## **Betting Basics**

## Some essentials to get you started with making a wager.

#### Place your bet by visiting a teller, or using a self-serve terminal.

#### To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- **3** Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

#### How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- **3** Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: WIN
- 6 Press/Tap the Bet Amount: \$2
- 7 Press/Tap the Race Number: Race #6
- 8 Press Green "Make BET" button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

## **2** Types of bets

#### Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	000	Your horse must finish 1st; payoff determined by the win odds.
Place	UU	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

#### Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	0000	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	00000	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	000000	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	0000000	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	00000000	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

\* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order. For more information visit ONTARIORACING.com

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 1 Horse's number in the race
- 2 Horse's post position colour
- **3** Horse's colour, sex, age,sire (father), dam (mother), sire of the dam
- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

#### 7 Trainer information

- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

## 4. The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

#### Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

#### Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

#### Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

#### 3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time PLACE BETS on the FAVOURITE pay 53% of the time SHOW BETS on the FAVOURITE pay 67% of the time

\* Numbers listed above are approximate, may vary by racetrack.

BROOKDALE LAYTON Trainer Change: Bernard D McCallum to Anthony B Beaton

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

#### **Race 1 Selections**

#### The Horseplayer's Journal by Garnet Barnsdale

**#9 BETTOR TALKER** comes in off a good second place finish to a well-meant five-year-old maiden that got bet heavily and went right down the road, taking no prisoners in the process. He left well enough from the rail to land in third, and from there, he watched the leader and the #6 horse in this race engage in a war in front of him. He lacked room briefly in the stretch, but he did get room late and there was no gaining on the leader who stole a 29 1/5 third quarter breather and wasn't slowing down. He has been getting aggressive steers from Doug McNair since shipping over from Grand River off a big maiden win on June 18th, and I don't mind the switch in posts to the nine hole. He should get put into this race early again, and he gets top billing as we kick off the \$75,000 guaranteed Pick 5.

**#1 BROOKDALE LAYTON** is an interesting newcomer that ships west from the Maritimes showing enough promise in his past performance lines to suggest that he can compete here at first asking racing on the big track tonight. The homebred son of Hes Watching is the third foal of his dam to hit the track, and his two siblings have combined for 10 wins. He moves into the Tony Beaton barn and picks up leading driver James Macdonald for this local debut, two positives. He is the other one in here that I would consider using in the early Pick 5.

**#6 NOVA BLU** should probably be commended for his brave effort here last week where he got issued the mile long parking ticket and still hung on for third behind the choice who finished ahead of him while getting a perfect trip. He draws the best post tonight, so he likely has a better chance to make front if that is his strategy. He brings a 0 for 15 record to the track tonight, but he has been competitive is most of his starts, taking eight shares along the way. At this point he is one that I will try to beat considering how many chances he has already had to break his maiden.

**#4 LATE FOR COFFEE** has had three starts over Mohawk Park starting his career with four in the money finishes in four starts at The Raceway in London to kick off his career. Last week here, he tried racing first up against a 3 to 5 shot that paced a 27 3/5 kicker in victory. He is an improving sort that can take another share in this spot.

#### **Race 2 Selections**

#### The Horseplayer's Journal by Garnet Barnsdale

**#1 BRINDLE** is a good-looking son from the first crop of the fastest horse in harness racing. In his second qualifier on June 21st, he was sent straight to the front leaving the gate and he led unstressed to the far turn where he was taken on by the rival that sat third most of the way then moved first-over. Responding to Jody Jamieson urging down the lane, he fended off that challenger while pacing a 26 3/5 kicker. This half brother to millionaire Solar Sister (14 wins, 1:49 4/5 S.) looks ready to roll and he gets the nod to break his maiden at first asking.

**#6 JE NE SAIS QUOI** has an experience edge on many of these having got a start in here on June 27th. That was a tough assignment facing the likes of Tilthecowscomehome and Dad in a Grand Circuit race to kick off the career. He was right there to the three quarters then he backed up as the leaders sprinted home in 26 4/5. He gets into what looks like an easier spot on paper – perhaps with the exception of the top pick – and Doug McNair sticks with him over the #2 in here. Starting from the best post, he will get put into the race leaving the gate again, and he should last better in this maiden race.

**#3 NEVERLEAVEHARLAN** is another with some experience having finished third in his debut race here last week in a race where it was hard to close after there was no early pace in a four-horse field. The son of sensational sire Cattlewash can be better tonight with that start under his belt, but he might be fighting for scraps if Brindle performs as expected at first asking. He is a good one to use on the bottom of Tri and Super bets in this second lifetime start.

**#7 HURRICANE EXPRESS** is a Millar Farms homebred full sister to Misty Cove – the first foal of the dam – who is a two-time winner racing at Mohawk Park this year. It took that filly a few starts before she rounded into her best form and this colt might be facing a similar scenario based on his two qualifiers. I think he takes back and looks to rally for a share in this debut race.

#### **Race 3 Selections**

#### The Horseplayer's Journal by Garnet Barnsdale

**#6 BACKUP PLAN** shoots for the threepeat coming in off two very different wins here in June. On the 20th, he got the perfect covered drive from Louis-Phillipe Roy, who kept him hidden on the favorite's cover to deep stretch where he then was produced outside that rival. He got up right on the wire for his maiden score. He came back 10 days later, and he won very impressively. He sat in fifth to the far turn and when he pulled, the horse racing directly in front of him pulled late, forcing him three wide. Undaunted, he marched on in the three wide path, circled up in the stretch and paced past the leaders with ease in deep stretch. He faces a tougher assignment here, but he should be up to it based on how good he looked in that winning effort. He gets the nod to kick off the early Pick 4 that starts right here.

**#2 DANCININTHEFIRE** was seen here last September in a Prospect series race, and he was distanced in that mile and put away for the year. After breaking in his sophomore debut, he moved from Yonkers to Pocono, and that's where things clicked for him. He finished second then came back to take a new life's mark of 1:51 3/5 while obliterating a field of maidens. He gets the perfect partner for a big speed try in Doug McNair in the bike and it is likely that he will be the one that the choice is trying to chase down in the stretch.

**#3 SHINING MOMENT** raced okay here in the Harvest series last fall, getting narrowly beaten in the second leg and final after holding clear leads in the stretch in both miles. He came back for two starts in the Spring series in April and he didn't show much other than 27 and change final quarters. Flash forward to June 30th, and he dominated a qualifier field while recording a sizzling time of 1:52-flat. Pacing that fast puts him in the picture here, but I like the top two better and this is one that I would use underneath.

**#5 D A SUPER GLO** is an improving Dancin Lou gelding who just got his trainer his first win at Mohawk Park on Canada Day. He was also good in defeat here three starts back in a race where he showed speed both early and late. He is obviously improved, but I'm not sure he is ready to handle the likes of Backup Plan just yet. He is another one that I would use underneath in this spot.

#### **Race 4 Selections**

STANDARDBRED

#### The Horseplayer's Journal by Garnet Barnsdale

**#7 SPEAKSOFTLYTOME** enters this Grassroots race on debut off a lone qualifier where he went right down the road and won easily with his trainer in the bike, that conditioner's first tour of the track sitting in the bike in a race since last August here where he also qualified one of his own. This gelding gets a slight driver upgrade tonight with catch driver Louis-Phillipe Roy taking over the lines, holding a 2907 to 23 lead in career wins over Dave Menary. The colt is a half brother to Soft Shot, winner of the 2024 Jugette, and fourth recently in the Roses Are Red here. Assuming he is going to drop some time with the switch to one of the best drivers in the country, he gets top billing at first asking.

**#3 D A LETS DANCE** a \$60,000 (London Classic) son of Dancin Lou that had two qualifiers leading up to his parimutuel debut on Canada Day, and that he dropped close to five seconds in eight days was a good sign, because he came out and dominated a field of maidens as the overwhelming 2 to 5 favorite. He left well enough to grab the pocket early, then he made his move to the front in the third quarter. It was lights out at that point because of the slow pace that had been set. He easily paced away from his rivals. He will likely need to be faster tonight, but we don't know what his ceiling is based on that initial start.

**#5 ODDS ON BULLFROG** is one of two in here from the first crop of Bulldog Hanover. This colt paced slower miles than the #6, the other Bulldog Hanover in here, but both of his final quarters were paced faster. This homebred is a half brother to seven-time winner Odds On Wildfire (\$75K, 1:50 2/5 F.). That son of Bettors Wish won his debit race at Pocono in 1:53 4/5 and fired right back and won his second start in 1:52 4/5. There is no doubt more under the hood than was shown in the two qualifiers, and this Doc Moore trainee is another that is in the mix here.

**#1 TWIN B STANLEY** has the experience of a debut race for a purse leading into this first Grassroots start, and he was sent off as the 7 to 5 favorite. He was allowed to cut a slow pace, and he had no answer for a first-over challenger in the lane. He gets the leading driver here with Louis-Phillipe Roy opting for the top pick, and this is a tougher spot. I'll use him underneath tonight.

#### **Race 5 Selections**

#### The Horseplayer's Journal by Garnet Barnsdale

**#1 P L RAINBOW DASH** is 0 for 5 so far this year with three third place finishes, but there are signs that she is coming up to her best race, and that may come tonight. She raced in a tougher field than tonight's last Tuesday in a race won by a horse that has now won three of his last four starts. She produced a big 26 2/5 final quarter to get the smallest cheque. The rail post might seem to be a concern because she doesn't seem to possess much gate speed, but she did start from this post in her first start of the year, and she got away sixth and ended up rallying for third. If she can stay in range of the leaders, she will have a decent chance to take her first win of the year. Travis Henry, who continues to do good things at this track in the limited opportunities that he gets, takes the lines in this spot.

**#6 ALL GAS NO BRAKES** showed signs of coming around when he dropped to this level three starts back and produced a decent closing effort, trotting home in 27 2/5. He got to drop again on June 23rd, and it was no surprise to see him driven more aggressively to take the win. Last week, he confirmed his good current form by racing tough and finishing second in this class. He draws the best post and it's likely that Billy Davis Jr. is sending him. When this gelding gets good, he usually stays good for a while. He will probably be right there on the wire tonight.

**#4 ESPLOSIONE** is one that was expected to improve last week with a start under his belt since returning from a three month break after being vet scratched due to sickness. His odds plummeted from 27 to 1 on June 23rd to 3 to 1 last week, a tell that he was going to be live. Indeed, he was, and he made a middle move to the front, but he was overtaken by the 9 to 5 favorite who he had no answer for. He will likely get put into play again tonight and he is another in with a chance here.

**#3 TRUFFLES TOO** brings a 1 for 23 in 2025 record to the track tonight, but he has raced decently at this level in three recent starts in the class. He set some big fractions that he couldn't see through last week, but he wasn't beaten far. That being said, he certainly doesn't hold any kind of advantage on paper, and as the morning line choice, he is one that I will try to beat when mapping out multi-race tickets.

#### **Race 6 Selections**

#### The Horseplayer's Journal by Garnet Barnsdale

**#5 DR DAVE** is a homebred half brother to a filly that finished second in her debut mile here at 29 to 1 in a Grassroots race just under a year ago. I don't think we will see anywhere close to that closing price on this gelding though, as he has shown high speed like many of the Cattlewash babies we have seen race over this track so far this summer. He finished second in both qualifiers, but he fired home in 26 4/5 in both of them while dropping six seconds in the latter of the two miles. He draws one of the best posts for this debut in the Grassroots, and it should be all systems go. He gets top call in the opening leg of the late Pick 5.

**#8 RUN TO THE HILLS** is a \$80,000 Lexington purchase that signalled he is ready for action with his dominant 1:55 4/5 qualifying win here on June 21st. He is a half brother to two winners both bred by the same owner/breeder of this colt. Assuming he is going to drop some time tonight, he figures to be right there at first asking. He is the other one that I would consider using in the late Pick 5.

**#9 BETTER SCRIPT** brought only \$8,000 at the London Classic Sale, and that is going to turn out to be a bargain based on what we have seen from him so far. Both of his starts came at Georgian Downs, one a blowout qualifying win, the other a solid debut effort where he just failed to get the job done. He paced a big 27 3/5 third quarter moving first-over to take command then he got nailed late by a rival that never left the pylons in the opening three quarters. He is sent out by cagey veteran trainer Murray Brethour, and he will likely get completely ignored at the windows starting from the widest post. He' worth a look at a price tonight.

**#7 CORONA SEELSTER** is one of three horses in here that have raced for a purse, and he raced well in defeat on Canada Day here. He was allowed to set a slow pace to the half, but he was soon overtaken by the favorite who would then sprint away pacing the fastest quarter of the race on the end of the mile. This \$55,000 London Classic Sale buy will likely improve off that initial effort and he is in the mix for another good share, although I prefer to use him underneath only here.

**#7 NASEY** gets to drop from the top class where he is typically a fringe player, but he still tries hard and gets cheques. Last time he raced at this class level, he was raced aggressively and he converted as the 6 to 5 public choice. He followed that up with a good effort at the Preferred 2 level on June 23rd where he edged Pemberton for the place spot. He now holds a recency advantage on that rival, and I'll side with him in a race that has a few realistic options. I have a feeling that he might get sent off as an overlay, and that's why I land here on this 31-time winner.

**#4 PERFETTO** is another dropper that might get a little lost on the tote board here because he didn't show much of anything in his last two starts racing at the top level. Missing two cheques in a row allows him to drop to this non-winners of \$17,000 last five class. The last time he raced at a similar level, he produced a Tour De Force on the engine, taking no prisoners while powering his way to a new lifetime mark at the age of 10. If he can find that mile again tonight, he would be hard to beat.

**#5 QUEBEC HANOVER** steps up in class tonight, but he comes off a career best winning effort in his last start. He made front and set the pace which is typically his best strategy, and he dug in late to hold off an improving mare. He is capable racing at this level, but I think he will have competition for the lead tonight, and this is a spot where it makes sense to play against him if he goes off as chalk as the morning line suggests he might.

**#8 PEMBERTON** got a couple of warmup miles in to kick off his season where he closed with a good rush on the end of his two miles, then the hammer was dropped on June 23rd when the lines were handed to the leading driver. There was a stampede to the windows (and more so mobile wagering apps) as it seemed a foregone conclusion that he would be a free square on that night. He moved first up and kicked in 27 2/5, but it wasn't enough to get past the winner or runner up Nasey. He had a two-week gap between starts that night and he shows the same gap tonight, which could mean nothing, but he did fail to convert as the 1 to 2 favorite. This is a horse that will likely get over bet in this spot, and I'll take a stand trying to beat him.

#### **Race 8 Selections**

#### The Horseplayer's Journal by Garnet Barnsdale

**#5 REDLAND ROCKET MAN** is a colt from the first crop of Bulldog Hanover that brought \$30,000 at Harrisburg, and he didn't show much other than a 27 4/5 kicker in his lone qualifier. That was enough to have him prepped for a big effort in his debut race at Grand River. Despite having missed three and a half weeks from that qualifier to the initial race for a purse, he produced a huge last quarter to win going away. Coming back in six days now, he should be much sharper, and that might spell trouble for his Grassroots rivals tonight. He gets the call to repeat in this opening leg of the late Pick 4.

**#2 LUNAR SPORT** is a \$13,000 London Classic purchase by veteran Ontario stallion Sportswriter, and he comes into this first Grassroots start off a solid debut effort here on June 28th. He showed that he wanted to leave a little in that race, but he would have been in a three wide predicament if he carried on with that mission, so he was wisely pulled into fifth by Billy Davis Jr. heading into the opening turn. He took a shuffle back to last in the six-horse field entering the last turn, then he picked up third-over cover. He rallied well from last to third despite contacting wheels with a rival in mid stretch. That was a solid effort and he is in with a chance here.

**#1 D A GALLOWAY** is a Cattlewash colt for fans of the movie A Few Good Men. The \$24,000 London Sale graduate is a half brother to D A Magic Mike and D A Temptation who have combined for 27 wins so far. The Vic Puddy trainee was a judges scratch on July 1st, so he qualified the next day instead, and he improved on his first qualifier. I can see him sneaking into the exotics at a price tonight.

**#8 SCORPION SEELSTER** was bet down to 5 to 2 on debut and he was sitting in the three hole on the backstretch where he just started running, seemingly for no reason, although it's possible he reacted to something he saw. He should be better for the experience of that initial start, and trainer Menary has had a week to work with him. I think he lands in the Super if he stays flat.

#### **Race 9 Selections**

#### The Horseplayer's Journal by Garnet Barnsdale

#4 MYFRIENDJOSE faced a field last week that included several stakes types that were racing in a non-winners of three between stakes engagements. While some of those rivals' intent was up for question, Myfriendjose's was not. He marched straight to the front, fought off the pocket sitter's stretch challenge, and powered his way to a new lifetime mark. He had missed a month due to sickness prior to that start so it is reasonable to expect that he will be even sharper this week. He hooks another field loaded with stakes type, and he picks up the leading driver with Doug McNair choosing the #8. I'll call him to repeat.

**#8 FADEAWAY HANOVER** comes in off a lucrative sires stakes win in Buffalo where he drew the rail and got the trip. Previous to that he tried his luck twice against Hambletonian favorite Emoticon Legacy who only tied the Mohawk Park all-age Track Record for trotters in the final of that race. The last time Doug McNair drove this gelding he was a dominant winner over non-winner of three foes five starts back. I'm not worried about intent here because I don't think McNair chose this gelding over the choice to drop to the back at the start. Here is another one to consider for late multi-race tickets.

#6 TACTICAL STRIKE raced well in two straight starts after breaking stride in the Armbro Flight stakes, taking a second and a win while looking good deploying a stalking style. Then last week she was sent to the front from post nine and she couldn't see it through against streaking Masstercraft and improving Landing On Time. She gets the best post this time which gives her more options. I think she looks for a helmet to follow, and that's where she does her best work. I think she merits a close look for inclusion on late multi-race tickets tonight.

#9 ROXIE HART is one that is projected to drop back from her wide post and look to pass rivals late in the mile. There is a good chance that she will be last of nine at the quarter. But that doesn't mean that she can't be part of the Tri or Super. She has made nine starts this year, and she finished in the top four in every one of those races. She has a strong late kick on her best nights, and she should be up late for a share here.

#### **Race 10 Selections**

#### The Horseplayer's Journal by Garnet Barnsdale

**#4 MOVE YOUR MASS** came ready to play for his sophomore debut on June 24th, running his win streak to four after finishing off last season sweeping the Ontario Harvest Series. In winning that Grassroots mile, he floated out at the start, one of a few leavers in the race. He drove on and made front just past the quarter, then he immediately came under assault, and he relinquished the lead. He rode the pocket from there and he never had to leave the pylons to score his seventh lifetime win in his fourteenth start. The leader drifted out, and this Muscle Mass gelding stormed up the pylons to get the job done. He can be even better tonight with that initial start under his belt, and he gets the call to repeat.

**#8 LMC WAGON WHEEL** is no doubt one of the best ones in here having contested and got a cheque in the Grand Circuit Goodtimes race in which the all-age track record was equalled. He came out of that race and finished a closing third in the fastest race ever trotted in the history of the Ontario Sires Stakes while finishing behind two terrific trotting colts in P L Spencer and Ritchie Rich. He now gets a chance to take his third win, this time racing against nonwinners of three in a spot where it's unlikely any records will be smashed. My only concern with him is drawing the wide post in a "tweener" race where he is between stakes engagements. If he gets put into the race, he should be right there.

**#1 SOUTHWIND CASPIAN** didn't break any speed records beating non-winners of two here on May 26th, but he did win well over a rival that came right back to jog here as a 1 to 5 favorite on Thursday night. That was his second sharp race in a row where he was used early to make front, and I expect he will be leaving here while some of the stakes types will be ducking. He should be able to work out a good trip racing close to the front and land in the bottom of the Tri or Super.

**#2 RIGHT HERE HANOVER** makes his fifth straight start in this non-winners of three class after winning at the nonwinners of two level on May 9th in an upset. He has come close in all of his last three starts and his handiness typically makes him a candidate to take a share each time he gets sent out to the track. He loses Bob McClure to the top pick in this race and his trainer takes the lines. That for sure boosts his price and adds value if you can get him into the Tri or Super.

**#1 FISCAL POLICY** raced well in both preliminary legs of this Pop Up series, taking a stalking approach in both races and closing ground in the stretch in both instances. He was claimed out of last week's race, and he moves into the potent Kyles Fellow barn off a barn that is 1 for 27 so far this year. The leading driver gives him a vote of confidence, picking him over A J Morelli who has a win and a second in the first two legs of the series. This feels like a spot where James Macdonald stalks the leaders from second-over and blows by in the stretch. I'll give this gelding the nod in a good betting race to end the card.

**#5 THATSWHATISAID N** was bet down to 3 to 1 last week by some astute punters that saw he finished Leg 1 with pace but couldn't get clearance trying to scoot up the pylons as the leader kept him trapped in there until it was too late to make up any significant ground. He came out of that race and followed the cover of the 4 to 5 favorite last week, and he had no problem pacing past that rival late. This 45-time winner is sharp, and he should be right there again tonight if he gets a reasonable trip.

**#9 NEVADA DRAGON** was one that was expected to do well last week dropping out of some good conditioned races dominated by Bettor Than Pride at Grand River Raceway. Still, I didn't see him going off as low as 3 to 5. After leaving for position, he was kept inside which was an interesting choice that paid off when the red seas parted early in the stretch, and he was able to easily rally for the win. He draws wide now, but he gets a good driver to make speed at the start of a race, and he is another in with a chance.

**#2 A J MORELLI** has shown that he can take lots of air and keep advancing, and he will no doubt be raced aggressively by Jody Jamieson who won four times here on Friday night, including a natural hat trick to close the card. Here you have yet another live contender in the anchor leg of the late Pick 4, and he would probably be even more dangerous if he can find a live helmet to follow this time.

**#6 BEACH COWBOY** will no doubt be leaving hard again starting from the best post, but he will probably have a few challengers on the backstretch with these \$8,000 claimers going for \$16,000 tonight. I see him as a fringe player that can stick around for a share.

#### CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

Last 20 Dava 21/5/2025 thru 2/7/2025

	ALLOW	ANCES
	CLAIMING RACES	CONDITION RACES
2 year olds 3 year olds	100% 50%	50% on 2025 earnings 25% on 2025 earnings 50% on 2024 earnings
4 year olds	25%	25% on 2024 earnings

#### ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

#### C.P.M.A. Regulation Changes

Effective January 1st 2012 CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded. If there is a change of surface in any leg that is NOT made known to the public
- prior to wagering for that pool closing, that leg will pay on all runners. A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no
- contest. Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded

#### EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called"Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once gualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials. All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L  $(\mathbf{L})$ 

 $(\mathcal{L})$ 

Denotes horses treated with Lasix.

Denotes horses treated with Lasix today who were not so treated for their last start.

Denotes horses treated with Lasix for their last start but not so treated today.

#### RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

#### GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/

All tickets should be held until the result of the race is declared official and prices are posted. No person under the age of 18 shall purchase or cash a ticket or voucher

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of parimutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested. ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field. DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012) EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

#### SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions. JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1<sup>st</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup>. That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have

correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

#### PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively. Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If

there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded. PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive

races specified for the Pick 6 respectively. If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool. PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the nonstarting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

#### REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will the extension, and an instruction of the and and continue in the index is a late selection of deshift of the test of an install. If they leftlind be communicated to the public through various means such as betting terminals, video display, changes boards and our website. The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all lickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded. COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website. FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.
