Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

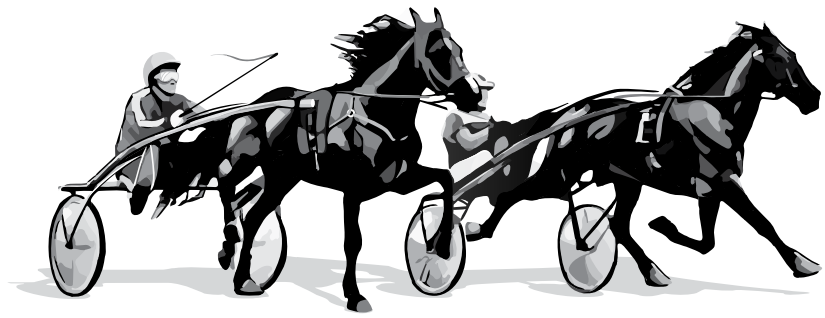

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

WOODBINE™

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Aadoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 TRUDYBIRD has had 13 chances to break her maiden, and she has raced well in many of them while falling short, taking six shares along the way. She adds Lasix tonight and she comes into this race having qualified on October 10th faster than any horse in this race has raced for a purse in any of their last six starts. Louis-Phillipe Roy, who steered her to that fast qualifying win, again takes the line tonight, and this filly might not get a better chance than this to take that maiden win. The concern is her sick scratch on October 16th, but she gets a slight nod in this opening leg of tonight's \$75,000 guaranteed Pick 5.

#1 P L SLIM showed speed in both of his last two starts, and he is one of only three horses in here that has won a race. He almost always is on the lead at the quarter, and if he holds the lead on the backstretch tonight, he might be able to see it through to take his second win. He is the second one in here that I would consider using on early Pick 5 tickets.

#7 DULCES SUENOS DEO is 0 for 18 but he has taken five third-place finishes, two of them in the last three starts. He comes off a good closing effort where he finished ahead of P L Slim. He tends to make his move too late, and I'll use him underneath in this spot. He will likely be passing rivals late again to take another small share.

#5 STORMONT FULLALIFE made a first-over move on debut at 69 to 1 and he looked like he was going to stick around for a small share when he jumped it off at the head of the lane. He draws well here, and I could see him getting spotted close to the front early here and sticking around for a share as long as he minds his manners and trots for the whole mile this time.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 ANIBAL DUHARAS picked a good time to break his maiden, closing to win the OSS Grassroots Consolation, rallying off cover to chase down a cat and mouse game, waiting for pocket sitting Sendi Ki to make the first move. They both made their moves on the leader in the stretch, and this Green Manalishi colt came on late to score the repeat. That win came off a stale date now he returns in seven days, and he will be sharper and probably get driven more aggressively. A threepeat looms here.

#2 SENDI KI finished third in a good field two starts back, then he got a predictable good trip in leg one of this series last week. He sat a pocket trip to the lane, where he moved on the leader. The issue that he had was Anibal Duharas was sitting on his back the whole way getting a perfect trip, ready to pounce. He couldn't fend that rival off, no he lands in a field where he could get a pocket trip following him. He is the other obvious contender to consider for early Pick 5 tickets.

#5 WOLVERINE LEGEND ran his record to 0 for 11 last week but he was raced aggressively, and he led to the stretch before getting passed by the top two picks in this race. That front end try came with aggressive teamster Trevor Henry in the bike, who he loses tonight. Coming off that failed speed try, I imagine he will get raced from behind tonight. I see him closing for a small share.

#3 GO ROSSCO got a key driver change to leading teamster Macdonald two starts back and he made a couple of moves to win going away. He keeps the leading driver tonight, and we probably haven't seen this colt's best race yet. He is another contender to consider in a competitive field in a race made more interesting because of the top pick's stale date. He kept James Macdonald in the bike last week, and he finished fourth behind the top three picks in here. He gets veteran trainer/driver Roger Mayotte back in the bike tonight, and he projects to take another small share. He is probably a good one to use on the bottom of the Tri and Super.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 CARSONSBUCKNGO got Doug McNair back in the bike last week, and he raced well in defeat despite getting a long trip on the outside and not being able to fish out any cover. He was game to get up for third, beating the pocket sitter who got a much better following trip. He draws the middle of the gate tonight and the last time he left from post five (four starts back) he was aggressively driven to a dominant win while lowering his lifetime mark to 1:53 4/5. It seems probable that another speed try is likely here and this gelding gets top billing as we kick off tonight's early Pick 4.

#6 MOVING ON OVER is interesting her mainly because trainer Murray Brethour handles the lines to catch driver Travis Cullen. Catch driver Louis-Phillipe Roy drove this Control The Moment gelding in his first two starts here in March and he finished second in his debut then roared up from sixth at the three quarters to break his maiden in his second start. In addition to getting the driver upgrade, this gelding gets major post relief drawing the best post after being mired in the second tier to start his last two miles. He would be no surprise in this spot, and I won't be surprised if her gets plenty of action at the windows tonight.

#8 BOYD BAY was a good second here two starts back then he simply was in a race that was just too fast for him. It's very unlikely that any horse in here is going to pace in 1:51 1/5, and he stands a much better chance racing in this field. He will likely show speed leaving from the widest post in this field of eight, and he is the third one in here that I would consider using on early multi-race tickets.

#3 PRINCE MALICIOUS ships in from London in sharp form and he is another that gets out of the second tier tonight. He was Louis-Phillipe Roy's choice over Moving On Over tonight, and he doesn't look out of place in this field. He has notched only two wins from 22 starts to date though, while taking seven slices. He is probably best used underneath in this spot.

The Horseplayer's Journal by Garnet Barnsdale

#9 THATSWHATISAID N raced in some tough \$8,000 claiming handicaps up to September 9th, then he missed more than six weeks. He was sent to Flamboro Downs last week, and, racing off that stale date was no problem for him that night. He endured a tough first-over trip and easily drove away from his rivals to take his fifth win of the season. He should be even sharper now, and he gets regular driver Billy Davis Jr. in the bike. I don't mind the wide post for him as he has shown that he has the tactical speed to overcome it. He gets top billing in the opening leg of tonight's 20-cent Pick 6.

#2 ALWAYS B SWEETEST made a nice wide move late in the mile two starts back to get third in a very fast mile for the \$8,000 claiming handicap level. He came back and raced against Thatswhatsaid N in that rival's winning mile at Flamboro Downs and he closed mildly after dropping back at the start. He gets a driver upgrade to Travis Henry tonight, and he will likely be the late threat to the choice in this spot. He is the other one that I would consider using on early multi-race tickets.

#1 PEY BUG comes off a start where he raced tough first-over to get second, but he got set back to fourth for putting a wheel under a rival in the stretch. He is having a good season having taken five wins and 11 other shares from 34 starts, and he will likely track from mid pack and look to close for a slice tonight. He can work his way into the Tri or Super.

#7 HAPPY NEIGHS raced okay at the \$8,000 claiming handicap level three starts back, closing for fourth and he comes off a win in London where he got a good trip racing near the front after starting from an inside post. I don't see him as a win threat facing some tougher rivals in this spot tonight, but he is another one that could be part of the Tri or Super in this spot.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 DONATOVER was a good second racing at this level two starts back on October 7th where he was overtaken late by a class dropper that was bet down to 1 to 5. He stepped up in class last week and he was just in too tough, but he did close mildly. He gets a good post to work from tonight, and he will almost surely get driven more aggressively in this spot. He gets top billing on the class drop here.

#7 HEAD OF THE CLASS is another class dropper that figures to improve in this spot, and I like that he showed some speed leaving the gate last week. He will likely be a front end threat again tonight, and he stacks up well in this field. He has only taken one win from 19 starts this season, however, after winning nine times in 22 starts in 2024, so I would be careful to not take too short of a price on this gelding tonight.

#9 YES is another class dropper to consider in this spot, and last time he won a race was in May, but it did come at a class level similar to tonight's racing at Hoosier Park. This Jason McGinnis owned and trained gelding gets Louis-Phillipe Roy in the bike tonight so it seems likely that he will be getting sent from his wide post. He could get a good trip racing on or near the lead tonight, and he is another possibility for multi-race tickets.

#1 TALK SHOW HOST has raced well at the bottom conditioned level for several weeks including last week where he passed half the field in the back half after dropping to the back at the start of the mile. He is a good one to use on the bottom of the exotics, but he has taken only two wins in his last 52 starts spanning 2024-25, and it seems unlikely that he will beat them all tonight.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 MASSBAR has been right there in three straight starts, finishing second in all of those miles, now she lands in a spot where she looks like a solid bet to break her maiden. Last week, she sat back early and couldn't fish out any cover, but she still closed well, cutting into the class dropping favorite's big lead while finishing a clear second. She stands out in this field, and she should be looking to go right down the road starting from the widest post in this seven-horse field. She should prove hard to overtake if she clears to the front as expected, and she gets top billing in this opening leg of tonight's late Pick 5.

#1 STORMONT SHANLYBOY is a homebred son of top Ontario trotting sire Muscle Mass and he is related to five winners including \$485,000 earner Stormont Ventnor (21 wins, 1:52 4/5 M.) and \$345,000 earner Stormont Divide (17 wins, 1:53-flat). He has shown promise in his first two starts, closing well in both to take second, and on paper, he is the main threat to Massbar. He is at a post position disadvantage tonight, though, and he would have to probably drop a couple of seconds to beat the choice. I certainly would be looking for a bigger price than the 8 to 5 morning line quote to back this gelding.

#6 CENTURY MASSIAH closed a bit of ground last week while finishing close to nine lengths behind Massbar, now he draws the best post racing in a smaller field. He is showing slight improvement, and I don't think it would take much more for him to find himself finishing in the bottom of the Tri or Super.

#2 FEET OF THE MOON is another one that finished well behind Massbar in her last start, but she is one that can get a good inside following trip tonight and outlast some of her rivals. I don't see her as a threat to beat them all tonight, but she is another one that could sneak into the bottom of the exotics.

The Horseplayer's Journal by Garnet Barnsdale

#2 LOUS GAME dropped out of the Grassroots Consolation two starts back, got Doug McNair in the bike, got bet down to 2 to 1 and converted to take his maiden win. The colt that he beat that night came back to jog in 1:53 1/5 as a 4 to 5 favorite, which foreshadowed Lous Game coming back to crush in the opening leg of this Harvest Series last week. He led all the way to lower his lifetime mark to 1:52 1/5, and if he repeats that mile, he should prove tough to beat here facing many of the same rivals. Coming off that sharp Leg 1 win, he gets top billing in this opening leg of tonight's late Pick 4.

#4 EVANS LEGACY came off a break caused by sickness and he was good last week, closing from far back to get third. He consistently paces sub-28 final quarters, and he should be passing rivals again late tonight. He will likely be closer earlier in the mile tonight, and I could see him getting the job done with the right trip. He is the other one in here that I would consider using on late multi-race tickets, and he should offer a square price in this spot.

#9 SCORPION SEELSTER got an aggressive steer here two starts back on October 11th, and he crushed his rivals to break his maiden in an impressive 1:51 4/5. He got hammered down to 2 to 5 off that mile, and he took a different approach, racing first-over in a grinding style in futile chase of Lous Game. He can be better tonight, especially if he blasts off the gate at the start.

#3 TWIN B JOHN B was live coming off a four-week rest last week, but when he started to advance second-over on the last turn, he was sent three wide when it looked like rival Scorpion Seelster was starting to stall. That rival kicked back in and started to advance again, perhaps responding to his rival's three wide challenge. This gelding stuck around for third, and he can be in the mix again tonight.

#7 BLAST OF SUNSHINE dropped into a \$8,000 conditioned claimer last time at Flamboro Downs, and he laid over the field so much that he was bet down to the minimum five cents on the dollar. He made no mistake, heading to the front and crushing his overmatched rivals by 10 lengths. He fits well in this opening leg of a Pop Up Series, and he should get another aggressive drive in this spot. He shows a 1:50 4/5 lifetime best score taken at this track six starts back, and he gets top billing in a field where he seems to fit very well.

#4 MACH IMPACT hasn't raced since October 3rd, so the time missed is a concern tonight. He comes off two starts where he showed big early speed, however, and he can get a good piece of this if he shows the same kind of gate speed (assuming that he is sharp enough). I can see him being a speed threat and an Exactor factor tonight in a field where he seems to fit okay.

#3 CARSONS SHADOW has shown a nose for the wire so far this year, taking seven wins from 15 starts. All of those wins came at the B tracks, and he raced here on the bigger track only once in late August. He was decent in that mile, showing speed and tiring a bit late to finish fourth. He can get a trip racing close to the front in this spot, and I see him taking a share in this spot.

#8 PICK A GENRE was in great form here in late August and September then he raced only evenly as a 2 to 1 choice two starts back at Flamboro Downs and he was well beaten a week later. His issue in his last start was that the winner paced a 1:50 3/5 mile while absolutely crushing his opponents. This gelding missed some time and the final quarters in his last two starts were slower than in his previous miles. A small share is likely his ceiling tonight.

#2 WICKED EXPRESS prior to his last start was only two starts removed from dominating in a Grassroots leg while pacing to a 1:51 2/5 lifetime best score. He then raced evenly in a fast non-winners of three race, pacing a 27 2/5 kicker showing that he is still sharp. He then got to drop into a conditioned claimer where he stood out, and after getting bet down to 4 to 5, he crushed as expected, lowering his lifetime mark in the process. He gets back in the same class tonight where it seems likely that he will get claimed, and he gets the call to repeat.

#3 SMILES FOR MILES got bet like he couldn't lose last week, and he didn't disappoint, making a couple of moves and driving away from his rivals in the stretch to lower his lifetime mark to 1:52 3/5 while taking his seventh win. That was an impressive score, and he projects to get a good trip racing close to the front, possibly in the top choice's pocket. He looks like the logical alternative to Wicked Express.

#5 BETTER THAN NEVER is having a great season so far with eight wins and eight seconds from 26 starts and he comes off a race where he started from the dreaded seven hole in London that is best tossed considering the trip he got that night. He can get a following trip racing close to the front tonight, and while I don't see him as a win threat, he can stick around for a share.

#4 RUSTYS BETT got a perfect trip, and he had a clear shot in the lane last week, but he spun his wheels late while finishing fourth behind Smiles For Miles. He will likely look to get positioned near the front again tonight, and I could see him rounding out the Super one more time.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 ARTSALIVE ships in from Quebec in excellent form, coming off a 1:56-flat first-over winning mile which is a fast race for that half mile oval. He had missed three weeks prior to that race after unsuccessfully trying a two-mile race. He bounced back well, now he gets a barn change, and he adds Lasix, and he gets top billing in this cash leg of the late multi-race tickets.

#9 WELL SAID CELEB will rightfully take plenty of action at the windows bases on a sharp try two starts back from post 10 try where he finished a good second behind HF Pans Shadow who was taking a new lifetime mark that night. He raced here Monday night in a tougher \$30,000 to \$40,000 claiming handicap where he went off at 100 to 1 and finished seventh. He will likely get put into play early tonight, and he should race much better than he did on Monday night. He can be a big threat here.

#4 LARCENY had little chance racing first up against Seriously Hanover last time, a gelding that has already come back to win again here on Monday night in a much tougher class than this one. This gelding races better when he saves his move for late in the mile, but it needs to be timed perfectly. He is in with a chance tonight, but I wouldn't take too short of a price.

#3 BETTERDEALMEIN's recent form doesn't get the blood racing, but he has been facing a steady diet of tougher company, and he can improve dropping to the bottom conditioned level tonight. He is one that I could see closing for a small piece in this field.

#6 BACK TO THE FUTURE hasn't hit the board yet in five starts this year, but he comes into this race off a nice effort where he flashed home in 26 2/5 to get up for fifth. He gets the best post tonight, so he may get positioned better early in this mile. He should be part of the High-5 in this field.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2025 earnings
3 year olds	50%		25% on 2025 earnings
			50% on 2024 earnings
4 year olds	25%		25% on 2024 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("The Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
