Betting Basics

Some essentials to get you started with making a wager.

How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- **3** Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: #4
- 5 Press/Tap the Bet Type: WIN
- 6 Press/Tap the Bet Amount: \$2
- 7 Press/Tap the Race Number: Race #6
- 8 Press Green "Make BET" button
- 9 Press/Tap the "Finish with Receipt" button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	UUU	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	UUUU	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	UUUUU	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	UUUUUU	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	0 0 0 0 0 0 0 0	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	0	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

^{*} Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit ONTARIORACING.com

The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time PLACE BETS on the FAVOURITE pay 53% of the time SHOW BETS on the FAVOURITE pay 67% of the time

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Milgwech, Nia:wen, Kinanaskomitin, Merci, Thank-You

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 CALL ME PARKER was 3 to 2 last time he raced in this class facing maidens three starts back at this track, and he fell just short after making a middle move to the front on that occasion. On that night, he battled the pocket sitter to the wire, but that rival just got too good of a trip. Since then, he tried the SBOA stake facing much better horses that he meets tonight, and he did make the final. His 0 for 16 record is a bit of a concern, but he does look best in here and gets the nod to kick off the \$75,000 guaranteed Pick 5.

#7 YOU GUESSED IT was sent off as the even money favorite in his sophomore debut last week, on the strength of the company that he raced against at two, plus two strong qualifiers coming into that race. He made a first-over move on the last turn that propelled him into second in early stretch, but he could not close on the strong leader, while running in for most of the stretch drive racing over a sloppy track. He will benefit from that initial start of this year, and he should improve tonight. It wouldn't be a big shock if he handed Call Me Parker his 17th loss.

#2 SOLO C P is obviously risky with his gai issues, showing three miles out of five where he broke stride. The full brother to eight-time winner GP Dreamin (1:53 3/5 S. \$138K.) does appear to have some talent, however, and he could be a threat here if he behaves and stays trotting. In the two qualifiers where he did stay flat, he powered home in 27 3/5 and 28 1/5, respectively displaying the late speed that can carry him to a maiden win when he trots the whole mile. He is another one to consider for the early Pick 5, although it seems fairly obvious that you should demand a price with this colt at this point.

#9 INDUSTRIALISTS has been competitive in most of his miles to date, taking seven slices in 11 starts and coming as close as a head short of victory in his second lifetime start. In his recent qualifier, he finished behind a Grand Circuit winner and the filly that finished second to Maryland in the Mohawk Million here last year. Starting from a wide post for this comeback race it seems likely that he will sit back and look to pass rivals in the back half. I prefer to use him underneath in this spot.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 ZETTE ATHENA didn't get the job done last week to complete the fourpeat, but there is reason to believe that she will bounce back tonight and turn the tables on the two rivals that beat her that night. Racing in the lead on the inside part of the track, was clearly not the place to be that night racing over that wet track. Only two winners all night were victorious off that trip. Assuming she will be racing over a track with no bias tonight, she should prove hard to catch again. She gets the nod to rebound here.

#1 CLARISSA W is another one that got passed late last week that is capable in here, and that was her second goof start in a row to start the year. After making a strong middle move to the half in that race, she looked good until a rival that had a good following trip most of the way caught fire and flew up the pylons to nail her. The filly that finished third in that race came back Monday night to lead all the way in an OSS Grassroots mile while trotting to a new lifetime mark of 1:54 4/5. This filly figures to be a big threat in this spot.

#3 KADIDDLE hinted that she was coming to her best form two starts back when she kicked home in 27 4/5 and closed close to five lengths in the final quarter. Last week, she capitalized on that improving form by racing first-over and wearing down Zette Athena then holding off a closer for her second lifetime win and a new lifetime mark. She may have benefitted from the apparent track bias then, and I prefer to use her underneath because of it, but she could repeat here with the right trip.

#7 FRENCHMONI HANOVER got a driver change to Louis-Phillipe Roy last week, and he gave her a picture-perfect drive for her maiden win. Roy left hard enough to get her positioned in the top four, and he sat in until deep stretch where he swerved out four wide and then the filly did the rest, towering up to get up for the win. She loses Roy now and draws worst, and I think she will drop to the back then rally for a small slice tonight.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 SHES LAWLESS has had a busy season so far, racing 20 times, but she has done well, compiling a record of 3-6-2 in those 11 starts while earning more than \$26,000. Her recent form racing at Flamboro Downs has been excellent. On Sunday night, she raced tough first-over after drawing the seven hole, falling short of chasing down the second choice in a good non-winners of three dash. Two starts back, she unleashed a big move from the backfield to win going away after starting from the widest post in an impressive effort. The connections ship to the big track now looking to strike while the mare is hot. She gets top billing here.

#7 WINDSUN CHARLOTTE raced twice against a very tough rival, Sugar Pie Honey and wasn't disgraced, now she drops in for a tag. She clearly fits well here racing in a conditioned claimer, having won a leg of the Harvest Series last fall and dominating maidens in 1:54 3/5 here last summer. She hasn't been known for having blazing speed leaving the gate, but this is probably a spot where driver Phil Hudon gets aggressive. I won't be surprised of she is on the lead at the half. She is one to fear here in what looks like a good spot for her.

#4 CENTURY LUNAR exits the same two races as Windsun Charlotte and each finished ahead of the other once. Most recently, this Dancin Lou filly sat in and passed a couple of rivals to take a top three finish in a Grassroots race on May 19th. She is another that can be better tonight racing for a tag. She is the third one that I would consider using on early multi-race tickets.

#1 LILLY CLARE is 0 for 17 so far this year, but she is a mare that tries hard and has made some big moves in some of her races. She is probably unlucky to not have taken a win. She has finished in the top four in 11 of those starts, including some top four finishes racing at this track. She is a good one to use on the bottom of the Tri and Super in a spot where she can sit a good following trip and rally for a share.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 BUDDIES DREAM was expected to improve last week after closing in 28-flat in her debut race on May 15th, and she did race better in defeat while getting bet down to 2 to 1. She dropped in third briefly at the start, then marched straight to the front, clearing on the first turn. She then fought off a third quarter challenge and held the lead to the eighth pole where she was passed by two rivals that trotted down the faster part of the track several lanes off the rail. She fits well in this field, and she has a decent chance to lead all the way this time. I'll give her the nod expecting that the track will be playing fair.

#3 ETERNAL EMBRACE is a homebred half sister to three winners including Eternal Lee who was a 14-time winner from 39 starts and earned more than \$576,000 while taking a mark of 1:51-flat at Lexington. Her debut mile was probably a bit better than it looks because she lost a few lengths on the backstretch when the horse racing in front of her broke stride and took a few strides to move off the pylons and out of the way. She now gets a key driver change to leading driver James Macdonald with the experience of that debut race under her beat, and that makes her worth a look in this spot.

#4 TRICKY TRISH didn't hit the board once last year as a two-year-old, and she has picked up her game racing out of a new barn this year. Racing for conditioner Rick Zeron, she qualified well with him in the bike on April 25th, leading all the way. She followed that up with a decent fourth in her sophomore debut, then took her maiden win as the favorite in a Prospect Series race at Kawartha Downs. She is clearly improved at three, and she figures to be a threat tonight racing on or near the front. She is the other one that I would consider using on early multi-race tickets.

#5 EDWINA broke stride in her sophomore debut racing without trotting hopples that she wore in two of her four starts at two. In both of those races, she stayed flat. She put that equipment back on for her qualifier on May 24th, and she was much better, making a first-over move in the third quarter to get into contention, then vaulting past the leaders in the stretch to win going away, trotting a 57 1/5 back half and a 28 2/5 final quarter. If she can stay flat tonight, she should be a late threat in this spot.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 P L SPENCER is an improved racehorse at three, producing three very good efforts in the trio of races in which he stayed flat so far. He opened the season with a popular win on April 11th in the first leg of the Ontario Spring series coming off a winning qualifier. After breaking stride in leg 2, he was dismissed at big odds from post 10 in the final, and he raced great to get second behind a strong winning favorite after blasting straight to the front from the widest post in the opening quarter. Last week, coming off a vet scratch, he idled in mid pack to the stretch then was pointed to the inside which wasn't the preferred part of the track. He stormed home, pacing the fastest final quarter of his career to get up for the win. Now, he tries Gold company in a field where he appears to fit well. He gets top billing starting from a wide post where he has options. He has shown he can win on the lead or coming with a rush in the stretch.

#7 FAST SNAP finished third behind P L Spencer in the Spring Series final then tried the SBOA stake. In the elimination, he left hard enough to secure the pocket, then he took a shuffle back to fourth due to a mid race leadership change. He tried a first-over move in the third quarter and finished evenly to land a spot in the final. Owner/trainer Paul Davies handed the lines to veteran Chris Christoforou for the final, and he engineered a closing trip to take second money. This gelding is usually around the money, and he will be passing rivals late here. He is in with a decent chance tonight.

#6 ALIMONY MIKE was an OSS Grassroots at two, and he had a good tightener for this Gold race last week. In that mile, he was content to follow along to the stretch where he then closed ground on a leader that enjoyed easy fractions and was never going to be caught. Now he gets the best post, and he is in with a shot here in a Gold filed that lacks a standout.

#3 CHICAGO HALL is only one for 16 lifetime, but he almost always trots, having broke only once in those 16 races, and he tries hard. He has taken 10 slices to go along with those wins, including nine thirds. He was parked a long way in the SBOA final and still managed to finish third. He is a good one to use on the bottom of the Tri and Super in this spot.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 DIAMOND RYDER is only 1 for 29 lifetime, but he finds what looks like a soft spot here in this Pop Up series for \$20,000 conditioned claimers. This should be a much easier spot for him when you consider the fields he has faced recently in \$20,000 conditioned claimers with higher earning thresholds. He faced hot Steelwheel Hanover in three straight starts that were all won by that rival, and he finished on the edges in each of those races. Now, facing easier, he will likely get pointed to the front early in the mile and look to control the race. He is the fastest horse in the race, and he should be tough in here.

#4 COASTLINE will likely get some attention at the windows making several changes tonight. He races out of the Julie Walker barn following a barn change. He adds Lasix. He gets post relief after starting from wide posts in his first two starts as a sophomore. He drops in for a tag. Finally, he gets the leading driver in the bike. All of those changes should lead to a much better result, and he would be no surprise in this spot. He is the second one that I would consider using in the late Pick 5 that starts right here.

#7 BEACHOFANERA is already a two-time winner this year from nine starts after failing to hit the board in five starts at two. He raced okay here in four starts in the winter, taking one second and racing aggressively in all of those four miles. Two starts back, he got Tyler Borth in the bike and almost wired the field in London. He gets that driver back tonight, and an aggressive approach is likely for him starting from a wide post. He should be part of the Tri in this spot.

#6 FORTHELUVOFTHGAME finished third in two of his last five starts, and it could be argued that he had excuses in the other three races. He draws the best post here in this short field, and I could see him floating out for position leaving the gate and closing for a small share. He is one that makes sense to use on the bottom of the Tri and Super.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 EUROBANK HANOVER showed some promise in his debut race las year, closing for third behind a big favorite while trotting his own back half in 56-flat. He was then scratched sick and made one subsequent start while adding Lasix, and he broke stride and was put away. He qualified three times for this sophomore debut, staying flat in both races in which he wore trotting hopples, and winning well in both. He wears totting hopples again tonight and races on Lasix for the second time, and he has a good chance to break his maiden starting from the middle of the gate. He gets the nod to break his maiden in this third start.

#7 OUTBOUND TRAIN ships north from Kentucky for this second start as a sophomore and he lands in a spot where he looks like one of the best ones on paper. Starting from the second tier in that race on May 12th, he was moved out into the flow at the half, and he advanced to third. That was as close as he would get because the 6 to 5 second choice and even money favorite were just too strong. He gets his nose on the gate tonight and races out of the Shawn Steacy barn, and he figures to be a big threat in this spot.

#4 TIME MACHINE is still looking for his first win, and based on his first two starts as a sophomore, there is probably a good chance that that initial victory is coming soon. In his first start on May 8th, he was sent first up, and he provided the cover for the winning 3 to 5 favorite while trotting a 27 4/5 kicker. On May 18th, he raced aggressively in a Grassroots race and fell two lengths short. He is in a good spot tonight, and he could get the job done if he can find a live helmet to follow tonight.

#8 KENOGAMI MAT was sent off as the 2 to 1 second choice last week, and he was the first to move on the backstretch, then he picked up cover on the last turn. He tipped off that cover after straightening out for home and he jumped it off. That was the third time in four starts that he broke stride, but the first time it happened while wearing trotting hopples. I'm willing to forgive that instance because of the sloppy track. He can contend for a share in this spot.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 RITCHIE RICH jumps into the deep end here, trying OSS Gold company for the first time, but he couldn't be any sharper, and he should offer a decent price in this first stakes start. The Wheeling N Dealin colt has been part of the Exacta in all of the five starts in which he stayed flat, and he comes off a lifetime best performance on May 16th in which he dominated non-winners of two rivals. He has shown himself to be a relentless closer, and Team Ratchford have done a great job with him so far this year. I'll give him a slight nod looking for a price in the late Pick 5 and Pick 4.

#4 GALEN ERSO is the obvious one to beat here coming off a first-over SBOA stakes win. He got the perfect tightener in his elimination, dropping back and powering home in 26 2/5, then he was predictably raced more aggressively in winning the final. Doug McNair will no doubt put this son of Green Manalishi into play leaving the gate and he will likely be the one to catch turning for home. He's hard to leave off late Pick 5 and Pick 4 tickets coming off that strong stakes win.

#1 PIERRE IN PARIS was good at two, winning two Grassroots races and finishing second in the final, and he took a mark of 1:56 3/5. His sophomore debut last week, in a race that was won by a four-year-old, was good, and it should have him well prepped for this Gold race. He closed well in that start and that is something he can build from. He is in with a shot tonight at what should be a good price.

#5 DAY looked very good winning his sophomore debut on May 10th in which he beat Galen Erso, unleashing a 26 4/5 kicker to get the job done that night. He was bet down to 5 to 2 in the final, but he jumped it off at the start and losing all chance. His best race puts him right there with these, but he has now broke stride in four of his eight starts for a purse, so the risk is obvious. I'd demand a price here, but he will likely take some action, so I'm not sure there is any value to be had here.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 CORA CORA raced well in two straight starts for Malik Smith, and I think she is the one to beat here moving in two posts. While she still draws widest, she should be able to clear to the front easier. Last week it took her until past the quarter to make front, and she appeared to be game in the lane, but she was racing on the worst part of the track. The mare that popped out of the pocket and went on to win isn't in this race. This mare gets top billing tonight.

#3 TAMARA HANOVER's line from last week looks great, painting the picture that she raced tough first-over to get second. The replay tells a bit of a different tale. She did grind and race tough over that sloppy track, absolutely. But she also allowed the pocket sitter to escape the pocket because she idled briefly in the lane, and that was the difference in the race. She finished only a half length in front of Cora Cora Cora while racing in the better path. She can win tonight, but she gets bet down every week, and she shows one win by a scant nose in her past six starts when favored in all those six miles. The question you have to ask yourself here is what price is acceptable? If she closes at 6 to 5 again, that wouldn't be enough for me.

#6 SAKE BOMB ships over from Flamboro Downs for trainer Jake Roberts who has had some success in the past making this same move. This mare has been racing decently at the Dundas oval, taking three seconds in her last four starts, and she comes off a race where she was beaten by veteran win machine Del Diggity. She will likely get positioned near the front leaving the gate starting from the best post tonight, and she should stick around to take a share in this spot.

#5 STAY PUMPED raced well in both starts since being claimed by Pam Forgie, and she should be closer tonight starting from a better post. Last week, she had the eight hole and got too far back, but she closed with good energy. She almost surely will leave in the top five this week, and that gives her a better chance to close for a slice. She is a good one to use on the bottom of Tri and Super bets.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 SUPERIOR DELIGHT is yet another front end type that was chased down last week racing over a sloppy track where it was fairly obvious that the outside paths were better in the stretch. She was passed by a mare that she had beaten handily three times from April 11th to May 15th. She is the best mare in this field, and she should bounce back in this spot.

#3 JOB HUNTER was claimed by a partnership that has done well this year by acquiring horses and winning with them quickly. Unfortunately, this one broke stride early in the race when leaving from the rail racing over the sloppy track last week. She made a great recovery and got into the live flow and looked dangerous around the last turn before flattening out in the lane. The leading driver sticks with her tonight, and she gets off the rail post. She is in with a decent chance tonight.

#8 JAZZVILLE is on a good roll right now, taking three wins, a second, and a third in her last five starts racing at this class level. Her biggest asset is her gate speed which often gets her positioned near the front in a good spot to rally from in the stretch. She races off the Carm Auciello claim here and draws wide, but I think she is one that you have to consider for late multi-race tickets considering how sharp she is currently.

#9 KIERA SEELSTER is the wild card here, dropping into a claimer for the first time after winning seven of 23 starts last year. Her qualifier on May 24th was decent, and I'd like her more if she hadn't drawn the widest post. I would expect her to try for the front tonight, especially if she gets claimed, but there are others to her left that will have the same idea. I'll use her underneath understanding she could pop if she she can work out a reasonable trip in this spot.

#4 ALLSMOKEANDMIRRORS typically races well at this level, and she comes off a winning effort over the top pick in this race. She was sent first-over, and she produced a relentless challenge while racing on the better part of the track. She was beaten handily by the top choice in three of her previous four starts, however, and I prefer to use her underneath tonight.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontar io Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L Denotes horses treated with Lasix.

(Z)

- Denotes horses treated with Lasix today who were not so treated for their last start.
 - Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.qc.ca. A complete version of the CPMA regulations can be found at http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of parimutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutual system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012) EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a

Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If

there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5. PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive

races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool. PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the nonstarting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website. The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded. COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend
