Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

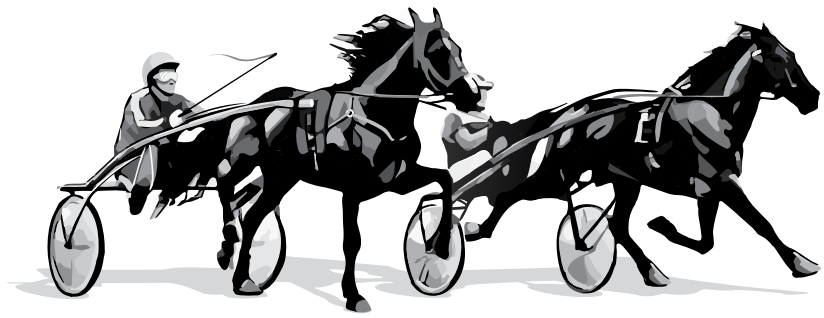

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 1 Horse's number in the race
- 2 Horse's post position colour
- 3 Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)
- 7 Trainer information
- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 HEAVENSDOR HANOVER was an easy winner on December 30th when he crushed his competition by nearly five lengths in the bottom condition class. He followed the cover of the favorite Cascada on the bend for home before trotting away from his foes in the stretch to stop the clock in 1:57.3 over a track that was two seconds off. This son of Donato Hanover was likely on his way to victory four days prior when his trotting hobbles broke in the stretch and he made a miscue to finish sixth under the wire. He steps up a notch on the class ladder this evening but should be confident coming into this.

#2 BEYOND KRONOS has spent six of his last eight at Rideau Carleton with a pair of efforts at Saratoga sprinkled in between and will now return to Mohawk Park for the first time since September of 2021. He was the runner-up to Moscow Moon two back but has only managed to pick up a pair of cheques in his most recent five outings but will move back to the barn of top trainer Richard Moreau for tonight's tilt. This son of Muscle Hill will also have the circuit's top teamster James MacDonald at the reins for the first time and should be more than competitive with this group. He can be right there at the wire.

#7 SHES GOT PIZAZ did not have much of a chance on Boxing Day when she got away last off the gate from post-eight and was more than 13 lengths off the lead at the quarter pole. She advanced one position before the wire at odds of 43-1 and was second to a strong winner in O Narutac Perfetto two back at this level. This 21-time winner has been the runner-up in two of her last three and will be reunited with driver Bob McClure this evening. She will have to overcome another outside draw but is among the leading hopes in the contest.

#8 MUAY HANOVER has been second or better in his last two since transitioning to the big track and was most recently nearly five lengths in arrears to our top choice at the wire in NW2000L3. He was a winner four days earlier in that class when he lit up the board at 16-1 and scored at a much shorter price in NW1801L3 at Flamboro Downs on December 3rd. This 19-time winner has been in good order since moving to the barn of trainer Tom Riley and does not look out of place against this group. He must start from the outermost post in the contest but can pick up a piece if he can work his way into the race.

#5 CENTURY GIGALO was one we were fond of last week when he returned to the claiming ranks at this level and went all the way on the engine to score by just under a length at the finish in 1:54.2. He utilized similar tactics three back in the bottom condition class before winning by the exact same margin and has been no worse than fourth in four of his last six when racing out of the barn of Richard Moreau. This 17-time winner has hit the board in six of his 10 tries for this outfit overall and will have his price tag increased by \$1,000 this evening. He should be moving forward in search of the lead off the gate from post-five and has our nod to double-up.

#7 LEGAL BETTOR was sent to the front from the outermost post in the contest in his latest and then released the odds-on choice Quan Blue Chip to the lead on the backside. He scooted up the inside in the stretch drive to emerge victorious at odds of 5-1 and has now won two of his last three at this level. This son of Bettors Delight has been popular in the claiming box when changing hands after five of his last six and will once again go postward for Duane Marfisi after that conditioner claimed him back for \$30,000 in his most recent effort. He only missed by a head at this level in his lone previous start for this barn on November 28th and can be right there at the finish again this evening.

#6 NIGHT CLUB HANOVER rounded out the trifecta in this class last week and was just over two lengths away from the one above at the wire. He has hit the board in three straight since moving to the claiming ranks and has not missed a cheque in any of his six outings for conditioner Richard Moreau. This 17-time winner was last victorious in the claiming handicap class below this on December 12th but will likely make his presence felt again this evening to land somewhere on the ticket. He is worth using on the bottom end of the exotics.

#4 SUNNY BO sat in a loose pocket behind our top selection before fading back to fifth in the stretch when making his first start back in over two months on January 2nd. He comes back on a regular rotation in his second attempt for high-percentage trainer Raphael Bourassa and hit the board in all four of his tries at Rideau Carleton in October. This 12-time winner can step up with a more lively performance this evening but finishing on the bottom end of the trifecta or super might still be his ceiling.

#7 TOKYO SEELSTER was beaten by a wide margin against solid company in each of his last two at Saratoga but was a winner over that half-mile surface three back in NW6000L5. He scored by a comfortable margin in that contest after pushing out to the lead from the pole position and was a runner-up in the Preferred at Rideau Carleton a couple of starts before that. This 11-time winner will be making his first attempt at Mohawk Park since October of 2021 but has moved back to the care of top trainer Richard Moreau in anticipation for his return to the circuit. He enjoyed success for this outfit in his first two seasons of racing and gave this field all they can handle if he is ready to roll. Trevor Henry gets the call.

#3 AUSSIE LOVER was making good late gains in the stretch on December 26th when having to settle for third under the wire and was only three quarters of a length away from our third choice at 4-1. He trotted his back-half in 57 seconds flat with a final quarter in 28.3 and has claimed the show spot in each of his last three in this class. This 17-time winner has hit the board in five straight and was last a winner on November 25th when he bested his rivals by three quarters of a length in NW3000L5. He has shown he can be more than competitive with these types and might be sitting on another good effort this evening.

#4 P L OPPORTUNITY has missed by less than a length in each of her last three since transitioning to this classification and just a neck away from the one below at the finish on Boxing Day. She was sent to the engine on the backside in her latest effort but was picked up by a pair of rivals in deep stretch. This 13-time winner scored in back-to-back outings when returning from the bench in November after a layoff of three months and was victorious in the top trotting class on the circuit back in July. She figures to be in the mix throughout and can be close at the wire again tonight.

#1 TYMAL RIGGS has won two in a row at this level and got things his own way on the front-end in his latest when he stole a second quarter breather in 30.2 and then held on by a neck over the one above at the wire. He has been second or better in each of his last four and has proven to be versatile in his racing style. This 13-time winner will start from the pole position this evening and can outperform this ranking if he can maintain his current form. He has missed a week between outings but cannot be dismissed off his recent efforts.

#3 HP ROYAL THEO was sent to the early lead from post-six last week and then released the odds-on favorite Resolute Bay to the front to sit a cozy pocket trip. He did not have much to offer in the stretch when he faded back to last in a field of eight before the wire but now plunges down in class to NW5100L5. This 15-time winner will also come back on a regular rotation after missing a week because of a Judges scratch due to weather on Boxing Day and will be reunited with his regular driver Louis-Philippe Roy. He hit the board in three of his four tries at this level last season and can get the measure of this group with anything close to his best.

#6 ROWLEN got back to victory lane for the first time just over a year in her latest when she rolled wide on the bend for home and was determined to run down her rivals before the wire. She got up by a head at the wire in 1:56.1 and trotted her back-half in 57 seconds flat with a final quarter in 28.1. This daughter of Johnny William had hit the board in this class in her two prior outings but got shutout of the win-column last season after winning her first start of the year on January 1st. She has hit the board in 25 of her 52 career attempts and will be one of our main players underneath.

#9 MR CONTESTANT has hit the board in each of his last five and was only beaten by a neck last week in this class when Derf Hanover reached up for victory at the wire. He had made every call a winning one before that and was victorious two back at this level when he scored off a pocket trip in 1:56.3. This 28-time winner was plucked out of his latest by trainer Sandi Lawrence for \$35,000 and comes right back in the same class for that optional claiming price again this evening. He will have to overcome a tricky draw with post-nine but has shown more than enough tactical speed to get forwardly placed off the switch.

#8 KAMERAN HANOVER sat an inside trip when dropping down to this class in his latest and was stuck behind a wall of horses for most of the stretch before settling for sixth under the wire. He had spent his previous three against much tougher in NW12000L5 and was a winner in this class on November 21st when he got up by a neck to convert as the 6/5 favorite. This 20-time winner typically has success when he gets down to these spots and is worth a long look if the price is right. He cannot be left off the bottom end of the exotics.

Race 5 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#4 GIGONDAS went winless in 18 in his sophomore season and settled for the runner-up in his first attempt for top trainer Richard Moreau on December 29th in this class to close out that campaign. He dominated his rivals in a qualifier on December 19th in preparation for his return to the races and scored by nearly 18 lengths in 1:57.3 over a track that was a second off. This son of Trixton has just two victories through 27 attempts in his career so far but has raced in high-profile affairs and was fourth to Rebuff in the final of the Breeders Crown as a two-year-old. He should benefit from getting that recent effort under his belt and will have Doug McNair in the driver's seat for the first time. Top call.

#9 MAJESTIC J released the one above to the front before the turn for home on December 29th at this level and then angled to the outside around the first-over challenger in the stretch to trot to victory at odds of 5-1. He was beaten by a wide margin to the streaking Looks Like Moni two back but only missed by a neck to that foe in his first try on this circuit on December 5th. This son of Walner will be making his fourth start out of the barn of trainer Ben Baillargeon and will have Tyler Jones back aboard for an encore performance.

#7 UNBEATABLE KEMP exits the same race as the two above was moving well when sliding off the cones into the second-over position behind our fourth choice near the top of the stretch but made a break in stride to take himself out of contention. He has disappointed as the favorite in each of his last two at this level but was only beaten by half a length two back when trotting home in 27.4 off a back-half in 56.1. This other son of Walner's top priority will likely be to get a flat line to his credit but can loom as a danger with the right kind of trip.

#8 DEALIN WITH DEWEY was a first-over challenger in each of his last two and briefly poked his nose in front again from that position on December 29th before fading back to fourth at the finish. He only missed by a neck as the runner-up two back at this level and has hit the board in each of his last three since transitioning to this class. This son of Wheeling N Dealin has earned a cheque in each of his last six and can continue that trend this evening if his trip is not too taxing from an outside draw. He picks up the driving services of Louis-Philippe Roy and can grab a share.

Race 6 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 JIM STRIKESITRICH did not have much of a chance in his latest when he got away last off the gate from post-six and was at a major pace disadvantage in a race where the middle-half was 1:00. He was more than 12 lengths off the lead at the quarter pole and rolled wide around the final turn before pacing into the place spot behind the one below. This 13-time winner came home in 28 seconds flat on the heels of a back-half in 55.4 and should be closer to the action tonight when leaving from post-three. He will be reunited with the nation's top driver James MacDonald and is our clear choice on top.

#7 STATE OF PLAY was parked a long way in the first-over position last week in this class before forging to the lead in the lane to score by more than a length at the wire at odds of 10-1. He stopped the clock in 1:55.4 and had earned a share in his previous 10 starts but was winless in 38 attempts last season. This 19-time winner had not tasted victory in 43 consecutive outings prior to that victory but has been known to string winning efforts together in the past. He should be feeling better about himself coming into this and has double-up potential. Tyler Jones picks up the steer.

#5 CHOREOGRAPHER exits the same race as the two above and sat an inside trip for much of that mile before splitting horses in the stretch to finish third under the wire at odds of 2-1. He went into that effort off a victory at Flamboro Downs on December 28th when he was priced for \$18,000 in a condition claimer and had missed three weeks of action prior to that after getting distanced as the heavy favorite in that class on December 21st. This 23-time winner might leave out in search of the early lead off the switch from post-five this evening and should get every chance to land somewhere on the ticket.

#6 LEVIS DAY finished sixth at Western Fair against a decent group in NW2500L3 last Wednesday night and picked up a prize in his three prior outings at Rideau Carleton. He will now move to the claiming ranks for the first time since April of last year and does not look out of place against this bunch. This 23-time winner will have Louis-Philippe Roy in the sulky for the first time and can pick up a slice at what should be a decent price on the board. He is worth using on the bottom end of the trifecta and super.

Race 7 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 SPARTAN GENERAL got away fifth off the gate from the pole position in this class last week and stayed put on the pylons for much of the mile. He angled to the outside in tight quarters for clearance in the final eighth of a mile and finished up strongly when only missing out on the place spot by a quarter of a length to our third choice. This 13-time winner was in desperate need of a flat line after making back-to-back breaks in stride and should benefit from coming back on a regular schedule after missing nearly a month prior to his latest. He was the easiest kind of winner at this level back in early November and can replicate that effort if he is put into play.

#7 PIKACHU HANOVER did not have much of a chance in his latest when he got away eighth off the gate from post-eight and was 12 lengths off the lead at the quarter pole. He advanced three positions before the wire to grab a small prize in fifth and should benefit from getting back into a regular rotation this evening after missing more than three months of action. This 27-time winner had another productive season in his eight-year-old campaign with 16 on the board finishes out of 27 attempts and over \$160,000 in earnings. He will have Trevor Henry back in the sulky with Doug McNair opting for the Brad Grant owned entrant above and will be one of our main players underneath.

#5 PATRIARCH HANOVER exits the same race as the two above and was the runner-up to a strong winner in Resolute Bay in that contest. He was spotted second-over behind Free Willy Hanover on the turn for home and gamely chased that winner in the stretch before holding off our top selection for the place spot. This 16-time winner got his picture taken on December 19th when getting class relief in NW5100L5 and has been trending back in the right direction for trainer Richard Moreau. He will be reunited with driver Doug McNair and can hit the ticket.

#4 HANG ON BABY took on tougher rivals in the top condition class last week and made a break in stride in the stretch before being a long way back in last in a race that was won by the streaking Looks Like Moni. She was only beaten by half a length at this level two back and has claimed the show spot in two of her last three in this class. This 14-time winner should appreciate getting back down to a more palatable spot and will have J-Mac at the helm for the first time. She looms as a danger but we prefer her on the bottom end of the trifecta and super.

BEST BET: #8 SPARTAN GENERAL

Race 8 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 QUAN BLUE CHIP has been the runner-up in each of his last two at this level and was sent to the lead on the backside in his latest effort but could not keep the rail closed in the stretch when Legal Bettor squeezed up the cones for victory. He also had to settle for second two back when he was unable to get to that same rival when the trip scenarios were reversed and will now once again race out of the barn of Garry Merner after that conditioner claimed him back for \$30,000 last week. This 25-time winner was victorious in his only previous try for this outfit and has hit the board in each of his last nine in this class. He has gotten his picture taken three times over that span and can do so again tonight. Top call.

#5 SPEAKING OF ART was the runner-up to Century Gigalo at 75 cents to the dollar in his latest and got within three quarters of a length of that stablemate at the wire when making up ground along the cones. He has hit the board in each of his last three and will be making his second start off the claim for top trainer Richard Moreau. This 11-time winner will have James MacDonald aboard for the second straight start and might be able to work out a favorable journey from the center of the gate. He only has one victory in his last 23 outings but has hit the ticket 11 times over that span. Using underneath.

#6 OFFICER JONES was a bombs-away winner two back in this class when he came from way off the pace to blow up the tote board at odds of 22-1. He was making his second start off the claim for trainer Joe Pereira on that occasion and followed it up with a bang-up third last week at 15-1. This 30-time winner has managed to hit the board in seven of his last 10 and has only missed one cheque over that span. He will have Tyler Jones in the bike for the second straight start and is not one to leave out of the exotics.

#3 UNIQUE BEACH paced an even mile to pick up a prize in fifth last week when racing off the claim for top trainer Richard Moreau and was nearly six lengths away from the winner Legal Bettor at the wire. He claimed the show spot at 29-1 when moving up to this class three back and was a winner in a preliminary leg of a Pop-Up Event on November 26th. This 13-time winner gets entered right back for the same price tag this evening and can rebound with a better effort. Bob McClure picks up the steer.

Race 9 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#2 HP MAMA B got to the lead in the stretch after making a first-over move on the turn for home last week but could not maintain that position in the stretch when fading back to fourth under the wire. She has disappointed as the favorite in each of her last two but missed nearly a month of action going into her latest and will be reunited with her regular driver Louis-Philippe Roy this evening when getting another crack at this class. This 16-time winner was strong in victory in the Preferred on November 28th and she might be able to rebound with a similar performance when getting back in on a regular rotation. She might offer an opportunity to take back some value for those who supported her last time and has our top honors.

#5 RUN DIRECTOR looked lively at the end of his mile in his latest when he got past the one above in the late stages to finish third behind the two below at odds of 7-1. He had sat fifth for much of the mile before that and trotted his back-half in 56.3 with a final quarter in 28.1. This 17-time winner will be making his third start back after a hiatus of more than a year and might continue to make progress in this spot. He prepped nicely for his return to the races with a pair of winning qualifiers and looms as a danger this evening.

#4 LOOKS LIKE MONI was sent straight to the front from post-four last week and was collared by our top selection in the stretch before battling back for the victory. He has now won four in a row since being shipped north of the border from Yonkers to join the barn of trainer Harry Pouton after being acquired by The Stable and should be brimming with confidence coming into this. This son of Muscle Hill will have Anthony MacDonald aboard again tonight with his brother James once again opting for the one below. He has been racing at the top of his game and should be in the mix throughout.

#6 WHITE TIGER was only beaten by half a length at the wire by the one above last week when going off at 10-1 and trotted home nicely in that contest with a final panel in 28.1 on the heels of a back-half in 56.2. He faded on the lead in a softer spot two back but was a dominant winner on December 5th when he scored by a length in 1:53.2 in NW12000L5. This 18-time winner got the nod from J-Mac over the one above again this time around and can do some damage against this group with the right kind of trip. He is not an impossible result but a smaller share might be his ceiling tonight.

Race 10 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#5 MY LAND was a dominant winner at Flamboro Downs last Thursday night when he scored by nearly four lengths and stopped the clock in 1:55.3 over a track that was one second off. He held a comfortable margin throughout in that contest when racing off the claim for trainer Brett Lester and will now transition back to the big track on just three days' rest. This 14-time winner went a long way on the lead at 14-1 in the claiming handicap class below this on January 2nd and should be feeling good about himself after his latest. He might continue to improve for his new connections and has our top billing against this group.

#1 MACH ART IN MOTION was an easy winner at this level last week when he opened up a wide margin on his rivals in the stretch and paced his mile in 1:54 flat. He was making his first start back in the barn of top trainer Richard Moreau after he took him back for \$16,000 on December 26th and claimed the show spot in a previous start for this outfit back in September when racing for a cheaper tag. This 12-time winner has hit the board in five of his last six and will likely take a lot more wagering support than the 4-1 he offered last time. He has repeat potential but we will side with the one above in the hopes of being on the right side of value.

#8 MISSION BAY exits the same race as our top selection and was beaten by a wide margin in that contest after giving his rivals a head start when he made a miscue behind the gate. He was parked out a long way two back in that same class before only missing by a neck to Choreographer at the wire and will now return to Mohawk Park to race for the same price of \$18,000. This son of Sunshine Beach will have to take on open claiming company this time out but does not look out of place in here if he can work his way into the race from the outermost post in the contest. He is worth using in the exotics.

#7 TWAIN SEELSTER claimed the show spot at nearly 36-1 in his latest and was just over six lengths away from our second choice at the wire. He has earned a cheque in 23 consecutive outings and has hit the board in five of his last nine. This 13-time winner can be more than competitive against this group and should be able to continue this trend of picking up a piece. He cannot be left off the bottom end of the trifecta and super.

Race 11 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#9 OUTLAW ACEOFSPADES has walked away empty-handed in each of his last three but will drop back down the bottom condition class this evening. He went to the lead on the backside the last time he raced at this level and then faded back to seventh in the stretch but then came up with a big effort to score in a preliminary leg of a Pop-Up Series the following week. This 19-time winner was victorious in this class on October 17th at 5-1 and has proven to be versatile in his racing style. He can emerge victorious if he can summon his best and gets the edge on top in the nightcap.

#5 ISITFRIDAYET has not raced in over a month after he got away last off the gate from post-eight at Flamboro Downs in NW3760L3 on November 23rd. He was unable to make any impact in that contest but was a winner the week prior in a softer spot when being sent off as the 6/5 favorite. This 31-time winner will be making his first start for Brett Lester and that conditioner has won four of his last five at the time of writing of this. He will start from the center of the gate and is worth a long look if the price is right. Bob McClure picks up the drive.

#6 JIMMYACHANCE shipped to Ontario from the west coast to join the barn of trainer Shayne Barrington and has not raced in over a month coming into this contest. He has hit the board in 14 of his 18 career attempts and banked over \$81,000 in his first two seasons of racing. This son of Big Jim will have the luxury of leaving from post-six and will have Trevor Henry aboard for the first time. He might need a start to get acclimated to his surroundings but is capable of hitting the ticket.

#8 FLASH CUBE returned to Mohawk Park in his latest when going postward in NW6000L5 and was never in contention after getting away eighth off the gate from post-eight. He had not raced in 19 days going into that effort and will now make his second start under the care of top trainer Richard Moreau. This eight-time winner drops down two notches on the class this ladder in tonight's tilt and will be paired with J-Mac for the second time in his career. He can rebound with a better effort and should not be dismissed from the exotics.

#7 SPRINGBRIDGE JIM advanced three positions to finish fifth last week after getting away eighth off the gate in this class at 39-1. He was nearly 14 lengths in arrears to the winner Century Hannibal at the wire but has picked up a minor award in each of his last four. This 13-time winner is difficult to back as a win candidate but has been steadily picking up smaller pieces as of late. He is worth including in both the trifecta and super.

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2020 earnings
3 year olds	50%	25% on 2020 earnings 50% on 2019 earnings
4 year olds	25%	25% on 2019 earnings

A L L O W A N C E S F O R P U R S E E A R N I N G S

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race which the pool is operated. The above stated pools on races that have an entry (i.e. 1 & 1A and/or 2 & 2B) will not offer a wager combining both halves of the same betting interest. Example: If the same betting interest finishes first and second in an Exacta wager, the Exacta payout will be on first and third.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 3, PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5 & Pick 5: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
