Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

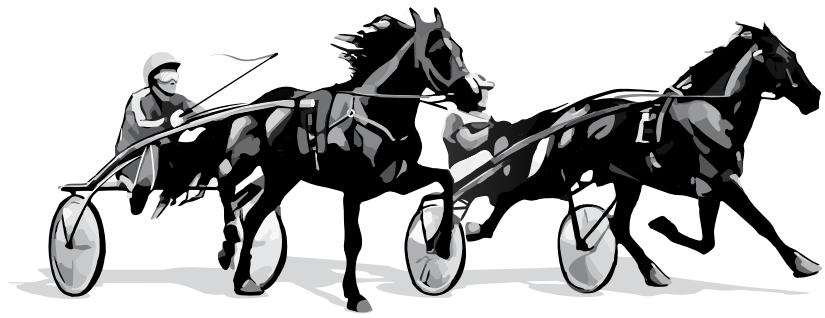

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 1 Horse's number in the race
- 2 Horse's post position colour
- 3 Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- 7 Trainer information
- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Woodbine Entertainment and its' employees are honoured to engage in the sport of horse racing and entertainment activities in the meeting place of Campbellville. The Woodbine Mohawk Park Racetrack is located within the traditional Lands of the Mississaugas of the Credit of the Anishinaabek Peoples and the Haudenosaunee on whose traditional territory we are meeting. The territory is covered by the Dish With One Spoon Wampum Belt Covenant, an agreement between the Anishinaabe and the Haudenosaunee to peaceably take care of the land and resources around the Great Lakes. Mohawk, our namesake, is one of the Haudenosaunee Nations. Kanyen'keha:ka (Mohawk) meaning "the People of the Flint".

Woodbine Mohawk Park is honoured to care for this land, our human and equine athletes, and provide a place to race responsibly.

Race 1 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 CATTLE BELLE has yet to break her maiden in her first seven starts, but she looks like the obvious filly to beat here in this opening leg of tonight's \$75,000 guaranteed Pick 5. Consider that she has only raced against maidens once and that came in her debut in June where she drew wide, dropped back, and closed in 25 4/5. She has faced a steady diet of stakes company since, including two Grade 3 Grand Circuit fields in her last start. She did okay in that mile considering in was paced 1:49 4/5 and she was beaten only six lengths. She is in a much better spot here and she should get sent forward here getting off the rail post. She should prove tough to beat if she gets a reasonable trip.

#1 RULING MONARCH debuted here two weeks ago, and she despite racing decently in her lone qualifier, she took absolutely no action whatsoever starting from the widest post for that maiden voyage. As most bettors probably expected, she dropped to the tail of the field leaving the gate and she raced from behind. She showed some zip pacing a 53 4/5 back half completed with a 25 3/5 final quarter. She then missed a week. I'm not sure she is ready to challenge the likes of Cattle Belle in this second start, but she almost surely will be closer early this time starting from the inside, and I could see her being an Exacta factor tonight.

#6 SELIA SHADOW makes her eighth start here and in her first seven starts, she finished exactly third in four of them. Her best trait is her high gait speed that typically facilitates her getting positioned close to the front leaving the gate. Starting from the best post tonight gives her a good chance to once again land in the Tri, and she is worth a look for use underneath.

#3 AINT SHE A PISTOL tried the big girls in the Battle Of The Belles, and she was distanced whereas Cattle Belle finished second. This filly is better than she showed in that mile, and she was given some time off before qualifying at Flamboro Downs last week. I could see her sitting an inside following trip and taking a slice tonight.

#5 MAHALO is one that I will give a lukewarm nod to in a very interesting race where a good majority of the trotters drops out of stakes races. Two starts back, this Gimpanzee gelding got Doug McNair in the bike for the first time, and he made a third quarter power move and crushed his rivals. He raced well in his next start when he finished second to a rival that came back to jog here Sunday night. Getting McNair back in the bike tonight should be an added bonus.

#8 THE ITALIAN JOB is the stablemate to Mahalo and on paper, he seems to be the biggest likely threat. He was good in his first two starts, breaking his maiden at first asking, then in his second start finishing second to a gelding that went on to finish a close second in the Grade 1 William Wellwood Memorial. I don't mind the widest post for him here on the class drop because I think he is blasting off the gate regardless. He will likely be the last one to clear, and he is a threat to lead all the way.

#2 DEWENITFORTHEMONI was racing well here before she ventured south to Kentucky, and she developed some gait issues racing over The Red Mile. She requalified here on September 18th, and she gets reunited with the leading driver tonight. If she can find that 1:54-flat mile that she trotted last time she was seen here on August 20th, she can be right there tonight.

#3 SWINGINGCHANDELIER was a \$375,000 purchase for Determination at the Harrisburg Sale being a full sister to millionaire Ahundredollarbill and \$856,000 earner Slay. She won well in her second start here and she comes off a decent try in a New York Sires Stake Final at Batavia. She missed some time due to sickness, but she can be an exotics player if she is sharp enough.

PURSE \$22000. 2 YEAR OLD FILLIES: NW 1 RACE OR \$10,000 LIFETIME. NO ALLOWANCES.

#7 JYN ERSO raced at tonight's level twice in her past four starts, and she broke in one of those miles, and in the other one she was beat by a filly that came right back and won again in an elimination for the Grade 1 Peaceful Way. She lands in a spot here where she has a good chance to control the pace, and she gets top billing to start up tonight's early Pick 4.

#4 NORTHERN SONG has finished in the money only twice in her first eight starts, but she has been in extremely tough spots in her last six starts racing in either OSS Golds or Grand Circuit races in all of them. She gets into and easier spot here, and she should be a contender tonight.

#2 COOLER FASHION wasn't expected to do a lot last week considering that she was coming into that race off a scratch where it was reported that she was injured and prior to that two miles where she broke stride. What she did though, was trot the fastest race of her career so far while finishing the best of the rest behind a winner that paid only \$2.20. She should contend for another share here as long as she stays flat again.

#1 TIT FOR TAT shows a pattern of alternating good mile/break stride in her past six starts, and if that pattern holes tonight, she is supposed to stay flat, put in a good effort, and land in the money. With her gait issues, she is hard to trust starting from the tricky rail post. I'll use her underneath in this spot.

Race 4 Selections

The Horseplayer's Journal by Garnet Barnsdale

#7 A SPLASH OF GREEN is a filly that didn't hit the board in her first five starts this season, then she took a couple of months off, and she really turned her year around when she returned on August 3rd. Since then, she has raced six times and finished first or second in the first four of those miles before trying a Grand Circuit race on September 4th. She broke stride at the start and lost all chance. She bounced back nicely here last week, leading all the way in Grassroots Leg 5 as the even money favorite and she converted to lower her lifetime best mark. She should prove very tough to beat in here as we start up tonight's 20-cent Pick 6.

#9 BARBARA MAY came out of a fast OSS Gold race seven starts back where she finished third behind the two big favorites, and she was bet heavily getting in against non-winners of two. Starting from the middle of the gate, she was moved to the front in the second quarter, and she left no doubt from there, powering her way to her first win of the season while lowering her lifetime mark. She wasn't as good on July 27th when bet down to the 4 to 5 favorite, but that front end effort kept her sharp for the Grassroots Leg on August 9th. She was bet down to 4 to 5 that night and she turned for home with a few lengths to make up on the leader. She unleashed a wicked 27 2/5 brush to win going away. Three starts back, she looked a bit short coming in off an 18 day break and she couldn't hold the lead after getting a reasonable first half. She raced okay in a Grand Circuit race two starts back, then she raced in the pocket all the way last week while finishing second to the top pick in here. She can be an Exacta factor right back.

#2 ELBOWS UP tried a middle move last time, but it didn't work, and she got hung out by the eventual winner. She is in tough in here, too, and she is one that I prefer to use underneath in this spot.

#6 GREEK MANALISHI is a filly that comes off a big effort where she pulled first-over from last and eventually worked her way to the front around the final turn and saw it through to the wire on the lead. She is in quite a bit tougher tonight, but she draws best, and she is worth a look at a price for the bottom of the exotics.

Race 5 Selections

The Horseplayer's Journal by Garnet Barnsdale

#9 POWRSTROKE PIONEER brought a final bid of \$30,000 at the London Classic Sale and he is a full brother to 1:49 4/5 (F.) pacer Twin B Risenshine (15 wins, \$270K) and a half to \$330,000 winner Twin B Powerball (21 wins, 1:50 2/5 S.). This son of Sunshine Beach showed a bit of late zip in his debut when he closed in 27 1/5. He was even better in his second start on August 20th when he laid a bit closer early in the mile then came on to get second. He got off the rail for his third start, and he was used hard making two moves to the front before reaching the three quarters, and despite laying down some strong fractions, he still almost got the job done. He got picked off by the pocket sitter in the final strides. He raced well again two weeks later when he made a middle move to the front, was overtaken by the even money favorite at the head of the lane, then gamely re-rallied to make it close at the wire. He has a good chance to break his maiden here in his fifth start.

#4 STAMPEDE last week was expected to improve because he was exiting an OSS Gold race where he raced decently and got a small slice. Three starts back, he probably deserved a better fate, too. In that mile, he suffered interference at the quarter, and he was pushed four wide, and his night was in effect over at that point. Dropping in to face maidens last week he was aggressively races, and he was right there at the wire. He gets a good post to work from tonight, and he can be right there again.

#5 WE WANT EAZY ships north after racing decently in several New Jersey Sires Stakes and he figures to improve by default getting in against maidens tonight. Starting from one of the best posts, he should get put into action leaving the gate, and he could end up being the one to catch here.

#3 FOOLISH BUSINESS is the second foal from a dam that produced his half brother Funny Business who has won eight times and took a mark of 1:55 2/5 in a leg of the Harvest Series here in the fall of 2024. This gelding equaled that mark in his lone qualifier here on September 11th and that blowout win stamps him as a contender at first asking. He is another contender to consider for early multi-race tickets.

Race 6 Selections

The Horseplayer's Journal by Garnet Barnsdale

#9 DOUNEEDTHEMACHINE broke her maiden in her fifth start on July 18th when she produced a strong first-over effort to take that victory at Kawartha Downs. She raced seven times at Mohawk Park since taking that win, and she hit the board in four of those miles. She raced well in defeat here four starts back when she worked hard to make front in the second quarter. It wasn't long before the 1 to 9 favorite took over the lead. From there, this filly followed to the stretch then trotted strongly to the wire to finish a clear second. Off that good mile, she was bet down to 6 to 5 favorite on August 31st, and she looked good until she started to run in when trotting down the lane. The pocket sitter slipped out late and passed her and a second rival nipped her right on the wire for second. She tried different tactics On August 31st, and she was a closing third. Then two starts back, she was right there again. Her last mile starting from the rail in a Grassroots race is a toss. She fits better here, and she gets top billing to start up the late Pick 5.

#6 SATU WANIA is 0 for 20, but she has been a nice earner as she has taken more than \$76,000 in purse money. She comes off one of her better efforts where she showed early speed, took a shuffle, then re-rallied for third in an OSS Gold race. She may have found a field that she can beat here, and she in the other one that I would consider using on late Pick 5 tickets.

#2 YADREAMIN SEELSTER took no money last week starting from the nine-hole and I thought that she raced decently, considering. She moves inside now and she should be able to get spotted near the front in this spot, and she is worth a look at what should be a square price.

#10 UNSURPASSABLE comes off a nice closing effort where she got second in a Prospect Series race. She probably had her fate sealed tonight when she drew the worst post, but she is sharp, and I could see her closing to take a small share tonight.

Race 7 Selections

The Horseplayer's Journal by Garnet Barnsdale

#1 R ROSIE has raced six times, and after racing against maidens in her career debut on June 25th, she has been in against Gold and Grand Circuit fillies in every start since. She was right there in her first two starts, one of them in a Gold race where she led to the final strides. She hasn't been as good recently, but dropping back into a maiden race gives her a great chance to turn her form around. She should improve by default facing much easier tonight, and she gets top billing to start up tonight's late Pick 4.

#4 SONG FROM HEAVEN has a similar profile as R Rosie with the exception being that this filly raced exclusively in stakes in her first seven starts where she has gone winless. She has taken shares in some Gold races, and her last mile was a decent effort in one of those events where she flashed early speed before taking a shuffle. She gets a good post to work from here, and she will probably be the one to catch in this spot. I would not be leaving her off late multi-race tickets.

#9 NINE TO FIVE has only missed the top four once, and that came in her debut mile. Since then, she has been around the money in every start. She failed to get the job done at 3 to 5 last time, now she draws widest, so I don't see her beating both of the class droppers in here. She should be able to get positioned close to the front though, and I can see her taking a share here.

#3 PEACHY DEE broke in her last two pari-mutuel starts and she had to requalify here on September 18th. Three starts back, where she stayed trotting, she was beaten at 2 to 5, but she did stick around for a share that night. She is in with a chance to get a slice if she can stay trotting tonight.

Race 8 Selections

The Horseplayer's Journal by Garnet Barnsdale

#8 STORMONT FRIEDBOY brings a 0 for 12 record to the track tonight, but it looks like he has found a spot here where he can break his maiden. He drops out of an OSS Grassroots event where he produced a decent closing effort to get fourth, now he gets in against non-winners of one again here tonight. He was good in his two previous starts where he closed for second in this class, each time trotting 27 4/5 closing quarters. He gets Trevor Henry for a return drive tonight, and I won't be surprised if Henry gets more aggressive with him leaving the gate this time. This gelding gets top billing here.

#6 ILOVEMESOMETACOS lacked room early in the stretch three starts back, then he dove inside and began to close along with three rivals to his outside. Those rivals had momentum and all three of them got the better of this gelding, who finished a close fifth. In his best start, he followed the cover of Broadway Star, and he won the race for third, getting up to beat that rival right on the wire. Last week, he raced aggressively and he provided perfect final turn cover for that same rival who then got up to beat him on the wire. This gelding draws best again here, and he looks like the main threat to Stormont Friedboy.

#4 FORT LIBERTY outraced his odds here 10 days ago when he led all the way as a 32 to 1 bomb and just failed to score the big upset. That was only his fifth race, and he still has some upside, and he gets a driver change to Bob McClure in this spot. There are certainly no standouts in this field, and he is another one that merits a look for late multi-race tickets.

#7 DULCES SUENOS DEO ran her record to 0 for 51 here last week, but she continues to pass rivals in the back half of her miles, and she has taken 21 slices and finished fourth on thirteen other occasions. As always, she is a good one to use on the bottom of the Tri and Super.

#3 STORMONT SHANLYBOY has two easy wins in his last four starts and in the other two miles he raced decently in \$150,000 OSS Gold events to takes slices in both. He gets into a race restricted to Grassroots and Prospect Series starters here tonight, and he could probably work out his preferred pocket trip in this spot. That makes him the horse to beat here, and he gets top call.

#5 MAIZE AND BLUE got hot here in June and July, winning five straight after starting his sophomore season with three straight third-place finishes. Since then, he has gone winless in seven straight starts, but he did finish a close second in three of those miles including last week where he led all the way and got picked off right on the line by a rival who rode in his pocket the whole way. He is an obvious contender tonight; I just wonder if he will meet the same fate as he did last week as it seems reasonably likely that he will set the pace again with Stormont Shanlyboy riding in the pocket.

#4 DREAM FOR PEACE is an OSS Gold winner that got an impossible parked out trip last time after starting from a wide post. Moving inside gives him a good chance to get a better trip, and he should be much closer tonight. He should be part of the Tri or Super in this spot.

#8 THOR B GOOD raced well to get third in a Grassroots race last time and he has now landed in the top three in half of his 16 starts this season while earning more than \$80,000. With his good gate speed, he should be able to get positioned close to the front at the start, and he can take another share.

#4 INTEL QUEEN is only 1 for 20 so far, but her lone win was a wire job against maidens in June, and she has been in pretty tough since then. Her most recent try in Grassroots Leg 5 was a decent try as she paced home in 28-flat that night to get a small share. She draws well here, and I think pilot Travis Henry will be sending her looking to go on a speed mission in this easier non-winners of two spot. She gets top billing to round out the late multi-race tickets.

#9 SENDI KA got Doug McNair in the bike two starts back in a non-winners of two race, and he was sent to the front where he set fractions that were just a bit too fast for him in the end. He gets McNair back in the bike tonight, and this gelding should get another aggressive steer from him. He is another one to consider using on the late multi-race tickets.

#6 GO ROSSCO makes his third start back off a sick scratch, and it was encouraging to see him show some gate speed last time before he took a shuffle then re-rallied. He gets the leading driver now, and it's likely that he will improve again, although I'm not sure how much value he will offer as the 5 to 2 morning line favorite. Your call.

#8 MONKEY TALK drew the tricky rail post three starts back, and he overcame that and I thought he would have won if he didn't get forced wide on the last turn when he made his move and a rival pulled in front of him. He got a better trip in his penultimate start, and he converted for a maiden breaking score in his sixteenth start. He came back and trotted the fastest mile of his life by more than a full second in his last start, but that 1:53 mile trotted by the winner was just too fast for him. He should be able to get at least a slice tonight.

#5 GREEN NINETEEN is 1 for 26, but last time he raced at tonight's class level, he finished second (placed third for a pylon infraction) in a solid effort. Starting from one of the best posts tonight, he should be able to work out a good trip and land in the exotics somewhere.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	ALLOWANCES	CONDITION RACES
2 year olds	100%		50% on 2026 earnings
3 year olds	50%		25% on 2026 earnings
			50% on 2025 earnings
4 year olds	25%		25% on 2025 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

C.P.M.A. Regulation Changes

Effective January 1st 2012
CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

- Pick Pools**
- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
 - If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
 - A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
 - Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
 - Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L Denotes horses treated with Lasix.
- L

 Denotes horses treated with Lasix today who were not so treated for their last start.
- L

 Denotes horses treated with Lasix for their last start but not so treated today.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated.

SWINGER (Also known as OMNI)

A Swinger is a betting transaction in which a purchaser of a ticket undertakes to select horses to finish in any order from the official first 3 positions.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 6 BETTING

The Pick 6 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of six successive races specified for the Pick 6 respectively.

If no one has correctly selected all 6 winners, the entire net pool is carried over to the next available PICK 6.

PICK 5 & 6 BETTING

If at least 1 race as part of the Pick 5 or 6 has been cancelled or declared "No contest", but not more than the specified below under Refunds, the net pool shall be distributed to those selecting the most # of winners and NOT include any carryover from a previous pool.

PICK 3, PICK 4, PICK 5 & PICK 6 SCRATCHES

In the event a Pick 3, Pick 4, Pick 5 or Pick 6 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4, Pick 5 or Pick 6 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4, Pick 5 or Pick 6 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Swinger 14.7%. Trifecta & Pick 4: 21.7%. Double & Exakta 17.2%. Jackpot Hi-5, Pick 5 & Pick 6: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 1% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
