Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

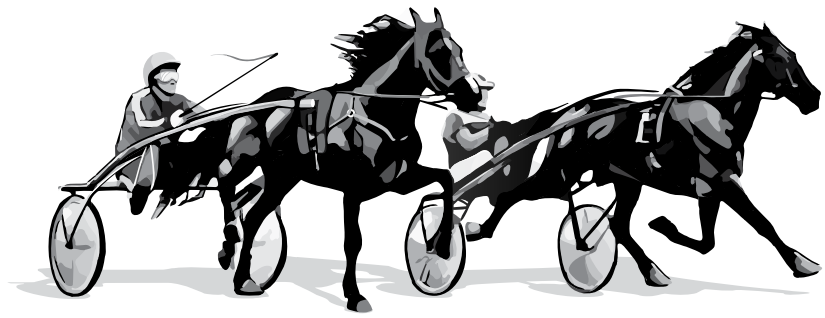

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 WHOLETTHEDOGSOUT prior to his most recent start had been facing tougher company for most of the year than he was going to face in Grassroots Leg 4A. It was only four starts back where he paced a 1:48 3/5 mile and was beaten only a length by Gold colts and geldings. He drew best eight days ago and getting in against Grassroots company it seemed likely that Mark Macdonald would be sending him. That was exactly what transpired, and this sophomore Bulldog Hanover colt dominated those Grassrooters and lowered his lifetime mark to 1:50 2/5. He draws decently here in a race restricted to Grassroots starters, and him making his last start in Leg 4A qualifies him to race in this field. Coming off that impressive score, he gets top billing here in the first leg of tonight's \$75,000 guaranteed Pick 5.

#5 JOHNNY ANGEL hinted at a return to form on August 8th when he showed some big speed to the stretch before getting passed by four rivals. He was much better here 12 days later when he was in Grassroots Leg 4A. Once again, he showed big speed and he carried it farther, but he couldn't fend off a live longshot that fired a 27-flat final quarter to record the sub-1:50 winning mile. I could see this gelding finding the pocket following Wholetthedogsout tonight, and that gives him a shot.

#7 TILTHECOWSCOMEHOME dominated in Grassroots Leg 3 at Hiawatha Horse Park three starts back, then he raced well in his next two starts, he was simply no match for sharp rival Exactly Correct who took the win in both of those miles. This colt fits well at the Grassroots level, and he is in with a shot tonight not having to face Exactly Correct.

#9 WINDOR had a nice season last year at two, amassing more than \$222K in earnings but it has been a bit of a tougher ride so far this season where he raced against some of the best sophomore pacing colts for much of the year. He got to take on an overmatched field of non-winners of three two starts back at Georgian Downs, and he had no problem converting while paying the smallest \$2 win bet possible. He then raced okay to get third behind Wholetthedogsout, and he can get a piece of this at a square price starting from a wide post.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 WAVES OF FORTUNE turned a corner when she took her maiden win on August 6th despite having missed 17 days coming into that race. Despite that absence, she still managed to rally in 26 1/5 to get her maiden win as the 1 to 5 favorite. She returned 11 days later in an OSS Gold race, and she was bet down to 1 to 9 – with good reason. After taking over the lead in the second quarter, she cruised to her second win, and she lowered her lifetime mark to 1:51-flat. She draws widest in this Grand Circuit elimination, so she likely doesn't have much choice but to go forward leaving the gate and control her own destiny. She gets the call to repeat here.

#5 CHAROLAIS CATTLE got Louis Phillippe-Roy in the bike three starts back and she made a big final turn move then won a Grand Circuit race going away. She ended up out of position in her next start in the same Gold race that Waves of Fortune was a close second in. She chose to sit on the sidelines for close to four weeks between Gold starts and she did okay to close for third behind Waves Of Fortune. She comes back much quicker tonight, and she moves from the rail post to the middle of the gate, and that gives her a chance to turn the tables.

#2 TREACHEROUS NOVA raced four times prior to last week's start in the Final of the Grade 3 Whenuwishuponastar Stakes, and she paced two final quarters in 26 3/5 and two others in 27 1/5. She was given a more aggressive drive last week, and she took over the lead at the head of the lane then outsprinted her rivals to take her first sub-1:52 win. I think she is in tougher here, but she is improving, and she can be right there with these if she takes another step forward.

#3 LYONS FLURRY has raced five times, and she hasn't gone off lower than 12 to 1 in any of those five miles and she also hasn't finished worse than fourth. She is still a maiden, and while I don't see her changing that tonight, she is probably a good one to use underneath.

Race 3 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 TWIN B JOE FRESH kicked off her six-year-old campaign here at Mohawk Park in the Grade 1 Roses Are Red elimination and final, and she wasn't very good in either one of those miles. After getting a perfect second-over trip in the elimination and spinning her wheels to finish fourth, she raced first up in the final and floundered to finish ninth. Since those two sub par miles, she has thrived, taking three wins and in five starts and finishing second in the other two miles to her outstanding stablemate Miki And Minnie. With that stablemate unfortunately sidelined due to injury, this race should go through her. The only concern is that this is a prep for next week's Milton Stakes that doesn't require eliminations and starting from the rail I'm not sure how aggressive she will be early in this mile. She gets the call to start up tonight's early Pick 4.

#7 FRANCENT N is interesting here because she was supplemented for \$20,000 to the Milton Stakes so it seems likely that they will want a good result here testing the waters prior to that stake next week. She has raced four times since shipping overseas from New Zealand, and she has got progressively better. Her last winning mile where she raced first up and powered away to win a fillies and mares invite at Yonkers was particularly strong. She will surely need a lifetime best mark to win this race, but she might be up to it.

#2 ABSOLUTION is on a nice roll having won at the top level locally in her past four starts, and she couldn't be any sharper. She has shown herself to be a versatile mare, winning from the back, racing from the pocket or leading the way. She gets a big test here racing against Twin B Joe Fresh, but she is worth a look tonight because this prep could turn out to be a bit of a cat and mouse game with next week's final in mind, and if she makes front and is allowed to steal a breather, she might be able to steal this race.

#5 LOUIES GIRL N has raced against the best older mares all year and she has only missed the board twice. Starting from the middle of the gate tonight, she will likely put herself into the race early and get positioned close to the front. She can stick around for a share.

#2 JERSEY BULLDOG prior to her last start had made one start in OSS Golds and on that night (July 19th), she got a tough trip, trying to make up six lengths in the back half on leader Twin B Mayreau. She was forced to race first-over when no one in front of her pulled, and she simply had too much to do in the back half. She was closing in deep stretch, but she simply ran out of real estate. She then cruised to dominant victories in both the elimination and final of the Battle of the Belles and raced in OSS Gold again on August 17th where she closed as the 6 to 5 favorite. She had no excuse in that mile other than the final quarter was paced in 27-flat and she was trying to circle wide. She paced home in 26 3/5 and I wonder if she will get more aggressive in this Grade 3 Grand Circuit race. She is one of several that you could back in this opening leg of tonight's 20-cent Pick 6.

#6 TWIN B COPACABANA is a racy looking Cattlewash baby that caught the eye on debut here on June 25th. The \$90,000 London Classic Sale buy was racing sixth on the inside rounding the last turn, needing racing room. She stayed along the pylons into the stretch and began to close while racing in close quarters, and she paced up to get third without ever getting full clearance. She closed in 26-flat, and she crossed under the wire with plenty of pace. Flash forward to her race in Gold Leg 1, she sat third to the last turn and she pulled first-over at which point the pocket sitter popped out and forced her three wide. She paced strongly to the wire to finish a narrowly beaten third in a good effort. She raced evenly in her third start, then she converted 17 days later. She parlayed a good trip to an upset score in the same Gold race that the top pick exits. Starting from the best post here, she could work out another good trip. She figures to be a threat right back.

#8 MONEY CARLO made things easy for Jersey Bulldog in the Battle of the Belles final when she broke before the start. She was perfect coming into that race, and she bounced back well last time where she led to deep stretch before being overtaken by Twin B Copacabana on the inside. She will surely get another aggressive steer here starting from the widest post, and she isn't out of this.

#4 TWIN B MAYREAU is yet another filly that comes out of the same race as the top three picks in here and she got one of the best trips that night sitting the pocket to the lane and she finished just evenly. She could be sharper here making her second start back following a month off, but I prefer to use her underneath.

#4 BEST CHIP is certainly the “now” horse in the older male pacer division having paced two winning miles under 1:47 in his last four starts including a tour-de-force 1:46 1/5 smoke show in an Open pace at the Meadowlands on Hambletonian Day. He didn't get an easy trip that afternoon as it took him past the half to clear to the front and it required him pacing a 26 2/5 second quarter to get there. Still, he was able to pace a 52 3/5 back half on route to registering one of the fastest times in harness racing history and the fastest time in North America in 2026 so far. He was supplemented to this edition of the Canadian Pacing Derby for \$40,000 and his strategy in this race will be no secret. Catch and beat him to greet the cashier.

#7 BYTHEMISSAL reached peak form three starts back when he rallied to score a monster 57 to 1 upset in the Haughton while just missing his lifetime best mark by one fifth of a second. He then missed four weeks, but he raced well in the Sam McKee Memorial, toughing it out first-over and finishing a narrowly beaten third. He was aggressive again in his next start in the Dan Patch at Hoosier Park, but getting stung in a 25 4/5 opening quarter took its toll. He is probably in his best form now, and he can be an Exacta factor here.

#2 FALLOUT drew wide in the Dan Patch, and he didn't have much of a chance when he started eleventh. I can't remember any recent races where a horse passed 10 rivals to win a major stake. He did okay to pass half the field and get the smallest cheque, and he could sneak into the exotics at a price here starting from the inside.

#9 OAKWOOD ARDAN IR can dial up a big final quarter on occasion, like the 25 4/5 kicker that he paced in the McKee Memorial in his last start. He no doubt will need to pass many – if not all – of his rivals to get the job done tonight, and that seems unlikely. What is possible though, is him working his way into the bottom of the exotics at a price. The value in this race probably lies in finding the ones that will finish behind Best Chip.

#3 SHALOM HANOVER brought \$50,000 at Harrisburg and this speedy son of Papi Rob Hanover has already earned more than three times that purchase price back with plenty more to come it seems. He is out of a dam that also produced millionaire Scarlett Hanover, who interestingly has her first foal racing this year. That colt, Starstruck Dreamer, is four for four and he just set a 1:48 4/5 World Record at Harrah's Philly. This colt kicked off his career with identical 1:50 4/5 wins then he turned it up a notch and broke the Pocono Downs Track Record in his third start. He returned home and jogged in the Grade 3 Dream Maker, and he paid the \$2.10 minimum. This Grand Circuit race looks like an easy spot for him, and he looks like the proverbial "free square" to start up tonight's middle Pick 5.

#6 BIG D ENERGY is a homebred Control The Moment gelding that is related to four that earned more than \$100,000, the best of which is Boiling Oar that has won 58 races and has earned more than \$957K from 242 starts to date. This gelding got a conservative drive on debut, and he looked good closing in 54 2/5 and passing horses. He was more aggressive in Leg 2 of the Grassroots, and he was an impressive driving away winner in 1:52 1/5. His then broke at the start in his third race, but he bounced back well in his first OSS Gold try on August 16th, racing first-over and hanging in there for third. The key to this race will be to figure out who is going to get second behind Shalom Hanover. Starting from the best post, I think Mark Macdonald will be looking to blast off the gate and look for the pocket early. If he can achieve that, he can finish second.

#4 YES I AM HANOVER is an obvious candidate for the exotics coming off a mile where she showed speed, took a shuffle, then re-rallied to get second in an OSS Gold race. He drew okay in here, and he should work his way into the Trifecta again.

#1 TH THEO steps up from the Grassroots here, but he comes off a strong effort where he was parked a long way from post 10 and still stayed game to hang in there and finish third, Starting from the rail tonight, he can't get that same park job. He could trip out here and hit the ticket.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 ATHENAS GIRL cost Brad Grant \$300,000 at the Harrisburg Sale being by perennial top sire Walner out of a dam that has produced three that earned more than \$329,000, including 1:61 1/5 (M.) trotter Millies Possession, who won 11 of 14 starts and earned more than \$504,000. This filly had early gait issues, breaking in all her first three starts. She added trotting hobbles on August 7th and she put it all together to break her maiden in style, winning easily in 1:53 4/5. She was bet down to 4 to 5 in her elimination for this Grade 1 Grand Circuit race, and she was a comfortable winner. Her trainer just took his first Hambletonian win and when he gets them good, they typically stay good. This improving filly gets top billing here.

#5 DATAPRIVACY is an impeccably bred Determination homebred being by one of the greatest trotting sires of all time and out of their \$962,000 earning Grand Circuit winning dam. She qualified twice leading up to her debut here on July 20th, and she improved in the second qualifier. This filly made a move from fourth to second in the third quarter, but the leader was long gone at that point. She trotted home well that morning then she raced only evenly in her debut. She moved off the rail for her second start and she was much better. She drew wide in her third start, and she converted to take her maiden win then she was let go at 23 to 1 in her elimination for this final last week. She stormed home to notch the upset and she still has plenty of upside. She gets a good post tonight, and she is worth a look for the late Pick 5.

#1 NEVIS PEAK is another filly that couldn't be bred much better being by one of the best sires in history and out of a Hambletonian winner. She looked a bit flat last week in her elimination, and she can be better coming back in seven days here. I prefer to use her underneath, but she will offer a better price tonight if you still like her.

#9 CITY OF LIGHT has done nothing wrong so far in her three starts to date and she looks like one of the best ones in here, but she has her work cut out starting from a wide post. She is another one that I prefer to use underneath here.

Race 8 Selections

#7 ERVIN HANOVER rarely gets beat on home soil and he is three for three here at Mohawk Park so far this season. He put in a workmanlike effort to take a win in his most recent race for a purse here on July 25th, then he was a vet scratch at the Meadowlands on Hambletonian Day. He showed that he is sound with a blowout 1:49 4/5 qualifier win last week where he powered home in 25 4/5. He is the King of the Hill at this racetrack until he gets dethroned, and he gets top billing to kick off tonight's late Pick 5.

#9 PRINCE HAL HANOVER is having a great season so far having taken four wins and eight slices from 12 starts while earning close to \$623,000. He has shown himself to be a versatile competitor, so post nine shouldn't be a huge issue for him in this spot. He figures to be the main threat to Ervin Hanover tonight.

#1 WOMEN LAYER was really good winning the McKee Memorial on Hambletonian Day, racing first-over and grinding his way to a 1:48 2/5 victory. Since then, he got an impossible trip in the Dan Patch Stakes after starting from the second tier, then he bounced back to take an Open win at Scioto as the 1 to 5 favorite. He could work himself out a good trip starting from the rail tonight, and he can be an exotics factor.

#5 AYEAYE CAPTAIN DEO lowered his lifetime mark to 1:47 3/5 racing at this track this year and that was the fastest winning mile in the country then, and it still is now. On that night, he closed in 25 1/5 to win a leg of the Graduate Series. His connections paid the \$40,000 supplement to enter this race. His issue is his typical closing racing style that often puts him behind the eight ball. I see him closing for a slice tonight.

The Horseplayer's Journal by Garnet Barnsdale

#6 OCEAN STORM brought \$90,000 at the Lexington Sale being sired by top stallion Chapter Seven and a full brother to four-time winner Number Seven. This colt was an impressive winner on debut at Tioga Downs where he overcame a slow early pace and powered away from his rivals after making a strong first-over move. His connections, buoyed by that terrific maiden win, got ambitious and tried the elimination for this Grade 1 Grand Circuit race. He dropped four seconds and he finished full of trot after angling to the three path late in the stretch. Starting from the best post tonight, I'll take a shot with him to score the upset in this year's edition of the Bill Wellwood Memorial.

#2 DETONATER HANOVER is a \$80,000 Harrisburg Sale purchase by top Ontario trotting sire Muscle Mass. This colt looked good winning his lone qualifier on June 12th, making a second quarter move to the front and winning easily although he did run before the wire. He was bet a bit on debut, going off at 9 to 2, and he raced well in that OSS Gold event. He looked like he was going to be the winner until Unstable Genius hit his best stride. That was a nice debut, and he raced well again in his second start, and he might have won if a rival didn't break right in front of him on the last turn, forcing him a couple of lanes wider than he wanted to be. That ground loss might have been the difference considering he was only beaten three quarters of a length. He was a very impressive winner of his elimination of the Grade 3 Millard Farms stake and followed it up with a workmanlike win in the final. He then trotted the fastest winning mile of any in here in a grinding elimination win. He is clearly the colt to beat in here.

#3 GIOS HOPE cost \$85,000 at the Lexington Sale and this son of top trotting sire Chapter Seven is related to three winners including 1:53 3/5 (F.) trotter A Hopeful Prayer. This Marcus Melander student was a two-time winner from three starts in the New York Sires Stakes, coming into last week's elimination, his only loss coming at Monticello where he got parked the mile. He had no problem overcoming the rail post last week when winning that elimination, and as previously stated, once Melander gets them good, they typically stay good. He is an obvious threat.

#5 TOP REACHER raced well in defeat last week and he made Detonater Hanover work to beat him. He has done nothing wrong in his first five starts and he is capable of beating this prediction if he gets a good trip.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#3 L A CAPTAIN cost Determination \$200,000 at the Harrisburg Sale being a son of top pacing sire Captaintreacherous. He raced okay on debut, closing in 26 1/5 while finishing fourth behind a 1 to 5 winning favorite. He tried a Grand Circuit race for start two and he finished a respectable fourth behind a debutant who fired a 1:50 4/5 winning mile in that debut. This colt was a predictable winner in start three then he overcame some trouble to get second behind Nineeleven Hanover. He met budding star Shalom Hanover for the second time last week in the Grade 3 Dream Maker, and he was no match for that colt, but he was best of the rest. He should be the boss tonight with Shalom Hanover drawing into the other division of this Grand Circuit race.

#5 MASCARPONE was second to his stablemate Shalom Hanover in a Grand Circuit race on debut, pacing a 1:51 1/5 mile in defeat in his first start and that's not something we see very often with two-year-olds. He fired back 15 days later and he posted a 1:51 4/5 maiden breaking score. Things didn't go so well in his next two starts, but this looks like a good spot for him to rebound. If there is one that might knock off the top pick in here, it is probably this colt.

#1 BILLY HILL is a homebred Captaintreacherous colt that started to turn the corner in his third start where he motored home in 26 4/5 to get third behind L A Captain. He parlayed that good effort into a maiden breaking score two starts back where he took over command at the half then led the way home from there. He was good last week, closing in 25 4/5 to get third behind Shalom Hanover and L A Captain. I suppose he might be able to knock off the top two if everything went his way tonight, but that's hard to predict in a short field.

#4 TRASHNYOURDREAMS tried the front end last week and he tired late. He does better when he stays covered up and saves one move for the stretch drive. He almost certainly will get a more conservative steer tonight, and I could see him landing in the Tri or Super

Race 11 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 DONT DROP THE BALL had missed more than a month between starts when he raced here on July 25th, so it wasn't a big surprise to see him raced conservatively. He was loaded with pace in the lane after taking a shuffle, and he tried to make a move between horses, but he was stymied and he got jammed up. He was forced then to change course a couple of times, and it was noteworthy that he got up for fifth considering his stretch adventures. He dropped in class for his next start, and it was predictable that he was raced more aggressively. He was sent first up in the third quarter, but that was a 27-flat fraction, and he spun his wheels around the last turn. He dropped back in early stretch, then he came again, and he was finding his best stride when the wire hit. In his next start, he took no chances, moving to the front early then dominating his rivals in 1:49-flat, a new lifetime mark. He bettered that in his last start where he scorched the Mohawk Park surface to the tune of a 1:47 3/5 new life's mark. He steps up a few class levels tonight, but he is so good right now that he might just be up to it.

#5 DELRAY BEACH moved up to tonight's class level off a loss to Drop The Ball in his previous start, and he was able to work out a good trip and notch a huge upset. That he was able to make that successful move up in class should bode well for the top pick in here. If this gelding can work out another pocket trip, he might be able to turn the tables tonight.

#3 JACK PANIC tried it first up in the mile where Delray Beach won from the pocket, and this veteran gelding hung in there to stay for third. He will likely look to sit another trip racing close to the front, and he is probably a good one to use on the bottom of the exotics in this spot.

#8 WAFFLE BLUE CHIP laid down some big fractions last week and that just set the table for Delray Beach to score the upset. With Don't Drop The Ball also probably looking for the front in here, this Sweet Lou stallion will likely be forced to take a seat early. I prefer to use him underneath tonight.

Race 12 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 UNCLE SHANK A seems to land in an ideal spot here in this 12-horse field that features a High-5 carryover of more than \$200,000 and a mandatory payout. He draws the best post with little chance that any of the four horses lined up to his right will leave hard. He surely can outspurt the five to his left. So, like he did two starts back when he left from the best post, he should be able clear to the front and lead his rivals on a merry chase like he did two weeks ago when he bottomed out the field in a new lifetime best of 1:48 1/5. This mandatory High-5 goes through this veteran ridgling.

#4 SILVERWALLS has been in four straight miles where the opening quarter was cut in 26 1/5 or faster, and he made front in one of them and laid third in the other three. There is a good chance that he can land in the pocket tonight, and if this race lines up 6-4 leaving the gate, there is a decent chance that it will finish with Uncle Shank A on top and this gelding second.

#2 PACINO HANOVER drew two straight 10-holes in his two most recent starts and he had no shot after dropping to the back early. Moving inside tonight gives him a much better chance to lay closer to the front and he should be able to pass a few late to work his way into the High-5.

#3 VANDIEMEN BLUECHIP ships north from the U.S. in sharp form, and if he can find Uncle Shank's pocket early, he will likely better this prediction. I think there is a better chance that he lands third or fourth, though, and that would make his task tough. Regardless, there is a very good chance that he will land in the High-5.

#1 MAJOR PERRY has missed the top five only once in his past six starts and that was on a night where he drew the 10-hole. He will likely stay glued to the pylons tonight in mid pack and emerge in the stretch to pass some tired rivals. He should be another good one to use underneath.

My 20-cent High-5 ticket: 6/1234/1234/1234578/1234578 = \$48

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2026 earnings
3 year olds	50%		25% on 2026 earnings
			50% on 2025 earnings
4 year olds	25%		25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.
