Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

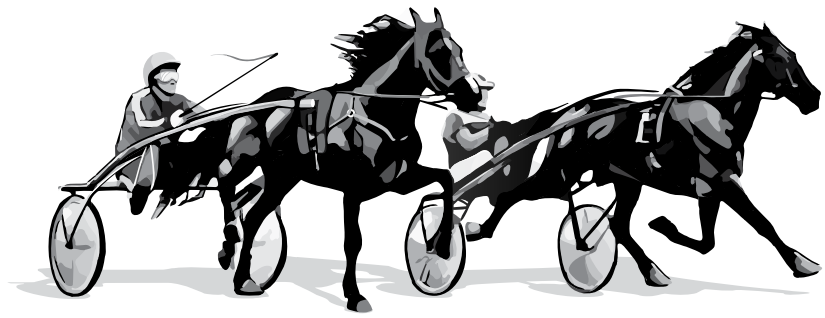

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 1 Horse's number in the race
- 2 Horse's post position colour
- 3 Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- 7 Trainer information
- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 RONDA MAY K shows a pattern in her last four starts where she alternates between winning in the non-winners of two class then racing in the OSS Golds and making breaks. She gets back into the non-winners of two class tonight, and she draws a decent post. Her best results come when she leaves hard enough to get positioned close to the front then works out a good trip before pouncing late. That's how she took her two wins this season. With several of Mohawk's leading drivers at Grand River for the early part of this card competing in the Battle of the Belles eliminations, this filly picks up capable replacement Jason Ryan, and she should offer a square price in this spot. She gets top call to start up tonight's \$75,000 guaranteed Pick 5.

#2 SOCIAL WIZARD brings a 1 for 17 record to the racetrack tonight, but she is another filly that drops from the OSS Gold ranks to a non-winners of two race and she produced the fastest mile of her life at this level two starts back. In that penultimate start, she was pointed to the front early and she did all the heavy lifting, but she just couldn't fend off Ronda May K who was perfectly tripped out for every step of that mile. Assuming that both of these sophomore filly stays flat tonight, I could see these two battling it out for the win again tonight.

#7 TIMELESS finished first or second in four of her last six starts, and the common denominator in all of those miles was that she was sent hard leaving the gate and was racing first or second at the quarter. Starting from the seven hole tonight, she figures to blast off the gate, and she should get positioned close to the front where she likes to be, and that gives her a chance.

#1 H P IMAGINE entered last week's OSS Grassroots with a perfect in-the-money record this season having taken 2 wins and five slices from seven starts leading up to that mile. She ruined that streak when she jumped it off on the last turn and ruined what to that point had set up as a perfect pocket trip. I don't love the rail post for her tonight, but assuming that she doesn't run again, she should be able to get a piece of this.

#8 EARLYBIRD SPECIAL has compiled an outstanding record over the past two seasons taking 12 wins, 18 seconds and 14 thirds from 53 starts. That's 44 top three finishes in 53 starts for those keeping score. She has raced 192 times in her seven year career but has made only one start at Mohawk Park, and that came in her debut here in 2020. She started in a Grassroots race that night and was unplaced. She makes her second appearance at this oval coming in sharp and she can use her good early speed to overcome the widest draw in this eight horse field. No one has been hotter than pilot Jody Jamieson over the past couple of weeks, and he keeps the drive on this mare after steering her to a win as the 2 to 5 favorite at Grand River Raceway last Wednesday. I'll give her the nod here.

#4 MUKTUK ANNIE is another very productive mare who makes her second appearance at Mohawk Park coming in sharp having taken 10 wins and eight slices from 29 starts while earning more than \$45,000 this season. The Cam McQueen trained and owned four-year-old has shown some versatility racing well on the lead, from first-over or racing off a helmet. She gets a good post to work from tonight, and she should be heard from. This mare obviously knows where the winner's circle is, and it's hard to leave her off early Pick 5 tickets.

#3 MEILLEUR FROMAGE took her first win of the season three starts back at Grand River and after getting claimed out of that winning mile, she tried her luck here at Mohawk Park on July 2nd. She raced decently in defeat that night, going first up to challenge razor sharp leader Jazzville, who neither she, nor anyone else could get past. She added Lasix last week and tried the front end and that didn't work out great. I think she will look for a helmet to follow this time, and she can get a better result if she gets an easier trip.

#2 FIRE SHINE has been racing okay recently but she is 0 for 13 this season after taking 10 wins from 47 starts last year. She comes off a decent closing effort here last week, but she still finished a well beaten third. I see her coming on late to land in the Tri or Super.

#5 TOTAL ACCOUNT is a \$30,000 Lexington Sale buy that is related to seven winners, the most prominent of those being 1:49 3/5 (M.) pacer Act Now, who earned more than \$534,000 and 11 times is 38 starts. This rookie son of Stay Hungry had a promising debut where he paced his final quarter in 26 1/5 and finished a close fifth. Off that decent closing effort, his connections tried a Grand Circuit race, but the Tompkins Geers was paced almost five seconds faster than this colt's debut against maidens. He couldn't gain any ground on those speedsters, but he did pace home in 27-flat. He is back in with maidens tonight, and he draws one of the best posts. Expecting that he will get a more aggressive steer in this spot, I'll give him the nod to start off tonight's early Pick 4.

#6 CATTLETRACKS is a \$35,000 Harrisburg purchase by super Ontario sire Cattlewash out of a dam that has produced 100 per cent winners from five foals including 1:49 4/5 (F.) pacer Ucanttouchthis who won 20 races and earned more than \$386,000. This Ian Moore trained colt qualified well twice leading up to his debut which was a decent effort racing on the engine, but he couldn't see it through to the end. He dropped more than two seconds that night, and he was even faster in his second start, but in both cases, he was passed by two rivals in the stretch. He drops from the OSS Grassroots into a straight maiden race here, and he will probably be able to steal a breather racing on the engine. He will most likely be the one to catch when they turn for home again.

#4 TWIN B LOUBORGHINI brought \$150,000 at the Harrisburg Sale being by Sweet Lou out of a half sister to \$2/49 million earner Allywag Hanover. He does have one half sister that so far has taken only two third place finishes from 13 starts. This colt dropped more than three seconds in his second qualifier, and he looks like a decent fit in this maiden field. He can take a slice at first asking.

#1 SLICK DRAW put together two good qualifiers leading up to this debut including his most recent one where he sat a perfect trip and edged past Twin B Louborghini in the stretch. This son of Betterthancheddar is another one that should be able to work his way into the exotics in this debut.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 BROADWAY STAR is a Walner gelding that brought \$135,000 at the 2024 Lexington Sale who qualified three times last year as a two-year-old but never made it to the races. He had some gait issues then which seems to have been solved using trotting hobbles. He has had five starts as a three-year-old and he has got closer in each of those miles. His best effort came last Thursday where he made front early then let one go and sat the pocket to the stretch then closed between horses and just missed in a strong effort. It was a long way back to the third-place finisher. He finds a good spot here returning quickly, and he has a big shot to graduate from the maiden ranks tonight. He is the clear top pick to start up tonight's 20-cent Pick 6 wager.

#3 IN SESSION has been Trifecta bettors' best friend recently as she finished third in five straight starts before finishing second last week. She typically shows speed and races in front or from the pocket, but she hasn't been able to convert, and she comes into this race with a 0 for 14 record. She looks like one of the best ones on paper here, but I wonder if she will be able to pass Broadway Star if that one races on the front as expected. I would be careful to not take a short price here.

#7 HAVEACANFORME has yet to hit the board in seven starts to date, but he comes off his fastest mile of those seven starts here on July 9th. He got a good trip racing close to the front that night and he turned for home racing in the pocket. He got a clear run along the pylons and at one point in deep stretch, he poked his nose in front for a couple of strides. In the end, he was one paced in the closing strides and he faded to fourth. I see him as a fringe player in this spot.

#2 CENTURY MASSIAH is 0 for 24 lifetime, but he has taken five slices from 13 starts this year, and he comes off a couple of decent efforts at Georgian Downs. He gets a driver change to Phil Hudon tonight, and he is worth a look for the bottom of the exotics.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 LOOK A DIAMOND went winless in five starts in her rookie season last year, but she has been a different filly so far this season, taking eight wins in her first 11 starts. Most recently, she was an OSS Grassroots winner at Hanover two starts back in a mile where she flew early, opening up a 10 length lead at the quarter then trotted her rivals off their feet. She was even better last week here at Mohawk Park, making a big third quarter move to seize command then holding off a rival that tried to get past her in deep stretch. She obliterated her previous lifetime best mark by more than three seconds. This sophomore daughter of Looklikeeachpndale stands out in this field and she should prove tough to beat.

#10 INTEL QUEEN was a sharp maiden breaker here six starts back. Once she touched down on the lead that night, she never let any of her rivals get close. Things haven't gone great since that maiden breaking score, but she did race much better last week when she finished third, only a length and a quarter behind Looks Like A Diamond at the wire. She has the gate speed to get spotted close to the front leaving from the widest post and she could provide some Exacta value tonight.

#1 MYRETIREMENTALARM brings some good form to Mohawk Park having finished in the money in four straight starts that include her maiden breaking score in a Prospect Series race at Clinton in late June. She should be able to get spotted in the top five early here, work out a trip, and land in the bottom of the Tri or Super.

#2 MY CLASSY QUEEN brings a 0 for 20 record to the track tonight, but she has produced a strong late kick on occasion. She gets a driver change to J R Plante tonight and she returns to the bigger track where her late speed should play better. She is another one that is worth a look for the bottom of the exotics.

#3 CALMBEFORSTORM is a homebred Cattlewash colt out of a dam that took a mark of 1:50 3/5 in an upper level conditioned race here in July of 2021. He was unspectacular in his two qualifiers leading up to his debut, but owner/trainer/breeder Gaetan Hebert must have felt he got what he needed out of those two miles as he entered him in an OSS Gold event. He raced well to get up for third in that first Gold leg, then he came right back in Leg 2, and he was decent again finishing fourth to the same impressive colt that was victorious in Leg 1. Now, he gets into a straight maiden race where he should excel. He will likely get an aggressive steer from pilot J R Plante tonight, and he gets top billing in this opening leg of tonight's late Pick 5.

#2 HAMILTON HANOVER is one of many expensive purchases by Determination, this son of Captaintreacherous costing \$250,000 at the Harrisburg Sale. This colt is a full brother to \$602,000 earner Hammering Hank, who won 21 times and took a lifetime best mark of 1:51 1/5. He was in two impossible spots in his first two starts, racing from the back in miles where pace and positioning were against him. In his last start, he paced home in 53 2/5 against impressive debut winner Shalom Hanover in a Grand Circuit race. This is obviously a much easier spot for him, and he should be heard from tonight.

#4 CAPTAIN CAVALIER is a Captaintreacherous colt that cost \$240,000 at the Lexington Sale being a half brother to three that earned more than \$555,000, the most famous of those being 2024 North America Cup winner Nijinsky, who earned more than \$2 million. This colt raced better in his second qualifier, but I don't love that it came more than a month ago. I'll give him a start expecting that he will get a conservative drive tonight and pass some horses in the final quarter.

#8 MARK THE MECHANIC raced okay on debut, passing some horses in the back half then he was bet heavily in his second start which was the tell that he was going to get a much more aggressive steer. He made two moves and he kept trying to the wire and came up only three quarters of a length behind at the wire. He draws wide again, but he should be able to get involved and he can take a small slice here.

The Horseplayer's Journal by Garnet Barnsdale

#6 WHEELS UP is a \$35,000 London Classic Sale graduate that entered his pari-mutuel debut off two nice qualifying miles where he powered home in 27-flat in both miles. He is the second foal from his dam; his half brother Mountain Dancer is a three time winner from 26 starts and he has a mark of 1:58 1/5 (F.). This All Bets Off gelding appeared to be ready to roll based on the 54 4/5 back half he paced in his qualifying win on June 27th, and he drew the best post for that debut mile. He was on the lead on the final turn when he was engaged in battle by the 1 to 2 favorite. When those two threw down and were under maximum acceleration, this colt appeared to take a bad step and he broke. It was what he did after that break that caught the eye. He moved to the safety lane until he got back down pacing then he re-entered the racing surface racing several lengths behind the field. He produced a remarkable burst of speed to pass two rivals, making up about 10 lengths in the final eighth. He led to the three quarters in OSS Gold Leg 2, but he couldn't see it through to the wire. Getting into an easier spot here is probably just what he needs to break his maiden, and he gets top call in this opening leg of tonight's late Pick 4.

#2 L A CAPTAIN cost Determination \$200,000 at the Harrisburg Sale being a son of top pacing sire Captaintreacherous. He raced okay on debut, closing in 26 1/5 while finishing fourth behind a 1 to 5 winning favorite. He tried a Grand Circuit race for start two and he finished a respectable fourth behind a debutant who fired a 1:50 4/5 winning mile on debut. This colt showed better last speed than Wheels Up, and it won't be a big surprise if he passes that rival in the stretch.

#5 MOONLIT DANCER brought \$50,000 at the London Classic Sale and the son of Bulldog Hanover comes into this career debut off two decent qualifiers where he finished third in both. He will likely have his hands full on debut racing against the top two picks, but I could see him closing for a share.

#4 WESTMYWHISTLE raced better in his second start where he closed for second behind a winning even money shot that dominated. This improving Bettors Wish gelding should be able to work out a good trip tonight and land in the bottom of the Tri or Super.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 CAPTAIN NATHAN dropped from non-winners of three to a much easier non-winners of three class on July 11th, and he trotted the best mile of his life, trotting a 26 4/5 kicker to lower his lifetime mark to 1:52 4/5. He was in to go against non-winners of three last week, but he got scratched by the judges. He moves up to non-winners of three tonight, but he is in a field where there are question marks with several of his rivals. He could make the last move in the stretch and get past for a repeat score, and I'll call him to register the upset.

#1 FIRST CLASS MASS has faced a steady diet of tougher company than he meets tonight, including the top two OSS Gold sophomore trotting colts in his last race where he finished a respectable fourth. He gets the leading driver back in the bike tonight and the last two times James Macdonald drove him, this gelding finished first and second, respectively. He will likely go off favored tonight, and he looks like the one to beat.

#6 YANKEE BOOST is a son of Walner that sold for only \$25,000 at the Lexington sale, perhaps because his full brother, the first foal from the dam, is 2 for 36 so far. He raced only once at two, and he broke stride in that Kindergarten Series race. He qualified here on June 1st in a mile where he was well beaten, but he caught the eye in the stretch when he worked his way through traffic and flew late. He was hammered down to 8 to 5 in his sophomore debut, and he was an impressive winner. He fired right back to repeat, skimming the pylons late. He raced tough in defeat from post 10 in his third start then two weeks ago he couldn't get past a longshot to convert as the 1 to 5 favorite although he was several lengths clear in second. He steps up now and I'm not sure that he offers much value as the 2 to 1 morning line favorite, but he should be one of the main contenders.

#3 GREENARROW HANOVER is 0 for 11 so far this season, but he raced well in a couple of recent spots when he raced in this class including two starts back where he finished third after starting from post 10. He is inconsistent, but he is capable of landing in the Tri or Super if he gets put into this race at the start.

#5 ALDREZD FOR COURT raced okay here three starts back when he showed speed and paced the fastest mile of his career by almost four seconds. In his next start, he got Doug McNair in the bike for the first time, and he dropped another second while racing well to get third. He was following the cover of the 1 to 5 favorite on the final turn when that rival started to back up approaching the three quarter pole. This Courtly Choice colt showed some grit in the lane, re-rallying between horses and pacing strongly to the wire. In his most recent start, he was sent hard for the lead early and once he cleared to the front he set some wild fractions, pacing the fastest half and three quarters of the night. That kind of speed was just unsustainable. He draws the middle of the gate tonight, and he might be able to work out a much easier trip. He should offer a good price and I'll stick with him.

#6 VELA LUKA disappointed as the overwhelming favorite on debut on July 6th when he made a move to re-take the lead and he didn't have a lot of zip in what was a bit of a head scratcher. He was much better in his qualifier the previous week when second to a colt that won an elimination of the North America Cup. He came back off that debut mile and was raced more conservatively. He was better, but he had clear sailing along the pylons late and he lost a three horse battle for place. I wouldn't take a short price here tonight.

#7 BEACH KEEPERS got an aggressive steer last time and he inherited the lead briefly when Aldrezd For Court gave up the ghost at the head of the lane. In the end, being so close to the hot fractions was his undoing. Expecting that the fractions in this mile will be much more reasonable, this colt should be one of the main contenders in this spot and one that merits a close look for late multi-race tickets.

#4 OVER BET got a nice second-over trip last time and he had dead aim turning for home, but once the eventual winner got through along the inside, it was a race for place, and this colt beat Vela Luka to the wire, but he got nailed for place. He is consistent but he is also 1 for 16. He seems best used underneath at this point.

The Horseplayer's Journal by Garnet Barnsdale

#5 BARBARA MAY last week came out of a fast OSS Gold race where she finished third behind the two big favorites, and she was bet heavily getting in against non-winners of two. Starting from the same good post that she draws tonight, she was moved to the front in the second quarter, and she left no doubt from there, powering her way to her first win of the season while lowering her lifetime mark. She steps up here, but she faces some horses that are between stakes engagements who could get driven conservatively. Conversely, this sophomore filly will likely look for another front end win, and she gets the call to repeat.

#4 LO AND BEHOLD picked a great time to take her first win of the season, rallying furiously in deep stretch to get up for an OSS Gold win. She couldn't have got a better trip, sitting fourth to the lane then getting a seam from where she could rally between rivals with the winning move. She will likely get over bet off that mile, and she is no lock in here.

#6 CUPID HALL is only 1 for 20 lifetime, but she has amassed more than \$161,000 by taking 12 slices along the way, many of them in stakes races. Three starts back racing here, she made a nice move in the third quarter to move from fifth to second, but the 1 to 2 leading favorite was too good that night, and all she could do was follow that rival home. She tried hard all the way to the wire, and she finished a clear second. She then tried an OSS Gold race, but she blew up at the start. She got a key driver change to Trevor Henry last week and she raced well, but she was no match for Barbara May. She gets the best post here, but another small slice is likely what she will get tonight.

#9 BUBBLE UP is a \$120,000 Lexington buy that made only three starts at two last year, and after finishing a promising third on debut, he experienced some gait issues, breaking stride in two straight starts. He qualified okay here on the morning of June 15th, then he made his sophomore debut 10 days later, and in that mile, he followed along to the stretch and crept up the inside appearing to have some trot. He spent most of the stretch looking for a seam, and after idling in deep stretch, he shifted outside and eventually finished with interest. He was bet down to 3 to 5 off that mile and he trotted a 55-flat back half to reel in the leaders to take his maiden win. When he stepped up to tonight's level two weeks ago, he didn't get the best trip from post nine. He was much better last week but he now moves from the best post to the worst one. I'll use him underneath tonight.

#1 SOUTHERN COWBOY has compiled a nice record this year, winning three times while hitting the board in five other miles in 10 starts. He is sharp and he likely won't get bet much here. He's worth a look for the exotics.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2026 earnings
3 year olds	50%	25% on 2026 earnings 50% on 2025 earnings
4 year olds	25%	25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race.
ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 1% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
