Betting Basics

Some essentials to get you started with making a wager.

How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- **3** Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: #4
- 5 Press/Tap the Bet Type: WIN
- 6 Press/Tap the Bet Amount: \$2
- 7 Press/Tap the Race Number: Race #6
- 8 Press Green "Make BET" button
- 9 Press/Tap the "Finish with Receipt" button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUU	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	UUUUUU	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	0 0 0 0 0 0 0	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	0	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

^{*} Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit ONTARIORACING.com

The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

Race 1 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#4 ADARE CASTLE will have an opportunity to make a clean sweep of the newly minted OSS Graduate Series after scoring in each of the first three legs and was a determined winner in her latest when got past a stubborn rival in the one below. She outsprinted that foe when sizzling home in 26.3 and managed to exact some revenge on the one that went past her for Super Final glory last October. This 17-time winner has converted as the odds-on choice in each of her last two after offering 9/5 in her aged debut on April 14th and will likely take the bulk of the support again when the chips are down this evening. She is hard to go against and gets the nod on top to kick off the card.

#2 MISCHEVIOUS ROSE was handled aggressively last week when she kept driving into the first turn from post-seven and got to the lead when the field straightened out on the backside. She held court on the engine until the one above collared her in deep stretch and has not been worse than fourth in each of her three outings so far at the age of four. This daughter of Muscle Mass has hit the board in 18 of her 27 career attempts and is quickly approaching \$450,000 in earnings. She has proven to be versatile in her racing style and can make her presence felt from any position in this compact field of six.

#5 SAFE CONDUCT got away in the three-hole in his latest and maintained that position to claim the show spot under the wire at odds of 13-1. He has been fourth or better in his last two after making a miscue at the start in his first start of his aged career. This son of Archangel brought his best when it mattered most at the end of the season last year when he captured the Super Final last October and might be able to come up with a similar performance this evening when the stakes are higher. He figures to be making noise in the stretch and should get every chance to hit the ticket.

#1 ESPLOSIONE had to settle for the bottom end of the superfecta last week after getting away fifth off the switch but was the runner-up to our top selection in each of two previous legs. He was a dominant winner in NW14000L5 on April 3rd when he scored by more than seven lengths in 1:54 flat and has hit the board in six of eight so far this season. This son of Kadabra might get activated sooner in the mile this time around and is more than capable of finishing on the bottom end of the exotics. He can grab a share.

Race 2 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#10 BAR DOWN JIM suffered interference on the first turn of the final of the Ontario Sired Spring Series and lost significant ground when he was bodychecked when rivals to his outside came together. He was then stuck on the outside and was parked-out for the entire mile before turning in a valiant effort to be third at 26-1. He has picked up a prize in all of his four tries so far as a three-year-old and was only beaten by three quarters of a length to longshot winner Northern Cardinal in his sophomore debut. This son of Big Jim has hit the board in eight of 10 in his career and should appreciate getting back down to NW1. He retains Sylvain Filion in the sulky but will have to overcome a tricky draw with post-10.

#1 COLD CREEK GUERERO gamely chased the odds-on favorite lkes Dream to the finish last week after sitting in a loose pocket behind that rival for the duration of the mile. He sprinted home in 26.3 on the heels of a back-half in 55.4 and was within half a length of that winner at the wire when settling for the place spot at odds of 10-1. This full-brother to Cold Creek Cabo enjoyed his best result in that effort since winning in his lifetime debut in his lifetime debut at Georgian Downs last July and will now make his third start back after being on hiatus for nearly eight months. He loses Sylvain Filion to the one above but picks up a familiar face with Jody Jamieson at the helm.

#4 BETTOR B SIRIUS has been second best in both of his tries as a sophomore and got nailed right on the money in his latest when Notorious Hanover clipped him by a nose at the wire. He managed to complete the exacta at 24-1 two back when getting within a length of a well-meant winner in Day Trader and has now hit the board in seven of his 12 career attempts. This son of Bettors Delight has only missed a cheque on two occasions over that span and should be in the mix again throughout when leaving from post-four. He can hit the ticket.

#2 ROYAL JK did not have much of a chance in his latest when he got away last off the gate from post-nine last week and was 17 lengths off the lead at the quarter pole. He made up significant ground before finishing sixth at 110-1 and paced his back-half in 55.2 with a final panel in 27.2. This son of Jk Endofanera will have Doug McNair aboard for the third time in his career and should appreciate sliding down to the inside of the gate for tonight's tilt. He should offer some value on the board and can spice up the bottom end of the exotics.

Race 3 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#6 COMMANDING OFFICER is the only one in the contest that has competed at this level or above in each of his last three and almost got within a length of So Much More at the finish last week when rounding out the superfecta at 16-1 in this class. He was never able to make his presence felt in the Free For All two back after trailing throughout while tepid fractions were set on the front-end and was the runner-up in three straight before that, including the final of the New Holland Pacing Series on April 1st. This 14-time winner has picked up a prize in five of his last six and has been racing well enough to get the better of this group. Giving him the edge.

#2 THE LONGEST YARD exits the same race as the one above and took serious wagering support in that contest when going off at 2-1 but faded back to sixth after setting the opening two panels in 26.2 and 55.3. He took that action after he demolished his competition the week before in NW14500L5 and was just two ticks off his lifetime mark in that victory when he stopped the clock in 1:50.4. This son of Rockin Image has earned a cheque in six of eight since relocating north of the border to this circuit to join the barn of trainer Carmen Auciello and will be reunited with top driver James MacDonald this evening. He might rebound in a big way and can be right there at the wire.

#7 WOODMERE STEALDEAL finished third at 41-1 last week in NW16900L5 in a race that was won by his stablemate Points North and was within four lengths of his other stable companion above two back when going off at 7/2 at that level. He has only walked away empty-handed twice in his last 28 starts overall and has hit the board 19 times over that span. This 28-time winner moves in a couple of spots on the gate this evening and has proven to be versatile in his racing style. He is among the main players and should not be taken lightly.

#3 SOMETIME SOMEWHERE has finished seventh in each of his last two and is just one for 13 so far this season but has managed to hit the board in six of those outings. He was last a winner in the top condition class on March 11th and has not been able to finish better than fourth since then after nearly three weeks of action. This 21-time winner has picked up a prize in 14 of his last 16 overall and might be called upon for more speed in the early going when working from a favorable spot on the gate tonight. He can pick up a decent chunk with a reasonable trip.

Race 4 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 SILVER LABEL has won two in a row and was hustled to the early lead from nine in both of those efforts before holding on at the wire to convert as an odds-on favorite. She most recently stopped the clock in 1:52.3 over a track that was two seconds off and did not race to her strength in her first start back off the layoff on April 14th when she raced from off the pace. This 14-time winner has now been second or better in 19 of her 25 lifetime tries and just under \$870,000 in earnings. She should be able to add to those totals this evening when sliding down towards the inside of the gate and can add an OSS Graduate Series title to her trophy case.

#2 INTOTHEMYSTICMOON has been the runner-up to the one above in each of the last two preliminary legs of this series and flew under the radar on the odds board two back when she went off at 28-1 but took all kinds of support last time as the 5/2 second choice. She took that action at the windows because she was kept cemented in the pocket behind the winner in the second round of this added-money event and was twisting and turning looking for room in the stretch before getting within three quarters of a length of that rival. This 11-time winner got every chance to get past that foe in her latest but was held off by a neck at the wire after they opened a margin of more than four lengths on the rest of their rivals. She has been moving closer in the direction of a victory but we will once again use her as our main player underneath.

#5 DEWITT FOR JOSIE made a first-over bid last week after being overland for much of the mile and faded back to sixth in the stretch but was less than a length away from the show spot at the finish. She rounded out the superfecta on April 21st at odds of 18-1 and was only beaten by three quarters of a length the week prior when finishing fifth at 32-1. This 10-time winner will start from the center of the gate when the chips are down in the final this evening and has proven she can be versatile in her racing style. She is still winless in 11 tries this season but has hit the board six times and might be able to add some value to the ticket.

#4 SPEAKER NANCY did not have much of a chance in her latest when she got away ninth off the gate from post-seven and was 11 lengths off the lead at the quarter pole. She found her best stride in deep stretch when she advanced to fifth before the wire and paced her back-half in 56 seconds flat with a final quarter in 26.4. This daughter of Artspeak won both of her first two starts as a sophomore and was an upset winner at nearly 12-1 in the opening round of this series on April 14th. She has a sneaky chance this evening and cannot be left out of the exotics.

Race 5 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 AMERICAN HISTORY had to wait for room in the stretch in the Preferred-2 last week after getting trapped in the pocket behind one that shortened stride in the late stages and was able to scoot up the cones in the dying strides to get within a head of winner So Much More. He paced home in 27.1 off a back-half in 55.4 over a track that was one second off and will now race back on a regular rotation this evening for the first time since February. This 37-time winner has not been the most consistent horse on the circuit over the last couple of seasons but should enjoy dropping down multiple levels, albeit this is a tough installment of this class. He will be reunited with Sylvain Filion with Doug McNair opting for the one below and should be brave coming into this. Giving him a slight edge on top.

#7 CENTURY HEINEKEN earned a minor award in fifth in his latest when dropping down to this level and also finished in that position three back when going postward in the Free For All at odds of nearly 19-1. He shared the show spot with Highlandbeachlover when they hit the wire together in a Preferred-2 in his first start back off the bench before that and should be ready to produce his best in here when making his fifth start back after a layoff of more than four months. This 11-time winner had victories in tougher spots than this last season and should not be taken lightly.

#2 MAPPOS LION exits the same race as the one above and was a length better than that rival at the wire when completing the superfecta at 7-1. He loomed as a major danger in second-over position on the bend for home but had to settle for fourth in a race that was won by Points North. This 22-time winner got a confidence boost on April 22nd when he went all the way on the lead from post-nine in NW8000L5 at 40 cents to the dollar and should benefit from now having a trio of outings under his feet after being on hiatus for nearly four months. He will leave from post-two for the second straight start and can land somewhere on

#4 BACKSTREET GAMBLER did not have any chance in his latest when he was taken back to eighth off the switch from post-seven and was more than 13 lengths off the lead at the quarter pole. He improved a couple of positions before the wire when pacing home in 26.4 on the heels of a back-half in 53.4 and had not raced in over a month going into that effort. This son of Betting Line had won two in a row at this level before briefly going on the shelf but will once again face a deeper field when coming right back in this class. He had hit the board in 11 straight prior to this latest and might be worth a look if the price is right.

Race 6 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 COLD CREEK QUESO was a lights-out winner in his latest when he pushed out for the lead from the rail and was in control for every step of the way before stopping the clock in 1:51.2 as the 1/5 favorite. He went an incredible mile two back when he outsprinted the one below in the stretch from the first-over position and blazed home in 25 flat off a back-half in 54 seconds. This son of Betterthancheddar got a well-deserved week off when he skipped the third leg of the series last week and has dominated in each of his last four outings in the OSS, dating back to a victory at the gold level on September 22nd of last year when he set his lifetime mark of 1:48.3. His development over the last few seasons is what the provincial program is all about and he should add a Graduate Series to his resume to go along with a Grassroots championship at two and his Super Final score as a sophomore. Top call.

#6 CAMARA MOMENT went all the way on the lead to convert as the 4/5 favorite last week but that victory did not come without controversy as he went inside pylons on the turn for home. His number stayed up after he was deemed to have only gone inside two consecutive cones and did not get lapped-on by the one below. This 12-time winner has hit the board in each of the preliminary rounds of this series and ended up three quarters of a length short of the one above when they matched strides for much of the stretch on April 22nd but even a 25.3 final panel could not hold that rival off. He will likely look to get forwardly placed from post-six and once again looks like a major player underneath.

#7 RON exits the same race as the one above and could not get past that foe when he popped the pocket on the final turn but would have been placed up to be the winner if he had gotten within a length of that winner under the wire. He has been the runner-up in each of his last two when getting forwardly placed off the gate and will likely try to step around rivals at the start tonight when leaving from the outermost post in the contest. This son of Sportswriter has hit the board in 15 of 26 since moving to the barn of trainer James Dean but his most notable finish over that span was when he locked down fourth in the North America Cup last June. He can hit the ticket but will have to avoid a taxing journey.

#4 KOLBY TWO STEP took a step forward last week when he claimed the show spot behind the two above and was within a pair of lengths of the victory at odds of 9-1. He earned a smaller share while finishing fifth in each of his prior two and should be ready to show his best in what will be his fourth start of his aged career. This other son of Betterthancheddar is hard to put ahead of our top three choices but is certainly capable of rounding out the trifecta or super. He will start from a favorable spot on the gate and can grab a share.

Race 7 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#4 VERDUN got away sixth off the gate in his sophomore debut last week and stayed on the pylons to get shuffled back a spot on the spin for home but then made strong gains along the cones in the lane to finish second. He lacked racing room for much of the stretch drive before getting within three quarters of a length of winner Brookdale Miki at the wire and paced home in 27.3 on the heels of a back-half in 55.3. This son of Bettors Delight has now hit the board in six of his nine lifetime tries and should benefit greatly from getting that effort under his feet. He should be chomping at the bit after his most recent effort and is our clear choice on top.

#6 BIG DREAM FELLA exits the same race as the one above and was used hard in the early stages of that contest when he tripped the quarter marker in 26.3. He was relegated to the three-hole before the final turn and held his own to the wire when rounding out the superfecta in fourth at 22-1. This son of Big Jim will now be making his third start back after a layoff of more than seven months and will be reunited with driver Sylvain Filion. He might benefit from getting a softer journey this time out and will be one of our main players underneath.

#1 IKES DREAM went all the way on the lead to break his maiden in NW5000L last week and had a healthy margin throughout that contest before fending off Cold Creek Guerero by half a length at the wire. He converted as the 1/5 favorite in his first start on the lasix program and has now hit the board in three of his four career attempts. This other son of Bettors Delight will step up in class to take on tougher rivals in NW15000L this evening but retains the driving services of Doug McNair. He will work from the pole position and should be in the mix throughout.

#2 STAYTHIRSTY DE VIE has been shut out in both of his outings as a three-year-old and most recently finished eighth at this level in a race that was won by Brue Hanover. He made up ground throughout the mile the week prior after getting away eighth from post-nine and paced his back-half in 55.2 with a final panel in 27 seconds flat on that occasion. This son of Stay Hungry might benefit from getting a week off between outings and got the nod from J-Mac over another in the contest. He is worth using on the bottom end of the trifecta and super.

BEST BET: #4 VERDUN

Race 8 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 MOMENT IS HERE was the runner-up to race-favorite Write Me A Rose last week when making the first start of his three-year-old season and followed the cover of that winner on the bend for home before claiming the place spot. He paced home in 27.3 off a back-half in 55.3 and finished third in back-to-back qualifying attempts when preparing for that return to the races. This son of All Bets Off went two for 11 as a rookie and banked over \$205,000 while hitting the board in seven of those outings. He should benefit from getting that effort under his belt and gets the edge on top.

#2 LAST BEACH was one we were fond of last week at nearly 6-1 and looked like he had all kinds of pace in the pocket but could not negotiate a clear path in the stretch when cemented on the pylons. He ended up finishing sixth of seven under the wire but will now come back on a regular rotation and will once again work from an inside starting spot after having the eight-hole or worse in his three prior efforts. This son of Somebeachsomewhere loses Doug McNair to the one below and picks up the driving services of Jonathan Drury for the first time in his career. He already has four top two finishes in this class and should not be underestimated.

#10 MATAI LOUIS N went a long way on the lead on April 22nd before getting caught by Hp Momentum by a neck at the wire and was a winner in his first two starts on the circuit after shipping overseas from New Zealand before that. He has been dead game in each of those efforts over this surface and will likely continue to demonstrate his tactical speed when shifting back to the outside of the gate with post-10 this evening. This son of Washington Vc has missed a week between starts but will still likely make his presence felt throughout. He got the nod from Doug McNair over two others in the contest and should get every chance to hit the ticket.

#3 HP MOMENTUM set hot fractions last week when tripping the opening three markers in 26.4, 54.4 and 1:23.1 over a track that was one second off before fading back to fourth under the wire. He had won two in a row at this level prior to that and will once again race for the optional claiming tag of \$50,000 in tonight's tilt. This son of Control The Moment was in a chasing position for each of those victories and paced home in identical final panels of 26.4 in both of those contests. He might revert back to that racing style this evening and is among the top contenders.

Race 9 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#2 SAULSBROOK VICTOR got back to the winner's circle on April 22nd when he went straight to the lead from post-six and held court on the engine through reasonable splits before powering home in 26.4 to score by more than a pair of lengths under the wire. He has won three of his last five in this class and has hit the board in 12 of his last 13 overall with a total of eight victories over that span. This 16-time winner is less than \$20,000 away from his total earnings for all of 2022 with \$143,520 already banked this year and shown a lot more tactical speed after being known as a closer in the early parts of his career. He will likely be pushing off the gate from post-two and has a big chance to repeat.

#3 WHEELS ON FIRE is putting together another strong campaign at the age of eight and has hit the board in all 10 of his appearances so far this season with over \$100,000 being added to his bankroll. He has had to settle for the place spot in each of his last two but was a determined winner three back when he got the better of the one above in the dying strides after sitting in the pocket for much of the mile. This 47-time winner might be able to work out a similar trip scenario this evening from post-three and is the logical choice to complete the exacta.

#1 SO MUCH MORE put another victory against the boys on her resume last week when she held on by a head in the Preferred-2 and has now won three of her last four. She scored as an overwhelming favorite in those two prior victories against her own kind but was a winner at this level on February 25th when she was just a tick off her lifetime mark when pacing her mile in 1:49.3. This 62-time winner has once again proclaimed her dominance as the Queen of Pacing in Canada and should be confident when taking a step up the class ladder against the opposite sex this evening. She will have rail control and can hit the ticket.

#5 NAUTICAL HANOVER was hammered down at the windows two back when being sent off as the 3/2 favorite and converted on that promise when he held on by a nose after going all the way on the engine in 1:50.4. He was then forgotten about on the odds board in his latest when he offered nearly 6-1 at post-time but was never a factor at any point in the mile. This son of Captaintreacherous has won four of his last six overall and was more than impressive when he completed a clean sweep of the New Holland Pacing Series. He should be utilized on the bottom end of exotics but it might be a good idea to monitor the tote board to best gauge his chances.

Race 10 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#9 NIGHTIME DANCER did not come forward with any authority off a second-over trip in the final of the Ontario Sired Spring Series on April 22nd and had to settle for the bottom spot of the superfecta in fourth at 6-1. He lost his cover just before the top of the stretch and could not find the gear he demonstrated the week prior when he paced into the place spot behind No Control with a final quarter in 26.2 after being first-over for a long way. This son of Sunshine Beach might benefit from getting a week off between outings after going big miles in each of his first three starts of his sophomore campaign and driver Jody Jamieson sticks with him over two others in the contest. He will have to overcome a tricky starting spot with post-nine but still gets our top honors when getting back to the overnight ranks.

#3 GANDOLF THE BLACK exits the same race as the one above and emerged with the place spot in that added-money event when getting within a pair of lengths of heavy-favorite No Control. He followed the cover of the one above in the third-over position for much of the journey and got past that rival with ease in the stretch. This son of Shadow Play has been second or better in each of his last four and has hit the board in eight of his 11 career attempts. He has returned to the races in good order for trainer Dominic Gladu and might be able to work some magic with the right kind of trip.

#4 NYTRO J was a strong winner in this class on April 22nd when he moved to the lead on the backside and then held a comfortable margin the rest of the way before holding his rivals at bay by a length as the 9/5 favorite. He took that support after he finished with vigor to get within three quarters of a length to Gentleonmymind one week prior and was shuffled back in that contest after blasting to the engine off the gate from post-eight. This son of Big Jim will be making his third start back after missing his entire four-year-old season and can continue to make progress for conditioner Jack Moiseyev. He is another that has been off for a week between outings but is among the main chances.

#8 GUNG HO was rushed to the lead off the switch from post-seven last week and then released the odds-on favorite Redwood Hanover to the front on the backside. He sat a pocket trip the rest of the way before pacing his own mile in 1:52.1 and was two lengths better than third-place finisher Profundo under the wire. This son of Captaintreacherous has three siblings that have earned more than \$350,000 and might take a step forward when making his second start back after a lengthy layoff. He loses Jody Jamieson to our top selection but picks up a suitable replacement in Louis-Philippe Roy.

Race 11 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 THE LEGEND HANOVER rebounded his way to the victory lane last week when he went all the way on the front-end to score by more than a length at the finish in 1:51.3. He once again drifted to the center of the track in the stretch drive before returning 6/5 as the second choice and went off at that inflated number after fading back to fourth in the late stages at 30 cents to the dollar the week before. This son of Somebeachsomewhere rhymed off four in a row before that by a combined margin of nearly 39 lengths and paced to his lifetime mark in his second try off the claim for high-percentage trainer Isaac Waxman when transitioning to the big track in this class on April 15th. He will have Doug McNair back at the controls for an encore performance and is hard to look past.

#3 DRAGON ENERGY sat in a loose pocket behind the one above for the duration of the mile in his latest and could only get within a pair of lengths of that rival at the finish, despite banging home in 26.4. He disappointed as the 6/5 favorite in that contest and the money will surely flow in the other direction tonight after the way things panned out last time. This 12-time winner has been second or better in six of his last seven overall and will now be making his second attempt off the claim for trainer Brett Lester. He will likely have to play second fiddle again this evening and can round out what will be a chalky exacta.

#2 DOC HOUSTON was one that we tried on top last week at 15-1 but was never in contention after getting away sixth off the gate and was 10 lengths off the lead at the quarter pole. He was still seven lengths in arrears to our top selection after pacing his back-half in 55 seconds flat with a final panel in 26.1 and might be closer to the action this time around when getting another chance in this class. This son of Sportswriter picks up the driving services of Sylvain Filion for the first time in his career and can make a better account of himself tonight. He can add some value to the bottom end of the exotics.

#6 JJ TOMMY had to settle for fourth last week after trying to make forward progress on the rim but could only get as far as third before losing a position again in the lane. He was the runner-up to our second choice two back in a race where our top selection shortened stride in the stretch and was a winner in each of his first three outings of the claim for trainer Jean-Francois Maguire. This son of Tabago Cays had hit the board in five straight going into his latest and should appreciate sliding in a couple of spots to the center of the gate for tonight's tilt. He can pick up a decent chunk with the right kind of trip.

Race 12 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 SINTRA has not raced in three months but is just one start removed from spending nine of his last 10 in the Preferred ranks and notched a victory at that level back on December 3rd when he split horses in the dying strides to get the better of So Much More. He returns to the races off a decent qualifier on April 28th and was put on hold for much of that mile before firing home in 26.3 to be third to Acapulco Sunburn with Anthony MacDonald in the bike. This 46-time winner will be reunited with brother James this evening and gets to come back in a soft spot in this NW8650L5. He will start from the pole position and can come out on top in this mandatory Hi-5 event.

#2 REAL WILLEY is another that should appreciate getting some class relief after going up against tougher competition in all of his last 16 and was a winner the last time he did not compete in the middle condition ranks on December 3rd when scored by a length in 1:54.1 over a track that was one second off. He has picked up a prize in 13 of his last 15 overall and will have Doug McNair back at the reins for tonight's tilt. This 18-time winner will likely flash his early speed from the inside of the gate and can be dangerous if he can get loose on the lead or can work out a pocket trip. He can be right there at the wire.

#12 NO PLAN INTENDED has been no worse than second in his last two tries in the Preferred at The Raceway in London and was fought off Ideal Perception by a nose in that class on April 24th. He turned in a gutsy performance in his latest before coming up a head short to Cheddar Bay at the wire and has earned a cheque in all five of his efforts so far this season. This 21-time winner returns to the class where he made up ground in the late stages to finish fifth on April 15th and will be reunited with Jody Jamieson in the sulky. He will have to overcome a difficult starting spot in the second-tier but cannot be left out of the exotic wagers.

#3 ARMOR SEELSTER has finished sixth in each of his last two in the class above this and earned a small share in the final of the New Holland Pacing Series before that. He is still winless in 12 attempts in 2023 but has managed to hit the board on four occasions and has only missed three cheques over that span. This son of Bettors Delight will get down to the lowest level that he has seen in a long time but will have to contend with several others that are dropping down in classification. He fits in nicely with this group and should get every chance to pick up a decent chunk.

#6 BEYOND BETTER blew up at 45 cents to the dollar last week when he made a break in stride and had taken all that support when moving up to this level after devastating his foes the week before in NW4000L5. He catapulted off his cover on that occasion before pacing away by nearly five lengths under the wire and stopped the clock in 1:51.4. This 17-time winner will get a chance at redemption tonight when once again leaving from the center of the gate but loses J-Mac to our top selection and will have Austin Sorrie calling the shots. He will provide an opportunity to take back some value for those that supported him last time but a lesser share might be more likely when racing off a miscue.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012 CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontar io Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L Denotes horses treated with Lasix.

(Z)

- Denotes horses treated with Lasix today who were not so treated for their last start.
 - Denotes horses treated with Lasix for their last start but not so treated today.

FEDERAL REGULATIONS AMENDMENT

In the unlikely event prices are posted based on an incorrect official order of finish, associations must stop paying those prices as soon as the error is discovered.

The corrected prices will then be calculated and paid, including the

correction of all account-based wagers. This change in the Regulations reflects existing standards in the United States.

PLEASE NOTE:

In the unlikely event that bets can not be combined into a host track's pools before the end of a race, Federal Regulations require that such bets must be refunded. Refunding bets at some sites can affect odds and payouts at the remaining sites.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: comawebacom@agr.gc.ca. A complete version of the CPMA regulations can be found at http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/ All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of parimutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same

person.
"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field. DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated. The above stated pools on races that have an entry (i.e. 1 & 1A and/or 2 & 2B) will not offer a wager combining both halves of the same betting interest. Example: If the same betting interest finishes first and second in an Exacta wager, the Exacta payout will be on first and third.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3th, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.
Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If

there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 3. PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched

horse may be cancelled

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website. The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before

the end of a race. CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend
