Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

| Bet type | Level of difficulty | Explanation and expectation |
|----------|---------------------|---|
| Win | U U U | Your horse must finish 1st; payoff determined by the win odds. |
| Place | U U | Your horse must finish 1st or 2nd; payoffs better than to show. |
| Show | U | Your horse must finish 1st, 2nd, or 3rd; modest payoffs. |

Exotic multiple-horse bets

| Bet type | Level of difficulty | Explanation and expectation |
|-------------------------------|---------------------|---|
| Exacta* | U U U U | Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds. |
| Daily double | U U U U U | Pick the winners of two designated consecutive races. |
| Pick 3, Win 4, Pick 5, Pick 6 | U U U U U U | Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager. |
| Triactor* | U U U U U U U | Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses. |
| Superfecta* | U U U U U U U U | Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible. |

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

| Odds | 1/2 | 2/1 | 7/2 | 5/1 | 10/1 |
|------|--------|--------|--------|---------|---------|
| Pays | \$3.00 | \$6.00 | \$9.00 | \$12.00 | \$22.00 |

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

WOODBINE™

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

**** Start of \$75,000 Guaranteed Pick 5 (1-2-3-4-5)**

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 TREGARON came into his sophomore debut last week off a nice rookie season where he took two wins from seven starts, finished second four times and only missed the board once. That came in the eliminations for the Wellwood Memorial in a 1:53 4/5 mile. He had been prepped for his sophomore campaign in Florida, trotting two good qualifying miles over the Spring Garden Ranch one mile surface, and it was expected he might get off to a quick start in this sophomore campaign. He was taken back early, and closed a bit late, firing a 27 2/5 kicker in what should be a good tightener for this second start back. He gets his regular driver Scott Young back now, and he draws best. He should get put into this race and he gets top call in this opening leg of the guaranteed \$75,000 Pick 5.

#9 WEARING THE GREEN trotted his fastest mile of the year so far in his most recent start, but he had the misfortune of facing Pennteller Hanover, who got bet down to 1 to 9 and showed why with a dominating 1:53 4/5 win. After not being able to fend that rival off, this gelding was passed for second too, by a rival that he beat on April 11th. There are no Pennteller Hanovers in this field, and this Gregg McNair trainee has a decent chance to get back on track and resume his winning ways. He is the other one that I would consider using in the early Pick 5.

#5 MYFRIENDJOSE just won at this level last week, given a perfect drive by Billy Davis Jr. that led to a perfect trip, and a victory. He hinted at the reversal of form in his second start when he trotted his final quarter in 27 1/5 in a 1:53 4/5 mile. He draws well again to get a fast start and find a position near the front, and his strong late speed puts him in the conversation. He is another one that is worth a look, although I'm not sure he gets the same trip that he got last week.

#7 RISING INTEREST produced his best effort of the year so far last week when he finished third to Myfriendjose. He sat to the five eighths pole where he moved to the outside and started to close. He was tipped to the middle of the track in the lane, and he finished with good energy to be a clear third at the wire, trotting his own final quarter in 27 2/5. That is an effort he can build from, and he should be part of the Tri or Super again tonight.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 GAINES HANOVER returned to the races as a five-year-old as sharp as a tack, and he has gone two big miles to kick off the 2025 season. In his seasonal debut, he trotted a huge first-over trip and gave Logan Park everything he wanted but fell short after his rival grabbed a 29 3/5 third quarter breather. He came back with an even better effort last week, crushing a Preferred field that was missing Logan Park in 1:51 3/5. He holds a recency advantage on that foe tonight, and he couldn't be any sharper. I'll side with him to notch the mild upset starting from the best post tonight.

#3 LOGAN PARK is the undisputed older trotting king of this country, and he seemingly is getting better with age. He has won 14 of his last 21 starts for \$976,000 in earnings, and he is unbeaten this year. He is gearing up for a trip to Sweden to race in the Elitloppet later this month, and he is the obvious horse to beat. He continues to make his own racing luck by controlling the fractions in every race, and that makes him ultra tough to pass. The top pick in here will likely need racing luck to go his way to knock off this trotting titan.

#7 FASHION FRENZIE was no match for Gaines Hanover last week, but he came into the race having missed a month's action, and he still finished second and trotted home in 26 3/5. Like Logan Park, he almost always gets sent forward leaving the gate and I wonder if those conflicting racing styles will help set the race up for the choice. This Jeff Gillis pupil can and should be sharper tonight, but I'm not sure he bridges the gap on the choice who is in peak form after racing only two times this year. I think he lays close to the front throughout and sticks around for a share and he is one that I prefer to use him underneath in this spot.

#4 OSCEOLA broke in his first start back and didn't get any money and that allowed him to drop to a spot that is supposed to be an easy one for him. It turned out that it was as he behaved that time, went straight to the front, set strong fractions, and crushed his rivals. He steps back into the deep waters now, and a small share is likely his ceiling tonight.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 HUNGRY MAN continues to get raced aggressively most weeks, and he was sent right to the front from post eight in his last two starts when facing better. Tiring and not getting any money in either of those starts allows him to drop into a much easier spot tonight after chasing the likes of Highlandbeachlover and Fortify recently. There is little doubt that he will be pointed to the front in this spot tonight, and he should prove tough to beat. He has only taken one win in 14 starts so far this season, but he hasn't raced this low in any of those races. The last time he raced in a class similar to this one was last November and he took a win racing on the engine as the 6 to 5 favorite. He is the clear horse to beat here.

#3 PIPEWRENCH CHARLIE is the other one that earned \$0 in his past two starts that gets to drop to this class level tonight. One could make the excuse that he drew poorly in both of those races and got away slowly in both of those races and had little chance of gaining in two sub-1:52 miles. Three starts back, when he was racing in a class similar to tonight's, he left quicker, got position, pulled first up, and prevailed for the win. Those are the tactics that he is likely to deploy tonight on the class drop, and he is probably the one that the choice will need to fend off late. He is the other one that I would consider using on early multi-race tickets.

#6 ARMYCAPTIN HANOVER had a terrific season last year racing out west, taking 14 wins from 33 starts and earning close to \$78,000 while often racing in the top class. He tried his luck here starting in late December and while he didn't exactly make a big splash, his first three tries weren't terrible, either. Last week, racing one class lower than tonight's, he produced his best effort of the year so far. He left for position, sat in saving his move for the stretch, was forced to idle while looking for room, then angled to the far outside. Once he found clear racetrack, he flew late, and the 2 to 5 favorite was lucky to find the wire in time to hold him off. This is a tougher spot, but he can take another share tonight.

#4 BEACHIN LINDY has raced better with the leading driver in the bike, last week pacing a 27 1/5 kicker and closing for a share while finishing behind Armycaptin Hanover. He is in tough here facing the droppers, but I can see him passing a few rivals again and getting up for a small share.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 GHOSTLY CASPER was on a steady diet of the best trotters in the country in his first four starts this year, and he could only feed on scraps racing against Logan Park, Gaines Hanover and Amigo Volo. He gets to avoid those types tonight as he gets to take a class drop. Two starts back, he was sent to the front early in the Preferred Trot, and that is the same approach that I expect him to take tonight. This is really a field that he is supposed to beat, but he won't offer much of a price. He will be a popular single in every multi-race ticket that involves race 4.

#6 PENNTTELLER HANOVER gets a big test here facing the top pick and some other classy veterans, but he has earned it the way he has raced in many of his starts so far this year. The first race that caught the eye came on March 14th, his seasonal debut. In that mile, after dropping back from post nine, he made a remarkable late move, motoring home in 26 3/5 to get up for what looked like an unlikely win at the three quarters. His most recent start was also impressive as he made two moves and powered away in 27 2/5 to take his third win of the year. The \$500,000 Harrisburg yearling was supposed to be at least this good and he could climb the ranks this year.

#2 MARS HILL likely needed last week's start considering it was his first race in seven months. I like that he had big gate speed to get to the front, and he followed Gaines Hanover but, like every other horse in the field, he couldn't stay with him. He gets to take a drop now making this second start back, and he will probably look for the pocket again. He will be sharper, and he can last longer and stay for a share tonight.

#1 SPARTAN GENERAL was one that I thought was over bet last time after getting a bit of a lucky trip the week before. As it turned out, he made a big late move from last at the top of the stretch but ran out of racetrack. He probably was best in there, but he couldn't win with that trip. This is a tough spot for him, but if he behaves, he will be passing horses late. He can land in the bottom of the Tri or Super.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 DIRTY LIL PIGLET was racing for only a \$9,000 claiming tag at Flamboro Downs when claimed by Des Tackoor, and he caught fire racing in that barn, now he shows up with a \$34,000 tag tonight in a race where he has a good chance. He took his third win in four starts for Tackoor and partner Ryan Willis here last week taking an aggressive approach and prevailing in a Pop Up series final while beating his previous lifetime best by more than two seconds. I'll give him the nod here starting from the best post in the sharpest form of his life.

#2 HEAD HONCHO is another coming off a new lifetime mark taken in a mile where he was racing off the claim. He steps up again tonight, but the way he won that last start suggests that he will be up to it. After dropping back early, he latched into third-over cover heading into the final turn and he looked loaded. When that cover stalled, he tipped widest and he stormed home to catch loose leader and favorite JJ Tommy. If he can repeat that effort tonight, he will be in with a good chance.

#3 JJ TOMMY was claimed out of the race where he was caught by Head Honcho and he delivered for a barn that has been clicking at a 24 per cent strike rate so far this year. That was just his second win of the year, but it was his fastest mile, and he is clearly peaking right now. He gets Louis-Phillipe Roy in the bike tonight and that teamster drove him to three straight second place finishes in March. He is another improved horse that is in with a chance in this race. He merits a look for multi-race tickets.

#4 HOWMAC VICTOR has been a consistent performer this year, taking three wins from 13 starts, and six other shares while taking smaller cheques in three of the other four starts. He is in good form right now and he will likely use his good gate speed to get position early then ride a good trip to another share. He is a good one to use on the bottom in this spot.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 LIKE CHAOS trotted a fast enough mile last week to win at this level on most nights. He got picked off late by a pocket sitter who got a perfect steer and trip, closing in 27 1/5 to snare the win. He has got closer in each start since Doug McNair started driving him on April 7th. He is in a field tonight where he should be able to control the pace again, and if he replicates last week's 1:54 2/5 mile, he will have a big shot of getting the job done. I'll side with him in this opening leg of the middle Pick 5 that starts here.

#9 CENTURY JAGUAR had to requalify on April 25th after breaking in two consecutive starts. He was aggressively driven on that morning by driver/owner Trevor Henry, and he went right down the road for a confident win. He had some good horses behind him in that mile, such as Hasty Bid and Griff, who have earned \$707K and \$357K respectively. I don't mind post nine in this race for him because he can float out and grab position near the front, possibly landing in the top pick's pocket. He also gets to drop to the level where he raced well and fell only a head short three starts back on March 17th. He is in with a decent chance here if he can stay trotting.

#7 DEVILS ARCH went off form in January and February with three poor efforts in a row and he was given some time off. He returned in the qualifier won by Century Jaguar on April 25th, and I thought he raced okay. He left the gate for position and immediately dropped into the pocket and followed to the top of the lane then got picked off by a much classier horse in Hasty Bid for second. He is another that has had gait issues that needs to stay flat, but I could see him getting another good trip racing close to the front and taking a share tonight.

#6 MARKET BANKER came off a sick scratch and a three-week absence last week, drew the rail which isn't always the best post for trotters, and he overcame all of that to close late for a nice win. He steps up now to face a tougher group and he will likely close for a smaller share this time. He is one that I would consider using on the bottom of Tri and Super bets tonight.

The Horseplayer's Journal by Garnet Barnsdale

#6 GOING FAST has been a good addition to the Des Tackoor barn since being acquired on March 17th, taking a win a second and two thirds in four starts. He added Lasix in his first start for the new barn on April 7th then went right down the road from this post position. He subsequently raced well three times in a row in the Popup Series. Last week, he paced a 54 3/5 back half and a 27 1/5 kicker despite being parked every step of the mile. When he was pointed to the middle of the track in the lane, he really motored in the final eighth of a mile to get up for third. He lands in a field here where it appears that there aren't many quick leavers. I think he can go right down the road starting from the best post.

#4 TANGO SEELSTER caught the eye of many handicappers and bettors last week based on his improved effort on April 21st where he finished fast to get fourth in a much-improved effort. He got over bet down to 2 to 1 last week and not much went right for him, but he did close in 27 1/5. Many of the bettors that hammered him down last week will probably abandon him tonight and that makes him interesting to me. I could see him leaving better tonight, and if he can find the pocket early, he would be dangerous. He is one that I would consider using in the middle Pick 5.

#2 KYLES ART tried the front end last week and he laid down some strong fractions, but he couldn't see it through. That was his second try at this level after winning racing off the claim and taking a new lifetime mark on April 14th. He is another one that will get overlooked at the windows and he races better when he can follow a helmet to the three quarters. He could get a nice covered trip here and go close tonight. I don't see him trying to cut the mile again.

#5 LETS GET ROCKED dropped to this level two starts back and finished third, then he was simply too far back last week. Still, he paced a 54 1/5 back half that featured a 26 3/5 kicker, but that wasn't good enough to land a cheque. Drawing better tonight should mean that he gets positioned closer to the front early in the mile, and his good late kick should play better. He can be part of the Tri or Super tonight.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 DJIMON was good in this class two starts back on April 21st although he did get picked off late as the 3 to 5 favorite. Last week, he stepped up in class and still got bet quite heavily, and he never really got into the race that night. Dropping back to sixth early racing against a sharp and classy Osceola worked against him as that rival dominated from start to finish laying down big fractions and not letting anyone get close. This Tactical Landing gelding gets to drop back to the level where he almost won two starts back and he picks up leading driver James Macdonald tonight. He has a big shot to lead all the way tonight.

#1 SPARKS FLY missed a cheque for the third time in his last five starts last week and his last win that came at this level six starts back dropped off his last five so he gets to take a class drop here to a spot where he should be more effective. He is seemingly a one dimensional front end horse when you look at his lines, but in his winning effort six starts back, he gave up the lead on the backstretch, repulled at the three quarters, and drove away from the field. He would be dangerous here if he can work out the same trip following the choice, and he seems to be the main threat to that rival.

#5 VERACRUZ has been racing well in his past six starts, finishing in the Exacta four times which included his only win this year in a women's driver race on March 8th. Last week, he trotted the fastest mile of his 36-race career while closing for second behind Pennteller Hanover who has been brilliant lately. He draws well here, and he will likely look to rally from mid pack again. He is sharp and he can be part of the Tri in this spot.

#3 SOUTHWIND DOMINO class drops here coming out of a fast race dominated by Osceola who just got faster as the race progressed. He has already taken four wins this year, although all of them came at levels lower than tonight's. Jody Jamieson sticks with him and he should improve enough on the class drop tonight to land a spot in the bottom of the exotics.

BEST BET: DJIMON

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 BLUE HUNT raced better in his last start when dropped in class, leaving hard enough from post 10 to get positioned in the top five, then trying a first-over move in the back half. His two- and three-quarter length defeat was a big improvement on his previous race where he only beat one horse racing one level higher. He gets to drop again to what is a new low in 2025 and a return to form seems likely. He was very good here last year racing at much higher levels than tonight's and he gets a key driver change to Travis Cullen tonight. I think he could blast off at the start, make front, and goes right down the road versus these.

#3 P L OZZY is a very fast horse when he is at the top of his game. You need to look no further than his 1:48 2/5 lifetime mark taken here last summer. He finished last season off form, finishing no better than sixth in his final four starts. He comes into this 2025 debut off two qualifiers, the second one much better than the first. In that qualifying mile on April 28th, he cut the mile to mid stretch where the pocket sitter, Open pacing mare Tells On A Roll pounced and drove past. This Kyle Fellows trainee finished 2nd under tight lines to James Macdonald, which should set him up for a good try here. It's quite possible that he will race in Blue Hunt's pocket for most of this mile, and that makes him dangerous in this spot. He is the other one I would consider using in the first leg of the ate Pick 4.

#6 THUNDER COUNTRY raced well to finish second in his local debut here on April 14th, then he stepped up in class and raced even better in his last start. In that mile, after dropping to the back early, he advanced fourth-over, and he took off at the eighth pole, getting into high gear to pass some rivals and finish third. He gets the best post tonight and he should be positioned closer to the front early. He is in the mix here, but I prefer to use him underneath the top two choices tonight.

#4 LOOKINLIKEAMILLION is a horse that never gets bet that has a penchant for notching big upsets. He raced much better last week, pacing a 54 2/5 back half and a 26 2/5 to just miss getting a cheque. While I don't see him beating the top two picks in here to blow up the tote board, but he could sneak into the bottom of the Tri or Super at what should be a big price.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 MISTER MAGIC is the only horse in this field that has recorded two wins this season, the most recent of which came two starts back, a solid win in which he produced a 27 3/5 kicker to get the job done. He has some obvious risk here being that he has broke stride in two of his last four starts, but he raced well in the two starts in his last four in which he stayed flat, and he should offer a square price because of those gait issues. I'm willing to take that risk here as this is a field that he can beat if he behaves. He returns in a week this time after missing 24 days before his last start.

#4 BUCK DANCER, the stablemate to the choice, raced well in four of his last five starts, the only blip being a forgivable start where he was distanced due to broken equipment. Last week, he was bet down to 35 cents on the dollar and driven accordingly on the front end, but he couldn't see it through. He has raced better when deploying a staking style and he will likely look to drop into mid pack and chase this week. He fits well at this level, and it wouldn't be a shock if he made amends tonight.

#3 EYES OF JUSTICE drops out of the Pop Up series where he chased dominant series sweeper Phoenix around the track three times and finished in mid pack. This should be a better spot for him to use his late kick, and I like that he gets Louis-Phillipe Roy back in the bike tonight. He isn't impossible in this spot, but it seems likely that he will close for a share. He has taken slices in 27 of 62 starts in 2024-25 and he will probably close late here and finish in the bottom of the Tri or Super.

#5 MYSTIC took a class drop last week that got the betting public's attention and they bet him down to even money fully expecting him to take advantage of a perceived class advantage and take a popular win. He was predictably made front, making his move to the lead in the third quarter, then he got swallowed up early in the stretch. He drops again tonight, but he is hard for me to back as the 5 to 2 morning line favorite at this point. I'll play to beat him tonight.

Race 11 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 ARUKIDINME CABBIE comes out of a Pop Up final that was won in very fast time for the class, and he didn't have much of a chance of closing in that 1:51 1/5 mile. Two starts back, he was much better in a mile that was paced close to two seconds slower. In that mile, he raced third-over to the last turn, peeled three wide following the eventual winner, and just failed to get up on the wire. That was the only time this year that leading driver James Macdonald drove him, and he returns to the bike tonight. That could be the difference in a field where only two of the entrants have won a race so far this year, him being one of them.

#8 HF PANS SHADOW is the other one in this field that has taken a win in 2025, and I thought his race at this level last week was pretty good. After sitting fifth through a slow 58 3/5 opening half, he pulled second-over following a rival that had been parked all the way to that point and would soon tire, forcing this gelding to make a three-wide move into the teeth of the fastest quarter of the race. That was a virtually impossible trip, but a vastly improved effort considering his previous start at Flamboro Downs. I think Hensley might roll him from out there tonight, and that makes him worth a look at a price.

#2 BETTOR OF THE WEST will no doubt get a lot of attention at the windows tonight coming into this race off a strong effort from post 10 in a Pop Up Series Consolation where he fired off third-over cover to just miss. Perhaps he was a bit unlucky there getting nipped by a rival that stayed in the whole way then stickhandled his way to a win. He fits well here, and he will almost surely be more aggressive in this spot. My only concern is his 1 for 27 record in 2024-2025 and it is on that basis that I am taking a shot to beat him tonight.

#4 BAYFIELD BEACH comes off a solid effort in the Pop Up Consolation where he finished third behind Bettor Of The West. He has yet to take a win this year after recording five victories in 2024. Last time he raced at this level four starts back, he sat the pocket throughout to finish 2nd. He seems like a good one to use underneath, but I am not prepared to back him to win at this point.

Race 12 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 SCINTILLATING TOM was driven more aggressively, and he raced better last week. After leaving in the pocket, he tried a first up move on the last turn, but he couldn't get close to the loose leader. He altered course to the inside in the lane and lost third last while trotting a 27 4/5 final quarter. He faced streaking Pennteller Hanover in his previous two starts and there are none like him in here. Expecting him to get an aggressive Doug McNair steer tonight, I give him the nod to close out the late Pick 4.

#6 ALLSUMMERLONG AS was purchased by driver Brett Macdonald for himself and partners on April 1st and shipped north to Flamboro Downs. He proceeded to trot three excellent miles over the Dundas oval in decent fields, winning twice and finishing a close second to classy 25-time winner Royalty Beer in the other race. He draws best here, and he is sharp and dangerous. He will likely get sent forward leaving the gate and he is a live player in here.

#2 PESO HANOVER has been right around the money in all of his last five starts, the last three chasing Phoenix in the Pop Up series where he had a clear class advantage. Remarkably, he has been racing third, exactly three lengths back in all of his last four starts. I think regular driver might be able to find the pocket this time and that makes him a threat. He would be no surprise in this spot.

#8 UPNAWAY BLUE CHIP was going well before he broke stride at the start of the Pop Up series final last week. He took shares in his previous three starts both racing close to the front and deploying a closing style. Doug McNair chose the choice over him, but he gets J.R. Plante as a replacement, and that veteran is having a fine season so far. This gelding – if he stays flat – could hit the ticket at a good price.

#1 GIGONDAS has been flashing speed lately and sticking around for shares, and he will likely get another covered trip here racing in the top four and land in the bottom of the exotics. He is a good one to use underneath in the Tri, Super, and High-5.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

| | CLAIMING RACES | ALLOWANCES | CONDITION RACES |
|-------------|----------------|------------|--|
| 2 year olds | 100% | | 50% on 2024 earnings |
| 3 year olds | 50% | | 25% on 2024 earnings 50% on 2023 earnings |
| 4 year olds | 25% | | 25% on 2023 earnings |

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("The Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
