Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

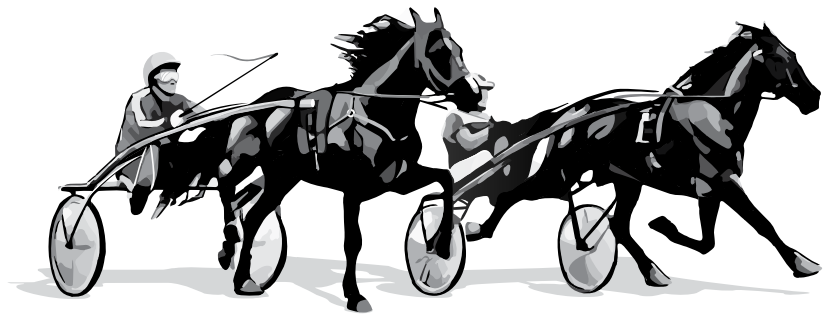

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)
- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

WOODBINE™

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 BETTER SUNSET signalled that he was reaching his best form two starts back at Kawartha Downs when he passed them all in the stretch to take the win in a five-horse field with his trainer driving. He came right back in Leg 1 of this Pop Up Series with another impressive winning effort. After making front early, he was relegated to third after two leadership changes. He gapped on the last turn, and it looked like the top two had got away on him. But responding to Louis-Phillipe Roy urging, he found another late burst in the lane, enough for him to get up for a lifetime best score. I don't mind the outside post for him here as he might be able to float out and find a live helmet to follow. He gets the call to repeat in this opening leg of the \$75,000 guaranteed Pick 5.

#2 BET THE BB won the battle but lost the war last week while finishing second to Better Sunset. After starting third, he made an early move to the front, then he was overtaken which left him racing in the pocket. He popped out at the head of the lane and battled the leader tooth and nail all the way to the wire, passing that rival nearing the wire while under heavy Travis Cullen urging only to watch Better Sunset pass him right on the line. That was a solid effort, and he figures to be right there again in this second leg of the series.

#9 THE GREEK FREAK set the pace in a Preferred 2 pace on Industry Day at Grand River, and while he got a mid race breather, the 25 4/5 price he paid to make front was probably too much, because he could only muster a 29-flat kicker and that led to him fading from first to fifth. He classes up well in this Pop Up series, and he has the gate speed to overcome the widest post. He is another possibility for the early Pick 5 in a competitive field to kick off this Pick 5.

#3 ARTIES IDEAL couldn't go with Wallace Hartley in the first leg of this series, but then none of them could as that even money favorite was going right down the road and taking a new lifetime mark in the process. This Kyle Fellows trainee is right around the money in every start it seems, and there is no reason to conclude that he won't be part of the Tri or Super tonight.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 RIGHT HERE HANOVER took plenty of action at the windows last week based on a good closing effort from post 10 two starts back. Starting from the rail last week, he got away in mid pack, and he was moved at the half, and he ended up on third-over cover once the outer flow materialized. He lost ground entering the stretch, then he was pointed to the middle of the track. He closed with a flourish to just miss, beaten by a rival that slid up the pylons in the lane. That was a good enough effort to win, he just fell victim to racing luck on that occasion. He gets off the rail post now which should facilitate a better start, and he gets top call here.

#2 SOUTHWIND MILK raced well in two straight starts prior to her last one which led her to being bet down to 3 to 5 racing in the tougher winners of three but not more than five class. She looked like she was sitting pretty in the pocket heading to the last turn when she jumped it off, taking herself out of the race. That was an uncharacteristic break for her when you consider that she had only made a miscue in one of her first 14 starts. This is an easier class for her, and she is one of the best ones in here. She should be right there if she behaves tonight.

#5 COVER BAND got a good trip last week, but he was passed by Right Here Hanover in the lane, and that rival got a worse trip. This gelding gets post relief tonight which should lead to him laying closer to the front early in this mile, and he has a better chance of landing in the top three. He is one that should be in the mix for at least a share in this spot.

#7 STORMONT CHEERIO steps up off a nice non-winners of two score where he capitalized on a good trip to beat easier. This is obviously a much tougher assignment that he faces tonight, but this field looks void of leavers, and I wonder if the lead is his for the taking in this field. I think he will get sent by Louis-Phillipe Roy, and he might be able to work out a great trip in this spot. He is worth a look at what should be a big number.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 SOUTHWIND DOMINO exited a race on July 29th where the impressive winner was only two fifths of a second off the all age trotting track record, and that rival has already come back to win again racing at this class level. He took his talents on the road to Buffalo on Thursday and he failed as the big favorite racing first-over. I'll toss that race over a half mile track and give him the nod here in a race where he could get a great trip racing near the front. He gets top billing to kick off the early Pick 4 that starts right here.

#1 MYFRIENDJOSE beat a decent field here on July 29th for his fifth win in 12 starts in 2025, and he looks like a good fit here as he seeks the repeat. The only concern is moving to the rail, as you will notice that the two wins that he took in his last five starts have both come from the best post, and he led all the way in both of those victorious miles. Post position matters in many of these competitive miles, but he should be okay in here because he has the gate speed to get away in the top flight. If he can work his way to the front at some point of this mile, he could prove tough to catch.

#7 LMC WAGON WHEEL was taking a big class edge when he dropped from an OSS Gold to a non-winners of three race, so much so that he was sent off as the 1 to 5 favorite. He was raced conservatively, and he got the job done off a second-over trip. He will probably be looking for another covered trip tonight, and he isn't impossible in this spot. He is another one to consider for use on early multi-race tickets.

#9 SPARKS FLY is the wild card in here because he only races one way and he is almost sure to clear to the front and lead for part of this mile. The horse that finds his pocket early will probably be the beneficiary because that one can make the move when this gelding starts to tire and get the jump on his rivals. I don't see this veteran holding on for more than a slice in this spot.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 LIVINTHEBEACHLIFE was pacing sub-1:51 miles for several weeks in a row before he ventured to Ottawa to win a race for a \$6,000 purse which also allowed him to meet the conditions of this series. He fired another one of those miles in an impressive score in the opening leg of the series last week, driving away from his rivals for a season's best 1:50 4/5 score. He closed as the 2 to 5 favorite last week, and he will almost surely be 2 to 5 (or lower) again. It's hard to see him getting beat in this field where he is at least one second faster than every horse in the race. He will probably be singled on most tickets in this opening leg of the 20-cent Pick 6, and he should prove very tough to beat.

#2 LEAVE IT TO LUTHER shipped in from the B tracks where he was racing well, and he was sent off as a 19 to 1 shot in Leg 1 last week. He got a bit of a rough ride in the back half because the pocket sitter started to stop on the final turn, and he was trapped in behind him. Once he extricated himself from that situation, he closed gamely between horses to get second behind the runaway winner, who closed as the 1 to 9 favorite. This gelding can get another good trip here and add some value to the Exacta, because I don't think he will get bet much in this spot, either.

#9 ULYSSES raced well for the second start in a row last week, pacing a 55 1/5 back half in defeat while closing for a share. Once you get past the top pick, who stands out, this gelding looks as good as any in here. His problem is, he drew worst, and he will probably have too much to do in the back half. I can still see him closing for a spot in the Tri or Super.

#8 CONTROL THE GOLD raced first up against 1 to 9 shot Sometime Somewhere last week in Leg 1 of this series, and that was a trip that was never going to work. He made it up to second in the stretch before getting passed by a couple of rivals. That was a decent effort as a 25 to 1 shot, and I could see him blasting for position this time and hanging around for another share.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 QUEBEC HANOVER gets a needed class drop tonight, and he will undoubtedly look to set up shop on the point early and try to bottom out the field. In recent starts, he could do no better than finish on the edges against the two best older trotters in this country, Logan Park and Osceola. Last time this Walner gelding raced this low, he led every step except the last one in a good effort five starts back. He did kick in 27 2/5 in that mile, and Nasey was just a bit better. He should be the one to catch and beat in this anchor leg of the early Pick 5.

#5 SAFE CONDUCT makes his first start of the year at a reduced classification after finishing off 2024 racing at the top level. He comes in off two good qualifiers, and he probably need only drop two seconds to be competitive in this spot. That improvement is likely attainable in this spot. He had a productive 2024 campaign, and he earned most of his money by racing close to the front in his miles. There is probably a good chance that he will land in Quebec Hanover's pocket tonight, and that trip would give him a good chance to take a win in this first start of the year. He is the other one that I would consider using on early multi-race tickets.

#6 DAHLQUIST HANOVER pressed the pace and eventually finished second in one of the fastest trotting miles of the year at Mohawk Park in his most recent start. That effort was a big improvement over his previous mile that was just too bad to be true. He steps back up in class, but he draws the best post, and I can see him landing in the Tri despite facing tougher tonight.

#2 PEMBERTON dropped and popped as the overwhelming 3 to 5 favorite, but it took him the entire stretch to get up and beat some overmatched rivals. He gapped and spun his wheels on the final turn before kicking into gear in the lane, and I'm not sure he could beat some of the best ones in here stepping back up in class if he has issues on the final turn again tonight. I'll use him on the bottom tonight.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 JMR SPEAK AWAY takes a big drop tonight when you consider some of the company that he has been keeping in recent starts. Two races back, he was third to a colt that broke the all-age Grand River Raceway track record by pacing the first sub-1:50 mile in that track's history. Last week, he finished behind an ascending import who was taking his third consecutive win at Mohawk Park. Starting from the best post, this Boyd Wilson pupil will likely get put into play leaving the gate, and he is a big threat here racing on or near the lead. He gets top billing to kick off tonight's late Pick 5.

#7 PALLADIUM HANOVER took wins in two of his last three starts, both at Georgian Downs, the most recent one a crush job as the 4 to 5 favorite. This is a tougher spot, but he is razor sharp, and he will likely get put into play leaving the gate tonight. If there is a horse in here that can knock off the choice, it's probably him, although I think he will have his work cut out if that rival brings his best race to the track.

#5 FOREFATHER is the best closer in this race, and there is probably a possible pace scenario where he can roll past the leaders in deep stretch. It seems more likely to me, however, that he will close belatedly for a share after the winner has been decided, and I prefer to use him underneath tonight.

#2 PONDER NO LONGER was a nice winner two starts back at Georgian Downs then he had little shit racing in the top class at Grand River Raceway starting from the widest post. He is better than he showed on that afternoon, and he is worth using in the Tri and Super in this spot.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 SHINING MOMENT was sent off as the 2 to 1 favorite last week, perhaps based on the promise that he showed in his sophomore debut where he produced a good effort while finishing fourth on July 8th, kicking home in 25 2/5. That fast finish got the attention of bettors as he was bet down to 7 to 2 facing Grassroots rivals in his next start. He showed little in that start and broke, then he came back a week later and suffered an equipment break. In last week's mile, he raced first up in a mile where the leader sped the third quarter in 27 2/5, making this gelding's task near impossible. He faces easier here and he draws best. There could be a big speed try coming, and he gets the nod in the opening leg of the late Pick 4.

#3 PAC MAN HANOVER shipped back north on July 8th, and he kicked in 25 3/5 that night to get the smallest cheque behind standout winner Backup Plan. He was a maiden breaker here six starts back in a mile where he controlled the pace and cut a reasonable opening half. The elephant in the room that is staring us in the face is his stale date with him having missed more than a month since his last start. He doesn't stand out so much in here that I think he is worth a bet at a short price hoping he can overcome that inactivity. I will play to beat him in this spot as a likely underlay.

#2 FIVE STAR LOU is the stablemate to Pac Man Hanover, and he comes into tonight's race sharp, having won two of his last four starts and having finished in the top three in five of his last six starts. He faces better tonight, but he has good tactical speed, and he could sit a nice trip in this spot and land in the bottom of the Tri or Super at decent odds.

#8 WICKED EXPRESS has good gate speed in his best day, and he will likely be looking to blast off for the front at the start tonight. I don't see him being allowed to lead for long if he does indeed find the front, but he could sit a covered trip and stick around for a slice. He is another one that merits a look for Tri and Super bets.

#6 WILDTURKEY HANOVER on paper drops one class level tonight to non-winners of three to non-winners of two, but this is a bigger drop than it appears because he faces so much easier company in this spot tonight. His kryptonite is his lack of gate speed, but I think he floats out starting from the best post and tonight and just stays out and marches on until he makes front, then keeps the lead from there to the wire. The blueprint was set last time he raced against non-winners of two on May 30th and was raced exactly that way. If he can clear to the front, he will be very tough to beat tonight.

#7 BEERSNSUNSHINE DEO shipped north from New York after having some gait issues racing over Yonkers' half miler, and she got a good tightener in last week where she made a late wide move. She will likely get more aggressive now that she got that flat line down on the program and I wouldn't be shocked if she makes front leaving from the widest post in this seven-horse field. She is the most likely one to upset the choice, although if that rival brings his best race tonight, they are probably all racing for second.

#1 SOUTHWIND FRANCOO trotted his best mile of the year on Thursday when he closed to just miss getting a cheque while beaten less than three lengths. He closed willingly on the end of that mile and missed finishing second by just over a length. If he can stay in touch with the field leaving from the rail tonight, I could see him coming on to complete the Tri.

#2 FRENCHMONI HANOVER brings a 1 for 17 record to the track tonight, and she comes out of a race where she couldn't capitalize from getting a perfect second-over trip. Still, she looks like one that can leave fast enough to get position tonight, and I can see her landing in the Tri if she gets the expected nice following trip. I don't see her threatening for the win, but she is probably a good one to use underneath.

Even the horse can't believe it.

If you farm or run a stable part-time, Section 31 of the Income Tax Act taxes you at a higher rate. It's hurting farmers, stables, and the future of the sport.

That's not just a bad bet — it's bad policy.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 SOMETIME SOMEWHERE made a winning start at Grand River on July 28th racing for a purse low enough that it qualified him to enter this Pop Up series last week. On paper, it looked like he should crush last week's field, and he did exactly that as the 1 to 9 favorite. He lands in a spot tonight where he faces a rival that was also a big winner as the favorite in the opening leg last week. This shapes up to be a two-horse race, and I'll side with the one that I believe is the classier of the two.

#2 WALLACE HARTLEY was bet and driven like he couldn't lose last week, and once he touched down on the lead passing the half, the result was never in doubt from there. He easily paced away from his overmatched rivals while taking a new life's mark, and he paced both a faster final time and kicker than Sometime Somewhere. This race could come down to which of these two get the better trip.

#5 NAUTICAL HANOVER drops out of a fast race where he faced some salty conditioned rivals, and he should improve tonight, but this is no easy spot when you consider how well the last week's Leg 1 winners performed. He will most likely get put into this race at the outset and he is certainly fast enough to compete here. Contrarians might look to this horse as a separator on multi-race tickets. I prefer to use him underneath tonight.

#6 TARQUINUS HANOVER raced well for the second start in a row last week, but he was no match for big favorite Livinthebeachlife. He is in tough here, too, but he draws best, and he can use his strong tactical speed to get positioned near the front leaving the gate and ride another good trip to a share. He is a good one to use on the bottom in this tough spot.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 MASSTERCRAFT gets both class and post relief tonight and those two factors combined will likely be a lethal combo in this spot tonight. He hasn't raced poorly in any of his recent starts, but his bad posts conspired against him while facing tougher rivals that he meets tonight. Trevor Henry will likely find the front with him tonight, and he should prove tough to beat and catch in this final leg of the late multi-race tickets.

#2 MYRETIREMENTDREAM drops out of the same race as Masstercraft, and both sat at the back with this horse finishing a couple of lengths behind at the wire. He figures to be much closer early in this mile as he was in his four miles previous to last week's. He is 0 for 17 this year with nine slices, and if the top pick brings his best race, this one – and the rest of them – are likely racing for shares tonight.

#7 CADILLAC MOON flashed his good early speed last week and he held the lead into the lane after cutting a big opening half, but he couldn't see it through. That was a decent effort, and he gets Louis-Phillipe Roy in the bike now and he will likely get sent hard leaving the gate again tonight. He can stick around for another share, and he is a good one to use underneath.

#1 PESO HANOVER figures to improve dropping back to the level where he was claimed four starts back where he was a narrowly beaten third. He has enough gate speed to get positioned close to the front leaving the gate, and he should be part of the Tri or Super.

#8 VICTOR INVICTUS seems to go in and out of form, and right now he is at the top of his form cycle. He moves up to face tougher coming off a nice closing effort, but he will likely be passing horses late in this mile. He can be used in the 3-4-5 slots of the exotics to try to create some value.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2025 earnings
3 year olds	50%	25% on 2025 earnings 50% on 2024 earnings
4 year olds	25%	25% on 2024 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

- Pick Pools**
- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
 - If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
 - A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
 - Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
 - Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials. All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("The Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exakta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
