Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

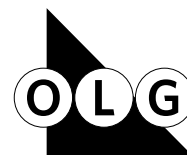

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 FOXY AMEE was a Gold winner at two, and she showed herself to be sure gaited in all her eight starts as a rookie while compiling a solid record of 3-2-1 from eight starts. She experienced some breaking issues this spring, however, and her connections decided to put the trotting hobbles on her for her sophomore debut in a Grassroots race last week. She was carefully driven, and she bided her time in fifth before commencing a wide rally. The winner was long gone at that point though, and she had to settle for second as the 4 to 5 favorite. She should improve off that initial start of the year and she can also get a more aggressive drive tonight with that experience under her belt racing with trotting hobbles on. She gets top billing to kick off the \$75,000 guaranteed Pick 5.

#7 TELLERS CHOICE was expected to improve last week dropping down from the SBOA stake to Grassroots, especially considering that she was the Grassroots champion for two-year-old trotting fillies last year. She was given an aggressive Louis-Phillipe Roy drive as expected and she converted while taking a new lifetime mark. Assuming she gets put into this race tonight, she should be right there again, and she merits a close look when constructing Pick 5 tickets.

#3 IVY LYNNE raced tough against P L Spencer two starts back and that should have been a hint that she was rounding into her best form as she returned to a race restricted to her own gender last week. She was overlooked by handicappers and bettors, and she marched right to the front and scored the upset, beating the top pick in this race. Aggressive teamster J R Plante will likely be sending her again, and she will have to be caught.

#10 INCANTATION had six starts so far this year leading up to last week's Grassroots event, and she exited two fast races against some tough company. Her previous start, contested against some male trotters, was a good effort that should have had her primed for that sires stake. As it turned out, she was razor-sharp, and she took advantage of drawing the best post by racing aggressively the holding on for a narrow win over a fast-improving rival. Jody Jamieson probably won't be shy to send her tonight from the widest post, and she is worth a look at what should be a square price.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 WHAT ABOUT ELMO was expected to improve last week coming in off a race where he made a nice late charge down the middle of the track the week before. He tried to ambush leader Masstercraft on the final turn as that leader was throttling the middle half down to 58 1/5. The duo picked up the pace exiting the last turn and Masstercraft held on for the narrow win. I'll go price shopping with this gelding in what looks like a very competitive field that should comprise a great betting race.

#2 MYFRIENDJOSE has been a win machine of sorts lately, taking three victories from his last four starts, his only loss coming in a tougher class facing Spartan General and company. Last week, he was part of a fast opening half, then he made a second move on cover, got the lead in the lane then held off the closers. His 1:53-flat clocking was a new lifetime mark, and he is an obvious player in here considering how sharp and consistent he has been recently. He is one that I would have a hard time leaving off the early Pick 5.

#4 MASSTERCRAFT looked like he was sitting on a win last week coming off two strong efforts in conditioned races after racing unsuccessfully against the brilliant Paquet in the Canadian Sired Graduate Series. He was given a great drive by Trevor Henry last week, controlling the pace and taking a breather until he faced What About Elmo's attack on the last turn. He picked it back up in time to fend off that rival, trotting home in a sharp 27 2/5 to keep that rival at bay. He is another sharp rival that can win here in a race that will likely come down to pace and trip.

#6 R PEAKY BLINDERS raced well here in a leg of the Canadian Sired Graduate series when finishing second to Paquet, then he had some gait issues, breaking stride at the start of his next two miles when starting from the rail. He requalified without incident on May 16th then raced well last week when he made a big closing move to get second behind Myfriendjose. He draws best tonight, and it's logical to think that he will get better position early leaving from that spot. He is another that is in with a shot in a race with a few options.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 ARMOR SEELSTER has only one win so far in 2025, but he gets a few things swinging his way tonight, suggesting that he can break through for that elusive second win in this spot. He raced okay in a recently concluded Pop Up series racing in all legs won by the same horse that swept the series, and when he dropped to this bottom conditioned level last week, he got bet down to 6 to 1. Leaving from the widest post, he drew the widest post, and he predictably dropped back at the start. He ended up on third-over cover, and he tipped wide turning for home. He closed well for third despite going rough for a couple of strides in midstretch, pacing his final quarter in 26 1/5. Now, he draws one of the best posts, and he will likely get a more aggressive steer in this spot. He gets the nod to kick off the early Pick 4.

#4 WOODMERE FENN is winless this year, but he is another that raced well last week that should be one of the major players in here. Last week, he left hard enough to get position close to the front. Then he sat in while the flow developed to his right. He followed the pocket sitter off the pylons in the land, and fell just short of catching him, closing ground quickly nearing the wire. He can get another good trip racing close to the front starting from another good post tonight, and he could get off the schneid in this spot.

#2 HF PANS SHADOW raced great three starts back when he closed with a big rush late to get fourth. He followed that up with a pylon-skimming upset score, then raced only evenly on cover last week. He has a chance to leave for a good spot here then stay covered up along the inside to the lane. If he can do that then find room late in the mile, he will be a threat. He is one to consider for multi-race tickets at what should be a good price.

#6 BAYFIELD BEACH is another one that is winless in 2025 that is worth a look here because of the expected flow of this race. There are few in here that look like they want to leave the gate hard, and starting from the best post, I think Louis-Phillip Roy will be sending this gelding. If he can make front quickly and race on the lead or from the pocket, he will be in with a shot versus this group that has no standout.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 DEVILS ARCH couldn't be much sharper, coming in off two straight wins after taking a three-month break when he had gone off form in the winter. He has been expertly handled by Jody Jamieson who found the pocket in both miles, then finding room in the stretch to notch both wins. His previous gait issues were nonexistent during those two miles. He was flying under the radar a bit closing at 7 to 2 and 5 to 1 in those races, now there is a good chance that he will go off favored and he could be raced on the lead when the pocket trip is where he thrives. He can win his third in a row here, but I'd be careful to not take too short of a price.

#7 CRYSTAL BALLER was raced aggressively in the Pop Up series final on May 19th, but he couldn't clear to the front, and he tired and only got the smallest cheque. He closed well in the previous two starts to hit the board, so he is obviously sharp. He lands in a field where he should be able to get positioned in the top five early, and he picks up aggressive teamster J R Plante tonight. I could see him working out the winning trip as a longshot in this spot tonight.

#4 TRUFFLES TOO raced okay last week following Mastercraft around the track and he had a clear shot up the inside in the lane, but he didn't have the sprinting speed to match the leaders 27 2/5 final quarter. When it was clear that he wasn't going to catch either of the two leaders or repel the late bid of the rival that finished third, he was hand driven to the wire. He can get another good trip racing close to the front tonight, and the leading driver sticks with him. He s another to consider for early multi-race tickets.

#9 PINWOOD HANOVER is interesting here because he is the lone invader that we haven't seen race here. He comes out of several good efforts where he raced on or near the lead, but he drew inside posts racing on half mile tracks on those occasions. Now, he moves to a major circuit and draws widest having missed more than a month. He makes his first start racing out of the Dagfin Henriksen barn tonight, but I prefer to take a wait and see approach based on the key factors that were mentioned.

The Horseplayer's Journal by Garnet Barnsdale

#3 STASH IT AWAY raced well in some fast miles for Team Cullen in the preliminary legs of a Pop Up series, then he drew the worst post in the final and dropped to the back and tried to close. He was only able to pass a couple of rivals there, but he probably didn't expend that much energy camped out at the back for most of the mile. Now, he draws inside, adds Lasix, and lands in a spot where he is one of the fastest horses in the field on paper. He will get a more aggressive drive tonight, and he has a big shot to take his first win since being claimed from this class level on April 28th.

#10 JJ TOMMY has been popular at the claim box recently with him changing barns in three consecutive starts. He has predictably been hard driven in all of those races with the connections understanding that they had him for a one-week rental. He raced well on the engine but fell short in his last two starts, now he gets the leading driver in the bike tonight. Starting from the widest post tonight racing out of the Tony Montini barn, he can be the last one to clear to the front, and he will likely be the one to catch again.

#9 ROCHESTER FLASH shipped over from Flamboro Downs on May 1st, and he immediately found a home at the \$20,000 conditioned claimer level. After finishing second at a huge price in his first start here, he closed impressively eight days later, exploding in deep stretch one he found racing room and scoring a 7 to 1 upset. He came back at the same level six days later and dominated on the lead as the overwhelming 1 to 2 favorite. He is obviously in tougher tonight racing in a claiming handicap, but starting from a wide post combined with that class rise should be baked into what should be a good price. He gets Bob McClure in the bike tonight, and he can be part of the Tri or Super in this spot.

#6 TANGO SEELSTER takes some action at the windows every week it seems, but he can't seem to get over the hump no matter what trip he gets. He finished fourth in five of his last six starts, so he is probably a good one to use on the bottom of the Super tonight.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 TOP MAST was racing well up to his last start where he moved up to the top class then got a wild trip that made it impossible for him to take home any purse money. Leaving from the widest post, he was three-wide into the opening turn and a decision was made to drive on rather than drop back to last. The 1 to 9 favorite popped out in front of him on the backstretch and made a quick brush to the front, leaving him first-over in an impossible spot. He understandably backed up to last in a race that is likely best forgotten. Two starts back racing in the Preferred 2, he was much better following Osceola in a sub-1:52 mile to get second. He gets the leading driver and a much better post tonight and he drops to a better class level for him. He gets top billing in the opening leg of the late Pick 5.

#5 EDEN ONTHEHILL is one that raced well at this level two starts back when a closing third to sharp Nasey. Then he had to face him again last week in the tougher Preferred 2 class and starting from the rail he took a following trip and just raced evenly. Dropping back down here and landing in a race where there is a horse lined up on the outside of the gate that almost surely will ensure a fast early pace, he could get a great setup to close into. He is worth a look at a price for multi-race tickets.

#6 PEMBERTON is the best horse in this field when he is firing on all cylinders, there is no doubt in my mind about that. He makes his first start of the year off two even qualifiers, and he gets Bert Renaud in the bike. He drove him in both of those qualifiers. He could need a start or two to reach peak form, but then again, if he is lurking on second-over cover on the final turn, look out. He makes sense to use on multi-race tickets because we know he will get overlooked by many because he doesn't have a high-profile driver in the bike tonight. We know the horse is capable versus these.

#7 QUEBEC HANOVER is the wild card in this field because he is without a doubt one of the better ones in here, but he is hard to trust considering his recurring gait issues. His May 24th qualifier was good, but he shows three consecutive breaks in stride prior to that, including in a qualifier. He can win tonight, but it seems like there is just as much chance of him breaking. I'm inclined to stay away and let him beat me.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 WANNABEABIGSTAR was bet down to favorite on the class drop last week, but it was no surprise that he was raced conservatively considering that he missed more than five weeks due to sickness. Racing on Lasix medication for the first time, he sat back to the final turn then moved out onto third-over cover. When the first-over challenger started to back up, he spun wide, but he lost a few lengths on the final turn. He finished willingly in 27 1/5 to get a cheque, now it should be go time. Starting from one of the best post tonight, he should get a much more aggressive steer, and he gets top billing.

#3 ROCKABILLY REBEL N is one of only two class droppers in this field, and he will get plenty of attention at the windows because of that factor. He raced okay last week facing tougher, closing to get the smallest cheque. Now he gets Doug McNair back in the bike, and that driver steered him to his last win racing one class higher than this on March 17th. He will no doubt get put into this race leaving the gate racing on the class drop, and he will probably be the one to fend off coming down the stretch.

#2 BEACHIN LINDY will get a look from bettors because he fired a 25 3/5 kicker to get second racing at this level last week. That was his best effort in several races, and he will likely be charging late again. Before I would take a short price here, I'd keep in mind that he has recorded only two wins and two seconds in his last 43 starts. He seems like one that will sit back and close late again after the winner has been decided. I'll use him underneath.

#6 LOOKINLIKEAMILLION is one that I thought raced better last week, even though he held a clear lead turning for home but couldn't seal the deal. That was the fourth time in a row that he was driven by Louis-Phillipe Roy, and he has been aggressive with him in both of his last two starts. Getting the best post tonight means that he will likely be handled aggressively again, and he can stick around for a share in this field.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 MARKET BANKER was primed to win the Pop Up series final two weeks ago and he had the misfortune of being taken out of the race due to broken equipment. Last week, he dropped back and looked to close late as has been typical with him, but he was victimized by a 58 1/5 back half. He trotted his own back half in 55-flat highlighted by storming home in 26 1/5, and he still couldn't get to the strong repeat winner that was sent off as the 1 to 5 favorite. This is a good spot for this gelding, and he should be able to land in the top five starting from a good post which would mean he will be closer at the three quarter pole. He gets the nod assuming he will be within striking range when they turn for home.

#2 P L ROBERT G missed two and a half weeks between starts from April 18th to May 5th, and he still produced a good closing effort to get second to Myfriendjose, who has since come back to win again. He came out of that race and again got second, this time behind a 2 to 5 winner that was never challenged after he took over command in the second quarter. Three starts back, he was raced aggressively, and that strategy was rewarded with a win. The leading driver takes over the lines tonight and this gelding's strong late speed should play well in this field. He is the other one that I'd consider using on late multi-race tickets.

#4 CADILLAC MOON is 0 for 6 so far this season, but he comes off a strong effort last week where he led to the eighth pole then was eventually overtaken by the even money favorite, giving way grudgingly. He is one of few in here that want the front, and his early speed should play well, but he would need to find more late because a 29-flat kicker won't get the job done in this field.

#3 VERACRUZ got no respect at the windows last week, but he raced great to finish second at 53 to 1 while finishing two and a half lengths clear of Market Banker. Perhaps the return of Billy Davis Jr. to the bike may have been the key as he had some with the Father Patrick gelding earlier this spring. He gets a good post here, and he will likely land in the Tri or Super again.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 GAINES HANOVER had a nice four-year-old season, but he has come back better as a five-year-old, already taking two wins and two seconds racing in this top class. There is a clear pattern that has developed, too. He twice was beaten by only a neck by the top dog Logan Park. When that rival was absent in the other two races, this Cantab Hall gelding dominated. More of the same is likely here with Logan Park missing after racing in the Elitlopp last weekend.

#6 OSCEOLA has gait issues that pop up every once in a while, but when he behaves and he is on his game, he isn't that far behind Gaines Hanover. Coming off a dominant Preferred 2 win, he was sent off as the 13 to 1 third choice with Gaines Hanover bet down to 1 to 20. He blasted to the front leaving the gate then let the favorite go, and he followed him around the track from there. He was the only one that finished closest to the winner at the wire. He is up against it facing the same dominant foe again, but he can complete another Exacta here, although it could pay less than even money.

#1 NASEY has been on a nice roll this spring, and it culminated in a 7 to 1 upset at the Preferred 2 level last week. He has now hit the board in nine consecutive starts, many of those top three finishes taken when he sat in mid pack and rallied late. Last week he flashed rare gate speed and that got him into striking position. That early speed was the key to his victory. He is up against it tonight facing two classy rivals, but I can see him rallying for another share and keeping his in-the-money streak alive.

#4 SPARTAN GENERAL stepped up to the Preferred 2 level last week coming off a big conditioned win two weeks prior. He was sent off as the 4 to 5 favorite that night, but he was simply too far back in a race that featured a 55 2/5 back half. He trotted home in 54 1/5 to get third, the best he could do under the circumstances. He can pass a couple of these late and land in the bottom of the Super.

BEST BET: GAINES HANOVER

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 STONEBRIDGE HELIOS was one that I thought might try for the front last week, but as often happens with horses that leave from the rail post, he was outsprinted by several rivals heading into the opening turn, and he was forced to take a seat in fifth. From there, he was sent on a first-over mission that was destined to fail because the even money shot racing on the lead was just too good. He gets Doug McNair back in the bike tonight and he has a better shot of making front this time. He gets top billing.

#8 JK VICTORY produced what was by far his best effort since shipping north last week when he finished ahead of Stonebridge Helios. Granted, he got the better trip racing in the pocket throughout, but he made his own luck by blasting to the front leaving the gate then following the eventual winner from there. He draws wider now, but he can be a threat if he once again leaves hard for position. It's interesting that the leading driver jumps to the #3 horse here, but that can simply be him showing loyalty to a top stakes trainer.

#4 ILIKEMEBETTOR A has been racing in \$40,000 claimers at Yonkers which should compare well to tonight's class. He is no stranger to this track having taken a mark of 1:50 4/5 here in February 2024 racing one class higher than tonight's. I think he gets put into play leaving the gate tonight, and that would give him a chance. He is worth a look in the anchor leg of the Pick 5 and Pick 4.

#2 BET THE BB has been racing in some fast miles for several weeks and that might explain why he is 3 to 1 in the morning line. In his last start on May 19th racing at tonight's class level, he sat a nice following trip in third and had a clear shot at the top two in the lane, but he couldn't get close to either. I'll play against him tonight as a likely overlay.

#3 STONE CARVER comes off a nice first-over win at Flamboro Downs, but he beat an easier field than he meets tonight in that winning mile. It won't hurt that he gets the leading driver for this race, but he seems up against it from the standpoint of winning the race. He is one that I prefer to use underneath.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2024 earnings
3 year olds	50%	25% on 2024 earnings 50% on 2023 earnings
4 year olds	25%	25% on 2023 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

- Pick Pools**
- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
 - If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
 - A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
 - Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
 - Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

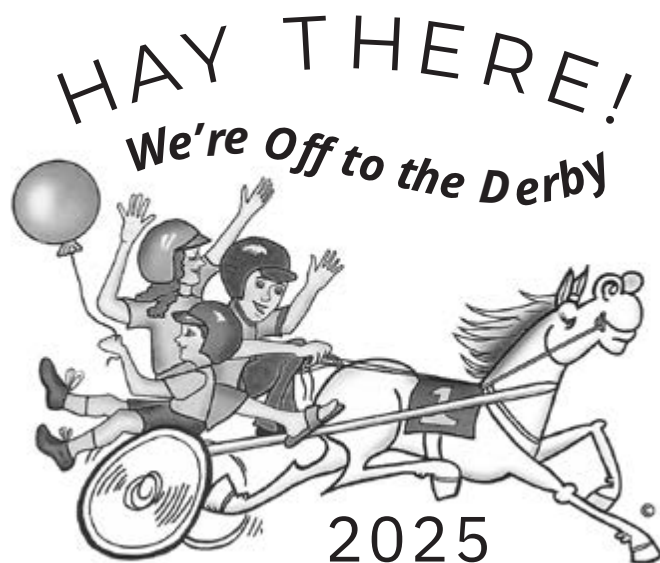

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exakta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
