Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

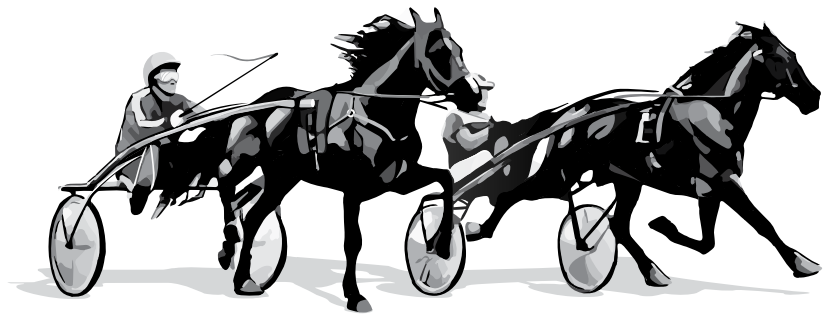

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- Horse's number in the race
- Horse's post position colour
- Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- Morning line odds
- Horse's name
- Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- Trainer information
- Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Campbellville. The Woodbine Mohawk Park Racetrack is located within the traditional Lands of the Mississaugas of the Credit of the Anishinaabek Peoples and the Haudenosaunee on whose traditional territory we are meeting. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Mohawk, our namesake, is one of the Haudenosaunee Nations. Kanyen'keha:ka (Mohawk) meaning "the People of the Flint".

Woodbine Mohawk Park is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 HELLUVA N shipped to Prince Edward Island for the Gold Cup & Saucer, and he raced great to win his elimination. His fate in the final was sealed when he drew an outside post, and he got parked most of the way and tried a wide move that didn't work. He got close to three weeks off and he raced just evenly against a tough group in a very fast mile. He should be better here racing back in a week and getting the best post, and he is one of many that you could consider using in the \$75,000 guaranteed early Pick 5 in what appears to be a competitive curtain raiser.

#6 UNCLE SHANK A always goes to straight to the front when he draws the best post doesn't he? Since July 11th, he drew post six three times, and in every one of those miles, he was leading at the quarter. The last two times he left from the six-hole, he paced 1:48 1/5 miles. One of them was good enough for a win and in the other, he got picked off by the pocket sitter. He no doubt will blast here, and play catch me if you can, and his best effort puts him right there on the wire.

#4 JK BLACK GOLD got a driver change to Doug McNair two starts back, and he drove this gelding last September, he won two straight with him. It was expected with that switch that he would get a more aggressive steer, and McNair moved him first-over in the third quarter to chase after loose leader Captain Hurley. This gelding produced a 27-flat final quarter kick to get the job done and lower his season's best mark. He was even better in the final, once again kicking in 27-flat to that time lower his lifetime best mark to 1:49 2/5. He is no doubt in tougher now, but he is razor sharp, and he should be closing late again. McNair stuck with him over Ripasso, who he also drove to a win in his last start.

#7 RIPASSO got perhaps the drive of the year at this track when he was unleashed in the third quarter by Doug McNair and he rocketed past the leaders via a 25 4/5 third quarter. He opened up enough of a cushion that he could coast to the wire and win in a new lifetime mark. McNair sticks with JK Black Gold here and this gelding picks up Dexter Dunn. Stepping up in class, I prefer to use this one underneath tonight.

Race 2 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 SHALOM HANOVER brought \$50,000 at Harrisburg and this speedy son of Papi Rob Hanover has already earned more than \$400,000 with plenty more to come it seems. He is out of a dam that also produced millionaire Scarlett Hanover, who interestingly has her first foal racing this year. That colt, Starstruck Dreamer, won his first five starts, and he broke a 1:48 4/5 World Record at Harrah's Philly three starts back on August 14th. This unbeaten Ian Moore trainee colt handed that rival his first loss of his career in their last start when he scooted up the pylons to nip him in the Pennsylvania Sires Stakes championship. There are no rivals in here that look as tough as Starstruck Dreamer, and this colt should have no problem extending his win streak to seven in this elimination for the Grade 1 Metro Pace.

#3 ROSE RUN COWBOY is one of two that ships north for this edition of the Metro Pace for the Burke Brigade, and he has had a good start to his career, taking three wins and three slices from his first seven starts. He just had a three race win streak broken in his last start, but he was dead game in defeat in the New York Sires Stakes Final. He no doubt will be faster racing on the bigger track tonight, but he would probably need to dial up 1:50 and change speed (or faster) to take down Shalom Hanover. It seems more likely that he will complete the Exacta.

#4 CATTLETRACKS is Doc Moore's other entrant in this Metro Pace elimination, and this improving colt is no slough in his own right. He took his first stakes win in a Grassroots leg here on August 13th, and only a month later, he was jogging in a Grade 3 Grand Circuit race in a snappy new lifetime best of 1:50 1/5. He is sharp, but I think he is in quite a bit tougher tonight. I'll play to beat him out of the Exacta.

#1 TH THEO is one of three sons of Cattlewash in here, and he just tripped out to win an OSS Gold race and lower his lifetime mark to 1:50 4/5. There are at least a couple in here that surely will out leave him, but he can sit an inside following trip in mid pack, and land in the bottom of the exotics.

The Horseplayer's Journal by Garnet Barnsdale

#7 SECRET SOCIETY moved into Dave Menary's barn on July 9th coming off a sick scratch and prior to that a break in stride. He did get in easier in that spot, though, and despite missing more than a month, he paced his way to a win and a new lifetime mark. He fired back two weeks later in the same class, and he led all the way to lower his lifetime mark to 1:51-flat while being claimed by Jamie Copley. He faced tougher on August 8th, but he had no problem getting up to score the threepeat while beating non-winners of two that night. He was a victim of pace three starts back and not even firing a 53 4/5 back half and a 25 4/5 kicker could get him closer than two lengths behind the winner at the wire. He faced that same rival again in his last start on August 28th, and he stepped it up and produced a lifetime best performance while pacing the first sub-1:50 mile of his 16 race career. Last week, he fended off the heavy third quarter assault from Dad, only to get picked off by the 2 to 1 co-favorite in another sub-1:50 mile. He couldn't be any sharper right now, and he gets top billing to start up tonight's early Pick 4.

#2 I LOVE THIS BAR made his third start back last week, and I thought he raced well against Secret Society. He left hard enough from the best post to make front, and he gave up command to Secret Society in the second quarter. He tried to rally from the pocket in the lane, but he didn't get clearance for his bike until they were inside the sixteenth pole. He lost the sprint to the wire, but he did pace his fastest mile since returning from a six week absence. He is in with a chance tonight.

#3 DAD is another one that raced well in that same mile, but he had the toughest trip racing first-over. He hung in there to deep stretch, and he could be right there tonight if he can find some good cover or land in the pocket like he did three starts back when he took a new lifetime mark. He is another contender to consider.

#6 STAY FRESH is on a good roll but he steps up to face some tough non-winners of three rivals. He closed to finish third to the top pick in here three starts back which was the last time he raced at this level. He draws best and he has Dexter Dunn listed to drive. He should be part of the exotics again.

#5 EXACTLY CORRECT was strong in victory in Grassroots Leg 4A three starts back where he made an early move to the front then dominated from there. He tried the front again in his next start in Grassroots Leg 4B at Kawartha Downs and he got stung early to a 25 3/5 opening quarter which is probably a record at that five-eighths oval. He never got any breathers from there, and it was no surprise to see him back up late. He bounced back well a week later when he got a much better trip and was able to chase down leader Secret Society late in the mile. He has two 1:49 4/5 wins in his past three starts, and he looks clearly best in this Grassroots Leg 5. He gets top billing to start up tonight's 20-cent Pick 6 bet.

#7 BARRACUDA HANOVER should enjoy getting away from tough rival Tilthecowscomehome tonight. He also comes off a strong effort in Grassroots Leg B where he raced great in defeat, pressing strong fractions racing first-over and just missing against that aforementioned rival. He is sharp and he gets a positive driver switch to Bob McClure tonight. He appears to be the main threat to Exactly Correct in this spot.

#3 P L TACO took a following trip last time and he finished willingly on the end of his mile while encountering a bit of traffic late in that mile. He likely won't take much action in here, and I could see him riding the pylons again tonight and finding his way into the bottom of the Tri or Super.

#2 HALL OF FEAR has landed in the money in both of his last two starts, both in Grassroots legs, but he comes into tonight's race off a sick scratch, and he faces some sharp rivals. He is capable of getting a good piece of this on his best night, I just wonder what effect that sickness will have on tonight's performance, He is one that I prefer to use on the bottom tonight.

Race 5 Selections

#5 D A ALLJOKESASIDE cost only \$18,000 at the London Classic Sale, and he is the seventh foal from his dam. His six siblings have all been winners, the best of them being Mighty Mary (18 wins, \$90K, 1:56 H.). He debuted here on August 6th, and he raced great when you consider his trip. He suffered interference heading into the first turn when a rival couldn't handle the turn and veered right in front of him. He was far back to the last turn, then he started to find his best stride coming off the last turn. He eventually angled to the far outside, and he flew late to win the race for place. He drew better for his second start and his odds dropped from 69 to 1 to 8 to 5. He was a predictable winner that night and he fired home quickly to get the job done. He draws best two weeks ago for his OSS Gold debut, and he was bet down to 4 to 5 favorite. He raced well only to get picked off by the pocket sitter late in the mile. He will be an even bigger favorite tonight facing non-winners of two, and he should prove tough to beat in here.

#3 CAR WASH BLUES got leading driver James Macdonald in the bike two starts back, and he immediately showed improvement, pacing a 54 4/5 back half and closing some ground late. He was even better last week when he dialed up a 27 1/5 kicker to get up for an 18 to 1 upset score. He will likely be passing rivals late again tonight; he can be an Exacta factor in this spot.

#4 D A BODACIOUS tried a first-over middle move last time and he managed to work his way from eighth at the quarter to the lead in the stretch, but that trip turned out to be too long, and he tired late in that mile. He gets Jody Jamieson back in the bike tonight and he will likely get sent forward leaving the gate this time. I could see him getting a better trip and landing in the Tri.

#10 SMILIN PETE is an All Bets Off homebred that has 14 starts all on B tracks and he has built up a nice record of 4-2-4 while earning more than \$18,000. He won't get bet at all here facing much tougher and drawing widest, but it's interesting that he has attracted Doug McNair to drive. He gets a look for the bottom of the exotics.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 WAFFLE BLUE CHIP got to drop a few class levels two starts back and he came off two decent efforts against non-winners of \$25,000 last four company in two starts previous. He unfortunately drew the 10-hole, so there was little chance to make front where he probably wanted to be considering that he was getting post relief. He moved inside last week, and he got bet down to 8 to 5 favorite, but he got out sprinted early and he was simply too far back to threaten for the win. He closed well to get third, now he draws the middle of the gate, and he has Dexter Dunn listed to drive. Assuming that Dunn will provide this Dave Menary trainee with an aggressive steer, he gets top billing to start up the middle Pick 5.

#6 JORDY N was in tougher than tonight's class when he was last seen racing here in late July and early August and that was before he shipped to Prince Edward Island for the Gold Cup & Saucer. He raced great twice when you consider that he never saw a pylon in either his elimination or the final. He fits well in this class, the only concern with him is that he has been off for four weeks. If he is sharp enough, he can be right there at the wire with these.

#2 ALLSTAR MANIAC dropped to tonight's class level last week and he made an aggressive second quarter move to the front, but he couldn't see it through to the front, but he couldn't see it through to the end. That was still a good effort, and I think he will look for a covered trip tonight. He is another one in here that could do with the right trip.

#8 SOS SPORTS BET raced well at this level two starts back and after sitting the pocket most of the way, he did come on late and catch Allstar Maniac for second. He will most likely get sent forward at the start again, and he should be part of the exotics in this spot.

BEST BET: WAFFLE BLUE CHIP

#5 EASTIE BOY comes into this Metro Pace elimination off a mile where he finished third behind Shalom Hanover and Starstruck Dreamer and that is certainly a good frame of reference. He is only a two-time winner, but his second win was a big effort in a Pennsylvania Sires Stake two starts back. He is clearly peaking at the best time, and he is the obvious one to take down tonight.

#6 BIG D ENERGY is a homebred Control The Moment gelding that is related to four that earned more than \$100,000, the best of which is Boiling Oar that has won 58 races and has earned more than \$957K from 242 starts to date. This gelding got a conservative drive on debut, and he looked good closing in 54 2/5 and passing horses. He was more aggressive in Leg 2 of the Grassroots, and he was an impressive driving away winner in 1:52 1/5. He then broke at the start in his third race, but he bounced back well in his first OSS Gold try on August 16th, racing first-over and hanging in there for third. He got every penny he could two starts back in the Grade 3 Nassagaweya Stakes when he closed for second because no one was beating undefeated star Shalom Hanover. Then in his last start, he made an early break but recovered to get a share. He can be an Exacta factor if he behaves tonight.

#2 MASCARPONE is the stablemate to undefeated Shalom Hanover, and he is better than his eighth place finish last week in the Grade 3 Champlain Stakes would suggest. He was driven aggressively pressing some big fractions, and in this elimination with a short field, the fractions almost surely will be much softer. He should be able to stick around for a slice this time.

#4 HIGH RISE HANOVER was racing well when he tried a Grand Circuit race last week and after drawing wide, he dropped to the back, and he never made an impact. He draws much better tonight, and he can get positioned closer to the front leaving the gate. He is worth a look for the bottom of the exotics.

#3 STONEBRIDGE HELIOS dropped and popped three starts back in a mile where he sat the pocket in very fast early fractions then pounced at the head of the lane and made a quick move to open up an insurmountable lead. He stepped up and in his next two starts he drew poorly for both of those starts and he didn't show much in either of those miles. He gets a better post now and he attracts Dexter Dunn who will likely look to send him right down the road. He gets top billing here.

#2 MAJOR PERRY N is the other class dropper in here that merits a close look. Like the top pick, he last won a race when he dropped in class, but that win came one class lower than tonight's on August 8th. He will need to start a bit faster than he has been in recent starts, but if he can get away in the top five like he did on August 8th, he can be right there tonight.

#10 R J RINGO was featured as a Spot Play in this Journal last week, and he raced great in defeat. He was intent on making front and taking no prisoners, and he laid down some strong fractions. He turned for home looking good, and just when it looked like he was going to be a 15 to 1 winner, Pacino Hanover appeared on the scene with fresh legs on the far outside and he rolled past. That was a strong effort, but now this gelding draws widest. A smaller share is likely his ceiling in this spot.

#6 BOLD SPIRIT raced decently here last week after starting from the rail when he got away third, sat a trip, then rallied to land in the money. Starting from the best post tonight, he will likely get put into play early again. I could see him getting a similar trip and getting another small share.

Race 9 Selections

The Horseplayer's Journal by Garnet Barnsdale

#6 ERVIN HANOVER is still one of the best older pacers in the sport, although he hasn't been as dominant this year. After starting the season with three straight wins, he has taken losses in three of his last four starts including a seventh-place finish in the Canadian Pacing Derby Final here two weeks ago. That being said, he takes a big class drop here, and last time he raced in this Open class in late July, he was a winner at 1 to 9. I can't find a way to beat him against these, and he will be a popular single in this first leg of tonight's late Pick 5.

#7 DALTON SHARD N dropped and popped two weeks ago as a big favorite, then he stepped up to the Open level last week and he was sent off at a much higher price. He worked out a second-over trip and closed well to get second behind 6 to 5 favorite Crack Shot, and he paced the fastest mile of his life in defeat. He can be an Exacta factor again tonight if he can work out a similar trip.

#2 AYEAYE CAPTAIN DEO can be a fun horse because of his deep closing style because every once in a while, he dials up a huge closing brush like he did in May here when he came flying down the middle of the track to win a leg of the Graduate series, closing in 25 1/5 to get the job done. He also motored home to finish a close fourth in his Canadian Pacing Derby elimination. The issue I have with him is he might not get the pace or trip he needs in this short field, and I'll try to beat him out of the Exacta this time.

#4 DELRAY BEACH won two straight in August and those wins forced him up into the top class for his next two starts. He raced okay to finish fourth in his two tries at the Open level, and he should be able to get a good spot racing near the front again then stick around for another small slice.

Race 10 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 TILTHECOWSCOMEHOME turned his season around when he was dropped down from the Grand Circuit to a Grassroots race on July 25th and he crushed the field that night in Grassroots Leg 3 at Hiawatha Horse Park. Since then, he hasn't missed the Exacta in four starts, and two starts back he lowered his lifetime mark to 1:49 1/5 racing against Grassrooters here two starts back. He parlayed that into a Grassroots win in Leg 4 B at Kawartha Downs two weeks ago. The common denominator in those victories is that he has been aggressively handled and tonight should be no different in Grassroots Leg 5. He gets top billing to start up tonight's late Pick 4.

#3 ODDS ON BULLFROG will get plenty of attention at the windows tonight based on the recent company he has been keeping, and the class drop that he is taking tonight. In his last four starts, he has been in against either OSS Gold colts or salty older pacers. Looking seven starts back, he was a big winner in Grassroots Leg 2 in 1:49 1/5 where he led all the way. He will likely look to deploy similar tactics tonight and get the same result, and it will not be a surprise if he succeeds.

#7 WHOLETTHEDOGSOUT is the other interesting colt in here because he has only tried Grassroots races twice, and in both of those miles, he was an easy winner. He likes the front end, so there might be a skirmish heading into the first turn. He is the third legitimate contender in this competitive looking Grassroots leg.

#5 JOHNNY ANGEL is having a good first season of racing with four wins and eight slices from 14 starts and he has earned more than \$84,000. He has shown himself to be versatile and he will likely need that ability to adapt in here because it seems likely that the top two picks will out sprint him into the first turn. He is sharp, but I prefer to use him underneath in this spot.

Race 11 Selections

The Horseplayer's Journal by Garnet Barnsdale

#4 INSTANTANEOUS got Doug McNair in the bike two starts back and he immediately improved, closing for fourth after starting from a wide post and dropping back early. Coming off that improved effort, he was hammered down to 4 to 5 last week, but he was first up a long way in that mile, and the winner was just too good. Some bettors will likely abandon him in this spot, but I like that McNair sticks with him. Starting from a good post, I think he will get put into play leaving the gate this time, and if can touch down on the lead, he might be able to see it through to the wire.

#7 SCAMMER got used up early two starts back racing in a leg of a Pop Up series then he rebounded well last week where he dropped more than six seconds and close for third. He has closed at odds higher than 60 to 1 in all of his last three starts, and that surely will change tonight with him coming in as the 3 to 1 morning line favorite. He fits well in here, but he is only a one time winner from 22 starts so far this season, so I would be careful to not take too short of a price here.

#1 BELMONT BLAZER is going well for Team Cullen having taken two wins and two slices in his last four starts. He is in a bit tougher here tonight, but he has the necessary gate speed to get positioned close to the front starting from the rail. I think he can get a trip and take a share here.

#3 BET THE BB is the second Team Cullen entry in this race, and main driver Travis sided with Belmont Blazer. Still, this son of All Bets Off will likely look to sit an inside following trip and I could see him sitting along the pylons and taking a small share in this spot.

Race 12 Selections

The Horseplayer's Journal by Garnet Barnsdale

#2 TITANIC HANOVER raced tough on the engine three starts back in a Pop Up series final where he looked like a winner until Gloryview Image eventually wore him down. He then ventured to western Ontario, and he was hammered down to 1 to 2, but he couldn't fend off a veteran that was winning for the thirty first time. He was claimed out of that race by an outfit that typically does well right away with new acquisitions. He raced well in his first start for those new connections, but the rival he was following was simply better, and he just couldn't go with that one in the stretch. He gets protected here moving into the bottom conditioned level, but this doesn't look like the toughest spot. I'll side with him to score the upset.

#1 LARCENY is in the same boat as Titanic Hanover in a way because he raced well in defeat in his last start, but the winner was just too good. It was encouraging to see him get spotted close to the front leaving from the rail post, and he fires right back in the same class after pacing a 1:49 4/5 mile. He should be one of the main contenders tonight and he is one that I wouldn't leave off late multi-race tickets.

#4 SHADOW OF AN ANGEL is no stranger to Mohawk Park as he took his only two wins here last year. The second of those came more than a year ago, but it was an impressive first-over score where he beat non-winners of two. He shipped north on September 6th, moved into trainer Menary's barn, and added Lasix. All of those changes didn't solve his gait issues though as he broke stride for the third time in four starts. He requalified and behaved, but he is hard for me to trust as the morning line favorite. I'll play to beat him here.

#8 SHOTGUN JERRY jogged here two starts back and he beat the top pick in here in the process. Starting from a wide post tonight, I think a few rivals lined up to his left will likely out sprint him early, and he is more likely to take a small share than a win in this spot.

Race 13 Selections

The Horseplayer's Journal by Garnet Barnsdale

#5 COLD CREEK QUESO has simply been in too tough in his last four starts. Consider that he has been in miles that were paced somewhere between 1:48 1/5 and 1:49-flat by the winners. Five starts back, he won racing one class higher than tonight's, and on that night, he was timed in 1:50 4/5. Dropping in class tonight should be just what the doctor ordered, and getting a middle of the gate post should mean that he will get positioned near the front leaving the gate. If he gets a reasonable trip, he should prove to be the one to beat in this spot.

#2 NUCLEAR fits well at this non-winners of \$6,000 last four level, but he had no chance last week starting from the 10-hole considering that he typically has very little gate speed. Getting an inside draw tonight, he should be able to get away in mid pack, and he will likely be flying late here. He is worth a look for the late multi-race tickets tonight.

#4 P L OLIVER drew the rail last time and he ended up in the tough position of racing third at the half. He was sent first-over, and he wasn't able to sustain his bid. Getting off the rail tonight, he could land in the pocket early and ride a perfect trip to victory. He is another one that I would consider for late Pick 5 and Pick 4 tickets at what should be a good price.

#1 RBSTENACIOUS T exits a bit of a strange race in that the winner was sent wide in the third quarter, and he ambushed the leaders with a sub-26 third quarter. This Jodie Cullen trainee tried to follow that move but he couldn't keep up to that rival. He gets the rail post now, and he should be able to pass some of these late and get a share.

#3 CAVIART SEACREST got an impossible trip from a wide post last time, and it was no surprise to see him back up late. Moving inside, he should get a much better trip tonight, and he can be part of the exotics.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2026 earnings
3 year olds	50%		25% on 2026 earnings 50% on 2025 earnings
4 year olds	25%		25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exakta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 1% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
