Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

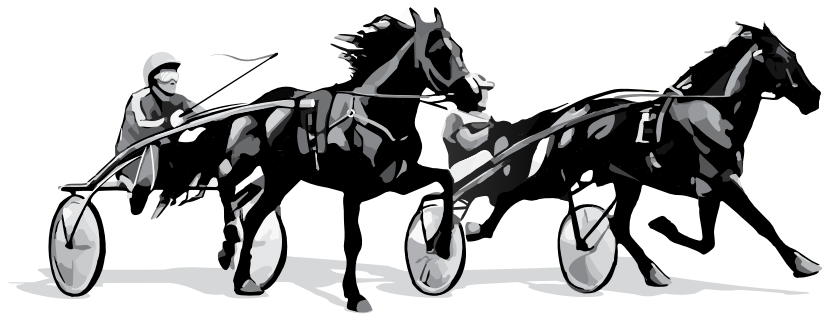

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 CALICOJACK HANOVER simply was out of position last time when facing a tougher field than he meets tonight when racing in the Preferred Pace. Once the leaders reached the opening half in a tepid 55 1/5 after screaming the opening quarter in 25 3/5, there weren't going to be any closers passing them in the final quarter. Last time this son of Captaintreacherous raced at a similar level three starts back, he took a new lifetime mark of 1:49-flat. He draws well on the class drop tonight and he gets top billing in the opening leg of tonight's \$75,000 guaranteed Pick 5 as we kick off what promises to be a spectacular evening of harness racing.

#4 WRITE ME A ROSE was a winner here at this level two starts back then he got hung out in a 25 3/5 opening quarter last week and he gave up the ghost early and wasn't persevered with late. We know that he is certainly capable of much better than he showed in that mile, and the class drop combined with drawing a good post should lead to a better result. He could go off as an overlay in here too because of that distant seventh place finish, and he is one that I would consider using in the early Pick 5.

#8 ROCHESTER FLASH has raced great since being claimed by Garry Merner on July 19th, taking three wins and three seconds from seven starts while taking a lifetime mark of 1:48 4/5 in early August. Last week, he got parked early but cutting a wicked 53 3/5 had no adverse effect on him as he just kept trucking. He steps up to face some droppers tonight, but he couldn't be any sharper, and he has shown in the past that he doesn't need the lead to win. He is another contender at what should be a good price tonight.

#10 PACINO HANOVER is probably the best closer in this race but with him drawing widest, it's possible that he might be required to pass them all, and I don't like his chances of achieving that feat. He could, however, pass enough of them to sneak into the bottom of the exotics in this spot.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 KINGMEN shipped up here from New Jersey coming off a five-day rest following a strong performance in the New Jersey Classic, and he followed that up with another good effort in defeat in a Grand Circuit race. In that mile, he followed the cover of eventual winner, 2 to 5 favorite Strobe Light. Even though this colt rode that good cover, the slow pace played into the hand of the winner who had enough left to win the sprint home, kicking in 27 2/5. This son of Walner draws best tonight, and he will likely get a more aggressive steer from Doug McNair who takes the return drive tonight. He gets top billing.

#4 TOUCHEDBYANANGEL was bet down to 2 to 1 in the Champlain Stakes coming off a sixth-place finish in a Gold race where he raced first up eight days earlier. It wasn't a big shock to see him elect to stay inside in the third quarter, especially considering the slow opening half that was cut. When the outer flow stalled, he got room to race in the lane, and he powered home in 27 1/5 to catch a loose Captain Code. He likely needs a similar covered trip to get the job done here, so he may not offer a ton of value, but he can be tough if he saves his move until late and gets the racing room he needs.

#7 CAPTAIN CODE was ready for the Champlain Stakes coming off a good qualifier on September 5th. He controlled the pace and set reasonable fractions, and he looked long gone at the head of the lane. When a tripped out Touchedbyanangel came calling with his fresh legs though, this gelding, who did all the work, couldn't fend that rival off. He has only missed the board twice in seven starts, and he can contend for another share tonight.

#1 STORYBOOK LOVE comes off a solid effort in his second try over this track where he had speed both early and late in a Grand Circuit race. His only other start at Mohawk Park was a winning debut on June 19th with his trainer in the bike. My concern with him is the two breaks he made when starting from inside posts being that he drew the rail tonight. I'd demand a price here.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 SYLVIA HANOVER has looked like the best version of herself for most of this year, and since a season opening defeat in May here where she likely needed the race, she has been beaten only by rival Twin B Joe Fresh. Last week that rival beat her handily in a race that was basically decided at the post position draw because when this mare drew the rail, it was inevitable that she was going to lose valuable positioning at the start of that mile. She is clearly one of the top two pacing mares on this continent and she should showcase her abundant talent in this \$75,000 Fillies and Mares Free For All. She will be a popular single in this opening leg of the early Pick 4, but she offers little value as a likely big favorite.

#9 KOBES GIGI blasted off the gate last week and found the pocket early following Twin B Joe Fresh. That rival was absolutely stellar, however, and that made it difficult for this mare who chased her to the lane then backed up. With that superstar mare not in this field, this one has a better chance of sticking around for a good share, and she will probably offer some Exacta value drawing a wide post and showing a last place finish in that edition of the Milton Stakes. She did give Sylvia Hanover a good race two starts back, and she has a decent chance of completing the Exacta again tonight.

#1 TALK CURDY TO ME tried to make a move in the flow last week, but Twin B Joe Fresh was so good that it was near impossible to advance. This mare made it up to third before leveling off to finish fifth. I thought that was a decent effort, now she will likely sit and look to rally, making one move late. She can work her way into the bottom of the Tri or Super.

#5 GRIT N GRACE has been very consistent this year and in 2024, taking 17 wins and 12 other Exacta finishes from 41 starts. She comes into this race sharp, having taken two wins in a row, but she faces considerably tougher in this field. I am inclined to play to beat her out of the Exacta this time, but I respect her gameness and tenacity as an iron tough race mare.

#5 OSCEOLA has won two in a row going off at the identical price of \$1.65 on the dollar in both miles, now he faces some tougher older trotters, and he will offer a considerably higher price. He showed some tenacity last week, fighting off a stern third quarter challenge from Gaines Hanover then fending off tripped out Drawn Impression in the drive to the wire. He draws perfectly here to work out a nice trip racing close to the front. I'll give him the nod to score the upset in the opening leg of tonight's 20-cent Pick 6.

#2 LOGAN PARK went off form – for his standards – when he couldn't get up to win the Earl Rowe Memorial two starts back at Georgian Downs. He also offered little fight late in his Maple Leaf Trot elimination, but he was beaten by Lexus Kody in that spot, and that rival came back to trot an incredible 1:49 1/5 mile in the final, smashing the Canadian Record, then he beat a stellar field in the Yonkers International Trot. This stellar trotter got a brief freshening since that mile, and I can see him bouncing back with a big effort here.

#1 ANTOGNONI S was on a roll before he tried racing first up against a razor-sharp Up Your Deo in the Grade 2 Bob Miecuca Invitational Trot at Yonkers last Saturday. He was right there to the mile, and perhaps that extra quarter mile was beyond what he wants. I don't love the rail post for him tonight because I think there are a few in here that could outspurt him into the first turn, but he should be good for at least a share in this spot.

#9 ULTION FACE S is an interesting shipper for top trainer Per Engblom, having won two of three since shipping overseas from Italy, his only defeat coming at the hands of Antognoni S. This 17-time winner likes to race close to the front and he has the speed to at least pepper the pace from his wide post. I could see him finding a spot in the first flight and sticking around for a share at what should be a square price.

#2 ERVIN HANOVER signalled that he had reached his best form five starts back at this track when he made a wide move early on the final turn and paced past rivals to get up for the win as the final quarter was being paced in a swift 26 3/5. Since then, he has been beaten only once, and that was a heartbreaking defeat in the \$600,000 Canadian Pacing Derby. He was undoubtedly the best horse in that mile considering the work he did racing on the lead, winning an all-out third quarter battle with Bythemissal, opening up and looking like a winner in the lane, then getting picked off in the last stride. He bounced out of that tough mile and won the Ewart Memorial where he got an easier trip. He is one of the best older pacers in North America currently, and he is the clear top pick here in the anchor leg of the \$100,000 guaranteed All Stakes Pick 5.

#4 ABUCKABETT HANOVER was nowhere close in his Canadian Pacing Derby elimination, but he bounced back to win an Open the following week, closing strongly in deep stretch to get up for the score. His fate was sealed at the draw for the Ewart Memorial when he drew post eight, and he closed mildly which was about what you might expect in that situation. This classy double millionaire should be in the mix to complete the Exacta behind Ervin Hanover in this spot.

#7 OAKWOOD ARDAN IR tends to deploy a deep closing style most of the time which can put him behind the eight ball at this track that almost always tends to favor horses racing on or near the lead. He comes in off two very good efforts in both the elimination and final of the Canadian Pacing Derby where he closed for third in those two miles. He will likely drop back again here, and there may not be a lively flow if Ervin Hanover controls the race and turns on the jets in the third quarter. This gelding has also missed three weeks, and the value in this race might be trying to beat him out of the Exacta.

#3 HUNTINTHELASTDOLAR was beaten only two lengths by Ervin Hanover in the final of the Canadian Pacing Derby where he lacked room in mid stretch then found open road and closed late. I could see him sitting an inside following trip tonight and rallying for a share. He is probably a good one to use on the bottom of the Tri or Super in this spot.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#9 R DUTCHESS was on a roll prior to last week's prep for this Grand Circuit race that was restricted to fillies kept eligible to it. She predictably went straight to the front as he 1 to 5 favorite, then she was relegated to the pocket when Lasting Dream overtook her on the backstretch. She was locked up tight in the lane, buried along the pylons, and she only found room between rivals when there were only a few strides left in the race, and it was too late at that point. The good news for her is, she should be perfectly primed for this mile, and she gets driver Tetrick back in the bike. She is the best filly in this race, and she should show it tonight. She will be a popular single in the first leg of the middle Pick 5.

#4 MARGARETA HANOVER strikes me as an improving Marcus Melander trainee that could sit a trip and get a good share here at a huge price. She was a good second to Lasting Dream in the Continental Victory on Hambletonian Day and she had little chance in the Simcoe here after drawing post nine, but she did pass a few rivals late to take the fifth-place cheque behind R Dutchess. She draws much better here, and you could probably do worse tonight than throw down an Exacta bet with her underneath the top pick.

#2 GLOBAL HERITAGE shipped in her for the Casual Breeze, and she was given as perfect a drive as a horse could get from the best driver on the planet, and that facilitated an upset of 1 to 9 favorite Lasting Dream. She got a good mile in last week in the prep for this race, showing speed both early then late after taking a shuffle. She would be the one most likely to upset R Dutchess in this spot.

#10 LASTING DREAM hasn't missed the board since July 26th which came in her elimination for the Hambletonian Oaks. She really had no excuse last week in the prep for this race when she couldn't seal the deal after getting gifted an opening three quarters in a tepid 1:25 4/5. She now has her work cut out starting from post 10 facing a tougher field. A small share is likely the ceiling for her in this spot.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 LOUA DIPA was bet down to 1 to 2 for her elimination for this race and she was perfectly handled by Mohawk Park's leading driver while pacing to a 1:49 3/5 score that was much easier than it looks on paper. She sailed through an easy three quarters on the engine, and she turned on the jets to open up at the head of the lane, then she paced to the wire under tight lines while pacing a 26 1/5 kicker for the half length win, while never being seriously threatened. It would take a monster performance by a rival to get her beat in this Grand Circuit final, and I don't see that happening.

#9 PERFECT THOUGHT was a good second to Loua Dipa in the much faster elimination for this race last week, closing on that rival late while that filly was idling to the wire and saving as much as she could for this week. The draw did this filly no favors, but she has the speed to blast off and get position early. I don't see her turning the tables on Loua Dipa tonight, but she can finish second again if she can work out another reasonable trip.

#4 IMA LOU LOU, stablemate to the choice, took a following trip last week to finish third and she will probably have the same opportunity tonight to work out a similar trip. She was a good second to her stablemate in a Pennsylvania Sires Stakes in mid August, and once you get past the obvious favorite, this is one of the best ones left in this field. I could see her working her way into the Exacta this time if Perfect Thought gets hung out and forced to take a seat early.

#6 DAYA has had a great season, missing the board only once in eight starts while taking five wins, including a Canadian Record winning mile in the Battle Of The Belles. She was the winner of the slower elimination for this race, but she draws best here, and she has shown herself to be versatile. She should be one of a few battling for second behind Loua Dipa tonight.

#5 BEAU JANGLES or #2 Frantic Hanover; who do you like in the race of the year so far at Mohawk Park as these two outstanding unbeaten rookie pacing colts face off here in the \$1,000,000 Metro Pace? I side with the former who I thought had the potential to be a superstar all the way back to his first qualifier. He has done nothing wrong to change my mind, and I think we haven't seen his best race yet. He will probably need to dig deep and find his ceiling tonight, but the prediction here is, he will do just that and keep his unbeaten streak alive.

#2 FRANTIC HANOVER couldn't have looked any better winning his elimination for this race as the 1 to 20 favorite, taking over the lead mid race, then pacing an effortless 53 4/5 back half to leave his rivals in his dust. This son of Stay Hungry has already shown himself to be a bargain, earning more than \$400,000 after being bought for only \$35,000 at Harrisburg. This race likely plays out with Beau Jangles blasting to the front and this colt taking command on the backstretch, with the mile culminating with an all-out sprint to the wire. It obviously would be no surprise if this colt prevailed.

#3 AL PAPI is a good colt in his own right, coming into this million-dollar race having finished second to the two main protagonists in his last two starts. He hasn't missed the board in seven starts, and this stablemate to Frantic Hanover will likely continue that streak tonight, although I don't see him beating both Beau Jangles and Frantic Hanover to score the upset.

#1 SUPERCHAMP HANOVER was no match for Frantic Hanover in his elimination last week, but he sat a great trip, and he won the race for place. He will likely get a spot racing in the top four leaving the gate, sit another nice following trip and stick around for a small share.

#6 EMOTICON LEGACY is having a terrific year having taken five wins and a second from seven starts, the only blemish being a fifth-place finish in he fastest Hambletonian raced in the 100-year history of America's Greatest Race. He comes off a blowout win in the Simcoe which was made easier when Maryland broke stride at the head of the lane. An argument could be made that this in 2025's third best sophomore trotter behind Hambo winner Nordic Catcher S and Super Chapter. This son of Walner is clearly the one to beat in the first leg of the late Pick 5 and he will be singled on many of those tickets.

#1 GAP KRONOS S has only taken one win from seven starts so far in 2025, but the Ake Svanstedt trainee has been a consistent earner, and he comes into tonight's race off fourth place finishes in the Hambletonian and Beal. He shows a stale date, but that doesn't typically bother me with stock sent out by this stable. It's hard to find value I n this race. I'll try to get some by beating Maryland out of the Exacta.

#2 MARYLAND turned into a star in the latter half of his two-year-old season, with his coming out party here at Mohawk Park when he pulled off an impressive 17 to 1 upset from post nine in the Wellwood Memorial final. He went on to win the Mohawk Million, the Breeders Crown, and a Dan Patch Award. He hasn't really progressed as one would hope at three, going winless in six starts including a perfect trip defeat as the Hambletonian. He chased Emoticon Legacy around the final turn in the Simcoe and he broke stride trying to keep up as his rival accelerated. It wouldn't be a big shock to see him rebound and race well here, but he offers no value as the second choice, and I will play to beat him out of the Exacta.

#5 GO AHEAD MAKEMYDAY has been a consistent performer all year, and his strength is his tactical speed that allows him to get positioned close to the front at the start. He often rides good trips to spots in either the Tri or Super and he is probably a good one to use on the bottom tonight.

Even the horse can't believe it.

If you farm or run a stable part-time, Section 31 of the Income Tax Act taxes you at a higher rate. It's hurting farmers, stables, and the future of the sport.

#8 STROBE LITE is getting hot at the right time, coming into this year's edition of the Mohawk Million off an impressive Grand Circuit score where he towered up late to take command then outsprint the colt that rode his cover. He lowered his lifetime mark while pacing a strong final quarter, and you have to think he will get a strong pace to chase with these 10 colts and geldings shooting for a cool \$1,000,000. James Macdonald is the king of winning big stakes with closers, and I'll call this colt to score the upset as we kick off the final Pick 4 of this stellar card.

#6 ENDURANCE cost a mere \$14,000 at Harrisburg and this son of Captain Corey has earned that back many many times over since finishing fourth in his debut. He went on to reel off six straight wins in the Kentucky Sires Stakes while never being seriously threatened. He gets class tested tonight, but he draws perfectly considering his typical aggressive style. He could be this good, and he would be no surprise in this spot.

#1 APEX has been terrific winning five of his last six starts including a Grand Circuit score at Hoosier Park and a blowout win over a good field in the New Jersey Classic Final at the Meadowlands on Hambletonian Day. Being by top sire Walner out of World Champion Mission Brief, it's hard to find a better bred horse anywhere, and this colt is another obvious contender in a strong field for this year's Million.

#3 ARDONNE has done little wrong in his six-race career, and he has a fast Grand Circuit win at this track where he beat Strobe Light in the Wellwood Memorial final. It seems a bit strange picking this very good colt fourth; I just see this as an evenly matched field where there could be plenty of action, and I am looking for some value. He has as good a shot as any in here.

Race 11 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 CAVIART SEACREST shipped west from Ottawa in good form, and he changed barns, being sent out by Garry Merner for his first local start last week. He got bet like he couldn't lose, getting hammered down to 1 to 2, and he didn't disappoint his supporters. After making a second move to the front passing the half, this son of Tall Dark Stranger paced away from his rivals for a sub-1:50 score while drifting out a couple of paths in the stretch. If this colt comes close to repeating that effort, his rivals will be racing for second tonight.

#1 BLAZING CRUISER comes into this race having won two straight the hard way, racing first-over and pacing away late. He was pounded down to 3 to 5 when winning at this level, and he is the most logical alternative to the choice here because he will likely look that colt in the eye in the third quarter. He is the other one that I would consider using on late multi-race tickets.

#2 FIGMENT is another that got bet down to favorite and he was another that rewarded his backers with a strong winning performance. The homebred son of Shadow Play sat fourth early then made an impressive first-over move to pace away from his rivals while finishing in the middle of the track. The horse that he beat that night is now 0 for 23, so this is obviously a tougher assignment, He needs to be faster to challenge the choice, but he has licence to improve. Still, this is a tougher spot, and he will probably be racing for third if the top two picks bring their A games to the track tonight.

#3 ASIAGO SEELSTER seems like a good one to use on the bottom of the Super coming off three straight starts where he finished fourth. A couple of those races came in some good Grassroots fields, though, so I wouldn't be surprised if he closes for second or third in this spot. He is a good one to use underneath because he will be passing rivals late.

Race 12 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 BOXER SEELSTER is 0 for 10 this year, but he comes off one of his best efforts where he made a bold first up move in a Grand Circuit race and hung in there right to the wire. He gets to drop into a non-winners of three race tonight where his obvious main competition will come from the colt that rode cover and finished ahead of him last time, Joel And The Jets. This Jack Darling pupil draws best here, and he will offer more value in what appears to be a two-horse race on paper, so, I will side with him.

#4 JOEL AND THE JETS, as previously mentioned, looks like the horse to beat in here coming off that narrow loss in the Simcoe to a colt that raced in The Little Brown Jug on Thursday. He was right there early but then took a shuffle back to fifth from where he re-rallied to get second. He will likely look to go right down the road tonight, and it would be no surprise if he completed that speed mission successfully.

#8 FRANCO SANTANA N has already won at this non-winners of three level four starts back and he did beat Joel And The Jets that night. He sat a perfect pocket trip for every step of that mile, however, and I'm not sure he can work out that same journey tonight starting from a wide post. He would get interesting if he got ignored in the wagering tonight which is a possibility with him starting from the widest post.

#3 TIME PASSER exits a tough Grassroots race, and he moves inside while retaining the leading driver who had other options in this race. He should improve enough in this spot to get into contention for a share, and I can see him sitting a trip and rounding out either the Tri or Super.

Race 13 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 WANNABEABIGSTAR has hit his peak form, parlaying a decent third-place finish two starts back with a rallying win over a good field here last week. He powered up from third-over and got up on the strength of pacing his final quarter in 26 1/5. He makes the \$68,500 earnings condition threshold by \$50, and he offers a juicy 8 to 1 morning line price here which makes him an automatic inclusion on late Pick 5 and Pick 4 tickets for me. He gets the call to upset.

#5 AMERICAN HISTORY got a two-month break, and he prepared for his return by beating the great Sylvia Hanover in a qualifier on August 29th. He parlayed that strong mile into a blowout win at the bottom conditioned level where he made a middle move to the front and left no doubt. 6 to 5 turned out to be a gift in that spot, but I'm not sure I would take a price that low tonight in this tougher spot, especially considering this is a 12-horse field.

#8 HUNGRY MAN showed little starting from the worst post last week when he finished seventh behind Wannabeabigstar, but missing a cheque then allows him to drop one class level tonight. Post eight is much better than the 10-hole, and I think he will get put into this race leaving the gate tonight. That makes him another contender to consider here.

#6 LAKERS BANK comes off a solid effort racing at this level, and in this High-5 mandatory payout race, he should be a good one to use underneath in all spots starting from the best post from which he should get good position from at the start.

#11 JACK PANIC always tries hard, and he fits well in this field, but I don't see what trip either he or #12 Fortify can get to get anything other than a small share when you consider that both the #1 and #2 rarely show any gate speed. Small shares are likely the ceiling for both of the second tier starters.

My 20-Cent High 5 Ticket: 25/25/34678/34678,11,12/34678,11,12 = \$60

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2025 earnings
3 year olds	50%		25% on 2025 earnings
			50% on 2024 earnings
4 year olds	25%		25% on 2024 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

- Pick Pools**
- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
 - If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
 - A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
 - Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
 - Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("The Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
