# Betting Basics

Some essentials to get you started with making a wager.

## 1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

**To place a bet here are just 5 things you need to know:**

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

**Hello, (Racetrack), race 6, \$2 to WIN on Horse #4**

**How to use a self-serve terminal:**

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

## 2 Types of bets

**Single horse bets (minimum \$2.00 bet is required)**

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

**Exotic multiple-horse bets**

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

\* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

## 4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

### Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

### Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

### Helpful facts for betting

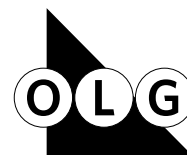

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

### 3 Tips to remember

**WIN BETS** on the FAVOURITE pay 32% of the time  
**PLACE BETS** on the FAVOURITE pay 53% of the time  
**SHOW BETS** on the FAVOURITE pay 67% of the time

\* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Aadoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

#### Race 1 Selections

#### The Horseplayer's Journal by Garnet Barnsdale

**#8 SPOILED BEAUTY** was beaten only three quarters of a length last time, the victim of trip and racing luck in a spot where she could have won if she had a clear lane to race in the stretch. After settling in fifth early after leaving from the rail, she stayed in on the inside in the third quarter and got shuffled back to a very tough spot where she was the fourth one back on the inside. When the field straightened out for home, she had pace and started to close. After getting shut off in mid stretch, she was angled out and she finally found a lane to race but she had lost some momentum from making that sideways move. Once she got into high gear again, she got airborne but ran out of racetrack. I like the eight hole better than the rail post for her and I'll give her top call in this opening leg of the \$75,000 guaranteed Pick 5.

**#2 CHARLOTTE STATION** was a \$300,000 Lexington purchase by Determination that hinted at having some ability at two last year without breaking her maiden. She chased 2024 Horse of the Year, undefeated Chantilly, around Mohawk in a qualifier on May 2nd, and that was all she needed to be primed for her sophomore debut six days later. Post nine was no deterrent to her, she headed for the front and cleared passing the opening quarter. After giving up command, she was confidently popped back out of the pocket on the last turn where she forged ahead and went on to crush here maiden rivals. She steps up to non-winners of two to face tougher here, but that was an impressive mile, and she is in with a shot to repeat.

**#7 SOMETHING IN BLUE** didn't set the track on fire in two starts at two last year, but her two qualifiers leading up to her sophomore debut clearly showed that she matured and is a much faster filly at three. She was expertly driven by Tyler Jones in her first start, getting a 59-flat half on the engine and outsprinting a persistent rival in the final quarter. She got another good drive and trip to double up and she is another sharp filly to consider for the early Pick 5.

**#3 DUCHESS DEO** was fast at two, taking a mark of 1:52 4/5 here on September 3rd. She tasted some stakes in Kentucky in her following two starts and those fillies were too tough for her. She fired a fast kicker in her lone qualifier leading up to this race, but this isn't an easy spot. I prefer to use her underneath.

## Race 2 Selections

## The Horseplayer's Journal by Garnet Barnsdale

**#1 SEA LIFE HANOVER** comes off a solid effort in a fast race, and he is the one to beat here after he dropped six seconds in three starts over a span of two weeks. In his last start, he blasted off from post seven, then accepted the pocket when it became obvious that the horse that started from the rail was intent on setting the pace. He followed well and started to rally in deep stretch where he moved between horses in a three-horse battle to the wire. He came out on the short end of that battle, but he was accelerating at the wire. I can see him taking control of this race in the second quarter and leading all the way from there.

**#6 TORQUE DELIGHT** produced his best effort in his fourth start of the year last week after dropping to the back from post five, and he can be a contender here if he leaves hard enough from the best post to get position closer to the front, which I believe is likely to occur. Hot driver Bob McClure got a test drive last week and he found that this colt can produce big late speed (55 1/5 back half and 26 3/5 final quarter). It seems likely that he will want to sit closer so that he can capitalize on this gelding's late kick. We know he can leave the gate quickly because he led all the way when he broke his maiden at Grand River last September. He is the other one that I would consider using in the Pick 5 in this race.

**#7 MAGICAL BET** is another one that produced a good closing effort last week that is worth a look in this spot. He was lined up fourth-over around the last turn, and he moved to the widest lane at the top of the stretch. From there, he closed gradually while coming home in 27 and change for the second straight race. He was only two lengths behind the top pick in this race at the wire, and he can close for a share in this field.

**#8 HELLO DARKNESS** has failed to convert when heavily bet in all three starts so far, twice going off at even money and the other time closing at 2 to 1. He will likely take action again here, but he has his work cut out starting from the eight hole. I'll use him underneath expecting him to close for a share again.

**#1 GENTRIFY** comes off a decent sophomore season where she took three wins and five seconds from 15 starts and she took a fast mark at this track. She also paced to a second sub-1:53 win at Pocono Downs and paced a 1:49 3/5 mile at The Meadows over a good track that was assigned a one second variant. So, we know that she is fast enough for these non-winners of three. Her two qualifiers should have her ready. She made a couple of moves to win on May 2nd, then she chased one of the best older male pacers on the continent and the two best older mare pacers in Canada while finishing fourth. Dropping four seconds there should have her primed for this 2025 debut, and she gets top billing here.

**#4 COCCO PUFF POWER** smoked a non-winners of three field three starts back, then had two trips where she tried to race from off the pace which probably isn't her best trip. The key tonight can be that she gets Doug McNair back in the bike. He drove her to that blowout 1:52 2/5 score three starts back and he also drove her four starts back and was aggressive with her. He might try to bottom out the field here, and he could very well succeed.

**#6 LANESIDE INCONTROL** didn't start her career until she was three, but she made her connections patience pay off when she won four of her first five starts and finished in the top two in all of her first seven starts. Things went awry for her in the Harvest Series final where she was apparently sick, and she got distanced. Veteran trainer Brethour gave her one good qualifier over Kawartha Downs which should have her tight for this four-year-old debut. We already know that she fires fresh because she won her debut. She should be a threat tonight.

**#3 LOVE ON ME** is one that I thought raced much better last week when she finished third to two class dropping salty older mares, either one of which would be favored in this field. In that mile, she left from the best post to get position, then she rallied from third-over and won the race within the race to get third. Tyler Borth takes the return drive here and this mare is worth a look off that improved effort. She could provide some value to early multi-race tickets.

## Race 4 Selections

## The Horseplayer's Journal by Garnet Barnsdale

**#8 COVER BAND** raced well in both starts this year, and although he didn't get the job done as the 1 to 5 favorite last week, I think he can make amends for chalk bettors here at what should be a better price. In that mile last week, he spent most of the first turn hung out three wide, and still he marched on looking for the front. He gained control at the half and immediately came under attack from an ambitious longshot. In the lane, he drifted out a few lanes while still trotting hard, but the pocket sitter took advantage and passed him on the inside. He trotted hard right to the wire, and he gets top billing tonight.

**#2 FRENCH VODKA** will no doubt take a lot of support at the windows tonight drawing a much better post after getting in what should serve as a good tightener last week in his sophomore debut. In that mile, he was taken back to last, and he didn't make a move until midway on the last turn. At the head of the lane, he had to idle for a second or two while making his way around a rival to get to the far outside. Once he was shown clear racetrack, he powered home to grab fourth. He should be all set now and Team Christoforou scored a double on the trot the other night.

**#9 RITCHIE RICH** blew up in his sophomore debut, but he has been terrific in this class since, taking two wins and two seconds while deploying a variety of racing styles. He has already shown that he can win from post 10, so the nine hole isn't much of a concern tonight. He has turned up his last speed in his last couple of starts and there is no reason to believe that he won't be right there at the wire again tonight for Team Ratchford.

**#1 WILDTURKEY HANOVER's** race two starts back when narrowly beaten by a rival that was winning for the third straight time identifies him as a contender in this spot. Last week, he predictably dropped back to last when leaving from post 10, and he made a nice wide move in the final quarter to dead heat for the final cheque. He gets the rail tonight which sometimes isn't much better than post 10 for a trotter, but last time he drew that post he got away sixth. I see him as a late threat here and he can win if the trip goes his way.

**#6 WESTERN WISH** was winning racing several levels higher than this only five starts back, and she gets needed class relief tonight. Last week, she made a middle move to the front then stopped which is a bit concerning, but starting from the best post tonight gives her a good chance to head straight to the front leaving the gate then controlling the race from there. Last time she raced at this level on February 28th, she took the lead in the second quarter and led all the way from there. She should be tough in here if she makes front as expected.

**#4 MS QUICK SAND** comes out of the same race as the top choice and she finished a length and a half behind that rival when trying to close from the back. She is another that gets needed class relief in this spot, and a good post to work from. Last time she raced at this level, she was stubborn in defeat to the mare that starts from post nine in this race. She is another that will likely be driven more aggressively in this spot, and I wouldn't be surprised if she works out a trip racing in Western Wish's pocket. She would be dangerous off that kind of a trip, and she is one that merits a look for multi-race tickets.

**#9 COZ IM SPECIAL** comes off a win over Ms Quick Sand but she subsequently missed her next start due to a vet scratch. That makes her risky in here, but the missed time will also likely be baked into her price as some bettors will be reluctant to back her. She has had incredible recent success with Doug McNair driving, winning every one of the five races he has driven her in dating back to February 28th. She won by three quarters of a length or more in each of those starts. She has shown that she can overcome a wide draw and if she is sharp enough, she can be right there again tonight.

**#8 SHES GOT IT ALL** has taken money at the windows in all of her starts this year, but she hasn't had much pop in any of those three races. She is another one that should appreciate the class drop tonight, and Louis-Phillipe Roy sticks with here. She is one to keep in mind for deeper multi-race tickets. Her best race puts her right there with these.

### Race 6 Selections

### The Horseplayer's Journal by Garnet Barnsdale

**#6 CONTROL ROCKS** was bet down to 6 to 5 favorite last week based on his good sophomore debut the week before. In that mile, he took back at the start then commenced an outside move at the half. He ended up third-over on cover that never advanced much so he was peeled to the far outside turning for home. He ran in a couple of times in early stretch and had to be steadied, but once he got his stride straightened out, he flew late, and he was going best at the wire. Flash forward to last week where he followed cover racing second-over to the stretch. He didn't kick into high gear until deep stretch, but he was gaining fast when the wire hit, and he fell one stride short. He draws the best post now, and he gets the nod to break his maiden in this fourth start.

**#7 NOVA BLU** was dead on the board last week despite coming off a strong first-over effort on April 25th where he was game in defeat but provided perfect cover for the favorite that night. Last week, he settled in mid pack early then commenced an outside move at the half. He ended up following the eventual winner to the head of the lane, and he gained on that winner gradually in the stretch, pacing a 27 2/5 kicker without threatening him for the win. He has shown that he can take a lot of air and keep advancing, and he will break his maiden soon, maybe tonight.

**#1 SILKY CHOICE** was bet down to favorite last week based on his good sophomore debut the week before. In that initial start of 2025, he got plugged in sixth early in the mile, moved third-over around the final turn and closed with good energy to finish fourth, while coming home in 27 1/5. It was logical to assume that moving to the three hole he would get a faster start and better position last week. But he was fourth-over turning for home, and once he was pointed to the far outside, he closed well again, winning a late battle for third by out finishing another closer. He is another contender in a good betting race, but the rail post could be a negative for him.

**#8 MASTER OF FIRE** had three qualifiers for this three-year-old debut, each one better than the other. Most recently, on May 9th, he produced a sub-28 kicker for the first time this year. He is improving, but this isn't an easy spot for him. I don't see him beating all of the top three choices, but he can be part of the Tri or Super in this spot.

**BEST BET: CONTROL ROCKS**

#### Race 7 Selections

#### The Horseplayer's Journal by Garnet Barnsdale

**#5 WICKED EXPRESS** put it all together last week after finishing second in four out of his first five starts, and he wired the field from the rail post to score his maiden win, which is typically no easy feat. He made sure he was going to lead to the half by cutting a 27-flat opening quarter and a 28 3/5 second quarter. He brought a clear lead to the stretch and held the horse that got a good second-over trip safe on the wire. The 1:52 2/5 mark that he took that night is the fastest mark of any in this race. He gets a better post tonight, moving to the middle of the gate, and he gets the call to repeat to kick off the late Pick 4 that starts right here.

**#1 MISTY COVE** was driven aggressively for the first time last week, and it paid off with a 1:52 4/5 score. After closing in 26 4/5 in his previous mile with little chance to close because the leaders weren't losing down late, he was moved earlier in the mile last week. He tracked a fast opening half, then pounced in the third 29 3/5 quarter, attacking the leader with a quick brush and taking over command around the last turn. From there, he kicked away to open up a lead that he would preserve to the wire, holding off the rival that followed him in the back half. Off that strong winning effort, he figures to be the main threat to the choice tonight.

**#4 CAPTAIN HURLEY** faced a tougher non-winners of two field last week when starting from a wide post, and the betting public had him tabbed correctly as an 86 to 1 shot in that race. He performed as might be expected in that 1:51 2/5 mile, closing mildly for sixth in an okay effort. Two starts back, he kicked home in 26 1/5 to finish second to a sharp winner at tonight's class level. He should be much closer tonight, and he can be part of the Tri.

**#6 CHARLIES WISH** has a profile similar to Captain Hurley's. Two starts back he set the pace racing at tonight's class level then he was simply in too tough last week, compounded by drawing the worst post. Now he moves to the best post, and he will likely show speed and stick around for a share again.

#### Race 8 Selections

#### The Horseplayer's Journal by Garnet Barnsdale

**#4 BUCK DANCER** is a four-time winner this year taking on eight rivals tonight that have taken a total of four wins between them from 69 starts. That math leads me to the conclusion that this is a good spot for the 29-time winner. The elephant in the room though, is the break in stride that he made last week that took him out of the race. I liked that he trotted a 27-flat final quarter to get back in the same area code as the rest of the field. He has made only two breaks in stride in 15 races this year, so I am willing to give the Carm Auciello trainee the benefit of the doubt and give him top billing tonight.

**#2 THE CANAM BANKER** returns quickly after contesting the Pop Up series on Monday night and he appears to fit better in this field. In that mile on Monday, he made a move to the front in the second quarter in a pace that was simply too fast. His individual times for the first two quarters were 27 <sup>3</sup>/<sub>5</sub> and 27 <sup>4</sup>/<sub>5</sub> and that was an unsustainable pace. It was no surprise to see him back up in the back half. If he is deployed aggressively again tonight, he should get a much softer pace, and that makes him a threat in this spot. He is the other one that I would consider using on late multi-race tickets.

**#3 GIGONDAS** ha faced tougher than these for several starts in a row and he took a couple of small shares versus dominant Phoenix three and four starts back. He exits the same race as The Canam Banker, and he finished ahead of him, but he got an easier following trip tonight. On paper, he should be a threat in this easier spot tonight, but you might want to keep in mind that he is currently on a 34-race losing streak dating back to 6/7/2024 before you run to the windows.

**#6 SUSHI BAR** is an honest sort that gets driven every race by Hall of Famer Doug Brown. He always deploys a closing style, and he typically passes some rivals in the back half of his races. He comes off a decent effort where he closed for third behind an impressive winner after starting from the best post. He draws the same post six tonight, and he can sneak into the Tri or Super.

**#7 ITS A LOVE THING** kicks off her four-year-old campaign here coming off a stellar sophomore season where she won seven of 14 and took a signature Grand Circuit win here with an eye-popping first-over win in a sparkling lifetime mark of 1:48 2/5. She qualified fast enough to suggest she will be ready for this 2025 debut, following one of the fastest male pacers in North America around the track. Her class is undeniable, and she should be able to make a smooth transition the older mare pacing ranks based on the speed she showed last year. I'll give her the nod despite her drawing widest in this field of seven.

**#6 CAVIAR N CRACKERS** is certainly the now mare in this division, isn't she? She stepped up to this level on May 2nd coming off a strong conditioned win, and she was let go at odds of close to 8 to 1. She powered home in 26 1/5 to get up on the line in a new lifetime mark. So, last week, she took a little more action, closing at 5 to 1 which proved to be value when she once again towered up late from far back to get the job done. I'm not sure there is a sharper racehorse on the grounds right now. Her deep closing tactics always makes her risky, but as long as she is firing 26 final quarters, she will be in the mix at this top class level.

**#1 CENTURY JAMILA** was on fire here from mid February to mid April, winning six straight, including four in a row at this Fillies and Mares Preferred level. As it goes, though, none of them win them all and she comes off two straight losses where she raced well and got beat by sharper mare Caviar N Crackers. I'm inclined to use her underneath in this spot tonight facing the top choice who is her stablemate, but I also won't be shocked if she trips out and takes a win tonight.

**#4 TELLS ON A ROLL** took a bit of action for her second start back and she started third then elected to not race first up. She ended up blocked for most of the stretch down on the inside, although in deep stretch she didn't appear to be raging with pace. She won several times at this top level in 2024, and she will likely return to that form in the next few weeks. For now, I think she is best used underneath.

**PROBABLE FAVOURITES: 4-7-9-3**

**#4 LADYTERRA** looks for the Pop Up series sweep here coming off the best performance of her life last week. In a field with seemingly only two main contenders, she asserted herself early from the rail, and was defiant from the moment she took command. After setting a fast opening quarter, she got hooked in a mid race war with the second choice, an all-out battle that saw them pass hit the three quarters in a sizzling 1:22 3/5. She saw it through to take a new life mark of 1:51 4/5. There is typically lots of action in these finals, but she is battle tested and resilient and she gets top billing.

**#7 LADY GET LUCKY** did well to finish only a length and a half behind the top choice considering that rival rebuffed her mid race attack at the half, and she was hung first-over for the rest of the mile. That was a string effort considering the extreme fast pace that she contributed to. It was her second good effort in this series, and she could perhaps turn the tables on Ladyterra here if she can work out a better trip. She is the other one that I would consider including on late multi-race tickets.

**#3 CHEESE PARTY** was able to get a quicker start than she typically does last week, and that made the difference for her. She got a good trip to the three quarters where she was moving first-over, and she was able to chase down the leader. I think in this full field racing for \$25,000 she will get outsprinted by many of these leaving the gate, then pass some of them to take a small share.

**#9 ONE LAST BET** benefitted from the breakneck pace last week, and she was able to close for second, splitting Ladyterra and Lady Get Lucky. Starting from a wide post tonight, she will likely drop to the back, so a small share is likely her ceiling. She is a good one to use on the bottom, though.

**#2 TRIBAL DANCER** has sat two good trips in the preliminary legs and landed fourth in both. Starting from an inside post, I think we can expect more of the same from her tonight. She is worth using in the bottom rungs of the Tri, Super, and High-5.

## CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2024 earnings
3 year olds	50%	25% on 2024 earnings 50% on 2023 earnings
4 year olds	25%	25% on 2023 earnings

### ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

**THE MORNING LINE** reflects the track oddsmaker's estimate of what each horse's odds will be at post time. The actual odds are established by the amounts wagered by the public on each horse in the win pool.

### C.P.M.A. Regulation Changes

Effective January 1<sup>st</sup> 2012  
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

#### Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1<sup>st</sup> leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

## EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: [cpmawebacpm@agr.gc.ca](mailto:cpmawebacpm@agr.gc.ca)

## RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

### GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("The Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: [cpmawebacpm@agr.gc.ca](mailto:cpmawebacpm@agr.gc.ca). A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

### ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

### DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

### EXACTA (Also known as Exactor)/TRIFECTA (Also known as Tractor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

### SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

### JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1<sup>st</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup>.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

### PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

### PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

### PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

### PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

### PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

### REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

### COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

### FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

### LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

### ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

**WOODBINE MOHAWK LIVE:** Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
