Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

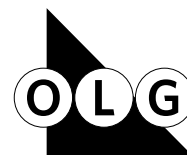

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

**WOODBINE™**

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Aadoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

**** Start of \$75,000 Guaranteed Pick 5 (1-2-3-4-5)**

Race 1 Selections**The Horseplayer's Journal by Garnet Barnsdale**

#2 UNCLE SHANK A got a 1:51 3/5 tightener in on April 26th against Nazare who was vicious that night, and he took a drop in class last week and he also got post relief. It wasn't surprising that he got more aggressive in that spot, but pulling into a strong early pace he got rebuffed by the leader and that was the end of his chances of winning that race. Finishing eighth twice in a row means he gets to take another class drop tonight. It's almost a surety that he will get driven with aggression by Trevor Henry again, and he will probably be tough to catch if he clears to the front this time. He gets top billing to kick off the \$75,000 guaranteed Pick 5.

#7 LAMBORGHINI LOU was an Exacta machine last year, taking 14 wins and 11 seconds in 33 starts for an impressive 76 per cent rate of landing in the top two in those races. This season has been a bit of a different story so far with him failing to finish in the top two in all five of his starts. There is reason to think that can change tonight. He gets class relief, dropping out of the same two races as Uncle Shank A. In last week's mile, he stayed glued to the inside and tried to close along the pylons in the stretch in tight quarters. He fired a 26 4/5 kicker to finish off his 1:50 4/5 mile, and if he can replicate that type of speed here, he can be right there versus these. He is another to consider for the early Pick 5.

#8 P L OZZY was bet down to the 2 to 1 second choice last week when making his seven-year-old debut, and as expected, he got an aggressive steer. After making front early, he was passed by the class dropping 6 to 5 favorite, and he followed that rival to the stretch. He tried to rally into the 26 4/5 final quarter and raced evenly while pacing his own kicker in 27-flat. He looked like a horse that would benefit from that initial start and he can be better here.

#1 WANNABEABIGSTAR took a win and a second in his first two starts after arriving from the prairies then he missed the board in eight consecutive starts. His effort last week where he passed a few rivals late could signal that his form is about to turn around. He is another that gets to drop in class here and he can get a piece in this spot.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 OSCEOLA was trying to set up a rally against Preferred Trot king Logan Park last week when he jumped it off coming off the final turn. His gait issues typically make him risky, but he showed what he can do when he behaves and stays trotting two starts back. On that night, he marched straight to the front, improved his position throughout the mile, and crushed a decent conditioned field in 1:52 1/5. This week's top class came up light with none of Logan Park, Gaines Hanover or Fashion Frenzie signed on. Key for this five-year-old Muscle Mass gelding will probably be getting regular driver Doug McNair back in the bike. He gets top billing here.

#5 QUEBEC HANOVER has a similar profile as the choice in that he has gait issues that come to the surface from time to time, but when he behaves and is sharp, he can be very good as shown in his 2024 record. Last season, he took nine wins, and seven other Exacta finishes from 36 starts, and he only broke stride three times. He already has a win at this top level on his card this year. That night, he sat the pocket for the first three quarters and pounced in the lane. I could see him getting a similar trip tonight if both he and Osceola stay trotting and that would make him a big threat.

#3 TOP MAST kicked off his four-year-old season with a couple of dominant wins against some overmatched rivals, then climbed the ladder. His past two starts stamp him as a contender here based on the late speed he showed in both of those races. That big kick will likely work much better in here with the big guns sitting out and it would be no surprise to see him sail past the leaders in deep stretch.

#2 PERFETTO comes off a decent effort in a non-winners of \$15,000 last five class that featured class dropper Ghostly Casper, who dominated the race on the lead. He was the first leader but found himself third at the half following some leadership changes. He enjoyed a good following trip and a clear shot at the head of the lane, and he closed willingly and got picked off very late for second. He is closing in on a million dollars in earnings, and he can sit a similar trip and land in the bottom of the Tri or Super again tonight.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 HEAD HONCHO is clearly a faster horse since being claimed by Clifford McGuire on April 7th. He stepped up one level in his next start two weeks later and produced a big late kick to win and take a new lifetime mark. He then stepped up to this level last week, and he closed in the widest path in a four across drive to the wire and fell inches short, an unlucky loser. He was in front one stride past the wire. The biggest improvement has come in his late speed; he kicked in 27 1/5 and 26 4/5 in those two races, after not pacing a final quarter faster than 28 1/5 in his previous eight starts. He should offer a square price starting from the widest post in this seven-horse field and I'll give him the nod.

#4 MAJOR FERNCO N turned his form around two starts back when he dropped to the bottom conditioned level and eked out a win as the 2 to 5 favorite in a slow race that featured a 58 3/5 opening half. Stepping up to this claiming handicap last week, where races typically go several seconds faster, he was let go at 49 to 1 and he produced a strong effort to blow up the tote board. After taking the early lead, he took a mid race shuffle then had to wait for room in the stretch. He fought his way through between horses and got his nose on the line a fraction of a second before Head Honcho. He equaled his lifetime mark, and he is clearly peaking. He could triple up here.

#5 DIRTY LIL PIGLET failed to get the job done as the 4 to 5 favorite last week when he finished a neck behind the top two choices in this race, but that was another game effort, and his ninth top three finish in a row. He will get put into the race again tonight, and you will likely get a better price if you still like him. He is another in with a shot in a race that looks very competitive on paper.

#6 B STONEY hasn't shown much in two races since being claimed, but he drew poorly in both of those starts, now he gets the best post. He also moves into Kyle Fellows barn tonight. He is capable of better than he showed in his last two starts, and it wouldn't be surprising to see him turn things around tonight. He is yet another possibility in what shapes up as a great betting race.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 SPARTAN GENERAL comes into this race off two very good efforts despite only managing to finish fourth and third in those two miles. Two starts back, he might have been over bet, but he did produce a strong closing effort in the lane from an impossible spot, but he ran out of racetrack when he was clearly moving best at the end of the mile. Last week, when facing class dropping Ghostly Casper, he flew late and was airborne, trotting home in 26 1/5. He fits well here, and he should get an honest pace to chase tonight. He can roll past these late if he is close enough turning for home.

#2 NASEY raced well last week and finished ahead of the top choice. He sat in most of the mile, then closed between horses late, getting up for second while closing ground on Ghostly Casper. He has been right there in most of his races, and he hasn't missed the top three in any of his last six starts. That he doesn't show any wins in those last six starts should help keep his price viable, and he is one that merits a look for early multi-race tickets considering how sharp he is currently.

#10 WILLOWTIME is 0 for 9 this year and has only taken one win in the last two years, but he is interesting here because he just finished chasing the very good trotter Paquet around the track in the Ontario Graduate series, and he got third in the final. He will likely offer a big price in this spot, and he has proven in the past that he can overcome the widest draw. He is worth a look as a potential longshot play tonight.

#1 PENNTTELLER HANOVER has looked like a potential superstar in some of his races this year, and average in some others. Last week, he made an early move to the front to make sure he would have the pocket when Ghostly Casper made his inevitable move to the top, and he enjoyed a good trip following the leader while a moderate pace was being set. He gave up three positions in the lane to closers, which wasn't a great result considering the trip he got. He will likely get bet here, and I'll play to beat him.

#1 SOUTHSIDE EDDY raced much better than the betting public thought he might last week, when sent off at 32 to 1. Driver J.R. Plante had him fired up early and he left like a rocket, but so too did Stormalong. So, this Carmen Auciello trainee accepted the pocket on the first turn then would get shuffled back to third. He sat back and watched a backstretch speed duel in the third quarter, then got off the pylons on the last turn and latched onto cover. He pulled widest trying to close and eventually evened out and got passed by two rivals. That was a solid effort from the widest post, and now he draws inside. Plante should give him every opportunity tonight, and he gets the call to take his second win of the year.

#10 ORDER ONE TO GO got a driver change to Louis-Phillipe Roy last week and that was perhaps the signal that all systems were go. He got bet down to 7 to 1 after going off at 37 to 1 the week before and finishing fifth, and last week he motored up in the lane to grab the win. He came within one fifth of a second of his lifetime mark, and he is right back in the same class tonight because he takes on a \$50,000 claiming tag. He has post 10 to overcome, but that should help his price. He is a threat to repeat.

#5 BLUE HUNT dropped and popped as expected last week and he showed some grit staving off a pesky first-over challenger. That was his second good effort in a row, and he is starting to peak. The step up isn't significant as he has beaten better than these in the past. He draws better tonight, and he should be blasting again. He is another that could do in here, likely racing on or near the lead most of the way.

#2 REIGN SUPREME came ready to fire in his 2025 debut at Flamboro Downs, taking a fast win for the class level, now he faces much better. He does have a knack for hitting the board though, having finished in the top three in 14 of 26 starts in 2024-25 and he could sneak into the Tri or Super at a big price here.

#2 PESO HANOVER raced great in defeat in Leg 1 of this series last week when you consider the trip he went and fractions that he pressed. A 55 1/5 opening half over that wet track that was assigned a one second variant should have killed him off like it did the others that were racing in the top four at the half. Instead, he had a clear lead in the stretch and almost prevailed. He should find the fractions more even tonight and he is the clear top choice here coming off that strong effort.

#3 MARKET BANKER raced well twice in a row following a vet scratch due to sickness on April 14th. He took his first win of the year in the first start back, producing a strong late kick and last week, his final fraction was even faster racing on a fast track before the rains came that night. He is clearly in the best form of this 2025 racing season, and he will likely be heard from late again in this mile. He is the other one that I would consider using in this opening leg of the middle Pick 5.

#4 ETERNALLY HANOVER has had frequent gait issues this year, even racing with trotting hobbles on, but last week he stayed trotting, got into the flow, and circled up to score a big upset. Clearly, he benefitted from the wild early pace and 59 3/5 back half, but he did make a nice late move to get up for the score. He is risky because he has made breaks in four of his last nine starts, but he should be good for a share here if he stays trotting. I prefer to use him underneath expecting that he won’t get the same slowing late pace to chase tonight.

#1 CRYSTAL BALLER has recorded only one win so far this year, but he comes off an improved closing effort last week in Leg 1 where he finished only a neck behind top pick Peso Hanover. Two starts back, he raced first-over and had a clear lead in the stretch before tiring to finish third. His current form is good, and I can see him getting another slice here using the same closing style he deployed last week. He is a good one to use on the bottom of Tri and Super bets.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 FADEAWAY HANOVER comes off three straight runner up finishes using different tactics in each start. He was beaten by three sharp rivals, though, and there is reason to believe that this will be the night that he takes his third lifetime win. In his most recent start, this Ben Baillargeon trainee was beaten by a colt that sat a perfect pocket trip and needed a 27 2/5 kicker to get past him. That rival came right back to repeat at this level at 9 to 5. This Chapter Seven sophomore gets the first time Doug McNair angle in his favor tonight and he is the one to beat.

#1 P L RAINBOW DASH only took one win in his sophomore season last year, but she amassed more than \$200,000 in earnings by finishing in the money in eight other races, many of them stakes. Her biggest payday came in last fall's \$300,000 OSS Gold Superfinal where she closed to finish a clear second behind Willys Home Run. Her May 2nd qualifier where she finished a good third behind \$700,000 earners Highland Kismet and Hasty Bid should have her all set for a sharp try in this initial start as a four-year-old. She fits well in this non-winners of three field and she picks up driver Bob McClure who has been hot recently. She is one that I would take a close look at when creating multi-race tickets.

#6 GRAMBLING HALL was probably spotted a bit ambitiously when he tried the Ontario Graduate in his four-year-old debut here on May 5th, and he missed getting a cheque. That mile served as a good tightener for his next start, however and he raced much better, showing speed and staying for third in a fast mile for this class. He draws best now, and he will likely get put into action leaving the gate again tonight. I could see him sticking around for another share in this spot.

#8 VERACRUZ was racing well at this level in late March and April, closing for second in two of three starts before missing three weeks. He then faced tougher non-winners of \$9,000 last five company and predictably missed a cheque. He returns to seven-day cycle now and gets back to the class where he fits best. I can see him closing from the back for a share here.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 TRUFFLES TOO gets to drop a couple of classes here and he attracts the leading driver in this spot where he seemingly holds a class edge. Consider that he raced in each leg and the final of the New Holland series and took cheques in all three races facing the likes of New Rules and Fashion Frenzie who are regulars racing in the top class at this track. This seven-year-old Mark Etsell trainee hasn't seen the lead in any of his recent races, but I think that changes tonight. I expect him to be sent to the front at some point in the opening half, then lead his eight rivals on a merry chase.

#9 CADILLAC MOON comes in off two starts where he blasted off the gate, found a pocket trip, and finished a clear second in both miles, at odds of 53 to 1 and 36 to 1. His 26 4/5 opening quarter speed that he flashed last week shows that he can leave from the widest post tonight, and aggressive teamster J.R. Plante likely won't be afraid to send him. I can see him working out another nice pocket trip and grabbing second for the third consecutive time.

#6 EYES OF JUSTICE dropped and popped last week in a solid effort. He got Louis-Phillipe Roy in the bike, and he drove him aggressively, going right for the lead and setting a strong early pace over the wet track. He let Mister Magic take the front late in the third quarter as they started to bend into the final turn, then he bravely re-rallied up the inside to nail that rival for the win. He gets the best post now, and I like that Roy takes the return drive. He faces tougher, but he is sharp, and I think he can get a share here.

#5 BELLA CAVALLA has been racing better recently, but she was surely over bet last week at this level when she closed as the 8 to 5 favorite coming off an eight-length defeat in the same class. She did race decently, closing for a small share while trotting her individual final quarter in 27 3/5, and she is sharper now than she had been for several weeks. I still prefer to use her underneath in this spot as I don't see her passing them all.

#7 J J TOMMY produced a big effort racing off the Amanda Riley claim to win two starts back, then he moved up in class and missed the board facing tougher foes. Dropping back down tonight to the class where he fits best should give him a good chance to resume his winning ways. In that victory on April 28th, he grinded first up for most of the second half then gamely pulled away from the pocket sitter who got a clear run up the inside in the stretch. The widest post in this seven-horse field isn't terrible because he can float out and find a spot then rally in the second half again. I'll give him a slight nod over another sharp rival that is lined up directly to his left that comes in off a sharp win.

#6 GOING FAST had a claim in on him last week when dropped in for a tag by connections that bought him privately and did well in five consecutive starts in conditioned races. As you would expect, he was raced aggressively, and he gamely took a new season's mark and provided those connections with a parting gift. He races off the Brett Lester claim now, draws best, and keeps the leading driver. He is likely going to be the one that the choice will need to pass in the lane tonight.

#5 LETS GET ROCKED was bet down to 9 to 5 second choice last week facing Going Fast, and he showed why on the racetrack by producing his best effort since being claimed by trainer Carmen Auciello. After blasting out and making front before reaching the quarter, he gave up the lead to Going Fast then followed him to the stretch. He got a clear run in the lane, but he fell a neck short in a fast mile. That was a solid effort, and he could get another pocket trip in this spot. That makes him a threat.

#2 TANGO SEELSTER has had a couple of sneaky good closing efforts recently and that's why he got bet in some of his races, but he hasn't been able to follow through on those miles. He gets a change of scenery tonight, racing off the Tony Montini claim, and it's possible that he could show sharp improvement. I prefer to use him underneath, but I won't be shocked if he rolls past the leaders at the tote board.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 SOUTHWIND DOMINO raced much better last week when dropped to this class level. He blasted off the gate then tucked in to follow another class dropper, the second choice that was intent on leading the way. He got clear sailing in deep stretch and came out to try the leader, but he couldn't reach him, although he was gaining at the wire while holding off the closers for second. He will likely offer a square price tonight, and I'll side with him in a tough race that has many possibilities.

#6 WILLYS HOME RUN had a terrific sophomore season, taking four wins and four seconds from 13 starts while earning more than \$431,000. The start to her four-year-old season has been kind of tough because she has faced both genders in some tough spots, most notably the brilliant four-year-old Paquet who was never getting beat in the Ontario Sired Graduate Series. She gets the best post here and a vote of confidence from the leading driver, and she should produce her best effort of the year tonight.

#4 MACALLAN was on a big roll in March, but the money he earned sweeping the Pop Up series forced him into the top class where he was overmatched. He dropped to the non-winners of \$15,000 ast five level last week, but he showed little after leaving from a wide post. Missing a cheque there allows him to take another class drop tonight. I think he will get involved in the race tonight and he could hit the board at a price this time.

#1 YANK MY HALO is one that I thought raced okay in defeat last week when stepping up in class. He left for position from the best post and was forced to take a seat when Sparks Fly showed intent to take no prisoners early in the mile. This gelding took a following trip and stayed game in the stretch while trying to close into the 27 2/5 final quarter. He did gain ground in the stretch, and I could see him getting a similar trip and landing in the bottom of the Super again.

Race 11 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 REIGNING CAPTAIN came out firing in his sophomore debut, producing a big final quarter to win going away. He took a new life's mark in that mile, and he faces a similar field here. He moved three wide early on the last turn, not interested in following the pocket sitter who was vacating that position at that point. He raced wide in the lane and easily drove away from his rivals. That was the best performance of his five-race career, and he still has some upside. I'll call him to notch the repeat understanding that he will be very popular at the windows tonight and won't offer much of a price.

#6 SOUTHWIND JUDGE raced well in his sophomore debut, but Reigning Captain was simply better. This Shawn Steacy pupil made front from a wide post and was overtaken by the even money favorite in the second quarter. He made a move out of the pocket on the final turn at which point Reigning Captain was moving widest. He paced home in 27 1/5 in defeat in what was a decent effort. He gets a driver switch to James Macdonald tonight, but I'm not expecting him to turn the tables because there was nothing wrong with the steer he got last week. He should be the main threat to the choice, however.

#4 PAC MAN HANOVER is another one in this field that comes in off a sharp sophomore debut where he broke his maiden controlling the race from start to finish. He was allowed to set a comfortable pace and steal a 30-second quarter going to the half. I don't see him being afforded that luxury in here by the top two choices. This is a much tougher spot facing rivals with multiple wins. I'll use him underneath tonight.

#7 STAY LONGER comes off two decent efforts where he finished third in both, most recently to a repeat winner in a fast race for the class. He was well back of the top two finishers that night, but he did stay game to win the race within a race for third. He looks like a good one to use on the bottom of the Tri and Super tonight.

The Horseplayer's Journal by Garnet Barnsdale

#3 RADIO LAB gets to drop to the bottom conditioned level tonight in a field with seemingly few contenders, and he comes off a decent effort where he trotted home in 27 2/5. He beat better horses than these earlier this year: the likes of Pikachu Hanover, Perfetto, Sid The Kid, when winning at levels higher than this. This spot looks like a fastball thrown right down the middle for him, and it seems very likely that Tyler Borth will point him to the front and control this race from start to finish. He is the clear top choice and tonight's Best Bet.

#2 MYSTIC raced better last week in the rain over a track that was wet but classified as fast. He left for position and took a shuffle, then in the stretch, he found some room between horses. It took him to the 1/16th pole to get into top gear, but once he got rolling, he was closing fast at the wire. He seems like the obvious threat to the choice, but I think if that rival brings his best race to the track tonight, this gelding will be racing for second.

#1 DELICIOUSSTONE DK has been racing well in this \$20,000 optional claiming level and last week, he was surely going to finish second to surging Market Banker if he managed to stay flat. He got out of gear at the eighth pole and couldn't get his stride back, eventually jumping it off. He had been sure gaited for several weeks prior to that miscue. He can be part of the Tri if he behaves tonight.

#7 BUCK DANCER closed as a team with Mystic late in last week's mile and he edged that rival for third while towering up on the far outside. He has been consistent this season, landing in the top three in 10 of his 14 starts which include four wins. I don't see him threatening the top pick tonight, but he can close for another share in this spot.

BEST BET: RADIO LAB

Race 13 Selections

The Horseplayer's Journal by Garnet Barnsdale

#10 SHOW STOP is one I am going to take a swing with on the class drop here in a field of 10 that show no wins on the past performance lines that appear in the track program. He made a mild late move in a race won by Blue Hunt last week, and that horse would be 1 to 5 in this field. His 26 1/5 kicker shows that he is sharp. Two weeks back racing at this level he was a closing fourth to a 2 to 5 winner that then stepped up in class and scored a repeat win at 49 to 1. The hope here is that Tyler Borth can get this gelding into the top five or six leaving the gate, then rally for the upset score.

#5 KINGSTON PANIC hasn't hit the board in any of his five starts this year, but he is the morning line choice because he faced much better horses than he faces tonight in all of those five starts. Getting in easier here should mean that he will get send hard off the gate as he was three starts back when driver Drury had him on the point in a 26 3/5 opening quarter. He is a threat to lead all the way, and he is the other horse that I would use on late multi-race tickets.

#9 BETTOR OF THE WEST comes off two solid efforts, but he did fail to get the job done as the 3 to 5 favorite last week. He will probably take win action again tonight and it's hard for me to get behind that when he is 1 for his last 33 dating back to November of 2023. He seems likely to close for another slice tonight.

#8 ID IMAGINE improved last week when he raced at this level, passing some rivals late to get fourth, finishing about four lengths behind Bettor Of The West. He will likely drop back and look to rally again, and he could sneak into the Tri, Super or High-5.

#6 ENFORCER comes off his best effort in several weeks where he made a late charge for third. He draws best here, and he will likely get positioned in the middle of the pack early. He is another closer to consider using on the bottom of Tris, Supers and High-5s.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2024 earnings
3 year olds	50%	25% on 2024 earnings 50% on 2023 earnings
4 year olds	25%	25% on 2023 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

THE MORNING LINE reflects the track oddsmaker's estimate of what each horse's odds will be at post time. The actual odds are established by the amounts wagered by the public on each horse in the win pool.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
