# Betting Basics

Some essentials to get you started with making a wager.

## 1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

**To place a bet here are just 5 things you need to know:**

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

**Hello, (Racetrack), race 6, \$2 to WIN on Horse #4**

**How to use a self-serve terminal:**

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

## 2 Types of bets

**Single horse bets (minimum \$2.00 bet is required)**

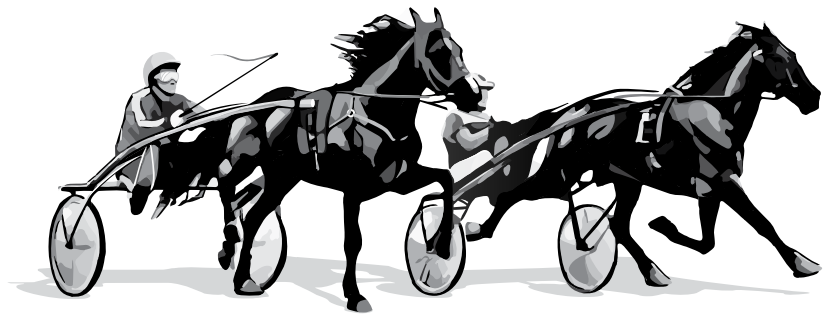

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

**Exotic multiple-horse bets**

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

\* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)
- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

## 4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

### Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

### Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

### Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

### 3 Tips to remember

**WIN BETS** on the FAVOURITE pay 32% of the time  
**PLACE BETS** on the FAVOURITE pay 53% of the time  
**SHOW BETS** on the FAVOURITE pay 67% of the time

\* Numbers listed above are approximate, may vary by racetrack.

## Race 1 Selections

## THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#4 EDGE OF THE WORLD** was outrun in his lone appearance as a rookie and was never in contention in that effort when he got away ninth off the gate from post-seven at odds of 57-1. He paced home in 28.2 on the heels of a back-half in 56 seconds flat but was still beaten by nearly 16 lengths to Ace Of Aces, who went on to make over \$260,000. This son of Sunshine Beach went into that lifetime debut off a winning qualifier and will make his first start as a sophomore in the same scenario after scoring with ease in a morning prep on January 2nd. The runner-up in that contest, I Loved Her First, has already come back to be an easy winner at Western Fair and the three that finished behind him all hit the board in their subsequent pari-mutuel effort. He appears to fit in nicely with this group and should make his presence felt right from the word go.

**#9 BETTORHOLDONTIGHT** did not have much of a chance in his latest when he was sent off at 28-1 from the 10-hole in a race that was easily won by No Control. He was taken back to eighth off the gate and took himself further out of contention when he made a break in stride on the backside. This son of Bettors Delight managed to finish up strongly when pacing his final quarter in 27 seconds flat off a back-half in 56.1 and appeared to be on his way to victory two starts ago before he jumped it off in the stretch. He will have to overcome another outside draw with post-nine but faces an easier group this time out and picks up the driving services of Tyler Jones.

**#1 CATCHMEONTHEBEACH** rounded out the superfecta in each of his two career attempts so far and then did one better in his latest when he finished third in a race that was dominated by No Control. He has had to chase that winner in each of his last two and was briefly bothered by a foe that broke stride on the opening turn two back and had to leave from the outermost post in his lifetime debut on December 8th. This son of Hes Watching has not raced in more than three weeks coming into this but should prefer the company he keeps tonight when going postward for the fourth time in his life. He will work from the pole position and can hit the ticket.

**#3 DELIGHTFUL LEADER** went straight to the lead from post-seven on January 5th before releasing the odds-on choice, The Will To Play, to the front on the backside. He rode a perfect pocket trip behind that rival before having room along the pylons in the lane but lost a spot in deep stretch to finish third under the wire. This son of Bettors Delight has not finished worse than that position in his last trio of starts and has hit the board in six of his 10 career attempts. He retains Doug McNair in the sulky and can pick up another prize.

## Held at racetracks across the province, the Ontario Sires Stakes (OSS)

is a series of races specifically for horses sired by a stallion standing in Ontario. Since 1974 the OSS program has been promoting the breeding of quality Standardbred horses in Ontario and providing economic incentives to breed, buy and race horses in the province.

When you come out to watch the OSS races you are helping to support your local community's breeders, owners, trainers, grooms, vets, blacksmiths and more!

### Race 2 Selections

### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#1 STYLE FOR A MILE** has stayed on the inside in both of her efforts on the circuit so far and took wagering support to the tune of 3-1 or less in each of those outings when competing in NW12200L5. She came home in 26.4 in her latest when claiming the show spot in a race that was won by Better Be Donna N but was placed back to fourth for committing a pylon violation on the bend for home. This daughter of Captaintreacherous had not raced in nearly a month going into that start and should benefit from racing back on a regular rotation. She should appreciate transitioning to a lifetime non-winners classification and will retain Doug McNair at the reins. Giving her the edge.

**#3 LOCK BRIDGE** has been racing at the same level as the one above and was fourth in her most recent effort in that class when four lengths in arrears to a strong winner in Snow Shark, who has since claimed the show spot in the F&M-Preferred-2. She was only beaten by just over a length to Western Wish when finishing third before that and was a back-to-back winner in her first two tries for trainer Richard Moreau. This other daughter of Captaintreacherous should also appreciate moving away from the more seasoned racehorses in the middle condition ranks but has missed a week between starts. She picks up Jonathan Drury in the bike and completes a strong one-two punch for the top barn on the circuit.

**#9 BEYOND THE SEA** has won two in a row and scored by a comfortable two lengths last week when stopping the clock in 1:54.3 as the 8/5 favorite. She was determined in victory two back when holding on by a head over Bad Rossa and has been no worse than second in her last five overall. This daughter of Downbytheseaside steps up in class this evening but has already bested five of her eight rivals over the course of the last couple of weeks. She must overcome a much more difficult draw this time around with post-nine but can still land somewhere on the ticket if her trip is not too taxing.

**#6 WILDCAT STAR** went a long way on the lead in her latest before giving way to the one above and Come Roll With Me in mid-stretch. She had not raced in over a month going into that effort and should benefit from having that start under her belt. This daughter of Bettors Delight has been fourth or better in each of her last five overall and has hit the board in 13 of her 20 career attempts. She might have her motor revved in the early stages again this evening and can grab another share.

**EXACTA & \$0.20 TRIFECTA & \$0.20 SUPERFECTA & DAILY DOUBLE (Races 3 and 4) & \$0.20 PICK 3(3-4-5)**  
**PURSE \$18000.** FILLIES & MARES, NW 2 (NW LAST 3 STARTS 3) RACES OR \$46,000 (OS \$51,000)  
 LIFETIME. AE: 3, 4 & 5 YEAR OLDS CLAIMING \$35,000.

**PROBABLE FAVOURITES: 2-5-4-7**

**#2 ACRIMONY** was able to stickhandle through traffic in the stretch last week in the class above this and ended up finishing in a dead heat for fourth at odds of 27-1 after twisting and turning when searching for room at the top of the lane. She made a first-over bid the week prior at that level and will now drop down to NW2 when having her optional claiming tag lowered by \$15,000. This daughter of A Rocknroll Dance made a splash on this circuit when she scored with ease in the opening round of the Niagara Series at 3/5 but was scratched out of the follow-up leg when she fell on her way to post parade. She disappointed at 25 cents to the dollar in the final of that added-money event but now finds herself back in a winnable spot in NW2. Scott Young picks up the steer.

**#5 KILEE ROCKS** navigated a pocket trip in her latest when going postward at the level above this and was in tight quarters for the early part of the stretch drive before angling out across the backs of rivals to clearance on the outside. She was unable to take a step forward at that point and faded back to sixth under the wire in a race that was topped by repeat winner Beyond The Sea. This other daughter of A Rocknroll Dance drops back down to the class where she was victorious on December 16th as the 1/2 favorite in her first attempt at Mohawk Park and will have Sylvain Filion at the controls for the first time. She will likely get forwardly placed from the center of the gate and will be one of our main players underneath.

**#7 IM ON THE EDGE** was a strong winner in this class last week when she strided away from her rivals in the stretch to score by more than five lengths at the wire in 1:54.3. She stayed on the cones in the three-hole until just before the head of lane and then fired home in 28.2 on the heels of a back-half in 57.2. This daughter of Sportswriter has hit the board in three of her last five but might have to overcome more adversity this time out when sliding out a few spots on the gate to post-seven. She has double-up potential with the right kind of trip but we prefer her in the underneath positions. Doug McNair stays aboard.

**#4 FROMAKINGTOAQUEEN** is another in the contest that should enjoy getting to face easier competition when being entered for the optional claiming tag of \$35,000. She has only been able to muster a fifth-place finish in her last two in the class above this but was a solid runner-up to Baby Bonita in the final of the Niagara Series on Boxing Day. This daughter of Artspeak has earned a cheque in four of her last five and hit the board in seven of 15 as a three-year-old. She cannot be dismissed from the bottom end of the exotics.

#### Race 4 Selections

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#4 QUEEN OF SOUL** was situated in the two-hole behind Maddigal last week but never did get an inch of room before the wire when being blocked behind that rival in a race where just over two lengths separated first from last. She ended up finishing sixth under the wire at 6-1 and would have likely enjoyed a much better result if she was able to get clearance at any point in the stretch. This daughter of Classic Card Shark had not raced in 17 days going into that effort and should benefit from coming back on a regular schedule for tonight's tilt. She does not face the toughest bunch in this spot and is our clear choice on top.

**#3 COCKTAIL CAROL** has been competing in NW3 at Flamboro Downs and was spotted second-over in her latest before the rival in front of her made a break in stride at the halfway point. She briefly poked her nose in front from the first-over position and was in the middle of a three-horse battle on the bend for home before settling for fourth under the wire. This daughter of Believeinbruiser has earned a minor award in each of her last three on that half-mile oval and will now return to Mohawk Park in NW2, where she was seventh in a field of eight on December 16th. She took down the final of a Pop-Up Series over this surface in November and should be more than competitive with this group.

**#6 FEEL ITINYOURHANDS** finished fifth in her latest in this class and was just a length away from winner Meilleur Fromage after being overland for much of the mile. She missed by less than that margin two back when rounding out the trifecta at 64-1 in a race that was won by Music Box Noise and has now picked up a prize in 11 of her last 14 overall. This daughter of Hes Watching has just two victories in 39 lifetime tries but has managed to hit the board on 11 occasions over that span. She does not look out of place this evening and can land somewhere on the ticket.

**#9 NORA D** was surrounded by horses in the stretch drive last week and was never able to find a clear path before the wire. She was less than two lengths away from the victory when finishing seventh in a field of eight but has walked away empty-handed when going off at sizable number in each of her last two. This daughter of Big Jim will be reunited with driver Jonathan Drury but will have to overcome the outermost post in the contest. She may have been ranked higher with a better draw but is still worth using on the bottom end of the trifecta and super.

### Race 5 Selections

### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#6 BABY RUBY** had to move four-wide on the final turn at Flamboro Downs in her latest and managed to get past the pacesetter Rockadella in the nick of time. She had no right to win that race after being in a difficult spot for much of the mile and won by as much as she pleased one week earlier when she scored by nearly six lengths over that half-mile surface. This daughter of Hes Watching blew up as the 1/5 favorite at Western Fair in the second start of her career and made a big recovery to be second in that effort but was placed back to eighth for causing interference while on a break in stride. She might enjoy getting on the bigger surface at Mohawk Park and will have Chris Christoforou in the driver's seat for the first time. Giving her the edge and hoping for a sizable price.

**#4 MIST AMBER** was the easiest kind of winner on January 10th at The Raceway in London when she scored by more than seven lengths in 2:02 flat as the 1/9 favorite. She went a big mile the week prior and was only beaten by a neck to Sporty Lil Vixen in that contest after blasting to the lead from post-seven and getting shuffled back to third before the halfway point. This daughter of Betterthancheddar will now make the transition to the big track and should be feeling good about herself coming into this. She will have Bob McClure at the helm for the first time and looks threatening.

**#7 CHEDDA CHEDDA** circled rivals on the final turn to improve three positions before the wire to finish fourth after getting away last off the gate from post-seven at Flamboro Downs in NW2 last Saturday night. She paced her back-half in 57.4 with a final quarter in 28.4 and had not raced in nearly two months going into that effort. This daughter of Betterthancheddar was only beaten by three quarters of a length to Cocktail Carol when finishing fourth in the final of a Pop-Up Series on November 17th and has not missed a cheque in her last seven overall. She will be reunited with Louis-Philippe Roy and can take a big step forward off her latest.

**#10 ALWAYS B BEST** got away second off the gate behind the eventual winner Kinnder Sport last week but squandered what would have been a perfect pocket trip when he made a break in stride on the first turn. He was never in contention after that but made a decent rally in the late stages to be third behind that rival and Tesla Power in his lifetime debut on January 6th. This son of Always B Miki has been hampered with the 10-hole and a flat line will likely be his top priority. He would have likely been selected higher with a more favorable draw and is more than capable of outperforming this projection with the right kind of trip.

**Race 6 Selections****THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

**#4 KINNDER SPORT** was an easy winner last week when she scored by more than three lengths to break her maiden in NW1 and took all kinds of support in that contest when going off as the 6/5 favorite. She stopped the clock in 1:56 flat and tipped her hand the week prior when she went a long way on the lead at 19-1 in her first attempt for conditioner Jean Tourigny. This daughter of Sportswriter briefly ended up in the center of the racetrack in that outing before the turn for home but was pacing much better in her latest. She will now make the difficult transition to NW2 but might continue to improve for her new barn and can double-up in this spot.

**#7 MUSIC BOX NOISE** was a first-over winner in this class on January 6th at odds of nearly 6-1 and held on by a head at the wire after forging to the lead at the head of the stretch. She was moving well at the end of her mile two back when advancing into fifth before the wire over a sloppy track and will have Bob McClure aboard for the third straight start. This daughter of Artspeak has missed a week between outings but can make her presence felt if she can get situated from a more difficult draw in post-seven. She is not without a chance but the one above will likely get the jump on her in the early stages.

**#1 JKS LIFESAVER** has hit the board in each of her last three since changing venues to Mohawk Park and has gone off at 10-1 or higher in each of those efforts. She rounded out the trifecta in her latest after moving wide around the final turn and was the runner-up in her two previous outings, only missing by a head to the one above two back. This daughter of Jk Endofanera will be stuck on the rail behind the gate again this time out and will likely be making noise again in the stretch. She can continue her trend of hitting the ticket.

**#3 WINDSUN MOJITO** went a long way on the engine on January 6th but faded in the stretch to finish sixth under the wire as the 4/5 favorite. She crawled home in 31 seconds in that contest but managed to go all the way on the lead on December 30th when racing off the bench after being out of action for eight months. This daughter of Hes Watching has had a week off between starts and can rebound in a big way this evening. She might be able to land a decent spot off the switch and cannot be excluded from the bottom end of the exotics.

## Race 7 Selections

## THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#4 CAPTAINS PICK** returns to the races for his sophomore campaign after getting shutout in a pair of tries at the age of two and could not have looked any better in his qualifier on January 2nd. He made every call a winning one in that morning prep and stopped the clock in 1:58.1 off a back-half in 57.3. This son of Captaintreacherous was under a snug hold to Sylvain Filion when pacing home in 28 seconds flat and fits in nicely with this group when returning from a hiatus of more than five months. He will work from a favorable spot on the gate and has our top honors.

**#6 BLAKESAGENT** was at a pace disadvantage in his latest when making his first attempt over the big track and was more than nine lengths in arrears of winner The Will To Play at the finish in sixth. He paced his final panel in 27.1 off a back-half in 56 seconds flat and had not raced in more than two weeks going into that outing. This son of Roll With Joe completed a four-race win-streak when scoring by open lengths for this barn in his first start in Ontario on December 7th but has only managed to pick up one cheque in three tries since then. He might get activated sooner in the mile this time around and will be one of our main players underneath.

**#1 CALL ME IT** was a \$140,000 yearling purchase at the Lexington Select sale that will now be making the first start of his career for trainer Katarina Bosnjak. He is a half-brother to Jet Rock, who has 27 career victories and a bankroll of nearly \$300,000 after five years of racing. This son of Huntsville did not show much in a pair of qualifiers in the summer of last year but was a winner by a neck over the one below in his lone prep for this outing. He paced home in 28 seconds flat off a back-half in 58.2 in that effort and would not have to improve by much to be right in the mix in this spot.

**#7 GREYSTONE ADRIAN** is a homebred for A Jean Caddey that will be making his lifetime debut for conditioner Brent Belore. He is a half-brother Greystone Ladylike, who made more than \$500,000 in her career, and has a pair of other siblings that made over \$50,000 each. This son of Sunshine Beach just missed in his more recent qualifier when getting within a neck of the one above at the wire and banged home in 27.3 on the heels of back-half in 57.2 in that contest. He will likely be making noise in the late stages and can pick up a slice.

#### Race 8 Selections

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#1 BORN A DRAGON** did not have much of a chance last week when she got away last off the gate from post-nine and has been more than 15 lengths off the lead at the quarter pole in each of her last two in the class above this. She paced her back-half in 55.3 with a final quarter in 28 seconds flat in her most recent effort and advanced two positions in the stretch in a race that was dominated by This Girl Rules. This 20-time winner will now take a further drop down the class ladder to the bottom condition and only three starts removed from a third-place finish to Better Be Donna N in NW6000L5. She will start from the pole position after having the seven-hole or worse in each of her last three and was Travis Cullen's choice over her stablemate. Giving her the nod.

**#5 STONEBRIDGE DRAMA** went a big mile in her latest when she was stuck first-over for a long way before finishing a respectable third under the wire. She was just over two lengths away from winner McKella at the finish and was never able to get into contention two back after going back to last from the 10-hole in the class above this. This 28-time winner has hit the board in five of her eight efforts out of the barn of trainer Courtney Bishop and will start from the same starting spot that she had last time. She can be right there at the wire if she can negotiate an easier go of it.

**#6 ROCKINWITHCUSTARD** was sent to the early lead when dropping down to this level last week and was taken under a snug hold on the backside to release the one below. She was then relegated to the three-hole before being taken out of contention near the head of the stretch when that rival shortened stride rapidly in front of her. This 10-time winner ended up rounding out the superfecta at nearly 7-1 and might be less inclined to surrender the lead this time out. She will leave from a post position that won at a high rate last season and should be able to land somewhere on the ticket.

**#4 TAKEYOURBREATHAWAY** was handled aggressively last week when sent out in search of the lead from post-nine and had to work hard to get past our second selection before releasing the eventual winner McKella to the engine. She began to fade on the turn for home and was more than nine lengths away from that rival under the wire when holding on for a minor award in fifth. This 16-time winner has picked up a prize in each of her last four and turned in a solid effort in victory at Flamboro Downs on December 8th in NW1500L3. She will have Doug McNair back at the controls and can grab another share.

### Race 9 Selections

### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#4 NEED TO BREATHE** has absolutely dominated her competition in each of her last three in this class, winning by a combined margin of more than 11 lengths and finally got the respect she deserves last week when she went off as the 1/5 favorite. She went straight to the front from post-five in that contest and held a comfortable margin throughout before blasting home in 26.4 on the heels of a back-half in 55.2. This daughter of Riggins has raised her game to a whole new level in recent outings and has been a nice addition to the circuit for the barn of Jodie Cullen after hitting the board in eight of her first nine tries for that outfit. She has been way too good to even think about siding against but the price will likely be even smaller than last time.

**#6 DABARNDAGSWATCHIN** was handled conservatively last week when she got away fifth in a field of six and did not try to move forward until the turn for home when she was able to advance positions along the pylons. She was able to hold off the one below for the place spot at the wire but could never get anywhere near the one above, despite blasting home in 26.3 off a back-half in 55 seconds flat. This 15-time winner only missed a cheque on two occasions in 35 attempts last season and has been no worse than fourth in her last 16 overnight races, with seven straight on the board finishes. She enjoyed back-to-back victories at this level in December but will likely be left to battle it out to be the bridesmaid in this class for the foreseeable future.

**#1 SNOW SHARK** was spotted second-over in her latest and tore off her cover in the stretch to move into the show spot and did not miss out on the place spot by much at the wire when bearing down on the one above. She paced her back-half in 55.3 with a final quarter in 27 seconds flat and got her confidence back when winning two in row prior to that effort. This 21-time winner has been racing in her preferred style of making one big brush in the stretch and will likely hit the ticket again tonight if those tactics are deployed. She appears to be at the top of her game again and will have Ed Hensley back in the driver's seat.

**#3 SPORTY TORI** exits the same race as the three above and finished last of six in that contest after getting away in that position off the gate from the outermost post. She had hit the board in her two previous attempts at this level and was the runner-up to our top selection on December 30th when pacing her own mile in 1:53.4 over a track that was graded two seconds off. This 29-time winner was victorious in back-to-back efforts in December when racing in the middle condition ranks and might be closer to the action tonight when leaving out from post-three. She is worth using on the bottom end of the trifecta and super.

#### Race 10 Selections

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#4 HP RUNNING MASS** was parked out in the first-over position for a long way in his latest at Flamboro Downs in NW1695L3 and faded back to fifth under the wire at odds of 3/2. He claimed the show spot two back in that class over that half-mile surface and rounded out the superfecta at this level at Mohawk Park before that. This son of Muscle Mass has moved back to the care of Jean Tourigny since his most recent effort and had success for that conditioner when he began his career under his tutelage back in 2021. He will also be reunited with driver Louis-Philippe Roy and might take a big step back in the right direction.

**#5 MIDNIGHT MIRACLE** has returned north of the border after a four-race stint at Yonkers and was shutout in those contests when unable to finish better than sixth in those contests. She was a bombs-away winner at 33-1 in her second start out of the barn of Jeff Gillis back in October and followed that up with a pair of runner-up finishes, including one in NW10500L5 on October 24th. This daughter of Muscle Mass has earned a cheque in each of her last 10 over this surface but has not raced in over a month. She might need a start to get reacquainted to her surroundings but should not be taken lightly.

**#2 PUBLICITY SEEKER** was on a clear lead entering the stretch last week in this class but faded back to third at the finish when getting picked up by both Tymal Tarot and Morally Flexible. He was just another step or two away from losing another position at the wire but had not raced in more than a month prior to that outing. This 10-time winner will now make his second start back in the barn of Stephen Bossence and he notched seven victories for that conditioner in his first two seasons of racing. He should benefit from getting back on a regular rotation and should get every chance to land somewhere on the ticket.

**#9 CREATINE STAR** got away in the early two-hole in his latest before stepping around the early leader to the front on the backside and then got relegated to the three-hole when two rivals quickly trotted past him. He immediately moved back to the outside to make a first-over bid but faded back to fifth after being used several times in the mile. This son of Creatine will get another crack at this class after hitting the board twice in his last four at the level above this and will have Sylvain Filion in the driver's seat for the first time. He would likely appreciate a softer journey than he had last time and is worth using on the bottom end of the exotics.

#### Race 11 Selections

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#2 SUNSHINEATTHEBEACH** was trapped behind horses for much of the stretch drive and burst through with pace when able to split rivals after it was too late. She was steadily closing the gap to This Girl Rules before the wire and was a diminishing two lengths away from that rival after pacing home in 28 seconds off a back-half in 57 seconds flat. This 18-time winner disappointed as the favorite in that contest but can get redemption this evening with a clean trip. She has been in good order for trainer Gabby Sasso as of late and has our top billing in the nightcap.

**#3 MAJESTIC VIRGIN** exits the same race as the one above and claimed the show spot in that contest at odds of 16-1 after being spotted in the second-over position on the bend for home. She has been fourth or better in her two tries since returning from the bench and will race on a regular rotation for the second consecutive start after missing more than two months of action. This 16-time winner has proven she can be competitive in much tougher spots than this in the past and will be one of our main players underneath.

**#1 MACH MY KISS** made up ground in the late stages to finish fourth in the class above this on January 13th and now returns to the level where she won two in a row before that. She scored on the front-end when she got things her own way two back and was lucky to get room along the pylons one week prior when getting up by half a length at the wire. This 14-time winner has been no worse than fourth in her last seven overall but has always been a trip dependent type. She will work from the pole position and can hit the ticket.

**#6 LITTLEBEARCAT** advanced two positions before the wire when moving up to this level last week and was claimed back for \$20,000 in that contest by top trainer Richard Moreau. She had hit the board in her two prior attempts for this outfit and they were willing to pay a premium for her this time out after losing her for \$15,000 the last two times they raced her. This 15-time winner will be paired with Doug McNair for the first time in her career and will likely make her presence felt at some point in the mile. She cannot be excluded from the bottom end of the exotics.

**#9 WILDCAT DELIGHT** finished fifth in her latest after getting away seventh off the gate from post-seven and might have been a winner two back if she had gotten enough room along the pylons in the stretch. She continues to have horrible luck at the post draw with another outside starting spot but has managed to hit the board in four of her last six overall. This 20-time winner will have to avoid a taxing journey this evening but can play a major role if the trip somehow works out. She can pick up a decent chunk.

## CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2020 earnings
3 year olds	50%		25% on 2020 earnings
			50% on 2019 earnings
4 year olds	25%		25% on 2019 earnings

## ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

### C.P.M.A. Regulation Changes

Effective January 1<sup>st</sup> 2012  
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

#### Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1<sup>st</sup> leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

## EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: [cpmawebacpm@agr.gc.ca](mailto:cpmawebacpm@agr.gc.ca)

## RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

### GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: [cpmawebacpm@agr.gc.ca](mailto:cpmawebacpm@agr.gc.ca). A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

### ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

### DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

### EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated. The above stated pools on races that have an entry (i.e. 1 & 1A and/or 2 & 2B) will not offer a wager combining both halves of the same betting interest. Example: If the same betting interest finishes first and second in an Exacta wager, the Exacta payout will be on first and third.

### JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1<sup>st</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup>.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

### PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

### PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

### PICK 3, PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

### REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, change boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

### COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

### FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

### LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

### ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

**WOODBINE/MOHAWK LIVE:** Win, Place & Show: 13.65%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5 & Pick 5: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
