Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#5 COIN FLIP made a break in the early going on January 2nd when he jumped over debris on the track in the claiming handicap class above this but was also added to the short-term vet's list for sickness. He was the runner-up to Private Scott two back at that level and will now be discounted by \$5,000 to drop back down to the level that trainer Carmen Auciello took him out of on December 12th. This 19-time winner had hit the board in eight of his last nine going into his most recent effort and will be reunited with driver Doug McNair when getting lasix for the first time tonight. He was a winner the last time he raced at this level and has our nod to return to victory lane in the opener.

#9 PASSIONATE PRINCE is another entrant from the Auciello barn that will have his price tag discounted this evening after that conditioner plucked him for \$16,000 on January 9th. He finished fifth on that occasion at 31-1 and claimed the show spot two weeks prior at 37-1 for his previous connections and will now drop down a notch on the class ladder for tonight's tilt. This 14-time winner has only gone postward for three different trainers in the first 129 starts of his career and we have seen this outfit have success with these types in the past. He will have to overcome an outside draw but looms as a danger.

#10 SIGHTS ON YOU was sent to the early lead in this class last week before releasing State Of Play to the front and then forged to the lead again in the stretch. He held on by a neck at the wire when getting swarmed by several rivals in the dying strides and has now been second or better in three of his four tries since getting claimed by high-percentage trainer Raphael Bourassa. This 10-time winner will have to overcome the outermost post in the contest and loses Doug McNair to our top selection. He picks up the driving services of James MacDonald and can still land somewhere on the ticket.

#7 BETTOR NOTBITTER A was only half a length away from our top choice when claiming the show spot at 20-1 last week and that was a step back in the right direction after missing a cheque in two of his three previous efforts. He will be making his fifth start back in the barn of Francis Guillemette after that trainer claimed him back for \$11,000 on November 28th and found the winner's circle for this outfit back in May. This 32-time winner got the nod from Bob McClure over his stablemate and can pick up another decent chunk with a favorable journey.

Race 2 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 PIKACHU HANOVER was a strong winner in NW13500L5 last week after being spotted second-over on the bend for home and was not under much urging when tripping the wire in 1:53.4. He won by a comfortable margin at the wire in his second start back off the layoff and will now take a significant step up the class ladder to NW26500. This 28-time winner should benefit from racing back on a regular schedule for the second consecutive outing and has proven he can be more than competitive in tougher spots than this. He hit the board in 16 of 27 last season and looks like he is on his way to another productive campaign at the age of nine. Louis-Philippe Roy picks up the steer and he gets our nod on top.

#5 WHITE TIGER has hit the board in three of his last four and most recently finished third at this level in a race that was won by even-money favorite Hp Mama B. He was sent to the early lead in that contest before getting relegated to the two-hole and was unable to stay with the winner in the stretch. This 18-time winner only missed by half a length to Looks Like Moni on January 2nd in this class and was a lights-out winner nearly one month earlier in NW12000L5. He once again gets the nod from top driver James MacDonald and can be right there at the wire.

#2 WARRIOR ONE has relocated to Mohawk Park to join the barn of leading trainer Richard Moreau and was more recently competing in the Preferred at Freehold in New Jersey. He had to settle for third when racing from way off the pace in his latest over that half-mile surface but was the easiest kind of winner two back in that class when he scored by five lengths and stopped the clock in 1:59.3 over a track that was two seconds off. This 25-time winner has been victorious in three of his last six and does not look out of place against the group. He will have Sylvain Filion at the helm for the first time and looks like a viable option if the price is right.

#3 TRUFFLES TOO exits the same race as our second choice and earned a minor award in fourth in that contest after sitting in that position for much of the mile. He has earned a cheque in each of his last eight and is just two starts removed from competing in the Preferred. This 13-time winner was the runner-up to Hp Mama B at that level on November 28th at 31-1 and can pick up another decent chunk in this spot. He picks up Bob McClure in the sulky and should not be excluded from the bottom end of the exotics.

Race 3 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 JACK FIRE did not have much of a chance last week in this class when he got away ninth off the gate from post-nine and was 14 lengths off the lead at the quarter pole. He improved two positions before the wire after trotting his back-half in 56 seconds flat with a final quarter in 28.3 and will now make his fifth start for trainer Ashleigh Hensley after relocating to this circuit in December. This 10-time winner was fourth in this class on Boxing Day and claimed the show spot when disappointing as the favorite in NW5000L5 on January 2nd. He will start from the pole position and does not meet the tougher of groups for the class this time out. Giving him a whirl.

#7 TYMAL RIGGS has been racing at the top of his game since returning from a two-month hiatus and has not been worse than second in his four tries since that layoff. He has not missed by more than a head over that span and has now won three of his last five overall. This 13-time winner would typically be taking a step up the class ladder in transitioning to NW12000L5 but four of his six rivals are coming out of the same class in what appears to be a softer group for this level. He should be confident coming into this and can be right there at the finish if he can overcome an outside draw.

#5 DERF HANOVER pushed out to the lead from the rail in his latest and chopped out brisk fractions on the engine at odds of 35-1 before fading back to eighth in the stretch. He trotted the middle-half in 57 seconds flat before shortening stride but was a winner in NW5000L5 on January 2nd when he got his neck up in front at the wire. This 23-time winner faces easier competition in his follow-up try in this class and will be reunited with driver Sylvain Filion. He will likely be part of the early pace scenario and can land somewhere on the ticket.

#6 AUSSIE LOVER was at a pace disadvantage last week when he got away seventh in a field of eight and was more than nine lengths off the lead at the quarter pole. He trotted his back-half in 57.1 with a final quarter in 28 seconds flat but was not able to make much of an impact in a race where the frontrunner was able to get a big breather in the second quarter. This 17-time winner had hit the board in five straight going into that effort and can rebound with a better result this evening. He can pick up a sizable slice with the right kind of trip.

Race 4 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 A BOY NAMED SUUZZ has walked away empty-handed in each of his last five since getting claimed by his current owners for \$28,000 on November 28th and has been beaten by almost nine lengths or more in all of those contests. He will now race back out of the barn of Shayne Barrington and was an impressive winner in each of his last two for that conditioner back in November. He got up by a head in his most recent effort for this barn when finishing with broken equipment and scored by nearly seven lengths the start before that when stopping the clock in a new lifetime mark of 1:50.3 at the age of 12. He has three victories and a near miss in four attempts for this outfit and we will go right back to him with the hopes that he somehow flies under the radar tonight. Bob McClure picks up the drive.

#10 JULERICA got a confidence boost at Flamboro Downs on January 5th when he went postward in NW63000L and scored by half a length after getting away fifth from the pole position on that half-mile surface. He will now return to the big track and faded on the lead in his latest attempt at this level after leaving from the same post position that he will have tonight. This 53-time winner was only beaten by a neck to the one below on December 5th and has still had tremendous success for the Moreau barn overall with 19 victories and 30 on the board finishes in 40 attempts. He should be feeling better about himself coming into this and will have Sylvain Filion back at the reins.

#8 QUAN BLUE CHIP has been the runner-up in each of his last three and missed by only a length of less in each of those outings. He was only a head away from Speaking Of Art at the wire in his latest and has been popular in the claim box, changing hands after seven of his last eight. This 25-time winner will now go postward for conditioner Sandi Lawrence and will James MacDonald back aboard, who has guided him to five top two finishes in the last six times they have been paired together. He has hit the board in each of his last 10 at this level and has gotten his picture taken on three occasions over that span.

#9 NIGHT CLUB HANOVER was an impressive winner last week when he strided away by open lengths in this class and stopped the clock in 1:53.3. He has two victories and four on the board finishes since transitioning to the claiming ranks and was plucked out of that most recent effort by trainer Duane Marfisi for \$28,000. This 18-time winner will have Doug McNair in the driver's seat for the first time and should be brave coming into this. He slides out a few spots on the gate when having his price tag increased to the maximum and is among the main chances in a competitive looking affair.

Race 5 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#2 THE LIONKING AS jumped it off at the start of a Preferred Handicap event at Western Fair in his latest when taking support to the tune of 9/2 and had not raced in more than two weeks going into that outing after being a vet scratch due to sickness on January 2nd. He has taken on tougher competition in NW12000L5 in his last four at Mohawk Park and only missed by a head to Hang On Baby in this class on November 21st. This 26-time winner will have J-Mac back at the controls and can have his way with this group if he can summon his best. He should appreciate getting back to the big track and has our top honors.

#4 SHADRACK HANOVER has hit the board in seven of his last 12 stateside and has since shipped north of the border to join the barn of Tom Riley. He was most recently the runner-up in an Open-2 at Hoosier Park and was a dominant winner on November 19th in NW8500L4 at Dayton Raceway. This 12-time winner's only previous try at Mohawk Park came in 2020 when he went postward in Canadian Trotting Classic and he does not look out of place in this spot. He might need a start to get acclimated to his new surroundings but should be more than competitive with these if he is ready to roll.

#10 SO NOT COOL has hit the board in each of his last four and most recently made up ground in the stretch to finish third at 23-1 in NW5100L5. He trotted home in 28.4 on the heels of a back-half in 57.4 and was last a winner in the bottom condition on December 16th. This 13-time winner will get paired back with driver Doug McNair this evening but will have to overcome the outermost post. He has been in good order for trainer Kyle Fellows and should not be left out of the exotics.

#8 HEAVENS DOR HANOVER has won two in a row since suffering an equipment malfunction on December 26th that likely cost him a victory. He climbed up the class ladder from the bottom level in those two victories and will take on tougher foes again this evening but should be brimming with confidence coming into this. This 10-time winner will have to overcome a tricky draw this time out but has enough early foot to get spotted in a decent position off the switch. He can grab a share.

Race 6 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 STATE OF PLAY had to work hard to get to the front on the backside in his latest and then faded back to fifth in the stretch at 10-1 after being victorious the week prior at the same price. He was plucked out of that effort by Brett Lester for \$14,000 and that conditioner has opted to increase his claiming tag by \$2,000 when stepping up in class this evening. This 19-time winner will now race for a barn that has won six of their last 10 overall at the time of writing this and has only been worse than fourth once over that span. He will leave from a favorable spot on the gate and will have Louis-Philippe Roy in the sulky, who has navigated him to three victories and five on the board finishes in the 10 times they have been paired together.

#8 MACH ART IN MOTION has been second or better in each of his last two and has hit the board in three of his last four since stepping up to this class. He disappointed at 40 cents to the dollar in his latest when he could not get to our fourth choice in the stretch after being caught behind stalled cover on the bend for home. This 12-time winner blasted home in 27.2 off a back-half in 55.4 and will now race off the claim for trainer Carmen Auciello. He has been racing at the top of his game and will not be easy to hold off in the lane.

#4 UNIQUE BEACH has only been able to muster a fifth-place finish in his last two in the claiming handicap class above and will now have his price tag slashed by \$6,000 in his third start off the claim for top trainer Richard Moreau. He claimed the show spot against tougher competition at 29-1 on December 12th and was the runner-up at this level one week prior. This 13-time winner should appreciate the move down to an easier spot and can be in the mix throughout. He can hit the ticket.

#7 MY LAND scored by more than a length over our second choice at the wire last week when he stopped the clock in 1:53.2 and has now won two in a row after he was victorious just four nights earlier at Flamboro Downs in for a higher price tag in the condition claiming ranks. He was taken out of his latest for \$16,000 by Dan Gassien and will pick up Tyler Jones in the bike with Louis-Philippe Roy siding with our top selection. This 15-time winner has picked up a prize in each of his last nine and can continue that trend this evening.

SPOT PLAY: #3 STATE OF PLAY

Race 7 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#4 GIGONDAS was a front-end winner last week when he stopped the clock in 1:55.4 as the 6/5 favorite in his second start for trainer Richard Moreau and appeared to have lots left in the tank when he held the one below at bay by a comfortable margin at the wire. He tried similar tactics in his first attempt for this outfit on December 29th but was unable to hold off the late strides of Majestic J in the lane. This son of Trixton now has three victories in 29 lifetime tries but has hit the board on 11 occasions with more than \$208,000 in earnings. He will have Doug McNair back in the bike for an encore performance and is hard to look past.

#3 DEALIN WITH DEWEY was second best to the one above in his latest after getting a two-hole ride behind that rival for much of the mile. He got within a length of victory at the wire and has hit the board in three of his last four since transitioning to this classification. This son of Wheeling N Dealin is another that has been light in the win-column so far in his career with just four victories from 47 starts but has hit the board 19 times over that span. He slides down towards the inside of the gate after having the eight-hole last time and looks like the logical one to land underneath.

#2 SHESTHELUCKYONE has claimed the show spot in each of her last two in NW5 at Harrah's Philly and has since shipped north of the border to race under the care of trainer Jean Tourigny. She has landed in the top three in 10 of her 24 career attempts and fits in nicely with this group. This daughter of Father Patrick might enjoy her new scenery but might need a start over the surface before she is ready to produce her best. She is an intriguing option that can hit the ticket and is one worth keeping a keen eye on for better things next time.

#7 LIONS WISH NL has walked away empty-handed in two tries since moving up to this level on December 22nd. He got away ninth off the gate in his most recent effort and advanced three positions before the wire but was still nearly nine lengths in arrears to our top selection at the finish. This son of Muscle Mass was an easy winner in NW2 on December 8th when he stopped the cock in 1:55.2 at 5/2 and might have needed his last two outings to get acclimated to this level of competition. He can pick up a piece with a favorable trip scenario.

Race 8 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#2 HANG ON BABY exits the same race as the one above and was moving well in the late stages of that contest when rounding out the superfecta at odds of 8-1. She had gotten away eighth off the gate from post-four and was more than 12 lengths off the lead at the quarter pole before trotting her back-half in 55.4 with a final panel in 28.3. This 14-time winner's main priority in that outing was likely to get a flat line to her credit after making miscues in two of her previous three and will work from an inside draw this evening. She will have James MacDonald aboard for the second time in her career and has our slight edge on top.

#6 RITSON moved first-over on the final turn from the three-hole and forged to the lead in the stretch before getting caught by a strong winner in Pikachu Hanover. He was just over a length away from that rival at the finish and trotted his own mile in 1:54 flat. This son of Cantab Hall did not have much of a chance two back when getting away seventh off the gate in a field of eight when dropping down to this class and got the better of three of his six rivals tonight in that most recent effort. He should be right there at the wire if he can replicate his latest performance.

#3 FREE WILLY HANOVER has picked up a pair of smaller prizes in his last two when racing for the optional claiming tag in this class but was a winner by a head at this level three back. He hit the board in three straight in the month of December and has earned a cheque in 11 of his last 13 overall. This 32-time winner has been in good order for trainer Carmen Auciello but might have to settle for a spot on the bottom end of the trifecta this evening when going up against the two above. He looks like a logical choice to round out the trifecta.

#4 HAMMER TIME finished seventh on January 2nd in this class but had earned a share in seven of his prior eight with six of those efforts coming at this level. He converted as the favorite against similar company on November 28th and might benefit from getting a week off between starts after not being able to repeat that effort in any of his last five. This 21-time winner seems to be at his best when he gets handled aggressively off the switch and he might return to those tactics this evening from post-four. He can pick up a decent chunk with the right trip.

Race 9 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 MR CONTESTANT faded back to seventh in deep stretch after being sent to the early lead on the first turn from post-nine. He was covered up in the two-hole on the backside and looked like he might have some trot when angling out in the stretch but fizzled out in the dying strides. This 28-time winner had hit the board in five straight going into that outing and was claimed back by trainer Kyle Fellows after only missing by a neck for that conditioner the week prior. He will have Jonathan Drury back in the bike and can rebound in a big way.

#6 HP ROYAL THEO exits the same race as the one above and had to work hard to get past that foe to the lead on the backside and then tired in the stretch to finish fifth as the odds-on favorite. He will now get another crack at this class after dropping down from NW12000L5 but will need to show more if he wants to get back in the win-column. This 15-time winner has missed out on a cheque in four of his last six but might benefit from making his second consecutive start on a regular rotation. He will have the luxury of leaving from post-six and should be in the mix throughout.

#5 PHOENIX did not have much of a chance last week when he got away ninth off the gate from the 10-hole and was more than 15 lengths off the lead at the quarter pole. He improved three positions before the wire when trotting his back-half in 56.3 and went a tough trip two back when stepping up to this class after a dominant victory in NW3000L5 on Boxing Day. This 14-time winner will be reunited with driver Sylvain Filion and should be much closer to the action this time around. He can hit the ticket.

#2 VILLEFRANCHE AS could not have done it any easier in her latest at Western Fair when dropping down to NW2500L3. She scored by six lengths at 50 cents to the dollar and picked up a smaller share in this class at Mohawk Park on December 26th. This 19-time winner should be brave coming into this and will have James MacDonald in the sulky for just the third time in her career. She can pick up a decent slice with an ideal trip scenario.

Race 10 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 OUTLAW ACEOFSPADES went a long way on the lead from post-nine in his latest but was caught at the wire by Flash Cube. He was only beaten by a head at the wire and went postward in NW6000L5 in his two previous efforts. This 19-time winner was victorious in the second leg of a Pop-Up Series on November 26th and should appreciate getting another chance in the bottom condition class. He will likely be forwardly placed from the pole position and can be the first one under the wire this time out. Giving him the nod in the nightcap.

#8 JIMMYACHANCE got away ninth off the gate from post-six last week and advanced two positions in the stretch to finish seventh. He paced his back-half in 54.4 with a final quarter in 27.2 and had not raced in more than six weeks going into that effort. This son of Big Jim will be making his second attempt out of the barn of trainer Shayne Barrington and take a big step forward in his second try over this surface. He should benefit from racing back on a regular schedule and can be right there at the wire.

#5 HP MOMENTUM will be coming back on just one day rest after being scheduled to go postward on Saturday night in NW3000L5. We will not know how he fared in that contest at the time of writing this but he was a decent third against similar company on January 9th when he was beaten by less than a length in third. This son of Control The Moment is just four for 38 in his career but has managed to hit the board on 15 occasions. He will start from the center of the gate and can land somewhere on the ticket.

#4 LAST MACH found room along the inside in the late stages at Western Fair on January 11th and got up to score by a nose over Carsons Shadow. He got caught on the inside in the two-hole on the turn for home and had to stickhandle to clearance before bursting through for the victory at 90 cents to the dollar. This 15-time winner will now make his second start out of the barn of Brett Lester and that trainer has been racking up the wins as of late. He picks up Sylvain Filion at the controls and looms as a danger.

#7 WOODMERE FENN was claimed out of his latest by Scott West for \$16,000 and that conditioner has opted to put him in the condition ranks this evening when racing on lasix for the first time. He hit the board in 12 of 37 last year and might enjoy the change of scenery. This 10-time winner could raise his game significantly in this spot and should not be left off the bottom end of the exotics.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2020 earnings
3 year olds	50%		25% on 2020 earnings
			50% on 2019 earnings
4 year olds	25%		25% on 2019 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated. The above stated pools on races that have an entry (i.e. 1 & 1A and/or 2 & 2B) will not offer a wager combining both halves of the same betting interest. Example: If the same betting interest finishes first and second in an Exacta wager, the Exacta payout will be on first and third.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 3, PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, change boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.
