Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

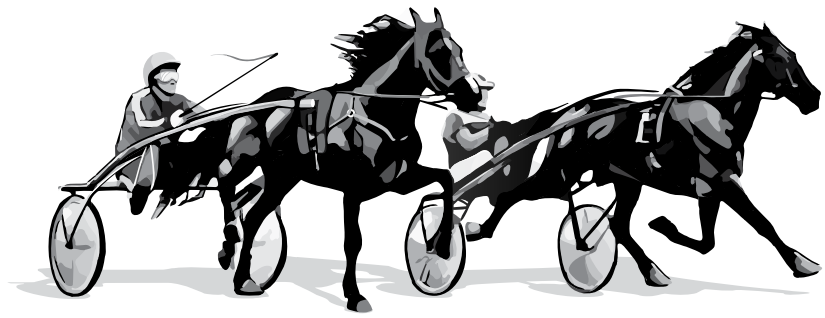

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)
- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Race 1 Selections

#2 MADDEN OAKS paced three terrific miles since shipping here May 31st, culminating in a North America Cup final for the ages where he fell just short in a terrific effort from post 10. That followed a monster effort in his NA Cup elimination where he made an unheard of three wide brush to the front on the backstretch, cut a 53 2/5 opening half and lived to tell about it, hanging on for third to make the final. He meets some elders here and he missed a week, but if he is sharp enough and he gets put into the race, this is a spot where he should win. He gets top billing to kick off the \$75,000 guaranteed early Pick 5.

#7 FORTIFY raced here on North America Cup night and for the second start in a row, he made front early and then got shuffled following numerous lead changes. He has taken only one win from 10 starts this year, but this looks like a better spot for him not having to face the likes of Soaring Now, Ervin Hanover, Brue Hanover etc. He will likely get put on the engine leaving the gate again here tonight, and I think he will get a better trip. He should offer a good price in here, and he is another that I would consider for the early Pick 5.

#6 COURTS ON FIRE is another sharp sophomore that is worth a look in this spot. He can be prepping for his next New York Sires stake in this spot, but that doesn't mean he won't be competitive starting from post 6. He raced well here in the Somebeachsomewhere Stakes to finish third and he left hard from the rail that night. He was unlucky in his North America Cup elimination, interfered with at the half which caused him to break stride. He draws best here, so he will likely get put into the race leaving the gate. That makes him a threat, although I prefer to use him underneath in this spot.

#3 PACINO HANOVER dropped and popped, and he paced a sub-1:50 mile in the process. He is at his sharpest now, but he faces a much tougher field here tonight. I doubt he can repeat if he races first up again. He will likely drop to the middle of the pack leaving the gate and look to pick up cover. Two starts back racing in this class, he closed off excess cover and took a small share. I could see a similar scenario unfolding for him tonight. He is another that I prefer to use underneath in this spot.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 CRACK SHOT was on a roll leading up to his OSS Gold race on May 24th and he just didn't fire that night as a 1 to 20 favorite, although he did pace his own back half in 53 4/5 in defeat. He came back and acquitted himself well in his North America Cup elimination. He was part of a wild early skirmish that night, making front then getting shuffled to third by the time they reached the half in 53 2/5. He made another move in the lane to get second along the pylons while Lite Up The World powered down the middle of the track to pass them all. In the NA Cup final, his chances were compromised by drawing an outside post. He paced a 53 1/5 back half to finish only four lengths behind in that sensational mile. Now he is back in with only Ontario breds, and he should get back on the winning track tonight.

#6 CONTROL ROCKS didn't convert as the 6 to 5 favorite last week, but he had missed a week then and it took every inch of racetrack for the perfectly pocketed Tip Of Time to get him on the line. He easily beat that rival in the last Gold event on May 24th, making a move to the front in the second quarter, then seeing it through on the lead from there. He should be sharper tonight, and I imagine his strategy will be to fire out of there and make front immediately then look to get covered up by Crack Shot. He is a good bet to complete a chalky Exacta in this spot tonight.

#5 TIP OF TIME had a recency advantage on Control Rocks last week having raced in the 1:48-flat mile registered by Papis Pistol the week before. He still needed a perfect trip to take that rival down, and that's a trip that I doubt will get repeated tonight with Crack Shot in this race. He will likely look for a similar covered trip like he got when second to Control Rocks in that May 24th Gold race. You can never count out any horse that Doc Moore sends to the track, but I think this one is third best tonight in this field of six.

#2 BOXER SEELSTER makes his fourth start of the year having taken only one top three finish so far. He comes out of the very fast Papis Pistol mile where he closed for fourth and paced his best mile of 2025 so far. He paced his own back half in 52 1/5 in that race, so we know he is sharp. I'm not sure what trip he will get in this race with the short field and not a lot of movement expected, but he is capable of landing in the top three if he gets a decent trip tonight.

#5 TWIN B STANLEY is one of many Cattlewash babies that have looked good in morning qualifiers so far this year. The Kyle Fellows trainee was a distant third in his first qualifier to a colt that most likely started as a big favorite in a Grand Circuit race on Friday night. The \$55,000 London Classic sale buy came back eight days later to score a front end win that should set him up well for this maiden voyage. He is the first foal to race from an unraced half sister to Artspeak, and he gets the nod to kick off the early Pick 4.

#2 TWIN B CABO, a \$22,000 Harrisburg purchase, might turn out to be a bargain based on what we have seen in his first two qualifiers. After flashing home in 26-flat in his first qualifier, he came back to drop more than five seconds while again pacing a sub-27 kicker. No Waitlist, the colt that beat him both times, raced in a Grand Circuit race here on Friday night. This colt is the one to beat on paper and he is hard to leave off early multi-race tickets.

#4 RIKKI ROCKETT is a \$15,000 Harrisburg purchase that was second to a runaway winner in his first qualifier and that colt absolutely jogged in a New York Sires Stakes in his first start. He came back with another good effort in his second qualifier where he got a bit faster. He will likely get sent forward by Bob McClure leaving the gate, and he can be part of the Tri or Super at first asking.

#6 LUNAR SPORT, a \$13,000 London Classic Sale buy, goes for a barn that sends them ready, and he is another to consider for the bottom of the exotics in this spot. He was close in his first qualifier, then he couldn't stay with No Waitlist in a 1:53 4/5 qualifier. I can see him taking a small share off a following trip tonight.

#4 ITS MAJOR MAJOR A shipped overseas from Australia in good form, but he hadn't raced since April 19th leading up to last week's North American debut. The eleven-time was coming off a 1:53-flat victory and he raced in some fast miles in the winter and spring. He raced well in that first local appearance, closing off bad cover to finish a close third in three across finish in a fast mile where the #1 horse in this race bottomed out the field. He should be sharper getting on a seven-day rotation now, and I'll give him a slight nod in a good betting race.

#1 SERIOUSLY HANOVER dropped into this Pop Up series last week having faced tougher horses like Write Me A Rose the week before. He drew best and he was all systems go from the start, pacing a huge 25 4/5 quarter to take a clear early lead. He continued blazing to the three quarters, laying down fractions of 54-flat and 1:21 3/5. He was slowing down late in the mile, but the damage was already done, and he wouldn't be caught. He is one of the main contenders right back, but I'm not sure he gets the same trip starting from the rail. I'd be careful to not take a short price here.

#6 COLD CREEK QUESO was sent postward as the 3 to 5 favorite last week due mostly to the perceived class advantage that he held. He ran into Elliot Moose who was laying down some big fractions and running away from the field. This Murray Brethour trainee was first up and gaining when the wire hit, and he could be the beneficiary of a contested early pace this week. You will probably get a much better price on him if you still like him, and he is in with a chance starting from the best post tonight.

#2 ELLIOT MOOSE was a nice first-over winner here on June 9th at the bottom conditioned level, then he went to Georgian Downs six nights later and showed little racing from the back. He rebounded a week ago, blitzing the field in the first leg of this series at a big price. I guess the \$64,000 question is: what version of Elliot Moose will we get on the racetrack tonight? If he can replicate that 1:50 4/5 speed from last week, he can be right there versus these. He is another contender in an interesting betting race.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#9 TH KAY C CRUNCH just paced his best mile as a sophomore last week when finishing second to Papis Pistol who was going right down the road for a 1:48-flat score. He was given an aggressive steer by Jody Jamieson, making front early from the same nine-hole that he draws tonight, and holding off the 2 to 5 favorite late in the mile to preserve second at long odds. That good effort followed a try in the North America Cup elimination where he was wiped out when the field jammed up on the backstretch. He lays over this non-winners of two field, and he will likely be a popular single on most early Pick 5 tickets.

#5 HONOLULU VACATION "drops" from non-winners of three to non-winners of two, and I think it's pretty clear that this isn't an easier spot with TH Kay C Crunch in the race. Still, he has been facing some tough company, and I like that he raced better last week when he had missed a week. He will go off at a big price in this spot, and I am going to try to create some value in the Exacta with him.

#6 BRUNO NO NO NO was a good maiden winner here three starts back, then he didn't have much of a chance in his next start when he drew post eight and closed mildly in a 1:49 4/5 mile. Flash forward to last week's OSS Grassroots race where he went off favored and he raced first-over: He raced okay in defeat that night and finished the race missing a shoe. He might be blasting this time, and if he can find the pocket early, he could be the one that completes the Exacta.

#10 SOS SPORTS BET hasn't missed the top three so far this year, and he has gotten progressively faster along the way. He comes off a solid Grassroots try where he showed the way to the lane then got passed by Fifth And Five. He is fast enough to compete for a share in here, but keep in mind he drew worst, and he is racing between Sires Stakes, so intent might be an issue. He has shown versatility though, and he could come on late to take a share even if he doesn't get sent leaving the gate.

#1 WINDOR is one of two Bulldog Hanover offspring that debut here from his first crop and that duo stands out having paced two seconds faster than all of the rest of the colts in this race. This Michiel Vanderkemp trainee looked good in both qualifiers, the first a blowout win at Grand River, and the second a narrow defeat in much faster time here at Mohawk Park. He dropped close to six seconds in that qualifier, and he should be all systems go for this pari-mutuel debut.

#7 LYONS FIRSTBULLDOG is the second Bulldog Hanover colt in here and he has been given some typical conservative steers in his morning qualifiers by James Macdonald preparing for this first start of his career. The \$25,000 London Classic sale buy dropped close to four seconds in that June 21st qualifier and it should be all systems go now for this debut mile. One paper, you might need one of the two Bulldogs to cash here, but we know sometimes a horse will jump up and show you something you didn't see in its qualifier, so it's not a mortal lock that one of the two have to win.

#2 BORDERLINE MOBBY is the one most likely to upset the Bulldog Hanover applegate in here. The \$25,000 Harrisburg Sale buy has shown big last speed in both of his qualifiers, and he was a game winner of the second one. Trainer Menary continues to win at a high rate, and he typically sends everything ready to win. This is the other colt that merits a look in this opening leg of the late Pick 5.

#5 COURTS CHOICE is the wild card in here having qualified then raced once in the New York Sires Stakes. He was sent off as the 3 to 5 favorite but he lost all chance when he broke stride at the half. The \$52,000 Lexington purchase now returns home for a crack at maidens, but I'm not sure that he will find this to be an easier spot. Considering that, and the break in stride, I'll use him underneath tonight.

Race 7 Selections

#6 GRIT N GRACE took her first Fillies and Mares Preferred win last week after knocking on the door. She was excellent in defeat thirteen days prior, and it took one of Sylvia Hanover's best efforts to take her down right on the wire. She projects to get another good trip racing on or near the front tonight, and this Manitoba bred mare has a big shot to double up.

#7 CAVIAR N CRACKERS was not surprisingly raced conservatively last week after missing three weeks following her win in the Forest City Stakes at the Raceway at Western Fair. She dropped to the back of the six-mare field, and she had little chance when Grit N Grace clicked off a pedestrian 56 1/5 opening half. She closed from the back and paced her back half in 53-flat. Now she gets back on a seven-day rotation, and she will likely get raced more aggressively like she was in her previous three starts which were all wins. It would be no surprise whatsoever to see her back in the winner's circle tonight.

#2 GLENBORO stepped up to this top class following a race where she showed little versus easier after starting from post nine the week before. Last week, she sat in got a good following trip then rallied for third while pacing her own back half in 52 4/5, completing her mile with a 25 4/5 kicker. That was a much better effort, and I can see her getting a similar trip and landing n the Tri again.

#3 CENTURY JAMILA was a killer in this class earlier in the year, but not so much recently. Her last start was more than three weeks ago and that was a race where she popped the pocket at the three quarters but had little to offer. Finishing sixth that night, she broke a string of 12 straight top three finishes. She is obviously capable versus these if she brings her best race, but that sixth-place finish combined with the time off makes it hard to use her anywhere but on he bottom in this spot.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 R J RINGO was a close second in Leg 1 of this Pop Up series in a race where he almost dialed in a loose leader in a strong effort. He was provided a good steer from Jody Jamieson, kept covered up to just outside the eighth pole, and he closed relentlessly when he was shown clear racetrack. Now, in this second leg of the series, he draws best which is important because he lands in a field that appears to have no quick leavers. I think he gets sent by Jamieson tonight and he goes right down the road.

#3 DOCSPHILLYCHEESE couldn't be any sharper right now, coming in off a Leg 1 win where he took a new lifetime mark. That was his second win in a row and his fifth of the year to go along with five other Exacta finishes. He got a good setup for his potent late kick in that mile with the back half being paced two seconds slower than the first. He loses the leading driver and picks up Travis Henry tonight. That will only help his price. He should be right there at the wire again tonight.

#8 LAMBORGHINI LOU was bet down to 6 to 5 in Leg 1 last week, based mostly on him taking a big class drop. He was the first to move on the backstretch after getting away sixth, then a rival that was racing closer to the front beat him to the punch popping out and sing shotting to the lead then driving away from the field. That left this Mcwicked gelding hung out and with little chance. He looks like one of the contenders in here, but I don't love that he was urged leaving the gate last week and he could do no better than get away sixth. He can win with the right trip, but his lack of gate speed is worrisome.

#2 ARMOR SEELSTER can be better tonight coming out of two races where he had no chance. Two starts back he chased a leader that cut wild fractions and kept going to win in 1:49 2/5. Last week in Leg 1 of this series, he drew post 10, dropped back, and made no impact. He is in a better spot here and I can see him sitting a following trip and sneaking into the Tri or Super.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 SET SHOT was second to Sterling Choice in the first OSS Gold race on May 24th when he followed that rival while he cut moderate fractions then sprinted away late. Since then, he has had two more races while that rival had one more, and neither hit the board. He exits one of the fastest miles of the meet where he sat in and followed while Papis Pistol cut a 1:48-flat mile. This OSS Gold Leg looks like a battle between this colt and Sterling Choice and I'll land here based on recency.

#4 STERLING CHOICE kicked off his campaign with two good efforts, a second and a third both behind Crack Shot, then he stole a Gold race on the front end and paced away to a new lifetime mark of 1:50 4/5. His third start came in the crazy elimination for the North America Cup where there was a ton of action in the opening half. After leaving hard enough to get the pocket, he got shuffled back to fifth from where he tried to follow cover and close. That isn't his best game, and he ended up missing the final. He has missed three weeks, but his strategy will be no secret here. He will look to blast and last on the front end, and he is an obvious threat to do just that in this compact six-horse field.

#6 STONEBRIDGE WIZARD had an excellent two-year-old season where he won the Battle of Waterloo and two OSS Gold races on his way to being voted the top rookie pacing colt at the O'Brien Awards. He didn't fare well in his first two starts of his sophomore campaign, but his race last week may indicate that he is starting to come around to his best form. He was in against vicious Papis Pistol, and he raced first up in that 1:48-flat mile. He paced home in 27-flat, but that was only good for sixth place. That good effort in defeat to a monster can propel him back in with Ontario bred's tonight. His best race puts him right there.

#5 ALLSTAR MANIAC had a bit of a late start to his three-year-old campaign after a rookie campaign where he won the Gold Mid-Season Final and placed third in the Gold Superfinal. He was a nice closing third in that sophomore debut which gives him something to build from. He faces some more seasoned rivals tonight, and I see him closing for another slice tonight.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 WRITE ME A ROSE had no chance last week chasing Ervin Hanover around the track, especially after that rival was allowed to cut a 55-flat opening half. The back half was paced in a sizzling 53-flat rendering everyone following the leader helpless. He is more capable racing at this Preferred 2 level. Last time he raced in this class he was beaten only a length and a half, and he paced his own last quarter in 25 3/5. He gets Travis Henry in the bike again tonight, and that's okay because that will only boost his price. Starting from a good post, I'll give him the nod to notch the upset.

#1 CLEVER CODY is an obvious main contender here coming out of the Mohawk Gold Cup where he was beaten four and a half length in a 1:47 4/5 mile. Previous to that, he raced in the Preferred where he left hard for position then took a mid race shuffle. The common denominator in both those miles was the presence of the same winner, Brue Hanover, who has been virtually unbeatable since shipping north. This Doc Moore trainee finds his easiest spot yet in 2025 and he will be given every chance to convert by veteran teamster Jody Jamieson

#7 POSEIDON SEELSTER is another that has been chasing tougher company in his recent starts, exiting two races that were both won by Ervin Hanover. In last week's edition of the Preferred pace, he left hard to get positioned near the front, but then he couldn't keep pace with the leader while still pacing a sub-1:50 mile. He will likely blast for position in this race, too. He should improve, but I prefer to use him underneath in this spot.

#6 DUBLIN DASHER is interesting in here because he joins the barn of the leading trainer after shipping north. He hasn't missed the board in seven starts this year, the fastest of his three wins being paced in a lifetime-best 1:50 3/5. He has shown that he can be raced effectively from anywhere with success. This isn't the easiest starting point for this Always B Miki gelding who has missed three weeks. I'll take a wait and see approach expecting him be part of the Tri or Super tonight.

Race 11 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 SAUBLE ACE raced well enough in Leg 1 of this series in only his second start of the season to suggest that he is worth a look at scoring an upset in this anchor leg of the late Pick 5 and Pick 4. Leaving from the tricky rail post, he dropped back to sixth early then tried a closing move in the final quarter. He could do no better than finish third behind a blowout winner while losing a shoe. This race has the potential to set up for his closing kick and he should be better in this third race back. He gets the call to upset.

#2 AMERICAN HISTORY missed six weeks before his second last start and that race served as a tightener as he never really got involved. Monday night's effort was much better now he fires back quickly, and he faces easier. He will understandably take most of the action at the windows and he is the horse to beat.

#9 CONTROL THE POWER was lights out in the opening leg of the series making a big move to the three quarters and getting the jump on the 6 to 5 favorite who stayed inside and got trapped in the pocket while this gelding paced away into the night. That was an impressive decisive winning brush that he made, and he is a contender right back despite drawing a wide post.

#3 ROCKS SHINING STAR will likely take some action here from trip handicappers that believe he should have been moved from the pocket as the favorite in last week's mile. I have a different take on it. He wasn't exactly raging with pace when he found room in the lane, and he appeared to be hanging at the wire despite getting that inside trip. I prefer to use him underneath coming off that effort.

#8 TRICKY MCWICKY was a good closing second in last week's leg of this series, now he draws worse and loses Doug McNair. He will likely drop back from his wide post and look to come on late for a share. He is one that I would use on the bottom in this spot.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2024 earnings
3 year olds	50%		25% on 2024 earnings 50% on 2023 earnings
4 year olds	25%		25% on 2023 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

- Pick Pools**
- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
 - If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
 - A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
 - Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
 - Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials. All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("The Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
