Betting Basics

Some essentials to get you started with making a wager.

How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- **3** Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: #4
- 5 Press/Tap the Bet Type: WIN
- 6 Press/Tap the Bet Amount: \$2
- 7 Press/Tap the Race Number: Race #6
- 8 Press Green "Make BET" button
- 9 Press/Tap the "Finish with Receipt" button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUU	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	UUUUUU	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	0 0 0 0 0 0 0 0	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	0	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

^{*} Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit ONTARIORACING.com

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 7 Trainer information

The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

The Woodbine Mohawk Park Racetrack is located within the traditional Lands of the Mississaugas of the Credit of the Anishinaabek Peoples and the Haudenosaunee on whose traditional territory we are meeting. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Mohawk, our namesake, is one of the Haudenosaunee Nations. Kanyen'keha:ka (Mohawk) meaning "the People of the Flint".

Woodbine Mohawk Park is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly that offers a meaningful way of life for thousands of Ontario families.

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#5 TALL DARK LADY is a homebred for James Avritt that will be sent out for her lifetime debut by trainer Gregg McNair after being scratched out of an OSS Gold event due to sickness on July 16th. She is a half-sister to Tall Dark Stranger (19, \$2,365,549, 1:47.1) and a full-sibling to Total Stranger (3, \$152,588, 1:49). This daughter of Bettors Delight went a long way on the lead in her lone morning prep on July 5th but was hauled down by Duchess Deo in the dying strides, who has since finished second in both of her first two career attempts. She will start from the center of the gate in this NW1 event and gets the nod on top in the opener.

#3 NIGHT DANCER got away fifth off the gate in an OSS Grassroots event at Kawartha Downs and was shuffled back to seventh on the backside before finding a seam in the stretch to finish third. She rounded out the trifecta at odds of 9-1 and appeared to have pace when racing up on the heels of a rival in deep stretch. This daughter of Dancin Lou stepped her own mile in 1:55.3 and dropped more than three seconds from her lifetime debut where she was fourth in a division of the Prospect Series. She will have Jody Jamieson calling the shots for the first time when getting on the big track and looks threatening.

#7 MAI TIDE was spotted second-over in an OSS Grassroots tilt here at Mohawk Park in the first start of her career on July 9th but was unable to advance from that spot and lost a couple of positions before finishing seventh under the wire. She was only beaten by a head in her most recent qualifier on June 21st and paced her own mile in 1:55.4 with a 27.1 kicker in a race that was topped by Barb Lahey. This daughter of McWicked will have Bob McClure at the controls this time around and he opted to drive her over Wicked Spark. She can take a step forward and can land somewhere on the ticket.

#1 STONE SAWYER has been fourth in all three of her career attempts so far and was nearly five lengths in arrears from winner Tricky McWicky in an OSS Grassroots affair at Kawartha Downs in her latest. She was in deep waters against the likes of Chantilly 10 nights earlier here at Mohawk Park while competing in the first leg of that season-long series and was beaten by a wide margin at this level in her lifetime debut in a contest that was topped by Wickedpace. This other daughter of McWicked will be reunited with driver Travis Cullen and might be able to navigate a favorable journey from the pole position. She can grab a share.

Race 2 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 THE TIME MACHINE did not have much of a chance in his lifetime debut when he got away eighth off the gate and was more than 15 lengths off the lead at the quarter pole. He was stacked-up on fourth-over cover on the swing for home and improved a couple of spots to be sixth after he trotted home in 28.2 off a back-half in 57.2. This son of Green Manalishi S was third in his qualifier one week earlier when trotting his final panel two ticks quicker and can benefit from getting some real race experience under his belt. He must overcome a tricky draw from post-eight but gets the edge on top in what appears to be a wide open dash.

#9 DARKNESS COOKS outran his odds at 36-1 when he managed to lock down the show spot in NW1 event on July 18th after being sent to the early lead from the dreaded 10-hole. He was just over two lengths in arrears from winner Royal Life and his connections thought enough of him to give him a try at the OSS Gold level before that. This other son of Green Manalishi S has been trending in the right direction for the hot barn of trainer Blake MacIntosh and should not mind making the transition to the Grassroots. He continues to draw poorly with his third consecutive nine-hole or worse but merits respect off his latest.

#2 BANK ON LUCAS exits the same race as the one above and sat fourth for much of that mile before trying to squeeze up the inside of rivals in the lane. He left the course when going inside a couple of pylons when room did not present itself and was placed back to seventh from sixth. This son of The Bank raced better than advertised in that contest and will have J-Mac aboard for a follow-up steer after that top teamster chose him over the one below. He is worth a look if the price is right.

#4 CENTURY LEGION broke stride before the start of a NW1 event on July 23rd and was distanced throughout at odds of 9-1. He has now made miscues in three of his four lifetime tries and disappointed as the 8/5 favorite in an OSS Grassroots affair in the only pari-mutuel race where he was able to mind his manners. This son of Trixton has done good work in the mornings and will have Anthony MacDonald at the helm this time around, who guided him to a second-place finish in a qualifier on July 5th. He is a risky proposition but is not without a chance if he stays on the trot.

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#5 HAY DAD dug himself a deep hole when making his lifetime debut in an OSS Grassroots tilt on July 12th and was more than 18 lengths off the lead at the quarter pole after going on the gallop behind the gate. He made a big recovery to be second and was four lengths in arrears to winner Day. This son of Muscle Mass trotted his back-half in 55.4 with a final panel in 27.1 over a track that was one second off and will have Bob McClure for a follow-up drive after trainer Mark Etsell called his own number in both of his qualifiers. He will once again start from the center of the gate and might be tough to beat if he minds his manners.

#7 P L SPENCER gutted-out a victory last week in NW1 and rebuffed the challenge of Tregaron in the lane before scoring by three quarters of a length at the wire. He stopped the clock in 1:57.2 with a 27.4 kicker and returned 2-1 to his backers after he blew up as the even-money favorite in the first leg of the OSS Grassroots. This son of Resolve has gotten around this surface two seconds quicker than any of his rivals in this dash and will likely once again have his gas pedal pressed off the switch from post-seven. He looms as the obvious danger and merits respect.

#6 GUCCI GUCCI GOO tracked Go Blue from a loose pocket in NW1 on July 12th and maintained his position in the stretch when he was unable to get near the winner. He clung to the place spot over the one below at the finish and completed the exacta as the definitive second choice in the betting at 2-1. This son of Green Manalishi S will have the luxury of leaving from post-six and will likely get forwardly placed in what will be his third career appearance. He can be in the mix throughout and should not be left out of the exotics.

#9 LITTLE ARROW just missed getting past the one above for second in his lifetime debut when competing in the opening round of this season-long series. He blasted home in 27.4 on the heels of a back-half in 58 seconds flat and then got hammered down to 8/5 favoritism in a follow-up try in NW1 but got an overland trip before making a break in stride. This son of Wheeling N Dealin must overcome the outermost post in the contest but might be able to rebound with a better result. He should offer an opportunity to take back value for those that supported him last time and should not be ignored in the underneath positions.

Race 4 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 SMILING DANCER was an impressive winner at Grand River Raceway in a Prospect Series event on July 19th and blew by Grin And Win in the lane, who has since come back to produce a 1:53.2 score in this class. He blasted home in 27.1 on the heels of a back-half in 57 seconds flat and had no chance 11 nights earlier in his lifetime debut when he was taken back to seventh off the switch. This son of Big Jim did well to be the runner-up to Dancininthefire on that occasion and will now try his luck on the big track for the first time. He will have leading driver James MacDonald at the reins for the first time and is our best bet of the card.

#5 ZANDER has hit the board in the OSS Grassroots in each of his first two career attempts and most recently tried a first-over move against heavy-favorite Crackshot before finishing within three lengths of that rival in third. He was the runner-up to the foe by a lesser margin when he sat a more favorable trip in the two-hole in the first start of his career on July 8th and will now have his first opportunity to go postward in NW1. This son of Dali was an impressive winner in his lone qualifier over his surface back in early July and should appreciate moving in a few spots on the gate to post-five. He figures to take support at the windows and will likely make his presence felt throughout.

#4 HIDE THE WICK exits the same race as the one above and was left with a lot of work to do in that lifetime debut after he was taken back to eighth off the gate from post-seven. He was more than 14 lengths off the lead at the quarter pole and stepped his back-half in 55 seconds with final panel speed of 27 flat. This son of McWicked managed to get up alongside our second choice at the wire and rounded out the superfecta in fourth at 37-1. He can benefit from getting that real race experience under his belt and should not be taken lightly.

#9 IMA PERFECT CHOICE has had to take on difficult opponents in each of his first two career attempts and was most recently sixth to Allstar Maniac in NW1 last week after being gapped to that rival's cover on the bend for home. He was more than four lengths in arrears from the winner at the wire after pacing home in 26.4 and had not raced in over a month going into that effort. This son of Courtly Choice ws fourth to Power Code in his lifetime debut on June 21st and that foe has since taken down a couple of divisions of the NJSS at the Meadowlands. He must overcome a tricky draw from post-nine but is worth utilizing in the exotics.

BEST BET: #8 SMILING DANCER

Race 5 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#6 WELLS FARGO is one that we are willing to come back to after we tried her in her lifetime debut at odds of 4-1 but she faded back to sixth in the stretch after making a move to the lead in the middle stages. She did not offer any resistance when her rivals came to call but caught our eye in a qualifier 11 days earlier when she looked strong while finishing third on the back of a foe. This daughter of Muscle Mass came home in 28 flat or better in each of her two morning preps and will have the luxury of leaving from post-six this time around. She is a full-sister to Snowpiercer (10, \$305,361. 1:53.4) and a half-sibling to Killer Instinct (39, \$431,174, 1:53.1) and we hope she can rebound with a better performance this evening.

#3 ROYAL SAUCE was sent to the lead at the midway marker of a OSS Grassroots affair on July 16th and held court into the stretch before getting picked up by odds-on favorite Foxy Amee. She was just a length in arrears to that rival when she completed the exacta at odds of 3-1 and dropped more than a second off her mile time from two weeks earlier when making the first start of her career. This other daughter of Muscle Mass will once again leave from a favorable draw with post-three and might prove tough to catch if she deploys the same tactic. She is an obvious threat and figures to take support on the tote board.

#8 RICH GIRL has hit the board in each of her last two and only missed by a neck to Cheeky Lass in the first leg of the OSS Grassroots in her latest. She went a long way on the lead in NW1 before that and was only half a length away from victory as the 8/5 favorite when getting picked up by both Entertain Me and Stovid. This daughter of Wheeling N Dealin has progressed nicely through her three lifetime tries for trainer John Pentland and got the nod from Bob McClure over our fourth choice. She will likely flash her early foot from post-eight and is among the main chances.

#7 ANGELIC was a \$55,000 yearling purchase at the Lexington Select sale that will now be making the first start of her career for trainer Chantal Mitchell. She is the second foal out of Southwind Alice, who had 15 wins and more than \$110,000 in earnings in 98 lifetime appearances. This daughter of Archangel got jammed-up behind rivals in her lone qualifier on July 19th and raced better than advertised when finishing fourth in 2:00.1. She will probably offer a sizable number on the board and is worth keeping an eye on.

Race 6 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#9 IVY LYNN was the easiest kind of winner on July 23rd whe she trotted away from her rivals in the stretch and scored by nearly six lengths when she tripped the timer in 1:57 flat as the 7/5 favorite. She was unable to deliver at 80 cents to the dollar the week before when she missed by three quarters of a length to Sister Sara in the opening round of this season-long series and was wearing trotting hopples for the first time in that effort after she made a miscue on July 5th. This daughter of Green Manalishi S has been second or better in three of her four career attempts and it might only be the nine-hole standing in her way of doubling-up this evening. She will likely have the wagering tilted heavily in her direction and is hard to go against.

#5 SHOW ME THE GREEN rallied to be third in her lifetime debut in an OSS Grassroots tilt on July 16th and completed the trifecta behind Sister Sara and the one above at odds of 16-1. She made one miscue in her three morning preps that preceded that effort and has come home in 28.3 or quicker in her last three charted lines over this surface. This other daughter of Green Manalishi S will slide in a few spots on the gate to post-five and might try to make her presence felt sooner in the mile this time around. She will be one of our main players underneath.

#4 TRICKY TRISH made a break in stride in the first start of her career on July 5th but still managed to trot home in 28.3 off a back-half in 57.3 on a track that was one second off. She then had an adventurous journey before having to settle for a minor award in fifth at 33-1 in an OSS Grassroots tilt on July 16th but comes into this off a vet scratch due to sickness. This daughter of Trixton will move a few spots off the rail to the four-hole and will have driver Tyler Borth calling the shots for the first time. She can take a step forward after getting a flat line to her credit and is worth using on the ticket.

#7 MS KIRSI rallied for third after getting away seventh off the switch in an OSS Grassroots affair on July 16th and was seven lengths behind a heavily-backed winner in Foxy Amee. She rounded out the trifecta at odds of 23-1 but took more support in her lifetime debut 11 nights earlier when she jumped it off just after the start. This daughter of Muscle Mass can benefit from having a clean line under her belt and can pick up a decent chunk if she can work her way into the race from post-seven. She should not be left off the bottom end of the trifecta and super.

Race 7 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 SISTER SARA popped the pocket on the spin for home in an OSS Grassroots event on July 16th and thundered away to a clear lead in the lane, where she kept the odds-on choice Ivy Lynn at bay by just under a length. She picked up a smaller share in the Tompkins-Geers nearly three weeks earlier and was third in her lifetime debut on June 21st. This daughter of Green Manalishi S has been getting along well with driver Doug McNair and has enough early foot to get forwardly placed from the outermost post in the contest. She should be confident coming into this and has repeat potential.

#2 CHEEKY LASS held on by a neck in her division of the OSS Grassroots on July 16th and blew up the tote board at nearly 20-1 in the process. She followed the live cover of Wells Fargo on the backside and then swept past that rival for the lead at the top of the stretch. This daughter of Muscle Mass stopped the clock in 1:59.1 with a 28.2 kicker and was a solid second to Grand Reserve in her qualifier before that. She will slide down to the inside of the gate with post-two and can be right there at the finish.

#6 CORE RESOLVE exits the same race as the one above and secured the early pocket in that dash but elected to stay on the cones and then got shuffled back to seventh before being stuck behind rivals in the early part of the stretch drive. She had to settle for a minor award in fifth after she stepped home in 28.1 off a back-half in 58 seconds flat and finished one spot better in her lifetime debut 11 days prior when trainer Matt Bax called his own number in the bike. This daughter of Resolve will have J-Mac aboard for a follow-up steer and will likely be handled more aggressively this time around. She cannot be dismissed.

#5 JS SHESREALSPECIAL stayed flat for a fourth-place finish in the first leg of the OSS Grassroots when she added trotting hopples to her wardrobe on July 16th. She was three lengths away from our top choice at the wire and completed the superfecta at odds of 25-1. This other daughter of Muscle Mass made a break in stride in her lifetime debut before that and will have Tyler Borth at the helm for a follow-up try after Doug McNair opted for our top pick.

Race 8 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#2 FLEETWOOD MAC was left with a lot of work to do in his lifetime debut when he got away eighth off the gate from post-eight and was more than 17 lengths off the lead at the midway marker. He only improved one spot before the finish but was placed up to sixth after he stepped home in 28.1 on the heels of a back-half in 57.2. This son of Green Manalishi S made a break in stride in each of his first two qualifiers and has managed to stay flat since the addition of trotting hopples. He slides down to the inside of the gate with post-two and is one of our top plays of the evening.

#10 WENDELL BLUE CHIP has picked up lesser shares in each of his first two career attempts and was most recently fourth to P L Spencer in NW1 last week. He moved to the outside on the final turn and got within three lengths of that well-meant winner when he stepped his own mile in 1:58 flat. This other son of Green Manalishi S will have Doug McNair aboard for a follow-up steer but must overcome the dreaded 10-hole. He fits in nicely with this group and merits respect.

#8 GRAVENHURST disappointed as the 8/5 favorite in NW1 on July 18th after was sent to the lead on the backside and trotted his own middle-half in 59 seconds flat. He took that support on the tote board after he claimed the show spot in the OSS Gold ranks nine nights earlier and has not been worse than fourth in any of his three career attempts. This son of Muscle Mass should appreciate making the transition to the Grassroots and has already demonstrated versatility in his racing style. He will likely make his presence felt at some point in the mile and is among the top contenders.

#3 THE GOVERNOR rallied for third when making his lifetime debut in the first leg of this season-long series and a long way back in sixth in the early stages of that mile when more than 12 lengths off the pace at the quarter pole. He trotted his back-half in 56.3 with a final panel in 27.3 and can benefit from getting that real race experience under his belt. This other son of Muscle Mass will work from another favorable spot on the gate with post-three and will likely be making noise when it matters most. He can pick up a slice.

SPOT PLAY: #2 FLEETWOOD MAC

Race 9 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 BIG MACH N was a lights-out winner in back-to-back efforts at Dresden Raceway and scored by a combined margin of 11 lengths in those \$8,000 claiming events. He was snagged back for \$8,000 by trainer Garry Merner in his most recent effort and was victorious off the claim for this barn in a preliminary leg of a Pop-Up Series on June 11th. This 40-time winner has hit the board in 81 of his 160 career attempts and will be reunited with driver Sylvain Filion. He might try to take this field all the way on the engine from post-three and gets our top honors.

#4 SUNSHINE LOVE was third at this level last week after he got away fifth off the gate from post-three and completed the trifecta behind Heresthatmanagain and the one below at odds of 9-1. He was victorious two starts ago at Georgian Downs at just 10 cents to the dollar and has hit the board in five straight since getting claimed by trainer Rene Bourassa. This son of Sunshine Beach has been in good order as of late and was Jody Jamieson's choice over our third selection. He can be right there at the finish.

#8 BRING YOUR FIRE exits the same race as the one above and was sent to the early lead from post-eight in that dash before getting covered up by a short-priced winner in Heresthatmanagain. He rode along in the two-hole the rest of the way and got within three quarters of a length of that rival when he rounded out the exacta at 26-1. This son of Bettors Delight is just three for 63 in his career but has hit the board 17 times over that span and overcame this same tricky starting spot in his latest. He will have Trevor Henry back between the wheels and figures to get every chance to land somewhere on the ticket.

#5 WISK KEY K faced an uphill battle last week when he got away ninth off the gate from post-nine in this class and was more than 14 lengths off the lead at the opening marker. He improved to sixth before the wire when he stepped his back-half in 56 seconds flat and his final quarter in 28.1. This 26-time winner will be discounted by \$1,000 for tonight's tilt and that helped him get down to the center of the gate after having the eighth-hole or worse in each of his last two. He picks up the driving services of Travis Cullen and might try to get forwardly placed this time around.

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 HERESTHATMANAGAIN went most of the way on the engine last week in the claiming handicap class below this and held on by nearly a length over Bring Your Fire to convert as the even-money favorite. He stopped the clock in 1:52.3 and has now won two of his three starts since returning from a lengthy layoff in early July. This 15-time winner has not missed the board in any of those attempts under the care of conditioner Rene Bourassa and will now move up a level while having his price tag hiked by \$5,000. He will likely be in search of the lead in the early stages again tonight and has our call to repeat in the finale. Tyler Borth picks up the steer.

#2 JJ XAVIER got away fourth off the gate from the trailing post in NW3000L3 at Grand River Raceway on July 15th and made a move to the outside in the middle stages but ended up getting beaten by a wide margin in last. He had not raced in more than three weeks going into that effort and will now transition to the claiming ranks when getting back on the big track. This 13-time winner carried the optional tag of \$30,000 in the last three times he was offered for a price and should much prefer the company he keeps when racing for \$14,000 this time around. He was Louis-Philippe Roy's choice over the one above and can be more than competitive against this group.

#1 MACH IMPACT was the runner-up to Mr Beast last week in this class, albeit he was seven lengths in arrears to that foe at the wire. He paced his own mile in 1:52.3 and has now hit the board in two of his last three. This 42-time winner has hit the board in 106 of his 201 lifetime tries and is just over \$12,000 away from \$400,000 in earnings. He might be able to work out a favorable journey from the pole position and can hit the ticket.

#8 LETS GET ROCKED has changed hands after each of his last two and will now race off the claim for trainer Cameron McQueen after he grabbed him out of his most recent effort for \$16,000. He made a break in stride in the stretch of that dash and was only able to beat one rival when securing a minor award in fifth. This 10-time winner has been second or better in two of his last four and was the runner-up in his only previous outing for this barn in April. He will have Sylvain Filion calling the shots for the first time and is worth a look if the price is right.

#7 CAPTAIN FIREBALL has been seventh or worse in three of his last four but has a second-place finish to Maintenance Man scattered amongst those efforts. He will be making his second attempt under the care of conditioner Garry Merner after he took him for \$22,000 two starts ago and had that price tag raised to \$32,000 last week before finishing seventh against much tougher. This 23-time winner will now be offered for a deep discount and can produce a better result against this group. He picks up Tyler Jones in the sulky and might be a boom or bust type.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

ALLOWANCES CLAIMING CONDITION RACES 2 year olds 100% 50% on 2023 earnings 25% on 2023 earnings 50% on 2022 earnings 50% on 2022 earnings 4 year olds 25% 25% on 2022 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontar io Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L Denotes horses treated with Lasix.

(Z)

- Denotes horses treated with Lasix today who were not so treated for their last start.
 - Denotes horses treated with Lasix for their last start but not so treated today.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 3. PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded. COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.
