurants and bar patios. Smoking is now prohibited in all areas where food is served or sold or offered for consumption or in areas that are operated in conjunction with an area where food and drink is served or sold.

The City of Toronto has also enacted restrictions on smoking in public places by requiring that smoking is not permitted within a 9 metre radius of an entrance or exit to a public building.

Please refer to signage posted throughout the facility and the site to determine where smoking is permitted.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN THOROUGHBRED AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty-four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Alcohol and Gaming Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system.

Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system.

Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Tractor)/SUPERFECTA

An Exacta, Trifecta and Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated. The above stated pools on races that have an entry (i.e. 1 & 1A and/or 2 & 2B) will not offer a wage combining both halves of the same betting interest. Example: If the same betting interest finishes first and second in an Exacta wager, the Exacta payout will be on first and third.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

JACKPOT POWER PICK 6

A Jackpot Power Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified. If there is a change of surface in any leg that is NOT made known to the public prior to wagering on that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire current day's pool is refunded.

That jackpot portion of the pool will only be paid out if there is a single winning ticket that has correctly chosen the official winners of 6 legs. If there are multiple winning tickets they will receive 50% of the net pool for that day. The other 50% will go over into the Jackpot carryover. If there are no tickets that select winners in every leg, then tickets with the most winners will share 50% of the current days net pool, and the remaining 50% will be added to the carryover.

PICK 3, PICK 4 & PICK 5 BETTING

The Pick 3, Pick 4 and Pick 5 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three, four or five successive races specified for the Pick 3, Pick 4, or Pick 5 respectively. Winning tickets for the Pick 3, Pick 4 & Pick 5 are determined in the following sequence: A) winners of all legs, B) most winners, then refund.

If there is a change of surface in any leg that is NOT made known to the public prior to wagering on that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

Winning tickets for the Japan Pick 5 are paid out to ticket holders selecting the winners of all legs. If there are no winners, 75% of the net pool is carried over to the next card and 25% of the net pool is paid out to the ticket with the most number of winning legs.

PICK 3, PICK 4, PICK 5, & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and websites.

The Pick (n) pool shall be cancelled and all Pick (n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or teletheatre; please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared between the horsepeople, host and simulcast associations and the Alcohol and Gaming Commission.

WOODBINE LIVE: Win 11.65%, Place and Show: 13.65%, Exacta 17.2%, Trifecta: 19.7%, Pick 4 & 5: 21.7%, Double, Jackpot Hi-5 and Jackpot Power Pick 6: 11.7%. All other Wagers 23.0%

Horsepeople receive a further 2% on all wagers, except trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for the provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
