Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

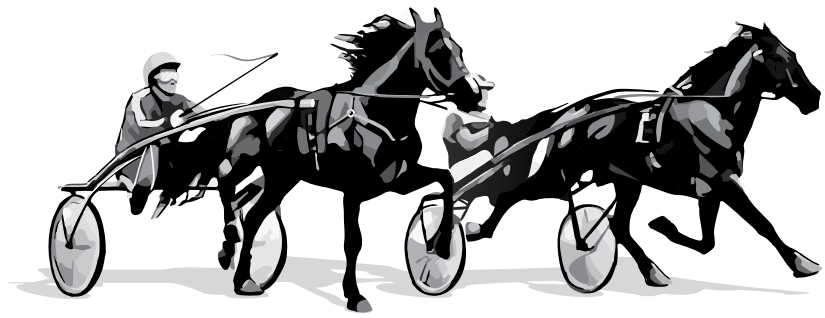

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Race 1 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#10 HAIL CHRISTIAN N made a first-over bid on the bend for home on October 15th and eventually got past the pacesetter below but had to settle for a smaller share in fifth. He was only a length away from the winner No Free Lunch at the wire and spent his previous two against tougher rivals in NW12000L5. This 21-time winner has had a week off between outings and will be reunited with driver Todd McCarthy, who guided him to five victories and 12 on the board finishes in the 22 times they were paired together when he was racing south of the border. He can get the better of this group with a decent trip and gets the edge in the opener.

#9 ROCKME ROLLME has tried to go down the road in each of his last two in this class and most recently got picked up by a pair of rivals in the dying strides after setting reasonable fractions on the front-end. He went a much quicker temp two back when he ended up fading back to sixth and was a lights-out winner as the odds-on choice three back when plunging down to the bottom condition class. This 18-time winner continues to have little luck at the post draw as he will now have post-nine or worse for the sixth time in eight starts. He will likely have his gas pedal pressed off the switch again this evening and is among the main chances.

#3 TAKE A GAMBLE completed the superfecta at 29-1 last week in this class and was just over two lengths away from the winner Respect Our Flag at the finish. He earned a minor award in the class below this before that and is three starts removed from a victory at Flamboro Downs when he got a confidence boost in NW1500L3 when he got up by a neck at 25 cents to the dollar. This son of Bettors Delight starts from a favorable spot on the gate and has upset potential in his sixth start back off a layoff. He should not be excluded from the bottom end of the exotics and is worth a look if the price is right. Yannick Gingras will be aboard.

#1 STONEBRIDGE REX secured the early two-hole behind Points North in NW12200L5 on October 22nd but could not stay with that rival in the stretch when he faded back to eighth at 29-1. He was a runner-up in his two previous outings and was second to that rival in this class on October 8th, albeit he was more than four lengths in arrears to that winner at the wire. This son of Control The Moment had earned five straight cheques going into his latest and figures to be pushing out for position from the rail this evening. He should be able to do more with a cozy trip against this bunch and is worth using on the bottom end of the exotics.

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#5 BELLA BELLINI finished fifth in an added distance stakes event at Yonkers in her latest and was spotted on second-over cover after getting away fifth from the trailing post. She claimed the show spot behind the two below in the Dayton Oaks prior to that but was victorious against the boys in the Caesars Trotting Classic at Hoosier Park before that on September 23rd. This 18-time winner took down her division of the Breeders Crown last season in convincing fashion and will look to elevate her game on this grand stage again this evening. She has put together a fantastic four-year-old campaign and a victory tonight would help put an exclamation mark on her season. Giving her the nod to rebound in a big way.

#7 ATLANTA has won four of her last seven and most recently got the better of the one below in Lexington when she converted off a perfect two-hole trip to stop the clock in 1:50.3. She did not have much success after being used hard in the early stages of the Maple Trot over this surface in early September but was a strong winner in the Open here at Mohawk Park the week prior and emerged victorious in the Armbro Flight back in June. This Hambletonian champion and winner of more than \$3.6M does not have anything to prove in what has been a storied career but she has not captured a Breeders Crown title in five appearances. She has put together another incredible campaign at the age of seven and it would be something special if she made her way to victory lane tonight.

#8 WHEN DOVESCRY has enjoyed a resurgence as of late when taking down two major stakes events in her last three starts and has managed to hit the board in five straight. She is three for 14 in her six-year-old season but had hit the board in 10 of those outings and is another that has achieved so much in her career but has not earned a Breeders Crown championship in the four times that she has vied for one. This 23-time winner has been in top form as of late but will have to overcome the outermost post in the contest with the eight-hole. She gives up a post position edge to the two above and that might be the difference tonight in a race where not much separates the top three choices.

#3 NEXT LEVEL STUFF got the better of both Bella Bellini and When Dovescry when she went all the way on the engine in the Miss Versatility at the Meadowlands on September 9th. She stopped the clock in a new lifetime mark of 1:50.4 but could not replicate that performance when she went off lasix in Lexington in her latest and had missed a month between starts. This 19-time winner will go back on that medication this evening and can be dangerous if she gets loose on the lead. She was a Breeders Crown champion at the age of three but we prefer her for a smaller prize this time around.

Race 3 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 TEST OF FAITH appeared to be toying with her competition in her elimination last week when she appeared to briefly relinquish the lead in deep stretch to the to our third choice but then casually took back the victory in the shadow of the wire. She was intent on having the lead in the early going and she wandered off the pylons in the stretch to give that rival an opportunity to beat her on the inside. This 33-time winner comes into this on a five-race win-streak and we might not see her grab the early lead tonight, as she might need to let things settle in front of her when leaving from the rail. She is a perfect five-for-five at Mohawk Park and she was a Breeders Crown champion last year as a sophomore. It is hard to picture her losing in this spot and will once again offer a price of the shortest variety.

#3 MIKALA exits the same race as the one above and had not raced in over a month going into that effort but still managed to rally from off the pace to complete the trifecta in third. She got within a length and a half of the one above and was the runner-up to that rival in both of her previous two, including the final of the Milton on September 17th. This 10-time winner blasted home in 26.2 on the heels of a back-half in 54.4 and she looks like she might be sitting on a big effort this evening. She is hard to put ahead of our top selection but will be one of our main players underneath from post-three.

#2 SO MUCH MORE went straight to the lead from post-six last week and then released our top selection to the engine. She sat that perfect two-hole trip around the racetrack and then gave the favorite backers a scare when she came up the cones to take a brief lead before it was taken away again just before the wire. This 54-time winner comes into this in top form and turned in a big effort to pick up a smaller piece in the Milton when she was left uncovered to do a lot of work in the first-over position. She is the Queen of Pacing in Canada and will likely not go down without a fight again tonight.

#5 GRACE HILL produced an almost exact copy of her victory in her Milton elimination in her latest when she found room late in the mile and exploded to get up by a head at the finish. She came home in 26 seconds flat off a back-half in 53.1 and followed up her elimination score for the Milton with a fourth-place finish in the final of that prestigious stakes event. This 17-time winner has hit the board in seven of eight since moving to the care of trainer Virgil Morgan Jr and she should be brave coming into this. She cannot be left off the bottom end of the exotics.

Race 4 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#7 WARRAWEE XENIA was stuck in traffic for most of the stretch drive and was loaded with trot when she finally shook loose in her elimination last week. She just missed out on getting up for the place spot when settling for fourth under the wire and trotted her final quarter in 26.3 on the heels of a back-half in 55.3 after being shuffled back to eighth on the bend for home. This daughter of Walner had not raced in three weeks going into that effort and will be wearing trotting hobbles for the third time in her career. She has proven she can go with the top fillies in her division when she puts it all together and she will have home field advantage tonight on a surface that she has eight wins over. Giving the “Goddess of Speed” the nod once again and hoping that she offers some value on the board.

#4 JOVIALITY S exits the same race as the one above and was an ultra-impressive winner in that contest after exploding to victory in the stretch after not seeing a pylon at any point of the mile. She got away eighth off the gate from post-nine and trotted her back-half in 55.4 with a sizzling final panel in 26.2 and had been no worse than second in any of her last six going into that effort. This daughter of Chapter Seven is 11 for 14 in her sophomore campaign and has not missed the board in any of those outings on her way to banking over \$1M. She figures to take a lot of support after demonstrating an incredible turn of foot last time but we will look for a better number on the above.

#2 JIGGY JOG S scored by a comfortable margin in her elimination when she stopped the clock in 1:51.2 as the 1/5 odds-on choice. She has now won three in a row and got the better of the one above in two back in the Kentucky Filly Futurity when she held her off by a neck at the wire after setting a hot tempo on the engine. This other daughter of Walner has been second or better in 10 of 12 so far in her three-year-old campaign and should be brimming with confidence coming into this. She will leave from the inside of the gate and is among the main contenders in a race where the better trip might prevail.

#6 FASHION SCHOONER had won four in row going into her latest and she built up a big lead on the bend for home but was no match for the late strides of the one above in deep stretch. She managed to hold that rival off in the New Jersey Classic at the Meadowlands on September 9th and she went all the way on the front-end from post-10 on that surface just about a month earlier when she captured the Hambletonian Oaks. This filly will get the luxury of leaving from the winningest post at Mohawk Park and will likely try to go as far as she can on the engine. She can pick up a piece.

Race 5 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#10 NIKI HILL has only made three starts so far at the age of three and has won two in a row against stakes company after disappointing at 50 cents to the dollar in her sophomore debut in an overnight affair at the Meadowlands. She was the easiest kind of winner in her latest when she scored by nearly three lengths in the Glen Garnsey Memorial in Lexington, stopping the clock in 1:48.4 with a final quarter in 26.1. This daughter of Always B Miki was a standout at two, winning nine of 10 and put an exclamation point on that rookie campaign when she crushed her compilation in the Breeders Crown. She will have to overcome the outermost post if she wants to take down the title as the three-year-old but she has accomplished incredible things so far in her career and we do not want to side against her.

#4 SEA SILK faded to finish last in a field of 11 in the Glen Garnsey Memorial at the Red Mile on October 9th but can be forgiven for that performance, as she was mixing it up in the early going with the one above and had to come off the lasix program in that outing. She was the easiest kind of winner in the OHSS at Dayton Raceway on October 1st when racing on that medication for the first time and looked like she might be home in the final of the Jugette before Treacherous Dragon came to nail her by a neck at the wire. This 16-time winner has recently surpassed \$1M in lifetime earnings and can rebound in a big way off her latest.

#7 MAX CONTRACT has won six of 10 in her three-year-old season and has only missed the board once, which came when she broke stride in a NYSS event back in June. She has claimed the show spot to our top selection in both of her last two but had won five of six prior to that. This daughter of Huntsville has tactical speed if she wants to get forwardly placed off the gate but either way will likely need a favorable journey to get a big piece of it. She has carried her good form for much of the season and is worth using on the bottom end of the exotics.

#9 SILVER LABEL was an impressive winner in the OSS Super Final on October 15th at Mohawk Park when she paced past her stablemate Prohibition Legal in the stretch on her way to a victory by two lengths in 1:50.2. She has been second or better in her last seven overall and was fourth in the final of the Fan Hanover after winning in her elimination for that prestigious event. This daughter of Bettors Delight has won 12 of 20 so far in her career and has only missed the board on three occasions over that span. She will have to overcome a tricky draw with post-nine but is capable of grabbing a decent chunk if her trip is not too taxing.

Race 6 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#9 COOL PAPA BELL was left with a lot of work to do in his elimination when he got away ninth off the gate from post-eight and was more than 13 lengths off the lead at the quarter pole. He did not take a step forward until the turn for home and moved into fourth before the wire with a final quarter in 26.3 on the heels of a back-half in 53.3. This son of Chapter Seven went a similar journey in the Kentucky Futurity and had won two in a row prior to that. He blew up the tote board when he got up by a nose in the Hambeltonian back in August and should provide an opportunity to take back some value for those who were on his bandwagon last time at 6/5. Giving him the edge and hoping he is closer this time around.

#1 KING OF THE NORTH ambushed the field from post-nine in his elimination and set a hot tempo on the engine to make every call a winning one at odds of 28-1. He picked a great time to produce his best effort of the season and got off the schneid as a three-year-old by getting his first victory in his 12th start of the season. This son of Walner will have a harder time blasting off the wings of the gate from rail but he has proven to be versatile in his racing style in the past. He should be feeling good about himself coming into this but will not offer anything close to the number he went off at last time.

#5 BRANDED BY LINDY tried to reel in the one above in the stretch drive last week but could only get within half a length of that rival at the wire. He had to roll wide around cover on the bend for home and did not have much of a chance the way the race panned out in the Kentucky Futurity two back in Lexington. This other son of Chapter Seven was sent off as the favorite in the Canadian Trotting Classic here at Mohawk Park just over a month ago but he squandered any hope he had when he jumped it off. He took down the final of the Kentucky Championship Series and has raised his game in some big events this season.

#3 SLAY was served a perfect second-over trip last week but could not get the better of Double Deceiver, who rode right up the cones in the stretch drive to seize the victory. He only missed by a head on the wire and went a tough trip two back in the Kentucky Futurity when he was overland for most of the mile. This colt was an impressive winner in the Canadian Trotting Classic but had to sweat out an inquiry because he made a break in stride at the top of the stretch and still managed to recover to emerge victorious. He can rise to the occasion again tonight in a race where it might not be wise to take a short price on anyone.

Race 7 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#2 BYTHEMISSAL was a confident winner in his elimination and driver Chris Page did not even have to lift a line in his direction when he held off I Did It My Way by three quarters of a length at the wire. He stopped the clock in 1:49.1 with a final quarter in 26.1 and has now rhymed off five straight victories. This 13-time winner was a dominant winner in the OHSS championship at Dayton and emerged victorious in the Little Brown Jug before that when he scored by three quarters of a length over Fourever Boy. He has won eight of his last nine overall and is 13 for 15 so far in his career, never finishing worse than second in any of those outings. This son of Downbytheseaside has been a dominant force in the division and is now set to do battle with an old foe in the one below. He will work from post-two and should prove hard to beat.

#5 PEBBLE BEACH was a dominant winner last week after marching to the lead on the backside and then holding a comfortable margin on his rivals the rest of the way. He equalled his lifetime mark of 1:48.3 with a final quarter in 26.3 and never looked like he even broke a sweat while on cruise control in the stretch. This 13-time winner was second-best for five straight outings before he returned to the winner's circle in the Tattersalls Pace in Lexington on October 9th when he got up by a head. He was strong in victory when capturing the North America Cup over this surface on June 18th and is a perfect four-for-four at Mohawk Park. It sure looks like this should come down to a two-horse affair and we will give the edge to the one above.

#6 I DID IT MYWAY got within three quarters of a length of our top selection last week but victory was never in doubt for that rival. He disappointed as the favorite two back in Lexington when Pebble Beach got back into the win-column but had won five in a row prior to that. This 12-time winner got within half a length of that rival at the wire when pacing his mile in 1:48.3 and took down the final of the Kentucky Championship Series on September 18th after reeling off three straight victories in preliminary legs for that race. He has put together a strong sophomore campaign with 12 on the board finishes from 16 starts and over \$540,000 in earnings but might have to settle for the bottom spot on the trifecta tonight.

#8 PONDA WARRIOR got away eighth off the gate from post-eight in his elimination last week but was breathing fire in the stretch when he made up a lot of ground to claim the show spot. He was more than 13 lengths off the lead at the quarter pole and then paced his back-half in 52.2 with a final quarter in 26 seconds flat. This son of Rockin Image was a dominant winner in the ISS Super Final on October 14th when he paced away from his rivals in the stretch to score by more than three lengths in 1:49.2 at 10-1. He has elevated his game as of late and can pick up a prize if he can continue to trend in the right direction.

Race 8 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 BACK OF THE NECK was the runner-up to Cokstile No in the Yonkers International Trot and was four lengths in arrears to that foe under the wire in a race that covers one mile and a quarter. He had won back-to-back major stakes events going into that effort and was an impressive winner in the Maple Leaf Trot over this surface on September 3rd when he stopped the clock in 1:51 flat. This 13-time winner went on to be victorious in the Dayton Derby nearly one month later and comes into this championship event in solid form. He will have to overcome an outside draw but has been doing his best work from off the pace. Giving him the edge.

#5 ECURIE D DK took support to the tune of 3-1 in the Yonkers International Trot and was loose on the lead for a long way before fading through the field to get beat by a wide margin in that added distance event. He was the runner-up to his stablemate above in the Maple Leaf Trot here at Mohawk Park when he was sent off as the 6/5 favorite and was the runner-up to Alrajah One It in the Cashman back in August. This 18-time winner can rebound in a big way in this spot and his performance in his latest might help boost his price. He will start from the center of the gate and will have Dexter Dunn in the driver's seat for the first time in his career.

#2 FASHION FRENZIE is seven for eight so far in his aged career and his only blemish so far came in form of a fourth-place finish in the Maple Leaf Trot when he made multiple moves in the mile. He has consistently beaten the best that this circuit has to offer and has made it look easy in his last two in the open ranks after suffering that first defeat of his four-year-old campaign. This 18-time winner will start from the inside of the gate and will likely be pushing out to get forwardly placed. He should not be underestimated against this group and can land somewhere on the ticket with the right trip scenario.

#11 FORBIDDEN TRADE was most recently the runner-up to the one above in the Open Handicap here at Mohawk Park and claimed the show spot behind Bella Bellini and Its Academic in the Caesars Trotting Classic before that. He sat an inside trip in the Maple Leaf Trot and shuffled back before angling out around horses in the stretch to finish third behind our top two choices. This former Hambletonian champion has put together a strong campaign at the age of six and has hit the board in 10 of 15 with just under \$240,000 in earnings. He will have to overcome the trailing post but can still pick up a decent chunk if he can get a clean trip.

Race 9 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#6 BULLDOG HANOVER went out guns blazing in Lexington on October 9th and sped through panels of 26.2, 52.2 and 1:19.1 before falling to defeat for the first time in 12 starts when Allywag Hanover paced past him in the stretch. He went on one of the most dominant runs the sport has ever seen prior to that, overcoming several impossible looking trips and not letting anyone get near him in major stakes events. This 26-time winner is 12 for 14 on the season and is the fastest standardbred of all-time after he stopped the clock in 1:45.4 in the William Haughton at the Meadowlands back in July. He prepped for this with a qualifying spin around the Mohawk Park oval that was clocked in 1:51.2 and it would only be fitting if he capped off an incredible season with a Breeders Crown victory in his own backyard.

#3 ALLYWAG HANOVER spoiled the party in Lexington on October 9th when he defeated the one above in the Allerage Farms Open Pace. He followed that rival around the racetrack in the two-hole and then got past him more than a length at the wire when he stopped the clock in 1:46 flat. This 23-time winner returned for his five-year-old campaign back in June and has won five of 11, hitting the board in all of those outings and adding another \$355,627 to his bankroll. He seems to have found is best stride at the right time and could get redemption for last year's defeat in this race when he finished third by a neck to disappoint as the 2/5 favorite.

#7 TATTOO ARTIST should not be forgotten about in a race where much of the attention has been focused on the two above. He has put together a fantastic five-year-old season with 10 wins from 21 starts and 19 on the board finishes with more than \$700,000 in earnings. He has won three in a row in the Open ranks at Mohawk Park and gamely chased our top choice to the wire in the Canadian Pacing Derby when he was only a length away in second at the wire. This 30-time winner has an incredible turn of foot off the gate and will likely be trying to cross over in front of his rivals to ensure he gets a favorable spot in the early going. He has been razor sharp and should land somewhere on the ticket.

#2 THIS IS THE PLAN has hit the board in 10 of 21 so far this season at the age of seven and is now just over \$27,000 shy of \$3M in career earnings. He was only beaten by a head in the Aria Invitational when traveling over an added distance and was third at 53-1 in the Dayton Derby prior to that in a race where our top two selections finished one-two. This 23-time winner will leave from the inside of the gate and can pick up a slice if his trip is sweet enough. He should not be left off the bottom end of the trifecta and super.

Race 10 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 CARBINE made a first-over bid in the Open Handicap two weeks ago and was only two lengths away from the winner Tattoo Artist at the wire in third. He was an impressive winner in each of his two outings prior to that when going postward in NW18000L5 and got cemented in his first try on the circuit on September 27th when he was competing at this level. This 12-time winner will be reunited with Todd McCarthy and that driver has piloted him to four victories and five on the board finishes in the eight times they have been paired together. He must overcome an outside draw but has more than enough early foot to get himself to a favorable spot off the switch.

#6 CODENAME CIGAR BOX got within a nose of Tattoo Artist on October 15th and has now been the runner-up in each of his last two. He was three quarters of a length away from the one below at this level two back and managed to score in the Open Handicap at 7-1 on September 10th when he upset a heavy favorite in Desperate Man. This 22-time winner has only missed two cheques in 11 tries since relocating to Ontario to join the barn of trainer Jodie Cullen has been second or better in seven of those efforts. He has been knocking at the door as of late and can be right there at the wire.

#7 MAPPOS LION exits the same race as the two above and was flying in the late stages of that contest after getting away ninth off the gate from post-five. He was 13 lengths off the lead at the quarter pole and paced his back-half in 52.4 with a final panel in 26.3 to pace into fourth under the wire. This 20-time winner claimed the show spot in three of his last four prior to that and got up by a head over the one above in the top condition class on September 3rd. He has been in good order for trainer Paul Macdonell and is not without a chance against this group.

#5 WHEELS ON FIRE was forwardly placed in his latest when he stepped back up to the Open Handicap ranks and faded back to sixth in the stretch. He took all kinds of wagering support when he scored by three quarters of a length off a two-hole trip in this class on October 8th and was a runner-up at long odds to his stablemate American History at this level two weeks before that. This 41-time winner has hit the board in 24 of 31 this season and might be moving forward in the early stages from the center of the gate. He cannot be dismissed from the bottom end of the exotics.

Race 11 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#5 LEGION SEELSTER got a much-needed softer trip last week when he stayed on the pylons and was flying forward in deep stretch when he shook loose to finish third. He had gotten away fourth off the switch and was shuffled back before pacing his final quarter in 26.2 off a back-half in 53.4. This 17-time winner endured several torturous trips leading up to that effort but has still managed to hit the board in four of his last six overall. He should be brave off his latest and get to the winner's circle for the first time since July with any kind of reasonable trip. Top call.

#6 FABRIZIO N exits the same race as the one above and was just over a length away from the winner Points North when rounding out the superfecta in fourth. He got a brutal trip two back when he was hung out three-wide at the halfway point but was a runner-up to Hesincontrol at this level on October 8th and will come right back for another crack in this class tonight. This 15-time winner will be reunited with driver Doug McNair and that teamster has navigated him to three victories in the last four times they have been paired together. He will likely be forwardly placed from the best starting spot at Mohawk Park and can be right there at the wire.

#3 ISLANDSPECIALMAJOR took on much tougher in NW25000L5 in his latest and has raced in tougher spots in three of his last four overall. He was a winner at 15-1 at this level on September 24th and more recently made up significant ground to earn a share in fifth in this class on October 15th. This 28-time winner had got away last off the gate from post-10 in that outing and was nearly 17 lengths off the lead at the quarter pole before pacing his back-half in 53.2 with a final quarter in 27.1. He will start from post-three this evening after having the seven-hole or worse in each of his last three and should get every chance to land somewhere on the ticket.

#7 DONTPOKETHEDRAGON got a confidence boost at Flamboro Downs in his latest when he scored by more than a length in the Preferred at 25 cents to the dollar. He has earned a share in four of his last five and was only beaten by half a length in third two back in NW6300L5. This 23-time winner should be feeling good about himself coming into this and is worth using on the bottom end of the trifecta and super.

BEST BET: #5 LEGION SEELSTER

Race 12 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 THATLL BE SPORTY made up ground on the inside in the late stages last week and finished fifth under the wire, just over two lengths away from the winner Respect Our Flag. He will now drop down two notches on the class ladder to NW2900L3 and is only four starts removed from claiming the show spot in NW12500L5 as the 2-1 favorite. This 11-time winner picks up the driving services of Scott Young and he might be able to work out a favorable journey from the pole position. Giving him our top billing in the nightcap.

#7 CARLAS MACH A relocated north of the border to join the barn of trainer Carmen Auciello and was beaten by a wide margin in both of his starts in North America. He was a high-percentage winner in Australia with 12 victories from 31 attempts and turned in a decent looking qualifier on the morning of October 14th when he scored by a comfortable margin in 1:54.2 over a track that was one second off. This son of Mach Three gets to make his circuit debut in a soft spot and this outfit has had success with these types in the past. He might need a start to get back in the swing of things but is worth keeping a close eye on when he steps onto the racetrack.

#6 ALTA ENGEN A dropped down to this level in his latest and forged to the lead in the stretch before getting picked up by a pair of rivals to end up finishing third under the wire. He had been off for more than three weeks going into that outing and should benefit from getting that start under his belt. This 14-time winner will leave from the winningest post at Mohawk Park and is not without a chance. Tyler Jones picks up the steer.

#4 SOMETIME SOMEWHERE has competed in tougher classes in each of his last six and has managed to pick up a pair of cheques over that span with two on the board finishes. He will now drop back down to the class where he was third on August 29th and gets reunited with driver Trevor Henry, who guided him to a victory back in June. This 17-time winner has not been the most consistent performer but finds himself in a spot where he should be competitive. He will leave from a favorable spot on the gate and can pick up a piece.

#2 SUN CHIP was fifth at Rideau Carleton in NW7500L5 in his latest and will now return to Mohawk Park to compete at the bottom condition level. He rounded out the superfecta in this class on October 8th and turned in a decent effort to finish second to Hesincontrol at the level above this on September 26th. This son of Rockin Image has picked up a prize in six of his last seven overall and will get to leave from the inside of the gate. He can pick up a slice.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2020 earnings
3 year olds	50%		25% on 2020 earnings
			50% on 2019 earnings
4 year olds	25%		25% on 2019 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated. The above stated pools on races that have an entry (i.e. 1 & 1A and/or 2 & 2B) will not offer a wager combining both halves of the same betting interest. Example: If the same betting interest finishes first and second in an Exacta wager, the Exacta payout will be on first and third.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 3, PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, change boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

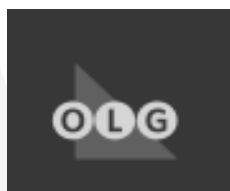

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5 & Pick 5: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
