Betting Basics

Some essentials to get you started with making a wager.

How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- **3** Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: #4
- 5 Press/Tap the Bet Type: WIN
- 6 Press/Tap the Bet Amount: \$2
- 7 Press/Tap the Race Number: Race #6
- 8 Press Green "Make BET" button
- 9 Press/Tap the "Finish with Receipt" button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUU	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	UUUUUU	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	0 0 0 0 0 0 0 0	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	0	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

^{*} Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit ONTARIORACING.com

- 7 Trainer information

The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 INDUSTRIALISTS was a \$12,000 yearling purchase at the Lexington Select sale that will be sent out for his lifetime debut by trainer Herb Holland. He trotted away to an easy score in his lone qualifier on January 10th and was five lengths away from his closest pursuer when he stopped the clock in 2:03.3 on a track that was one second off. This son of Muscle Hill blasted home in 28 seconds flat on the heels of a back-half in 1:00.2 but must start from an outside draw in his first try under the lights. He looks like he is ready to roll at first asking and gets the nod on top to kick off the card.

#6 WHEELIN N STEALIN has been second or better in each of his last three and most recently made every call a winning one in a maiden-breaking score at Flamboro Downs on December 28th. He tripped the timer in 2:03.2 on a half-mile oval that was off by two seconds and delivered as the 1/9 favorite in that dash. This son of Wheelin N Dealin was only beaten by a neck to Magics Angel Eyes in this class just over a couple of weeks earlier and has only missed one cheque in his 12 career attempts. He will have the luxury of leaving from post-six and should offer some value on the board.

#2 SOUTHWIND CAPONE was a \$14,000 yearling purchase at the Lexington Select sale that will be making the first start of his career for conditioner Shannon Henry. He is the eighth foal out of Counter Pointe (5, \$239,710, 1:57.3) and has five siblings that have made over \$100,000 each. This son of Muscle Hill was held together in the late stages of a morning prep on January 3rd and trotted his own mile in 2:00.3 when nearly five lengths in arrears to a six-time winner in Mass Money. He works from an inside draw and can land somewhere on the ticket.

#9 SPICE TRIX made a break in stride in his lifetime debut on December 19th after being sent off at odds of 63-1 and was also unable to stay on his gait in a pair of qualifiers last June. He has since moved to the barn of trainer Mark Etsell and was a \$50,000 yearling purchase at the Lexington Select sale. This son of Trixton has three siblings that have banked over \$200,000 each but will have to overcome the outermost post in the contest. He is an intriguing option at what figures to be a decent number and is worth keeping an eye on.

Race 2 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#7 MACH SILVER blew his rivals away on the engine last week and opened a wide margin on the final turn before scoring by more than four lengths at the finish. He returned 5/2 to his backers and has been second or better in 12 of his last 13 overall. This 27-time winner's price has been increased by \$1,000 for tonight's tilt and shifts out four spots on the gate. He will likely once again take flight off the gate from post-seven and looks like a prime candidate to double-up.

#6 QUAN BLUE CHIP has tried his luck in the bottom condition in each of his last two and took support to the tune of 5/2 on December 30th before rounding out the trifecta in a race that was topped by Dr Joe. He finished ninth in his subsequent effort at much longer odds and will now once again race for a claiming tag of \$8,000. This 30-time winner was the runner-up to G A Speedy Sammy in the final of a Pop-Up Series on December 19th and was strong in victory in the opening round of that added-money event two weeks prior. He will have the advantage of starting from post-six and looms as a danger.

#4 KEYSTONE TENACIOUS has finished eighth in each of his last two when going postward in the class above this and faded back to that position after being on the rim through the middle panels just a few nights ago. He gets discounted by another \$4,000 when coming back on just two days of rest and is making his third start for trainer Jodie Cullen after relocating to this circuit from Alberta. This 29-time winner has hit the board in 68 of his 157 lifetime tries and has more than \$455,000 in earnings. He moves out a few spots off the rail and should much prefer the company he keeps this evening.

#3 MACH JACOBS delivered as the 4/5 odds-on favorite last week when he dropped down to an \$8,000 condition claimer after spending six straight at the level above this. He was gutsy in victory when getting past a determined Passionate Prince after making a first-over bid but now meets tougher foes when racing for the same price tag in this opening claiming handicap class. This 20-time winner has hit the board in three of his last five and will have Doug McNair aboard for a follow-up steer. He should have his confidence back after going just one for 38 last year and can pick up a decent chunk.

Race 3 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#2 MUSCLE BRANCH has hit the board in each of her two career attempts and was five lengths in arrears to race-favorite Neverlose Felix as the definitive second-choice in the betting in her most recent effort. She was at a pace disadvantage to that rival when she was second-over on the final turn and had too much ground to make up when having to settle for the place spot. This daughter of Muscle Hill was third in her lifetime debut at 4-1 before that and will slide in four spots on the gate to post-two. She looks like she is ready to graduate but will attract a lot of attention on the tote board.

#3 MEGA GENEROUS got away seventh off the switch when making the first start of his career last week and was third-over on the spin for home before making a miscue in the stretch. He was poised to make a forward move in the lane when he made that break in stride and was second to Collector S in his lone qualifier on December 27th, albeit he was 13 lengths behind that rival at the finish. This son of Trixton trotted his own mile in 2:00.2 with a 29.1 kicker on that occasion and will slide in five spots on the gate to post-three. He will likely have a flat line as his top priority but can still be right there at the wire.

#6 MR JAZZ MAN only missed by a neck to Gaelic Piper last week when he completed the exacta at 15-1 after he catapulted off his cover from the second-over position in the lane. He had not raced in more than two weeks going into that effort and was in need of a flat line after making a break in stride at 65-1 on Boxing Day. This son of Father Patrick has been making progress for trainer Julie Walker and moves out a couple of spots on the gate to the winningest post at Mohawk Park. He can hit the ticket.

#1 ZORGWIJK VENTURA has not raced in more than six months but hit the board in two of his last three before going on the shelf in the summer. He was just over two lengths away from Itdontmattertome when he claimed the show spot at 35-1 on July 11th and was placed up to second at even longer odds three outings ago. This son of Lookslikeachpndale produced a decent qualifying effort to be fourth on January 3rd and stepped his own mile in 2:00.4 on a track that was one second off. He might need to get a start under his feet before he is ready for his best but is still worth utilizing on the bottom end of the exotics.

Race 4 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#7 DAKOTA SENA could not have gotten a tougher trip at 80 cents to the dollar when he jumped into the second leg of this series last week and got parked the route in the first-over position before forging his way to the lead in the lane. He fought valiantly in the stretch when getting swarmed by rivals and was only picked up by a head to Always B Melman at the finish. This 12-time winner is making his third start off the claim for trainer Stew McQueen and should much prefer the company he keeps when facing off against also-rans in the consolation of this added-money event. He will have Doug McNair calling the shots for the first time and is our clear choice on top.

#3 SPORTY BEE was moving well on the wide side in the late stages in his latest and nearly got within a length of winner Voltage Blue Chip when he rounded out the superfecta at 5-1. He disappointed as the 2-1 favorite in Hi-5 mandatory payout event two weeks earlier but was first-up for a long way in the dash before fading back to last under the wire. This son of Sportswriter will have Tyler Borth aboard for a follow-up steer and can benefit from getting back on a regular rotation. He will likely be making noise when it matters most and is one of our main players underneath.

#10 CHEDDAR DUHARAS was third in each of the two preliminary legs of this Pop-Up Series and was within a couple of lengths of Always B Melman last time out. He was sent off at 9/2 in that contest and took that support after he claimed the show spot at long odds to D A Captainobvious the week prior. This son of Betterthancheddar is just two for 33 in his career but has hit the board 10 times over that span. He picks up the driving services of Austin Sorrie for the first time but faces the difficult task of starting from the dreaded 10-hole.

#1 DM SNAKEPLISSKEN exits the same race as the one above and rallied for fifth in that contest after he was taken back to seventh off the switch. He was 11 lengths off the lead at the opening marker and paced his back-half in 58 seconds flat with a final quarter in 29.1. This son of Betterthancheddar is making a follow-up try under the care of conditioner Kyle Fellows and can take another step forward when getting back on a regular schedule. He might be able to navigate a cozy trip from the pole position and should not be taken lightly.

BEST BET: #7 DAKOTA SENA

Race 5 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#7 D A MAGIC MIKE could not have been more dominant in victory when he scored by more than three lengths in the second leg of this series and converted as the heavy odds-on choice of the betting public. He stopped the clock in 1:55 flat and will now race off the claim for conditioner Kyle Fellows. This 10-time winner has been second or better in 11 of his last 12 and has gotten his picture taken seven times over that span. He picks up Phil Hudon in the sulky and has our call to repeat when the chips are down in the final.

#2 D A CAPTAINOBVIOUS made every call a winning one on January 2nd in the opening round of this added-money event and kept the one above safely at bay in the stretch when he tripped the beam in a new lifetime mark of 1:54.1. He returned 6-5 to his backers and was pestered on the engine for much of the mile on Boxing Day before having to settle for second to Gigitygigitygigty in a Hi-5 mandatory payout tilt. This son of Captain Crunch is five for 35 in his career but those victories have all come in his last 13 tries and he has only missed the board in one of those efforts. He has been racing at the top of this game for trainer Victor Puddy and looms as a logical threat.

#8 VOLTAGE BLUE CHIP held on by a head at 60 cents to the dollar when he jumped into the second leg of this series last week and lit the lamp for the first time since April of last year. He spent his previous five appearances in NW2 and has managed to hit the board in three of his last six since relocating north of the border to race under the care of conditioner Gregg McNair. This son of American Ideal will have son Doug at the helm for an encore performance but shifts out a couple of spots on the gate to post-eight. He should be feeling good about himself and is among the chances if he can avoid a taxing trip.

#9 ALLSTAR PLAYBOY exits the same race as the one above and was the one we were fond of in that dash but finished third after going on the attack against that rival from the first-over position on the bend for home. He executed an impressive three-wide brush to the front from fifth two back in the opening round of this event and scored by open lengths when he paced his way to a new career best clocking of 1:55.2. This son of Stag Party has picked up a prize in six of his last seven and gets reunited with driver Tyler Jones. He might get overlooked on the odds board this time around and is not without a chance.

Race 6 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#2 OH A LEGEND was late on the scene in NW3 on January 3rd and only missed by a neck to pacesetter Mikki Sixx. She rounded out the exacta as the definitive second choice in the betting and was in need of a flat line after she jumped it off at 9/5 in the final of the Niagara just over a week earlier. This daughter of Bit Of A Legend won four in a row before that and now turns her attention to the Blizzard Pacing Series this evening. She has been second or better in nine of her last 16 since moving to the barn of trainer Chris Bush and continues to get along well with Tyler Borth. Top call.

#3 DIRTY DIANA is riding a three-race win-streak but has not raced since December 27th when she scored by more than a length in NW3 at odds of 8/5. She fired home in 27.1 off a back-half in 56.4 on that occasion and has hit the board in five straight since she was away from the races for more than two months. This daughter of Captain Crunch should be brimming with confidence and has proven to be versatile in her racing style. She might need to get one under her feet before she is ready to produce her best but can still be right there at the wire.

#9 CHASIN RAINBOWS forged her way to the lead in the lane last week and almost pulled off a major upset at 35-1 in NW2 before getting nailed by a neck by race-favorite Rose Colordglasses. She was shut out in each of her previous three at that level but converted as an odds-on choice of the betting public in NW1 on December 6th. This son of Spinfiniti shifts back to the outside of the gate for tonight's tilt and was passed over by Bob McClure in favor of the one above. She gets Tyler Jones back between the wheels and might be able to build off that most recent effort.

#1 MISS DANNI SONG went three-for-five as a rookie last season and capped off that campaign by taking down the final of the Prospect Series at The Raceway in London in the middle of October. She needed her latest in NW2 at Flamboro Downs when making her sophomore debut off a hiatus of more than three months and appeared to have pace at the end of that mile when earning a minor award in fifth. This daughter of Big Jim can take a step forward when making her second start off a layoff and might enjoy getting on the largest track configuration of Mohawk Park for the first time. She can help spice things up underneath.

Race 7 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#4 VENDETTA BLUE CHIP did not miss a beat when she returned to action after being off for three weeks and delivered as the even-money favorite when she jumped into the second leg of this Pop-Up Series. She cruised up off cover in the lane and paced away to an open lengths score at even-money and has now gotten her picture taken in five of her last six. This daughter of Bettors Delight has been no worse than second in 12 of her 14 lifetime tries and will be reunited with driver Tyler Jones in the final. She has three victories with that teamster at the controls and is hard to look past when getting back on a regular rotation.

#8 LILLY CLARE got a tough trip last week when she made the first-over sacrifice against the one below after getting away fourth off the gate from post-two. She tried to rush that rival when the tempo picked up in the third quarter and did well to stay on for a lesser share in fifth. This daughter of Dali made an impressive brush from the back to claim the place spot in the opening round of the series and has not missed a cheque in her last 11 since moving to the barn of trainer Darryl Laver. She must overcome an outside draw from post-eight but will surely offer some value on the board.

#3 FANCY LETTERING exits the same race as the two above and chopped-out the middle fractions in that contest before facing pressure from the one above. She was no match for the late legs of our top selection in the lane and was the runner-up in both of the preliminary legs of this Pop-Up Series. This daughter of Stag Party will be making her second start off the claim for trainer Joe Pereira and gets Doug McNair back aboard for a follow-up steer. She will likely be looking for the early lead from post-three and figures to get every chance to land somewhere on the ticket.

#10 P L RINCHENIA was sent to the lead in the middle stages of her division of the second round of this event last week but faded back to fifth in the stretch to disappoint at 55 cents to the dollar. She converted off a two-hole trip two back when she scored by open lengths over the one above at 9/5 and will now race off the claim for conditioner Carmen Auciello. This other daughter of Bettors Delight will have Billy Davis Jr at the controls for the third straight start but must overcome a dreadful draw from post-10. She is worth a look if the price is right and should not be left out of the exotics.

Race 8 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 COCCO PUFF POWER moved to the lead on the backside on January 3rd in NW2 and then held court on the engine before Sunshine Magic ran her down in deep stretch. She had to settle for second as the odds-on choice of the betting public and was also the runner-up to Definingthe Moment in the Niagara Series Consolation on Boxing Day. This daughter of Captain Crunch has finished in that position since shipping north of the border to race under the care of conditioner Meg Crone and delivered as the heavy-favorite in the lower earnings version of NW2 on November 29th. She will work from the pole position and will have Doug McNair calling the shots for the first time.

#8 FOX VALLEY TATUM was scratched out of a NW3 event at this venue on January 3rd due to the weather but scored by more than two lengths at Hawthorne Raceway in Illinois on December 28th and hit the board in six of her last eight appearances on that one-mile oval. She scored from off the pace when she stopped the clock in 1:56 flat in that dash and stepped home in 28 seconds flat on the heels of a back-half in 57.1. This daughter of Time To Roll has shown versatility in her racing style south of the border and can make some noise in her circuit debut for Team Husted. She has not raced in nearly three weeks but should not be underestimated.

#7 STAG ROYAL finished sixth in NW3 last week and was six lengths in arrears to race-favorite Grit N Grace after being sent off at odds of 28-1. She had hit the board in three of her previous four in softer spots and was a front-end winner as the 7/5 favorite in NW2 on December 14th. This daughter of Stag Party fits in nicely with this group and has enough tactical speed to have options off the gate from post-seven. She will have Scott Young aboard for a follow-up steer and should be included in the exotics.

#3 LOVE ON ME kept driving to the lead from post-five in NW2 last week and held a healthy margin in the middle stages before getting tired in the lane. She dropped back to fourth under the wire but won by a neck at 9/5 the week prior in a slightly softer class. This other daughter of Stag Party has picked up a prize in 12 of her last 14 and moves in a couple of positions on the gate to post-three. She can grab a share.

Race 9 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#6 KJ OWEN dominated his rivals when racing from off the pace at Flamboro Downs on January 11th and delivered as the 3/5 odds-on choice when he stepped away by six lengths at the finish. He brushed to the lead on the final turn in that dash after making a three-wide move on the backside and stopped the clock in 1:56 flat on that half-mile oval. This 47-time winner returns to the big track in a much softer class than the one he was ninth in at 34-1 on January 6th and will be making his third start out the barn of trainer Shayne Barrington. He gets reunited with driver Trevor Henry and figures to be feeling much better about himself this time around.

#2 THEDOGINTHEFIGHT was overland through the middle panels last week and improved to fourth in the deep stretch to complete the superfecta at 7/2. He has earned a cheque in two of his last three and slides down to the inside of the gate with post-two for tonight's tilt. This 26-time winner completes a decent one-two punch for conditioner Shayne Barrington but was passed over by Trevor Henry in favor of his stablemate above. He picks up the driving services of Brett MacDonald for the first time and can threaten for the lion's share if his trip is sweet enough.

#7 CEREAL KILLER walked away empty-handed in each of his last two in the open claiming handicap ranks and was beaten by more than 10 lengths in both of those two outings. He was only beaten by a neck to Thatswhatisaid N at that level before that and has hit the board in four of his last seven overall. This 13-time winner was just three for 38 last season but had 17 top-three finishes over that span. She will have Billy Davis Jr calling the shots the first time and is among the top contenders.

#3 TRIDENT SEELSTER picked up a smaller share in fifth in each of his last two since getting back on the big track and was gutsy in victory before that at The Raceway in London on Boxing Day. He was only beaten by half a length to Malvolio in a Pop-Up Consolation at this venue on December 19th and will once again have Phil Hudon between the wheels. This 25-time winner hit the board in 21 of his 41 appearances in 2024 and does not look out of place against this group. He will likely make his presence felt at some point in the mile and should not be dismissed.

SPOT PLAY: #6 KJ OWEN

Race 10 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#7 WIFEY SAID SO rolled out wide at the top of the far turn and then charged to the lead in the lane before winning by more than three lengths. She came from a long way off the pace in that victory after getting away ninth off the gate and returned 11-1 to her backers when she tripped the timer in 1:58 flat. This daughter of Sunshine Beach has earned a cheque in 13 of her last 14 and has been second or better in three of her last five. She should be confident coming into this but will only offer a fraction of the price this time out.

#10 MY ONLY SUNSHINE was taken to the back of the bus off the gate in each of her last two and made up good ground to hit the ticket in both of those efforts at odds of 32-1 or more. She was three lengths behind the one above in second in her latest and was closer to Golden Leader two back when claiming the show spot. This 10-time winner must once again overcome the dreaded 10-hole but has been getting along well with driver Billy Davis Jr. She will likely once again be making noise when it matters most and should not be taken lightly.

#1 DEL DIGGITY exits the same race as the two above and was first-over for a long way in that dash before having to settle for third at 5-1. She had every right to get leg weary in the stretch and will now race off the claim for trainer/driver Guy Gagnon. This 30-time winner has picked up a prize in 24 straight and has hit the board in 10 of her last 14. She got her picture taken five times over that span and can never be ruled out at this level.

#3 CHEDDARISBETTER has only mustered one minor award in her last three since moving north of the border to race under the care of conditioner Carmen Auciello. She was never a factor when getting away ninth off the switch in the second leg of a Pop-Up Series last time out and will have her price tag slashed by \$8,000 but will now take on open claimers in this handicap event. This daughter of Betterthancheddar will have Tyler Borth at the reins for a follow-up steer and might get activated sooner in the mile this time around. She is worth including on the bottom end of the trifecta and super.

#8 FASHION FORWARD was fourth last week after getting forwardly placed off the gate from post-eight and was in the two-hole for much of the mile before getting jammed-up in the pocket behind a tiring pacesetter in the stretch. She has been second or better in seven of her last 10 overall and will be making her second try out of the barn of trainer Tyler Moore. This 10-time winner can benefit from getting back on a regular rotation after missing more than a month of action and will have Bob McClure aboard for a second straight start. She is worth a look if the price is high enough.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

ALLOWANCES CLAIMING CONDITION RACES 2 year olds 100% 50% on 2024 earnings 25% on 2024 earnings 50% on 2024 earnings 50% on 2023 earnings 4 year olds 25% 25% on 2023 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012 CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontar io Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L Denotes horses treated with Lasix.

(Z)

- Denotes horses treated with Lasix today who were not so treated for their last start.
 - Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the

Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at http://laws-lois.justice.gc.ca/en

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field. DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012

EXACTÁ (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 3. PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded. COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website. FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.
