# Betting Basics

Some essentials to get you started with making a wager.

## 1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

### To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

**Hello, (Racetrack), race 6, \$2 to WIN on Horse #4**

### How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green “**Make BET**” button
- 9 Press/Tap the “**Finish with Receipt**” button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

## 2 Types of bets

### Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

### Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

\* Exotic bets require the horses to finish in the EXACT order you select, unless you “BOX” the bet, in which case your selections can finish in any order.

## 4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

### Morning line odds

Odds listed in the race program are the “morning line” odds. These are predictions of how the public will bet on the race. They are set by the track’s handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

### Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

### Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

### 3 Tips to remember

**WIN BETS** on the **FAVOURITE** pay 32% of the time  
**PLACE BETS** on the **FAVOURITE** pay 53% of the time  
**SHOW BETS** on the **FAVOURITE** pay 67% of the time

\* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Etobicoke. Woodbine Racetrack is located within the traditional and treaty Lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario Lakeshore and Lake Simcoe/Georgian Bay regions. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Woodbine is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

#### Race 1 Selections

#### The Horseplayer's Journal by Garnet Barnsdale

**#3 GREEN GRASS GROWS** is a homebred son of a top trotting sire that showed some late trot on debut and then drew a better post and got bet down to 3 to 1 in his next start. He improved in that mile without threatening the winner, then he drew better last week, and he improved again. Racing in the snow that night, he followed along to the lane then he spun widest turning for home. He looked good closing down the middle of the track to get up for third in that mile. He might be sitting on a win now, and he stacks up well in this field. He gets top billing here to kick off tonight's \$75,000 guaranteed Pick 5.

**#4 ROYAL FLUSH DEO** is an \$80,000 Lexington Sale buy that started only once at two and broke in that lone rookie try. The sophomore son of Walner comes into this second start off a sneaky good qualifier on January 16th. In that mile, he was content to sit sixth most of the way then he angled off the pylons in early stretch. He closed some ground between horses, in traffic the whole way home, and he finished on a helmet with plenty of trot in reserve. Assuming he has matured a bit from two to three, he should be one of the main contenders tonight, and he is another one to consider for the early Pick 5.

**#1 OVEREND** started showing early speed three starts back, and he got better results using that racing style. He makes his 31st start tonight looking for his second win, and he has taken 11 slices along the way. I don't see him leading all the way tonight, but he can stick around for a share.

**#9 SHEZ GOT TRIX** is 0 for 16, but she raced decently in her last two starts while showing speed in both of those miles. She can get positioned close to the front tonight in a field that seems to lack many that leave fast, and she should be able to stick around for a share. She is probably a good one to use underneath at what should be a square price.

## Race 2 Selections

## The Horseplayer's Journal by Garnet Barnsdale

**#9 LIKE CHAOS** absolutely crushed his rivals two starts back racing one class lower than tonight's then he jumped up in class on January 11th. In that most recent start, he set the same identical fraction of 1:24 4/5 to the three quarters, but he couldn't build up the same big lead that he did in his previous start when he beat a much easier field. He gets Trevor Henry back in the bike tonight, and he drove him to the blowout win two starts back. Dropping down to face easier gives him a much better chance tonight, and he gets top call.

**#3 BUCK DANCER** was ultra impressive here on November 28th winning a race where he was on the lead three different times although you only see in the program that he took over the lead in the stretch before driving away from the field. Coming back in the same class off that impressive win, it was no surprise whatsoever to see him score another driving away win as the 3 to 5 favorite. Then on December 12th, he made two early moves and he jogged again. He stepped up in his last start and raced well again. The potential red flag here is the December 19th stale date. Your call, but I wouldn't take a short price here.

**#1 CROWN MONARCH** makes his third local start since shipping north from New York, and he didn't race terribly in his first two starts over this track, he just seemed to be overmatched. He gets the leading driver back for a return drive tonight, and he gets needed class relief. He is one that I could see closing for a good share this time.

**#4 MADE OF MAGIC** shipped here from London on four days rest and he raced okay to get third after leading all the way until late in the mile. His issue here is, he has Like Chaos in here and that rival will surely go to the front and cut much faster fractions and this gelding might have trouble trying to keep up. He might be able to stick around for a small slice, however.

## The Horseplayer's Journal by Garnet Barnsdale

**#6 SOUTHWIND MAC** had a good season in 2025 racing exclusively at Rideau Carleton, taking five wins and 12 other top three finishes from 25 starts while earning close to \$35,000. He shipped to Flamboro Downs on New Year's Day, and he was made even money favorite racing out of the Garry Merner barn for the first time. His first up mission was a tough one chasing a leader that got a 1:01-flat opening half. He had also missed two-and-a-half weeks leading up to that race. He returned quicker on January 12th, and he raced okay on second time Lasix. Then, he miscued racing in the snow and starting from the worst post. He gets needed class relief tonight, and I could see Doug McNair sending him right down the road if he stays flat tonight. He gets top billing in the opening leg of tonight's early Pick 4.

**#3 FRENCH VODKA** has been a bit of a money burner recently, getting beat three times as the favorite in his last four starts. In his most recent start, he looked like he was ready to start a rally and trot past the leaders, and he jumped it off before he could make his move. He requalified four days later, and he gets a new set of hands tonight with Bob McClure taking over the lines. He is capable of beating these if he stays trotting, but he is still a maiden, and I wouldn't be taking a low price on him tonight.

**#4 CHECK MASTER** took a ton of action at the windows last week considering he was coming off breaks in stride in three of his previous four starts. Bet down to 3 to 1 favorite, he worked out a good following trip then rallied for his maiden score in his 11th start. Now that his bell has been rung, he might be good for another in here, and he is another to consider for early multi-race tickets.

**#8 BONITO BOY** has the most wins of any in here with six, and he gets needed class relief after trying non-winners of three racing in the snow last week. Two starts back he was right there racing at tonight's class level, and dropping back down gives him a chance tonight. He is yet another possibility in a race that lacks a standout.

## The Horseplayer's Journal by Garnet Barnsdale

**#9 VOLCANIC** hadn't been seen since last August prior to last week's return, and on that occasion, he broke stride and was distanced in a race at Grand River then he was scratched lame. His qualifier here on January 12th with Doug McNair in the bike showed me that he was ready for action last week. In that qualifier, he was kept inside in the stretch where he ran into a lot of traffic while trying to close on the leaders. He finished the mile with plenty of pace while glued to a rival's helmet. He was a winner a year ago in his debut when coming off a similar qualifier, and he made an early move to the front in that debut win and saw it through on the engine, and history repeated last week when he won the same way. He was brave cutting the mile in a blizzard, and he gets the call to repeat returning at the same class level. He might be a good single to kick off tonight's 20-cent Pick 6.

**#7 CHEF** just won for the third time in eight starts here on January 3rd after starting his career as a three-year-old in 2024, but instead of stepping up to non-winners of three, he immediately got reclassified and dropped into a conditioned claimer where he could be taken for \$20,000. That looked like the right move when he led all the way and held on for a three-quarter length win. He came back at the same class level and made a middle move to the front last week, but he couldn't fend off a strong class dropper. On paper, he is the main threat to Volcanic.

**#2 HAKA TIMATANGA** comes in off an impressive looking score at this level, but he beat an easier field on that night. He is improving, but he will likely have his hands full facing Volcanic and Chef tonight. He is one that I will limit to using underneath.

**#8 CARSONSBUCKNGO** was a bit lucky to hold off Boothill Husky four starts back when he enjoyed a perfect pace trip on the engine while cutting some moderate fractions while his rival was required to close off stalled cover and he still almost caught him. He got a tougher trip in his next start, and he couldn't see it through. Then, he sat a perfect trip following Chef in the pocket all the way, and he got a clear shot at that rival in the stretch, but he couldn't bridge the gap. I'll give him a mulligan for breaking racing in the snowstorm last week. He can be an exotics player tonight.

**BEST BET: VOLCANIC**

#### Race 5 Selections

#### The Horseplayer's Journal by Garnet Barnsdale

**#2 SUPERSONIC HANOVER** produced supersonic speed last week, trotting the second fastest three quarters while dropping the hammer on his rivals and trotting away from them, building an insurmountable lead. That was his second strong effort in a row, and he was certainly no secret that night, going off as the 7 to 5 favorite after getting sent off at 15 to 1 or higher in all of his previous six starts. He is clearly a different, much-improved racehorse, and he gets the call to repeat here.

**#7 DEVASTATE** raced well to dead heat for the win with Supersonic Hanover two starts back, then he drew slightly worse and faced tougher last time. He got outsprinted early, and he never really got untracked in that mile. This is a better spot for him and I like that he moves outside on the gate because he should be able to get better position leaving the gate. He will offer a good price here, and he is a possible upsetter.

**#8 MOVE YOUR MASS** is obviously fast enough for these on his best day, showing a 1:54-flat score on his card last June here in a Grassroots race. He comes in off a good qualifying win where he made a middle move to the front then held sway in the lane, gamely rebuffing an inside challenger while under no urging whatsoever from teamster Bob McClure. Off that strong effort, he can be a contender here, although I wonder how aggressive he will get driven drawing a wide post coming off a six-and-a-half-month break.

**#4 CHIC CHOC ROSE** won three of four with the leading driver in the bike before finishing fourth in her most recent mile, now she gets James Macdonald back in the bike tonight. She is a contender in here, but I like others better, and I'm inclined to bet against her as a likely underlay tonight.

## Race 6 Selections

## The Horseplayer's Journal by Garnet Barnsdale

**#4 ACROBATIC** is a Bax Stable homebred by top Ontario trotting sire Green Manalishi, the first foal out of a half-sister to \$870,000 Spaaaazano. She raced only three times at two last summer, and she didn't show a lot, but all of those starts came against Ontario Sires Stakes Grassroots company. Her qualifier here on January 12th provided reason for optimism. In that winning mile, she sat third from the start to the far turn where she edged off the pylons to chase the loose leader. She methodically chased down that rival under a confident drive from her trainer. She got catch driver Todd Ratchford in the bike last week, and she won the race for place behind a winner that finished the race in London waiting for the rest of the field. She made up a lot of ground quickly late to get up for second and she gets top billing here to kick off tonight's late Pick 5.

**#2 KINNDAR ICECUBE** brings an 0 for 7 record to the track tonight, but he has finished second four times, and he came closest to winning in his most recent start where he was given an aggressive steer by trainer/driver Tyler Moore and almost saw it through on the lead. He was game to the wire, but the pocket sitter just got too good of a trip and wasn't going to be denied. He should be the main threat to Acrobatic in this spot.

**#8 DULCES SUENOS DEO**, as has become customary with him, passed some rivals in the back half last week to get up for a slice, and that marked the 11th time in 26 starts where he finished second or third, and he will likely close late to take another share in this spot.

**#7 BANKS A MILLION** comes into tonight's race showing a stale date after being scratched sick on January 12th, but he fits well in this field. If he is sharp enough after missing three weeks of action, he can be part of the exotics and he merits a look for use underneath.

**Race 7 Selections****The Horseplayer's Journal by Garnet Barnsdale**

**#10 BELMONT BLAZER** is one that I am going to take a price stab on here being that he is sent out by a white-hot barn. From January 19th to January 23rd, Jodie Cullen sent out 16 horses at Mohawk Park, The Raceway at Western Fair, and Flamboro Downs. She scored five wins and all 16 of those starters finished in the top four. This Big Jim gelding raced okay in his last two starts that were both won by the same horse that was a big favorite in each of those miles. Dodging that rival gives him a chance tonight, and he gets top billing in the opening leg of tonight's late Pick 4.

**#7 HASSELHOFF** had no chance racing from post 10 in the Valedictory Final, but he did take a top three finish in Leg 2. In the opening leg, he displayed blazing early speed, cutting a 26 1/5 opening quarter and a 55 2/5 half before backing up to fifth. He dropped into a \$20,000 conditioned claimer on January 12th, and he improved as expected, but one rival was simply better. He stacks up well in this field, and he is merits a close look for use on late multi-race tickets.

**#4 ACEFORTYFOURAPOLLO** woke up when he got a driver change to Phil Hudon four starts back, leading all the way from the rail post, and he has raced well in all three subsequent miles, all of them contested at tonight's \$20,000 conditioned claiming level. He was up against it last week trying to chase down a strong leader in the midst of a blizzard and he got up for a share. He is another possibility for the late Pick 4.

**#2 PARTY IT UP** compiled a nice record last season, taking eight wins and six other Exacta shares and he picked up where he left off landing on the board in his first two starts of the season racing here. He will likely pass some of these in the back half, and he can win with the right trip.

**SPOT PLAY: BELMONT BLAZER**

### Race 8 Selections

### The Horseplayer's Journal by Garnet Barnsdale

**#8 DAHLQUIST HANOVER** gets needed class relief tonight, and after a race against tougher where he dropped to the back at the start and made no gains, he should get the chance to do what he does best tonight. His success usually comes when he imposes his will racing on the lead, and last time he raced at this non-winners of \$6,000 last four level, he dominated from start to finish after starting from tonight's post position. Expecting him to get an aggressive steer from Daryl Thiessen tonight, I'll give him the nod.

**#7 TACTICAL STRIKE** took a trip to New Jersey for a three-race stint, and it was fruitless as she didn't take a cheque in any of those three miles, breaking in her last two starts there. She was a good second here five starts back and she raced well un defeat here last week, closing widest to get up for second in a strong effort. She brings some inherent risk because of her typical deep closing tactics and her gait issues, but her best effort puts her right there with these.

**#4 BELLA CAVALLA** raced first-over last week and that isn't her best trip, so it wasn't a huge surprise when she backed up to fourth in the stretch. She gets a good draw here and she has a decent chance of getting a following trip this time. She is probably a good one to use underneath.

**#5 SPARKS FLY** got both class and post relief last week, and he raced more aggressively as expected. He was the early leader then he rode a pocket trip to the lane. He waited for room then he slid up the pylons, and he took the lead briefly before getting nailed on the line by the 7 to 5 favorite who closed down the middle of the track. He will likely show speed again tonight, and he can take a share.

## Race 9 Selections

## The Horseplayer's Journal by Garnet Barnsdale

**#3 VERACRUZ** raced off the Justin Turcotte claim two starts back after getting a bit jammed up in deep stretch and lacking room three starts back, and on January 12th, he took all the money at the windows, closing as the even money favorite. He was driven with intent from the start, making front early in a bid to control the race from the start. He came under assault from the second choice trotting around the final turn, and that rival put half a length in front as they approached the three quarter pole. He retook the lead in early stretch, then drifted out a couple of paths while accelerating as he held off the lone closer that momentarily looked a threat. He fired back six nights later and led for every step except the last one, nailed by the perfectly tripped pocket sitter. He is clearly at the top of his game right now and he gets the nod here.

**#9 PEMBERTON** is clearly the classiest horse in this field, and he is hard to ignore dropping out of the Open Trot. The conundrum here is measuring potential risk versus reward. For consideration is his typical lack of gate speed and his wide draw, and the reality that there is a good chance that he will go favored. He might be able to overcome and early deficit, but he could also get too far back or be compromised by traffic issues. I'd be careful to not take too short of a price here.

**#1 GHOSTLY CASPER** has been racing well recently taking several small shares, and he can get a good following trip here and once again land somewhere on the board, I could see him completing the Tri or Super.

**#2 KEVIN ANTHONY** was hot here in November and December, taking three straight wins including a Pop Up series final victory. After getting in the flow and failing to close in his past two starts, I could see him staying glued to the pylons tonight and sneaking into the exotics at a big price.

#### Race 10 Selections

#### The Horseplayer's Journal by Garnet Barnsdale

**#5 DAFFY HANOVER** was a predictable winner on January 12th on the drop and pop, and she led all the way, crushing her rivals that night. She moved back up to tonight's non-winners of three level last week, and neither she, nor anyone else could keep up to blowout winner Supersonic Hanover. There are none in here that look as strong as that rival, and it's notable that this race is restricted to females where last week's race was not. This Doug Brown trainee should improve sharply in this spot and she gets the nod.

**#7 CRYPTO HANOVER** was raced hard here on January 12th, and the trip took its toll late. She still stuck around for a share, and she is capable of contending for the win here if she can work out a better trip than she got that night. She is the other one that I would consider using on late multi-race tickets.

**#8 MAGGIES TOUCH** found a soft spot last week, and she was bet down to 3 to 5 favorite. She made no mistake, and after she made a middle move to the front, she left no doubt as she went on to absolutely crush her rivals. This is a much tougher spot, but she is sharp and improving, and she is worth a look for the bottom of Tri and Super wagers.

**#3 PIER HO EMERALD**'s shuffled trip last week looks worse on the program that it was on the track. He was laying close in fifth when he pulled on cover on the last turn, then, when that cover broke stride, he got a clear run at the leader. He had the entire stretch drive to get by, but he hung late. He will likely look to sit a trip again, and he should be in the exotics mix.

**#2 VALIDUS** was good in defeat here two starts back, then he tried racing first-over against Daffy Hanover and that wasn't going to work. He will likely look to get a covered trip tonight, and he could beat this prediction if he finds a live helmet to follow.

## CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

CLAIMING RACES	ALLOWANCES	
	2 year olds	3 year olds
4 year olds	100%	50%
	25%	50%
	50%	25%

## ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nv \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

## C.P.M.A. Regulation Changes

Effective January 1<sup>st</sup> 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

### Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1<sup>st</sup> leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

## EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses.

Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

**L** Denotes horses treated with Lasix.

**(L)** Denotes horses treated with Lasix today who were not so treated for their last start.

**(L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: [cpmawebacpm@agr.gc.ca](mailto:cpmawebacpm@agr.gc.ca)

## RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

### GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: [cpmawebacpm@agr.gc.ca](mailto:cpmawebacpm@agr.gc.ca). A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>. All tickets should be held until the result of the race is declared official and prices are posted. No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

### ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

### DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

### EXACTA (Also known as Exactor/TRIFECTA (Also known as Tractor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

### SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

### JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1<sup>st</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup>. That Jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

### PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

### PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

### PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

### PICK 3 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

### PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

### REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, change boards and our website. The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

### COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

### FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

### LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

### ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

**WOODBINE/MOHAWK LIVE:** Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.1%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.1%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
