1. THE TOURNAMENT

The Tournament will be run on Saturday, September 14, 2019, from 11:00 am (ET) to approximately 7:00 pm (ET). Bets can **only** be placed on Woodbine races. In the event that the entire Woodbine card is cancelled or less than 50% of the card is completed then at the sole discretion of the Sponsor either (i) the Tournament will be cancelled or rescheduled, or (ii) an alternate racetrack chosen by the Sponsor may be used, in which event these Rules and Regulations will be deemed to be amended accordingly. If the Woodbine card is cancelled after 50% of the scheduled races have been completed (e.g. 5 of 10 races declared official), the six (6) race bet minimum referred to below will be suspended and the Contestant with the largest Tournament Balance, regardless of number of bets, will be declared the unofficial winner.

All Contestants must be present at the Venue to participate in the Tournament. It is strongly recommended that Contestants remain on-site for the duration of the Tournament Period to be aware of all Tournament updates and any changes that may occur.

The Tournament is bet live through the tote-system and all bets are subject to the rules of Woodbine Racetrack.

Contestants must use their Card to play the Tournament, which will be provided by the Sponsor upon registration. The Card will be registered to the Contestant and the initial Tournament Balance will be loaded, as per Section 3: How to Enter/Registration, upon arrival at the Venue.

Contestants will use their Tournament Balance to bet on a minimum of five (5) Woodbine races with a minimum bet of \$400/race at self-service wagering terminals (“**Terminals**”) at the Venue. Failure to do so will result in disqualification. Eligible Tournament pools are Win, Place, Show, Exacta, Daily Double and Triacta only. Bets on any other pools or any track other than Woodbine will result in disqualification. There is no bet maximum. Contestants may reinvest monies earned from winning wagers. Contestants may bet less than \$400 on a race provided they have bet at least \$400 on five (5) Woodbine races through the course of the Tournament. Contestants may bet on more than one horse per race. If these requirements are not met, the Contestant is not eligible for any prizes.

Contestants may bet on more than five (5) races through the course of the Tournament. **In addition to the five (5) races mentioned above, Contestants must bet a minimum of one-half of their Tournament Balance, up to Two Thousand Dollars (\$2,000), in one of the last two (2) races of the Woodbine card, therefore a minimum of 6 races total must be wagered on.** Example 1: If a Contestant has a Three Thousand Dollar (\$3,000) Tournament Balance with two races remaining in the Woodbine card, he/she must bet at least One Thousand Five Hundred Dollars (\$1,500) in one of the last two races. Example 2: If a Contestant has a Six Thousand Dollar (\$6,000) Tournament Balance going into the last two races, he/she must bet at least Two Thousand Dollars (\$2,000) in one of the last two races. This race does not count as one the five (5) \$400 wagers required. **NOTE: The last race of the card CAN be used as one of the five (5) \$400 races.**

All bets and payouts are real and placed into the appropriate pari-mutuel wagering pools.

The seven (7) Contestants with the highest Tournament Balances on the Leaderboard at the end of the Tournament Period are eligible for the Final Prize Pool (see Section 6).

The Tournament will be limited to 110 entries in accordance with Section 3 below.

Two (2) seats in the 2019 Breeders’ Cup Betting Challenge at Santa Anita Park (“BCBC”), four (4) seats in the 2020 NTRA National Horseplayers Championship Presented by Racetrack Television Network, Caesars Entertainment and Bally’s (“NHC”), two (2) seats in the 2020 Woodbine Mile Tournament, (each, a “Seat”) and \$10,000 cash will be included in the prizing for the Tournament, and will be awarded to the seven (7) eligible Contestants with the highest Tournament Balances at the end of the Tournament

Period. In addition, the winner of the Tournament will be eligible for a \$1,000,000* bonus should he or she go on to win the 2019 BCBC or 2020 NHC.

U.S. players will be eligible for a Pattison Canadian International prize package (full prizing detail is listed under section 6 Winners and Prizes). An alternative weekend may be selected if player is unable to attend on Pattison weekend.

To be eligible for an NHC Seat, Contestant must be at least 21 years of age and an active NHC Tour member. Subject to NHC requirements, one BCBC Seat, one NHC Seat and \$10,000 cash will be awarded to the first place Contestant. Each remaining Seat will be awarded based on eligibility and preference of the highest finishing Contestant. If only NHC seats remain they will only be awarded to Contestants who are at least 21 years of age and who are active NHC Tour members. If the seventh prize winner does not meet these requirements, and only an NHC Seat is available for the seventh-place prize, then they will forfeit the prize and the seventh-place prize will be awarded to the Contestant with the next highest Tournament Balance who meets the NHC requirements.

At the completion of the Tournament Period, Contestants must withdraw the Tournament Balance from their Card. Contestants may withdraw the Tournament Balance before the Tournament Period is over provided that the minimum Tournament wagering conditions have been met; however, any Contestant withdrawing money from their Card during the Tournament will NOT be permitted to redeposit any money later onto their Card.

2. ELIGIBILITY

All Contestants must be at least 18 years of age to participate in the Tournament. Officers, employees, agents, and contractors of the Sponsor and its subsidiaries and individuals with whom they are domiciled are not eligible to enter the Tournament.

If a Contestant is an NHC Tour Member, it is the Contestant's responsibility to notify the Tournament officials on registration that he/she is a Member of the NHC Tour. Contestants must provide their NHC Tour number upon registering for the Tournament to ensure they are eligible for any NHC Tour points.

Eligibility rules for finalists in the NHC shall be established by the National Thoroughbred Racing Association ("NTRA") and shall apply to this Tournament.

Contestants must be at least 21 years of age and an active NHC Tour Member to participate in the NHC. If a Contestant is under 21 years of age and over 18 years of age, they will not be eligible for an NHC Seat and will only be eligible for the other prizes described herein. Membership costs \$50 US annually and can be obtained by visiting www.nhctour.com or at the Tournament Registration Centre. NHC purchases in Canadian dollars will be subject to the prevailing US exchange rate.

3. HOW TO ENTER/REGISTRATION

Advance Registration

Total entry fee is \$3,500 CDN, approximately \$2,700 U.S. (based on current exchange rate). The advance registration entry fee for the Tournament is \$1,500 plus an initial \$2,000 bankroll. The \$1,500 entry fee will be returned as prizes (the “**Prize Pool**”) in the form of BCBC Seats, NHC Seats, 2020 Woodbine Mile Tournament Seats and cash. The \$2,000 bankroll will be loaded onto the Cards and used for the purpose of wagering into live pools during the Tournament. Any resulting net balance is the property of the Contestant at the end of the Tournament and should be withdrawn after the end of the Tournament Period.

A maximum of two (2) Tournament entries are permitted per person. Each entry can only be registered to one name. Total cost of entry, including both entry fee and initial bankroll, is \$3,500 per entry. If a Contestant has two entries, cards will be labelled Card A and Card B and will be displayed as such on the Leaderboard. It is the responsibility of the Contestant to ensure Cards are not confused or switched. Any incorrect bets cannot be refunded or changed.

The Tournament is limited to a total of 110 entries. The Tournament is a one-day event that will be held on Saturday, September 14, 2019. Deadline for Tournament advance registration entries is for payment to arrive no later than 11:00 pm (ET) on Friday, September 13, 2019.

For more information regarding registration or any questions on entries, Contestants can call Sue Clark at 416-675-7223 (or 1-888-675-7223) extension 2513 or email sck@Woodbine.com

Contestant will be required to sign an agreement form if registering in person or click on the "I accept the Tournament Rules and Regulations" box if registering online through HPIbet ("**Registration Agreement**") upon registration and payment. The submission of a Registration Agreement with payment signifies the Contestant's acceptance of these Rules and Regulations and signifies Contestant's agreement to release and hold harmless the Sponsor, and those associated with Sponsor, from any liability in connection with this Tournament. No refunds will be given to Contestants unable to attend the Tournament.

By registering in the Tournament, the Contestant agrees to allow the Sponsor to forward to the NTRA their name, address and email address and any information relating to their standings in this Tournament.

Receiving your "Card"/"Check-In"

Prior to playing, each Contestant is required to present their valid government issued photo identification at the Registration Centre ("**Check-In**"). Contestants are advised to arrive early to ensure sufficient time to Check-In prior to Post-time. The Tournament Sponsor will not be held responsible for any delays at the Registration Centre that result in missed races or wagers. Once Checked-In, each Contestant will receive their Card pre-loaded with their initial bankroll. The default PIN on every Card is 1234; the Contestant will then be prompted to enter a new PIN upon first use of the Card at a Self-Serve Terminal.

4. HOW TO PLAY

Contestants will use their Tournament Balance to bet on a minimum of five (5) Woodbine races, with a minimum of \$400/race at the Terminals. Eligible Tournament pools are **Win, Place, Show, Exacta, Daily Double and Triacta only**. Contestants may reinvest monies earned from winning wagers. There is no bet maximum. **In addition to the five (5) races mentioned above, Contestants must bet half their Tournament Balance, up to Two Thousand Dollars (\$2,000), in one of the last two (2) races of the Woodbine card.** Example 1: If a Contestant has a Three Thousand Dollar (\$3,000) Tournament Balance with two races remaining in the Woodbine card, he/she must bet at least One Thousand Five Hundred Dollars (\$1,500) in one of the last two races.

Example 2: If a Contestant has a Six Thousand Dollar (\$6,000) Tournament Balance going into the last two races, he/she must bet at least Two Thousand Dollars (\$2,000) in one of the last two races. This race does not count as one the five (5) \$400 wagers required. If these requirements are not met the Contestant is not eligible for any prizes. **NOTE: The last race of the card CAN be used as one of the five (5) \$400 races.**

If a late scratch (e.g. gate scratch) prevents a Contestant's bet(s) from reaching the \$400 limit in a given race, that wager will not count towards the Contestant's required five (5) \$400 races.

All betting must occur through the Terminals at the Venue. Only bets placed through the Terminals will be eligible for the Tournament. All bets are real and placed into the live pari-mutuel wagering pools. All payouts are real and the balance on the Card will be adjusted accordingly. No deposits are permitted on the Card after the initial \$2,000 bankroll has been deposited by Sponsor on behalf of the Contestant. Failure to comply with this requirement will result in disqualification of the Contestant from the Tournament, and no refund of the registration fee will be provided. No HPIbet rewards points or take-out adjustments (TOA) will be earned on the Tournament.

Any Contestant withdrawing money from their Card during the Tournament will NOT be permitted to redeposit any money onto their Card later. However, for purposes of the Tournament and Leaderboard, the Contestant's Tournament Balance will remain unchanged and standings will not be affected.

A Card is required for placing Tournament bets and loss of the Card may result in disqualification. At the conclusion of the Tournament, Contestants will be notified of their Tournament Balance. The tote system will track each Contestant's Tournament Balance. When a wager is made, the amount is automatically deducted from the Contestant's Tournament Balance. When a bet wins, the payout amount (the "**Payout**"), as per the official results, is added to the Tournament Balance when the race results have been declared official. Contestants are urged to check their Tournament Balances and bets for accuracy before leaving the Venue. As the Tournament will be run through the HPIbet account wagering system, no tickets will be printed for live wagers. A paper receipt of the wager can be printed by pressing "Finish with Receipt" on the Terminal. A bet can be cancelled and/or changed all the way up to post time of the race by logging into the account on the Terminal and cancelling the bet as per host track rules.

Contestants must place all bets personally. No person can directly or indirectly act as an intermediary, transmitter or agent in placing wagers for the Contestant. Tournament bets will only be accepted at designated Terminals at the Venue.

Bets can be placed up until post time as per Woodbine track rules. It is the responsibility of the Contestant to place their bet early on any race to avoid being shut out because of line-ups.

As all Tournament bets are placed into the live wagering pools, racing and pari-mutuel rules of the host racetrack will apply. Links to host racetrack regulations can be found at woodbine.com/rules-regulations.

5. SCORING

Contestants retain the Tournament Balance of their live bankroll excluding withdrawals made during the Tournament.

Pari-mutuel wagering payoffs are based on on-track payoffs as per the tote system at the Venue (no conversion will be applied). Entries and fields are considered a single wagering interest, as defined under the regulations of the Canadian Pari-Mutuel Agency ("CPMA").

For all details on how NHC Tour Points are calculated and how Contestants can earn a Seat at the NHC, please visit nhctour.com.

6. WINNERS & PRIZES

The prize pool (the "Prize Pool") will be determined based upon the number of valid entries into the Tournament. As an example, if the Tournament has 60 entries registered, there will be \$90,000 (60 entries x \$1,500 per entry) in the Prize Pool. One hundred percent (100%) of the Prize Pool will be paid out to Contestants in the form of Seats and cash. The cost of the two (2) BCBC seats, four (4) NHC seats, the two (2) Woodbine Mile seats and \$10,000 cash will be deducted from the total Prize Pool first, then the remainder will be paid out in cash based on the payout structure listed below. Using the example of 60 entries minus the Seat costs and the cash prize, that would leave approximately \$21,000 in the remaining Prize Pool.

The Prize Pool will be distributed to the top seven (7) finishers at the end of the Tournament following a 72-hour audit period. The order of finish will be determined by Contestants' final Tournament Balance after all eligible races have been deemed official by their respective racetracks (the "**Final Tournament Balance**"). The Final Tournament Balance becomes official following the 72-hour audit period. Winners will be notified following the audit. Official Standings will be posted on-line no later than Thursday, September 19, 2019.

First Prize: One (1) Seat at the 2019 BCBC (together with hotel accommodations and \$500 for airfare, approximate retail value of \$13,595); subject to NHC requirements one (1) Seat at the 2020 NHC (together with hotel accommodations and \$500 for airfare, approximate retail value of \$6,200); and \$10,000 cash (total approximate retail value \$29,795) will be awarded to the eligible Contestant with the highest Tournament

Balance. In addition, the winner of the Tournament will be eligible for a \$1,000,000 bonus should he or she go on to win the 2019 BCBC or 2020 NHC tournament. This is an annuity paid over 40 years at \$25,000/yr.

The \$1,000,000 bonus can only be applied to either the 2019 BCBC or 2020 NHC, not both. The eligible player also has the option of taking a lump sum cash payout based on current annuity rates.

If the player has multiple BCBC or NHC entries, the player must declare to the Tournament Sponsor in writing which entry will be eligible for the bonus no later than one (1) day prior to the commencement of the 2019 BCBC tournament or the 2020 NHC. To be eligible for the NHC, Contestant must be an active NHC Tour member and at least 21 years of age.

Second prize will be Contestant's choice of a BCBC Seat (together with hotel accommodations and \$500 for airfare, approximate retail value of \$13,595); or an NHC Seat, subject to NHC requirements (together with hotel accommodations and \$500 for airfare, approximate retail value of \$6,200), or a Woodbine Mile Seat (approximate retail value of \$3,500).

Third prize will be the remaining BCBC Seat (together with hotel accommodations and \$500 for airfare, approximate retail value of \$13,595); or NHC Seat, subject to NHC requirements (together with hotel accommodations and \$500 for airfare, approximate retail value of \$6,200), or a Woodbine Mile Seat (approximate retail value of \$3,500).

Fourth prize will be the remaining BCBC Seat (together with hotel accommodations and \$500 for airfare, approximate retail value of \$13,595); or NHC Seat, subject to NHC requirements (together with hotel accommodations and \$500 for airfare, approximate retail value of \$6,200), or a Woodbine Mile Seat (approximate retail value of \$3,500).

Fifth prize will be the remaining BCBC Seat (together with hotel accommodations and \$500 for airfare, approximate retail value of \$13,595); or NHC Seat, subject to NHC requirements (together with hotel accommodations and \$500 for airfare, approximate retail value of \$6,200), or a Woodbine Mile Seat (approximate retail value of \$3,500).

Sixth prize will be the remaining BCBC Seat (together with hotel accommodations and \$500 for airfare, approximate retail value of \$13,595); or NHC Seat, subject to NHC requirements (together with hotel accommodations and \$500 for airfare, approximate retail value of \$6,200), or a Woodbine Mile Seat (approximate retail value of \$3,500).

Seventh prize will be the remaining BCBC Seat (together with hotel accommodations and \$500 for airfare, approximate retail value of \$13,595); or NHC Seat, subject to NHC requirements (together with hotel accommodations and \$500 for airfare, approximate retail value of \$6,200), or a Woodbine Mile Seat (approximate retail value of \$3,500).

If only NHC seats remain they will only be awarded to Contestants who are at least 21 years of age and who are active NHC Tour members.

In the event that there is a tie for any of the prizes, the Contestant with the most Win finishes will be awarded the prize. If there is a tie for the number of Wins, then the Contestant with the most Place finishes will be awarded the prize. If there is still a tie, then the Contestant with the highest \$2 payout will be awarded the prize. If there is still a tie, then a draw will be held to determine which of the tied Contestants will receive the prize.

In addition to the prizes described above, the remaining cash Prize Pool will be divided as follows in order of finish of the Final Tournament Balance:

- 1st 50% of the remaining Prize Pool in cash
- 2nd 25% of the remaining Prize Pool in cash
- 3rd 10% of the remaining Prize Pool in cash
- 4th 8% of the remaining Prize Pool in cash
- 5th 7% of the remaining Prize Pool in cash

In the event of a tie, the prize money for both (or all) tied positions will be added together and divided equally among the tied Contestants.

***U.S. Players Bonus:**

Contestants with U.S. citizenship will also be eligible for a Pattison Canadian International VIP prize package with an approximate retail value of \$1,500*. This prize pack will include (+ 1 guest):

2 nights hotel accommodation

2 days (October 11, 12) in the Woodbine Club/Post Parade Dining room with complimentary premium buffet, including food and non-alcoholic beverages.

Limo Service to Woodbine on October 12 and return to hotel

\$500 travel credit

The U.S. Players Bonus will be provided to the winner of the Tournament, in addition to the above-mentioned Tournament prizing, should the winner be a U.S. resident.

All winners will be unofficial pending the verification of eligibility and confirmation that all wagers were made in accordance with the rules and that all betting requirements have been met. Final Tournament Balance becomes official following a 72-hour audit period. Winners will be notified following the audit. Official Standings will be posted on-line no later than Thursday, September 19, 2019. The decision of the Sponsor in all matters related to the Tournament is final.

7. STANDINGS AND UPDATES

Provisional standings will be updated in near real-time from the tote system using the Tournament Balance on Contestants' Cards. A Leaderboard displaying each Contestant's registration name and Tournament Balance will be posted and updated after the results from each Tournament Race have been processed throughout the Tournament to broadcast standings. The Leaderboard will only display the win or loss of a wager after a race. In all circumstances, the tote system will act as the official record, not the Leaderboard. Until official, the bet is counted towards the Tournament Balance as an asset: i.e. a bet will not be deducted until the result of the wager is determined. The Leaderboard remains unofficial until the results have been audited and are posted no later than Thursday, September 19, 2019. Only when the standings have been audited and deemed final after the 72-hour audit period, will any prizing be awarded.

8. NON-STARTER RULE

If a Contestant places a wager on a horse that is subsequently declared a non-starter by the judges, the Contestant may still use the wager towards satisfying the minimum wagering requirements. If the Contestant chooses to use the race towards satisfying the minimum Tournament wagering requirements, the minimum per race wagering total will be deducted from his/her Tournament Balance. If the Contestant chooses not to use the race towards satisfying his/her wagering requirements the full amount of the refund will be returned to the Contestant's Tournament Balance.

9. COLLUSION

Collusion, as defined below, is forbidden in all circumstances.

Collusion is an agreement between two or more parties, sometimes illegal—but always secretive—to limit open competition by deceiving, misleading, or defrauding others of their legal rights, or to obtain an objective forbidden by law typically by defrauding or gaining an unfair market advantage.

Should Sponsor in its sole discretion determine that there has been collusion between two or more Contestants with respect to the Tournament, such determination will result in disqualification from the Tournament and forfeiture of prizes, and the possible exclusion of the applicable Contestants from future Woodbine Entertainment Group Horseplayers Tournaments.

10. GENERAL TERMS AND CONDITIONS

Any Contestant who is found to have not complied with these Rules & Regulations, as determined by Sponsor in its sole discretion, will be disqualified and all applicable prizes will be forfeited. All Contestants agree to have their name or image appear in any publicity material (posters, newsletters, programs, etc.) and to be printed in any publication. The Sponsor reserves the right to terminate, withdraw or modify this Tournament at any time without prior notice. In this event, all entry fees will be

refunded in full. If a tote system malfunction occurs during the Tournament which could affect the conduct or outcome of the Tournament (as determined by Sponsor in its sole discretion), the Tournament will be terminated.

If the Sponsor is unable to reasonably conduct the Tournament due to unforeseen circumstances, all entry fees will be refunded, and the remaining Tournament Balance on Contestants' Cards will be kept on the Cards for withdrawal. If a tote system malfunction occurs before the Tournament begins, all entry fees paid will be refunded to the Contestants.

Neither Sponsor nor Amtote is responsible for shut outs or incomplete transactions. No exceptions under any circumstances.

The Tournament is subject to all applicable Federal, Provincial, municipal and local laws and regulations. By entering the Tournament Contestants agree to the use by Woodbine Entertainment Group of their personal information for the purpose of administering the Tournament and in accordance with Woodbine Entertainment Group's Privacy Policy, available at www.woodbine.com.
