Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

| Bet type | Level of difficulty | Explanation and expectation |
|----------|---------------------|---|
| Win | U U U | Your horse must finish 1st; payoff determined by the win odds. |
| Place | U U | Your horse must finish 1st or 2nd; payoffs better than to show. |
| Show | U | Your horse must finish 1st, 2nd, or 3rd; modest payoffs. |

Exotic multiple-horse bets

| Bet type | Level of difficulty | Explanation and expectation |
|-------------------------------|---------------------|---|
| Exacta* | U U U U | Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds. |
| Daily double | U U U U U | Pick the winners of two designated consecutive races. |
| Pick 3, Win 4, Pick 5, Pick 6 | U U U U U U | Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager. |
| Triactor* | U U U U U U U | Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses. |
| Superfecta* | U U U U U U U U | Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible. |

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 1 Horse's number in the race
- 2 Horse's post position colour
- 3 Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- 7 Trainer information
- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

| Odds | 1/2 | 2/1 | 7/2 | 5/1 | 10/1 |
|------|--------|--------|--------|---------|---------|
| Pays | \$3.00 | \$6.00 | \$9.00 | \$12.00 | \$22.00 |

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 POSEIDON SEELSTER had little chance last week when he drew a wide post then dropped back to ninth in a 10-horse field. It is rather remarkable that he paced his own back half in 52 3/5 yet still finished sixth, 10 lengths behind winner Brue Hanover, who was winning his seventh straight race to remain unbeaten at this track since he shipped north on March 15th. The silver lining for this Sunshine Beach gelding is by finishing sixth for the second straight race, he dropped enough money off his card to allow him to drop to this class tonight. The last time he dropped in class on March 22nd, he beat a better field than he faces here. He should handle this group, and he is the clear top pick to start out the \$75,000 guaranteed Pick 5.

#9 WHICHWAYTOTHEBEACH drops out of the same race as the choice, and he finished only a neck behind him at the wire. He draws wide here, but I would think he will get sent forward leaving the gate as he was On April 19th when he was a two-move winner racing at one class higher than tonight's. The last four times he raced at a level other than the top class, he held the lead at the quarter pole, so I don't think there is much doubt that he is getting sent forward tonight. Travis Henry, who has impressed recently with the few drives that he had had at the big track, again handles the lines. This gelding is one of the main contenders here.

#5 CODENAME CIGAR BOX is another that draws better after taking a tour of the track via post 10 last week. He raced much better when he drew in the middle of the gate for three straight starts from April 12th to May 3rd racing at levels comparable to this class tonight. He should get a much better start tonight, and that puts him in the mix, but I don't see him beating both of the top two choices. He is likely best used underneath in this spot where he will likely sit a trip and take a small slice.

#7 JACK PANIC continues to try hard every week and stubbornly stick around to land in the top four, but he is still winless this year after 17 starts. He has been part of the Superfecta in six straight starts racing around this level most of the time, and he will likely be part of the Super again tonight.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 CHANTILLY kicked off her sophomore season with a workmanlike win that was easy, if unspectacular. She sat in fourth to the far turn, and when she was given her orders to march to the outside, two rivals directly in front of her both popped off the pylons to begin an assault on the leader. When they fanned out in the lane and Chantilly was given her cue by James Macdonald, she made it to the front easily. She was affected by the wind in the last sixteenth, prompting Macdonald to give her one reminder, and she kept her edge to the wire. The wind-affected 28 3/5 final quarter was slow by her standards, but she should be sharper tonight, and she will likely kick it up a notch which will be bad news for her nine rivals. She should stay unbeaten but the only value in this race may be found underneath.

#2 WICKEDPACE had a nice rookie season, taking four wins, four seconds and a third from nine starts while amassing more than \$330,000 in earnings, \$75,000 of that earned in the OSS Gold Superfinal when she finished a distant second to Chantilly. Her sophomore debut was good, even though she didn't get the job done as the 7 to 5 favorite. She was picked off late by a sharp older mare in that mile. She has good tactical speed, and she should get well positioned leaving the gate again tonight. She can round out the Exacta.

#3 MILLIE MAY HANOVER was dismissed as a 32 to 1 longshot by the bettors last week when starting her season off facing Chantilly, and she certainly outraced those odds. After leaving fast enough to land in the pocket, she took a shuffle back to third on the backstretch. Around the last turn the pocket sitter popped out and she followed that rival into the stretch. She briefly took the lead in midstretch before being passed by Chantilly, but she dug in and was game to the wire in a half length loss. She is another one that should sit a trip close to the front and she can land in the Tri here.

#5 PERFECTLY CHIC was ambitiously driven and hard used ast week, making several moves in a good effort where she stayed for third. She has come back good as a three-year-old and I imagine she will get a more conservative drive this time that could lead to a better result. If she finds a live helmet to follow, she could finish higher than what is predicted here.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 B STONEY steps up off the Dave Menary claim here, but he paced the fastest mile in the country this year in his last start, his third win in his last six starts. He draws widest here, but he proved he can overcome a wide post on April 14th when he led all the way from post nine. On that night, leading driver James Macdonald was in the bike, and he returns tonight. If he clears to the front as expected, he should prove tough to catch in here, especially of there is another claim entered. He gets the call to repeat.

#1 HEAD HONCHO has improved sharply and rapidly since being claimed on April 7th. In his first start out of the new barn on April 21st, he dropped four seconds while taking an upset win by a head. He climbed the ladder in subsequent starts and was a close second to the top choice last week. He got a good following trip in his last start and there is a decent chance that he will get another second-over trip here starting from the rail from where he will likely drop back to mid pack and look for a helmet to follow. He is sharp and dangerous, and I could see him getting past the choice late in this mile and scoring the upset.

#3 P L OZZY dropped and crushed here on Monday night as a 1 to 9 favorite, in a no doubter win over some overmatched rivals. That was only his third start of the year and there is a chance that he can still improve off that effort. While he faces tougher tonight, he won at levels much higher than this one last summer and fall. He will likely offer a square price here, and he is worth a look for the early Pick 5 as a possible upsetter.

#2 UNCLE SHANK A is another that dropped and popped, and once he reached the half in 55 4/5 in that mile, the race was in effect over. He produced 27 1/5 and 27 2/5 third and final quarters to keep the closers at bay. I think he does his best work on the lead and wonder if he will get out sprinted by a couple of rivals tonight. He isn't without a chance, but I prefer to use him underneath in this spot.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 MAJOR FERNCO N turned his form around when he dropped to the bottom conditioned level three starts back and he led all the way for a narrow win as the 2 to 5 favorite. From there, he stepped up in class and doubled up from a wide post and paid \$100 after returning only \$2.90 the week before. His best effort of the year, however, came in his last start. After leaving in the pocket, he sat in and took a shuffle to third when there was a leadership change at the half. He moved out in the third quarter and provided a stiff challenge to the leader, who drove on and paced the fastest mile in Canada to date. This gelding stayed game right to the wire, and he was only picked off for second right on the wire by the horse that followed his cover. That was a string effort now he races off the Garry Merner claim. This resurgent gelding gets top billing here.

#6 ORDER ONE TO GO is the obvious horse to fear in this spot as he is sharp and there are a few factors that move the needle in his direction tonight. He has raced much better in his last two starts, which began with a win form tonight's post, which has been the best starting spot at this track for several years. He stayed at this class level by taking on a \$50,000 tag, and he was flying in the lane, but the winner, who was taking a repeat victory that night, was long gone in 1:49 3/5. Moving from the worst post to the best one tonight makes him a big threat to resume his winning ways and he is the other one that I would use on multi-race tickets.

#5 HOWMAC VICTOR is another that races off the claim in this spot, and he adds Lasix for tonight's race. He has missed time between his last start and now this one too, but there is a good chance that he can improve racing out of the Kyle Fellows barn tonight. He was beaten by the choice by close to three lengths in his last start, though, and that rival has had another start since then. This gelding can get a good trip racing near the front tonight, but I prefer to use him underneath.

#7 CENTURY INSPECTOR looked good sweeping the Pop Up series and he is at his sharpest now. This is a much tougher spot, however, and I think a slice is the best he can hope for. I could see him getting a spot near the front early and riding a good trip to a spot in the Tri or Super.

SPOT PLAY: MAJOR FERNCO N

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#10 IM A PAPI HANOVER came out for his sophomore debut on May 15th and he smoked a non-winners of two field to lower his lifetime mark to 1:53 3/5. That win came on the heels of his maiden win last September that came over this track in which he was also a clear winner. This Murray Brethour trained colt is obviously improving and it is interesting that the leading driver chose him over the #8 horse who brings a perfect 3 for 3 record to the track tonight, and the #5 who has already win five times this year. Drawing post 10 should ensure that a good price will be offered here, and I'll take the same approach as the leading driver and side with this colt.

#4 REIGNING CAPTAIN raced well in both starts this spring while kicking home with sub-27 late speed, and he will probably go favored here. In his sophomore debut on April 28th, he made a big, decisive move in early stretch in an impressive winning effort. He came back as a 4 to 5 favorite on May 12th, and he lost the sprint to the wire after tracking slow fractions. He is sharp and dangerous, and he will probably be the one to fend off as they pace down the stretch tonight.

#8 VOLCANIC was perfect here in the winter, winning all three of his starts to kick off his career. All three of his starts were contested over tracks that were assigned a variant, so I'm not worried about his final times that were paced in the dead of winter over those tracks compared to the faster times registered by his rivals this spring. He still has some upside and there is nothing wrong with his May 16th qualifier getting ready for this fourth start. He is another that could offer a square price here, and he is worth a look for multi-race tickets.

#5 ARSON SEELSTER ships in from Ottawa having won five of his last six starts the only blemish being a race in which he broke on the lead as the 1 to 9 favorite. He has been beating up on many of the same rivals each week, but the speed he showed in his last two wins makes him a player for at least a share in this spot. I think he can land in the Tri or Super.

#5 STERLING CHOICE raced well in both starts this year, his problem was that he was facing Crack Shot, who has shown himself to be one of the best sophomore pacing colts in the country so far in 2025. He was game in defeat last week, holding off the closers to preserve the place spot in the SBOA final. Now, he has a good chance to control this race starting from the middle of the gate and not having to worry about Crack Shot coming around him at any point of this mile. He is the one to beat here and he gets top billing to kick off the late Pick 5 that starts in this race.

#8 BOXER SEELSTER closed as a 26 to 1 longshot in the SBOA final, and he produced a good effort in his three-year-old debut, closing for third, only a half length behind Sterling Choice at the wire. He draws widest now, but he should get an aggressive steer from Trevor Henry, and that makes him a threat in this first OSS Gold race. He should improve off that season opening mile last week, and he would be no surprise in this spot.

#2 FUBAR BUNDY is interesting here as he was a big fish in a small pond last year, dominating his fellow rookie pacers at Fraser Downs by winning all five of his starts including a season-ending \$100,000 stake that he won from the worst post to end his season last October. I won't hold his season opening loss against him too much, because he paced faster there than he did last fall. He moves into one of the top stakes barns at Mohawk Park, and he attracts the leading driver and that makes him worth a look in this spot.

#4 SET SHOT started his season pacing two sub-1:52 miles including a 1:51 2/5 lifetime best winning performance on May 10th. He subsequently got an impossible trip in the SBOA final after starting from post 10, and he still just missed getting a cheque by half a length. He draws much better tonight, and he can be closer. He should be part of the Super at a minimum tonight.

#3 TAURASI has a win at this level five starts back and one at the Preferred 2 level two weeks ago, and he has rounded back into his best form. The common denominator in the three losses sandwiched in between was the winner of those races, Brue Hanover, who hasn't been beaten once since shipping north to Mohawk Park earlier this year. The shape and flow of races that don't include that rival are different because that Menary trainee takes the lead early and defies all challengers. This is a good spot for Taurasi, and he gets the nod to repeat.

#6 BLUE HUNT is on a roll now, having won two straight after going 0 for 7 to start his season. He hinted that he was coming around three starts back when he produced a decent first-over effort after starting from post 10. He then dropped and popped and moved back up one class level on May 12th. It was the speed he showed in that winning mile that makes me think he can handle this step up in class. He blew out that field in 1:49 3/5, highlighted with a 26 2/5 kicker. We know he can pace even faster when he is at the top of his game because he took his lifetime mark of 1:47 4/5 here last year. Starting from the best post, he can be a big speed threat tonight in spite of the class jump.

#7 TIMEISONMYSIDE has been a good racehorse for The Stable, taking 12 wins from 32 starts in the past two seasons while earning more than \$444,000. He raced okay in his Juravinski elimination, finishing evenly to Gan a spot in the final. Any hope of him finishing in the money were dashed at the post position draw when he got the eight hole. He did manage to pass some rivals to take the smallest cheque after dropping back to last. He does his best work racing on or near the lead and he has a better chance to get positioned in the top flight early in this mile. He is capable of hitting the board in this field at a price.

#9 JABBERWOCKY, like the choice, had the tough assignment of chasing Brue Hanover around the track for several starts in a row. Last week, with that rival gone, he was a closing fourth to Taurasi. He draws worst here, but he is one of the better ones in this field and he is another to consider using underneath at what should be a good price.

#7 BOURBON COUNTY finished 2024 with a flourish, taking three Kentucky Sires Stakes in a row and dominating in every one of them. He has been well-prepped winning three qualifiers leading to this sophomore debut. In his most recent one on May 9th, he floated out in third leaving the gate then was asked to go forward and take the pocket. From there, he sat in that pocket to the top of the stretch then popped out to challenge the leader. He paced a 26 2/5 kicker to get the job done, requiring only two shakes of the lines in mid stretch by Trevor Henry to keep his attention. He seems to fit well here, and I'll give him a slight nod.

#8 AYEAYE CAPTAIN DEO is two for two so far in his sophomore season, and he has already won at Mohawk Park, taking his season opener as the 1 to 2 favorite over non-winners of three rivals. He kicked it u a notch in his first stakes engagement of the year, winning the Paul Revere Pace at Plainridge on May first unleashing an impressive first-over effort to get the job done while taking a new lifetime best mark. Drawing widest here shouldn't be a problem for him because he has shown he has the gate speed to get position from out there. He is an obvious contender in this field and one that is hard to leave off late multi-race tickets.

#2 STORM SHADOW has faced by by far the toughest company of any of these so far in 2025, racing in the Graduate series and the elimination and final of the Charles Juravinski Memorial. He took cheques in his first three starts, then tried it first-over in the Juravinski final as a 25 to 1 longshot. He has raced well on the engine in the past and I think he gets sent here by Louis-Phillipe Roy. If he gets the lead early and any breather, he could prove hard to catch tonight.

#5 SOUTHWIND INFUSION raced better last week in his second start back after drawing the best post. He was the first leader but was soon overtaken by the favorite. He followed him to the stretch and edged out of the pocket, finishing one-paced but not losing any ground in the race to the wire. I can see him getting another good trip starting from the middle of the gate and taking a share again.

#3 CRACK SHOT is an ascending star who scored a rare double last year at two when he won both the OSS Grassroots final and Superfinal. He came out this year showing in the way that he won both of his starts that he will be a player at the Gold level. In his first start on May 10th, he was patiently driven, and he produced a sizzling 25 4/5 final quarter to get up in a race he didn't really need to win considering his subsequent stakes schedule. Last week, he made a big middle move to the lead and just kept on truckin'. He tends to drift out in the stretch, but when he does, he accelerates out there. With Doug McNair in Sweden, the leading driver gets the catch drive here and he should get a Gold win driving a big favorite.

#8 STONEBRIDGE WIZARD, on the strength of a five for nine season and a win in the Battle of Waterloo, was voted the winner for two-year-old pacer at the 'O'Brien Awards earlier this year, defeating Crack Shot by a slim margin. He seems well prepped for this sophomore debut, having qualified three times in Pennsylvania, and he should be ready to roll. He adds Lasix and gets Travis Cullen in the bike with McNair oversees and James Macdonald choosing Crack Shot. I think he is the second best horse in here and he can complete the Exacta to start his three-year-old season.

#4 FIFTH AND FIVE was raced aggressively last time against Crack Shot, taking the lead at the quarter before getting ambushed by that rival. He tried to keep up in fast fractions, but tired late. I think he will get a more conservative drive here and look for cover early, and that should lead to a better performance. He can take a share in here but as the second choice in the morning line, I will have to try to beat him out of the Exacta.

#6 CONTROL ROCKS raced well in two straight starts leading to this try in a Gold race. Two starts back he was probably best, but he simply ran out of racetrack. Last week, he used the best post to his advantage, taking the lead immediately, but he found himself racing third at the half. He made a nice first-over move to reclaim the lead at the head of the lane and saw it through as the 4 to 5 favorite. This is tougher and a small share is likely his ceiling tonight.

BEST BET: CRACK SHOT

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 STONEBRIDGE HELIOS raced decently at this level two starts back when third to improving Uncle Shank A that night while pacing his fastest mile of the year. Stepping up Monday night, he dropped back early and closed a bit late, staying sharp for this race at the lower class level five nights later. This looks like a spot where he can leave out and get a good following trip racing in the pocket and convert that trip to his first win of this season in his seventh start, and first victory of 2024-25.

#5 PIPEWRENCH CHARLIE is interesting here because he drops back to the level where he finished a close fourth two starts back while being victimized by bad racing luck. After leaving well enough to find the pocket early, he sat in waiting to find room in the lane from which to strike from. That room never materialized as he was locked up tight with pace in the pocket for the entire stretch drive. He deserved better that night, and he is a contender here in a race with no standout.

#9 LIVINTHEBEACHLIFE raced well in the preliminary leg and final of the recently concluded Pop Up series when facing a razor-sharp rival in Century Inspector. Prior to that, he took a front end win racing one class lower than this six starts back on April 14th. This looks like a spot where Tyler Borth will look to send him to the front with the aim to lead all the way, and it wouldn't be a surprise if he did just that. He is the other one that I would consider using in this anchor leg of the Pick 5 and Pick 4.

#3 HUNTER HILL made a middle move to the front on Monday night, only to be passed by onrushing 1 to 9 shot P L Ozzy. All he could do from then on was follow in the pocket and try to win the race within the race for place, which he did. He jumps in class here, but he could get good position early and ride a following trip to another share.

#4 ROCKABILLY REBEL N can improve here because he gets post relief after drawing post nine in two straight starts. He will likely land in the top four leaving the gate and he is capable of sticking around for a small slice. He is one to consider for use on the bottom of Tri, Super and High Five tickets.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

| | CLAIMING RACES | ALLOWANCES | CONDITION RACES |
|-------------|----------------|------------|----------------------|
| 2 year olds | 100% | | 50% on 2024 earnings |
| 3 year olds | 50% | | 25% on 2024 earnings |
| | | | 50% on 2023 earnings |
| 4 year olds | 25% | | 25% on 2023 earnings |

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("The Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
