Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

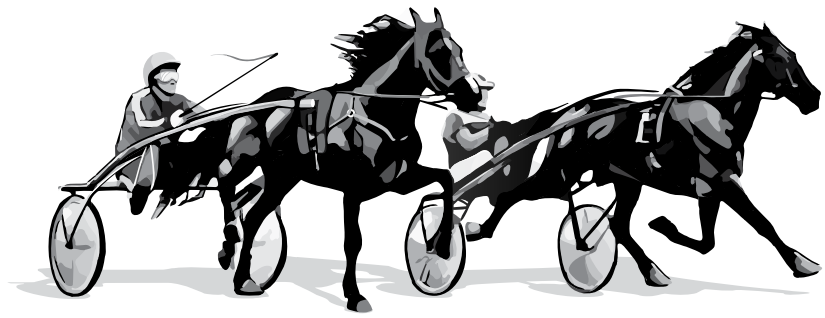

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)
- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Campbellville. The Woodbine Mohawk Park Racetrack is located within the traditional Lands of the Mississaugas of the Credit of the Anishinaabek Peoples and the Haudenosaunee on whose traditional territory we are meeting. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Mohawk, our namesake, is one of the Haudenosaunee Nations. Kanyen'keha:ka (Mohawk) meaning "the People of the Flint".

Woodbine Mohawk Park is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 MAXIMUM EXPOSURE raced much better two starts back when he made front passing the half and held the lead to the stretch as a 51 to 1 longshot, and he held on reasonably well to get fourth considering how long he was parked in search of the lead. Despite coming off that improved effort, he was sent off at 48 to 1 last week, no doubt mostly due to him drawing post 10. He sat last to the far turn where he moved fourth-over briefly before moving widest. He dialed up a nice closing effort to get third, now he draws much better tonight. I'll give him top billing to start out tonight's \$75,000 guaranteed early Pick 5.

#4 MISTER MAGIC is an incredibly consistent 11-year-old that turned some heads four starts back when he sizzled his way to a 1:51-flat lifetime best mark racing off the claim. He stepped up to face tougher in his next start and he was nowhere close as good that night as he was in his previous start, Dropping back down to the \$30,000 optional claiming level two starts back gave him a chance to rebound, and he did race much better. He didn't get the best trip that night, though. After starting out at the back of the field, he was parked the entire mile. He did manage to find cover for the opening half, but he lost that cover heading into the last turn, and he was forced to work first-over from there. He got passed by two closers in the lane, but he was well clear in third at the wire. He got a better trip last week and he looked like a winner until a well meant rival circled up from last and passed them all in deep stretch. He is the obvious threat to the top choice here.

#7 GALEN ERSO dropped to this class level last time, but I would argue that he faced tougher that night than he meets tonight. That night, he chased sharp and classy repeat winner What About Elmo who would no doubt be favored in this field. Team McNair has been running hot lately, and I could see this one getting a better result in this spot.

#5 TACTICAL STRIKE left for position from post nine last week then she stayed inside and ended up getting shuffled out of the race. She finished with interest along the pylons in the stretch, now she draws a better post. I could see her closing late to land in the bottom of the Tri or Super.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 LOGAN PARK showed a pattern of alternating wins and ninth-place finishes leading up to his last start, and racing in an eight horse field two weeks ago, something had to give. This classy double millionaire was allowed to crawl through a 1:26 3/5 three quarters and his rivals would have needed to grow wings to catch him once he got that major breather. He faces only five rivals tonight, but one of them is a returnee that won the Canadian Trotting Classic and the Kentucky Futurity last season. Still, this gelding holds a sharpness advantage, and he is the one to beat.

#5 EMOTICON LEGACY is a trotter of the highest quality that earned more than \$1.3 million as a sophomore last season. His biggest wins included several Grand Circuit events. On home soil, he was victorious in the Goodtimes, The Simcoe and the Canadian Trotting Classic and south of the border, he won the Kentucky Futurity and the Zweig. He looks ready to roll based on his most recent qualifier, but it's no easy task facing Logan Park in his first start as a four-year-old. This should be an interesting matchup.

#2 FASHION FRENZIE showed up ready coming off a two-and-a-half month break here on June 14th as he went right down the road for his first win of the season in his third start. Two weeks later, he faced Logan Park and he raced first-over against that tough rival, and that's a trip that rarely works for any trotter on this circuit. He dropped last week and he raced first-over again then tired. I think he will probably look for an inside following trip this time, and I can see him landing in the Tri.

#1 GAINES HANOVER dropped and popped here seven starts back, and since then, he has raced well in five of six starts facing tougher than he beat that night, including a second place finishes to Logan Park. He closed well last week to get second behind classy Osceola. He is another one that will likely look for a trip tonight, and he should be part of the Super, at a minimum.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 BISCUITINTHEBASKET is a debuting Cattlewash filly that is related to 10 winners the most famous of those being her overachieving millionaire half-brother Century Farroh who rose from the Grassroots level after his rookie season to become a Grand Circuit winner at ages three and four. This filly improved in her second qualifier when she took control of the race in the second quarter and drove off to win. She will need to be faster tonight in this first pari-mutuel start, but she might be up to it. I'll take a price stab with her in the opening leg of tonight's early Pick 4.

#2 MAURITIUS is a homebred out of a dam that local bettors will recognize and the first foal that she produced is a full brother to this filly. That gelding Axial has won eight of his first 20 starts and he has racked up more than \$115,000 in earnings. He was also a two-length winner in his debut here last October where he led from start to finish. This filly took a shuffle in her qualifier on June 25th and had to wait before commencing her late rally and she paced well to the wire. She was good in her debut here too, flying home in 26 1/5 only to get picked off late by a rival that rode her cover and paced home in 26-flat. She tested the Grand Circuit waters in her second start, and although she flattened out a bit in the stretch, she still paced a 1:53 and change mile and her two final times are the fastest on the program page. She is the one to beat in here.

#6 REMARKABLE WOMAN is another debutante in here that is worth a look in here. She is by super sire Sweet Lou, and he is a half sister to two that have both taken marks of 1:52 1/5. She qualified once and, in that mile, she took over command in the second quarter then turned it on in the third quarter, opening up a big lead. She coasted to the wire in the stretch, and one sharp rival whittled away at her lead. She prevailed by only a half length, but there was only one rival close to her at the wire. It was nine lengths back to the third place finisher. She draws best and the leading driver chose her over the top pick. She should contend here at first asking.

#3 DUNDEES VICTORY will get a close look from some handicappers and bettors because she dialed up a 53 1/5 back half to finish third at odds of 102 to 1 last Monday. She keeps Doug McNair in the bike and she draws better tonight, so she will likely lay closer to the front early in this mile. She should be good for another share.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 STABLE GENIUS is a classy 16-time winner and earner of more than \$258,000 that has obviously seen better days as he is tagged for \$20,000 here tonight for the second start in a row. He has made only five starts in the past two seasons, two in 2025 and two in 2026. He has a lot more qualifiers this year as he does races for a purse. Still, I thought he raced okay on July 6th chasing classy Private Access who was blitzing the field to the tune of a 1:51 1/5 scorchers of a mile. This Muscle Mass gelding trotted in 1:53-flat which was his fastest mile since August of 2024 when he finished sixth in the Vincennes at the Meadowlands. Come back a week later and now he was chasing a 1:51 4/5 class dropping winner around the track. There aren't any in here that look like they are about to uncork a sub-1:52 mile, and I think Doug McNair will look to send this veteran gelding right down the road tonight.

#1 PATRIARCH HANOVER dropped into the same race as Stable Genius and he drew wide, and his fate was sealed early in that 1:51 4/5 mile when he dropped to the back and was 12 lengths behind at the half. He is in a similar situation as Stable Genius in that he is in easier tonight, and he should get a more aggressive steer in this spot now that he got a clean line down. This 34-time winner needs \$26K more in earnings to reach equine millionaire status, and he should get some of that money here.

#10 GUCCI GUCCI GOO comes in off a win at the \$20,000 conditioned claiming level at Grand River Raceway and that was the second win of his career. He has one other victory this season and it came here at Mohawk Park, and it came in April racing at the lowest condition level. On that night, he passed eight rivals in the back half to get the win. I don't see him as a win threat here, but he could pass enough horses to land in the Tri or Super.

#5 FRENCHY HANOVER raced okay in two straight starts at the bottom conditioned level to land in the Tri, now he steps up one level, although I'm not sure that this field is that much tougher than the last two that he raced in. He can get another slice tonight.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 PRIVATE ACCESS crushed a field of non-winners of \$6,000 last four conditioned trotters here three starts back, then he moved up a couple of classes six nights later and he didn't get an ideal trip after starting from a wide post. He jumped up several more class levels seven days later and he raced well in defeat. After dropping to the back early, he moved onto fourth-over cover, and he ended up in a bit of a blind switch in deep stretch while closing on the leaders. He finished with good energy to get up for fourth. He drops several class levels now and he is sure to be put into this race much earlier than he has been in his past two starts. I imagine that he will be a popular single in this anchor leg of the early Pick 5.

#5 UNGAWA dropped to tonight's class level last time, and he raced okay in defeat. He latched onto the cover of 3 to 2 favorite What About Elmo, but he lost that cover at the head of the lane when that rival took off and sped away from the field. This gelding spun his wheels a bit late, and he came out on the wrong end of a four horse battle for place. He gets a driver change to Mark Macdonald tonight, and he will probably get aggressive early starting from one of the best posts. He can be an Exacta factor.

#7 DISTANCE LEARNING, like Ungawa, took his last win when he raced at tonight's class level and he raced decently when he dropped to this level last week. Undeterred by being sent off as a 71 to 1 longshot, this gelding was sent to the front early. After taking a mid race shuffle, he finished okay, and he was only a neck behind Ungawa at the wire. He could be a good one to use underneath at a price here.

#8 ROXIE HART made an eye catching stretch move last time to get up right on the line to win a Pop Up series final. She got a perfect setup that night though as there was a protracted battle for the lead and the horses in front of her were sitting ducks in the lane. Still, she produced a 27-flat kicker to get the job done in a nice effort. I don't see her getting that same setup tonight, but she could be good for a share in this spot.

Race 6 Selections

#4 SID THE KID plays the drop and pop game perhaps as good as any racehorse on this circuit. Consider: he has recorded six wins this season so far, and four of those wins came when he dropped in class. Two starts back, he dropped from the Open level to a class similar to tonight's, and he was an easy front end winner at a generous price of 7 to 2. He stepped back up six days later, and he made a rare break in stride, now he drops back down. He faces others in here that also make class drops tonight, but that should help his price. He draws a good post, and I'll side with him to start up tonight's late Pick 5.

#2 STORMONT BEAUTIFUL roared home to take her first win of the season racing in this class last time and she seems to fit okay here. It's interesting that her half sister, Stormont Magenta, made her first two starts here this month and she was an impressive winner in both miles. This mare once again closed with a rush last time, but she was too far back in a fast mile. There should be some action in this race that can set up her late kick, and her sub-27 closing speed should play well in this spot.

#3 PENNTROLLER HANOVER got pilot Louis-Phillipe Roy back in the bike two starts back, and that is a significant switch when you consider that Roy has clicked at a 35% win rate driving for trainer Maguire in the past calendar year from 48 starters for a flat bet profit of 18%. This gelding produced too good efforts to finish second while deploying different racing styles in each mile. He looks like a solid contender tonight, and he is another possibility for the late Pick 5.

#8 R PEAKY BLINDERS is another class dropper in here that merits a look. Three starts back, when he last raced at this level, he was narrowly defeated by Stormont Beautiful who rode his cover and edged past him in the lane. He typically drops back early and looks to pass rivals in the back half, so I'm not really concerned with his wide draw tonight. He should be able to get a piece of this.

#4 ISLAND GIRL is a homebred full sister to Bulldog Hanover's second highest money earner to date, Daya who was a Grand Circuit winner at two last year and has earned more than \$589,000 from 18 starts. This Jack Darling trainee kicked off her career in an OSS Grassroots race, and she sat back until the final quarter where she then proceeded to kick home in 26 3/5. She raced okay in her second start when she was third against maidens, then she was better last week when she chased a 1 to 9 favorite home and finished a clear second in a Grassroots race. There are none in here that are as fast as that filly that beat her last week, and this Jack Darling pupil gets top billing here to break her maiden in the opening leg of tonight's late Pick 4.

#6 SELIA SHADOW is a homebred Cattlewash filly that is her second foal from her dam, the first being PNG Shadow, who was an early winner at two last year, taking an OSS Grassroots leg in her second start in 1:52 3/5. This filly was good on debut, but she was bottled up to the eighth pole and when she found clear sailing, it was too late to chase down the top two that were pacing home in 27-flat. She drew best for her second start, and she made two moves in a Grassroots race before tiring a bit in the stretch. She looks like one of the best ones in here and she would be no surprise in this spot.

#7 BABY JANE didn't show much on debut then she got Doug McNair in the bike for her second and third starts and she went close in the first two OSS Grassroots legs. In her most recent start, she was the first leader then she got shuffled back to third. She edged off the pylons on the last turn and she found some cover, then she closed willingly in the drive to the wire. She is another filly in with a shot in a race that lacks a standout.

#3 MANDY MILKOVICH comes off a failed first-over effort in her last start, but she finished only a neck behind Baby Jane at the wire. She can go close here if she can find some cover this time and she is probably a good one to use on the bottom of the exotics.

#3 TROUBLE WITH NAMES has faced tougher than he faces tonight in many of his recent starts including two Gold races in his past four miles. He got bet down to favorite starting from an inside post at Clinton in his last start and he probably went too fast to the half and that made him soft late. He gets to add Lasix tonight in a spot where he can probably make front again, and he gets top billing here.

#5 ANIBAL DUHARAS had two miles two and three starts back where he paced sub-1:54 miles and trotted home in 26 4/5 and 27-flat. That makes him an instant contender in this field, but he will need to behave coming off a mile where he broke stride. He has enough gate speed to get away in the top three at the start, and I think he gets an aggressive steer from regular driver Louis-Phillipe Roy tonight. He will probably be the one that Trouble With Names needs to beat here.

#7 SENDI KA comes into tonight's mile off three straight good efforts in Grassroots company, and he has been on the front end in his past two starts. Speed is always dangerous and he starts from a post where he can probably clear to the front tonight. He should be able to get positioned on or near the lead in this spot, and he can stick around to take a slice.

#6 THE CONQUEROR broke his maiden three starts back, then he produced two decent closing efforts in Grassroots company. He shows four miles in his last five starts where he trotted home in 28 1/5 or faster and he is a bit sneaky in here starting from the best post. If there was going to be one horse in here that I might use to upset the top two picks it would be this Julie Walker trained colt who picked up the leading driver when Louis-Phillipe Roy sided with the #5 horse.

#6 UP JOEYS CREDIT ships in from the B tracks for trainer Jacob Roberts and he picks up teamster Trevor Henry tonight, and he comes off two miles where he had an excuse which was simply drawing wide posts in both of those miles. He closed in both of those miles, now he draws the best post on a racetrack where he has taken five of his 16 wins including his 1:50 3/5 lifetime best effort in September of 2024. I think he can get a good trip racing close to the front tonight, and I'll give him the call to upset.

#8 BOLD SPIRIT has one of the best races on the page, a mile four starts back where he was only three quarters of a length behind Dalton Shard N in the Preferred class at Grand River. Since then, he paced three straight miles against tougher than he meets tonight and he paced in 1:51 3/5 or faster in all three of those miles. He will likely look to clear to the front and lead all the way tonight, and he has a big shot to do just that.

#7 DUCK DYNASTY is 0 for 8 this season, but he has taken three shares including a second place finish two starts back where he raced tough first-over at Grand River Raceway. He had Brady Galliers in the bike that night, and he gets reunited with that driver here tonight. He could be a good one to use underneath tonight.

#5 SHOTGUN JERRY is another horse that has yet to win a race this season, but he has taken five slices from 11 starts, including four in his last six. He does his best work when he gets positioned close to the front early in the mile, and he should be able to land in the top three here leaving from one of the best posts. He is another one that merits a look for use underneath.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 P L ROBERT G served notice two starts back that he was approaching his best form when he produced a 26 4/5 kicker in a Pop Up series mile where he closed to take the smallest cheque. He parlayed that improved effort with an even better one a week later when he followed the cover of All Gas No Brakes who he once again faces tonight. He rode that second-over trip to his first win of the season, and he has a good chance to double up her in the finale.

#6 NASEY is capable of better than he showed in his last start, and moving from post nine to the six hole gives him a chance to show what he can do. He should get better positioning early by default leaving from the best post tonight, and he is in with a chance here.

#2 LUVUTOTHEMOONANBAK was good here two starts back when he made front at the start and led all the way to take a new lifetime mark. He wasn't as good in the final of that Pop Up series, but he could get a good trip racing close to the front here, and that makes him a threat. He is the other one in here that I would consider using in the late Pick 4 and Pick 5.

#4 SPARKS FLY lands in a spot where it appears that the early lead will be his for the taking and he could go a long way on the engine tonight. He has only been able to reach the winner's circle once in 26 starts after taking seven victories from 42 starts last season. He is probably best used underneath in this spot.

#5 SHESAMANALISHI has crossed the wire in the top four in five of her last six miles including her most recent start where she finished third but was set back to last for a pylon violation. She had a slim lead in the lane in that mile, but she couldn't finish it off. She is another one with one win that I prefer to use underneath.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2026 earnings
3 year olds	50%	25% on 2026 earnings 50% on 2025 earnings
4 year olds	25%	25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exakta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 1% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
