Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

WOODBINE™

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 HIGHLANDSTARBURST seems to have a lot going for her tonight as she makes her sophomore debut. First, she gets to face a field of straight maidens for the first time after competing in stakes company in all of her five starts at two. Next, she moves into the barn of Mark Etsell, who specializes in young trotters, and does a very good job at it. Next, she draws the middle of the gate which makes me think she will get sent forward at the start like she was in her second start last year when she finished third in a leg of the Pure Ivory series. She gets Travis Henry in the bike, and he has done well with the few drives he has gotten at this track recently, especially with trotters. This filly gets the nod to kick off the guaranteed \$75,000 Pick 5.

#2 BUDDIES DREAM's sixth-place debut mile was better than it looks on the program page. He had intent to leave, and he was the first leader for a few steps, but he was soon overtaken by three rivals who blasted off from the outside. He sat in fourth and took a shuffle to the three quarters. He slid off the pylons in the stretch and started to advance then got jammed up nearing the wire. With clear sailing, he could have hit the board. That was a good educational mile for him, and he finished with trot. I think he will get a more aggressive steer in this spot, and he is the other one that I would consider using in the Pick 5.

#4 HOBKNOB HANOVER comes off a nice first-over effort last week chasing a 1 to 5 shot that was never getting beaten after stealing the opening three quarters in 1:28 3/5. This filly did well to gain ground in the fastest quarter of the race, and she seems to stack up well in this field. She is 0 for 32 with only two second place finishes, however, and she is likely best used underneath tonight.

#3 BEACH BANK is interesting here because she recently changed hands and she gets sent out by a new conditioner, Rick Zeron. She didn't show much in four starts in her first season last year, but her one qualifier over a mile track in North Carolina was good leading up to this seasonal debut. She might make it into the Tri or Super at a good price.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 BETTOR THAN PRIDE was terrific in his last start two weeks ago, and he is hard to look past in this field tonight. In that last start, he set out to the front at the outset, and he cut a wicked opening quarter or 26-flat. Following a 55-flat opening half, he would face an onslaught from the pocket sitter who popped out at the three quarters. That rival got right beside him in the lane, but he rebuffed him then held off the closers while stopping the clock in 1:51 4/5. He now draws the best post, and he should prove very hard to beat at a short price here.

#4 BET NINETEEN intended to go to the front in the same race that Bettor Than Pride won, but he was issued the three-wide parking ticket on the first turn, and he had no choice but to drop in third. From there, he stayed in, and he got a clear run in the lane in the two path when the pocket sitter who popped out to challenge drifted out several lanes. He couldn't bridge the gap on the leader, but he finished a clear second. I think there is a decent chance that he will get the pocket early and follow the choice for the first three quarters, and that gives him a chance.

#7 MACH IMPACT has been claimed 27 times in his 232-race career, and when you consider that he drops tonight and his tag lowers from \$20,000 to \$11,000, there is a good chance that claim #28 could come tonight. Under the assumption he is getting claimed then, he will likely be sent as hard as possible leaving the gate, but I'm not sure he can clear when you remember that the top pick in here drove on last week and paced a 26-flat opener and forced all his rivals to take a seat. The horse that won his last start on May 12th came back to win the finale Monday night. I prefer to use this 10-year-old gelding underneath, however.

#2 HERESTHATMANAGAIN finished fourth to the choice last week, but he beat him in his previous start on April 24th. He is one of the best closers in this field and he will likely sit a trip and pick up some pieces. I suppose if there is a crazy speed battle, he could roll past them all late and notch the upset.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 DELON came into his career debut on May 8th garnering a lot of attention off his very impressive winning qualifier on April 24th where he absolutely jogged with Bert Renaud in the bike. In that first start for a purse got the leading driver in the bike and he provided the homebred Muscle Mass colt with a nice second-over trip. Delon did the rest, getting past the leaders late while under confident Macdonald handling. The gelding that he beat came right back a week later and dominated a field of maidens as the 1 to 9 favorite. This colt gets the call to repeat off that sharp winning debut.

#1 ALIMONY MIKE had a nice rookie season, compiling a record of 2-2-2 from eight starts, with both of the wins coming in Grassroots company. His two qualifiers in May indicate that he is ready for this sophomore debut, and we already know that he races well fresh. Last season, he produced a big first-over effort in his debut to crush a Grassroots field in 1:57 1/5. I won't be surprised if he gets the job done for Team Jones tonight.

#2 UNGAWA showed promise early in this season when he parlayed a good winning qualifier into a professional victory racing in the rain over a sloppy track in his debut. He was elevated to the non-winners of two level for his second start and he flashed home in 27 2/5 to get a cheque. He broke in his next two starts which prompted an equipment change. He put trotting hopple on for his qualifier on May 16th, and it went well. He was only a half length behind a Grand Circuit winning colt at the wire, one that is likely pointing to this year's Hambletonian. This Paul McDonnell trained and driven colt can get a good piece of this if he behaves tonight.

#6 P L SAPPHIRE raced well in two consecutive starts racing against only fillies. She is faster and better this year, but she faces some tough males in here. I think she will get positioned close to the front leaving the gate tonight, work out a good trip, and stick around for a share. She is a good one to use on the bottom when making Tri and Super bets.

#5 BRUDON was reunited with leading driver James Macdonald last week, and he added Lasix. I thought he raced better, but he was trying to chase down a hot rival in Rochester Flash, who was winning his second straight. Making this second start on Lasix medication and getting Macdonald back in the bike for a second try, I think this Carmen Auciello trainee will improve. Starting from one of the best posts, he will likely get put into play at the start this time, and he gets the nod here.

#1 ABOVE MYPAYGRADE absolutely flew late last week to come close to Steelwheel Hanover, who was winning for the third time in 15 days. In his previous start five days earlier, he also made a good late charge for second. He is obviously one of the best ones in here. My concern is his lack of recent gate speed considering he starts on the rail and could get swarmed leaving. He might be able to pass them all anyway, but I'm not sure I'd take a short price hoping to see it come to fruition. He's hard to leave off early multi-race tickets, but I would be careful with his win price if you like to bet that way when the race comes up.

#8 LIL SEBASTIAN was bet like he couldn't lose racing off the claim and getting a driver change to Doug McNair on May 9th. He was certainly on go that night; parking three-wide to the quarter to make front. Steelwheel Hanover blitzed him in the third quarter and blew the race apart, and this gelding backed up. I think his early speed can play well in here, and Tyler Borth will likely put him into the race at the start. The eight-hole in an eight-horse field is a way better starting spot than post 10. This one is worth a look for early multi-race tickets.

#7 B SONNY went off favored against Steelwheel Hanover last time, but neither he, nor anyone else could go to that rival, and he finished on the edges after making it up to second in the stretch. He didn't miss second by much and Louis-Phillipe Roy sticks with him tonight. He is another possibility in a race with no standout.

#3 KENOGAMI MAT added trotting hobbles last week after breaking in both previous starts for purses this spring. has had two starts and he broke stride in both races in the stretch. In his second start, racing over a wet track, he jumped it off after tipping off cover in the stretch when it seemed sure he would be no worse than second had he stayed flat. He requalified four days after that second start, adding the trotting hobbles, and he looked good. Flash forward to last week: he drew the best post and got bet down to 7 to 5 favorite. He was patiently driven, sitting to the stretch where he made a late charge and fell three quarters of a length short of catching the second choice who opened up an insurmountable lead. He looks fastest in here and I would expect him to get sent right down the road by Louis-Phillipe Roy in this spot.

#2 HAPPY ANGEL improved in every start so far this year, finishing closer to the leader each time and trotting a faster mile in every start. In last week's mile, he got position early, then elected to stay in around the last turn and into the stretch. He lacked room until he reached deep stretch where he found room along the pylons. He closed very well at that point and just missed getting second in a three-across battle. He seems like the one most likely to knock off the top choice here.

#6 YOU GUESSED IT didn't hit the board in five starts at two, but there is a good chance that streak will be broken here in his sophomore debut. He comes in off two good qualifiers, including a winning mile from tonight's post on May 16th where he dominated. He adds Lasix now and starting from the best post he should be able to get positioned close to the front at the start and ride a good trip to a share.

#5 STORMONT CALCULUS raced okay two starts back to get a small slice after starting from tonight's post and chasing a leader that opened up a big lead and crushed the field. Last week, he dropped to the back at the start from post 10 and he had little chance. Drawing the middle of the gate again gives him a chance to land in the bottom of the Tri or Super in this spot.

#5 SUPERIOR DELIGHT has had a terrific campaign so far, winning seven of 13 starts and four of her last six at tonight's \$20,000 conditioned claimer level. After losing two in a row in late April and early May, she rebounded with two great winning efforts. Two starts back, she was part of a fast early pace, and she still popped the pocket and drove away from her rivals at a juicy price of 7 to 2. Last week, she dominated from start to finish after starting from the best post, and she took a new lifetime mark that included a 26 4/5 kicker that was the fastest final quarter of her life. Drawing a good post again tonight she will be the one to beat although she will likely get a race from the #1 horse in this spot.

#1 JOB HUNTER beat the choice easily on May 1st when claimed and she produced a new lifetime mark in that race. On that night, she went straight to the front from the best post and left no doubt, leading all the way and never getting a serious challenge at any point. She now races off the fresh claim for Des Tackoor and partner Ryan Willis, who have done very well with new acquisitions so far this year. Last week, she raced off the claim and was aggressively handled but she was no match for the top choice in here late in the mile. She gets the leading driver now and she is the obvious alternative to Superior Delight in this spot.

#7 QUIET ASSURANCES shipped in from Flamboro last week coming off four starts in a row where she was the early leader, but she got outsprinted off the gate and had to change her typical style. She powered home in 26-flat to get second behind Superior Delight in a good effort. She will likely be forced to take back again by the other leavers to her inside, and she can close for a slice again.

#6 ALLSMOKEANDMIRRORS has been a good performer at this \$20,000 conditioned claimer level this year, taking a win and five other cheques in her six starts at this level. She typically drops back and passes rivals, but she didn't have much of a chance of doing so last week when the final quarter was paced in 26 4/5 by the winner who is the top pick here. She showed that she is sharp by flying home in 26 1/5. She will likely land in the Tri or Super this week racing in this field.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 LIFE AS IT COMES interests me here because the leading driver sticks with him over the #2 and #3 despite this gelding coming in off a sixth and fifth place finish to start the season. He hasn't really been in contention in either of those starts, but he did kick home in 27 3/5 and 27 2/5 respectively. Now, he moves off post 10 and draws inside and it's very likely that he will get more aggressive in this seven-horse field. I'll take a shot with him to kick off the late Pick 4.

#7 P L SPENCER scratched out of the SBOA elimination after producing a strong effort in the Ontario Spring Series final on April 26th. In that final, he was dismissed at 26 to 1 despite having won the opening leg. Breaking in leg two then drawing the worst post were likely the two factors that contributed to those odds. He out raced that price, firing right to the front from post 10 then re-rallying for second after taking a mid race shuffle. He is obviously one of the best in here, but the big question is the stale date with him having missed a month. Price should be the main consideration when deciding whether to bet this gelding tonight.

#2 CLARISSA W was bet down to the odds-on favorite in her sophomore debut last week, and she produced a good closing effort to get second behind a strong winner that led most of the way and was strong at the wire. This Julie Walker trainee raced well in some stakes at two and she fits well here. I don't love that the leading driver chose the choice over her, however, and I am inclined to use her underneath again tonight.

#3 ULTRA LADY S was busy last year, making 34 starts from which she took two wins and nine other shares. She comes in off a strong front end qualifying win and she picks up a catch driver tonight with Trevor Henry taking over the lines from owner/trainer Dagfin Henriksen. She should be able to work out a good trip racing close to the front and land a spot in the Tri or Super.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 STEELWHEEL HANOVER has been hot in this month of May, winning three races in two weeks, deploying different racing styles in all three. Last week, starting as the odds-on favorite, he sat the pocket until the time was right to move on the last turn then he slingshotted to the front and kicked in 27 1/5 to hold off a string closer. That effort was a new lifetime mark, and he couldn't be any sharper right now. He gets the nod to notch the fourpeat starting from a good post tonight.

#2 ON TIME DELIVERY is right there every week racing at this level it seems, and he comes into this race off two strong efforts after being claimed by Carmen Auciello on May 1st. He was beaten by the same sharp horse, Rochester Flash, in those two starts, and he is a main contender in here with that rival not signed on to race. He was raced aggressively from a wide post last week, and he held on for second. The same approach is expected here, and he will likely be the main threat to the choice.

#5 PUNCHESINBUNCHES is interesting here because he races off the Tess Waxman claim after getting plucked out of his last start in London for \$15,000. He has been a win machine in his first three years of racing, taking 23 wins from 65 starts racing mostly on the B tracks. He also has 13 other Exacta finishes, having finished second in 13 of those races. The one time he raced at Mohawk Park was in a conditioned race in October of 2023 where he tried a three-wide move around the last turn then levelled off to finish sixth. He fits okay here in this \$20,000 conditioned claimer, and he can improve racing off the claim. He is worth a look for late multi-race tickets.

#7 PHONE NINE ONE ONE closed to win at this level three starts back, then he was too far back in two starts that were both won by the improving Rochester Flash. He produced a nice closing effort to get fourth last week in a fast race, kicking home in 27 4/5. He will be passing horses late again tonight, and she should be part of the Tri or Super in this eight-horse field.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 ZETTE ATHENA has been perfect so far in 2025 after going winless in four-race campaign in 2024 where she didn't hit the board once while racing in stakes company for all of those starts. She has been confidently handled in all of her trio of wins, taking the lead by the half in all of those starts and winning comfortably. This looks like a spot where she can use those same tactics and get the job done again facing only six rivals tonight. She gets top call, but don't expect much of a price.

#5 WONDROUS BLUE CHIP is a Determination-owned gelding that took a mark of 1:55 2/5 at this track last year in a non-winners of two race then subsequently tried a Grand Circuit race and the Mohawk Million, but broke in the Champlain then was overmatched in the Million. He started his sophomore season breaking stride, then stayed flat last week and passed some rivals in a fast back half. His 27 3/5 kicker shows that he is sharp now, and he could make some noise here if he leaves faster from his good post, which is quite possible. He is one that interests me at a price for late multi-race tickets.

#6 KADIDDLE trots fast final quarters every week but is often too far back to make an impact. The key for this mare tonight is the post position improvement, her drawing best after getting wide posts in her last three starts and finishing on the edges. She should get positioned closer to the front leaving the gate and that gives her a chance to take a good share tonight. She finished a close second last time she drew a decent post four starts back and she can be right there tonight with the right trip.

#2 PIERRE IN PARIS had a good rookie season, taking three wins from eight starts, including two Grassroots wins. We know that he races well fresh because he took a victory in his very first start, and another win in his third start. He has displayed some gait issues, breaking in two of his first four starts, and breaking in his first two qualifiers this spring. He was better in his third qualifier, staying flat and finishing third to a colt that was a Grand Circuit winner at two. If he stays flat, he will contend here, but at this point it seems like a coin toss that he will stay trotting.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#9 CORA CORA CORA was claimed out of a winning effort at Flamboro Downs by trainer Malik Smith for himself, and she raced tough to just miss here last week despite having missed close to a month's action due to lameness. That mile was by far the fastest she paced in her life, and she should be even sharper now coming back in seven days. I don't mind the wide post for her; she should be able to float out for position and maybe find a helmet to follow this time. She should offer a good price starting from the widest post and she gets top billing here in the anchor leg of the Pick 5 and Pick 4.

#7 TAMARA HANOVER is one of the bettors' favorite horses as she has been hammered down to favorite in eight consecutive starts dating back to March 20th, never closing higher than 9 to 5 in any of those starts. She won three of them, including last week's victory in which she powered down the middle of the track in the lane, timing it perfectly. She will likely be the one to fend off again, but her typical racing style makes her risky to back at a short price.

#3 DOLLYDAYDREAM has been really sharp in her last three starts, taking two wins and just failing to last seven nights ago when looking for a threepeat. She got little respect two starts back despite having passed them all at Flamboro only four nights earlier. She won easily then came back last week and proved that upset win was no fluke when she made a big move to the front in the third quarter and just failed to hold on. She is another that is in with a chance that merits a look in what should be a good betting race.

#5 JAZZVILLE is a mare that has mastered finding a good trip by using her good tactical speed to get position early, finding a covered trip, then getting room late and pouncing. She missed a week and faces some very sharp rivals tonight. I prefer to use her underneath in this spot, but she isn't without a chance.

#2 AK BLACK BADGER is another that can find a spot racing close to the front early, follow a helmet then get a cheque. She should land in the top five leaving tonight, and I can see her staying in the entire way then rallying for a small slice. She is a good one to use on the bottom of Tri, Super and High-5 bets in this spot.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2024 earnings
3 year olds	50%		25% on 2024 earnings
			50% on 2023 earnings
4 year olds	25%		25% on 2023 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

Effective January 1st 2012

- Pick Pools**
- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
 - If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
 - A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
 - Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
 - Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L Denotes horses treated with Lasix.
- L

 Denotes horses treated with Lasix today who were not so treated for their last start.
- L

 Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("The Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
