Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

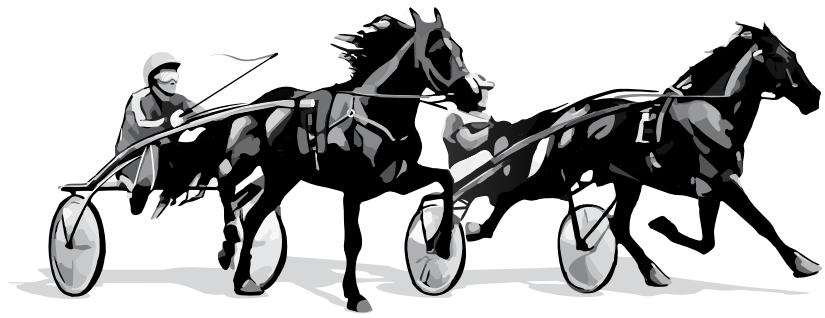

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 1 Horse's number in the race
- 2 Horse's post position colour
- 3 Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- 7 Trainer information
- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 STABLE GENIUS is a classy 18-time winner and earner of more than \$274,000 that raced at the \$20,000 optional claiming level for two straight starts after chasing classy Private Access on July 6th when that rival was blitzing the field to the tune of a 1:51 1/5 scorching of a mile. On July 13th, he chased class dropping winner Myfriendjose around the track. He was in a much better spot on July 26th, and he got bet down to 3 to 5 favorite and he crushed his rivals that night. He stepped back up to the \$30,000 optional claiming level last week, and he doubled up the 6 to 5 favorite. He comes right back in the same class tonight and he draws a better post. He will surely look to go down the road for a third straight time, and he gets top billing in the opening leg of tonight's \$75,000 guaranteed early Pick 5.

#2 MYFRIENDJOSE was a crushing winner here four starts back when he dropped to the non-winners of \$2,500 last four level and on that night, he lowered his lifetime mark to 1:51 4/5 and he left Stable Genius – who finished third – in his wake. Since then, he raced in the non-winners of \$9,000 last four level with minimal success. He loses Doug McNair to Stable Genius tonight, but he gains leading driver James Macdonald. He should improve on the class drop tonight, and his best effort puts him right there at the wire.

#4 FAITH STEP won the photo for fourth in her last start when she finished a nose ahead of Myfriendjose and like that rival, she gets some class relief tonight. She showed what she can do when she brings her best effort five starts back when she closed from the clouds to take a new lifetime mark. She is another one in with a shot in what looks like a decent betting race to kick off the card.

#8 MISTER MAGIC is having a tremendous season as an 11-year-old, having taken six wins and 18 slices from 32 starts while earning close to \$90,000. He raced out of his skin six starts back when he blitzed a \$30,000 optional claiming field by eight lengths in 1:51-flat, and since then, he has only missed the top three once. He is a reliable horse to use in the exotics.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 A SPLASH OF GREEN showed some late pop four starts back on May 11th when she closed from tenth to fifth and trotted home in 28-flat. She wasn't very good in her next two starts, breaking in one of them then finishing last after getting hung the mile. Following a judges scratch on June 1st, she qualified on July 24th and she was much better that morning. Coming off that improved performance, she was bet down to even money last week and she was impressive in victory, closing from a tough spot to chase down a loose leader and get up for her first win of the season. She comes into this Grassroots leg sharp while there are some question marks about the others. She gets top billing here.

#6 BARBARA MAY came out of a fast OSS Gold race two starts back where she finished third behind the two big favorites, and she was bet heavily getting in against non-winners of two. Starting from the middle of the gate, she was moved to the front in the second quarter, and she left no doubt from there, powering her way to her first win of the season while lowering her lifetime mark. She wasn't as good on July 27th when bet down to the 4 to 5 favorite, but that front end effort will keep her sharp for this Grassroots Leg. She could prove tough to catch in here.

#4 RONDA MAY K is enigmatic because she holds the fastest mark in here, a 1:53 2/5 mark that she took four starts back in a non-winners of two race at this track. Since then, she broke in every start since, but because two starts back it was charted as an equipment break, she was not required to re-qualify. She has plenty of talent but there is obvious risk here. Your call; I wouldn't take a short price.

#7 BELLE BOUBOU got Bob McClure in the bike for her last start, and she produced a decent late kick to pass five rivals in the back half to get up for the fourth place cheque while finishing behind A Splash Of Green. She gets into a shorter field tonight and the worst she can be trying to do is pass seven rivals in the back half, not nine like last time. She should be able to work her way into the exotics.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 FLORIDA GUY isn't an obvious pick in here when you consider that he finished ninth and fifth, respectively, in his last two starts in the winners of three but not more than six class in his past two starts. Let's take a look back to his last win that came three starts back, though. In that mile, he was facing some stakes horses racing between stakes engagements, such as the 1 to 5 favorite who he beat by a nose. In many cases, those stakes types get conservative drives and that increases the chances of an upset. On that night, this Alarm Detector gelding landed in the pocket early and worked out a perfect trip. I could see that same scenario playing out tonight with him getting off the rail and moving to the middle of the gate. I'll take a big price swing here to start up the early Pick 4.

#7 GETTHEGREEN tipped his hand that his form was about to turn around when he closed in 27-flat here on July 12th. In his next start, he sat last of 10 to the far turn where he was sent widest. While under a confident drive and no urging from Bob McClure, this gelding easily sailed past the leaders. He was a little farther back last week and he did finish well, but he was unable to threaten the leaders. He is another price horse in here that I am interested in for early multi-race tickets.

#4 FIRST CLASS MASS raced okay to close for third last time, now he gets off the rail like Florida Guy. It's likely that he will be asked to go forward leaving the gate, and he should get positioned closer to the front tonight. He is another one that I would consider for early multi-race tickets.

#2 BINGO NIGHT was outstanding on June 20th winning a Gold race and lowering her lifetime mark to 1:52 1/5 while easily beating the very good sophomore filly Blue Jean Gal. That rival turned the tables on her in the next start now she hasn't raced in four weeks, although she did get a qualifier in on July 31st. This is an obvious prep for the next Gold race, and while it's still possible she can win here, I would be hesitant to take a short price to find out.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 BELLA CHICA is having an excellent season so far having taken seven wins from 15 starts while earning more than \$76,000. She finished second in the first leg of the Grassroots, then she took victories in the next two legs. I like that she comes into Leg 4A off a front end win at Grand River on July 31st. She will no doubt get sent forward leaving the gate here, and she gets top billing to start up tonight's 20-cent Pick 6 wager.

#2 UPGRADE has four wins this season, and three of them have come in the opening three legs of the Grassroots series. She was a comfortable winner in all three of those miles, and she had what should serve as a good tightener here on July 27th when she took an inside following trip to finish third. She does her best work racing on the lead, and she is one of three or four in here that I could see taking this Grassroots leg depending on pace, trip, and tactics.

#8 LOOK A DIAMOND went winless in five starts in her rookie season last year, but she has been a different filly so far this season, taking nine wins in her first 12 starts. She was an OSS Grassroots winner at Hanover three starts back in a mile where she flew early, opening up a 10 length lead at the quarter then trotted her rivals off their feet. She was even better on July 20th here at Mohawk Park, making a big third quarter move to seize command then holding off a rival that tried to get past her in deep stretch. She obliterated her previous lifetime best mark by more than three seconds. A week later, she was bet down to 1 to 5 and Trevor Henry worked out a good trip for her and she coasted to an easy win. She is another filly that wants the front, so something will have to give heading into the first turn.

#4 INTEL QUEEN raced too good to lose last week after making a power move to the front on the final turn and opening up a nice lead. In the end, the even money favorite trotted a storm late to come and nail her in the final stride, and those two fillies finished several lengths ahead of the third-place finisher. That was a much improved effort, and she is worth a look here.

#2 CONVOY TWENTY TWO hadn't hit the board in seven consecutive starts when he lined up behind the gate at Grand River on June 22nd, but he worked out a good trip that night and he converted as the 6 to 5 post time favorite. He then raced at Mohawk Park in the lowest condition level on June 29th and he produced the best effort of his life to win in 1:50 1/5 and establish a new lifetime best mark. He was in too tough in his next start, then last week, he raced well to get third despite having missed three weeks. He looks like a really good fit in this second leg of a Popup series, and he is the clear top pick here.

#3 GRIN AND WIN raced in Clinton on July 26th coming off a month layoff and he was a bit lucky in that he stayed in and worked his way through the field to grab the win. Still, that mile did come with him racing off that stale date, and he raced well again here last week in Leg 1 of this series when he was driven aggressively early, took a shuffle, then re-rallied for second. He is in peak form, and on paper, this looks like a two-horse race.

#7 SCAMMER had a rough trip in a very fast here two starts back, then he rebounded last week in Leg 1 of this series, closing for third, only a neck behind Grin And Win. He will likely be looking to close from the back tonight, too, and it's possible that he could get the job done here if everything falls his way. He is only a one-time winner so far this season, though, and I prefer to use him underneath tonight.

#8 WRY paced a 54 4/5 back half last week, and he never got close. His late speed will probably play a bit better in this field, and he should be able to pass a few of these in the back half. He is one that merits a look for use on the bottom of the Tri and Super.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 ELBOWS UP was a strong winner in Grassroots Leg 1 at Flamboro Downs then she experienced gait issues in her next two starts so she was given a couple of weeks off before requalifying on July 6th. She finished second to Blue Jean Gal who came out of that race to win a Gold event in 1:51 3/5 which represented an all time Ontario Sires Stakes record for three-year-old trotting fillies. This filly then won well at Hanover Raceway racing first-over. She produced a repeat performance here on July 20th when she won well racing first-over again. She got a maintenance qualifier in on July 31st, and she is strictly the one to beat in here as we start up tonight's late Pick 5.

#7 RARE LEGACY is only a one-time winner so far this season, but she has taken three seconds, and all of those runner up finishes have come in Grassroots legs. She comes into tonight's Grassroots leg off a failed first-over effort where she was racing in open company. That mile should serve as a good tightener, now she gets back in against her own gender and age group. I think she will be better tonight, and she can be an Exacta factor.

#4 CUPID HALL raced well in three of her last four starts, the only blemish coming in an OSS Gold event where she broke at the start. She comes off a nice win where she took advantage of drawing the best post to make front early then sit a pocket trip and it led to her taking a new lifetime mark. She should get another good trip racing close to the front tonight, and she should be part of the Tri.

#2 MISS MASS APPEAL will likely show speed in this spot, and one her best day, she can stick around to take a share. If she makes front leaving the gate, she will likely get covered up in the second quarter when Elbows Up makes her move to the front. She is another one that can land in the Tri or Super.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 HAZEE COAST produced two sub-1:50 miles in a row three and four starts back when Tyler Borth was in the bike, including a close third place finish three back where he was mired on stalling third-over cover on the final turn. He peeled widest coming off that turn and he found his best stride in the final eighth of a mile to get into the three across photo. He showed little two starts back, but he had missed three weeks, and he had his trainer in the bike. He got an aggressive steer as expected last week, stole a breather, then easily paced away from his rivals. He gets a good post to work from here, and he has a big shot to repeat in this second leg of this Pop Up Series. He gets top billing in Leg 1 of the late Pick 4.

#5 MCWICKED TIME has raced three times since being claimed by Lindsey Kerr on June 21st. In his first start racing off the claim on July 11th, he raced first-over for a long way and in the end, he fell a half length short of catching Drinkin Buddy. He got a wild parked out trip in his next start and he tried a wide move at the three quarters, but he was simply parked too long on the Sarnia half miler. He had better luck last week when he rallied widest for second and he was absolutely flying late in that mile racing over a wet track that was assigned a one second variant. If he can reproduce that same 26 2/5 late speed tonight, he could be hard to hold off.

#7 MOONLOVER BOVINO moved into the barn of Clifford Maguire five starts back and Lasix was added for that start, one which he got a tough trip on the lead and backed up late. Since then, he has taken two wins in four starts including his most recent mile where he got an easy trip on the engine and converted at Grand River Raceway. He is in tougher now, and I prefer to use him underneath, but it's dangerous to disregard any that are sent out by this barn that has clicked with 45 percent of its starters so far this year.

#9 TAYLORS CREDIT just finished second to the top pick in here and he is in solid form. Starting from the widest post tonight though, he won't get bet at all. He could be a good one to use on the bottom of the Tri or Super at a price.

Race 8 Selections

#8 AMIGO VOLO is an amazing racehorse that is still going strong at age nine as he closes in on \$3,000,000 in earnings. He gets needed class relief tonight, and leading driver James Macdonald will surely look to put him on the engine leaving the gate. If this multiple Breeders Crown winner can get the \$12,000 winner's purse here, he will be only about \$2,700 shy of that \$3,000,000 mark. It says here that he will do just that.

#2 R PEAKY BLINDERS is the other notable class dropper in this field and the horse that is most likely to be a fly in the ointment for Amigo Volo. This 12-time winner took the exact same class drop on June 14th as he does tonight, and on that occasion, he raced first up and sprinted off on his rivals to win by more than six lengths as the 4 to 5 favorite. It seems very likely that he will get an aggressive steer tonight, and he is the other one in here that I would consider using on late multi-race tickets.

#1 DISTANCE LEARNING raced well in defeat last time to Private Access who was entered in a stake at The Meadowlands on Saturday. He was no match for that rival who has now reached peak form. This gelding can get positioned close to the front leaving the gate tonight, and he can stick around for a slice.

#4 NOTHINGBUTADREAMER was great racing against Pop Up series horses for four straight starts but all then money he made forced him up into classes that were too tough for him. He gets to drop here but he faces other formidable class droppers. I could see him landing near the front early here then riding a good trip to a spot in the Tri or Super.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 UP JOEYS CREDIT shipped in from the B tracks for trainer Jacob Roberts on July 26th and he picked up teamster Trevor Henry, and he came off two miles where he had and excuse which was simply drawing wide posts in both of those miles. He closed in both of those miles, and he drew the best post on a racetrack where he had taken five of his 16 wins including his 1:50 3/5 lifetime best effort in September of 2024. He moved first-over on the last turn, and he forged ahead then held sway to score the upset. He came back two nights later at Georgian Downs, and he was sent off as the 3 to 5 favorite, but he was too far back early in that mile. He did well to close for third. Somehow, he was let go at 11 to 1 last week, and he prevailed again. Assuming he once again won't get bet much, let's see if we can click for a third time in three weeks with this guy at a price.

#8 D A LETS BOOGIE started this season racing four times here at Mohawk Park, and he took his first win of the year in his fourth start. He was very good that night, racing first-over and prevailing to take a new lifetime mark. Since then, he has raced five times at Grand River Raceway then once here at Mohawk Park last week, and he built a five-race win streak. He was the fastest division winner last week and Bob McClure chose him over Drinkin Buddy. He is an obvious threat, and you can't ignore his current razor sharp form.

#9 DRINKIN BUDDY is a reliable veteran who last week arrived at Mohawk Park coming off two wins in his previous three starts at the B tracks, including a victory in the top class at Hiawatha Horse Park three starts back. He was reunited with teamster Bob McClure last week, and that driver steered this gelding to wins here last October (lifetime mark of 1:50 2/5) and this January. He sent this gelding to the front in the second quarter and Drinkin Buddy did the rest, pacing to an easy win. He loses McClure here, but he is threat to repeat here despite drawing the widest post.

#3 HESINCONTROL is one of the better closers in this field, but he faces a tall task tonight taking on the three division winners from last week. He will likely be passing some rivals late here, but the best he can probably hope for is a spot in the Tri or Super.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#10 THE WRITER jumps into this Pop Up series in Leg 2 after facing some tough company in his last several races. Two starts back, when he was able to get to the front in the second quarter, he won well at Georgian Downs. He lands in a field here where there doesn't appear to be a ton of leavers, and if he can get to the front, he might be able to see it through to the wire. I'll take a price stab on him to finish off the late multi-race tickets.

#4 THAI TOUR was bet down to 4 to 5 favorite last week, and he was accordingly driven aggressively. He set some solid splits, but he couldn't see it through to the end. The good news for him tonight is, he doesn't have to face Up Joeys Credit, who beat him twice in a row. He will likely get another aggressive steer tonight, and he should be one of the main contenders in here.

#5 STATE ONE SMILEY is one that I thought raced decently in defeat last week, even though he picked up only the smallest cheque. He was hung three-wide briefly heading into the first turn and he stayed parked out driving on. It took him three eighths of a mile to gain command, and he was then passed by eventual winner Drinkin Buddy. He tired in the lane from his early exertion. Moving to the middle of the gate tonight, he has licence to get an easier trip, and that makes him another one to consider for late multi-race tickets.

#2 COME ON ARTIE was sent off as a 75 to 1 longshot last week, and he raced well considering, losing by less than three lengths. He should be able to work out a good following trip in this spot, and I can see him finding his way into the Tri or Super.

#6 ODDS ON VALHALLA comes off a failed first-over trip, now he draws the best post, so it is likely that he will be able to work out a better trip tonight. I wouldn't be surprised if he beats this prediction.

SPOT PLAY: THE WRITER

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2026 earnings
3 year olds	50%		25% on 2026 earnings 50% on 2025 earnings
4 year olds	25%		25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK 4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 1% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
