Betting Basics

Some essentials to get you started with making a wager.

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- **3** Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- **3** Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: WIN
- 6 Press/Tap the Bet Amount: \$2
- 7 Press/Tap the Race Number: Race #6
- 8 Press Green "Make BET" button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	000	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	0000	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	00000	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	000000	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	0000000	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	00000000	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit ONTARIORACING.com

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 1 Horse's number in the race
- 2 Horse's post position colour
- **3** Horse's colour, sex, age,sire (father), dam (mother), sire of the dam
- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

7 Trainer information

- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4. The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time PLACE BETS on the FAVOURITE pay 53% of the time SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 FOREVERAFTERALL has been dominant so far this year, taking five wins from seven starts while finishing second in the other two races. To say the Murray Brethour trainee is massively improved at three would be an understatement. She took only one win from seven starts in her rookie year and took a mark of 1:58 4/5. She has already paced to a 1:50 3/5 win this year, and that was a dominant victory that came two starts ago in a Grassroots race. She stands out on paper here, perhaps the only concern being the inside draw. The last two times she drew inside, she was a neck winner and defeated by a neck. Nevertheless, she gets the nod to run her win streak to four in this opening leg of the \$75,000 Pick 5.

#6 STELLRMANIPULATION comes into tonight's race off three blowout wins where the conclusion was never in doubt at the three quarters of all of those starts. She gets a big test here because the fields she beat did not include the likes of Foreverafterall. If you are looking for evidence that she can compete with and possibly beat the choice, you might find it in her rookie season, however. She had two good performances in a row at the Grassroots level. In the first one, she closed from 10th at the three quarters to finish second. She came right back to finish second in the \$75,000 Grassroots final in a good first-over effort. She draws best and she is sure to blast out for the lead. I could see her getting the jump on the choice in this spot.

#3 SIMPLY THE BEST shipped west from Ottawa for her most recent start in a Grassroots race and she raced well in defeat. After taking the first lead she got shuffled then jammed up a bit on the far turn when it looked like she was considering coming out again. In the lane she searched for room inside with pace and she ended up going off the course briefly. She stayed on well for third but was placed fourth and she can get a piece of the pie here.

#4 ETERNAL DELIGHT finished a distant third to Foreverafterall on June 16th, and she has already fired back with a win on June 26th where she produced a big first up effort to take her first victory of 2025 in a non-winners of 1 race. This is a tougher spot, and she will likely be closing late to take a small share.

#2 LANESIDE INCONTROL is having a nice four-year-old season so far, and she keeps getting better. After racing four times in the non-winners of three class and taking two wins – including a dominant 1:50 3/5 lifetime best score two starts back – she moved out of that class and into a salty non-winners of \$9,000 last five class on June 20th. She raced terrific in defeat, pacing a sub-1:50 mile to lose by a head while losing a shoe during the race. The mare that beat her that night is a 25-time winner that got a perfect trip. She should resume her winning ways her back in with non-winners of three, but don't expect much of a price.

#3 ALWAYS DAWN is the interesting newcomer in here that is the logical alternative to the choice in this spot. She had a decent rookie season racing here, taking one win, but showing some promise by finishing fourth in two straight Grand Circuit races in the summer. She comes into this race off two straight wins in the Pennsylvania stakes program. In the most recent one she raced tough first-over to edge a \$177,000 earner who has a mark of 1:51-flat. She makes her third start racing out of the Tony Beaton barn where she improved in that pair of wins, and she is the obvious alternative to the choice in this spot.

#6 OUTTATHISWORLD DEO took a win versus non-winners of two on May 9th, then she faced a steady diet of tough stakes competition where she was able to take only thee fifth-place cheques, racing four times in a row against undefeated Chantilly and last year's Breeders Crown winner Miki And Minnie. Back in with non-winners of three tonight, she should improve, but this is no easy spot for her when you look at the top two choices. I see her rounding out the Tri or Super in this spot.

#1 ROCKS SHADOW makes her third start of the year coming off a nice mile where she flew late to get a share while pacing her own last quarter in 26 3/5. In her sophomore debut, she showed speed, being the first leader in the race. She got shuffled then re-rallied to land in the Super. She seems like another one that will be fighting for scraps behind Laneside Incontrol and Always Dawn. I'll use her on the bottom tonight.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 I TAKE THE CAKE holds an experience advantage on her eight rivals tonight, having already had a start for a purse. In that mile, which was a Grand Circuit race, she showed enough gate speed to find the pocket early and she followed the leader to the lane. She edged past that leader while racing a bit green, drifting out to about the four path. Then, the 4 to 5 favorite caught fire in mid stretch to blow past the two leaders with a quick and decisive move between horses, looking like a good filly. This Captain Corey filly gets sent out by a barn that has been winning regularly with its two-year-olds. This one gets top billing here.

#6 MISS MASS APPEAL is a homebred Muscle Mass filly that is a half sister to \$187K earner Musical Ride (5 wins, 1:54 S.). She comes into this career debut off two good qualifying efforts, the second one better than the first which is what you want to see. After being happy to follow along in the pocket in her first qualifier, she again sat a pocket trip in the second one, but with a better result on June 20th. When she was asked to chase down the leader in mid stretch, she responded then she gamely fought off a late challenger to get the job done in a visually pleasing effort. She has the best post and an aggressive driver, and she is in with a chance here in this first start.

#1 VERY SASSY is a homebred that changed hands on February 1st and she gets sent out by the Bax Stable that does its best work with young trotters. She is a half sister to Classy Royale, who took two wins and two seconds from four starts and earned more than \$131K while taking a mark of 1:56 winning a Gold race by four lengths here in the summer of 2023. This filly draws the tricky rail post, but she has some experience starting from that slot having raced from there in her June 20th qualifier where she rallied for third behind Miss Mass Appeal, while trotting a snappy 28 1/5 kicker. She is another in with a chance in this field of inexperienced rookie trotters.

#9 BINGO NIGHT is a Jones Stable homebred by top sire Green Manalishi S who improved sharply in her second qualifier, winning well while trotting home in 28 1/5 to fend off the late challengers. I like that she showed speed starting from the rail, which should put her in good stead for a debut mile starting from the widest post. I can see her floating out to get positioned in the top five and coming on late to take a small share.

Race 4 Selections

STANDARDBRED

The Horseplayer's Journal by Garnet Barnsdale

#1 BLUEMEA KISS comes into tonight's start on a big roll, having won three straight, including the recently concluded Pop Up series final where she was sent off at an incredibly generous price of 4 to 1. Her tactical speed is her best asset, as seen in that Pop Up final win. After she took an early lead, she gave up the front to a rival on the backstretch. She popped pocket at the head of the lane and sprinted away from the closers to win comfortably, while under no urging from driver James Macdonald. That teamster drove her to three wins in the four starts that he has sat behind her, and he has a good chance to go four for five here.

#4 CHIEFS DREAM GIRL is a mare that plays snakes and ladders with the class levels she races in from week to week, and she typically does better at some levels than others. She has excelled racing at tonight's non-winners of \$9,000 last five class. Looking back four starts, she was raced aggressively at this level, and she got the job done at a nice price of 6 to 1. Eleven starts back, she dropped and popped at this level, again scoring at 6 to 1. Despite missing the board in three straight starts, she should improve here, and she is one to consider in a race where she might close at 6 to 1 again.

#9 STYLE FOR A MILE grinded her way to a win two starts back in a leg of the Pop Up series, then she never ever got involved in the final in a puzzling effort as the 6 to 5 post time favorite. She is certainly capable of better than she showed on that night, and there are signs that there is intent for her to get more aggressive in this spot. She gets Doug McNair in the bike, and he drove her to nine of her 19 wins, most of them racing on the front end. I expect a different drive and a better result from this mare tonight.

#2 ONLYTHEGOODDIYOUNG is a stalker/closer type that is currently in good form and never gets bet. She was a good second two starts back, then she produced a 26 3/5 final quarter when moved up to this level on June 27th. She will be passing some rivals late in this mile, and she could sneak into the Tri or Super.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 #1 TH CHECK ME OUT impressed on debut, and it was a good indication of the kind of talent the Cattlewash filly had In that debut mile on June 26th, she floated off the gate in fourth, then stayed out and drove on to the lead, touching down on the front at the three eights pole. She was passed in the second quarter, and she was bottled up in the pocket turning for home. When the first-over challenger drifted out, this Cattlewash filly was coaxed through the hole by Tyler Borth and she willingly paced her way to her maiden victory, under tight Borth lines at the wire. That was a professional effort, and she came back with an even better one on June 26th in a Grand Circuit winning effort that is the fastest mile by a two-year-old in Canada. There are some nice fillies in this race, but they will have to go some to beat this one that has an experience advantage on most of them.

#1 SHES A BULLDOG is a homebred from the first crop of 1:45 4/5 pacer Bulldog Hanover. She is out of a dam that produced two foals that are both winners. Her two qualifiers over the mile track at Gaitway Farms were both excellent with her producing wicked late speed on the end of each mile. She gets the leading driver for her debut here and there is every reason to expect that she will be a threat at first asking.

#7 A BETS A BET looked so good winning blowing away the field in her second start that she was sent off as the even money favorite racing against TH Check Me Out last time in the Tompkins-Geers. She raced well in defeat, but she couldn't bridge the gap late in the mile. I think she will get positioned near the front again tonight and stick around for a share.

#4 LAVENDER SEELSTER is from the first crop of \$1.5 million dollar earning Ontario bred Century Farroh, and based on her qualifying efforts, it appears that she has inherited some of her daddy's speed. On June 20th, she left no doubt, pacing her final three quarters in 1:25 3/5. I prefer others ahead of her, but we don't know how fast she can be. Perhaps the tote board will provide some clues here.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 SOUTHWIND MANHATTN is a \$75,000 Lexington buy that comes into this debut race off one impressive winning qualifier on June 20th. In that mile, she was first off the gate, taking a quick early lead but then let some rivals go. She was gapped out at the half, but she was the first to move, and she professionally dialed in the loose leader in the stretch, closing with big strides and trotting as straight as an arrow in the stretch. The trainer hands the lines to catch driver Todd Ratchord for this maiden voyage, and this filly gets top billing as we kick off the late Pick 5.

#2 CANUKEEPASECRET holds an experience advantage over every other filly in this race having raced twice for a purse while the rest make their first start here. She got a test spin over Georgian Downs on June 17th where she was an unhurried third. She was better in her next start in a Grand Circuit event where she was no match for a 7 to 5 favorite that went down the road, going slow early on the lead and fast late. Her experience should be an asset in this third start, and she is in with a chance.

#1 RONDA MAY K was fetched for only \$10,000 at the Harrisburg sale, and she may turn out to be a bargain if her lone qualifier is any indication. After gaining the pocket early, she effortlessly trotted a 57 1/5 back half to win going away. Jody Jamieson abandons Canukeepasecret for her which can be a tell of sorts. She draws the tricky rail post for this debut, but she is in the mix.

#7 SOCIAL WIZARD is an Alarm Detector filly that improved big time in her second qualifier to win easily after finishing a nondescript fifth in her first qualifier. She got an aggressive steer from Tyler Borth who remains in the bike tonight. She will likely get put into play again tonight, and she is yet another contender in a rookie trotting race that offers plenty of options.

#5 ONE LAST WISH drops back down to this level after spending one race chasing Preferred mares at the top level. That is likely just the drop she needs after dominating on the lead in this class two races back where she cut some big fractions and kept going for a 1:49 4/5 lifetime best score. The five-year old Bettors Delight mare faced some tough company racing at Yonkers earlier in the year, and she is clearly in top form now. She will take beating on the drop back down to the non-winners of \$15,000 last five class and I imagine that she will be singled on many multirace tickets based on her win in this class two starts back.

#7 LYONS BETTORDAY raced okay at this level two starts back while finishing fourth to the choice in that 1:49 4/5 mile. She came back on June 27th in the same class, and she drew widest. She got an impossible parked out trip in that race and understandably finished far back. Drawing better tonight, she should be able to find a spot in mid pack early racing along the pylons. She can use her good late kick to come on for a share in deep stretch. I'll try to create some Exacta value with her in this spot.

#8 WESTERN WISH comes to play every week, usually blasting to the front, but she got out sprinted from the rail post last week then sat a trip to get third. That race came on the heels of finishing second to the choice on June 20th. Starting from the eight hole here, she can likely make front early then ride a trip to a spot in the Tri. She is a good one to use underneath in this spot.

#9 COZ IM SPECIAL is racing great at the moment, coming in off three solid tries, including a winning sub-1:50 mile two starts back. In her most recent start, she chased a 4 to 5 favorite that was unyielding, and she managed to hold on for second despite racing first up. She is sharp, but I don't love the nine hole for her in this spot with a few expected leavers lined up to her left. She should be a factor for a minor award, however.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 ALL MY WISHES is much improved at three racing out of the Chantal Mitchell barn following a rookie campaign where she too only one win in 10 starts and earned \$13,400. She certainly is a new filly racing as a sophomore, having won three times from five starts while taking two slices. She also is much faster, as seen by the 1:51 4/5 lifetime mark she just took winning her last start, and the 1:51-flat mile she paced while closing for third in her penultimate start racing in the Grassroots. She looks best in here, and she should be able to double up if she gets a reasonable trip.

#5 MILLIE MAY HANOVER had a tough rookie campaign starting ad finishing her two-year-od season racing in stakes throughout, including finishing the year racing in the Breeders Crown elimination and final where she went off at 142 to 1 and 123 to 1. She did manage to take four slices and earn more than \$153,000 despite going winless. She kicked off her 2025 campaign with a narrow defeat to Chantilly on a wind-affected night and she beat maidens as the 1 to 29 favorite two starts later. Getting her first crack at the non-winners of two class and starting from one of the best posts tonight, she figures to be the main threat to the choice.

#8 PIZZAZZ HANOVER is an interesting shipper that has a similar profile as All My Wishes in that she is much better at three than she was as a rookie. She was winless in eight starts at two and she did race at Mohawk Park twice, taking home the fifth-place cheque in each of those instances. She is clearly better and faster, and assuming she can drop a couple of seconds tonight – which is logical considering the move to the bigger track – she can be right there. I expect an aggressive steer from Louis-Phillipe Roy. She is one to consider for use on late multi-race tickets.

#1 YS FLOWERNUMBERTEN moves into the Shayne Barrington barn tonight after changing ownership on June 14th. She moves up from the \$20,000 conditioned claimer level, but she is capable of showing better than she did in her last three starts after breaking her maiden here on May 15th versus maidens. She gets Trevor Henry in the bike and perhaps the barn and driver change can wake her up tonight. She is worth a look for use underneath.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 GRIT N GRACE has taken over as the new queen bee of the top pacing class for fillies and mares. She hinted that she was going to move to the top level and have some success when she finished second at 33 to 1 in the Margaret Juravinski Memorial in mid May. That didn't convince the bettors as she was then sent postward at 69 to 1 in the Forest City Pace in London, where she raced great from the worst post to get second. Since then, she has a narrow defeat and two wins in this top class at Mohawk Park, and she has been handled confidently by Jody Jamieson in all her starts. She is in peak form, and she will likely look to control another race on the front end. Beat her to greet the cashier.

#7 BLUE PACIFIC was on a big roll here in the winter, winning four in a row, the last two of which came at this Fillies and Mares Preferred level. The class wasn't carded for a calendar month from February 7th to March 7th and she sat idle. She seemed to lose her mojo after missing that time. She hasn't won a race since. She is now showing the signs that she is racing back to her best form, having finished second twice in a row to Grit N Grace. There is a good chance she will blast to the front then race from the pocket when the choice overtakes her for the lead. She is razor sharp now, and she will turn the tables one of these nights, maybe tonight.

#6 CAVIAR N CRACKERS was on a big roll that culminated with a dominant score in the Forest City Pace on May 30th in London, then she was given three weeks off. It was no surprise that she was raced conservatively in her first race back, and she closed for fourth while pacing one of her patented 26 1/5 kickers. She was raced much more aggressively against Grit N Grace on the 28th and she was easily rebuffed. I think she reverts to closing tactics that have worked so well for her in the past, and if there is a contested pace, she might roll by them all late at a square price.

#4 ODDS ON PLATINUM was sent off as the 3 to 2 favorite last time and after dropping in third, she was raced first up instead of trying a move to the front in the slow second quarter. She had no chance of passing the leader in a 53 2/5 back half, and she missed a cheque. I'm not sure what to expect of her tonight, but I like others better anyway, so she gets used on the bottom. Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 ITHADTOBEYOU took plenty of action for her sophomore debut, and although she raced well in defeat, that was a race she probably needed after being off since early las August when she raced in the Battle of the Belles final then came up sick for her next start and wasn't seen again. In her sophomore debut, she stayed in racing fifth then benefitted when three rivals in front of her all pulled out to go after the leader. She rallied well for second and she should be sharper for this second start back. She gets the nod to take her second lifetime win as we kick off the late Double.

#4 PARKAVENUEJANET was bet down to 8 to 5 for her debut despite showing only one qualifier where she finished fourth. The bettors that backed her clearly knew what they were doing, because she produced a strong effort on the engine to get the job done at first asking. Ten days later, she was entered in a Prospect Series race, and it was hotly contested with some big fractions being set. That made her easy pickings for a strong closer who rolled past her late. She obviously has some talent and she and she should be one of the main contenders in here.

#5 WHO ARE YOU started her year in two very tough spots racing in the Pennsylvania Sires Stakes and she managed to take a cheque in one but not the other. The Captain Crunch filly finished off her rookie campaign here finishing second in all her last three starts racing against maidens in all three. She is capable of being much better tonight and she should be good for a share versus these.

#7 MYSTIC MOMENT is three for five so far this year with her only two losses coming here at Mohawk Park where she was soundly defeated twice after contesting the lead early in both of those miles. There's reason to believe that she can get a better result tonight. She comes in off a new lifetime mark where she set a solid early pace and sealed the deal. She adds Lasix tonight and she gets Trevor Henry in the bike. Another aggressive try is likely coming, and I see her hanging around for a share.

Race 11 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 JOB HUNTER is one of a few horses that the Tackoor/Willis partnership has had success with this year, and she started to get good on June 5th when she wired a group of \$20,000 conditioned claimers. She came right back to double up in the opening leg of a Pop Up series, then she raced well in the next leg and the final after drawing a bad post. In that final to get fourth while pacing her own back half in 53 3/5 while pacing the fastest mile of her life. She is sharp and she gets the nod in the anchor leg of late Pick 5 and Pick 4 tickets.

#6 LADY GET LUCKY drops back down to the level where she produced her best recent race two starts back. On that night, she floated out and marched to the front, touching down on the lead past the quarter. She rode the pocket to the lane and tried to chase the leader down, but she was once paced from her earlier taxing effort and she got nailed for third. You have a filly with speed, and post six here. All of that likely adds up to a big speed try. She is definitely in the mix in this spot.

#2 KELLINA DIAMOND is one that trip handicappers were all over two starts back when she was coming off a boxed and buried trip on June 13th where she had plenty of pace but nowhere to go in the lane. In that race on June 20th, she tried racing first-over but the fractions were too hot, and she backed up. As often happens in these cases, bettors abandoned her last week, and she got a better trip and almost scored the upset. She can get another good trip in this spot and that makes her a threat.

#4 CHICKABELL was hot earlier in the season then she wasn't, as often happens with form cycles and racehorses. She seemingly has recaptured her best form, having taken cheques in all of her last four races, the most recent a neck loss in a blanket finish. She did her best work earlier in the season with James Macdonald in the bike, and he returns here. She should be closing for a share once again.

#1 MISS CHANTILLY N is interesting here being quoted as the morning line favorite coming in off three straight fifth place finishes since shipping north from New Jersey. She doesn't seem to have much gate speed, so the rail post is a concern or her. One thing she does have going for her is Doug McNair opting for her over the #6. Still, she is one that I will try to beat here.

SPOT PLAY: JOB HUNTER

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

THE MORNING LINE reflects the track oddsmaker's estimate of what each horse's odds will be at post time. The actual odds are established by the amounts wagered by the public on each horse in the win pool.

C.P.M.A. Regulation Changes

Effective January 1st 2012 CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded. If there is a change of surface in any leg that is NOT made known to the public
- prior to wagering for that pool closing, that leg will pay on all runners. A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no
- contest. Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called"Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once gualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L (\mathbf{L})

 (\mathcal{L})

Denotes horses treated with Lasix.

Denotes horses treated with Lasix today who were not so treated for their last start.

Denotes horses treated with Lasix for their last start but not so treated today.

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/

All tickets should be held until the result of the race is declared official and prices are posted. No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of parimutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers and present sufficient funds at the time of purchase to cover the wagers requested. ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE) A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012) EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions. JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th. That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have

correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively. Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If

there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded. PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive

races specified for the Pick 6 respectively. If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool. PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the nonstarting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website. The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all lickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded. COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website. FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.
