Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

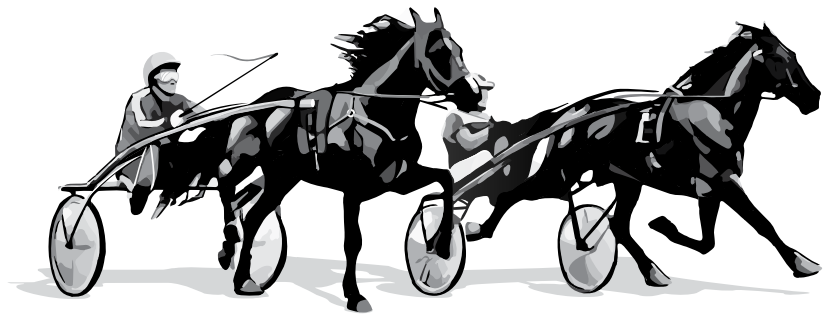

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)
- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

#6 SOUTHWIND CAESER shipped north of the border from Hoosier Park to join the barn of trainer Jodie Cullen and will now make his first start on the circuit for his new connections. He last tasted victory on September 20th when he trotted to a new lifetime mark of 1:54.1 over that seven-eighths of a mile surface and has hit the board in nine of 28 so far this season. This son of Father Patrick will work from the outermost post in this compact field of six in an opening round of a Pop-Up Series and goes postward for an outfit that has won four of their last 10 overall at the time of writing this. He fits well with this group and gets our nod to take down the opener.

#2 SERENITY CRUISE was forwardly placed from post-10 in NW6100L5 in his latest after being sent off at 63-1 and faded back to eighth in a contest that was won by Muscle Fashion. He managed to get to a clear lead in the early going two back at that level but tired to finish sixth under the wire after chopping out reasonable fractions. This 14-time winner had hit the board in three straight prior to that and will face softer competition in this spot tonight. He will have Chris Christoforou at the reins this time around and will likely push out for position off the gate from post-two.

#1 WISHYOUDELLME is coming back on just two days' rest after being scheduled to race last Friday night and we will not know how he fared on that occasion at the time of writing this. He has turned in a pair of decent performances in each of his last two and only missed by a neck to Magnificent Seven on November 11th in NW3300L5. This 17-time winner has proven to be versatile in his racing style and competing against a short field should only further help his chances. He will work from the pole position and should be in the mix throughout.

#3 VICTOR INVICTUS finished sixth in NW3300L5 in a race that was won by Magnificent Seven and picked up a small prize at the bottom level prior to that. He has always been a camera-shy type with just six wins in 81 lifetime tries but has hit the board 24 times in his career. This son of Kadabra will be competing in his fourth Pop-Up Event of the season and picking up a lesser share is likely his ceiling.

Race 2 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 WARRAWEE XALT disappointed as the 1/2 favorite last week when he faded back to fifth in the stretch after having a clear margin on his rivals on the engine for much of the mile. He trotted his own second quarter in 27.2 when rushing to the front before the halfway marker and could not have been a more dominant winner 11 nights earlier when he scored by more than two lengths in this class in 1:53.2. This son of Royalty For Life will race back on a regular rotation this evening and can rebound in a big way. He will once again have to overcome the eight-hole and will have Scott Young aboard for the third straight start. Top call.

#5 SIMCOE SEELSTER exits the same race as the one above and got back to the winner's circle for the first time since June in that contest when he was a going away winner by nearly three lengths under the wire. He catapulted off his cover in the stretch and looked strong at the finish when trotting to a new lifetime mark of 1:53.4 and will come right back in the same class this evening. This other son of Royalty For Life has earned a share in five straight and will have Louis-Philippe Roy fifth consecutive outing. He stepped up with a huge effort in his latest and will be hard to hold off if he can replicate that performance tonight.

#9 ILLUSIONAL was sent to the early lead on November 3rd at this level but was relegated to the three-hole on the backside before claiming the show spot in a race that was easily won by our top selection. He fought gamely in the stretch to secure his finishing position and will now have driver James MacDonald aboard for the second time in his career. That top teamster elected to stick with him over two others in the contest and he can land somewhere on the ticket if he can avoid a taxing journey from post-nine. He cannot be excluded from the exotics and is worth a look if the price is right.

#1 KEVIN ANTHONY was left with a lot of work to do in his latest when he got away eighth off the gate from post-seven and was more than 13 lengths off the lead at the quarter pole. He made up ground to advance to fourth before the wire and trotted his back-half in 57.1 with a final quarter in 28.2. This son of Archangel only missed by a neck to Stormont Molly at this level two back and hit the board in 13 of 25 so far in his career. He will leave from the pole position and will likely be making noise in the stretch drive.

Race 3 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#5 SAINT ANTOINE comes into this contest with an opportunity to sweep the Harvest Series after being a strong winner in both of the preliminary legs and somehow did not get bet down to favoritism in her latest. She marched past the one below from the two-hole last week to score by nearly two comfortable lengths at odds of 2-1 and did nearly the exact same thing two back when she offered a much bigger number on the board at 7-1. This daughter of Kadabra has been razor sharp as of late for trainer Brian Lee and has put together a strong sophomore campaign with 10 on the board finishes in 19 attempts and just under \$67,000 in earnings. There is no reason to believe that she will not triple-up this evening and surely she will get more respect at the windows this time around.

#1 HERSHEY SEELSTER went a long way on the lead in the opening two rounds of the series but disappointed as a heavy favorite in both of those outings when she could not hold off the strong late strides of the one above. She has hit the board in four of her last five but has not tasted victory since August 28th when she was a winner in an OSS Grassroots tilt at Georgian Downs. This other daughter of Kadabra has only missed a cheque in four of her 16 tries as a three-year-old but will likely have a hard time flipping the script on the one above this evening. She is obviously the main danger and can complete what will be a very chalky exacta.

#3 MUSCLE UP THE GOLD advanced three positions to complete the superfecta last week and was just over three lengths away from our top selection at the finish. She was nearly 11 lengths off the lead at the quarter pole before trotting her back-half in 57 seconds flat with a final quarter in 27.1 and might get activated sooner in the mile when the chips are down in the final of the series this evening. This daughter of Muscle Up The Goal is still winless in 17 as a sophomore but has earned a share in 11 of those outings. She will work from a favorable spot on the gate and can round out the trifecta with a decent trip.

#4 ANGELWITHATTITUDE claimed the show spot at 48-1 in her latest after sitting an inside trip for much of the mile. She was doing her best work in the early part of the stretch drive and trotted home in 27.3 to fend off the one above for third under the wire. This daughter of Archangel has made progress in each of her last three starts since transitioning back to the big track and can pick up a decent chunk with another favorable journey. She will likely try to make her move in the late stages and is worth using on the bottom end of the trifecta and super.

#9 THE AMAZINGSANDO was a strong winner in this class last week when he went most of the way on the front-end before scoring by a length in 1:53.2 at 70 cents to the dollar. He has won three of his last five, including a devastating score in NW2 on October 8th, and has now hit the board in seven straight. This son of Dali was just one for 27 as of October of this year but has really turned a corner as of late and should once again be tough to beat at this level. He has hit the board in 17 of his 32 lifetime tries and will have to overcome an outside starting spot when sliding out three positions on the gate this evening.

#6 JIM STRIKESITRICH is an intriguing option after he recently returned to the barn of top trainer Richard Moreau and was no worse than fourth in six previous tries for this outfit. He notched back-to-back victories for this barn nearly three months ago and should offer value on the board after finishing last by a wide margin in each of his last four. This 12-time winner will start from the winningest post at Mohawk Park and might be able to turn things around this evening. He picks up Jonathan Drury in the sulky and is worth a long look if the price is right.

#2 BETTOR NOTBITTER A has finished third in each of his last three and got within two lengths of our top selection last week at the wire. He has not gotten his picture taken since September 12th when priced for \$15,000 but has hit the board in five of seven since then and 11 of his last 15 overall. This 32-time winner will be making his fourth start off the claim for trainer Gerard Demers and will get to work from an inside post position for the second consecutive outing. He has landed in the top three with frequency throughout his career and should be able to continue that trend this evening.

#7 SHES WATCHING ME has made miscues in both of his last two when going postward in NW2 and will now return to the claiming ranks in tonight's tilt. He had missed over a month of action going into his latest and was a light's out winner three back on September 29th when he scored by more than two lengths in 1:52.3 against a condition claiming group when priced for \$17,000. This son of Hes Watching gets a driver change to Phil Hudon this evening and might be able to spice up the bottom end of the exotics.

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#9 TRUFFLES TOO finished fourth in a field of seven when competing in the Open ranks last week and was third in back-to-back contests against tough condition rivals in his two outings before that. He will now drop down to the class where he was a dominant winner on October 17th and set his season's best on that occasion when he stopped the clock in 1:53.2 at 45 cents to the dollar. This 12-time winner will have to overcome a tricky draw with post-nine but gets away from the likes of Logan Park, Hp Mama B and Locatelli with a sharp drop down the class ladder. He can have his way with this group with the right trip scenario and is our clear choice on top.

#1 MACALLAN has taken on tougher rivals in each of his last three since returning from a hiatus of more than three months. He earned a smaller share in NW25000L5 two back and finished sixth in his latest in the Open after being overland for much of the journey. This nine-time winner won three in a row back in May and should be ready to produce his best with a few outings back under his belt. He will start from the pole position and will much prefer the company he keeps this evening.

#4 RITSON converted as the 1/2 favorite in this class last week when he scored by more than a length at the wire in 1:54 flat, which was just a tick off his lifetime mark and his fastest winning time of the season. He has been second or better in each of his last four and was only beaten by the heavily-favored Spartan General two back at this level. This nine-time winner will start from another favorable spot on the gate but does face deeper waters this evening with the two above dropping down to this level. He should still be feeling good about himself coming into this and merits respect on the ticket.

#5 PATRIARCH HANOVER completed the trifecta behind Spartan General and the one above in this class two weeks ago and has claimed the show spot in two of his last three. He should appreciate getting another crack at this level after taking on tougher competition in all of his prior efforts since shipping up to Mohawk Park back in January. This 15-time winner was victorious in the Free For All back in May but has appeared to have lost a step or two since then. He should still be more than competitive against this group and can pick up a sizable slice.

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#6 QUAN BLUE CHIP was sent to the lead in his latest and was limbed-out at the quarter pole in 26.2 before tripping the halfway marker in 54.4. He held a clear margin over his rivals on the bend for home but could not hold off the fresh legs of the one below in deep stretch. This 23-time winner was just over a length away from that rival under the wire and has now been the runner-up in each of his last three at this level. He was an impressive winner on October 10th in this class and gets our nod to return to the winner's circle this evening.

#7 ALWAYS A HOTSHOT has been on quite a roll as of late when winning five in a row and has made his way to the winner's circle in both of his last two since moving up to this class. He was spotted second-over on the bend for home last week and tore off his cover in the stretch before cruising to victory over the one above in the final strides. This 27-time winner should be brimming with confidence but might have to do more of the work this time out. He will likely take a lot of support on the board and can be right there at the finish.

#5 LEGAL BETTOR has finished third in both of his last two since being claimed by trainer Kyle Bossence on October 24th for \$27,000. He made up a lot of ground in both of those efforts and was most recently nine lights off the lead at the quarter pole in eighth before pacing his back-half in 56.2 with a final quarter in 27.2. This 21-time winner will start from the center of the gate again tonight and might get activated sooner in the mile. He can hit the ticket.

#8 JULERICA faded in the stretch last week to finish sixth under the wire after returning to the barn of top trainer Richard Moreau. He had typically bounced right back getting claimed back by that outfit and can rebound with a better effort this time around. This 52-time winner gets put right back in for the same claiming tag and has 18 victories with 28 on the board finishes in 35 attempts for this barn. He will need to produce a better effort than his latest but is one to consider if the price is high enough.

Race 7 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 ACTOR HANOVER shipped up from south of the border and has joined the barn of trainer Boyd Wilson after spending his last 11 outings at Pocono Downs in Pennsylvania. He has hit the board in five of his last eight when competing in tougher classes than the one he will make his circuit debut in tonight and competed in the Open at Pompano Park on numerous occasions in their final meet of racing. This 14-time winner has missed more than three weeks of action coming into this but will have the nation's leading driver aboard for his first start on Canadian soil. He will work from a favorable spot on the gate and has our top honors.

#2 OUTLAW ACEOFSPADES finished third last week in the class above this and was just over two lengths away from the winner IllgetmyownThanks at the wire. He was a winner at this level on October 17th when he scored by three quarters of a length at odds of 5-1 and should appreciate getting back down to this spot after taking on tougher competition in each of his last three. This 18-time winner will start from an inside post position and can be right there at the wire.

#7 TALBOT ROMEO returns to the races after missing more than four months of action and has a good-looking recent qualifier under his belt, where he was second to William Hanover on November 11th. He banged home in 26.4 off a back-half in 55.3 in that morning prep and now returns in a much softer spot than where he last raced back in July when competing in NW11500L5. This eight-time winner might need a start or two to get back in the swing of things but can probably hit the ticket against this group with the right kind of trip. He is worth using in the exotics.

#9 ALTA ENGEN A was seventh in his latest when stepping up to the level above this and will now return to the class where he was fourth or better in his previous three. He claimed the show spot on November 5th after making a first-over bid at long odds and had the lead in the stretch on October 17th before settling for third to our second choice. This 14-time winner will have to overcome the nine-hole this evening but might be able to spice things up underneath at a price.

PURSE \$16000. HORSES THAT HAVE STARTED FOR A PURSE OF \$15,000 OR LESS IN ONE OF LAST 4 STARTS.

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 THE LIONKING AS sat a perfect pocket trip behind Free Willy Hanover in his latest when competing in NW12000L5 and scooted up the inside of that tiring rival in the stretch to finish fourth at the finish. He was just two lengths away from Ritson at the wire and will now race back on a regular rotation after missing more than three weeks before that debut on this circuit. This 26-time winner will make his second attempt out of the barn of trainer Boyd Wilson and will face much softer competition this time around. He should benefit from getting that start under his feet in his new surroundings and gets the edge on top.

#3 HANG ON BABY has been the runner-up in each of her last two and only missed by a head in her latest to a bombs-away winner in Itstimetogohome. She was second-over on the bend for home in that contest and the horse she was following did not do her any favors at the top of the stretch when she veered to the outside to give the winner the clearance he needed. This 12-time winner has hit the board in four of eight since moving to the barn of trainer Dave Menary and should be brave coming into this tilt. She will work from a favorable spot on the gate and can be right there at the finish.

#2 PHOENIX was beaten by a wide margin in fifth last week when he made his return to the races in NW6100L5 after a five-month hiatus. He took support to the tune of 3-1 in that contest and will likely benefit from having that start under his belt when coming back on a regular schedule for a follow-up try. This 13-time winner had made breaks in stride in two of his last four overall going into that recent effort and might step up with a much better performance this time around. He should not be easily dismissed and will likely offer a decent number on the board.

#4 SEA CAN finished sixth on Halloween when trainer Mark Etsell called his own number in the sulky and produced a big effort two weeks earlier when he finished second in the final of the OSS Super Final at odds of 125-1. He came from a long way back in that stakes event after getting away last off the gate and managed to get within a pair of lengths of the winner Safe Conduct at the wire. This son of Muscle Mass will be reunited with driver Bob McClure this evening but has not raced in a few weeks. He might be able to sit a favorable trip to pick up a piece.

#3 NEVER MIND N is scheduled to come right back on just two day's rest and we will not know how he fared on Friday night in NW3000L5 as our top selection at the time of writing this. He was a winner on November 10th when he returned to Mohawk Park after a stint south of the border and once again raced out of the barn of trainer Carmen Auciello. This 15-time winner went straight to the lead in that NW2000L5 event and held a comfortable margin most of the way before holding on by a neck over our fourth choice at the wire. He will start from a favorable post position in this opening leg of a Pop-Up Series and will have the circuit's leading driver James MacDonald aboard.

#6 KISS AN ANGEL was a winner in her circuit debut and first start out of the barn of trainer Jeff Gillis on November 3rd in the bottom condition and has since picked up a minor award in NW3300L5. She will now face a softer group overall when going postward in the first round of this Pop-Up Event but hooks a tough customer in the one above. This daughter of Father Patrick will now make her third straight start on the lasix program and should be well adjusted to her new surroundings with two efforts to her credit on this oval. She will start from the outermost post in this compact field and will be our main player underneath.

#1 BRADY BUNCH finished sixth in his latest when competing in the Preferred at Flamboro Downs but was an easy winner in both of his previous two tries over that half-mile surface. He won by a combined margin of eight lengths in those victories and will now return to the big track for the first time since March of last year. This 12-time winner managed to get the winner's circle in NW3000L5 at 30 cents to the dollar in that previous stint at Mohawk Park and looks like a logical choice to round out the trifecta in this spot. He will start from the pole position and will have Louis-Philippe Roy in the driver's seat for the third time in his career.

#2 AWORLDBLY GOODTIMES has not raced since June 6th after being scratched out of his subsequent scheduled start due to sickness and comes into this with one qualifier to his credit. He finished third to P L Opportunity in that morning prep when trotting his own mile in 1:57 flat and was last a winner back in May when he scored by more than two lengths in 1:55.1. This son of Royalty For Life will come off the lasix program this evening and will likely need this effort to get back in the swing of things after more than five months away from the races. He is still worth including on the bottom end of the trifecta and super.

Race 10 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 O NARUTAC PERFETTO prevailed off his back-class alone in his latest at Western Fair when he was three-wide for much of the journey before getting up by half a length at the wire to bail out his backers at 20 cents to the dollar. He moved first-over two back at Mohawk Park and settled for fourth under the wire in his return to the circuit after spending his previous eight in Lexington and will have J-Mac back at the controls this evening. This 33-time winner appears to be trending in the right direction and should offer some value from the rail this evening.

#3 FREE WILLY HANOVER went a long way on the lead in his latest when going postward against tougher competition in NW12000L5 but faded to ninth in the stretch after chopping out hot fractions in the early going. He drops back down to the level where he was second to Hammer Time two back as the 4/5 favorite and has been fourth or better in four of his last five overall. This 31-time winner should appreciate getting back down to this class but will likely take significant support again this evening. He will start from a favorable spot on the gate and can be right there at the finish.

#4 KAMERAN HANOVER was the runner-up by half a length to Muscle Fashion in his latest at this level and was sent off as the 9/5 favorite in that contest. He managed to work out a favorable journey on that occasion but had difficult trips in some of his prior outings. This 19-time winner should go off at a better price in tonight's tilt and should get every chance to land somewhere on the ticket. He will work from a good spot on the gate and can hit the ticket.

#9 FRANKS ANGEL has picked up a pair of shares in his last four when going postward in tougher classifications and will get class relief this evening when getting down to NW5000L5. He was a strong winner over the sloppy going on October 27th when he stopped the clock in 1:54.2 and will race back on a regular schedule this evening after missing a couple of weeks before his latest. This 16-time winner will leave from a tricky post position but should be more than competitive against this group with a decent trip. Trevor Henry picks up the steer.

Race 11 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#10 A BOY NAMED SUUZZ was sent to the front in his latest and then faded back to seventh under the wire and has finished in that position in each of his last two. He was plucked out of that contest by trainer Shayne Barrington for \$17,000 and that conditioner had some success with him last year around this time when he was second or better in a pair of efforts for this barn against tougher company. This 51-time winner has his price tag raised by \$3,000 off those recent lackluster efforts and he might take a big step forward in this spot. He must start from the outermost post in the contest but has always been one that does his best work when coming from out of it. Giving him our top billing in the nightcap.

#9 MODERN ROCK drops back down a level after going an overland trip to finish eighth in the claiming handicap class above this in his latest. He was second or better in his four prior outings and will be making his second start back in the barn of top trainer Richard Moreau after that conditioner claimed him back for \$18,000 at Rideau Carleton on November 6th. This 10-time winner has hit the board in six of his last seven when racing for this outfit and will likely have his tactical speed called upon off the switch this time around. He will be reunited with driver Sylvain Filion and can be right there at the wire.

#8 REAL WICKED rallied into the show spot last week at this level after getting away eighth off the gate from post-eight. He was more than 13 lengths off the lead at the quarter pole before pacing his back-half in 55.3 with a final quarter in 27.3 and will still have to start from that same post position again this evening despite having his price tag discounted by \$1,000. This 31-time winner has been fourth or better in each of his last three and should make his presence felt at some point in the mile again this evening. He is not without a chance and should be utilized in all of the exotics.

#7 UNIQUE BEACH finished as the runner-up to a strong winner in Snap Test in his latest and had not raced in nearly a month going into that effort. He will now make his second start off the claim for trainer Michelle Leblanc and should benefit from having that previous outing under his belt. This 12-time winner retains J-Mac in the sulky and should be in the mix throughout again tonight.

#1 STATE OF PLAY made up ground in the late stages to finish second The Amazingsando in the claiming handicap class below this last week and will now move up a notch on the class ladder after top trainer Joe Pereira grabbed him back for \$13,000. That conditioner lost him for \$17,000 on October 3rd and he has hit the board in three of his last four in this class for this outfit. He will work from the pole position and can grab a share.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2020 earnings
3 year olds	50%	25% on 2020 earnings 50% on 2019 earnings
4 year olds	25%	25% on 2019 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

ENJOYMENT FOR ALL.

Ten ways to make your day at the races more enjoyable for everyone.

1. Woodbine, Mohawk and Greenwood fully support the responsible consumption of alcohol. Consequently, our bar staff are only permitted to serve two drinks at a time, per person, at all draft units and bars. Customers appearing to be intoxicated will be escorted off the property.

2. The consumption of alcoholic beverages is strictly prohibited in alcohol-free seating areas.

3. Customers are required to present their money to the mutual staff before placing a wager. Please check to ensure that your mutual ticket and change are correct before leaving the mutual window.

4. In consideration of others, please refrain from smoking in non-smoking areas, as required by municipal bylaws. There is NO SMOKING anywhere within 9 meters of the buildings entrance or exit. Cigar and pipe smoking are not permitted.

5. Woodbine, Mohawk and Greenwood offer a wide selection of snacks and full-course meals. We therefore ask that food and beverages purchased elsewhere not be brought into our facilities.

6. Please refrain from using profanity throughout the facilities.

7. Children under 18 years of age are welcome at Woodbine and Mohawk during live racing events only, from two hours before the first race until one hour after the last race.

8. Parents who become separated from their children should report immediately to the Customer Service booth on the 2nd floor at Woodbine, or to the security office at Mohawk.

9. Dogs and other pets are not allowed into Woodbine, Mohawk and Greenwood with the exception of certified Working dogs.

10. Customers are welcome to use cameras and/or camcorders while visiting Woodbine and Mohawk racing areas. However, please refrain from using flashes around the horses, and from taking pictures of other customers.

Thank you.

With your co-operation, everyone can enjoy their visit to Woodbine, Mohawk and Greenwood.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated. The above stated pools on races that have an entry (i.e. 1 & 1A and/or 2 & 2B) will not offer a wager combining both halves of the same betting interest. Example: If the same betting interest finishes first and second in an Exacta wager, the Exacta payout will be on first and third.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 3, PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, change boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

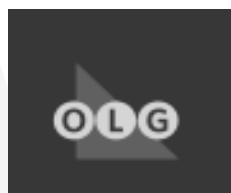

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5 & Pick 5: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
