Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

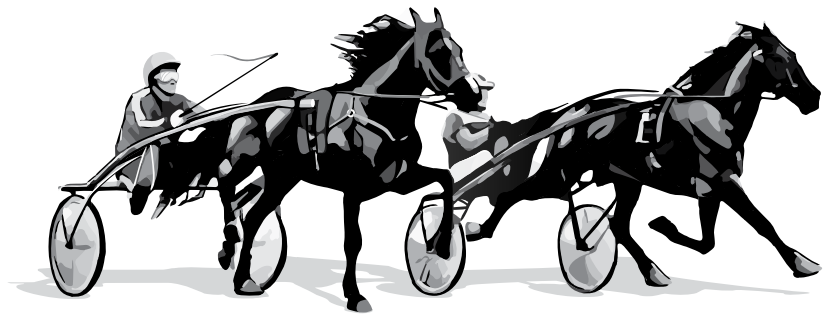

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 JYN ERSO is a homebred full sister to multiple OSS Gold winner Galen Erso who won early at two, taking a Gold leg in only his second start. This filly prepped in New Jersey, and she moved north for owner/trainer Marcus Melander. She kicked off her career in an OSS Gold race on July 5th and she raced well to finish third. She then changed hands on July 11th and moved into Gregg McNair's barn. She came back 18 days later in Leg 2 of the Golds and this filly's sixth place finish looked better on the track then it does on the program. After drawing wide, she dropped back at the start. She raced near the back until the stretch, and she stayed inside where she started to close. She dodged a mid race breaker then she lacked room as she approached the wire, but she did finish with interest. She gets to face a field of maidens now and she has a big shot to break her maiden here. She gets top billing to start up tonight's \$75,000 early Pick 5.

#9 DATAPRIVACY is an impeccably bred Determination homebred being by one of the greatest trotting sires of all time and out of their \$962,000 earning Grand Circuit winning dam. She qualified twice leading up to her debut here on July 20th, and she improved in the second qualifier. This filly made a move from fourth to second in the third quarter, but the leader was long gone at that point. She trotted home well that morning then she raced only evenly in her debut. She moved off the rail for her second start and she was much better. She draws wide here, but she can be an Exacta factor.

#2 SOMA is a \$52,000 London Classic Sale buy that came her pari-mutuel debut off two solid qualifying miles where she showed some closing power in both. In her debut mile, she was unhurried early, then she got backed up a bit around the final turn when the horse that she was following gapped out. She stayed along the pylons, and she finished with interest and plenty of trot, coming home in 27 1/5. She drew the rail for her second start and she got farther back early then she powered home in 27 1/5 again. She was raced more aggressively in start three but she had trouble keeping up around the last turn as the pace accelerated and she jumped off stride. She can be a threat here if she deploys closing tactics and saves her best for the stretch.

#5 FLAWLESS LADY raced okay on debut when she was part of the early pace in a fast mile, then she drew the rail and jumped it off. She can be an exotics factor if she stays flat tonight.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 DAYA hasn't had a lot of luck racing against A Clean Deal in restricted races as she has yet to finish ahead of her when they have gone head-to-head in those events. She did, however, finish ahead of her in both the elimination and final of the Fan Hanover Stakes, although it could be argued that she got a better trip in both of those miles. The two then met up sans Loua Dipa in Gold Leg 2, and once again, A Clean Deal came out on top. Daya did race well pacing first-over, then she got beat on the square again in Leg 3. The good news for this highest earning offspring of Bulldog Hanover is, A Clean Deal was a last minute scratch. That makes this filly the clear one to beat in here at what will likely be a short price.

#3 POWNAL BAY BOBBI raced well to finish third in Leg 2 of the Gold series behind the top two picks in this race, then she was understandably bet down to 4 to 5, and it's hard to fault her for getting beat when she paced a 1:49-flat mile, the fastest of her career. She was too far back in Gold Leg 3 and she will probably lay closer tonight in this short field. I could see her having a shot at the upset if she can work out a pocket trip following Daya around the track to mid stretch from where she can launch her bid.

#1 CACKLE BERRY moved up to the Gold level for her last start and she raced well in defeat to get third. She will sit another inside trip tonight starting from the rail, and she can land in the Tri or Super here.

#5 HORSE WITH A PLAN is improving, and although she steps up from the Grassroots level to Golds here, her barn has been running hot, and I don't mind her drawing the widest post in a five filly race as it gives her some options when the wings of the gate fold open. I could see her beating this prediction if she can work out a good trip.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 GO ROSSCO hinted two starts back that he was turning his form around when he trotted a 56 1/5 back half and finished a close fifth behind Massbar, who came back here on Monday night to win for the second straight time. Then, on July 27th, this son of Green Manalishi was bet down to 3 to 1 and he got an aggressive J R Plante steer to crush non-winners of two and lower his lifetime mark by three full seconds. He comes right back in the same class facing a similar field and he gets the call to repeat in this opening leg of tonight's early Pick 4.

#5 UPTO LAURA HANOVER was only a one time winner last season, but she showed some potential in that lone victory where she made a big first-over move then drove off for a big win. She came into her sophomore debut of a qualifier where she put together a nice closing effort to finish a close second to a mare that has earned more than \$918K and won the Elegant Image here last year. She made a nice late move last week to get second in a race where the perfectly pocketed winner was never getting caught. She gets a better post tonight, and she would be no surprise in this spot.

#3 LO AND BEHOLD picked a great time to take her first win of the season, rallying furiously in deep stretch to get up for an OSS Gold win two starts back. She couldn't have got a better trip, sitting fourth to the lane then getting a seam from where she could rally between rivals with the winning move. She got bet down to 9 to 5 off that mile and breaking at the start of the mile on July 27th. She is the third contender that I would consider for early multi-race tickets, but I wouldn't take a short price here.

#4 FRENCHMONI HANOVER was on a good roll prior to her mile here on July 20th where she broke stride. She was raced conservatively in her next start and she closed some ground late to get a slice. She can pass some of these in the back half and land in the exotics again.

BEST BET: GO ROSSCO

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 COLD CREEK ESPERO drops from a much tougher conditioned race tonight, and it's likely that trip handicappers will be all over the four-year-old daughter of All Bets Off tonight. She was sent off as a 78 to 1 longshot last week, and she rode the pylons and trailed into the stretch. She was roused by pilot Daryl Thiessen, and she began to closed and weave her way through traffic. Inside the sixteenth pole, she ran into a wall of mares, and she could advance no farther than sixth. She would have finished in the top four if she had clear sailing, and she gets top billing here to start up tonight's 20-cent Pick 6.

#4 UNA MOMENTA is a one-time winning sophomore daughter of Control The Moment that I could see taking a big step forward tonight. This filly took a month off and qualified nicely on July 24th, winning well in 1:54 4/5 with trainer Roger Mayotte driving. Then last week, she drew wide and dropped to the back at the start. She tried to advance along the inside on the final turn, but the rival in front of her was not going forward. She paced a 26 1/5 kicker and a 1:23 1/5 last three quarters and that mile should have her sharpened up for a more aggressive try tonight. I think she gets put into this race at the start, and she is in with a shot here.

#3 FAVORITISM was in a mile last week where she was first-over chasing a strong leader that paced a 27 1/5 final quarter. She couldn't advance in that final frame, but she didn't lose any ground either. That was a decent effort, and she should be in the mix again tonight.

#8 ANNIES DIVA was racing well prior to her last start where she tried her luck in an OSS Grassroots race and ran into a filly that was ready to pace a sub-1:51 mile. This filly has the speed to get positioned in the top five leaving from a wide post, and I could see her landing in the Tri or Super.

SPOT PLAY: COLD CREEK ESPERO

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 TREASURE KING came into the elimination for this stake off a big upset win in a \$100,000 Ontario Sires Stakes Gold race. In that winning effort, she produced a big late rally from third over and she was full value for that maiden breaking score. She was conservatively driven in the elimination, staying inside to the lane then making a nice burst between rivals to close ground quickly in deep stretch and get herself into the win photo. She draws well tonight, and she should get a more aggressive drive in this spot. She gets top billing in this year's edition of the Pure Ivory Final.

#6 BEAUTS CABARET is an International Moni rookie filly that is well related being a half sister to millionaire Southwind Coors, whose biggest payday and fastest win (1:52-flat) came right here at Mohawk Park in the \$250,000 Goodtimes in 2023. This filly is also a half sister to \$443K earner El Toro Loco (28 wins, 1:52 3/5 F.). She qualified twice for her pari-mutuel debut, and the second one was much better as she dropped more than three seconds and won on cruise control. She was even better in her debut, racing first-over and always looking like she was going to pass the leader. She showed gameness beating Treasure King last week in a mile where she looked like she was on a line for most of it. Despite drifting out in the stretch, she dug in and fended off the closers. She is in with a big shot to score the threepeat.

#2 EMMA DEO was a good closing second on debut in a race where she was on the inside turning for home and she got bottled up until she was inside the eighth pole. Once she found clear sailing, she absolutely flew home, and if the distance of the race was a mile and eight strides, she would have been a winner. She drew best in her second start, and she controlled the race as expected. She was very good last week again, splitting the top two choices while flying home in 27-flat. She is another contender in what should be a good race.

#5 REBEL MOON produced a good closing effort to win the slower elimination last week and I think that was the easier of the two elims. I prefer to use her underneath tonight, but she isn't without a chance, either.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 MADAME PANIC was a good second here two starts back in a 1:50-flat mile when she was coming off a five week break. She parlayed that good mile into an even better one 20 days later when she set strong fractions and went right down the road to lower her lifetime mark to 1:50 3/5. She is the only four-year-old in this field therefore the only one whose intent is obvious because some of the Grassrooters could get conservative steers in here. She gets the nod to kick off tonight's late Pick 5.

#9 MCBUBBLES is having a good season so far having take four wins and three other shares from 11 starts. Her biggest payday came three starts back in Clinton where she was a front end dominating winner in the \$50,000 Kin Pace. From there, she moved to Dresden for Grassroots Leg 3A where she was bet down to the minimum price of five cents on the dollar starting from the rail. She ruined chalk player's dreams when she blew up at the start, however. She was much better here on July 24th racing in a non-winners of two mile where she sat the pocket behind the 9 to 5 favorite. She couldn't escape the pocket in the stretch, so she was forced to wait for room and when she finally got clearance in deep stretch, two rivals that had momentum on the outside got up to beat her for second. That mile set her up perfectly for a Grassroots win last week where she took a new lifetime mark. She should offer a good price starting from the outside tonight, and she merits a close look here.

#1 MY GIRL FRIDAY was a dominant winner in Grassroots Leg 1 in London six starts back on Camluck Classic night in London. Since then, raced in some tough conditioned races, including her most recent start where she chased the very good sophomore filly Easy Station home in a 1:49 2/5 mile where this filly closed in 25 4/5. She had missed 20 days between starts then, and she fired back in a week and won a Grassroots leg last week, showing some grit fending off Jen Tilly after getting headed by that rival in early stretch. She is more than capable of beating these, but it's very unlikely that she will get the early lead starting from the rail, so I'm not sure what trip she might get. I wouldn't take a short price here.

#4 JEN TILLY added Lasix two starts back after showing big early speed then backing up in an Ontario Sires Stakes Gold race on June 26th. She got bet down to 3 to 1 on July 24th after facing a steady diet of stakes company in her previous five starts but she looked a bit flat, and that might have been down to her missing four weeks between starts. She was much better last week but after getting a good trip and a clear shot at My Girl Friday, she couldn't get past that rival. I'll use her underneath tonight.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 DETONATER HANOVER is a \$80,000 Harrisburg Sale purchase by top Ontario trotting sire Muscle Mass. This colt looked good winning his lone qualifier on June 12th, making a second quarter move to the front and winning easily although he did run before the wire. He was bet a bit on debut, going off at 9 to 2, and he raced well in that OSS Gold event. He looked like he was going to be the winner until Unstable Genius hit his best stride. That was a nice debut, and he raced well again in his second start, and he might have won if a rival didn't break right in front of him on the last turn, forcing him a couple of lanes wider than he wanted to be. That ground loss might have been the difference considering he was only beaten three quarters of a length. He was a very impressive winner of his elimination for this lucrative stake, taking over the lead in the second quarter, then leaving no doubt. He will be very tough to beat in here if he can repeat that mile or improve off it and he will probably be a popular single in the late Pick 4.

#6 THREE SIX ZERO is a \$50,000 Lexington Sale purchase by top Ontario trotting sire Muscle Mass. This colt looked good winning his lone qualifier on June 12th, making a second quarter move to the front and winning easily while under tight lines to Doug McNair. He looked like a pro navigating the tricky rail post, then he got the best post to work from on debut, and he led all the way. His second start was even better as he raced first-over and chased down a game leader. After miscuing in his third start, he rebounded and came within a whisker of scoring a huge upset in an OSS Gold race. Then he was an impressive driving off winner in his elimination for this stakes final. He looks like the main threat to the choice here.

#7 ACCESS NOW brought \$200,000 at Harrisburg being related to three siblings that have earned more than \$287,000, the most famous being \$778,000 earner Private Access who won three legs of the Graduate Series last year. He was patiently driven in his debut where he closed well to get third behind The Italian Job. He faced that same rival in his next start, and despite drawing the rail, he was sent off as the 3 to 5 favorite. He made an early move to the front, then he ended up winning easier than it looks on paper, trotting to his maiden win while under no urging. Last week, he was no match for the top pick in here. I'll use him underneath tonight.

#2 DANZ CARD closed ground to take shares in both of his first two miles, and he will probably be passing horses late again tonight. He is probably a good one to use on the bottom of the Tri and Super.

#2 DATA BREACH is a Determination homebred that will get plenty of attention here because he is a full brother to \$771K earner Drawn Impression, who won her first three starts, the third win being a dominating Grand Circuit win in the \$425,000 Peaceful Way Final. This colt is also a half brother to millionaire Emoticon Legacy, who won last year's Kentucky Futurity. This son of Muscle Hill was better and faster in his second qualifier, and he lands in what should be a good spot for this debut. He gets top billing.

#7 BALIUS changed barns prior to his last pari-mutuel start, moving into the stable of Dave Menary. He broke for the second straight time but he made a nice recovery, making a wide move on the last turn and just missing getting up for second. He requalified well and he will be one of the main contenders if he stays flat tonight. It's concerning that he hasn't been able to stay on stride when he races for a purse despite deploying trotting hoppers. I wouldn't take a short price here.

#9 TUFF GONG was a \$100,000 Harrisburg buy from the first crop of sire King Of The North, the first foal out of a dam that is related to 1:51 2/5 trotter Ambassador Hanover (\$746K, 10 wins) This colt takes one of the biggest class drops possible, going from an OSS Gold race to a start versus maidens. He should improve by default, and I could see him winning here if he gets put into the race at the start.

#1 WOLF OF WALLSTREET raced okay in the one mile of his four starts where he didn't break stride. He requalified okay here last week, but he is another one that is having trouble staying flat despite wearing trotting hoppers. Starting from the rail can be troublesome, too, but he can take a share here if he stays flat.

#7 ARTISTIC DELIGHT came into her mile five starts back with a 0 for 10 record and only one third place finish on her record. She produced a great effort in defeat that night. She sat at the back for most of the mile, and she ended up racing on bad cover around the final turn. She peeled widest and after losing considerable ground on that final turn, she motored down the middle of the track to finish a clear second while pacing the fastest final quarter of her career. She found better cover in her next start, and she peeled wide off third-over cover at the head of the stretch and mowed down her rivals. Next, She stepped up to non-winners of two in her last start, and she produced a furious late rush that was too late in a sub-1:51 mile. She finished a good second to Monte Amore then she produced another good mile last week, closing for third in a Grassroots race. I'll side with this improving mare to turn the tables tonight.

#4 MONTE AMORE raced well two starts back to get second in a fast mile then she got the "first time McNair" effect in her most recent start when she was sent right down the road to take a lifetime mark lowering victory. She is an obvious contender here but she missed a week when Artistic Delight raced and that was where I split hairs deciding between these two sharp fillies.

#3 SHURI raced three times at Mohawk Park in July and all three of those miles were paced in 1:50 3/5 or faster. She had little chance last week trying to close from the back in an OSS Grassroots race where the back half was paced in 54 3/5, but she did rally wide to take a cheque. She is a possibility in here and she is the third one that I would consider using on late multi-race tickets.

#6 BIKINI SEELSTER raced decently in both of her last two starts to get shares, now she draws the best post from where she will likely get put into play leaving the gate. She should be able to work out a decent following trip to land in the bottom of the Tri or Super.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#10 KADIDDLE is one of three class droppers in this race and of those, she is the only one of the trio that stayed flat in her most recent start. She was once a dead stone closer but she did show good gate speed four and five starts back. There is obvious risk with her starting from the widest post tonight, but the price should be good enough to justify the risk, and I'll side with her in the finale.

#6 THE BEAR A CUDA showed good gate speed two starts back when he drew the best post then he got shuffled out of the race. He blew up at the start a week later, negating any chance that he had. He draws best again tonight and he gets class relief here. If he stays flat he could lead these all the way. He is one that I wouldn't leave off late multi-race tickets.

#7 SOUTHWIND DOMINO is the third class dropper in here and he just made his first start since May six nights ago here. It was no surprise to see him drop from the back after starting from the widest post. He raced okay in that mile and he broke stride a couple of strides before reaching the wire. He gets a better post and he attracts the leading driver tonight. He has a good chance to turn his form around here.

#9 SPRITE SEELSTER exits a couple of fast miles where he raced okay, but I'm not sure he offers any value as the morning line choice when he is facing the aforementioned three class droppers. I prefer to use him underneath here under the assumption that at least one of those three rivals will beat him.

#5 CRYSTAL BALLER was expected to improve sharply last time on the class drop and he was used hard early but he simply set too fast of a pace that was unsustainable. He steps up one class level now, and he is likely best used on the bottom tonight.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	ALLOWANCES CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2026 earnings
3 year olds	50%	25% on 2026 earnings 50% on 2025 earnings
4 year olds	25%	25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

- Pick Pools
- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
 - If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
 - A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
 - Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
 - Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L Denotes horses treated with Lasix.
-  Denotes horses treated with Lasix today who were not so treated for their last start.
-  Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exakta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 1% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
