TRAINER: WonLastStart(24 .25 \$3.76) Routes(120 .16 \$1.85) Stakes(42 .19 \$2.48)

- Twowaycrossing has had seven-lifetime starts, yielding two career wins. The English Channel gelding is trained, owned, and bred by Roger Attfield. "I bred him to go a mile and a quarter, and a mile and a half. His pedigree lends himself to that distance."
- Getting Twowaycrossing to The King's Plate was a journey that did not go as planned for Attfield. "He was very impressive breaking his maiden for his first start and ever since then he never really ran a good race," Attfield said.
- The horse broke his maiden in October 2022 going seven furlongs on the turf. Attfield kept persevering in hopes that Twowaycrossing would turn around. "I think he is turning around now, but he's not going into the Plate how I would normally go into a Plate."
- Twowaycrossing's most recent win was the end of July, a 1 1/16-mile race on the Tapeta.
- "Every horse in your barn is a team effort," said Attfield. "I'm fortunate enough to have a very good team and it makes it a lot easier for me. I've always been a firm believer in if you have a happy barn, you have happy horses, and happy horses usually run as well as they can."

Trainer and Owner – Roger Attfield

Following a stint as a steeplechase rider and an accomplished career as an international show jumper, Roger Attfield established himself as one of the top thoroughbred trainers in North America. Born in Newbury, England, Attfield immigrated to Canada in 1970 and took his first training job with Gateway Farms. Attfield has won the Sovereign for Outstanding Canadian Trainer eight times, trained three Canadian Triple Crown winners, six Canadian Horse of the Year winners, and won nearly two dozen races in the Canadian Triple Crown series. In 1976, Attfield developed the colt Norcliffe into the first of his eight Plate winners and his first Canadian Horse of the Year. Attfield conditioned his first Canadian Triple Crown winner, With Approval, in 1989. Attfield then swept the Queen's Plate, Prince of Wales Stakes, and Breeders' Stakes again the following year with Izvestia, and achieved his third Canadian Triple Crown in 1993 with Peteski. In all, he has eight Plate wins, tying him for the most by a trainer. He has also found considerable success in the U.S. Attfield won his first Breeders' Cup race in 2011, when Perfect Shirl took the Filly and Mare Turf at Churchill Downs. Attfield won his 2,000th career race in July 2022. He is a member of both the Canadian and U.S. Racing Hall of Fames.

Jockey – Antonio Gallardo

Antonio Gallardo has been one of North America's top leading riders, by wins, the past seven seasons. Hailing from Jerez de la Frontera, in Cadiz, Spain, he made his U.S. debut with one mount on New Year's Eve in 2008. It was 2013 when Gallardo established himself as a rider on the rise with one highlight coming aboard Flatter in the 2013 Challenger Stakes. He counts five riding championships at Tampa and four riding titles at Presque Isle Downs. He recorded his 2,000th career win on February 3, 2021, at Tampa Bay Downs. His two biggest wins to date came with Hotshot Anna, winning back-to-back editions of the Grade 2 Presque Isle Downs Masters in 2018 and 2019.
