 WOODBINE – April 23, 2023

RACE 1: A solid Special Weight group lined up for the second race day of the #BetWoodbineTB 2023 meet. Casse returns with a pair: **#1 NOT NEGOTIABLE** is one of the two four-year-old fillies in this field and has the benefit of recency exiting the races this season at Turfway Park. The form of both events has held up with the March 11th race producing two next out Special Weight winners, and others in the field coming back with improving numbers. She has maintained consistent OptixFIG stacking up in today's OFR and with the others in this field. **#4 JANIS JOPLIN** has the license to improve with age coming back as a sophomore in this spot and returning to maiden company and a short distance. The pace could be honest as she expects to run from off the pace, still factoring the 5.5f distance and any profile/trends from opening day.

RACE 2: #2 LAKE SHORE DRIVE returns from the longest layoff (505-days) of the group all coming back off the bench. While there are concerns there, the works have been steady, and the connections keep this one protected as another potential sign of intent. Number wise this gelding stacks upon the higher end of OFR and exiting higher level allowance races from his

starts back in 2021. His Plot position could be a further upgrade for this race sitting as a Large Square in Quad II, higher on the y-axis, close to the ParLine.
