Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green “**Make BET**” button
- 9 Press/Tap the “**Finish with Receipt**” button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

| Bet type | Level of difficulty | Explanation and expectation |
|----------|---------------------|---|
| Win | U U U | Your horse must finish 1st; payoff determined by the win odds. |
| Place | U U | Your horse must finish 1st or 2nd; payoffs better than to show. |
| Show | U | Your horse must finish 1st, 2nd, or 3rd; modest payoffs. |

Exotic multiple-horse bets

| Bet type | Level of difficulty | Explanation and expectation |
|-------------------------------|---------------------|---|
| Exacta* | U U U U | Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds. |
| Daily double | U U U U U | Pick the winners of two designated consecutive races. |
| Pick 3, Win 4, Pick 5, Pick 6 | U U U U U U | Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager. |
| Triactor* | U U U U U U U | Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses. |
| Superfecta* | U U U U U U U U | Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible. |

* Exotic bets require the horses to finish in the EXACT order you select, unless you “BOX” the bet, in which case your selections can finish in any order.

- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nd, # of 3rd, winning %)

- 7 Trainer information
- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nd, # of 3rd, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the “morning line” odds. These are predictions of how the public will bet on the race. They are set by the track’s handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

| Odds | 1/2 | 2/1 | 7/2 | 5/1 | 10/1 |
|------|--------|--------|--------|---------|---------|
| Pays | \$3.00 | \$6.00 | \$9.00 | \$12.00 | \$22.00 |

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the **FAVOURITE** pay 32% of the time
PLACE BETS on the **FAVOURITE** pay 53% of the time
SHOW BETS on the **FAVOURITE** pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 TIE GAME shipped west from Ottawa in solid form and owner John Macmillan moved him into the barn of Joe Periera here on December 8th. He picked up leading driver James Macdonald, and he was bet down to 3 to 2 favorite. Starting from one of the best posts, he dropped in fifth early, then he moved out on second-over cover entering the far turn. He tipped off that cover turning for home and he closed well, but the winner who had opened up several lengths was already long gone. He was a transportation scratch here a week later, then he was sent off as a 5 to 2 favorite two weeks ago in a race where he went backwards in the back half. That race was too bad to be true, and I wonder if he might have shut his air off in the third quarter that night. I'll give him another chance here as the top pick in the opening leg of tonight's \$75,000 guaranteed early Pick 5.

#1 RESOLVED ISSUES comes off the best race of his nine-race career where he fell a stride short of breaking his maiden. He was in traffic at the back trotting around the final turn, then he had to idle briefly in the stretch when a rival broke, causing brief confusion to some rivals. Once he got clear sailing down the middle of the track, he closed well to just miss. He should be right there again versus these.

#10 THE HITMAN HEART shows an interference icon in his line from his last start, but in reality, he was probably the biggest beneficiary when the leader then another rival broke stride in the lane because it opened up a clear run along the pylons for him. He could do no better than get third – finishing behind Resolved Issues - after receiving those gifts and he is one that I will limit to using underneath tonight, especially from the widest post.

#2 CHESNUTT CHEWIE made a big first-over move at 49 to 1 last time, and he actually took over the lead in the stretch then he immediately broke stride. It looked like he would have hit the board in that race if he kept trotting, but that was the fourth time in his last eight starts that he broke stride. A small share is likely his ceiling in here if he behaves.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 SIDE EFFECTS was winless on the season when she got leading driver James Macdonald in the bike for her last start here on December 15th. She came into that race off a good effort the previous week and that effort combined with the driver change, got her bet down to even money. Unsurprisingly, she was given an aggressive steer and she turned for home on the lead and drifted out a few lanes then kicked into high gear to fend off one closer. She was under only minimal Macdonald urging to get the job done, and she gets the call to repeat here.

#4 CATCHMEGRACEFULLY shipped in from Flamboro Downs on December 15th after smoking fields of \$20,000 conditioned claimers in two straight. She added Lasix that night, and she was the only one pursuing Side Effects in the stretch and the only one that finished close to that rival at the wire. She is currently racing great for Team Cullen, and she is the most likely to knock off Side Effects here racing on Lasix for the second time.

#5 BLUE STAR SAPPHIRE shipped in from Alberta and won her local debut on the front end after qualifying moderately on November 29th, but she did fire a 28-flat quarter, and she apparently got what she needed from that mile as seen by her scoring the 15 to 1 upset in her local debut. As expected in her second Mohawk Park start, she wasn't allowed to lead and she took a following trip and got a golden run up the pylons in the stretch, but she couldn't get close to Side Effects and Catchmegracefully. A smaller share is likely her ceiling in this spot, and she is one that I would limit to using underneath.

#2 COOK THE BOOKS was racing great until she drew the rail last time and got completely out sprinted early, the second time that has happened starting from that post in her last four starts. She moves over one post, and perhaps she can get a slightly better start in this spot. I think she can lay closer early and enter contention late for a spot in the Tri or Super.

BEST BET: SIDE EFFECTS

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 CARSONSBUCKNGO was expected to get aggressive in his last start after chasing a 2 to 5 favorite home the week before. He closed as the 3 to 5 favorite, and he made front passing the quarter. The difference between winning that race and getting caught was probably the way he grabbed a few lengths on the rest of the field cutting the corner and turning for home. He managed to hold off closing Boothill Hud, who starts from the rail tonight. In what looks like a two-horse race on paper, this gelding gets the call to repeat because he probably holds a tactical advantage based on probable racing style.

#1 BOOTHILL HUDY was a bit of a wise guy horse in his last start, getting bet down to 4 to 1 coming off a race where he broke stride at Flamboro and a string of four races in a row where he missed finishing in the top three. The money wasn't wrong, as he raced great in defeat, just missing catching Carsonsuckng after tipping off stalled cover at the head of the lane. He looks like the only other one that you can use in this opening leg of tonight's early Pick 4, but he might be at a trip disadvantage again tonight. Your call.

#4 WILLS WATCHIN finished third behind the top two picks here after racing first-over and poking a nose in front of Carsonsuckng briefly around the last turn before getting the cold shoulder treatment. If he could have carried Boothill Hud a few strides farther before starting to back up, that one probably would have got up for the win. He seems up against it here in terms of bridging the gap on the top two choices, but he does seem like the one most likely to round out the Tri.

#7 ARTHUR IDLAM has been racing okay in conditioned races on the B tracks recently and he comes up tagged now. Last time he raced in a \$20,000 conditioned claimer, he was a winner, but that victory came in London against an easier field than he meets here. Coming off a break in stride, I could see him getting a small slice if he stays flat this time.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 STOVID got Doug McNair back in the bike three starts back, and he was bet down to even money. He looked good on the lead until late in the mile where he got picked off by a sharp repeat winner. He came back at the same level on December 15th, and he was sent off as the 7 to 2 third choice. He was driven much more conservatively, taking an early tuck in fourth and staying inside. He got shuffled out of the race, but he was angled to the far outside at the eighth pole and he closed fastest to get fourth. If he had a few more strides to work with, he would have finished second. Firing back two weeks ago, he rode second-over cover to the lane where he pulled widest. He drifted out several lanes while closing and that drift probably cost him a win. He gets McNair back off a one race absence and he gets top billing in this opening leg of tonight's 20-cent Pick 6.

#3 GUCCI GUCCI GOO was 0 for 29 when he hit the track here on November 17th in a maiden race. He jogged that night as the 3 to 5 favorite then he shipped to Flamboro Downs where he has since caught fire, winning three of five starts, including a victory over non-winners of five two starts back. Drawing one of the best posts tonight, he looks like the main challenger to Stovid.

#1 CRYPTO HANOVER got an aggressive James Macdonald steer on December 8th to take her second win in her 21st start. She gets a few factors against her tonight, not the least of which is the stale date. She hasn't raced in four weeks, and she draws the rail. I prefer to use her underneath tonight.

#9 FATEFUL was good in her October 24th qualifier when she put the trotting hopples back on, and she took plenty of action in her return to the races on November 10th. She made a nice late charge to get third, but she was simply too far back. She was bet down to 4 to 5 favorite in her second start back, and it was no surprise to see her driven much more aggressively. She moved first up on the final turn and easily trotted away from her rivals on her way to her third win in her 11th start. She lowered her lifetime mark that night, but her next mile didn't go well from post 10. Then four starts back, she broke at the start, losing all hope. She was better here on December 8th, and decent again a week later, but she broke stride again last time. If she can stay flat this time, she can be part of the tri or Super likely closing from far back.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 STORMONT FULLALIFE raced well here on December 15th when he was sent first up, and he took over the lead briefly on the last turn when the leader broke stride. He was unable to fend off the rival that followed him, but he did finish a clear second. He followed that mile up with another first-over trip, but the leader was too strong that night and he never got close. He gets off the inside posts now and it seems likely that he will get an aggressive steer this time. He gets top billing in this cash leg of the early Pick 5.

#3 JAYPORT MUSCLE UP came off a six-week break here on December 1st when he sat a pocket trip and raced well to get a slice. He came back a week later and he was sent straight to the front from his wide post. After getting shuffled back to third, he couldn't keep up in the back half. Perhaps the addition of Lasix tonight helps explain that subpar effort. He can bounce back here with the addition of that medication, and I wouldn't be shocked if he led from start to finish. He gets a barn change to Kyle Fellows for tonight's race, and he is another one to consider for early multi-race tickets.

#6 DULCES SUEÑOS DEO drew in off the also eligible list at scratch time and while he brings an 0 for 23 record to the track, but he has been a good one to use underneath, particularly in the third slot where he has finished in eight of those 23 miles. Starting from the best post tonight, he should be able to work out a good trip and cash a cheque one more time.

#9 KINNED ICECUBE was racing well prior to his November 5th start at Rideau Carleton where he broke stride after the start. His 1:59 4/5 mile on that 5/8ths of a mile track showed that he is fast enough to compete with these. He raced here on December 22nd having missed five weeks and it showed when he trailed throughout. He is capable of better, and he could show it here at a big price returning in two weeks after his race last week was cancelled along with the entire card. He is worth a look for the bottom of the exotics.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 BELMONT BLAZER was sitting second last when he tipped out nearing the far turn two weeks ago. He was sent wide early on the turn, which typically is one of the tougher trips to overcome on this track. He was still second last with three sixteenths to go, and he closed relentlessly down the middle of the track. This race to projects to have many leavers and plenty of action and this gelding's late rally can be successful this time. He gets top billing in this opening leg of the late Pick 5.

#2 SHANES DREAM takes a big class drop here, that story revealed just by looking at his recent company lines racing in much tougher \$30,000 to \$40,000 claiming handicaps. Dropping into this \$20,000 conditioned claimer likely means he will get claimed and sent forward leaving the gate but there are several others in here that like to blast off the gate. He is a strong contender on paper, and he will probably be the one that Belmont Blazer needs to catch when they turn for home.

#6 WICKED EXPRESS was part of a lively early pace last time and he was the lone survivor from the early battle to land in the money. He even made a second move before getting passed by the winner and Belmont Blazer. That was a good effort, and he gets Doug McNair back in the bike tonight and he draws the best post. He would be no surprise in this spot.

#7 AMBITIOUS MIND raced at Flamboro three starts back, and he labored first-over as the 3 to 2 second choice and stuck around for third. He fired back here five days later, and he picked up the leading driver and got bet down to 3 to 5 favorite. He was the first leader, but he got shuffled to third after some leadership changes. He sat there to the far turn where he tipped out, and he was sent widest at the head of the lane. He dug deep late to make up what appeared to be an insurmountable deficit at the sixteenth pole, and he got up for the win. Last week, he was buried inside in the lane trying to get past a tiring leader, which he eventually did, but he couldn't close along the inside racing in the snow. He is capable of better, and he is another one that I would consider for late Pick 5 tickets in what appears to be a race with a few in with a chance.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 FRENCH VODKA was bet down to 7 to 5 favorite two starts back coming off a good closing effort the week before where he just missed to get up for second in a three across photo on the wire. He was on go in that start on December 15th, making a middle move to the front and looking good until he was engaged in battle by sharp rival Push To Start who was taking a second consecutive win. Then on December 22nd, he dropped back to the middle of the pack early and he got a tough trip. Racing in a blizzard, he was the only one to move in the back half, and the top two got away from him and the rest of the field. He was a clear third at the wire in a good effort, and he draws okay here. I'll give him the nod expecting to get a decent price in this opening leg of tonight's late Pick 4.

#2 EYE OF AN EAGLE is a 10-time winner that gets into a non-winners of two here based on the added condition for four-year-olds, and he shows a recent win over tough older campaigner Arrakis on his resume. He seems to be one that needs a trip to win, and I wonder if he will get driven aggressively here which might be the wrong approach. He is another contender, but another one that I wouldn't take a short price on.

#1 STONEBRIDGE QUEEN was a more comfortable winner last time than the winning margin of a neck suggests, because Bert Renaud sat like a statue in the bike for the entire stretch drive, never once looking a bit worried that his filly might get caught. She is in tougher now, but she has some upside, and she is clearly improving. She is another possibility for late multi-race tickets, but I'm not sure that she offers much value as a 2 to 1 morning line quote in the morning line.

#7 HOBNOB HANOVER had a busy campaign in 2024, racing 44 times and taking two wins, 17 other top three finishes and several other smaller cheques along the way. She is a hard trier that can be raced from anywhere, and she could beat this prediction if she gets a good trip tonight.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 STRONGMAN HANOVER was a nice closing third at this level six starts back where he produced a snappy 27 1/5 final quarter. From there, he entered the Harvest Series, where he performed well. He took the opening leg by a head before losing narrowly in Leg 2. Then in the final he just missed getting a cheque as a 22 to 1 longshot, but he did pace the fastest mile of his life in his 25th start. Then, he raced first up chasing the prohibitive favorite, but that 1 to 5 shot was too strong, and he drove away from this gelding. In his most recent start, he rode the pocket to the last turn where he edged off the pylons and took dead aim on the leader. He looked poised to sail right by then he got fumbly gaited when he turned for home and he broke for a few strides. Once he got back on gait, he gamely dug in to preserve second. This is a field that he can beat assuming all is okay with him, and I don't mind the widest post for him in a field of seven.

#4 ABIDING ART shipped west from Ottawa on December 8th, joined the Garry Merner barn, and showed immediate improvement as a 43 to 1 longshot. He then got what might be the most advantageous post position switch at this track in his next start when he drew the six-hole. His odds plummeted to 2 to 1 and Louis-Phillipe Roy sent him right down the road. Drawing well again and coming back at the same class level makes him the one that the top pick will need to take down.

#2 CONNOR B raced well at this \$20,000 conditioned claimer level for four straight starts in November and December before trying a tougher non-winners of two class last time and closing mildly to get the smallest cheque. He showed good gate speed in those four miles at this level and dropping back in for a tag tonight, he will likely get sent forward leaving the gate. He should be able to get positioned near the front early and stick around for a slice in this spot.

#1 HAKA TIMATANGA raced okay in his local debut after shipping in from Rideau Carleton, flashing a bit of gate speed, staying in and taking a shuffle then sticking around to take the smallest cheque. He will likely sit an inside following trip tonight and he could be good for a small share in this small field.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 CHIC CHOC ROSE has been very good since dominating and taking a new lifetime mark in the Ontario Harvest Series final here on November 24th. After failing to chase down a loose leader in her next start, she got a nice trip to beat non-winners of three here two starts back, then she was raced aggressively to score the repeat win here three weeks ago. In her most recent start, she simply got out tripped. Racing in the snow, she was stuck on stalled cover coming around the last turn while the eventual winner was skimming the cones and taking advantage of a much better trip. The ground this mare lost coming off the final turn was too much to overcome, and that was a good effort in defeat, she was just a victim of bad racing luck. She gets a better post tonight which should lead to her getting positioned closer to the front early. She can bounce back and make amends for that defeat as 4 to 5 favorite.

#3 SUNDAY SHOES was given a great trip by teamster Doug McNair two starts back, and he was a closing second to Chic Choc Rose, although the final margin didn't tell the entire story, because the winner was under wraps late and never looked in danger of getting caught. Still, this gelding was the only one close to the winner at the wire that night. He tried a different strategy last time with Billy Davis Jr. in the bike, taking over command in the second quarter and bringing a clear lead in the stretch that he couldn't hold. McNair returns tonight and he will likely look to trip this gelding out again. He can be an exotics factor tonight.

#2 VERACRUZ had a solid season in 2025, taking four wins and 15 slices from 38 starts and he is typically right there every week racing at this \$60,000 optional claiming level. Two starts back, he provided winning cover for Kadiddle and last time, he chased a strong winner home. I don't think he offers any value on top as a 9-to-5 shot in the morning line, but he should land in the top three again.

#4 PANTOFOLAO produced a decent closing effort last time to get third, only a half length behind Veracruz for second. He will likely drop back, sit and look to rally, and he can pass some of these in the back half. He's worth a look for the bottom of the exotics.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 DAFFY HANOVER just lowered his lifetime mark here two weeks ago, blasting to the front, then accepting the pocket before making his second move in the lane and driving away for a dominant score. He steps up to the non-winners of three class here tonight, but it doesn't look that much tougher, and I'll give him the call to repeat in the cash leg of the late Pick 4 and Pick 5.

#6 ROYAL BELUGA made a nice late charge to get third in the Pop Up series final here two starts back then he moved up into a class that was simply too tough for him. He gets into a better spot here, and he is capable of making a sweeping move on the last turn. He could beat these if that move is timed correctly and he is worth a look at what should be a square price.

#4 FLORIDA GUY has certainly shown that he knows where the wire is, having taken three straight wins leading up to tonight's race, most recently beating Daffy Hanover by a head three weeks ago before getting scratched due to weather. His best asset is his good tactical speed, and he will likely be a threat again here racing close up from the start.

#7 HOUSTON SEELSTER comes back from Flamboro Downs razor sharp having taken three wins in his last four starts racing at the non-winners of five level. Those weren't bad fields he was beating racing over the Dundas half miler, and he is another that is worth a look for late multi-race tickets in what looks like a competitive finale where a few of them have a shot.

#10 WISDOM HANOVER comes in off two straight decent miles where she closed for second in both races, now she gets off the inside posts, but she draws widest. It's a tall order to win from out there, but I could see her closing for a cheque if she doesn't get too far back early.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

| | ALLOWANCES CLAIMING RACES | CONDITION RACES |
|-------------|---------------------------------|--|
| 2 year olds | 100% | 50% on 2025 earnings |
| 3 year olds | 50% | 25% on 2025 earnings 50% on 2024 earnings |
| 4 year olds | 25% | 25% on 2024 earnings |

ALLOWANCES FOR PURSE EARNINGS

ALLOWANCES FOR FILLIES EARNINGS
When Fillies/Mares compete against Colts/Geldings (normally on the trot)
Fillies/Mares will receive an additional 25% on the condition of the race.
ie: pw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses.

Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L Denotes horses treated with Lasix.

(L) Denotes horses treated with Lasix today who were not so treated for their last start.

(L) Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>. All tickets should be held until the result of the race is declared official and prices are posted. No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor/TRIFECTA (Also known as Tractor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th. That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 3 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, change boards and our website. The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.1%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.1%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
