Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

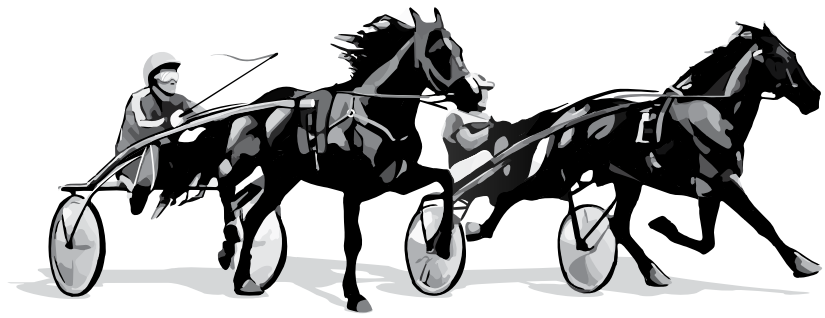

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 1 Horse's number in the race
- 2 Horse's post position colour
- 3 Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- 7 Trainer information
- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 NO CONTROL had a useful five-year-old debut here on April 12th, and there is reason to believe that he will be sharper and more effective tonight. After dropping back early, he latched onto third-over cover which he followed to the top of the stretch. He peeled out wide but was passed by the eventual winner who raced out of his skin that night to catch a loose leader. This gelding kicked in nicely in the final sixteenth to win the race for show, and he now gets what is often a magical post position change to the six hole. He gets to drop again tonight, too, and I expect an aggressive Jody Jamieson steer tonight. He gets the nod to kick off the guaranteed \$75,000 Pick 5.

#7 NAZARE jumps up to face tougher tonight and the leading driver, who was listed on him, opts for the #1 horse in here, but his current form is hard to fault, and he should be right in the thick of the chase again tonight. A winner of two of his last three starts, he left absolutely no doubt last week, taking over the lead in the second quarter and going on to crush a lesser field. He has shown he can cut a fast opening half and keep motoring along. He goes back to the Fellows barn tonight and he raced well from post 10 for that trainer when narrowly beaten on April 14th. He is sharp and dangerous.

#5 HIGHLANDBEACHLOVER got hot in March and early April, stringing together an impressive series of six races where he took three wins and finished second in the other three. Last week, racing off the Garry Merner claim, he got outsprinted leaving the gate and got pushed three wide on the last turn racing on excess cover, but he closed okay on the far outside in the lane to get a cheque. I think he will get more aggressive leaving from the middle of the gate tonight, and he can take a share.

#1 TROSA A was the leading driver's choice over three others in here, and he has been racing well lately deploying a deep closing style. Starting from the rail and coming off a stale date due to sickness, he will likely be too far back to threaten for the win, but I can see him coming on late to take a small slice.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 MOOD CONTROL is the horse that I believe has been the best one in this series, but trip, circumstance, tactics, and racing luck have prevented him from taking a win in the opening two legs. Tonight, with \$48,000 on the line, I think he will get a more reasonable trip and prevail, probably at a much better price than he has gone off at in the preliminary legs. Him racing first up from the back of the pack in those legs where 58 opening halves were cut was Mission Impossible 1 and 2. This race should be more contested, and I think he gets live cover this time and gets up to prevail.

#3 TIME PASSER followed the choice last week and remarkably could only get fourth while pacing a 53 1/5 back half. He makes his third start back still seeking his maiden win, but he looks like a horse that is perfectly set up to deliver the best effort of his life. Trainer Menary continues to run white hot, and it doesn't hurt to have the leading driver in the bike. I wouldn't be shocked if he broke through for that maiden win tonight.

#4 BETTORSEETHESHOW beat the choice to the punch in the opening leg when he vacated the pocket at the perfect time to get the jump on that rival then out sprinted him as they both flew home. Last week, he tried similar tactics, but the slow pace worked against him that time. The leader was ready to fire a 26 1/5 kicker and he staved off this sophomore Bettors Delight gelding. While he certainly can win this final, he isn't a standout, and he offers no value as the 9 to 5 morning line favorite. I'll play to beat him.

#2 ASIAGO SEELSTER shot straight to the front from the best post last week and he was gifted a slow opening quarter and an even slower second quarter. From there, he turned it on, and he sped home in 54 3/5, and he was never getting caught. I think he gets outsprinted early in this mile and he will take on a stalking role tonight. I prefer to use him underneath, but it's not always wise to discount an improving horse racing out of the Pentland barn.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 DEBRA converted as the chalk in both preliminary legs of this series getting similar drives and trips, although last week she made her move out of the pocket earlier, took control at the eighth pole, and pulled away while under tight lines to driver Bob McClure. I think with a winner's share of \$23,000 available in this final tonight, she will be sent to the front earlier in this mile, taking no chances and looking to control the race. She is the filly to beat based on post position advantage that she holds over the other filly that won in both preliminary legs.

#5 NIGHTINGALE raced well in leg 1 closing nicely for third and she took a lot of action last week, dropping from 23 to 1 in the first leg to 5 to 2. She was driven conservatively, saving for the stretch, and she closed from a very tough spot to get second behind the 2 to 5 favorite. She was visually moving well at the wire. She has shown she can go with these, but she wasn't really in position in either of the first two legs to get the win. With the purse almost tripling tonight in this final, she has to get put into the race earlier, doesn't she?

#10 ROXIE HART is the other filly that comes into this final off two wins in the preliminary legs and she trotted the fastest mile of any of them, trotting in 1:56 3/5 last week when she ran her record to four wins from seven starts lifetime and two for two in 2025. There is a decent chance that she would have won her 2025 debut on April 3rd, too, had she stayed flat in the lane when she was making her move. Her task to win from post 10 tonight is daunting when you consider that 42 trotters have tried it this year so far and only one got the job done. But she is capable of blasting for position then moving to the front on the backstretch and that makes her a threat to buck the trend and become the second winner from the widest post this year.

#7 CORE RESOLVE took shares in both preliminary legs, last week getting third after leaving from the same post that she drew tonight. Her final times and last quarters have got faster in each start in this series, and she should probably be as sharp as she has been all year so far tonight. Still, she isn't likely to beat all of the top three choices, but she is a good one to use on the bottom of the Tri and Super.

The Horseplayer's Journal by Garnet Barnsdale

#8 SERGEANT SLAUGHTER was bet like he couldn't lose last week, getting hammered down to 3 to 5 based on him pacing a sub-1:50 mile the week before. Trip didn't work out his way, though. First, it appeared as though he had intention to leave, but four rivals to his outside and one to his inside had the same idea and he got outsprinted into the first turn, leaving him sixth. He pulled past the half, and he gapped out for several strides then caught up to his cover midway on the last turn. He peeled widest and closed to get up for second behind a dominant Wheels On Fire who turned back the clock to crush the field from the 10-hole. I'll give him the nod here expecting that he will be closer early in the mile.

#6 RESPECT OUR FLAG drops out of a race that was simply too tough for him, racing against the likes of Write Me A Rose and Codename Cigar Box. He could do no better than sixth on that night, breaking his three-race win streak. Tonight, he drops in class, draws the best post, and gets a key driver change back to Travis Cullen who guided him to all of those three victories. He will likely use the best post to advantage and blast for position tonight. He can beat these if he gets the trip, which is a distinct possibility leaving from the six-hole. He is one that merits consideration for multi-race tickets.

#1 LEGION SEELSTER was racing well coming off three straight top three finishes when he tried this class last week. He, and all of his fellow rivals that were chasing the winner could do no better than watch the claimed Nazare bottom out the field with a huge front end performance. Still, he paced a 27 3/5 kicker and lost the three-way place battle by only a half length. He should be in the mix for a spot in the Tri or Super tonight, likely getting a similar following trip in midpack.

#5 THUNDER COUNTRY raced well in his local debut, flashing big early speed to get a spot near the front, then chasing the class dropping 2 to 5 shot home while out finishing the rest of the field. He steps up tonight, but he draws one of the best posts. Although he loses the leading driver to Sergeant Slaughter, he can still get positioned near the front early and stick around for a share.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 WALLACE HARTLEY was in tough in his April 18th qualifier, going up against a horse that won 9 of 12 starts last year earning \$377,000 and taking a mark of 1:49 1/5. That horse predictably jogged in the qualifier but there was also Open pacing mare Tells On A Roll and Calicojack Hanover – who finished fourth in last year's Breeders Crown – in front of this guy at the wire. He looked okay pacing a 27 1/5 kicker and he wasn't that far out of second at the wire. He draws best here, and I think he gets sent by Tyler Borth. He gets the nod to take a victory in his first try as a four-year-old.

#8 REGIL BUBB left and got position early in the mile from an outside post last week then he tried it first up against 1 to 2 favorite Ayeaye Captain Deo, and that turned out to be mission impossible when that rival stole a 29 2/5 third quarter breather then sped home in 27 3/5. This gelding has been terrific in nine starts since shipping here from London, missing the top three only once, in the race in which he broke stride. Trainer/driver Andy Moore isn't shy to send one from a wide post, and he will likely put this one into the race at the start then look to work out a trip. He is worth a look at what should be a square price.

#10 SAUBLE WILSON had a very productive rookie season, winning half of his 10 starts and missing the top three only once. He got really good at the end of the year, though, going big trips to finish second in both the Grassroots Final and an OSS Gold race before being put away for the year. He qualified okay for this sophomore debut, and he is one of the best ones on paper, but the 10-hole is daunting at this track, and he obviously has bigger fish to fry this summer other than this non-winners of three race. Assuming he isn't going to get abused leaving from the worst post tonight, I'll use him underneath expecting him to close late to get a share.

#4 JMR SPEAK AWAY made two early moves to the front in his most recent start three weeks ago then he was predictably overtaken on the backstretch by the 3 to 2 favorite. He stayed game in the lane while racing in tight quarters along the pylons trying to get clearance to go after that favorite who was the eventual winner. I don't love the stale date for this one, but he can get another following trip and take a small share tonight.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 CENTURY KOMODO shipped north and joined the hottest barn in the country, and remarkably took no action last week, closing at 20 to 1. What he did in the final quarter was nothing short of incredible. After peeling widest and losing ground coming off the final turn, he ran in and needed to be straightened out. Then he closed down the far outside while the rest of the field spun its wheels and he chased down loose leader Emmetts Buddy who looked long gone at the head of the stretch. In this smaller field, he figures to get a better trip, and he gets the call to repeat coming off that strong performance.

#2 FUNTIME BAYAMA was third in last year's North America Cup but disqualified later due to a positive test. When last seen on the track last year, he was finishing 10th and close to distanced in the Meadowlands Pace final. So, it's hard to predict what version of this gelding we will see tonight. He did qualify well enough to contend right away it seems, but I have a hard time taking over Century Komodo after watching that one race here last week.

#4 MERIGO MAGIC stayed in last week, then looked for room in the stretch and that trip didn't work out as he finished the mile running over horses. He has done very well at Mohawk Park since shipping west from the Maritimes, but the top two choices here are tougher company than Whichwaytothebeach and company. He can be better this week and get a better trip and still not threaten the top two. I'll use him underneath here.

#5 STORM SHADOW had a decent sophomore campaign, taking an OSS Gold win and one other conditioned victory. He had some gait issues at the end of the season, but it looks like Doc Moore has solved them based on his three qualifiers. He possesses big gate speed when he is right, and I could see him blasting to the front from the outside post tonight, getting position near the front, then sticking around for a share. He can round out the Tri or the Super in this spot.

BEST BET: CENTURY KOMODO

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 WRITE ME A ROSE broke in his first start back at Mohawk Park racing over a wet track three starts back, and he has been super ever since. A class drop in his second start back was all he needed to step off a dominant 1:50 1/5 winning mile, then he produced an even better effort last week. Racing on third-over cover to the top of the stretch, he tipped widest and motored late to give monster Brue Hanover a scare while finishing well clear in second. He draws perfectly here in the middle of the gate that gives him options and he is the clear top pick in this Preferred 2 pace.

#2 POSEIDON SEELSTER is another one that has been chasing Brue Hanover in recent starts and he comes in off a good effort where he finished third, one and a half lengths behind the choice. In that mile he left hard and landed in the three hole where he followed to the stretch. He tried to go inside of pocket sitter Jabberwocky, but he got shut off and had to alter course to the outside. By the time he got clearance, Write Me A Rose was thundering down the middle of the track. He finished well clear in third and he is in with a shot here, likely racing close to the front throughout

#4 FORTIFY dropped and popped in his third start back last week racing first-over and prevailing over a lesser group than he meets tonight. He is no stranger to the Preferred level; he wired a decent field here in 1:49 2/5 last October, one of his nine wins last year from 29 starts. I don't think the first-over approach will work in this field. Look for him to find a covered trip and rally late. I see him landing in the bottom of the Tri or Super.

#1 ARBITRAGE HANOVER comes off a nice sophomore season where he earned more than \$377,000 on the strength of a record of nine wins from 12 starts, including victories in the New Jersey Classic and Simpson. He comes in off a dominant qualifier win where he powered away from the field late, pacing a 26 3/5 kicker. He makes his first start for Kyle Fellows tonight facing some grizzled veterans, and he may need a start or two before he finds a level he can win at as a four-year-old. A small share is likely for him in this spot tonight.

#3 BEN LOOKIN probably had a longer trip than was necessary last week, and that may have cost him a win in the end. After floating out from his wide post, the decision was made to start a trek to the front. His second quarter brush got him to the lead just past the half, but he needed to pace a 27 2/5 second frame to get there. He then paced a 28-flat third quarter to get well clear, looking to bottom out the field. That strategy almost worked, because only the second choice winner got close to him, passing him late. If he can avoid pacing a 55 2/5 middle half tonight, he should be good to go versus this group.

#4 FOUR BY FOUR raced second-over against the choice last week and although he couldn't quicken in the lane when the rival that he was following kicked into high gear, he did fight on and stayed game to win the battle for show. It could be key that he gets off the rail post tonight; I think he will be leaving harder and looking for a spot near the front. If he can land in the pocket early in the mile, he will be in with a shot tonight. He merits a look for late multi-race tickets.

#6 LONGSHOT PANIC was in a firing line of three horse heading for the front heading into the first turn last week. He touched down in the pocket, then made a move to the front on the backstretch, but he would soon come under assault from Ben Lookin. Neither he, nor any of his rivals could keep up in the quick middle half, but he did stick around for a share. Drawing the best post tonight, he will likely be looking to blast to the front again, and he can get a good trip here and stay for a decent share.

#2 TRINIDAD was used hard early last week, and once the choice made his move to the front, he couldn't keep up to him in that sizzling middle half. He is capable of a better effort as shown in his good performances two and three starts back and I wonder if he will get a slightly more conservative drive here looking to find a live helmet to follow then look to pounce late. He is in the mix to land in the Tri or Super in this field.

#8 HUNGRY MAN gets to drop in class tonight, and he typically races well at this level. Two starts back racing in this class, he was a closing third in a sub-1:50 mile after drawing the rail and following a rival that laid down extremely fast fractions and simply bottomed out the field. Last week, starting from the same post that he draws tonight, he was able to clear to the front, and that will likely be the same strategy here facing easier. He has only one win so far this year, but he fits well in this field, and he has a good chance to notch victory number two racing on or near the lead.

#6 SERIOUSLY HANOVER raced first-over chasing a defiant Wheels On Fire last week as that rival sped through a 27-flat third quarter and that chase turned out to be futile. That was a solid effort in defeat, now he draws the best post. Four starts back when leaving from the six hole, he raced well, closing for third racing at a higher class level. My gut tells me that Trevor Henry is going to leave with him tonight. If he can find his way into the choice's pocket early in this mile, he will be in with a decent chance. He should get a look when making out late Pick 4 and Exacta tickets.

#10 PACINO HANOVER would likely be the top pick here had he not drawn the dreaded 10-hole. He has been chasing much better horses than he meets tonight; Brue Hanover, who has been unbeatable since shipping north, and several others that have had success racing at the Preferred level. He showed two starts back that he can blast from a wide post, but there is a significant difference between posts eight and ten. If Travis Cullen can work out a reasonable trip from out there, this Jodie Cullen trainee should be right there versus this group.

#9 B STONEY is an iron-tough veteran that is hard to find fault with having taken seven wins from 11 starts this year so far while being claimed several times. Tonight, he races out of the Shayne Barrington barn which is significant because six of his seven wins have come racing for that conditioner. He moves from a claiming handicap to a conditioned/optional claiming race which appears to be a tougher spot. I'll use him underneath tonight with the understanding that it's not out of the question that he can reel off yet another win.

Race 12 Selections

The Horseplayer's Journal by Garnet Barnsdale

#10 BATTERUP HANOVER raced well in both legs of this Pop Up series, closing in both starts. Last week, he powered up for the win from far back, producing the fastest final quarter of any horse in here. I never love backing a horse from post 10, but there always seems to be a lot of early action in these Pop Up finals, and this race could fall right into his lap in the stretch. His price will also be inflated tonight because of him drawing the worst post, and this is where I will land.

#4 WIND BLOWN absolutely crushed at 1 to 9 in leg 1 then he wasn't as good last week when sent off at odds-on despite drawing the 10-hole which is certainly a pari-mutuel rarity at this track. His strategy will be no secret, he will once again look to go right down the road. Getting post relief will help him with that front end mission. While he is the obvious one to catch and beat, I wonder if he will get softened up a bit because as already mentioned, there tends to be a lot more action in these finals. I'd have a hard time swallowing another short price on him tonight, but he is the obvious danger.

#6 ALL BETS ON TEX raced well in both preliminary legs of this series, taking a win and a second. In the opening leg, he got a great trip and drive to stay covered up to the lane then slide out and zoom by the leaders in the three wide path for the upset win. Last week, he did most of the heavy lifting racing first up and he wore down Wind Blown but had no answer for Batterup Hanover's late surge. Starting from the best post tonight, he is in with a shot. Brett Macdonald has been a good partner for him.

#7 PREMIER FIRST STAR is a horse that won't get bet at all in here that could be a good one to use on the bottom of the Tri, Super and High-5 when you consider last week's trip when he finished behind the top two choices. He searched for room with pace for most of the stretch drive in that mile, and he simply found it too late, but he still got up for fourth. He can get a good piece of this at a big price if he gets a clean trip.

#2 GENTLEONMYMIND had no shot starting from the second tier last week, and that line is a toss to me. A better indicator of what he can do came the week before in leg 1 when he closed in 26 4/5 to get third behind Wind Blown. He will likely get another covered following trip tonight racing in mid pack, and he can close for a share at a price.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2024 earnings
3 year olds	50%	25% on 2024 earnings 50% on 2023 earnings
4 year olds	25%	25% on 2023 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("The Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
