Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green “**Make BET**” button
- 9 Press/Tap the “**Finish with Receipt**” button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you “BOX” the bet, in which case your selections can finish in any order.

- 4 Morning line odds
- 5 Horse's name

- 9 Horse's current record (# of races, # wins, # of 2nd, # of 3rd, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the “morning line” odds. These are predictions of how the public will bet on the race. They are set by the track’s handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the **FAVOURITE** pay 32% of the time
PLACE BETS on the **FAVOURITE** pay 53% of the time
SHOW BETS on the **FAVOURITE** pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 ROYAL BELUGA made a nice late charge to get third in the Pop Up series final here three starts back then he moved up into a class that was simply too tough for him. He got into a better spot last week, and he rallied from fifth-over on the final turn, swinging widest as they spun for home. After losing a lot of ground, he closed relentlessly, and just missed getting up for second. This looks like an easier spot than last week's field, and he gets the nod to kick off tonight's \$75,000 early Pick 5.

#7 SOUTHWIND MAC had a good season in 2025 racing exclusively at Rideau Carleton, taking five wins and 12 other top three finishes from 25 starts while earning close to \$35,000. He shipped to Flamboro Downs on New Year's Day and he was made even money favorite racing out of the Garry Merner barn for the first time. His first up mission was a tough one chasing a leader that got a 1:01-flat opening half. He had also missed two-and-a-half weeks leading up to that race. He returns quicker, races on Lasix for the second time, and he gets the "first-time McNair" angle tonight. He figures to be a threat here.

#5 GIVE ME A YANKEE raced okay here on Friday night after breaking at the start and losing all chance at taking a win. He gained 12 lengths from the quarter to the wire and made a late wide move to get up for fourth. He draws best here, and if he can stay trotting, he can be a win candidate. He is the third one in here that I would consider using in the early Pick 5.

#2 MISTER MAGIC has now gone winless in 18 straight starts, but he has been a great earner in that stretch, taking cheques in all but two of those 18 miles. He is two-for-two finishing in the top three already this year and he makes his third start tonight on the twelfth day of the year. He raced well in defeat here Friday night, leading to the stretch, but he couldn't fend off the 2 to 5 favorite then got picked off for second. He will be in the mix again tonight, but I prefer to use him underneath at this point.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 SIDE EFFECTS was winless on the season when she got leading driver James Macdonald in the bike two starts back here on December 15th. She came into that race off a good effort the previous week and that good performance, combined with the driver change, got her bet down to even money. Unsurprisingly, she was given an aggressive steer and she turned for home on the lead and drifted out a few lanes then kicked into high gear to fend off one closer. She came right back last week and she was even better, pacing away from some overmatched rivals to take a new lifetime mark while kicking home in a snappy 27 2/5. Facing many of the same rivals that she easily handled a week ago, she should score the threepeat as a popular Pick 5 single.

#4 CATCHMEGRACEFULLY shipped in from Flamboro Downs on December 15th after smoking fields of \$20,000 conditioned claimers in two straight. She added Lasix that night, and she was the only one pursuing Side Effects in the stretch and the only one that finished close to that rival at the wire. Last week, she was left first-over in the third quarter and she would have needed to sprout wings to catch Side Effects after that rival moved to the front in a 58 1/5 middle half. If she gets a better trip, she could complete the Exacta in here, and this combination might offer a little value this week.

#3 LADY WICKED was driven aggressively last week making two early moves to the front, and she benefitted from the slow early pace and that aggressive steer to split the top two choices here and round out the Exacta behind Side Effects. She was well clear of Catchmegracefully that night, and she could get a similarly good trip here.

#2 WOODMERE BETCHA was a bit overmatched racing in the Niagara series, but she certainly wasn't disgraced. Dropping to the \$20,000 conditioned claiming level where she last won five starts back gives her a better chance to land a share, and she is in the exotics mix. If Side Effects brings her A game though, this daughter of Bet The Moon will likely be racing for second with the rest of them.

BEST BET: SIDE EFFECTS

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 RESOLVED ISSUES came into last week's race off the best mile of his nine-race career where he fell a stride short of breaking his maiden. In that mile on December 22nd, he was in traffic at the back trotting around the final turn, then he had to idle briefly in the stretch when a rival broke, causing brief confusion to some rivals. Once he got clear sailing down the middle of the track, he closed well to just miss. Flash forward to last week when he was bet down to 7 to 5 favorite. He got a trouble free trip that night, and when he was asked for his best chasing a loose leader in the stretch, he had no problem dialing in that rival and trotting away to an impressive maiden score. He is clearly improving, and he still has some upside. He gets top billing in the opening leg of tonight's early Pick 4 despite stepping up to face non-winners of two.

#5 FRENCH VODKA was bet down to 7 to 5 favorite three starts back coming off a good closing effort the week before where he just missed to get up for second in a three across photo on the wire. He was on go in that start on December 15th, making a middle move to the front and looking good until he was engaged in battle by sharp rival Push To Start who was taking a second consecutive win. Then on December 22nd, he dropped back to the middle of the pack early and he got a tough trip. Racing in a blizzard, he was the only one to move in the back half, and the top two got away from him and the rest of the field. He was a clear third at the wire in a good effort, and he was expected to win last week, but not much went right for him. He draws best here, and my gut tells me he will get sent forward leaving the gate this time. He is the other one that I might use on early multi-race tickets.

#6 MY WAY was over bet last week based on his good final quarter two starts back. He made a middle move he couldn't sustain last week, now he will probably look to sit and close late. He can get a share tonight.

#8 SHOCK FACTOR took 15 starts before he achieved an Exacta finish, then he fired right back and broke his maiden. He is clearly improved, but he steps up to non-winners of two now and he draws widest in this field of eight. He can use his good gate speed to get positioned near the front early, then stick around for a share.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 HASSELHOFF simply had no chance racing from post 10 in the Valedictory Final, but he did take a top three finish in Leg 2 racing against a better field than he meets tonight. In the opening leg, he displayed blazing early speed, cutting a 26 1/5 opening quarter and a 55 2/5 half before backing up to fifth. The Hoff has a much better chance here tonight dropping into a \$20,000 conditioned claimer which is the level where he last won racing at Flamboro Downs in late October. I don't mind that he drew widest here as that will only help his price. He gets top billing in this opening leg of tonight's 20-cent Pick 6.

#3 PARTY IT UP had a nice season in 2025, taking eight wins and nine slices from 31 starts while earning more than \$33,000. But when he lined up behind the gate here last week, he hadn't crossed under the wire in the top three in any of his previous 10 starts. Getting Trevor Henry in the bike woke him up as he paced a nice first-over mile in defeat. Coming off that sharp effort, he is the one to fear in here and he is the other one in this field that I would consider using on early multi-race tickets.

#5 HAKA TIMATANGA raced okay in defeat here last week, closing mildly to get fourth now he moves into the barn of Justin Turcotte who scored 33 times in 180 starts in 2025. He can get a good start from his middle of the gate draw, sit a trip and take a share tonight.

#2 ARTHUR IDLAM dropped in for a \$20,000 tag and he flashed early speed before tiring to finish fifth as the over bet 7 to 5 favorite with the leading driver in the bike. Sometimes these types race better second time at the class, and his price will certainly be a lot higher tonight. He could get a slice tonight, and he is worth a look for use on the bottom of Tri and Super bets.

SPOT PLAY: HASSELHOFF

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 VALIDUS hadn't raced in six weeks when he showed up here last week to compete against non-winners of two and she was coming off a six scratch. That didn't deter some bettors who bet her down to 9 to 5 despite the time missed and the sickness. She was certainly ready to fire a big effort, but the trip just didn't work out. Sitting seventh and last racing around the far turn, she was sent widest, but she got pushed out into seven path as the field fanned out turning for home, she ran in slightly, then straightened out and closed relentlessly to get second. That was a strong effort in defeat, and she should be even sharper now returning in seven days. She should be hard to hold off if she gets a reasonable trip tonight.

#7 DAFFY HANOVER lowered his lifetime mark here two starts back, blasting to the front, then accepting the pocket before making his second move in the lane and driving away for a dominant score. He stepped up to the non-winners of three class here last week, and he grabbed the pocket early then he followed to the lane where he lacked room until he reached the eighth pole. When the leader drifted out, he got a clear run along the pylons, but he finished one-paced while not getting beat that far. Dropping back down to non-winners of two gives him every chance to rebound, and he will probably be the one that Validus will need to catch when they turn for home.

#8 PIER HO EMERALD was given a great steer from this post to just miss here on December 22nd but he has missed three weeks action now. If he can work out a similar trip tonight, he can be an exotics player, though, and he is worth a look for use on the bottom.

#4 HOBNOB HANOVER had a busy campaign in 2024, racing 44 times and taking two wins, 17 other top three finishes and several other smaller cheques along the way. She is a hard trier that can be raced from anywhere, and she has already taken her first cheque in 2026 by landing in fourth place last week. She is always a good one to use on the bottom of the exotics it seems.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 STRONGMAN HANOVER looked like he was going to win here two starts back on December 15th, but he kind of got in his own way and it likely cost him a victory. In that start, he rode the pocket to the last turn where he edged off the pylons and took dead aim on the leader. He looked poised to sail right by then he got fumbly gaited when he turned for home and he broke for a few strides. Once he got back on gait, he gamely dug in to preserve second. He fired back in the same class here last week, and he made no mistakes, parlaying an aggressive Daryl Thiessen steer into his first victory of 2026. Coming back at the same class level, he looks best in here, and he gets the call to repeat to kick off tonight's late Pick 5.

#1 WICKED EXPRESS was part of a lively early pace here two starts back, and he was the lone survivor from the early battle to land in the money. He even made a second move before getting passed by the winner and Belmont Blazer. He again raced well last week, but he couldn't fend off the first-over bid from second choice Shane's Dream who was not going to be denied when he produced a 27-flat kicker. This McWicked gelding's strategy will be no secret, he will move to the front early and take no prisoners. He will be the one that Strongman Hanover needs to chase down.

#3 SMILES FOR MILES deployed a closing strategy in his last two starts after tiring on the lead in two straight miles before those. It's encouraging that he paced a sub-28 kicker last time and closed for third. He could be closer to the lead this time and that gives him a chance in here as a potential value play for the late Pick 5.

#5 SOUTHWIND CIRCUIT sat a perfect trip, and he still couldn't pass Strongman Hanover in the lane last week. I don't see him as a win candidate here, but that was an improved performance, and if he gets another good trip, he should be part of the Tri or Super.

The Horseplayer's Journal by Garnet Barnsdale

#7 STORMONT FULLALIFE raced well here on December 15th when he was sent first up, and he took over the lead briefly on the last turn when the leader broke stride. He was unable to fend off the rival that followed him, but he did finish a clear second. He followed that mile up with another first-over trip, but the leader was too strong that night and he never got close. He got off the inside posts last week and he got an aggressive drive as expected, but he was picked off late by the pocket sitter. That was a good effort, and I'll stick with him here to kick off tonight's late Pick 4.

#2 JAYPORT MUSCLE UP came off a six-week break here on December 1st when he sat a pocket trip and raced well to get a slice. He came back a week later and he was sent straight to the front from his wide post. After getting shuffled back to third, he couldn't keep up in the back half. He added Lasix last week and he moved into the barn of trainer Kyle Fellows but he raced only evenly. I'll give him a look here returning to a seven-day rotation after missing four weeks before his last start, and racing on second time Lasix tonight.

#8 DULCES SUENOS DEO drew in off the also eligible list at scratch time last week and he brought an 0 for 23 record to the track, but as had been the case in the past, he was a good one to use underneath, as he took his ninth third-place finish in his 24th start. He will offer a good price here and he is probably a good one to use on the bottom of Tri and Super bets again.

#9 KINNDAR ICECUBE was racing well prior to his November 5th start at Rideau Carleton where he broke stride after the start. His 1:59 4/5 mile on that 5/8ths of a mile track showed that he is fast enough to compete with these. He raced here on December 22nd having missed five weeks and it showed when he trailed throughout. He raced better last week, touching down on the lead early before taking a shuffle the sticking around for fourth. He is another price horse to consider using on the bottom.

The Horseplayer's Journal by Garnet Barnsdale

#5 CHIC CHOC ROSE has been very good since dominating and taking a new lifetime mark in the Ontario Harvest Series final here on November 24th. After failing to chase down a loose leader in her next start, she got a nice trip to beat non-winners of three here two starts back, then she was raced aggressively to score the repeat win here three weeks ago. After getting out tripped on December 22nd, she made amends last week, using the best post to her advantage by blasting off the gate and taking no prisoners. She faces basically the same field here tonight, and she gets the call to repeat.

#4 SUNDAY SHOES was given a great trip by teamster Doug McNair three starts back, and he was a closing second to Chic Choc Rose, although the final margin didn't tell the entire story, because the winner was under wraps late and never looked in danger of getting caught. Still, this gelding was the only one close to the winner at the wire that night. He tried a different strategy on December 22nd with Billy Davis Jr. in the bike, taking over command in the second quarter and bringing a clear lead in the stretch that he couldn't hold. McNair returned last week, and he tripped the gelding out again to get second to Chic Choc Rose. He is the one most likely to notch the upset if there are any chinks in the top pick's armor tonight.

#6 VERACRUZ had a solid season in 2025, taking four wins and 15 slices from 38 starts and he is typically right there every week racing at this \$60,000 optional claiming level. Three starts back, he provided winning cover for the winner then on December 22nd, he chased a dominant winner home. Last week he sat the pocket behind Chic Choc Rose and didn't take the inside path in the stretch when it was clearly open for him. He finished a bit jammed up behind the winner and he will likely be a fringe player again tonight.

#7 PANTOFOLAIO produced a decent closing effort two starts back to get third, then he couldn't close much as the late pace accelerated last week. He is capable of passing horses if the early pace is reasonable and he could sneak into the bottom of the Tri or Super.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 RADCLIFFE was a big winner of a Pop Up series leg here on December 5th where he crushed the field and took a new lifetime mark in the process, and it was likely on the basis of that strong winning mile that he was bet down to 9 to 5 favorite facing non-winners of three here last week. He was coming out of a race where he broke at the start so getting a clean line was probably the first priority. He was conservatively driven, and he accomplished that mission while closing for second from eighth at the half. It seems likely that he will get driven more aggressively now once again starting from the best post, and he gets top billing here.

#3 DEVASTATE hadn't raced for a purse in just over a year when he surfaced here and showed speed before eventually finishing fourth, just a neck behind Radcliffe. That mile could be just the tightener that he needed and he can be better tonight. He already won at this level in December of 2024, and he would be no surprise in this spot tonight.

#5 STOID got Doug McNair back in the bike four starts back, and he was bet down to even money. He looked good on the lead until late in the mile where he got picked off by a sharp repeat winner. He came back at the same level on December 15th, and he was sent off as the 7 to 2 third choice. He was driven much more conservatively, taking an early tuck in fourth and staying inside. He got shuffled out of the race, but he was angled to the far outside at the eighth pole and he closed fastest to get fourth. If he had a few more strides to work with, he would have finished second. Firing back two weeks ago, he rode second-over cover to the lane where he pulled widest. He drifted out several lanes while closing and that drift probably cost him a win. He got McNair back after a once race absence last week, and he easily handled non-winners of two. He steps up now, but he is sharp, and he should be a threat right back.

#6 GUCCI GUCCI GOO was 0 for 29 when he hit the track here on November 17th in a maiden race. He jogged that night as the 3 to 5 favorite then he shipped to Flamboro Downs where he has since caught fire, winning three of six starts, including a victory over non-winners of five three starts back. He was no match for Stoid last week, though, and he will likely be a fringe player here again.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#9 BOOTHILL HUDY signalled that he was sitting on a win two starts back when he got the worst of the two trips between the winner CarsonsBucknGo and he, and still he almost rallied to win. He was driven with more aggression last week, and after making two moves, he drove away from his rivals with ease. He is obviously at the top of his game now, and he is the clear top pick in this anchor leg of the late multi-race tickets despite drawing the widest post tonight.

#6 CHEF just won for the third time in eight starts after starting his career as a four-year-old last summer, now he immediately gets reclassified and dropped into this conditioned claimer where he can be taken for \$20,000. He seems to be a decent fit in here and he will likely get sent forward leaving from the best post – especially if there is a claim entered on him. He will likely be the one that Boothill Hudy needs to beat tonight.

#3 CARSONSBUCKNGO was a bit lucky to hold off Boothill Hudy two starts back when he enjoyed a perfect pace trip on the engine while cutting some moderate fractions while his rival was required to close off stalled cover and he still almost caught him. Last week the trip scenario was much different. Boothill Hudy is clearly the sharper of the two right now, and I prefer to use this gelding underneath tonight.

#8 CONNOR B has taken 14 slices in his last 22 races and he comes off a mile where he got a good following trip and stuck around for third. He can use his good gate speed to get position tonight and ride another nice trip to a spot in the Tri or Super.

#7 NEVER ASSUME is a cleverly named gelding that flashed speed last week, took a shuffle, then finished with interest. That was a much improved effort over his previous mile, and he keeps last week's pilot Jody Jamieson in the bike tonight. He can get another share in this spot.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

CLAIMING RACES	ALLOWANCES	
	100%	50%
2 year olds	100%	50%
3 year olds	50%	25%
4 year olds	25%	50%

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nv \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses.

Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L Denotes horses treated with Lasix.

(L) Denotes horses treated with Lasix today who were not so treated for their last start.

(L) Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>. All tickets should be held until the result of the race is declared official and prices are posted. No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor/TRIFECTA (Also known as Tractor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th. That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 3 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, change boards and our website. The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.
