Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

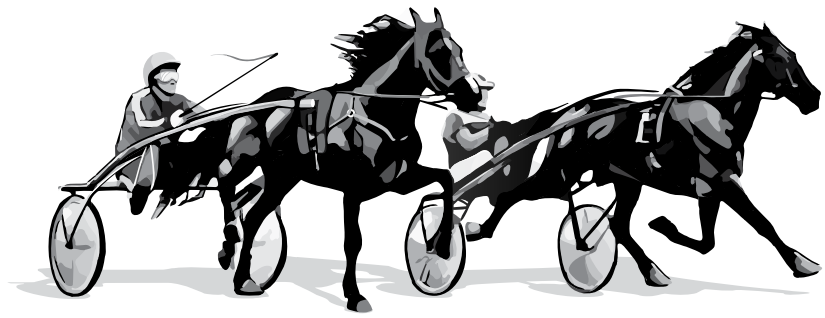

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

The Horseplayer's Journal by Garnet Barnsdale

#4 COURTNEYS PROMISE took that fastest mark in this field winning in the non-winners of two class here FOUR starts back, and she led all the way from post eight that night. She raced okay in two subsequent starts, then she was even better last week when she closed for second behind a dominant 6 to 5 favorite. She gets Trevor Henry in the bike tonight, and he has clicked for 23% winners in the past calendar year when driving for a healthy 161% flat bet profit. My spidey senses tell me that Henry will be sending this filly leaving the gate tonight, and she gets top billing as we kick off tonight's \$75,000 guaranteed Pick 5.

#1 EMERALD ISLAND brought \$100,000 at the Harrisburg Sale and the daughter of Greenshoe didn't do anything spectacular in her first two qualifiers then she debuted at Grand River Raceway and broke at the start. She was pretty good in her qualifier six days later, but she was sent off as a 53 to 1 longshot. She rallied impressively in the final quarter to get up for the upset win by a head. She motored home in 27 4/5 that night. She draws the tricky rail post here, but she should contend right back if she can stay flat.

#10 VISTA VERDE was a winner three times in five starts racing in the non-winners of two or \$25,000 class at Grand River then she tried her luck here on July 11th and after dropping back at the start, she didn't show much. She raced off a stale date last week, and she changed barns. She also got a driver upgrade to Louis-Phillipe Roy, and she closed well after dropping back at the start. She is capable of showing early speed and if she leaves out of there tonight, she will be a contender.

#8 HP IMAGINE is a good one to use underneath as she has taken shares in seven of the eight starts where she wasn't a winner this season. She comes off two solid efforts in a row where she took third, and she should be able to work her way into the exotics again tonight.

#4 QUED UP enters Leg 3 of the Ontario Sires Stakes Gold series having raced well in the first two legs where she paced in 1:51 4/5 and 1:52-flat, respectively. Her issue in those two miles is that she faced Money Carlo, who was unbeaten going into the Battle of the Belles Final in which she broke at the start as the 1 to 5 favorite. This daughter of Cattlewash comes in off a nice tightener where she stayed covered up then flew late to come within a nose of defeating tough Lyons Bulldog. She gets a good post to work from tonight, and I'll give her the nod.

#3 WAVES OF FORTUNE is an obvious contender and likely favorite here and one that Qued Up will need to make up some ground on when you consider that this filly finished ahead of that rival in two straight Gold races before taking her maiden win on August 6th. She had missed 17 days coming into that race and she still managed to rally in 26 1/5 to get her maiden win. She will likely look to control this race and lead her five rivals on a merry chase, and she obviously would be no surprise in this spot.

#1 CHAROLAIS CATTLE got Louis Phillipe-Roy in the bike two starts back and she made a big final turn move then won a Grand Circuit race going away. She ended up out of position in her next start in the same Gold race that the top two picks raced in and she closed mildly. She chose to sit on the sidelines for close to four weeks between Gold starts and that could work against her here. Still, in this short field, she should be able to get a better trip, and she can land a share.

#5 CATTLE BELLE only raced in the Grassroots prior to the Battle of the Belles, but she tried her luck anyway and her form improved in those two miles where she managed to take shares in both. She should get positioned near the front tonight where she can sit an inside following trip. She might be a good to use on the bottom of Tri and Super bets.

#2 MIDNIGHT MATRIMONY brought \$27,000 at the London Classic Sale and she the fourth foal from her dam. The first three are all winners the fastest of which is her half brother The Writer that holds a mark of 1:53 taken at Grand River. She qualified well twice preparing for her debut race here on August 6th. On that night, she raced okay, closing in 26 2/5, but she was too far back to threaten the leaders. With that experience under her belt, I can see her laying closer to the front tonight which would give her a chance. I'll give her a slight nod in the opening leg of tonight's early Pick 4.

#1 SPOKE TOO SOON brought only \$17,000 at the Lexington Sale but based on the way she performed in her lone qualifier it was thought she might indicate that she will bring good value to her connections. Things didn't go great for her on debut, though. After starting from a wide post, she camped out at the back then she broke in the stretch. She draws inside now and the leading driver picked off her to sit behind the #5 in here. She does pick up Louis-Phillipe Roy, though, and I could see her improving sharply in this spot if she improves. She is worth a look at a price in this spot.

#6 DUNDEES VICTORY is a Cattlewash filly that has improved in recent starts like her last mile where she closed for third at a price. I think starting from post six tonight, Tyler Borth will put her into play leaving the gate. She is another one that is in with a decent chance in here.

#7 FASHION COLUMN gets a look in here as one of only three winners in this field. She got an easy trip on the lead in that victorious mile on August 3rd, but I like that she has shown gate speed in two straight miles. She is another possibility in what appears to be a spread race for the early multi-race tickets.

#4 SOUTHWIND RUSSIAN is obviously risky because he broke stride in three of his last six starts but sandwiched in there are also two wins at the class level that qualifies him to race in the opening leg of this Pop Up series. He draws well, and he will likely show speed tonight, assuming that he stays flat. He gets the nod to start up tonight's 20-cent Pick 6, but I'd make sure to demand a price considering his recent gait issues.

#7 OUT THE WINDOW was a big winner two starts back at The Red Mile, then he was bet down to 99 cents on the dollar last time in a Goldenrod race. He didn't get the best trip and he backed up late. He ships north, face what should be an easier field, and he adds Lasix while making his first start for Chantal Mitchell. He is another one that will likely get put in play early, and he is in with a good chance.

#3 ZIP ME UP was an easy winner three starts back at Grand River then he moved up to the top class there and he raced well again to finish third. He then tried his luck here at Mohawk Park last week, and he trotted a decent back half punctuated by a 28 1/5 kicker. He seems to fit well in this Pop Up field, and it seems likely that J R Plante will put him into this race earlier. He is another one to look at for early multi-race tickets.

#9 FRENCHY HANOVER closed ground late in the mile in both of her last two starts and she will likely be camped out at the back tonight looking to pass rivals late. She will be a big price, and she might be able to work her way into the bottom of the exotics tonight.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 GUCCI GUCCI GOO has raced well in two of his last three starts and in both of those miles he was driven by Louis-Phillipe Roy who also handles the lines tonight. This four-year-old gelding dialed up the fastest final quarter since last October. He gets the best post tonight which should mean that he will be able to get positioned closer to the front. If he is in striking position turning for home, he will probably be hard to hold off in here.

#5 DUSTY ROADS, like Gucci Gucci Goo, has faced the same tough winner in Shimmering Hanover in both of his last two starts. Two starts back, he finished well ahead of that rival, but he got the much better trip of the two that night. Last week, he left for position, took a shuffle to the half, then raced first up. He couldn't sustain that bid and he ended up finishing a half length behind Gucci Gucci Goo. He is handier than his main rival and he will likely get the jump tonight. He is another one that I would consider using on early multi-race tickets.

#4 SAPPHIRE STEVE improved in four straight starts culminating in a lifetime best 1:54 2/5 score over non-winners of two last week where he got an aggressive Trevor Henry steer and converted as the 6 to 5 favorite. He is in considerably tougher tonight stepping up to the non-winners of three level, but he is sharp and he should be at least an exotics factor tonight.

#3 SOUTHWIND FLORENCE is having a decent season so far having taken two wins and three shares from eight starts while earning just shy of \$35,000. She comes into tonight's race off a good first-over effort, but that came against non-winners of two. Like Sapphire Steve, she steps up in class here, but also like that rival, she comes in sharp.

#8 ALPHA BLUE CHIP has yet to break his maiden in eight starts, but he raced well for the most part, and he took five second place finishes from those eight miles. Last week, he came off a nice mile in a stakes race, and he was sent out by veteran trainer Meg Crone here coming off a decent qualifying effort here where he closed in 27 4/5. He got Louis-Phillipe Roy in the bike tonight, and got an aggressive steer as expected. In the end, he got picked off on the wire, but he trotted the second fastest mile of his life in defeat. His run of seconditis is a bit concerning, but he looks best in here and he should get that maiden win soon, perhaps tonight. He gets top billing to start up tonight's late Pick 5.

#10 STORMONT FAST BOY is a full brother to four winners, including two that have earned more than \$176,000. He debuted here a year ago, and he showed some promise in that initial start when he came flying home in 27-flat to get second. After getting scratched due to sickness 11 days later, he wasn't seen again until July 31st. He raced evenly in that qualifier, but he kicked home in 27 3/5. He was given an easy trip last week, but he showed some zip on the end of it, trotting home in 28 2/5 while passing some rivals. He gets mired in post 10 tonight, but he could do in here at a price if he is within striking range at the three quarters. He is a possibility for late Pick 5 tickets.

#2 DULCES SUENOS DEO raced here Thursday night and, as she often does, she closed mildly in the final quarter. She finished fifth, beaten three-and-a-quarter lengths which was the exact same finishing position and beaten lengths from her previous start on August 3rd. She can land in the bottom of the exotics here if she is a bit closer turning for home.

#9 MY CLASSY QUEEN has a good late kick on her best day, and she will no doubt be camped at the back early starting from a wide post tonight. She should be able to pass some of her rivals in this field, and she might sneak into the bottom of the Tri or Super at a price.

#6 SHOW STOP dropped to the \$8,000 claiming level four starts back racing at Georgian Downs and he was bet down to 6 to 5 favorite. He didn't convert as the chalk that night, but he did improve to finish third. He fired back on July 4th, and he was again bet down to favorite. He was terrific that night making a powerful first-over move to win going away. He then changed hands and raced out of the Gerard Demers barn on August 3rd here and he produced a nice late rally to get up for the win at 5 to 2. He faced tougher in his late start at Georgian Downs, chasing 1 to 5 favorite Why Wouldnt Ya around the five-eighths mile oval. This gelding was the only horse in the back half to make a move to the outside and he just spun his wheels. He gets into a better spot tonight in this third leg of a Pop Up series and he gets a much better post draw. I'll give him the nod here.

#4 TITANIC HANOVER came into last week's mile off some okay lines racing at Georgian Downs and he dropped in for an \$8,000 claiming tag. He attracted a claim from Team Cullen, got bet down to 8 to 5 favorite, and he was on full go from post eight. He cleared to the front in the second quarter, and he saw it through on the lead from there. He draws better now, and he should be a speed threat right back.

#2 WHEREICOMEFROM has been claimed three times in a row, and he comes into tonight's mile off a solid performance where he was used hard and hung in there to get second behind a dominant winner that laid down a fast mile. I get mixed signals here because while he attracts the leading driver tonight, he gets sent out by a trainer that is 0 for 23 this week with one second and four thirds. He is one that I will use underneath tonight.

#7 SPEEDY DANCER raced well for the third time in a row last week when he finished third, one length behind Whereicomefrom and that was the third time in a row that he hit the board at a big price. He tries hard and he is probably a good one to use on the bottom of the Tri or Super here tonight.

#6 EMMA TOWN BUD is a 32-time winner that took 12 of those victories in the past two seasons, including a lifetime best 1:52 4/5 score in a Popup series final here last September. He's raced only four times this season, and his best mile was his last one where he led all the way as the 3 to 5 favorite to take his first win of the year at Kawartha Downs. He gets the best post and a pilot switch to leading driver Jonathan Drury tonight, and he has been getting good results recently, and he gets top call to start up tonight's late Pick 4.

#9 DAHLQUIST HANOVER is in a good spot here and he gets the leading driver in the bike. His best game is his speed, and he will likely gets sent hard from the widest post tonight. If he can clear to the front from out there, he might be able to go right down the road. It will be interesting to see how much money he takes in the win pool tonight.

#1 CRYSTAL BALLER gets into this Pop Up series after facing tough rivals recently such as The Bear A Cuda, Southwind Russian, and Tactical Strike any of whom would be big favorites in this field. This veteran gelding has taken only one win this season, but he falls into a good spot here where he has a good chance to double this season's win total. He is one that I wouldn't leave off late multi-race tickets.

#2 SHAMPOO GIRL comes off a couple of decent efforts at Grand River where she was bet down to 6 to 5 and even money, and she took a win and a second racing on the front. She hasn't missed the top four since she re-added the trotting hobbles four starts back. She will likely be able to get positioned near the front tonight, and she can get a good piece of this.

#1 JERSEY BULLDOG has made one start in OSS Golds and on that night (July 19th), she got a tough trip, trying to make up six lengths in the back half on leader Twin B Mayreau, who she also faces again tonight. She was forced to race first-over when no one in front of her pulled, and she simply had too much to do in the back half. She was closing in deep stretch, but she simply ran out of real estate. Since that night, she cruised to dominant victories in both the elimination and final of the Battle of the Belles. She gets the call to turn the tables on her rival tonight.

#5 TWIN B MAYREAU is a speedy Cattlewash filly that was bought for \$47,000 at the London Classic Sale, and she is the second foal from her and the first one to start for a purse, and what a debut mile that was. Making her first start in an Ontario Sires Stakes Gold event, she showed excellent speed starting from the rail, and that sharp gate speed allowed her to grab the pocket early. She rode a great trip to the head of the lane, and when she was cut loose by teamster Tyler Jones, she motored to chase down the leading 3 to 2 favorite. Her final time was a sparkling 1:50 3/5, and I can probably count on one hand the number of two-year-old fillies that won their debut pacing a mile under 1:51-flat. She drew best in Gold Leg 2, and she made the best trip for herself by taking control early and setting some reasonable fractions, then finding the wire before Jersey Bulldog could catch her. It will surprise no one if this filly triples up and stays undefeated tonight.

#4 MONEY CARLO made things easy for Jersey Bulldog in the Battle of the Belles final when she broke before the start. She was perfect coming into that race, and assuming that she stays flat this time, she should be another contender in what should be a good tilt.

#3 TWIN B COPACABANA is another racy looking Cattlewash baby that caught the eye on debut here on June 25th. The \$90,000 London Classic Sale buy was racing sixth on the inside rounding the last turn, needing racing room. She stayed along the pylons into the stretch and began to close while racing in close quarters, and she paced up to get third without ever getting full clearance. She closed in 26-flat, and she crossed under the wire with plenty of pace. Flash forward to her race in Gold Leg 1, she sat third to the last turn and she pulled first-over at which point the pocket sitter popped out and forced her three wide. She paced strongly to the wire to finish a narrowly beaten third in a good effort. She raced evenly in her third start, then she converted 17 days later. She is in tough here again and I'll use her underneath.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 SOUTHWIND SAMBUCCA is 0 for 25 so far this season, but there are reasons to expect that he will get off the 2026 schneid tonight. He dropped in for \$8,000 two starts back and he improved sharply, then he was claimed out of his next start by a partnership that has done well with new acquisitions. He gets the leading driver in the bike, draws the best post, and adds Lasix tonight, and he gets top billing.

#2 GLORYVIEW IMAGE was going well here when he got claimed two starts back, winning two of three starts in the \$8,000 claiming class, and he got claimed out of three straight miles. He raced back in five days last time and he was put in a conditioned race where he faced tough class dropper Major Perry A, who laid down a 1:50 4/5 winning mile as the 3 to 5 favorite. This Pop Up series leg is a much better spot for him, and it seems likely that he will be put into play leaving the gate tonight, and that's when he gets his best result. He is the second one in here that I would consider using on late multi-race tickets.

#5 FABRIZIO N got claimed two starts back when he showed little here starting from post seven, and he was then much better in his first start racing out of the Duane Marfisi barn last week. He gets a good post to work from tonight, and he will likely get put into the race leaving the gate tonight. He should be able to work out a decent trip racing close to the front tonight and stick around for a share.

#1 HF PANS SHADOW comes off a decent effort here at Mohawk Park where he passed a few rivals late and got up for fourth. He will likely sit back and look to close again tonight, and I could see him sneaking into the bottom of the Tri or Super.

Race 11 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 ELBOWS UP was a strong winner in Grassroots Leg 1 at Flamboro Downs then she experienced gait issues in her next two starts so she was given a couple of weeks off before requalifying on July 6th. She finished second to Blue Jean Gal who came out of that race to win a Gold event in 1:51 3/5 which represented an all time Ontario Sires Stakes record for three-year-old trotting fillies. This filly then won well at Hanover Raceway racing first-over. She produced a repeat performance here on July 20th when she won racing first-over again. She got a maintenance qualifier in on July 31st, and she then on August 9th, she picked up right where she left off by dominating a Grassroots field as the even money favorite. She looks best here, and she should be tough to beat in this spot.

#5 LOOK A DIAMOND came into her most recent start on a roll having won three straight, and she was looking for four when she powered her way to the front in the second quarter. She looked like she just got trotting too fast for her own good and she got fumbly and made a break. She draws well here and she will likely get put into play again tonight. She could be a tough rival for Elbows Up if she stays flat.

#4 BELLA CHICA is having a nice season having taken seven wins from 16 starts including two Grassroots victories. She draws well here, and she will likely get put into this race leaving the gate. I think Elbows Up will turn out to be too tough of a rival for this filly, but she should be able to get a decent share here.

#6 UPGRADE is interesting here because she is 4 for 4 in Grassroots races so far this year, but she is 1 for 10 in all of her other starts. She tends to get driven conservatively in non-Grassroots points races, and I will use her underneath tonight.

#1 CUPID HALL raced well in four of her last five starts, the only blemish coming in an OSS Gold event where she broke at the start. She came into her last start off a nice win where she took advantage of drawing the best post to make front early then sit a pocket trip and it led to her taking a new lifetime mark. She couldn't stay with Elbows Up last time, though, and she will likely be good for only a small share again tonight.

BEST BET: ELBOWS UP

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2026 earnings
3 year olds	50%		25% on 2026 earnings
			50% on 2025 earnings
4 year olds	25%		25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exakta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 1% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
