Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

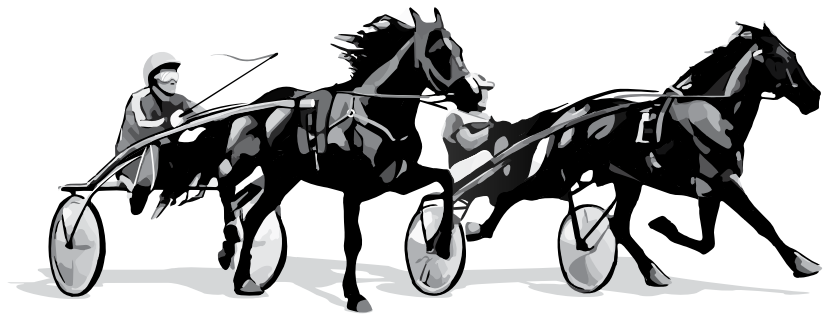

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

WOODBINE™

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#9 COLD CREEK CALI is a homebred that raced okay here two starts back, then she got the "first time McNair" angle in her favor at Georgian Downs and she rolled to a dominant front end win over Prospect series rivals. She is one of only two winners in this field and she will likely head straight to the front again leaving from the widest post and look to bottom out this field. Her half sister, Cold Creek Fuego, has won two of her last three starts, including a blowout 1:53-flat win here last Thursday. This filly should be able to make front without a huge tussle, and she gets the call to repeat in this opening leg of tonight's \$75,000 guaranteed Pick 5.

#8 TALBOT KRISTEN is the obvious main threat to the top pick having raced in stakes company in all her four starts to date. She will take plenty of action at the windows racing in this maiden class tonight showing two narrow defeats here in Grassroots races to kick off her career. She missed a week between starts, now she returns quicker, and she is the one that the choice will need to fend off. She is hard to leave off the early Pick 5 ticket considering the class drop tonight in what appears to be a two-filly race on paper.

#4 SAVOUR THE MOMENT is another filly that exits stakes company showing fourth place finishes in three Grassroots races in her last four starts. She is related to nine winners including full brother \$824,000 earner Moment Is Here who took a mark of 1:49-flat here at three. This filly should improve tonight, but I prefer to use her underneath the top two choices tonight.

#2 KOSMIC CRISP is the only other winner in this field aside from Cold Creek Cali. She was solid in that victory at Dresden Raceway two starts back where she overcame her second tier draw and worked first-over to win going away. She attracts Louis-Phillipe Roy to drive tonight, and she is worth a look for the bottom of the exotics.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 RIGHT HERE HANOVER gets a key driver change tonight with Bob McClure getting back in the bike after the trainer drove this gelding last week, with McClure driving his stablemate to victory in the same race. His race two starts back was good enough to win with McClure driving, he just fell victim to racing luck on that occasion. Starting from the rail, he got away in mid pack, and he was moved at the half, and he ended up on third-over cover once the outer flow materialized. He lost ground entering the stretch, then he was pointed to the middle of the track. He closed with a flourish to just miss, beaten by a rival that slid up the pylons in the lane. He didn't have the same late pop last week, but that race was also trotted one second faster than his previous start. He draws well, and he gets the nod in this short field.

#1 COVER BAND is one that I thought raced well in defeat last week to take his eighth top two finish from 12 starts this year. After making front early, he let the favorite go, and he gamely chased that rival right to the wire while finishing ahead of Right Here Hanover. This Propulsion sophomore should be prominent throughout again, and he would be no surprise in this spot.

#4 SOUTHWIND CASPIAN has been right there in most of his starts this year, landing in the top three in seven of nine while winning two, and he typically races on or near the front which should be an advantage in this short field. He comes off what might be described as a slightly disappointing loss as the favorite because he got a great trip and clear sailing in the lane, and he poked his neck in front in deep stretch, but he couldn't seal the deal. He gets the leading driver in the bike now, and it's hard to dismiss him considering that key change.

#6 KADIDDLE is in solid form, and she is one of the best closers in this field. Her issue is likely going to be a lack of movement early in this race with only six horses lined up on the gate. She will likely sit back and look to make one late charge. I see her landing on the edges, however.

#2 ALL GAS NO BRAKES comes off his best performance since being claimed by Vic Puddy five starts back, leading a better field than this one to very deep in the stretch last week before getting nailed, now he gets to drop one class level. There is little doubt that he will look to control this race, and he won at a higher level than this racing on the engine when he took his lifetime mark six starts back when he was claimed from Puddy that night. He looks like a solid single for the early Pick 4 which starts right here.

#1 P L RAINBOW DASH flies home most weeks, and her big late kick might have got the job done last week except that a more favored rival got a perfect trip and trotted away late. That was a fast mile for the class, and she certainly fits well here, the only drawback being her lack of gate speed. It is possible that she will get away last in this short field which would make her task of catching All Gas No Brakes very tough. She can win of the trip shakes out her way, but I'm not sure that scenario will play out for her in this spot tonight.

#7 CADILLAC MOON was involved in two very fast early paces in his last two starts, and he paid the price late. Tonight, he lands in a spot where it is unlikely that the opening half will be trotted in 55, and that makes him a contender for the exotics. He will likely blast right to the front again, and end up racing in the top pick's pocket, and he can ride a good trip to a spot in the Tri tonight.

#3 FLIRTY DANCER shipped to Georgian Downs for a couple of starts and she raced well enough to land in the Tri in both. She can produce a good late kick on her best night, and I can see her passing some of these in the back half to finish on the edges. She is one that I would consider using on the bottom of the Tri and Super in this spot.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 MYRETIREMENTDREAM is 0 for 18 this year, but he has been right there in many of his starts, and he comes into the first leg of this Pop Up series off perhaps his best effort of the year. In that mile last week, he got an aggressive steer from Tyler Borth, and he stuck his neck ahead of the 2 to 5 favorite in the stretch before eventually coming up short. The winner of that race would probably be 1 to 9 if he were in this race. He adds Lasix tonight, and this should be the spot where he gets off the schneid. He gets the call to kick off tonight's 20-cent Pick 6.

#7 MY BUDDY SAM finished only a neck behind Myretirementdream last week, and he was closing on him in deep stretch, but he did get a much better trip than that rival, and he couldn't capitalize. He worked out a nice pocket trip and got clear sailing outside the eighth pole, and he couldn't quite bridge the gap. That was an improved effort in his second start back after taking a couple of months off, and he can get another good trip racing close to the front again tonight. He can be an Exacta factor in this spot.

#6 GOLD EDITION came into last week's race on a big roll having taken four straight front end wins on the B tracks, but he was sent postward as a 71 to 1 bomb because the field was just way too tough for him. Starting from a wide post, he took a tour at the back of the pack, now he faces easier and draws better. He should go much better in this spot, and I could see him leading a long way then sticking around for a share.

#5 EMMA TOWN BUD is an interesting newcomer having raced well in Rideau Carelton's top class for several weeks. The eight-year-old gelding has taken 16 wins in his past 45 starts, so he certainly knows where the wire is. I'm not sure how well he stacks up against some of tonight's sharp rivals, however. I'll use him on the bottom of the exotics in this spot.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 LIVINTHEBEACHLIFE comes into this Pop Up series final having dominated the two opening legs, being sent off as the 2 to 5 favorite in Leg 1 and as the 1 to 9 chalk last week. He has shown his class in those two miles, easily stepping to identical 1:50 2/5 wins. He is the obvious horse to beat here starting from the best post, and he will likely face more heat on the engine tonight with \$22,000 up for grabs, but he is capable of making more than one move and still getting the job done. He gets top billing in this anchor leg of the early Pick 5.

#8 TARQUINUS HANOVER was no match for the choice in the opening leg of this series two weeks ago, but he was second in that mile, and he was still let go as a 19 to 1 longshot in last week's second leg. He raced tough, making a couple of moves and prevailing by closing his mile out with a 27 2/5 kicker. He will likely go off as an overlay again simply because Livinthebeachlife will take the bulk of support. This is a sharp gelding that is in with an upset chance tonight.

#1 DOWS UP was really motoring late in the mile last week, and he fell just short of blowing up the tote board. Starting from the rail tonight, he will surely get outsprinted early by many of the rivals lined up to his right. There is a chance that he will get a lively pace to chase because they tend to race 'em in these finals. He should be passing rivals late again, and there are worse longshots in this card that you could land on.

#3 WALLACE HARTLEY was a fast winner in Leg 1 of this series, then he finished on the edges last week. He possesses enough gate speed to get away in the first flight, and he strikes me as one that will sit a trip racing close to the front tonight and stick around for a share. He is probably a good one to use on the bottom of the Tri and Super in this spot.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 MYFRIENDJOSE should have been a winner last week, but he struggled a bit on the final turn and lost valuable ground that cost him a victory. Once he straightened out for home, he steamrolled down the middle of the track and simply ran out of real estate and fell a couple of strides short. He gets Doug McNair in the bike tonight, and that teamster drove him to a front end win here on Canada Day six starts back. He is one of many in with a chance in one of the more competitive races on tonight's card, and I'll take a price stab with him to kick off the late Pick 5 that starts right here.

#1 HASTY BID dropped to a logical spot last week after facing much tougher rivals for most of the year and he got a good drive and a perfect trip, and he got the job done for his first win of 2025. He steps back up tonight, but he has certainly shown in the past that he has the class to go with these. He showed last week that he can overcome the rail post, and he has a chance to repeat tonight.

#6 PEMBERTON is a classy veteran that has had some issues over the course of his career, but when he is on his game and is sound, he can beat most trotters on this circuit. Two starts back, he produced a big late rally to win when he looked beaten, then his trainer drove him last week. That line is a toss for me. He gets Tyler Borth back in the bike tonight, and he is another in with a chance here.

#4 R PEAKY BLINDERS has been a different horse with Louis-Phillipe Roy driving, having taken two front end wins after not seeing the lead for many starts. He steps up a couple of classes tonight into a spot where he will likely face a tougher challenge at some point in the race. He is sharp and dangerous, but win streaks are made to be broken, and I think this is the spot where he gets picked off late. I'll play to beat him in this spot.

SPOT PLAY: MYFRIENDJOSE

AE: OPT. CLM. \$50,000.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 SOUTHWIND DOMINO raced well here three starts back to finish third in one of the fastest miles ever trotted over this track. He then went to Batavia Downs, and he was sent off as a big favorite in a field where he clearly looked fastest, but he raced first-over and fizzled out. That puzzling performance led to him being sent off as a 15 to 1 overlay here last week when he was firing back in four days. He got an aggressive drive from Louis-Phillipe Roy, who popped the pocket early with him and coaxed him to a narrow win. He comes back in the same class tonight, and he gets the call to repeat as we kick off tonight's late Pick 4

#4 EDEN ONTHEHILL raced decently last week when facing some classy horses that were dropping from the Preferred Trot, including winner Quebec Hanover, who blew the field away. He missed second by a length-and-a-half while finishing ahead of the 6 to 5 favorite. He projects to get a good trip racing close to the front tonight, and I could see him getting the job done. He gets J R Plante back in the bike tonight, and that teamster drove him to a front end win here on July 22nd.

#8 PHEONIX took an inside following trip last week and he wasn't beaten that far by Southwind Domino. He lacked room early in the stretch then again nearing the wire, and he still closed for fourth. He has enough gate speed to get away in the top flight starting from a wide post, and he is another possibility for late multi-race tickets in a spot where he might be able to work out a good trip.

#2 SPARKS FLY took a break from the front end last week when he drew widest which probably shouldn't have come as a big surprise after he got cooked on the engine two starts back. He draws back inside tonight, and he does his best work when he can wing it on the engine. I think he gets sent tonight, and he sticks around for a share. I'll use him on the bottom of the Tri and Super.

#7 B STONEY comes off a solid closing effort in defeat as the 3 to 5 favorite is a spot where he was just left with too much to do. He fired off a 26 4/5 kicker to pass some rivals now he gets a driver change to James Macdonald, who drove him aggressively with success in several races in the spring. His best chance tonight is to blast and stay close to projected leader Dirty Lil Piglet. I could see him doing just that then riding a pocket trip to victory, and he gets the nod.

#6 DIRTY LIL PIGLET has taken three weeks off which might not be the worst thing considering how hard he has been raced over and over since he was claimed in March. That aggressive approach has paid off as he has taken five wins for his current connections while lowering his lifetime mark to 1:49 1/5. He surely will be the one to catch tonight, and he would be no surprise in this spot.

#2 FOREFATHER flew home with a 26-flat final quarter last week, but as often happens in many of his races, he was passing horses after the winner had been decided because he had no chance of catching the favored winner. He often gets stacked up on bad cover because of his racing style, or he simply gets too far back. He has the possibility of getting over bet tonight because of that rapid final quarter, and he is one that I will limit to using underneath in this spot.

#1 HOWMAC VICTOR regularly finishes on the edges at this level, and he will likely look to take an inside following trip then mount a rally late. Drawing inside gives him a chance to leave in the top four in this seven-horse field, and I could see him riding the pylons to a spot in the Tri or Super.

The Horseplayer's Journal by Garnet Barnsdale

#6 NASEY produced an effort last Sunday at Georgian Downs that gave him the biggest win of his life in the \$100,000 Earl Rowe Memorial Trot. He was full value for that win, pulling wide early on the final turn and chasing down the country's best trotter Logan Park, who closed as the 1 to 2 favorite, and Private Access, who went off as the 6 to 5 second choice. At 61 to 1 he was the longest shot on the board that night. He won't go off anywhere close to that, but he could be an overlay here as some will dismiss that win as a fluke. The Cullen barn was hot last week, and I'll give this son of Pilgrims Chuckie the call to repeat.

#5 AMIGO VOLO will almost surely go favored here based on his narrow defeat to Logan Park at this track two starts back. He closed well last week in the Rowe Memorial, but he couldn't catch Nasey. He is a classy veteran that has earned more than \$2.8 million while winning 46 times, and he would be no surprise in this spot. I just wonder if he will get over bet.

#1 FASHION FRENZIE worked out a good following trip in the Earl Memorial, but he never really looked comfortable racing over the Georgian Downs surface. He draws inside here, which is okay considering his strong tactical speed, and he gets Louis-Phillipe Roy back in the bike. He will likely rebound with a better effort, and he is in with a decent chance tonight.

#4 SAFE CONDUCT found what looked like a cozy spot for his return from an eight-month absence while making his first start of the year last week, but he never really fired. He did close in the lane while avoiding a breaker and he was moving well when the wire hit. He steps up to the top class tonight and he has won there before. If he got the tightener he needed and he is ready to fire, you will likely get an overlay this time if you still like him. I prefer to use him underneath in this spot.

Even the horse can't believe it.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 ULYSSES went a huge trip in defeat here three starts back when narrowly beaten when kicking in 26 4/5. He then raced ok in the two preliminary legs of this Pop Up series, last week chasing Livinthebeachlife and trying to close from sixth which was mission impossible. This consolation is a much better spot for him, and I think he will get put into this race early starting from a good post with Louis-Phillipe Roy in the bike. He gets the nod in this anchor leg of the late Pick 5 and Pick 4 tickets.

#1 SAUBLE ACE came into Leg 2 of this series last week off some decent Grand River lines, and he acquitted himself well closing for third. He elected to stay inside, and he was the fourth one racing along the pylons turning from home. He had to stickhandle through some traffic, and he was moving well at the wire. I could see him making an earlier move here facing easier and he is one that is hard to exclude from late multi-race tickets.

#4 SMOKIN HOT DUDE raced well in defeat last week for young teamster Damian McLellan. After blasting to the front, he was overtaken by two rivals, and he found himself racing third at the half. He got room to pull on the final turn and he gradually closed on the leaders to just miss. This is a good spot for him, and he is another one to consider in a field that has a few contenders.

#10 CRUNCH HANOVER raced okay last week to get third behind Livinthebeachlife, now he draws the 10-hole which should make his price viable in a spot where he has a better chance on paper. He also picks up the leading driver and that makes him worth a look in what appears to be a spread race.

#3 BLAST OF SUNSHINE just paced his best mile in a while for a hot barn, kicking home in 26 2/5 to grab the smallest cheque last week. In a race that demands deep multi-race coverage, he is yet another possibility at what should be a square price.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2025 earnings
3 year olds	50%	25% on 2025 earnings 50% on 2024 earnings
4 year olds	25%	25% on 2024 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

- Pick Pools
- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
 - If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
 - A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
 - Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
 - Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials. All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L Denotes horses treated with Lasix.
- L

 Denotes horses treated with Lasix today who were not so treated for their last start.
- L

 Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("The Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Tractor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.
