#### Types of bets

#### Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

#### **Exotic multiple-horse bets**

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUU	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	UUUUUU	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	0 $0$ $0$ $0$ $0$ $0$ $0$ $0$	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	0	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

<sup>\*</sup> Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit ONTARIORACING.com

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 1 Horse's number in the race
- 2 Horse's post position colour
- **3** Horse's colour, sex, age,sire (father), dam (mother), sire of the dam
- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)
- 7 Trainer information
- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

# 4

#### The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

#### Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

#### Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

#### Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

#### 3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time PLACE BETS on the FAVOURITE pay 53% of the time SHOW BETS on the FAVOURITE pay 67% of the time

\* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Campbellville. The Woodbine Mohawk Park Racetrack is located within the traditional Lands of the Mississaugas of the Credit of the Anishinaabek Peoples and the Haudenosaunee on whose traditional territory we are meeting. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Mohawk, our namesake, is one of the Haudenosaunee Nations. Kanyen'keha:ka (Mohawk) meaning "the People of the Flint".

Woodbine Mohawk Park is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly that offers a meaningful way of life for thousands of Ontario families.

#### **Race 1 Selections**

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#2 REIGNING JADE** disappointed as the even-money favorite last week and went a long way on the lead in that second round of this series before she faded back to third under the wire. She chopped out reasonable splits before pacing her mile in 1:52.4 but was two lengths in arrears to Odds On Platinum at the finish. This daughter of Captaintreacherous could not have looked any better in her lifetime debut nine days earlier and went coast-to-coast in that contest before stopping the clock in 1:52.2. She does not have to face either of the rivals that got the better of her last time out and can rebound in a big way when the chips are down against a compact field in the final this evening. Giving her the nod to kick off the card but expecting the shortest of prices.

#3 ELODIE HANOVER took support to the tune of 5/2 in the first leg of this event on July 25th and elected to stay on the cones in the three-hole on the spin for home in a race where the one above was a dominant winner on the engine. She initially looked for room on the inside of rivals in the lane but then angled off the back of the pocket-sitter before coming forward with some pace in the dying strides. This daughter of Betting Line had to settle for third under the wire but banged home in 26.4 on the heels of a back-half in 55.1. She has hit the board in all three of her lifetime tries so far and is one of three in the contest that have already tasted victory. Tyler Borth will be calling the shots for the first time and she looms as the main danger.

#4 STONEBRIDGE HALO got away eighth off the gate in her lifetime debut last week and was more than 16 lengths off the lead at the quarter pole before improving one position before the wire. She paced her back-half in 53.4 with a final quarter in 26.1 but was still six lengths behind our top selection when crossing the wire in seventh. This daughter of Captain Crunch was an easy winner in her final qualifier on July 21st and got the nod from driver Louis-Philippe Roy over the one above. She might take a significant step forward in this follow-up outing and can land somewhere on the ticket.

**#1 STAYING WITH EMILY** has picked up a minor award in each of the first two rounds of this series and most recently finished fourth at odds of 44-1. She managed to advance a couple of spots in that contest after getting away sixth off the switch and was nearly six lengths back our top selection two starts ago when getting sent off at a much smaller number on the board. This daughter of Stay Hungry found the winner's circle in the second start of her career when she bested a NW5000 event by stepping her mile in 1:53.2 and might be able to work out a favorable journey from the pole position. She will have Tyler Jones at the helm for the second straight start and can continue her trend of rounding out the superfecta.

#### Race 2 Selections

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 WHAT AN ANGEL was never a factor in the Stanley Dancer at the Meadowlands on July 15th and was beaten by a wide margin at 92-1 in that stakes contest that was won by Oh Well. His best result over the last few months was a third-place finish in his elimination for the Goodtimes on June 9th and he was able to negotiate a lesser share in the final of that prestigious event after getting forwardly placed at 75-1. This son of Archangel has been sent off at long odds in each of his last six when going up against tough competition and should appreciate making the transition to the OSS Grassroots for the first time in his career. He was last victorious in NW2 on April 27th when he stopped the clock in 1:54.4 and something similar to that effort might see him return to the winner's circle.

#6 NEW RULES was second-best to The Great Reset in the final of the Dream Of Glory at Hanover Raceway on August 5th. He sat a perfect two-hole trip behind that rival before getting within a length of victory at the finish and could not have been a more dominant winner in his elimination when he scored by more than five lengths and has hit the board in eight of his last nine overall. This son of Lookslikeachpndale will have the luxury of leaving from the winningest post at Mohawk Park and will likely flash his early foot off the switch. He is more than capable of taking this group gate-to-wire and figures to be right there at the wire.

#5 DOWEDEALINANDWHY is winless in seven with only one on the board finish at the age of three after having four top two finishes last season in as many starts and more than \$138,000 in earnings while primarily competing at the OSS Gold level. He has had issued starting on his gait as a sophomore and most recently made a break in stride in a lifetime non-winners condition on August 1st when he was sent off at odds of 12-1. This son of Wheeling N Dealin might benefit from getting in against softer competition at the Grassroots level and turned in a decent effort to be second to Forbidden Trade in a qualifier on August 12th. He might offer some value on the board and is not without a chance.

**#7 KINNDER THINKTWICE** converted as the 6/5 favorite in his latest in NW2 and scored by half a length in that contest after losing his cover on the final turn to become the first-over challenger. He methodically worked his way to the lead and then held off a late challenge from The Great Emotion and has been no worse than second in each of his last three. This other son of Wheeling N Dealin claimed the show spot to our second choice the last time he went postward at this level and was charted with broken equipment in that contest. He should be feeling good about himself coming into this and can pick up a decent chunk with a favorable journey.

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 LEGENDARY HANOVER is a perfect two-for-two to kick off this career and took down the first leg of this series with ease when he paced away from his rivals in the stretch before stopping the clock in 1:52.1. He was under tight lines to the wire in each of those efforts and offered a small return to his backers in both of those victories. This son of Huntsville is a half-brother to Linedrive Hanover and will pick up the driving services of Bob McClure when looking to make a clean sweep of the series this evening. He has done everything right so far and gets the edge over the one below.

#5 REMEMBER THE ALAMO unleashed an incredible late kick to win from an improbable spot in the second round of this event last week when making the first start of his career. He got away fifth off the gate and was more than 10 lengths off the lead at the quarter pole before pacing his back-half in 53.3 with final quarter speed of 25.2. This son of Captaintreacherous got up by a nose in the nick of time at odds of 12-1 and was the runner-up in both of his most recent qualifiers when preparing for that effort. He was a \$300,000 yearling purchase at Harrisburg and looms as the danger in a race that will likely come down to a two-horse affair. Phil Hudon picks up the steer.

#4 CUPID SHUFFLE had picked up a smaller share in both of the preliminary legs of this series and was only three quarters of a length away from the one above last week when having to settle for fourth at odds of 10-1. He was the early leader in the contest before getting relegated to the pocket on the backside and had every chance to run down the pacesetter in the stretch but never could get past that rival. This son of Sweet Lou has been put into play at the start of each of his last two but did uncork a nice late rally to be third in his lifetime debut after getting away sixth. He looks like a logical choice to complete the trifecta.

#3 MINETT exits the same race as the two above and finished fifth in that contest after getting away in the early two-hole from post-six. He had hit the board in each of his prior three efforts and was hammered down to 55 cents to the dollar in his lifetime debut but was no match for Do Better, who has remained undefeated through the first five starts of his career. This son of Always B Miki picks up the driving services of Trevor Henry and can be in the mix throughout. He can grab a share.

#### Race 4 Selections

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 BEYOND BETTER is one that we are willing to come right back to after he got up for the victory by a neck in NW9200L5 last week after getting away sixth off the switch. He was nearly 11 lengths off the lead at the quarter pole before pacing his back-half in 53.3 with a final panel in 26.3 and cruised past his rivals in the late stages under minimal urging. This 19-time winner will now take a step up the class ladder to NW14000L5 and has proven he can be more than competitive at this level in the past. He will have Louis-Philippe Roy back aboard for an encore performance and has repeat potential.

#6 SAULSBROOK VICTOR pushed out from the pole position in his latest and went a long way on the lead before getting picked up by Uncle Shank A in the dying strides. He fought gamely to the wire when he blasted home in 26.3 off a back-half in 54.3 and was clearly the best of the rest when finishing more than two lengths clear of Fabrizio N in third. This 16-time winner is just two starts removed from competing in the Free For All and has notched three victories at that level over the course of the season. He makes a slight step back up in competition but can be right there at the wire if he can build off his most recent outing.

#9 CODENAME CIGAR BOX has picked up a minor award in each of his last two and will get some class relief this evening after being just over three lengths back of Carbine in his latest, who has already come back to be a strong winner in the Free For All. He has picked up a cheque in 18 of his last 19 overall and was victorious at this level on June 3rd when he moved to the lead on the backside after getting away third off the gate. This 26-time winner has been hampered with post-nine for tonight's tilt but has more than enough tactical speed to get away in a favorable spot off the gate. He is among the chances and can hit the ticket.

**#7 NO FREE LUNCH** was only able to muster a sixth-place finish last week in NW25100 when he was sent off as the 5/2 favorite and was just over three lengths away from winner Powertrain at the finish when pacing his own mile in 1:49.2. He was more than 11 lengths off the lead at the quarter pole before stepping his back-half in 53 seconds flat with a final quarter in 26.2 and will step down another notch on the class ladder for the third consecutive start. This 12-time winner picks up Anthony MacDonald in the sulky and will likely make his presence felt at some point in the mile. He can pick up a decent chunk with the right kind of trip.

#### **Race 5 Selections**

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#2 BETTORHOLDONTIGHT** came from a long way off the pace to claim the show spot to heavy-favorite Leave It To Leo last week and was still more than four lengths in arrears to that rival under the wire when rounding out the trifecta at odds of 5-1. He got away eighth off the gate and was nearly 16 lengths off the lead at the quarter pole before pacing his back-half 54.3 with a final quarter in 27 seconds flat and went a similar journey the week prior before finishing sixth while losing a shoe. This son of Bettors Delight appeared to be on his way to victory three starts ago at his level when he made an untimely break in a stride and has hit the board in four of seven since moving to the barn of trainer Cliff Maguire. He should benefit from racing back on a regular rotation and is our clear choice on top.

**#5 BETTOR THAN PRIDE** was a strong winner in NW1 on August 1st when he scored by more than three lengths and offered 5-1 to his backers. He shaved more than three seconds off his lifetime mark when he paced his mile in 1:51.3 and was handled aggressively throughout that contest in what was his first attempt over the big track since December of last year. This son of Betterthancheddar will take a step upward in class this evening but can be more than competitive against this group if he can replicate his most recent effort. He will have Tyler Jones back aboard for an encore performance and can be right there at the finish.

**#9 CONTROL THE GOLD** came from a long way out of it last week to finish fourth to Leave It To Leo and completed the superfecta at odds of nearly 51-1. He had gotten away ninth off the switch from post-seven and was 18 lengths off the lead at the quarter pole before pacing his back-half in 54.2 with a final quarter in 26.4. This son of Control The Moment will be making his fourth start back after a layoff of more than eight months and will have Sylvain Filion calling the shots for the first time. He will have to overcome a tricky draw from the nine-hole but can land somewhere on the ticket if his trip is not too taxing.

**#1 BETTOR ON ICE** finished fourth at Grand River Raceway in a division of the Prospect Series in his latest and has had to settle for lesser shares in each of his last three when competing in the Ontario program. He reeled off three straight victories before that and went all the way on the lead in NW5000L here at Mohawk Park on June 20th. This son of All Bets Off has been second or better in four of his seven appearances since making the first start of his career back in May and does not look out of place against this group. He will be reunited with driver Louis-Philippe Roy and might be able to work out a cozy trip when working with rail control.

#### **Race 6 Selections**

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#1 RESOLVE TO WIN** made up ground in the late stages to finish fourth in the Dream Of Glory at Hanover Raceway on August 5th and was 17 lengths off the lead at the quarter pole after getting away sixth off the gate from post-six. He trotted his back-half in 56.4 with a final quarter in 28.4 and was a runner-up to The Hazelton in his elimination for that signature event. This son of Resolve has won each of his last two over this surface and trotted to his lifetime best clocking of 1:53.2 in an OSS Grassroots tilt at this venue on June 23rd. He has hit the board in 12 of his 16 career attempts and will have Tyler Borth in the driver's seat for the first time.

#3 DWS POINT MAN came up with a much better effort in his latest when he was second to Derf Hanover in an overnight affair but was then scratched out of his next scheduled start due to sickness and has missed more than three weeks of action coming into this. He had not hit the board in his four prior outings as a sophomore but enjoyed tremendous success at the age of two when he went five for 10 with over \$245,000 in earnings. This son of My Mvp appeared to have been trending back in the right direction but likely gives up a significant fitness advantage to the one above this evening. He looms as a danger and it is likely worth keeping an eye on his pre-race appearance.

**#2 BUSTING WITH PRIDE** is winless in 10 this season but has four runner-up finishes and has hit the board in 10 of his 19 lifetime tries. He did not have much of a chance in any of his last three when he was left with a lot of work to do after getting away eighth or worse off the gate from outside draws. This other son of Resolve claimed the show spot to The Hazelton in the previous installment of this season-long series and was beaten by less than a length in three of those second-place finishes as a sophomore. He will have Trevor Henry back in the bike for a second straight start and that teamster has guided him to all three of his career victories.

#5 STONEBRIDGE JASPER went all the way on the engine in NW2 at Georgian Downs last Sunday night and held on by a neck at the wire over Kickin Your Mass. He has picked up a prize in each of his last three since being acquired by his current connections and will be making his fourth try under the care of conditioner Brett Lester this evening. This son of Muscle Mass will start from the center of the gate and will have Tyler Jones at the reins this time out. He can pick up a piece with the right type of trip scenario.

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#2 COZ IM SPECIAL came from a long way off the pace to pick up a lesser share in the Gail Murray Invitational at Hanover Raceway last week. She went up against the boys in that contest and was nearly 14 lengths off the lead at the quarter pole before pacing her back-half in 57 seconds flat with a final panel in 28.4. This 13-time winner faced a similar situation two starts ago at this level in a race that was won by Ahoy and had no chance three back when she got into a traffic nightmare at Grand River Raceway before disappointing as the odds-on choice. She claimed the show spot in this class on July 14th and might be able to get past them all in the late stages this time around.

#5 CHIEFS DREAM GIRL stepped back up to this level in her latest and made a first-over bid in that contest before only getting beaten by three quarters of a length at the finish at odds of 5-1. She ended up getting past the pacesetter that was sent off as the 6/5 favorite but could not fend off a pair of closers to her outside in the final strides. This 10-time winner had a similar trip two weeks prior in the bottom condition and finished in the same position as the 4/5 choice of the betting public. She has not been able to crack the top two in 13 tries this season but might be able to change that tonight when racing back on a regular rotation.

#4 THE IDEAL HUNTRESS was never a factor after getting sent off at 21-1 in the class above this last week and will now drop back down to the level, where she will once again race for the optional claiming tag of \$20,000. She was plucked for that price by trainer Joe Pereira one week earlier and was second-best to Ahoy on that occasion when she completed the exacta at odds of 3-1. This 10-time winner has hit the board in seven of her last nine and has racked up three victories over that span. She should enjoy getting back down to more palatable rivals and will have Sylvain Filion at the helm for the second time in her career.

#7 CHELSIS CHOICE has walked away empty-handed in each of her last four but turned in a strong effort to be second to Sweet Amira in a lifetime non-winners condition on June 16th, where she paced her own mile in 1:50.4. She has been camera-shy over the last couple of seasons with just one victory from 37 attempts but has managed to hit the board 14 times over that span. This daughter of Big Jim will be reunited with driver Louis-Philippe Roy and has a pair of third-place finishes in the five times they have been matched together. She is worth using on the bottom end of the exotics.

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#4 THE GREAT RESET has not been headed in any of his last three and set hot fractions on the engine in the Dream Of Glory in his latest before holding on by three quarters of a length at the finish. He trotted to a new lifetime mark of 1:57 flat over that half-mile surface in one of Hanover Raceway's signature events and comes into this off a three-race win-streak on the B-tracks. This son of Resolve was a runner-up to Resolve To Win at this venue in the previous leg of this season-long series and has hit the board in 18 of his 25 lifetime tries. He has proven to be lightning quick off the switch and should be brimming with confidence. Giving him the edge.

#6 RICARDO has been third in each of his last two in NW2 and was just over a length away from Brace For Landing in his latest at odds of 6-1. He was beaten by a smaller margin to Delcrest Brent two back and was a strong winner in NW1 on July 13th. This other son of Resolve has hit the board in four of his seven career attempts and was a solid runner-up to Peso Hanover the last time that Sylvain Filion was aboard. He looms as a danger and can be right there at the wire.

#8 LITE THE CANDLES has made breaks in stride in each of his last two and self-destructed on the first turn in his latest before making up ground again to finish sixth at 5-1. He blew up as the odds-on choice in the slop the week prior and has since come back to qualify successfully on August 4th. This song of Muscle Mass went a long way on the lead in that morning prep before finishing third to Forbidden Trade but will have to overcome a tricky draw from post-nine. He was a dominant winner in the previous leg of the OSS Grassroots but has since not been on his best behavior.

**#1 LIKE CHAOS** rallied for third last Monday night in a lifetime non-winners condition and was just over a length away from race-favorite Saundra at the finish. He had to settle for minor awards in three of his previous four but swept through the City of London Series in May at Western Fair and is seven for 16 in the win-column as a sophomore. This son of Lookslikeachpndale has 10 on the board finishes over that span and looks primed for a big effort when coming back on just four days' rest tonight. He might be able to work out a favorable journey from the pole position and is worth a look if the price is right.

#### **Race 9 Selections**

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#7 CARBINE** was a much-the-best winner in this class last week when he went all the way on the lead from post-six and maintained a comfortable margin throughout before equalling his lifetime mark of 1:47.4. He offered a return of 5/2 to his backers and went off at a significantly higher price the week prior when he stopped the clock in 1:48.2 in NW20000L5. This 19-time winner has found his best form since returning north of the border to Mohawk Park and has also gotten along splendidly with driver Phil Hudon. He should be oozing confidence and looks like a prime candidate to triple-up.

#4 WARRAWEE VITAL exits the same race as the one above and was flat-footed off the gate in that contest before getting away fourth. He never looked comfortable at any point in the mile and did not have much pace to offer when he moved to the outside in the first-over position. This 22-time winner was beaten by more than 10 lengths when finishing fifth in a field of six but had not been worse than second in his previous four starts and battled Linedrive Hanover to the wire in both of his outings in July. He might rebound in a big way but is hard to put ahead of the one above off their most recent performances.

#6 MOMAS SON BYRNE was the runner-up to our top selection last week and got past the one below from the three-hole to round out the exacta at odds of nearly 6-1. He went coast-to-coast as the 8/5 favorite in a Preferred-2 one week earlier and got to the wire first at this level on June 3rd but was placed back to second for causing interference to a rival in the dying strides. This 15-time winner is racing at the top of his game for conditioner Carmen Auciello and will have the luxury of working from the winningest post at Mohawk Park. He should get every chance to land somewhere on the ticket.

**#5 POSEIDON SEELSTER** sat in a loose pocket behind our top choice in his latest and could not stay with that rival in the stretch. He lost a position to the one above in the final steps but has hit the board in each of his last five and will be reunited with his regular driver Bob McClure. This 13-time winner will likely flash his early foot from the center of the gate and cannot be excluded from the bottom end of the exotics. He can pick up a sizable slice with another favorable journey.

#### **Race 10 Selections**

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#5 SETTN A PRECEDENT did not have much of a chance in her latest when she got away ninth off the gate from post-nine in a race where Powered By Mach ran her rivals off their feet on the engine. She was nearly 15 lengths off the lead at the quarter pole and paced her back-half in 53.4 with a final quarter in 26.4 but could only improve one spot before the finish. This 17-time winner was a strong winner at this level two back when she scored off a pocket trip and paced her mile in 1:51.3 and had hit the board in three consecutive outings going into her most recent effort. She will be reunited with driver Austin Sorrie and will likely go back to being forwardly placed in tonight's tilt. The pick.

**#4 GIAS SURREAL** has claimed the show spot in each of her last two at this level but disappointed as the even-money favorite two starts ago after chopping out the first three panels on the front-end. She is winless though 18 starts so far this season but has managed to hit the board in seven of those efforts. This 31-time winner will be reunited with driver Bob McClure and will work from another favorable spot on the gate with post-four. She will also likely be given the green light off the switch and should make her presence felt throughout.

**#1 SHES GOT IT ALL** exits the same race as the two above and was another that was left with a lot of work to do when she got away eighth off the switch and was more than 12 lengths off the lead at the quarter pole. She paced her back-half in 53.3 with a final quarter in 26.2 and was a winner at this level two starts ago at odds of 11-1. This 11-time winner will have Tyler Borth back at the controls and should appreciate sliding down to the pole position after having the eight-hole last time out. She is among the top contenders and should not be left out of the exotics.

**#3 BETTER BE DONNA N** was sent to the front-end on the backside last week in NW9000L5 and maintained a lead into the stretch until her stablemate Flight Crew N came to call. She was less than a length away from that winner under the wire when stepping her own mile in 1:50.1 and has now been the runner-up in each of her last two. This 34-time winner has been turning in solid efforts as of late and has hit the board in three of her last four. She will take a step up the class ladder but has proven she can be more than competitive at this level in the past.

#### **Race 11 Selections**

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

**#7 REAL WILLEY** got situated in the two-hole off the gate from post-four in NW25100L5 last week and faded back to fifth before the wire in a race that was won by Powertrain. He has picked up a slice in three of his last five when taking on tougher competition and now drops back down to the level where he notched his lone victory of the season on June 19th. This 19-time winner went all the way on the engine on that occasion before stopping the clock in a new lifetime mark of 1:49.2 and while he is just one for 26 as an eight-year-old, he has hit the board 14 times this season. He will be reunited with driver Bob McClure and his tactical speed always puts him in the hunt. Giving him the edge.

**#3 MATAI LOUIS N** produced a valiant effort in defeat in his latest and was only picked up by a neck at the finish by Beyond Better after trying to go all the way on the blower. He set hot fractions in the opening three panels and has now missed by a slim margin in each of his last two. This son of Washington Vc appears to have turned a corner for trainer Carmen Auciello and will come right back in the same class, which is void of the one that bested him last time. He will probably be moving forward off the switch from post-three and will likely not go down without a fight.

**#5 THE GREEK FREAK** finished sixth in a field of seven in the other division of this class last week and has been shut out in both of his last two. He was third to Cadillac Bayama on July 22nd in NW15650L5 and is just four starts removed from going postward in the Free For All in back-to-back outings. This 11-time winner has hit the board in five of 12 this season and should appreciate getting another crack at this level tonight. He will have Jonathan Drury aboard for the second consecutive start and should get every chance to land somewhere on the ticket.

#9 DR JOE came from way off the pace to be victorious in NW4000L5 in his latest and stepped his way to a new lifetime mark of 1:50.3 in the process. He got away ninth off the gate in that contest before pacing his back-half in 54.4 with a final quarter in 27 seconds flat and offered nearly 5-1 to his backers. This 12-time winner should not mind starting from the outermost post in the contest and will once again be doing his best work in the late stages. He can work his way into picking up a piece.

#### Race 12 Selections

#### THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 EMMETTS BUDDY is one that we are willing to come back to after he got back to the winner's circle in NW9200L5 last week and was just one tick away from his career best clocking that was set about a month ago. He steps back up the class ladder to NW14000L5 but has been an impressive winner in two of his last four and has hit the board in 10 of 18 so far this season. This 12-time winner will have Tyler Borth calling the shots for the fourth consecutive start and will likely be put into play off the gate again tonight when working from a favorable draw with post-three. He has been in top form as of late and we are not willing to jump off his bandwagon. Giving him the nod in the nightcap.

#4 HIGHLANDBEACHLOVER got away fourth off the switch in NW25100L5 in his latest and stayed on the cones before fading back to seventh in the lane. He has walked away empty-handed in each of his last two when going up against tougher rivals and will now find middle ground in NW14000L5 after scoring in NW9400L5 three starts ago. This 27-time winner completed a two-race win-streak with that victory and scored by a head or less in each of those races where he got his picture taken. He should appreciate the class relief and figures to be in the mix throughout.

#7 HP MOMENTUM exits the same race as the one above and advanced to fourth in that contest at odds of 3-1 after getting away eighth off the gate from post-eight. He was more than 13 lengths off the lead at the quarter pole before pacing his back-half in 52.1 with a final panel in 25.4 and has blazed home in that time or quicker in all of his last five. This son of Control The Moment has only finished worse than fourth once in his last 14 overall and will likely be making all kinds of noise in the stretch drive again tonight. He will probably take significant support on the odds board and will likely land somewhere on the ticket.

#8 MAGICAL ARTHUR produced a decent effort to be fourth in the class below this last week and was within a couple of lengths of winner Beyond Better at the wire when completing the superfecta at odds of 16-1. He has been second or better in four of his last six and will now be making his second attempt under the care of conditioner Shawn Steacy. This son of Artspeak had not raced in more than a month going into his latest effort and should benefit from racing back on a regular rotation. He will have Bob McClure in the driver's seat for the first time and should not be dismissed.

#2 RON exits the same race as the one above and disappointed as the even-money favorite in that contest when he settled for the show spot by a neck. He got off the schneid the week before when he scored by a head with one final lunge before the wire in a lifetime non-winners condition and has now hit the board in each of his last five overall. This son of Sportswriter will work from another inside draw but faces a tougher group this time out when taking a step upwards in class. He can grab a share.

#### CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

# ALLOWANCES CLAIMING CONDITION RACES 2 year olds 100% 50% on 2023 earnings 25% on 2023 earnings 50% on 2022 earnings 50% on 2022 earnings 4 year olds 25% 25% on 2022 earnings

#### ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

#### C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes

with regards to the following pari-mutuel pools:

#### Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1<sup>st</sup> leg in the pool is cancelled or declared no contest
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded

#### **EXPLANATION OF THE LASIX PROGRAM**

After careful study and consultation with Ontar io Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L Denotes horses treated with Lasix.

(Z)

- Denotes horses treated with Lasix today who were not so treated for their last start.
  - Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

#### RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

#### GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel agr.gc.ca. A complete version of the CPMA Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawel regulations can be found at http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of parimutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

#### **ENTRIES AND MUTUEL FIELDS**

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same

person. "Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field. DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012

#### EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated

#### SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

#### JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1<sup>st</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup>

That Jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

#### PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

#### PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

#### PICK 3, PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3. Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website. The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded. COMMON POOL WAGERING (INTERTRACK BETTING)

#### In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before

the end of a race. CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website. FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

#### ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and

every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omis
