Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

**WOODBINE™**

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 DELIGHTFUL LEADER is a gelding that I thought raced well last week in Leg 2 of this Pop Up series despite finishing fourth. He was the first leader, then he let one go in the second quarter, and he finally found himself in the tricky three hole at the half following another leadership change. He was trapped briefly, but he found room midway around the final turn and he was wheeled out three wide. He gained some ground but lost a position while still pacing his own last quarter in 26 4/5. That was a solid effort and none of the three horses that finished in front of him are in this race. Starting from the best post with aggressive teamster J R Plante in tow, he should be in for a big speed try tonight and he gets top honours to kick off the \$75,000 guaranteed Pick 5.

#4 LAMBORGHINI LOU had a tough trip in Leg 1 because a rival made a quick move to the front in the third quarter which left him several lengths in arrears and chasing that rival first-over. Last week, he found second-over cover in the third quarter, but he had to move early when the 4 to 5 leader started to sprint away from the field on the last turn. He finished a clear second, geared down at the wire because he had no chance of either catching the leader or losing second. Tyler Borth sticks with him over the choice tonight, and I think he will get a more aggressive drive in this Pop Up Consolation. He is hard to leave off early Pick 5 tickets.

#9 ROCKS SHINING STAR was hammered down to 6 to 5 favorite in the opening leg of this series, perhaps a bit over bet, and he finished second after lacking racing room at a key part of the race when he was kept in the two hole following a leader that didn't carry him where he wanted to go. He slid up the pylons to get second, but I doubt he beats the sharp winner there if he was raced differently. He raced poorly last week but he gets the leading driver back tonight and he is worth a look for Tri and Super bets in a spot where he should improve.

#7 TRICKY MCWICKY raced well in the opening leg of this series where he closed for second, then in Leg 2, he drew poorly, lost Doug McNair, and tried a late wide move that went nowhere. He draws slightly better tonight, but more importantly, he gets McNair back in the bike. He should be heard from late in this mile and he is another one to consider for use in the bottom of horizontal bets.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 PRINCE HAL HANOVER was a Grand Circuit winner here in his third start of the year, taking a division of the Somebeachsomewhere Stakes racing on the engine here on May 31st. That propelled him into this track's signature race, the North America Cup. In his elimination, he raced great. He blasted off for the lead then he was relegated to third on the backstretch following two leadership changes. Then he re-rallied in the lane to get close to Louprint, who would come back to win the final. In the final, he was strangely pulled straight back to last leaving the gate from his wide post, and he could do no better than close from tenth to eighth despite pacing a 52 3/5 back half. He is perfectly spotted here for a big speed try starting from the best post. The only concern here is the stale date.

#5 LITE UP THE WORLD is the second sophomore colt coming out of the North America Cup where he went off as the 9 to 5 favorite, and he was maybe a bit over bet there considering the likely shape of that race. He was visually impressive closing from last, pacing past the field like they were stood still in his elimination. But that move and result was also facilitated by some wild early battling and fractions. He did race well in the final considering his trip. It's not every day that you see a fifth-place finisher pacing his mile in 1:47 3/5. This Tony Beaton trainee is handier than he showed in those two races, and he will likely be more aggressive tonight. He also shows the stale date, but if he is sharp enough, he will be right there versus these.

#2 UNCLE SHANK A comes off a wild trip at this level where it was kind of amazing that he ended up third at the wire. After leaving in the top three, he looked to drop in third, but that hole was unavailable. He continued to look for a whole while backpedaling, and he couldn't find a spot to tuck in. He eventually backed all the way up to last, but he stayed in the two path. Two rivals pulled in front of him, making him third-over around the final turn. He persisted in the lane and got up for third on the wire, edging Write Me A Rose for third. He seems most likely to knock off the two sophomores in here.

#1 WRITE ME A ROSE dropped to this level last week and he worked out a good following trip to the stretch then he lacked room at the wire when he was nailed for third by Uncle Shank A. It's significant that he gets Doug McNair back here when you look at how he raced three starts back with that teamster in the bike. That was a much lower class, though. I'll use him underneath this time.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 ANOTHER GREAT MASS has an experience advantage on all but one rival in this race having had a race over the track for a purse, and that debut mile was a solid effort in defeat. After starting second from the tricky rail post, he made an early move to the front then set the pace to the three quarters. He had no answer for a sharp debutante, but he was well clear in second at the wire. This Muscle Mass gelding is related to several winners, the best of which is 30-time winning full brother Lovedbythemasses, who is still going and approaching \$1 million in earnings. This homebred has a big shot to take his maiden win in this second start and he will probably be singled on many early Pick 4 tickets, this being the opening leg.

#7 TOUCHEDBYANANGEL is a \$70,000 Harrisburg buy that is the first foal from a full sister to \$610,000 earner Im The Muscle (47 wins, 1:53 1/5 S.). In his qualifier on June 28th, he was happy to ride in the leader's pocket throughout the mile. He did his best trotting in the final sixteenth when he was asked by Doug McNair, and he responded to close in on the leader. He was well clear of the rest of the field in a solid effort. He is the other one in here that I would consider using on early multi-race tickets.

#4 L P BAY was a solid winner in his qualifier on June 28th, and he is interesting in here because of his breeding. He is related to eight winners including two that earned more than \$500K, Willowtime (8 wins, 1:53 1/5 S.) and Sea Can (23 wins, 1:53 S), and \$400K earner Crusing In Style (25 wins 1:53 2/5 F.). He should be in the mix to take a good share on debut.

#6 GREEN MAFIA is the wild card in here because he hasn't been asked for a lot of speed, but he did drop four seconds in a blowout win in his second qualifier. The homebred Green Manalishi colt is related to three that have all made the races and won. Seeing as the choice has trotted close to nine seconds faster than this colt, I will take a wait and see approach, but he could sneak into the Tri or Super at first asking.

#4 FIFTH AND FIVE is one of three in here coming off Grassroots wins, and he was the fastest of that trio. After facing a steady diet of Gold and Grand Circuit company in the preceding month, he found Grassroots colts more to his liking, and he used his good gate speed to get position and work out the winning trip. He draws well here to get another good trip racing on or near the lead, and he gets the nod over his stablemate that starts from the rail, and the rest of this field of Grassroots or Prospect series starters.

#8 SILVERWALLS, has shown he has a nose for the wire this year, taking seven wins in nine starts while finishing second in the other two starts. He is a completely different horse at three, and he got faster quickly racing over this track, dropping five seconds in six weeks. He got nailed by the colt the starts from the rail here in his most recent start, but his best race is a sub-1:50 mile and he could get a trip here starting from the outside if he blasts to the front then lets one go, accepting a pocket trip. I think he gets put into this race leaving the gate, and he is another one to consider for early multi-race tickets.

#1 OUT OF ICE, stablemate to the choice, just beat Silverwalls, and that win kept him perfect in the Grassroots series so far this summer as he was a winner in Leg 1 in London. That win in Leg 2 here on June 21st represents a new lifetime mark for the sophomore Hes Watching gelding. He got a perfect pocket trip that night that I don't see getting repeated with his starting from the rail tonight with at least three lined up to his right expected to blast off the gate. He also loses Jody Jamieson to Fifth And Five. I'm inclined to use him underneath tonight.

#7 READYFORPRIMETIME has three wins in five starts so far this year, the two losses coming in an SBOA Final and an OSS Gold leg. He opened the season with a win against maidens, then on June 9th here, he jogged in 1:50 2/5 in a conditioned race. That impressive score made him a 1 to 5 favorite for his Grassroots race on June 21st, and he converted albeit by only a head in a field that wasn't the toughest. He is a contender again tonight, but I prefer to use him underneath in this spot.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 BEAU JANGLES is the most impressive two-year-old pacing colt that I have seen qualify at Mohawk Park so far this summer. In his first qualifier on June 13th, he was asked for nothing early, then he caught fire in the back half, pacing home in 53 3/5, which is something that I've never seen in a first qualifier. He came back eight days later, and he was sent right to the lead. This time he paced a 53 4/5 back half on the engine while cruising to a 20-length win. This Doc Moore trainee brought \$65,000 at the Harrisburg sale, and he is the first foal from a full sister to 49-time winner Major Hill (\$728K, 1:49 4/5 S.). This could be a special colt, and I expect him to get the job done here at first asking kicking off his career in an OSS Gold race.

#2 BORDERLINE MOBBY, like the top choice in here, is by Cattlewash, who has four fast pacing colts in this race. Don't let his 1:54 final time fool you; this colt couldn't have been more impressive winning his debut here on June 28th. After starting fourth, he found cover, and he rode it to the stretch. He kicked into high gear in the final 1/16th and paced past the leaders under an absolute stranglehold to Bob McClure. If anyone in here is going to upset Beau Jangles coming out party, he will likely be the one.

#9 TILTHECOWSCOMEHOME is yet another Cattlewash colt that has been impressive to kick off his career. After pacing to two nice qualifying wins, he kicked off his career racing on the Grand Circuit, in the Tompkins Geers. After starting third, he elected to stay in. He looked like he was in a bad spot when the 1 to 5 favorite started to edge past the leader in the lane. He found some room in deep stretch, and he absolutely exploded to get up for a narrow win. Like the best of the Cattlewash babies, he has an incredibly fast move for a small piece. I don't love the wide post for him here, but I wouldn't be totally shocked if he scored the repeat here.

#7 NO WAITLIST makes it a clean sweep of Cattlewash progeny to be picked as the top four here. The \$41,000 London Classic Sale graduate raced okay on the engine in his debut in the Tompkins Geers, eventually getting nailed late by Tilthecowscomehome and the 1 to 5 favorite in that race. This colt will likely get put into the race early again by Travis Cullen, and he can stick around for another share.

BEST BET: BEAU JANGLES

#3 SET SHOT got Jody Jamieson in the bike in Leg 2 of the OSS Gold, and he got an aggressive steer to take down four rivals. He set a good pace and powered home in 27 2/5 to get the job done. He is back in a conditioned race here taking on some older rivals, but I'm not worried about intent because he was a winner against non-winners of two in May, and he finished second versus non-winners on June 7th. I think he gets put into the race leaving the gate again, and he should get a good trip racing on or near the lead. He gets the call to repeat to kick off the late Pick 5.

#4 CONTROL ROCKS had intent to go straight to the front in his OSS Gold race on June 28th, but so too did three rivals lined up to his inside. That led to a wild dash into the first turn where he got pushed four wide. Bending into that first turn, this gelding came over and made wheel to wheel contact with the horse racing in the three path, causing that rival to break stride. The first quarter was cut in 25 4/5, and after tucking in fifth, he could only follow as the 3 to 5 favorite dominated on the engine. He finished fourth, placed sixth for the first turn interference. He is another that projects to get a good trip racing near the front this time, and he merits a close look for multi-race tickets.

#1 TIME PASSER is a sophomore colt coming out of the OSS Grassroots where he took a win two starts back on disqualification after he suffered interference. He paced his fastest mile of the year in his last start, and he will likely look to sit a covered trip starting from the rail and facing some good colts. I prefer to use him underneath in this spot, but its hard to discount any that are sent out by trainer Menary.

#7 CENTURY LUCIFER, a double OSS Gold winner at two last year, makes his sophomore debut in a tough spot against some sharp colts that are in peak condition. Last year, he dropped back and made a late charge in his debut race and that set him up perfectly for his first OSS Gold win. I could see that scenario getting repeated here, and I'll use him underneath tonight.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 IM A PAPI HANOVER signaled on June 9th that he was coming around to his best form when he made a late charge to get fourth, passing several of his rivals in the stretch. He was indeed better on June 30th where he was raced more aggressively to get second. In that race, he was beaten by promising colt Backup Plan, who was taking a second consecutive win. He did get past the 3 to 5 favorite in the lane to get up for second. He gets the "first time McNair" angle in his favor tonight, and he is quoted at 10 to 1 in the morning line. He can be a good one to use on multi-race tickets tonight considering that number. I'll give him the nod to notch the upset.

#5 CAPTAIN HURLEY was Travis Cullen's choice over Im A Papi Hanover, and with good reason when you consider that he comes off a career-best score and he beat a good colt that starts from post nine in this race. He did get a nice trip in that race, but he made his own luck by getting to the front early starting from the rail, then riding a pocket trip to the stretch before pouncing for the win. Starting from the middle of the gate tonight, he has a good chance to repeat, and he is hard to leave off multi-race tickets in this spot.

#8 TH KAY C CRUNCH finished second to Papis Pistol in a 1:48-flat mile two starts back and it was no surprise to see him favored in his next start off that strong effort. He made the lead starting from post nine, and he led to deep stretch, but he couldn't fend off the tripped out Captain Hurley in the race to the wire. I imagine he will get put into this race leaving the gate again, and maybe he will be a bit sharper getting back on a seven-day rotation. He is yet another one in with a puncher's chance here.

#6 AQUINAS HANOVER will get a look from bettors here because he woke up in his last start in an OSS Gold race, falling three or four strides short of scoring the upset win. I think he may get over bet here when you consider how the dynamics of that race helped facilitate that effort. First, it looks good on paper that he was able to start fifth, but fifth was last in that field. He also had a clear run from back there while trying to pass four rivals. He is in a field of nine now and he will probably need to pass more horses to win here. I'm inclined to use him underneath.

Race 8 Selections

The Horseplayer’s Journal by Garnet Barnsdale

#4 HUNGRY MAN drops to a level where he should return to form tonight after facing a steady diet of tougher rivals for several weeks in a row. Starting from an inside post in his last start, he didn’t show much but missing that cheque allows him to drop to this non-winners of \$9,500 last five mile. He also gets his main driver Doug McNair back tonight, and he was beaten less than three lengths with McNair in the bike in an Open Pace that kicked off the North America Cup card. I expect him to get an aggressive steer in this spot, and he gets top billing to kick off the late Pick 4 that starts here.

#2 FORTIFY comes off a good effort racing one level higher than this where he chased 3 to 5 favorite and North America Cup second place finisher Madden Oaks around the track and ended up finishing third. That was his best effort in a few starts, and he has a good chance in with these tonight. He beat better than these several times at this track last year when he was in peak form. Tyler Borth has been sending him in recent races, and he might blast to the front and go right down the road in this spot.

#3 REDWOOD HANOVER is interesting here because he takes another class drop for this third start back following a break after he was scratched due to lameness, and when he is on his game, he can drop a big front end effort. He was a blowout winner racing one level higher than this in April, and he draws a better post tonight than he did in his last start. I think the leading driver will put him into the race tonight and give him a chance. He is another to consider for the late Pick 4.

#6 STONEBRIDGE HELIOS moved up to this level on June 7th, and he managed to close for third despite going a long mile on the outside. He hasn’t won a race in 2024-2025, and I don’t think he breaks that winless streak racing with a stale date. I can see him coming on late to take a small share, however.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 BRUE HANOVER hasn't raced in three weeks, but that didn't matter to the morning line maker, who set him as the 3 to 5 favorite. A quick glance at the form tells you why he was made such a huge chalk in that morning line. He comes off a Mohawk Gold Cup win where he beat much better horses than he meets tonight. He has crossed the wire first in all of his last 10 starts, but he was set back for a pylon violation in the Camluck Classic at London in late May. I suppose it's possible he could be a little short racing off the stale date, but he probably doesn't need to be at 100 per cent to beat these. As usual, he will likely be tough to overhaul.

#2 CAPTAIN FEAR NOT tried his luck in the Gold Cup against Brue Hanover, but he lost his chance at the draw when he drew post nine in a loaded field. He dropped back to ninth from where it was hard to pass rivals in a race where the back half was paced in 53-flat. That was his second consecutive mile paced in 1:49-flat, and he seems like the obvious one to complete the Exacta in here, although it won't pay much. I'm not sure there is much value to be found in this race.

#1 GEM QUALITY has excelled in recent starts, the last two with tonight's driver Tyler Moore in the bike. Coming in off a loss as the favorite two starts back, he delivered racing in the tougher Preferred 2 class last week, making a nice late move to get the job done. A Breeders Crown winner at two in 2023, he certainly has the class to be competitive at this level when he is on his game as he appears to be now. He should be good for a share versus these tonight.

#4 SOARING NOW raced great to win the Open Pace that kicked off the North America Cup card, a race where he was first-over and he just kept grinding and grinding until he got up for the win. He followed that with a flat effort in a 1:48 mile where he just never got into contention. He is better than he showed in his last start, and I see him landing in the bottom of the Tri of Super tonight.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 ARTIES IDEAL started in only one leg of this series, but he qualifies for this Pop Up Series Consolation because he made that appearance. In that mile on June 21st, he had little chance starting from post 10, and he dropped to the back immediately at the start and he never made an impact. He got another start in at Grand River on Monday where he raced okay in the Preferred 2. He gets Doug McNair in the bike now, and that tells me an aggressive steer is coming tonight. I'll give him a slight nod in a race where you could go a few different ways.

#8 THUNDER COUNTRY will be up against it tonight starting from a wide post in a field of eight. But he comes off a very good closing effort where he fell only a length short after being tenth at the half, now the worst he can be sitting is eighth at that point of the race tonight. He paced a 53 4/5 back half in that race last week and he could roll past all of these in the lane if there is any kind of battling during the race. He can be a good price option for late Pick 5 and Pick 4 tickets.

#3 RESPECT OUR FLAG tried to close off excess cover last week and that wasn't going to work when the leader paced home in 27-flat. That followed a good effort at Georgian Downs where he battled gamely first-over right to the wire. This 44-time winner has more gate speed than he has shown recently, and I think Travis Cullen will use it to get positioned closer early in the mile tonight. He can beat these with the right trip, and he is another multi-race ticket candidate in what looks like a spread race.

#6 PREMIER FIRST STAR is an infrequent winner that comes off a solid effort last week where he produced a fast final quarter in defeat. He now gets off the rail and draws best, and he will get some attention at the windows in this spot. I like others better in here and I am willing to risk him beating me in this spot, but I understand that other handicappers and bettors will likely take a different view.

Race 11 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 CONTROL THE POWER was a big winner in Leg 1 of this series, utilizing a quick brush and crush move to leave no doubt. In Leg 2, drawing post nine, he was taken to the back and he stayed buried on the inside, gaining some positions on the far turn. He closed ground while lacking clearance and he didn't get clear sailing until very late in the mile. Once free, he was flying, but it was too late. Drawing inside tonight, he will likely get a much more aggressive steer. I'll give him a slight nod in what looks like an evenly matched field that makes up what could be the best betting race of the year to date.

#2 R J RINGO appeared to be a lock last week because he drew the best post in a race where it looked like there were no leavers other than him. As it turned out, a couple of bombs blasted off for the front, so this gelding had to let one of them go, or risk getting scorched. Following a quick 26 1/5 opening quarter, he was moved to the front, and he proceeded to bottom out the field while taking a new lifetime mark. This is a tougher spot, and I don't expect him to get the same trip he got last week, but he is one of the main contenders, nevertheless.

#1 ITS MAJOR MAJOR A makes his third North American start after shipping overseas from Australia, and he was right there in the first two without notching a win. Last week, he made an early move to the front and set the pace from there to the wire, where he was passed by a rival that raced huge first-over to score a 54 to 1 upset. He out draws that rival now, and I think he starts in mid pack here then looks for a live helmet to follow. He is year another to consider for the win.

#8 P L OLIVER is one of two in here that driver Travis Henry scored big upsets with in Leg 2 of this series. He was impressive making a couple of moves to get the job done. He gets Tyler Borth now and he will likely offer a good price here starting from the eight hole. He is another that could do with the right trip.

#9 IT TAKES TWO produced a huge first-over effort to score the 54 to 1 upset last week. I prefer to use him underneath starting from post nine, but if you are sticking with him, he will offer a square price again.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2025 earnings
3 year olds	50%	25% on 2025 earnings 50% on 2024 earnings
4 year olds	25%	25% on 2024 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

- Pick Pools**
- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
 - If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
 - A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
 - Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
 - Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials. All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L Denotes horses treated with Lasix.
- (L) Denotes horses treated with Lasix today who were not so treated for their last start.
- (L) Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("The Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Tractor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
