Betting Basics

Some essentials to get you started with making a wager.

How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- **3** Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: #4
- 5 Press/Tap the Bet Type: WIN
- 6 Press/Tap the Bet Amount: \$2
- 7 Press/Tap the Race Number: Race #6
- 8 Press Green "Make BET" button
- 9 Press/Tap the "Finish with Receipt" button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUU	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	UUUUUU	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	0 0 0 0 0 0 0 0	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	0	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

^{*} Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit ONTARIORACING.com

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 1 Horse's number in the race
- 2 Horse's post position colour
- **3** Horse's colour, sex, age,sire (father), dam (mother), sire of the dam
- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)
- 7 Trainer information
- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#9 OH BROTHER got away third off the gate from post-five last week and slipped to the outside in the second-over position on the bend for home before brushing past his rivals in the stretch. He trotted away to score by nearly three lengths at the finish and stopped the clock in 1:57.1 over a surface that was one second off. This son of Greenshoe has hit the board in three straight and has been getting along well with driver Trevor Henry. He must overcome a more difficult draw when shifting out to the nine-hole but should be confident coming into this and has our call to double-up in the opener.

#4 STEAMER was one we were fond of in his latest when he had to step up to this level and went a long way on the engine before giving way to the one above in the lane. He set honest fractions before getting leg weary in the late stages and was the best of the rest when he completed the exacta at 5-1. This son of Resolve won two in a row by a combined margin of more than eight lengths before that and will have Bob McClure aboard for a follow-up steer. He should be better acclimated to this level of competition and can be right there at the wire.

#7 MOUNDS FOR ALL rallied for fourth last week after he got away seventh off the switch but was nearly five lengths in arrears to our top pick at the finish. He rounded out the superfecta at odds of 47-1 and will now be making his third start back after a layoff of seven months. This son of Swan For All was passed over by James MacDonald for Perfect Angel and will have Jonathan Drury between the wheels for the third consecutive outing. He should be ready to show his best and is worth a look if the price is right.

#3 FABULOUS FREDDIE exits the same race as the three above and made a break in stride just after the start of that contest after taking support to the tune of 6-1. He was just one for 21 last season but has hit the board in 10 of his 29 career attempts. This son of Alarm Detector was the runner-up to Drebin at this level on December 20th but has had to settle for the bottom spot on the superfecta in five of his last eight overall. He will likely have a flat line as his top priority but can still grab a share.

Race 2 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#5 SHOOT THE WHISKEY was first-over for a long way last week after landing in the four-hole off the switch and did well to finish second to a dominant winner in Lyons Bettorday. She tipped her hand to that effort when she rallied for a minor award in fifth after getting away last off the gate from post-10 two starts ago and has hit the board in four of her last seven. This 29-time winner slides in another few spots on the gate and has proven to be versatile in her racing style. She does not have to worry about the one that bested her last time and gets our top honors against this group.

#3 CHIEFS DREAM GIRL was scratched due to injury when she was entered in the class above this on January 3rd and claimed the place spot at 18-1 in this class the week prior. She has been second or better in three of her last four but only made three trips to victory lane in 44 attempts in 2024. This 16-time winner had 17 top-three finishes over that span and fits in nicely with this group. She will likely make her presence felt at some point in the mile and looms as a major danger.

#1 WILDCAT STAR has not raced since November 29th after she was scratched due to sickness on December 14th but has not been worse than fourth in her last four at this level. She claimed the place spot to Caviar N Crackers on November 1st and could not have been more dominant in victory in a softer spot before that. This 11-time winner has lit the lamp in five of her nine tries with J-Mac in the sulky and might be able to navigate a cozy trip from the pole position. She can do damage against his bunch if she is ready to roll and is worth keeping an eye on.

#4 VIOLETS RAINBOW was just a length behind our top choice last week when she rounded out the trifecta at 35-1 but was ninth or worse in her previous two after dropping down to this class. She has picked up a prize in four of her last six since relocating north of the border to race under the care of conditioner Isaac Waxman and will have Jonathan Drury at the helm for a follow-up steer. This 20-time winner will have options off the gate from post-four and should be included in all of the exotic wagers.

Race 3 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 HOLLYWOOD DEO is a perfect three-for-three to begin his career and won by the slimmest of margins in each of his last two. He delivered as the favorite in both of those efforts and will now take another slight step upwards to NW2. This son of Captaintreacherous has not raced in nearly two weeks but should be oozing confidence coming into this. He will work from the pole position and gets the nod to remain undefeated.

#5 BEACH CRUISER has earned a minor award in three of his last four and was fifth in each of his last two tries at this level over that span. He was a long way back from a dominant winner in R J Ringo in his latest but just over a length away from Ulysses on December 21st. This son of Yankee Cruiser moves out one spot to the center of the gate and will have leading driver James MacDonald calling the shots for the first time. He looks threatening in this spot and the price might be right.

#4 PURELY WICKED returned to the winner's circle last week after going on the attack in the first-over position from the three-hole on the spin for home and converted as the even-money favorite when he paced away to a comfortable margin before the finish. He got his picture taken for the first time since his lifetime debut in the middle of February of last year and has been second or better in four of his last five since being away from the races for nearly eight months. He steps up another notch on the class ladder but fits in nicely with this group.

#3 BETTOR BE EARLY was never a factor in his latest after he got away fifth off the switch from post-two and was beaten by 17 lengths to a pumped-up R J Ringo when finishing seventh. He picked up a prize in 10 of his 11 tries before that and rounded out the trifecta at 19-1 in a contest that was topped by T H Boomtown on December 28th. This son of Bettors Delight is just one for 22 in his career but hit the board in nine of his 21 attempts last year. He starts from another inside draw after having back-to-back 10-holes at the end of December and will be reunited with driver Doug McNair, who piloted him to consecutive second-place finishes in the two previous times they were paired together.

Race 4 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 MOMAS SON BYRNE disappointed as the 5/2 favorite last week after making a first-over bid from third and was wide into the opening turn before he dropped into the three-hole. He faded back to sixth under the wire and has only mustered one lesser share in his last five overall. This 21-time winner moves out a spot on the gate to post-eight but should appreciate getting down to the bottom condition class. He made his way up to the Preferred ranks just under a year ago and this looks like a great spot to regain his confidence. Top call.

#7 HEAD HONCHO was moving well at the end of his mile last Monday night and improved to third at the finish after he banged home in 27.1 on the heels of a back-half in 55 seconds flat. He had not raced in nearly four months going into that effort and can take a step forward with that effort under his belt. This son of Control The Moment loses J-Mac to our fourth selection and will have Billy Davis at the reins for the first time. He has enough tactical speed to give himself options from post-seven and is among the top contenders.

#2 CONTROL HEAVEN was second-best to Mr Ibiza N on December 28th after he secured a two-hole trip behind that rival. He was not able to issue any sort of challenge in the lane but held his ground to the wire to round out the exacta at 2-1. This 17-time winner will get a third straight crack at this class and will likely once again push forward off the gate from the same inside draw he had last time out. He figures to make his presence felt throughout and can land somewhere on the ticket.

#1 BROOKDALE JOHNNY has been seventh or worse in his last two since returning to this circuit from the east coast and will now drop down to NW2500L5. He is making his third start out of the barn of trainer Tony Beaton and got the nod from top teamster James MacDonald over our second choice. This 12-time winner hit the board in 23 of his 39 attempts last year and might be able to navigate a cozy trip with rail control. He should not be left off the bottom end of the trifecta and super.

Race 5 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#7 KOLBY TWO STEP was the runner-up to Saulsbrook Ian last week and gamely chased that rival to the wire after being spotted in the second-over position on the final turn. He comes right back in this class after spending his previous five appearances in NW14000L5 or higher and should appreciate moving in a few spots on the gate after having to start from the dreaded 10-hole in his latest. This 12-time winner might try to get forwardly placed off the gate this time around and has been getting along well with driver Trevor Henry. He blew up the tote board at the level above this in late November and he can come out on top at a much shorter price this evening.

#2 SOMETIME SOMEWHERE has competed in higher classes in each of his last seven and managed to light the lamp at the level above this on November 9th. He stopped the clock in 1:50 flat on that occasion and now drops back down to the spot where he dominated his foes by four lengths on October 26th. This 32-time winner has not raced in almost a month after he was scratched due to lameness on December 28th but merits respect against this group. He will work from an inside draw and gets Brett MacDonald back between the wheels after Trevor Henry opted for the one above.

#8 TYGA HANOVER was first-over for a long way last week before having to settle for a smaller share in fifth and was shut out in each of his previous three before that. He is making his third start back in the barn of Garry Merner after that conditioner snagged him for \$50,000 on December 7th and has won seven of his 12 tries for this outfit. This 29-time winner will be reunited with leading driver James MacDonald and they got their picture taken in each of the last four times that they were paired together. He should appreciate dropping down a notch on the class ladder and has enough early foot to make his presence felt in the early going from post-eight.

#5 HESINCONTROL exits the same race as the one above and was never a factor in that contest after he got away fourth off the gate and stayed on the cones before ending up eighth under the wire. He gets back down to the class where he was third to Rockin N Talkin on December 23rd and only missed by a head to Woodmere Rollnpop one month before that. This 19-time winner has hit the board in seven of his last nine at this level and gets reunited with Bob McClure in the sulky. He will leave from the center of the gate for the fourth straight start and can help add some value to the exotics.

Race 6 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 LIVINTHEBEACHLIFE finished fifth of eight in the Preferred last week and rallied from seventh in that top class for pacers before securing a lesser share. He claimed the show spot in the top condition class before that and was fourth in back-to-back outings at this level in the middle of December. This 25-time winner completed a two-race win-streak earlier that month when he shared victory in a dead heat with Hp Lis Shadow and figures to be primed for a big effort when getting back to NW16250L5. He has enough tactical speed to give himself options off the gate from post-eight and should have a fitness advantage over the one below

#7 SAULSBROOK VICTOR was the last of seven to cross the wire in his latest when he competed in NW30250L5 and has now walked away empty-handed in each of his last five since sparking an upset from post-10 in the Preferred on October 26th. He won seven of 31 last season and hit the board 15 times over that span while adding \$181,660 to his bankroll. This 27-time winner is making his third attempt on the lasix program and has not gotten down this low on the class ladder at this venue in nearly a year. He can never be ruled out in these spots but will need to find more this evening to emerge victorious.

#3 WHEELS ON FIRE secured the two-hole behind Whichwaytothebeach last week when he stepped up to this level and then popped the pocket on the spin for home but was turned away by that rival. He faded back to third under the wire but has now hit the board in each of his last three. This 49-time winner moves in a spot on the gate to post-three and will be reunited with driver Doug McNair. He will likely be in the mix throughout and can hit the ticket.

#9 SOUTHSIDE EDDY exits the same race as the one above and got past that rival for the place spot in the dying strides to round out the exacta at 22-1. He won three in a row in softer spots before that at much shorter odds and scored by a combined margin of more than 15 lengths over those victories. This 16-time winner must overcome the outermost post in the contest this time around but has been racing at the top of his game for conditioner Carmen Auciello. He can pick up a decent chunk if he can avoid a taxing trip.

Race 7 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#6 BET THE BB has won each of his last two on the engine and held on by a head in both of those efforts. He has hit the board in six of his last seven since getting back on the big track and was second or better in five of those efforts. This 13-time winner gets another crack at this class and will have the luxury of leaving from post-six this time around. He should be brimming with confidence and looks like a prime candidate to triple-up.

#5 BETTHEBEACH YANKEE was the one that got within a head of the our top selection on January 4th and got a perfect pocket trip behind that rival before going on the attack in deep stretch. He competed in the Valedictory Series before that and could not make his presence felt in the final of that added-money event after he got away ninth off the switch from post-eight. This son of Betting Line has earned a cheque in nine of his last 10 and will have Trevor Henry aboard for a follow-up drive. He can be right there at the wire again tonight.

#7 SERGEANT SLAUGHTER was the first-over challenger last week and pestered our top choice through the middle fractions before having to settle for third at the finish. He completed the trifecta at 7-1 and has now claimed the show spot in all of his last three. This son of Big Jim has only missed one cheque in his last 12 since getting claimed for \$20,000 by conditioner Carmen Auciello and has lit the lamp on three occasions over that span. He figures to get every chance to land somewhere on the ticket again this evening.

#10 FASNACHT HANOVER exits the same race as the three above and was on the rim for part of that mile before finishing sixth at 5-1. He is making his third start since missing six weeks of action and can benefit from getting back on a regular rotation. This son of Stay Hungry delivered as the even-money favorite in this class on November 2nd and will be reunited with driver Doug McNair. He must overcome a dreadful draw from the 10-hole but has upset potential.

Race 8 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#6 BLAZING CRUISER converted as the odds-on choice last week and strided away by nearly two lengths in deep stretch to stop the clock in 1:57.4 on a track that was one second off. He tipped his hand to that effort when he finished strongly two starts ago and had to stickhandle his way through traffic in the stretch before getting within half a length of Admiral Deo at odds of 69-1. This son of Sweet Lou was one we were fond of in his lifetime debut on December 21st but was never able to make his presence felt in that dash after he caught our eye in a qualifier eight days earlier. He has progressed nicely through his three career attempts and can double-up from the winningest post on the circuit.

#7 STEELWHEEL HANOVER was second-best to a solid winner in Purely Wicked in his latest and was within a couple of lengths of that foe when he rounded out the exacta at nearly 10-1. He faded on the lead when stepping up this level the week prior but banged home in 27.3 when he got his picture taken for the first time on this circuit in NW1 on December 23rd. This son of All Bets Off has shown versatility in his racing style and will have options off the gate from post-seven. He is making his fifth attempt on lasix and retains Brett MacDonald in the bike.

#1 BETTERDEALMEIN moved three-wide on the final turn last week and then stepped past the pacesetter with ease in the lane on his way to a victory by almost two lengths. He delivered as the 9/5 favorite in that contest and tipped his hand to that effort when he closed from off the pace to be third at 23-1 on December 28th. This son of Bettors Delight has hit the board in seven of his eight lifetime tries and gets Travis Cullen back between the wheels for tonight's tilt. He is among the chances but might take more support than we are willing to get behind.

#8 DARRELL made every call a winning one from post-two at Flamboro Downs on Boxing Day and tripped the timer in 1:56.3 on that half-mile oval. He has been fourth or better in his last three since relocating to Ontario from the east coast to race out of the barn of trainer Doug Hie and will now try his luck on the larger track configuration of Mohawk Park for the first time. This son of Pang Shui has hit the board in 11 of his 18 career attempts and will once again have Phil Hudon at the helm. He should offer some value on the tote board and is not without a chance.

Race 9 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#4 WHATCHULOOKIN AT set legit fractions through the first three panels on a track that was one second off in his latest and faded back to third as the 9/5 favorite in a dash that was topped by Poseidon Seelster. He got up by a head two weeks prior when he stepped up to this level and has gotten his picture taken in three of his last five. This 13-time winner slides down three spots on the gate to post-four and can benefit from getting back on a regular rotation. He will have Trevor Henry aboard for a follow-up steer and gets top billing.

#3 NO CONTROL is an intriguing option when making his second start back after a lengthy layoff and likely needed his most recent effort when he trailed throughout last week in this class after being taken to the back of the pack off the gate. He has since moved to the barn of trainer Kyle Fellows and will have leading driver James MacDonald calling the shots for the first time under the lights. This son of Control The Moment was second or better in eight of his 13 attempts last season and was just over \$5,000 shy of \$250,000 in earnings. He can take a big step forward in this spot and looms as the main danger.

#2 PACINO HANOVER exits the same race as the two above and sat in the three-hole for much of the mile before getting past our top choice for the place spot in deep stretch. He has hit the board in five of his last seven and was last victorious in a middle condition class on December 21st. This 12-time winner moves in a few spots on the gate to post-two and might be able to navigate another favorable journey. He should not be left off the bottom end of the exotics.

#1 WHICHWAYTOTHEBEACH dominated his rivals on the front-end in NW17250L5 last week and scored by nearly four lengths when he tripped the beam in 1:52.3 on a surface that was one second off. He has only missed a cheque in one of his last 17 overall but had to settle for a lesser share in his last attempt at this level on December 21st. This 25-time winner will have Travis Henry aboard for an encore performance and can be more than competitive in this compact field of six with anything close to his best. He won three in a row in the Preferred ranks in the summer and cannot be ruled out.

Race 10 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

A Hensley

#5 HOWMAC MAXIMUS is one that we are willing to come back to after he had to settle for second to the one below last week as the odds-on choice of the betting public. He followed that rival to the outside from the three-hole near the top of the far turn and then engaged in battle in the stretch but was three quarters of a length away from victory at the wire. This 15-time winner has been second or better in six of his last seven overall and sparked an upset at 13-1 on December 20th when he lit the lamp in a preliminary round of a Pop-Up Series. He will start from the center of the gate for the fifth straight start and once again gets the nod on top.

#6 WIND BLOWN pushed out from post-two in his latest to secure a two-hole trip behind Foxhunt and then popped the pocket on the bend for home before forging his way to the lead in the lane. He managed to shake off the challenge of the one above and returned 4-1 to his backers when he stopped the clock in 1:54.2. This 29-time winner has gotten his picture taken in two of his last three and will be making his third start under the care of conditioner Tony Beaton. He will have the advantage of starting from post-six this time around and has repeat potential.

#3 PIPEWRENCH CHARLIE exits the same race as the two above and did not have much of a chance in that contest when he got away last off the gate from post-10 and was more than 15 lengths off the lead at the quarter pole. He improved to fifth before the wire when he stepped home in 29 seconds flat on the heels of a back-half in 56.4 and has picked up a prize in four of his last five. This 19-time winner has not been as consistent as he once was but should appreciate getting major post-relief with the three-hole. He is worth keeping an eye on but the bottom end of the exotics is likely his ceiling.

#7 HOWMAC VICTOR claimed the show spot at nearly 35-1 in a dash that was topped by Nightime Dancer on December 30th and has now picked up a prize in five straight. He lit up the board at nearly 13-1 when he made a triumphant return to Mohawk Park in the bottom condition on December 23rd but shifts towards the outside of the gate in tonight's tilt. This 12-time winner hit the board in 15 of his 35 attempts last season and will have Trevor Henry aboard for a follow-up steer. He can pick up another piece.

Race 11 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#4 MYULTIMATE SNOWY A has been fourth or better in his last three since making the trek to North America from Australia but disappointed as the 6/5 favorite or less in two of those outings. He went postward in NW17250L5 in those efforts and should appreciate dropping down a notch on the class ladder to NW8000L5. This son of Sweet Lou will be making his fourth try under the care of conditioner Kyle Fellows and will have top teamster James MacDonald back between the wheels. He might be hard to hold off in this spot and has our call to emerge victorious in the finale.

#2 CODE CRACKER exits the same race as the one above and was never a factor in that contest after he got away last off the gate from post-10 and was 17 lengths off the lead at the opening marker. He advanced a couple of positions before the wire to finish eighth at 116-1 and picked up a prize in each of his previous seven tries before that. This 16-time winner has been second or better in three of his last six and only gets to drop down to this level because he will carry the optional price tag of \$50,000. He figures to be much closer to the action this evening and can threaten for the lion's share with the right kind of trip.

#8 LEGION SEELSTER was second-best to Hungry Man last week and was a length away from that rival at the wire when he completed the exacta as the 7/5 favorite. He had to settle for a lesser share in fifth two back after he made a first-over bid from third on the spin for home and was beaten by more than eight lengths to race-favorite Codename Cigar Box. This 27-time winner has hit the board in four of his last seven and enjoyed back-to-back victories near the end of November. He should offer an opportunity to take back value for those that supported him last time and can land somewhere on the ticket.

#3 DUPREE HANOVER exits the same race as the one above and rallied for third in that dash after he got away seventh off the switch. He has crossed the wire in that position in each of his last two but was placed back to fourth through disqualification for a pylon violation on December 28th. This son of Stay Hungry has hit the board in three straight and slides back down to a favorable spot on the gate with post-three. He gets reunited with driver Doug McNair and is among the chances.

#5 SAULSBROOK IAN returned to victory lane in the class below this last week and converted off a pocket trip when he stopped the clock in 1:54 flat on a track that was one second off. He offered nearly 3-1 to his supporters and had not tasted victory since the end of July on the east coast. This 18-time winner should have his confidence back and gets Travis Henry at the helm for an encore performance. He will have options off the switch when once again working from the center of the gate and can pick up a slice.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

ALLOWANCES CLAIMING CONDITION RACES 2 year olds 100% 50% on 2024 earnings 25% on 2024 earnings 50% on 2024 earnings 50% on 2023 earnings 4 year olds 25% 25% on 2023 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

THE MORNING LINE reflects the track oddsmaker's estimate of what each horse's odds will be at post time. The actual odds are established by the amounts wagered by the public on each horse in the win pool.

C.P.M.A. Regulation Changes

Effective January 1st 2012 CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontar io Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L Denotes horses treated with Lasix.

(Z)

- Denotes horses treated with Lasix today who were not so treated for their last start.
 - Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at http://laws-lois.justice.gc.ca/en

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field. DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012

EXACTÁ (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 3. PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded. COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before

the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website. FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds. LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.
