R1, Md15, fillies and mares, 3yos and up, 5f

#2 Peace in Paradise 4-1 ML

Other speed in the race, yes, but this Pat Parente trainee drops in from Moc competition, making a second start off the layoff, and cuts back from 6f to this 5f contest. Last out, she got the lead after a less than smooth start, but did eventually capitulate. It was her first outing with blinkers, as well. Think she can move up here in this second try off the bench.
