Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

1 Name of racetrack (choose from any track in the simulcast feeds)
2 Number of the race
3 Amount of your bet (e.g. $2)
4 Type of bet (see step 2)
5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, $2 to WIN on Horse #4

How to use a self-serve terminal:

1 Swipe your Cash Card/Insert Cash
2 Enter the initial PIN #1234 (then choose a new PIN)
3 Press/Tap the track you would like to bet: (defaults to current race)
4 Tap the Horse Number: **#4**
5 Press/Tap the Bet Type: **WIN**
6 Press/Tap the Bet Amount: **$2**
7 Press/Tap the Race Number: **Race #6**
8 Press Green **"Make BET"** button
9 Press/Tap the **"Finish with Receipt"** button
10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum $2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

1. Horse's number in the race
2. Horse's post position colour
3. Horse's colour, sex, age,sire (father), dam (mother), sire of the dam
4. Morning line odds
5. Horse's name
6. Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)
7. Trainer information
8. Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
9. Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds
Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a $2 win prize
To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add $2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	$3.00	$6.00	$9.00	$12.00	$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember
WIN BETS on the **FAVOURITE** pay 32% of the time
PLACE BETS on the **FAVOURITE** pay 53% of the time
SHOW BETS on the **FAVOURITE** pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Campbellville. The Woodbine Mohawk Park Racetrack is located within the traditional Lands of the Mississaugas of the Credit of the Anishinaabek Peoples and the Haudenosaunee on whose traditional territory we are meeting. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Mohawk, our namesake, is one of the Haudenosaunee Nations. Kanyen'keha:ka (Mohawk) meaning "the People of the Flint".

Woodbine Mohawk Park is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly that offers a meaningful way of life for thousands of Ontario families.

Race 1 Selections **THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#6 WHEELS ON FIRE got away seventh off the gate in the class above this last week and was more than 10 lengths off the lead at the midway marker before pacing his back-half in 53 seconds flat with a final panel in 26.4. He made up ground in the late stages to earn a minor award in fifth and has picked up a prize in each of his last three at that level. This 49-time winner drops down to the spot where he was last victorious on August 10th and scored from the first-over position on that occasion in 1:51.1. He will have the luxury of leaving from post-six and figures to be handled more aggressively this time out. Doug McNair stays aboard and we are giving him the edge to kick off the card.

#1 HP LIS SHADOW has won two in a row in the top claiming handicap class on the circuit and most recently walloped his rivals by seven lengths when he tripped the timer in a new lifetime mark of 1:48.4. He has won three of his last five and will once again race off the claim for Garry Merner after that conditioner shelled out $5,000 more than what he lost him for on September 2nd. This 16-time winner lit the lamp in the class below this on August 12th and has only mustered one smaller share in three tries at this level but should be brimming with confidence. He will have J-Mac at the helm for the third straight start and looms as a danger.

#9 COLD CREEK QUESO moved to the lead on the backside last week after getting away third off the switch from the pole position and then maintained a comfortable margin the rest of the way before stopping the clock in 1:51.2 as the 2-1 favorite. He tipped his hand to that effort when he came from off the pace to be fifth the week prior and will now be making his third start back after a hiatus of more than two months. This 16-time winner is just one for 12 this season but has hit the board five times and should be feeling good about himself coming into this. He must overcome a tricky spot on the gate from post-nine this time out but is not without a chance.

#4 LIVINTHEBEACHLIFE has spent his last 17 tries against tougher competition and most recently had no chance when he got away ninth off the gate from post-nine in NW18250L5 at odds of 82-1. He has gone off at a big number on the odds board in each of his last four and his last two victories both came when he got down to similar spots. This 22-time winner should appreciate leaving from a favorable starting position after having the seven-hole or worse in each of his last three and will surely be activated much sooner in the mile this time around. He is just three for 35 in the win-column this year but has 15 on the board finishes.

Race 2 Selections **THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#1 LOGAN PARK finished fourth in the MGM International Trot at Yonkers on September 7th and was seven lengths away from race winning odds-on favorite Jiggy Jog S when he completed the superfecta at odds of 10-1 over that added distance. He went a huge trip in the Maple Leaf Trot here at Mohawk Park before that and took a lot of heat on the lead in that signature stakes event before having to settle for third to the late legs of Periculum. This 31-time winner is six-for-nine over this surface this season and has eight top-two finishes over that span. He looks set to make a triumphant return to his home track and is hard to look past.

#5 GAINES HANOVER delivered as the even-money favorite in the Preferred on September 9th and went most of the way on the engine in that contest before scoring by open lengths in 1:51. He took that support after he came from off the pace to secure a lesser share in the final of the Maple Leaf Trot nine nights earlier and will now once again have to face the likes of the one above this evening. This 11-time winner captured the installment of this race on NA Cup night at 7-1 in the middle of June and should be riding high off that latest victory. He will likely be making noise when it matters most and is our main player underneath.

#4 OSCEOLA was the runner-up to the one above in the Preferred in his latest and has only finished out of the top-two in three of his 11 appearances this season. He finished seventh in the Maple Leaf Trot two starts ago and notched his first victory in the Preferred ranks when he trotted to his lifetime mark of 1:51.4 on July 8th. This 10-time winner enjoyed a three-race win-streak in the Canadian Graduate Series earlier in the summer and captured the final for that added-money event with ease. He will be reunited with driver Trevor Henry and can hit the ticket.

#6 PEMBERTON has hit the board in each of his last five and was dominant in victory in NW9100L5 when racing off the bench on July 29th. He then missed another three weeks of action after he was scratched due to lameness on August 5th but then stepped his way to a new lifetime mark of 1:52 flat in the top condition class on August 26th. This 18-time winner claimed the show spot when moving up to the Preferred in his latest and does not look out of place against this group. He will start from the outermost post in the contest from post-six but is worth using on the bottom end of the trifecta and super.

Race 3 Selections **THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#9 KELLINA DIAMOND has been the runner-up in each of her last four and most recently rounded out the exacta to an odds-on favorite in Shes Got It All in NW9500L5. She transitions back to NW3 and was only three quarters of a length away from victory in this spot on September 6th when she was second to Singingintherain at odds of 23-1. This daughter of Betterthancheddar is making her fourth start off the claim for conditioner Carmen Auciello and has enough early foot to give herself options from an outside draw. She has been knocking at the door for her new connections and gets the edge on top at what will hopefully be a sizable number on the tote board.

#10 BLINDED BY DELIGHT exits the same race as the one above and had to settle for a smaller share in fifth in that contest after staying on the cones in the three-hole. She was surrounded by horses in deep stretch when just over two lengths away from the victor but went all the way on the engine from post-five at that level two back. This 10-time winner was only beaten by a nose to the one below at 40-1 in this class on August 16th and will likely face an uphill battle tonight from post-10. She is not an impossible result with some racing luck and is another that figures to be sent off at a big price in a race where we rather swing for the fences with maturity on the outside of the gate.

#3 LIGHTNING LIZZIE has been sixth in each of her last two when taking on stakes company but now gets back down to the class where won by a nose over the one below on August 16th as the 3/2 favorite. She has won two in a row when facing similar company and has not been worse than second in four attempts in condition classes in her career. This daughter of Betterthancheddar has hit the board in nine of her 13 lifetime tries and will slide down four spots on the gate to post-three. She will likely get forwardly placed and can make her presence felt throughout.

#1 SORCHA SEELSTER exits the same Grand Circuit event as the one above and sat an inside trip in that tilt before securing a lesser share in fifth under the wire. She was nearly three lengths behind that rival when finishing seventh at the OSS Gold level two outings ago and should appreciate getting back to a lifetime non-winners condition, where she has not lost by more than a neck in her last three. This daughter of All Bets Off only missed by a nose to the one above on August 16th and got her picture taken against similar foes six nights earlier. She will work from the pole position and should not be taken lightly.

Race 4 Selections **THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#3 BLOCKBUSTER TRADE has won four of his last six and most recently dominated his foes in a softer spot when he went all the way on the lead from post-five as a 2-1 favorite. He scored by more than three lengths in a new lifetime mark of 1:50.3 and will race back on a regular rotation after missing a week between starts going into his latest. This 21-time winner loses Trevor Henry to Southwind Sambucca and will have Bob McClure calling the shots for the first time. He must take on tougher rivals this time around but has our call to double-up.

#2 CODE CRACKER was right in the thick of the early action in a NW8300L5 tilt last week and faded back to sixth in the stretch at odds of 10-1. He was only beaten by a head to the one below after going a long way on the lead before that and had hit the board in five straight going into his most recent effort. This 14-time winner can benefit from sliding down to the inside of the gate and has proven to be versatile in his racing style. He can be in the mix throughout and can threaten with the right type of trip.

#6 HUNGRY MAN got up by a head over the one above after tracking that rival from a loose pocket on September 7th and prevailed as the 4/5 odds-on choice of the betting public. He has won two in a row as the favorite and has been forwardly placed in each of his last three. This 11-time winner will likely deploy similar tactics this evening when having the luxury of leaving from post-six and has hit the board in 11 of his 26 tries this season. He should be confident coming into this and extending his win-streak to three is not out of the question.

#4 ARTIES IDEAL has been second or better in each of his last three and has hit the board in six of his last seven overall. He was the runner-up to Woodmere Fenn in his latest and enjoyed back-to-back victories before that after he scored from way off the pace on August 26th. This 29-time winner will be reunited with leading driver James MacDonald and will work from post-four for the second straight start. He has 10 top-two finishes from 19 attempts this year and is not without a chance.

Race 5 Selections **THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#8 TAURASI was spotted second-over on the spin for home last week and angled off the cover of Redwood Hanover in the stretch before moving into the place spot at 2-1 before the wire. He was at a pace disadvantage in that dash where the one below was able to sneak up the cones from the pocket and he had no chance in the Canadian Pacing Derby two weeks earlier when he could not get away better than ninth from the trailing post. This 23-time winner has hit the board in each of his last 17 when racing in the top pacing class on this circuit and got his picture taken in 13 of those efforts. He will likely have his gas pedal pressed off the switch from post-eight and gets top billing.

#9 FORTIFY has won two in a row since making the trek to Ontario and most recently punched through along the inside of a tired pacesetter in Stockade Seelster to spark an upset at 10-1. He tripped the timer in a season's best 1:49.1 and has lit the lamp in four of his last five overall. This 26-time winner will be making his third start under the care of conditioner Rene Bourassa and will have Scott Zeron aboard for an encore performance. He shifts out a couple of spots on the gate to the outermost post in the contest but still merits respect.

#3 SAULSBROOK VICTOR got away fourth off the gate last week and stayed on the cones to get shuffled back to seventh by the time the field entered the stretch. He appeared to have pace when trying to find a seam but ended up behind a wall of horses before coming in ninth at the finish. This 24-time winner had not raced in more than two months going into that appearance but did blaze around the five-eighths of a mile surface of Grand River Raceway on the afternoon of September 4th in a qualifier. He was more than a second faster than that oval's track record when he stopped the clock in 1:49.1 and will have a post position advantage over the two above when he leaves from an inside draw.

#7 DRAGONONTHEBEACH exits the same race as the three above and did not have much of a chance in that dash when he got away last off the gate from post-nine at odds of 68-1. He was fourth or better in his previous four tries in the condition ranks before that and is just three starts removed from back-to-back victories in NW14750L5, albeit he was scratched due to sickness in between those two outings. This 15-time winner is hard to back for the lion's share of this Open event but should not be left off the bottom end of the trifecta and super. He might be able to spice things up in the underneath positions at a price.

Race 6 Selections **THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#4 DRAWN IMPRESSION has won three in a row on the Grand Circuit since getting back on her home turf at Mohawk Park and most recently held on by a head over our third choice in her elimination for the Elegantimage in a new career best clocking of 1:52.2. She scored by nearly a combined 10 lengths in her previous two victories and is now seven for 13 in her career, with 10 on the board finishes. This daughter of Muscle Hill produced a sparkling performance in the final of the Peaceful Way at the age of two but then jumped it off as the second choice in the betting in the Mohawk Million on this night last year. She should be brimming with confidence and is not one that we are willing to go against.

#6 EMOJI HANOVER completed the sweep of the two eliminations for the Elegantimage for her connections last week and scored by nearly two lengths when claiming a new lifetime mark of her own in 1:52.3. She made an untimely break in stride in the PASS Final five days earlier and faded back to ninth in the Simcoe three starts ago after getting an overland journey. This daughter of Greenshoe was more than six lengths in arrears to her stablemate above in the Casual Breeze on August 23rd and only got hauled down by a neck when getting used hard on the engine in the Continental Victory on Hambo Day. She will have J-Mac back between the wheels this evening and is our main player underneath.

#9 R MELINA released our top pick to the front in her latest and then tracked that rival from the pocket before getting within a head of her at the wire. She completed the exacta as the definitive second choice in the betting at 2-1 and would not be denied victory in either of her previous two in the NYSS. This daughter of Chapter Seven just went over $1M in lifetime earnings and is 14 for 24 in her career with 19 on the board finishes. She has been second or better in five of her last six but must avoid a taxing trip from post-nine. She will have Todd McCarthy back in the bike and looms as a danger.

#7 COOL MA BELLE was all the rage in her elimination last week when she got hammered down to 3/5 favoritism but blew up on the spin for home when she made a break in stride. She angled to the outside when trying to get on the cover of our second choice before making that miscue and could not have been more dominant in victory in NW3 when she wore trotting hopples for the first time the week prior. This daughter of Walner is just two for 15 this season but has the speed to go with these if she can mind her manners. She might bounce back in a big way and will offer an opportunity to take back value for those that supported her last time.

Race 7 Selections **THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#4 CAPTAIN OPTIMISTIC rebuffed the challenge of our fourth choice in the stretch drive of his elimination and then scored by a comfortable margin at 45 cents to the dollar when he paced his mile in 1:50.1. He was a tick quicker when stepping to his lifetime mark eight nights earlier in the New Jersey Classic at the Meadowlands and has only tasted defeat in one of his six career attempts. This son of Captainteacherous had not raced in nearly a month on that occasion when going postward in NW2 and was at a pace disadvantage when he disappointed at 10 cents to the dollar. He has shown he can be versatile in his racing style and has our top honors in this installment of the Metro Pace.

#5 FALLOUT sparked an upset at 7-1 when he followed the heavy-favorite Swingtown around the racetrack last week in his elimination and then blasted up the inside of that rival in the lane to win by more than two lengths at the finish. He tripped the beam in 1:49.3 and tasted victory for the first time since he got his picture taken at first asking at the Meadowlands in a division of the Kindergarten at the beginning of July. This other son of Captaintreacherous has picked up a prize in all seven of his lifetime tries and has hit the board in five of those appearances. He should be confident coming into this and looks threatening.

#6 PAPIS PISTOL kept driving to the lead off the gate from post-three in his latest and did not touch down on the lead until the field straightened-out on the backstretch. He was immediately overtaken by our top choice and appeared to still have pace in late stages when he angled off the helmet of the first-over challenger below. This son of Papi Rob Hanover claimed the show spot at 11-1 in the New Jersey Classic at the Meadowlands two starts ago and sparked an upset at 21-1 when he held that short-priced rival off at the wire the week before in NW2. He will have the luxury of leaving from post-six and should not be ruled out.

#2 PRINCE HAL HANOVER exits the same race as the one above and blasted off the wings of the gate from post-eight to seize early command in that tilt. He was relegated back to third on the backside before going back on the attack in the first-over position and briefly gave the favorite backers a scare at 16-1 before getting turned away in deep stretch. This colt did well to finish second and might be able to work out a cozier trip this time around when sliding down to the inside of the gate. He will have Todd McCarty aboard for a follow-up steer and can pick up a decent chunk.

Race 8 Selections **THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#2 CHANTILLY is a perfect six-for-six to begin her career and was a length better than her rivals in her elimination when she was just a tick off her lifetime mark after stopping the clock in 1:50.4 but was shut down in deep stretch. She has been untouchable every time she has stepped on the racetrack and has been sent off at 10 cents to the dollar or less in each of her last four. This daughter of Big Jim will be making her second start on the lasix program and she will likely make her way to the front in the early going from post-two. She is not one we are willing to side against and is our clear choice on top at what will certainly be the shortest of prices.

#5 CANT SEE ME was the other elimination winner last week after she got a perfect two-hole trip behind the one below, who was bet down to 6/5 favoritism. She tripped the timer in a career best 1:52.1 and blasted home in 26 seconds flat on the heels of a back-half in 54.2. This daughter of Captaintreacherous has won two in a row after going all the way on the engine in the Champlain on September 7th and has not been worse than second in any of her six lifetime tries. She appears to be peaking at the right time but the place spot is likely her ceiling when facing the one above.

#4 MY SWEET LILY went a long way on the engine as the race-favorite in her elimination but had no answers for the one above when she came to call in the stretch. She faded back to third in deep stretch but was second or better in her previous three tries when competing south of the border. This daughter of Sweet Lou won two in a row while competing in the New Jersey Classic at the Meadowlands and was strong in victory in the final on September 6th when she stepped her mile in 1:51.2. She was fortunate to get a favorable draw with post-four and can be in the mix throughout.

#10 COWGIRL HANOVER exits the same race as the two above and was moving well in the late stages of that contest after she moved to the outside from fourth on the swing for home. She was on the helmet of our second choice in the dying strides and paced her back-half in 53.4 with a final panel in 25.4. This daughter of Huntsville was the runner-up to her stablemate The Last Martini in the final of the NYSS at Yonkers one week earlier and might have been pegged higher in our rankings if not for the dreaded 10-hole. She has never finished worse than second in any of her nine career attempts and picks up Scott Zeron in the sulky.

Race 9 Selections **THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#4 HIGHLAND KISMET is a perfect two-for-two since dropping trotting hopples from his equipment card and most recently cruised to victory in his elimination for this prestigious stakes event after marching to the early lead from post-eight. He lowered his lifetime mark by a couple of ticks when he stopped the clock in 1:51.1 at 45 cents to the dollar and could not have raced any better in defeat when being the runner-up to Karl in the Hambletonian at the Meadowlands on August 3rd. This son of Father Patrick is seven for 11 with nine top-two finishes since making his lifetime debut at the age of three in early May and will get back down to a favorable spot on the gate with post-four. He will be tough to catch and has been racing too well to go against.

#1 PAQUET raced tremendous in defeat in the other elimination last week and was at a major pace disadvantage to that rival after he sat in fifth for much of the mile. He began a wide charge on the bend for home and gamely chased that favorite to the wire but came up a length short after banging home in 26.1 off a back-half in 53.4. This son of Muscle Mass was in a similar situation when he came from off the pace to be third to the one above in the Simcoe two starts ago and could not have won from a more improbable spot at Grand River Raceway in an OSS Gold affair on August 14th. He will work from the pole position and is worth a look at the right price if you want to play against one that will surely offer minimal returns.

#6 SIR PINOCCHIO has done a lot right this season when going nine for 14 with 13 top-two finishes and delivered at 35 cents to the dollar in his elimination when he got things his own way on the engine. He kept the one above at bay by a length in the dying strides and has now won four in a row, dating back to a NYSS score at Tioga Downs on August 11th. This 11-time winner took down both the MGM Yonkers Trot and the Dexter Cup at Freehold earlier in his sophomore campaign and will once again have the advantage of working from post-six. He is just under $9,000 shy of $800,000 in career earnings and can land somewhere on the ticket.

#2 SECURITY PROTECTED exits the same race as our top selection and was clearly the best of the rest in that elimination when he had a cushion of more than four lengths on the rest of his rivals. He gamely chased the winner to the wire before rounding out the exacta at 9-1 and was fourth to T C I just five days earlier in the final of the PASS at Pocono Downs. This other son of Father Patrick has hit the board in 14 of his 23 lifetime tries and will have Scott Zeron aboard for the fifth straight start. He can navigate a favorable trip from post-two and should be included on the bottom end of the exotics.

Race 10 Selections **THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#1 EMOTICON LEGACY was dominant in victory in the Champlain last week and was stacked-up in the third-over position on the final turn before unleashing a furious charge on the wide side in deep stretch. He blasted home in 27.1 on the heels of a back-half in 56 seconds flat and bounced back nicely from a fourth-place finish in the Wellwood nearly three weeks earlier. This son of Walner chopped-out the middle panels of that prestigious stakes event before getting beaten by more than nine lengths to the one below and that stands as his only defeat through four career attempts. He will work from the pole position when getting back on a regular rotation and gets top billing in the Mohawk Million.

#2 MARYLAND has won two in a row and scored by an expanding margin in each of those victories while taking down a pair of major stakes events in the Peter Haughton at Hoosier Park and the William Wellwood Memorial at this venue. He is now three-for-six in his career and his only off the board finish came when he made a break in stride in a division of the Kindergarten over a sloppy track at the Meadowlands on July 5th. This son of Chapter Seven trotted to his lifetime mark of 1:53.4 over this surface two back and figures to be brimming with confidence coming into this. He should appreciate starting from the inside of the gate this time around and can be right there at the finish.

#4 MONALISHI has won two in a row on the Grand Circuit and held on by a nose over the one below in a thrilling finish in the Champlain last time out. She went all the way on the lead on that occasion but came from off the pace to get up by half a length when she raced from off the pace on her way to capturing the Peaceful Way on August 24th. This daughter of Green Manalishi S has got her picture taken in five of her last six and has not been worse than second since making a break in stride as the 3/2 favorite in a division of the Thompkins-Geers in her lifetime debut. She is a perfect two-for-two with J-Mac calling the shots and is among the top contenders.

#6 LASTING DREAM has been second-best to the one above in each of her last two but only missed by a nose in her latest in the Champlain when that foe got things her own way on the front-end. She was spotted perfectly in the second-over position on the swing for home in the Peaceful Way but could not hold off that rival's late legs before getting past her cover in the form of R Dutchess in the lane. This daughter of Cantab Hall is one of four entrants for the combination of owner Determination and trainer Luc Blais and will have Bob McClure calling the shots for the first time. She should enjoy working from post-six for the third time in four starts and can pick up a sizable slice.

Race 11 Selections **THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#5 MIKI RAY was sent to the early lead from post-four last week and then released R J Ringo to the front on the backstretch before going back on the attack out of the pocket on the spin for home. He got within a neck of that rival in the lane but was turned away before the wire and had to settle for second as the 2-1 favorite. This son of Always B Miki will be making his third try back on this circuit after making seven starts stateside and faced much tougher rivals in the Simcoe when making his return to Canadian soil two starts ago. He will not have to worry about the one that beat him last time and figures to want to have open road ahead of him for much of the mile from post-five.

#2 FASNACHT HANOVER got up alongside the one above in the dying strides last week and was only three quarters of a length away from victory when he rounded out the trifecta in third at 3-1. He had a couple of difficult trips against tougher rivals in each of his previous two and is just three efforts removed from an impressive off the pace score in NW23750L on August 24th. This son of Stay Hungry will work from the inside of the gate for the fourth consecutive outing and will likely make his presence felt at some point in the mile.

#9 GANDALF THE BAY sat an inside trop for much of the mile after he got away third off the gate from the pole position in his latest and was surrounded by horses in the stretch before having to settle for sixth at 20-1. He went into that effort off a pair of dominant wins at Grand River Raceway and scored by a combined margin of more than eight lengths in those performances in NW2 and paced his way to a new lifetime mark of 1:52 flat on August 30th. He will have leading driver James MacDonald at the controls for the first time since February and has upset potential from the outermost post in the contest.

#4 WALLACE HARTLEY is two for 13 in the win-column so far in his career but has hit the board seven times and has only missed a couple of cheques when he took on impossible foes in the Somebeachsomewhere and an elimination for the NA Cup. He will be making his second attempt on the lasix program after picking up a lesser share in the same race that the three above exit and has a pair of top-three finishes in four tries at this level. This son of Lazarus N missed nearly a month of action going into his latest and can benefit from racing back on a regular schedule. He can pick up a piece.

Race 12 Selections **THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#10 HOW MUCH chopped-out the middle fractions in an OSS Grassroots tilt last week but faded back to fifth in the stretch as the slight second choice in the betting at even-money. She was not able to offer much resistance to our fourth choice before having to settle for a minor award but was an impressive winner two starts ago in NW3 when she stopped the clock in 1:51 flat at odds of 5/2. This daughter of All Bets Off is six for 18 this season after going one for 10 as a rookie and might be able to rebound in a big way from post-10. She should offer a much better number on the board this time around and we will give her a try on top.

#1 ONE MORE BET devastated her foes by nearly nine lengths in a stakes event at Trois-Rivières on September 8th and was hammered down to 1/9 favoritism in that dash. She got within three quarters of a length of the one above on August 30th when she had to settle for the place spot as the 2-1 favorite and has not missed the board in any of her last six overall. This other daughter of All Bets Off was third in an OSS Gold tilt on August 23rd and will likely be pushing out for position with rail control. She might take more support than we are willing to get behind but looms as an obvious danger.

#9 ANN was scratched out of the final preliminary leg of the Grassroots on September 13th but was spotted second-over on the bend for home in NW4000L5 on August 30th before cruising past her rivals in the stretch to score by nearly three lengths in 1:53 flat. She was a dominant front-end winner in the second leg of the OSS Grassroots on June 21st but that stands as her only on the board finish in three tries in this season-long series. This daughter of Hes Watching has enough early foot to have options off the gate from post-nine and does not look out of place against this group. She will have Tyler Borth in the bike for the first time and is worth keeping an eye on.

#6 BETTERWITHGLASSES has found her best stride again late into the season and has won two of her last four with three top-two finishes over that span. She released our top choice to the front in her latest before going back on the attack on the final turn and then kept her other rivals at bay in deep stretch when she held on by half a length at the wire. This daughter of Betterthancheddar got up by a head in NW2 three starts ago and raced well in defeat to Collusion Hanover at Hanover Raceway before that. She will have the luxury of leaving from post-six and figures to get forwardly placed off the gate.

Race 13 Selections **THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#10 CALICOJACK HANOVER was fourth to Nijinsky in the Simcoe on September 7th after he was sent to the early lead from post-nine. He released that rival on the backside but was relegated to third when that foe's stablemate got to the front before the final turn and did not miss out on the show spot by much when fighting hard against a pair of horses for a lesser spoils. This son of Captaintreacherous only missed by a head to the one below in this class on August 31st and would have had a better fate if he did not get stuck on the pylons in his first start back after a layoff of more than two months the week before that. He should be ready to produce his best and will have Louis-Philippe Roy back between the wheels but must overcome a dreadful draw from post-10.

#8 TROPHY TAKER exits the same Grand Circuit event as the one above and was beaten by a wide margin in that contest after he made a break in stride on the backstretch. He would not be denied the victory when he got up in the dying strides over the one above before that in this class and has five top-two finishes from 16 attempts as a sophomore. This son of All Bets Off will be reunited with leading driver James MacDonald and can bounce back with a better performance when getting back down to palatable company. He is one of our main players underneath.

#4 WIKIPEDIA was seventh in NW14000L5 on September 7th after he got away eighth off the gate from post-eight at 49-1 but was third to Nijinsky in an OSS Gold tilt more than three weeks earlier when he also raced from off the pace. He has claimed the show spot in four of his last and is just two efforts removed from rounding out the trifecta at 7/2 or higher in back-to-back appearances in this class. This son of McWicked is just three for 22 in his career but has hit the board 14 times over that span and might be able to work out a decent trip from post-four. He can hit the ticket.

#3 CHAIN GANG is another that competed in the Simcoe a couple of weeks ago but got away last off the gate from post-10 and was never able to make his presence felt at 145-1. He did not have any answers for Njinksy in the late stages of an OSS Gold event two starts ago when he chopped-out the first three fractions but enjoyed a three-race win-streak before that after he got a couple of months off. This son of Bettors Delight should appreciate getting back to the condition ranks and will likely be in the mix throughout when sliding back down to a favorable spot on the gate.

#6 LOUS WORLD was eighth in the same Grand Circuit event that the one above comes out of and had to leave from the trailing post in that affair that was dominated by Nijinsky and Legendary Hanover. He was beaten by 13 lengths in eighth but was third in a division of the PASS over the sloppy going at The Meadows the week prior and had not raced in nearly three weeks going into that effort. This son of Sweet Lou scored from an improbable spot in this class on August 3rd and merits consideration from post-six. He should not be ignored in what is a deep version of this classification in the finale.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.
Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.
The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a $20,000 claiming race carries an actual claiming price of $30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

ALLOWANCES

	CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2024 earnings
3 year olds	50%	25% on 2024 earnings 50% on 2023 earnings
4 year olds	25%	25% on 2023 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw $5,000 (FM $6,250) last 5 or $12,000 (FM $15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called"Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses.
Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.
All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L Denotes horses treated with Lasix.

Ⓛ Denotes horses treated with Lasix today who were not so treated for their last start.

Ⓛ Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 3, PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
