Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

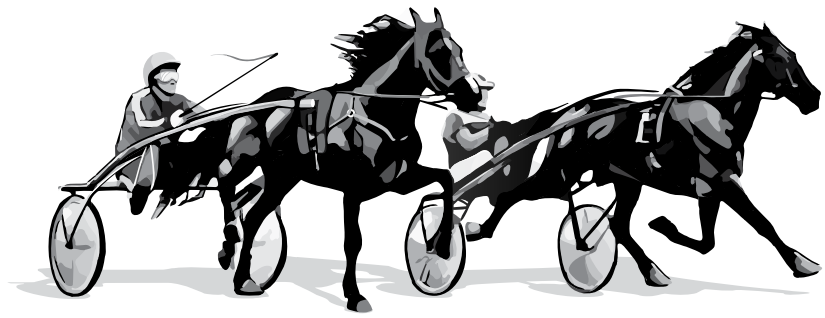

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 1 Horse's number in the race
- 2 Horse's post position colour
- 3 Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- 7 Trainer information
- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

The Horseplayer's Journal by Garnet Barnsdale

#2 MEGA MOVES is having a decent season where he has finished in the top three in four of 13 starts and earned more than \$35,000, but he has only one win to show for his efforts so far. That can all change tonight. Simply put, his identical 1:50 3/5 miles from his last two starts are the two fastest of all horses in this race last two miles. In one of those races, two starts back, a 1:50 3/5 effort was good enough to get him a second place finish behind a tripped out winner. If he can produce a similar type of effort tonight, he will have a big shot to take his second win of 2026. I'll give him a slight nod to start up tonight's \$75,000 guaranteed Pick 5.

#3 THIRTY SIX RED came close in three miles in a row including three starts back when he led to the stretch in Grassroots Leg 3 at Hiawatha Horse Park before getting picked off by two rivals. In his last start, after drawing wide, he got an impossible parked out trip and he backed up late. Drawing inside should facilitate him getting a better trip tonight, and he is capable of being right there on the wire versus this group if he brings his A game. He is another one that I would consider using in the early Pick 5.

#9 D A BODACIOUS got the trip of his life four starts back to take a new 1:50 4/5 lifetime mark, but to be fair, he put himself in position to capitalize by leaving out of there and getting positioned close to the front. He has only taken two small cheques in three starts since then, but he is in easier tonight, and he should be able to get positioned in the first flight early in this mile. He could be a good one to use underneath tonight.

#8 WALTERS NIP is interesting in here because he came within a head of winning a race for Grassrooters and Prospect Series starters three starts back and he raced tough first-over in defeat that night. Last week, he was sent off as a 135 to 1 longshot in Grassroots Leg 4A, and as expected, he raced from the back. He did pace a 54 1/5 back half finished off with a 26 4/5 kicker. He can be sharper here making his second start back following a month off and he draws better. Tab the tote board for clues on this colt.

The Horseplayer's Journal by Garnet Barnsdale

#5 SECRET SOCIETY moved into Dave Menary's barn on July 9th coming off a sick scratch and prior to that a break in stride. He did get in easier in that spot, though, and despite missing more than a month, he paced his way to a win and a new lifetime mark. He fired back two weeks later in the same class, and he led all the way to lower his lifetime mark to 1:51-flat while being claimed by Jamie Copley. He faced tougher on August 8th, but he had no problem getting up to score the threepeat while beating non-winners of two that night. He was a victim of pace in his last start and not even firing a 53 4/5 back half and a 25 4/5 kicker could get him closer than two lengths behind winner Major Miki at the wire. He faces that same rival again, but the short field should help here and getting a post position in the middle of the gate should help him get better positioning at the start of this mile. I'll side with him to turn the tables tonight.

#4 MAJOR MIKI returned from a bout of sickness on July 11th, and he showed little when facing class dropping No Waitlist. Since then, he has reeled off three straight wins. In the last two victories, he rated kindly early in the mile and cut slow halves for these types of horses and that skill made him tough to catch. He just lowered his lifetime mark, and he couldn't be any sharper right now. He has shown that he knows how to find the winner's circle having won five of his first nine starts, and he is the one to beat in here.

#1 I LOVE THIS BAR was on a nice roll here when he took two wins in June, including a lifetime best 1:49 3/5 score here on June 27th when he was coming off a three week break. Off that mile, he next faced Odds On Bullfrog who needed a 1:49-flat mile to beat this Heston Blue Chip that night. This Kevin Benn trainee got a three-and-a-half week break, and he qualified here on the morning of July 31st. He couldn't have looked much better than morning where he sat third to the top of the stretch then pulled off the pylons and easily edged past the leader with driver Tyler Borth sitting statuesque in the bike. Starting from a wide post against the top two picks on August 15th, he didn't show much, though. He gets the rail in a short field, and he is obviously capable of better than he showed in that last start. He is another possibility in a compact yet competitive field.

#6 STAY FRESH shipped north and got the "first time McNair" angle two weeks ago, and he raced well in defeat to Secret Society. He fired back with another solid effort, but he was no match for Major Miki. This Stay Hungry colt is now 1 for 15 facing a few rivals that know how to win. I prefer to use him underneath in this spot.

#7 CANT TURN YOU DOWN is a homebred Cattlewash daughter that is the third foal from her dam. Her two siblings are both winners, including 1:50 (S.) pacer Reign Supreme (13 wins, \$221K). She took a lot of action in her second start, and she was an impressive front end winner that night. She then raced here on July 2nd, and she raced well in defeat. After parking past the quarter, she dropped into the available pocket. From there, she stayed in until the stretch where she tried the inside route but got shut off. After twisting and turning, she found a seam, but the 4 to 5 favorite had already sailed past and was long gone. This filly finished with plenty of pace and was a clear second at the wire. She came back eight days later, and she left nothing to chance that night, taking the lead at the half then powering away from the field. She had no problem doubling up on July 24th then she came back a week later and dominated Grassroots rivals. Last week, she somehow was sent off as the second choice in a field where she was clearly best on paper. That was likely to her having missed three weeks, but she showed no rust, and her rivals are likely in trouble here with her returning to a seven-day cycle and probably coming back even sharper this week. She is the clear top pick to start up tonight's early Pick 4.

#4 ROMANTIC BEAUTY has recorded only one win so far this season, but that lone victory came the last time she was in a Grassroots race six starts back where she dominated, lowered her lifetime mark to 1:51, and paid the minimum \$2.10. Getting class relief gives her a chance to take that second win tonight.

#8 CACKLE BERRY was impressive winning twice in a row in late June and July against non-winners of two and she lowered her lifetime best mark to 1:50-flat in the second victorious mile. Since then, she was third to the big two in the OSS Gold division, then she chased a 1:21 three quarters two starts back and she understandably tired. She drew widest last week, and she managed to work out a decent trip on cover in the back half, then rallied for third. She draws better tonight, and she could be an exotics factor at a square price.

#1 HORSE WITH A PLAN was incorrectly bet down to 4 to 5 last week and that became apparent when she got a clear run along the pylons from the top of the stretch to the wire when Cant Turn You Down drifted out a couple of lanes after straightening out at the head of the lane. She did finish a clear second, now she draws the rail and I'm not sure she will find the same trip tonight. She is one that I would use underneath.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 BETTERDOUBLEDOWN missed three weeks between starts when she lined up behind the gate last week, and she did okay to get the smallest cheque. That was a big improvement on her previous start at Grand River where she was beaten close to 30 lengths, so perhaps that time off was needed. The good news for her tonight is, she gets class relief, draws a good post and gets Doug McNair back in the bike. She came close twice three and four starts back with McNair between the wheels when she was facing tougher than she meets tonight in both miles. I expect this mare to get a more aggressive start tonight, and she gets top billing to start up tonight's 20-cent Pick 6 bet.

#8 ALL MY WISHES is interesting here because she makes her second start back since April and she wasn't bad last week, now she drops in class, and she gets the leading driver in the bike. She has shown she knows how to find the winner's circle having taken eight wins in 17 starts last season. She can be dangerous here if she gets put into this race early and she is one that I would consider for multi-race tickets.

#5 SUNSHINE MAGIC got needed class relief and Travis Cullen back in the bike last week, and she got bet like she couldn't lose, getting hammered down to 1 to 9. She got the aggressive steer that bettors expected, but she was no match for an aggressive first-over challenger. I think she is in a bit tougher in this spot tonight, and she is one that I would use underneath.

#9 LANESIDE INCONTROL hasn't been close in her last two starts, but she is capable of better when she is in the right spot. Dropping in class tonight gives her a chance to improve, and she will likely get put into this race from the outset despite drawing wide. I could see her getting a slice at a price.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 MONTE AMORE has been in a bit too tough facing non-winners of three in her past two starts, She gets a needed class drop here, and one need only look back four starts in her past performance lines to find that she paced a lifetime best mile here on July 24th racing against non-winners of two. She gets a pilot change to Jody Jamieson tonight, and he will likely have her revved up leaving the gate. She should have a big shot of leading all the way tonight, and she gets top billing in this anchor leg of tonight's early Pick 5.

#4 SINGINGINTHERAIN hadn't been seen in close to two years when she qualified here on August 14th, and she came back ready to fire in that qualifier that morning, going down the road for a 1:52 4/5 score. She then raced for a purse here last week and she showed speed then took a shuffle and tried to rally in tight quarters in the stretch before leveling off late. She gets Scott Zeron in the bike here and she can be a lot sharper tonight, and she is worthy of consideration for multi-race tickets in this spot.

#10 ARTISTIC DELIGHT's last mile where she finished fifth in a \$150,000 OSS Gold race looks pretty good until you do some digging and find that she was last in that field of five a few lengths behind the fourth-place finisher at the wire. Okay, so it's no great revelation that she was outclassed in there, but she was beaten less than eight lengths, and she did take home \$7,500. She was best of the rest in her previous start when she closed for second behind a blowout winner and her 1:51 1/5 mile with a 26 3/5 kicker would play well in here if she could repeat that effort. She can get a piece of this despite drawing widest.

#1 ON FLEEK is one that I thought raced okay from a wide post last time when she closed for fifth. Drawing inside gives her a chance to be closer early in this mile. If she lands in the top five early, she should be able to work her way into the exotics.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 TAMARA HANOVER is one of four mares taking a class drop in here exiting the same race won by the classy Grit N Grace. She is a four-time winner so far this year and her best win came in tonight's class three starts back when she made a second quarter brush to the front and led all the way from there to take a 1:50-flat victory. She had the same post that night that she again drew tonight, and she has the best post of the four mares that are on the class drop as mentioned previously. She picks up Jason Bartlett, and she gets top billing here in this opening leg of tonight's middle Pick 5.

#2 HORIZON SEELSTER hasn't hit the board in three starts and she took only one small cheque in that trio of miles. Getting money off her card allows her to take a class drop back down to the non-winners of \$9,000 last four level here, and last time she raced at this level, she closed at even money four starts back and she produced a 1:49 3/5 mile racing first up. That wasn't good enough to beat Madrid A who led all the way, but a similar effort could get the job done tonight.

#1 ALWAYS DAWN led most of the way last week then was passed late by two better mares, Grit N Grace and Sensationalize A. She has only taken one win so far this season, but she has got more aggressive in recent starts so the second win likely isn't far away. Getting the rail tonight, I wonder if she will look for a helmet to follow and she has shown on more than one occasion that she can produce a strong late kick when she races from mid pack. She is another one to consider for the middle Pick 5.

#9 SETTN A PRECEDENT is the fourth class dropper from the same non-winners of \$13,500 last four race and she produced a decent closing effort to get fifth, pacing home in 26 2/5. Her issue tonight is that she draws worst of the quartet of class droppers and considering that disadvantage, I'll us her on the bottom here.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 LEXUS KODY shows up to defend his Maple Leaf Trot crown coming off what was a sub par performance for his in his most recent start on Sun Stakes Saturday at Pocono Downs. He was aggressively handled that day, and he had no answer for the pressure applied by last year's Hambletonian winner Nordic Catcher S. He has already taken a sub-1:50 win over Mohawk Park this season and in the final of this stake last year, his winning time was 1:49 1/5 which represented the fastest trotting mile in Canadian history. He can bounce back in this spot and he gets top billing.

#2 YO TILLIE was a Breeders Crown winner here last October, and that was her eleventh and final win of that season in her twelfth start. She hasn't been as successful so far this season, winning three of her first seven starts, but she hasn't been a slouch either. She comes off a mile in the Steele on Hambletonian day where she set the pace and tired late, but the front didn't seem to be the best place to be for most of that card. Her best asset is her big speed, and the lead seems to be hers for the taking tonight. In this short field. If she gets any breathers, she could prove tough to beat in here.

#4 AETOS KRONOS S had a productive season last year taking six wins and four seconds from 14 starts but things haven't gone as well in 2026 as he is winless in six starts. He shows three starts in a row where he finished behind winner Lexus Kody, but he did take shares in each of those three miles. He will likely be part of the exotics in this Maple Leaf Trot elimination.

#6 FRENCH WINE has earned close to \$1.9 million, and his biggest win came racing here last season when he beat Lexus Kody and others in the \$822,000 Breeders Crown Final. He's been lightly raced so far this season having made only three starts, and he draws best here. I could see him taking a small slice tonight.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 P N G SHADOW started to turn her form around three starts back in Grassroots Leg 3B when she raced well and finished second to Mcbubbles, who she faces here again tonight. She fired back a week later, got an aggressive steer, and took a new lifetime mark of 1:50-flat in victory. Her streak of good efforts was broken when she raced in the Lynch at Pocono last Saturday and she broke before the start. She can rebound here and she gets the nod in what appears to be a wide-open Grassroots leg.

#3 MCBUBBLES raced great here three starts back to beat PNG Shadow in that Grassroots leg, racing first-over and prevailing in a lifetime best of 1:50 4/5 to take her fourth win of the season in her eleventh start. She wasn't as good in her next two starts and she comes off a poor performance over an off track that perhaps she just didn't like. She gets a positive driver change here, and she will be tough if she bounces back to her best form.

#7 JEN TILLY was solid in her last try at the Grassroots level here on July 31st where she pressured the 7 to 5 favorite and eventual winner and held a short lead in the stretch before getting outsprinted late in that mile. She comes off a solid effort two weeks ago where she finished third behind that same filly that beat her in that Grassroots race, and she is another in with a shot in here.

#9 TH CHECK ME OUT broke the Dresden Raceway track record in Grassroots Leg 3A and she made three starts here since and landed shares in all of those miles. She comes off a solid effort where she finished second to tough rival My Girl Friday, now she adds Lasix. She has the gate speed to be able to overcome the widest post in here, and she is yet another possibility in what appears to be a spread race.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 SENSATIONALIZE A arrived here from Australia in June after being purchased by Team Cullen, and she showed some good late pop in her local debut on North America Cup night when she paced a nice back half to close from the back to get up for fourth. From there, she entered a Pop Up series, and she swept that series but the money she earned forced her up into the top class for several starts. She came close to winning in the Open on July 25th when she was beaten only a half length. She got class relief last week, and she raced well as expected, but fellow class dropper Grit N Grace was just a bit better. She faces a couple of new class droppers lined up to her inside, but that should only help her price in here. She gets top call to start up tonight's late Pick 5.

#2 ONE LAST WISH got good here in late July and mid August when she took two straight wins and in both of those miles she raced on the engine and saw it through to take those two victories. She jumped up to the Fillies and Mares Open last week and she drew the rail, so she had a couple of strikes against her before she lined up behind the gate. She raced okay, but she failed to get a cheque, now she gets to drop back to the same level where she last won two starts back. She is an obvious threat in this spot.

#1 TELLS ON A ROLL took two straight wins in late July and early August and she earned \$19,000 in those two miles. Those earnings combined with money made in previous starts forced her up into the top class where she was simply in over her head. She stayed sharp by pacing two fast final quarters and she is obviously in a better spot here. She loses driver Cullen to the top pick, but she can take a share here.

#9 PERFECTLY CHIC made a lot of money at three, but it took her until her twelfth start to notch her first win as a four-year-old, and that winning mile came two starts back. She did enjoy taking over the lead in a slow second quarter and she fought off the challengers from there. She stepped up last week and reverted to a closing style and came on late to get second. She will probably be racing from the back again tonight, and she is worth a look for the bottom of the exotics.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 SUPER CHAPTER had a tremendous season last year at three, taking nine wins from 14 starts while only missing the board once and earning more than \$1.7 million. He just missed in the Breeders Crown Final here in late October when he raced tough first-over and was probably the best horse. He got picked off right on the wire by a tripped out longshot. He has also been terrific this season as a four-year-old taking three wins and two narrow defeats in five starts while earning more than \$463,000. His most recent mile where he raced first up and just kept grinding away until he raced Lexus Kody into defeat in the Cashman Memorial on Hambletonian Day was outstanding. He is the one to beat in this second Maple Leaf Trot elimination and first leg of the late Pick 4.

#1 ANTOGNONI S has been a win machine the past two seasons, taking 22 victories from 32 starts while earning close to \$1 million. He is six for eight this season and his two losses were solid efforts, two. Most recently, he battled down the Meadowlands stretch in the Vincennes, but he simply couldn't get his nose past iron tough mare Bourbonista. He lost nothing in that loss other than purse money because that was a terrific effort in defeat. He should be the main threat to Super Chapter in here.

#2 EMOTICON LEGACY was last year's Kentucky Futurity winner, and he had a bit of a late start to his four-year-old campaign, but he has shown improvement as he now takes on many of the best trotters in North America. He figures to get outsprinted early by some of these, but he should get a solid pace to chase, and I can see him passing a few of them and landing in the Tri in what should be a good price.

#4 LOGAN PARK has been the local king of the Open trotters for a few years now and there is no denying his quality. He does his best work when he is able to control the pace and there are others in here that might have that same plan. I prefer to use him underneath this time.

Race 11 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 RAPTORS WON is 0 for 15 so far this season, but she has faced much better than the mares she meets tonight in all of those 15 miles. Most recently, she dropped to the non-winners of \$9,000 last four class and she showed bug speed before backing up in the stretch. Prior to that mile, she was regularly producing miles in the 1:50 range. Dropping to the bottom conditioned level and getting Travis Cullen in the bike for this start makes her the one to beat in here and she has a decent chance to get off the 2026 schneid.

#3 MACAPELO SEELSTER raced in Leg 2 of a Popup series last time and she found the pocket early and maintained that position into the stretch. She tried to close along the pylons, but she never got full clearance at any point, so the best she could do was finish behind a tiring leader and take the smallest cheque. She gets a decent post to work from here, and if she can find Raptors Won's pocket leaving the gate, which would put her in position to score an upset. She is the other one that I might use on late multi-race tickets in here.

#8 HIGHLAND DELIGHT is one of only three mares in here that have recorded three wins so far this season and she gets a few changes tonight. She gets in easier, she adds Lasix, and she gets a new pilot in Jody Jamieson, fresh off his Gold Cup And Saucer win at Charlottetown Driving Park last Saturday night. I can see this mare contending tonight if she gets put into this race leaving the gate.

#2 CHICKABELL raced okay in the bottom conditioned class two starts back to land fourth-place money then on August 8th she didn't show much in the same Popup series race that Macapelo Seelster exits. Dropping back down and drawing inside gives her a chance to improve in this spot. She is one that I would consider using on the bottom of Tri and Super bets.

Race 12 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 SOUTHWIND SAMBUCCA came into last week's race with a 0 for 25 record to that point of the 2026 season, but there were reasons to expect that he would get off that schneid that night. He dropped in for \$8,000 three starts back and he improved sharply, then he was claimed out of his next start by a partnership that has done well with new acquisitions. He got the leading driver in the bike, drew the best post, and added Lasix, and he was bet down to 2 to 5. He didn't disappoint chalk bettors when he led all the way and left no doubt, cruising to a 1:51 3/5 score that stacks up well in this field. He moves from a claimer into the lowest conditioned level, and this spot doesn't look much tougher. He gets the nod to repeat.

#7 BEACH TOUR hasn't hit the board in eight starts, but he has been in tougher in all of those miles that he is tonight. He gets Tyler Borth in the bike tonight and I think he will get an aggressive steer in this spot. He is the other one in here that I might consider using on late multi-race tickets.

#2 CATITUDE comes off a solid try where he took a following trip to the stretch then closed along the inside and gained ground in the stretch. He stayed game to the wire, but he came out on the wrong end of a three across battle for second. He gets Doug McNair in the bike here, and that pilot steered him once before, to a sixth-place finish in the \$90,000 Alberta Sires Stakes Superfinal last November at Century Mile. This gelding should be good for a share in this spot.

#3 BEACHIN LINDY is better than he has shown in his past couple of miles and dropping to the bottom conditioned level tonight gives him his best chance to improve. He typically drops back and looks to pass rivals late, and he could work himself into the bottom of the exotics tonight.

BEST BET: SOUTHWIND SAMBUCCA

Race 13 Selections

The Horseplayer’s Journal by Garnet Barnsdale

#4 WICKED N SINGLE entered last week’s mile off a solid winning effort where she took her third victory of the season in her 16th start racing at Georgian Downs. She obviously stood out in that field as she closed as the 4 to 5 favorite. She got leading driver James Macdonald in the bike last week, and she controlled Leg 2 of this Popup series from start to finish while establishing a new lifetime mark of 1:52 4/5. She drew well here for this final, and she is the mare to beat.

#2 ETERNAL DELIGHT hadn’t won a race in 14 starts dating back to an OSS Gold win last September when she lined up behind the gate two starts back to contest the opening leg of this Pop Up series. She was given an aggressive steer from Daryl Thiessen, and she laid down some strong fractions, and she stayed game in the land to prevail and take a new lifetime mark of 1:50 2/5. In Leg 2 last week, she rode Wicked N Single’s pocket, and she fell just a half length short. She is sharp, she gets Doug McNair, and she looks like the main threat to the top pick here.

#9 LADYTERRA closed from tenth to fifth three weeks ago after starting from the widest post, then she drew inside in her penultimate start, and she was bet like she couldn’t lose. Her odds plummeted from 39 to 1, 38 to 1, and 23 to 1 in her previous three starts, to 7 to 5 favorite. She obliged chalk bettors then she doubled up last week while taking a new lifetime best. Her main barrier tonight is her wide draw, but she isn’t out of this.

#3 COLD CREEK ESPERO is one of the best closers in here and she gets a much better post this week, so she should be able to stay closer to the front early in this mile. She will offer a big price in here, and she could sneak into the exotics.

#1 STAG ROYAL is another mare that will no doubt get sent off at a long price, and she will probably stay glued to the pylons and look to pass some rivals in the stretch. The value in this race might come from finding some bombs to use underneath.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2026 earnings
3 year olds	50%		25% on 2026 earnings
			50% on 2025 earnings
4 year olds	25%		25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.
