Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

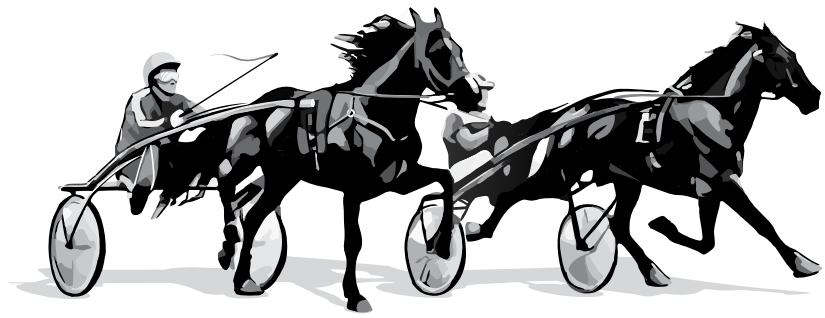

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

WOODBINE™

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 HUNGRY MAN has ramped up his late speed recently, and in his most recent start, he flashed home in 25 3/5 which was the fastest final quarter of his 81-race career. Two starts back, he appeared to be spinning his wheels in the stretch when he kicked into another gear in the final sixteenth which was part of his 26 3/5 kicker in that winning mile. He moves from the worst post to the middle of the gate, and I think Doug McNair will find the pocket with him early, following likely favorite Nazare. If he can get that trip, I think he can score the upset here. He gets top billing to kick off the \$75,000 early Pick 5.

#4 NAZARE last week dropped back down to the level where he took his lifetime mark of 1:49 2/5 three starts back, and he raced much better on the lead. Unfortunately for him, he set a fast enough pace so that the two sharp and classy rivals following him could just sit in unstressed to the three quarters, saving every ounce of energy for the stretch. He got passed by both of them, either of whom would probably go off as one of the favorites if they were in this race. He draws perfectly here, and he should be able to make front with little effort early and perhaps steal a breather this time. He is the one to catch and beat.

#1 LEGION SEELSTER worked out a winning trip racing one class lower than this when he had the rail post two starts back, then he had no chance trying to close from ninth in a mile that was paced in 1:49 3/5. Moving back inside gives him a better chance tonight. I don't see him beating both of the top two choices, but he could sit a good trip and sneak into the bottom of the Tri or Super at a big price.

#10 CODENAME CIGAR BOX figures on paper on the class drop, but I'm not sure what trip he can get from post 10 when he almost certainly will be out sprinted by at least three of his rivals heading into the first turn. I think he will be forced to take back and try to make a late rally, and a smaller share is likely his ceiling starting from post 10 facing some fast rivals to his left.

Race 2 Selections

#6 **CHANTILLY** kicks off her sophomore campaign following a flawless and outstanding rookie campaign that earned her the 2024 'O Brien Award for Horse of the Year. She approaches her sophomore campaign with great ambition, her connections having paid her up to the North America Cup and a possible clash with the best three-year-old male pacers in North America. Tonight, though, we concentrate on this initial start, and she absolutely lays over this field. It would be a massive upset if she got beat for the first time in this race that is restricted to Ontario breds. Her presence in the early Pick 5 makes it into a Pick 4 in reality, but that's okay because the takeout on the early Pick 5 is only 15 per cent. I think the approach we take here is to take the free square and move on.

#3 **PERFECTLY CHIC** is a very nice Betterthancheddar sophomore, but she was certainly over bet last week when she got pounded down to 4 to 5 facing some good older mares including the winner who has produced two stunning winning miles in a row. She did well to close for second, pacing a sub-27 second kicker for the second race in a row, and she can be an Exacta player tonight. One thing is for sure: you will get a lot higher than 4 to 5 tonight if you think she can slay the queen.

#2 **WICKED N SINGLE** was good in her 2025 debut, making a sustained first-over bid after leaving from post 10 and staying game to the wire while pacing her final quarter in 27 1/5. The sophomore McWicked filly has credentials to get a good piece of this: She was the winner of last year's Battle of the Belles before being set back due to a pylon violation, and she was stakes placed in a Grand Circuit race. She should be able to work out a nice trip from her inside draw, and she is a good one to use underneath tonight.

#5 **MILLIE MAY HANOVER** is still a maiden, but she was raced ambitiously at two, trying some of the best in the Breeders Crown, a race that Chantilly was not eligible to. The winner of that race, Miki N Minnie, beat this filly by only a half length in the Meadowlands qualifier on May 2nd then crushed in a PA Allstars race in 1:51-flat. It's extremely unlikely that this full sister to millionaire Mirage Hanover will get that maiden win tonight, but she could get a piece at a price.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 LITE UP THE WORLD looked like he could be any kind and that the sky was the limit for him last year at two. His debut mile featured a wicked closing effort where he motored home in 25 4/5 to just miss. He followed that promising mile up with two identical 1:51 3/5 wins one at 1 to 5 and the next at 1 to 9. He was made the 1 to 9 favorite in the Dream Maker final with bettors fully expecting his win skein to continue. He broke at the start of that race and was distanced, and he wasn't seen again at two. He came out firing as a sophomore on May 3rd, taking over the lead at the half, then uncorking a 53 3/5 back half to beat a good colt in TH Kay C Crunch. This colt is paid into the North America Cup, and this is a race that he is supposed to win if he is the real deal, but he is sure to be a huge favorite again.

#8 BLUE BAR, a multiple Grassroots winner at two, raced much better in his second start this spring. After leaving well enough to drop in fourth, he stayed in and took a shuffle to the far turn. He found a lane in the stretch but was still fifth at the stretch call. He really kicked in late to get second to a strong 2 to 5 shot in a good effort. He can round out the Exacta again.

#4 GRIN AND WIN raced Monday night here in an easier field, but he really turned it up a notch, firing home in 26 1/5 to just miss. He dropped five seconds, and he paced the fastest mile of his life in defeat. It's a tall order to get to thinking he can beat the choice, but a similar effort here coming back quickly can get him another share.

#1 SMILING DANCER was bet down to 2 to 1 last week after finishing 5th to Lite Up The World on May 3rd. In that first start of the year he paced home in 25 4/5 and last week, he seemingly was facing easier which are probably two of the factors that contributed to him getting bet. As it turned out, he tried chasing down a strong favorite by moving first-over into a 27 2/5 final quarter, and that wasn't going to work. I think he sits and looks for a covered trip tonight, and he can close for a small share.

BEST BET: LITE UP THE WORLD

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 GREEN GLIDER is vastly improved at three based on what we have seen from her first two starts this month. Her first race was terrific and last week's elimination win was even better. In her sophomore debut on May 1st, she dropped back to last of nine from the widest post, then moved outside past the half and ended up on fourth-over cover. In the stretch, she cut inside and closed with a flourish for third, trotting a 26 3/5 kicker which was the fastest final quarter in the race. Flash forward to last week's winning mile, she was able to sit a little closer after starting from post seven and when she moved widest turning into the stretch, she absolutely stormed down the centre of the track to swoop past the leaders, in the process trotting past a filly who had won three straight. She couldn't be going any better right now, and I'll call her to score the upset.

#3 MONALISHI returned to the races in excellent form last week, easily taking her elimination win as the 1 to 9 favorite. She took over the lead at the half, then took a 30-second breather to the three quarters. Not that she needed any help, but she was gifted a big lead on the last turn when the pocket sitter broke stride. She cruised to the wire under no James Macdonald urging whatsoever, and she is the obvious filly to beat in here.

#1 LIL SWEET was bet down to 3 to 5 last week, no doubt partly because the last mile on her card from 2024 shows her upsetting Monalishi in the \$300,000 Ontario Sires Stakes Superfinal. She raced first up last week in what should serve as a good tightener for this final, but she has her work cut out starting from the tricky rail post. It's fair to assume that Doug McNair will look to find her a covered trip tonight, and if he does, she is in with a shot at a much better price this time.

#8 SPRITE SEELSTER is another filly that has come back strong at three, and her identical final quarters of 27-flat in both of her starts for a purse shows how much she has improved. Last year, her fastest final quarter time in seven starts was 28 3/5. She is in tough here starting from a wide post, but she should close for a spot in the Tri or Super.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 CENTURY INSPECTOR was bought privately on April 1st and moved into trainer Carmen Auciello's barn, and he didn't have much luck in his first four starts, hitting the board only once. The lack of success in those four starts had a bit of a silver lining though; that enabled him to stay under the earnings threshold to qualify for this Pop Up series. He was dynamite in the two preliminary legs, leading all the way in the first leg then making a winning first-over move in leg 2. He took a new lifetime mark last week, and he couldn't be any sharper. He has shown that he can win on the lead or from slightly off the pace, and he gets the call to compete the series sweep.

#6 LARCENY was well driven by Billy Davis Jr. in both preliminary legs of this series where he provided the five-year-old gelding with good trips in both miles, and the results were positive. In the opening leg, after blasting for position and getting shuffled back to third at the half, he elected to stay in, and it worked out as he got room at the head of the lane and rallied for the win. Last week, he once again left hard and rode a pocket trip to a close second-place finish. He can be a threat here from close range in a race that should have some mid race battling. It wouldn't surprise me to see him rally for the win in deep stretch.

#8 SERIOUSLY HANOVER got the leading driver in the bike last week, and he sent him right down the road for his first win of the season. He had no problem blasting off the gate from the nine-hole and clearing to the front which is interesting when you consider the last time he did that before last week's race dated back 21 starts to December 30th, 2023. That is the effect that James Macdonald can have on a race. Now, this gelding moves in one post and the strategy will likely be similar. It would be no surprise to see him blast and last in this Pop Up series final.

#2 LIVINTHEBEACHLIFE skipped leg 1 of this series and he showed up last week instead and he got bet down to 5 to 2. He was put into the race at the start, and he led to the far turn where he couldn't match Century Inspector's turn of foot. He will likely get outsprinted early by at least a couple of rivals starting from better posts. He will probably race from mid pack, take a covered trip, and land in the bottom of the Tri or Super.

SPOT PLAY: CENTURY INSPECTOR

Race 6 Selections

The Horseplayer’s Journal by Garnet Barnsdale

#7 **GALEN ERSO** entered his sophomore debut in the elimination for the SBOA final off one even qualifier at The Meadowlands that was trotted two weeks previous to last week’s mile. Drawing the rail, he was driven conservatively early, landing in sixth and following to the far turn where he popped out onto third-over cover. He had to wait briefly in the lane because the leader drifted out and veered across the track into about the 10 path. Once he got into high gear, he closed well on eventual winner Day. That mile should have him perfectly primed for this stakes final, and I expect that he will get a more aggressive steer starting from a better post tonight. He gets top billing in this opening leg of the late Pick 5.

#4 **DAY** took some interesting tote action last week considering his two qualifiers in April that were just okay and the way he finished off his rookie campaign, breaking stride in two of his last three starts. But the action that came in turned out to be smart money. He moved well on second-over cover around the last turn then he cut inside the drifting leader in the stretch and zoomed to the front then held off Galen Erso. He beat his lifetime mark by more than four seconds with that win, and he should be right there again tonight assuming that he minds his manners and trots for the whole mile. Louis-Phillipe Roy sticks with him over the other Luc Blais trained Determination entry tonight.

#6 **LOOKATMEGOAMIGO** was a bit dull in his sophomore debut on May 2nd, but that was likely a race he needed, because he was much better last week while crushing his previous lifetime mark. I like that he was able to leave quickly from the rail post and work out a great trip. Now, he draws best, and he can get positioned near the lead again. His stablemate will get bet heavier than him tonight, and that’s fine for his backers. I prefer to use him underneath, but he isn’t without a chance.

#3 **GETTHEGREEN** is another trotter in here that improved sharply last week, doing most of the work and getting nailed by Day late in the mile. He is another one in what should be a great betting race that is capable, and his good early speed should have him on the engine or in a striking spot turning for home. He is another live possibility for the late Pick 5.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 D A LOVE BOAT was Grand Circuit placed last year in his rookie campaign and he finished off his year on a high note, with a big upset in the International Stallion Stakes and a mark of 1:48 4/5 at The Red Mile. His two qualifiers leading to this sophomore debut were good, the horse that beat him in the first one, Set Shot, has already won in 1:51 2/5 this month. I'm sure that this Jack Darling pupil has bigger fish to fry this summer in his stakes schedule, but this is also a field that he should beat if he gets put into the race early enough. I'll give him a slight nod over a sharp rival in Sauble Wilson.

#2 SAUBLE WILSON kicked off his season with two solid closing efforts, then he was predictably driven more aggressively last week as a big favorite. On that night, he beat a good colt that was the New York Sires Stakes champion last year. He comes into this race as sharp as can be having got three starts in and taken a new life's mark in that win last week. He will likely get another aggressive steer in this spot, and I can see this race coming down to the top pick and him driving to the wire.

#9 BEN LOOKIN has had a busy yet productive season so far, taking four wins and four other shares from 15 starts. He has shown that he can make a strong brush to the front in the second quarter of his races, but last week when he started from post 10, he got an impossible trip. He started a move from 10th at the quarter and made it to fifth by the three quarters where he moved wide. He closed in 27 2/5 to get fourth, which was a very good effort considering the trip he got. He likely won't get bet at all again starting from a wide post, and he could land in the Tri of Super at a big price.

#5 HONOLULU VACATION got hot in April, taking two wins in a row, one of them at this non-winners of three level. He comes off a decent effort where he closed in 26 2/5 to get third behind Sauble Wilson. Leading driver James Macdonald will take the lines for a third straight week here, and he will likely try to leave a bit quicker with him tonight, I think. He should be part of the Tri or Super again.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 CRACK SHOT picked up where he left off as a rookie when he won his sophomore debut last week, beating some older horses in the process of taking that non-winners of three victory. His tallied a rare double last year when he won both the Grassroots Final and Superfinal, the hallmark of those wins being his fast final quarters. He served notice last week that he is ready for a big three-year-old campaign by powering home in 25 4/5 to get up on the line. Drawing post six should be perfect for him here in this SBOA final, and he gets top billing.

#5 STERLING CHOICE traded wins with Crack Shot late in the season last year, beating him in an OSS Gold event, then getting passed by him in the stretch in the Superfinal. The flashy roan colt was also a Grand Circuit winner at two and he should be tighter for this second start after setting the pace to the stretch in the race that was won by Crack Shot last week. His best asset is his early speed which should have him positioned on or near the lead, and he could win here by getting a better trip than the top choice. He is the other one that I would consider using on late multi-race tickets.

#9 FIFTH AND FIVE has been very good in both starts this year and he is clearly a faster colt at three. He paced two sub-152 miles in May after a season where 1:52 was the fastest mile he paced. It was impressive that he came out for his sophomore debut and won from post 10 considering that post has produced a winner about every 33 starts this year. He is sharp, but he draws wide here in a race where several rivals to his inside will likely be firing off the gate. I'll use him underneath in this spot.

#4 OUT OF ICE is another one that has shown he is faster as a three-year-old, and he comes in off a nice upset win from post nine. That was in an easier non-winners of two condition, but he still has some upside, and he will go off at a big price here. I could see him leaving for position in the top five, staying in saving ground and energy then closing for a small slice at a big price.

#4 ERVIN HANOVER was the sharpest and fastest horse on these grounds at the end of last season, winning four straight for trainer Dave Menary with two of those miles being paced under 1:48. That's not something that you see every year in November. His two qualifiers suggest that he is ready for tonight's matchup with his outstanding stablemate Brue Hanover, and last year's North America Cup champ Nijinsky. If he is ready to drop a couple of seconds, he will be tough to beat in here.

#5 BRUE HANOVER shipped north in March for the New Holland series, moved into the Menary barn, swept that series, and just kept winning. Two weeks ago, he ran his win streak to six and he lowered his season's mark to 1:49 2/5. It will be interesting to see how these two stablemates are raced against each other. It seems likely that one will lead, and one will follow in the pocket, then they will settle the race in the lane. This gelding is the likely leader, and he can get brave if he can steal one easy quarter.

#7 NIJINSKY comes off a stellar three-year-old season highlighted by a win in Mohawk Park's signature race. He was consistent all year except for a blip in the Little Brown Jug elimination where he choked. He is a high-quality Bettors Delight offspring, but he lands in a tough spot for this four-year-old debut having to face the Menary dynamic (and fast) duo. It seems likely to me that he will look to rally from mid pack and close for a share. I prefer to use him underneath in this spot.

#2 GEM QUALITY kicked off his four-year-old season with two nice wins at The Meadowlands, then he tried the Yonkers half miler, and he broke stride at the start. The 2023 Breeders Crown winner danced many of the big dances last season and he finished third in Legendary Hanover's 1:46 3/5 Meadowlands Pace. He has experience over this track having raced in the Metro Pace and North America Cup elimination. He strikes me as one that will get plugged into the pylons in mid pack early and rally for a small share at a big price.

The Horseplayer's Journal by Garnet Barnsdale

#4 STORMALONG left hard on Monday night and he was second the first time he passed under the wire, but he soon found himself racing fourth following a couple of leadership changes. He was wisely kept in on the backstretch, because neither he, nor any other horse in that field was getting past streaking Blue Hunt, who absolutely crushed the field in 1:49 3/5. Doug McNair will put this Stay Hungry stallion into play leaving the gate again tonight, and he should get a trip racing closer to the front, which is what he wants. I'll give him the edge in this anchor leg of the late Pick 5 and Pick 4.

#1 DRAGONONTHEBEACH got his feet wet racing in a tougher field last week, and he tried a late move but spun his wheels – albeit while pacing a 27 2/5 final quarter. James Macdonald takes the return drive here on the class drop and he will likely try to leave harder and get this gelding involved earlier in the mile. Last time he raced this low, Dragononthebeach was a wire-to-wire winner at Harrah's Philly last April. He should be heard from tonight.

#2 SERGEANT SLAUGHTER is one you have to like in here if you are picking Stormalong to win, because he raced in front of him for the entire mile last week and held him off for third in a solid effort. He has been consistent this year finishing in the top three 10 times in 16 starts, including two wins. He will likely get positioned near the front again tonight, and he figures to be a threat. He is a third one to consider for late multi-race tickets.

#3 R J RINGO drops and gets a driver change to Travis Henry tonight, a teamster that has done well here recently with the few drives that he has picked up. The last time he got a driver change was last November when Austin Sorrie took the lines and guided him to a win racing parked most of the way. He could sneak into the Tri or Super at a price tonight.

#9 SAULSBROOK IAN drew the rail for his 2025 debut, and he dropped to the back early. He tracked a moderate pace then made a nice late move to get third, pacing his own final quarter in a snappy 26-flat. I'd like him more in here had he not drawn a wide post. It seems likely that he will get a similar trip tonight and close late for a small share.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

- Pick Pools**
- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
 - If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
 - A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
 - Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
 - Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials. All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("The Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
